Twelve Professions Of Faith At One Place . . . Five Baptized . . . Two Days At Atun Cano . . . Two Days At Marupa . . . Need Buildings On The Rivers . . . Need Your Help To Build

By James Kissel

Dear Brethren, September 10, 1976
This month has been one of blessing and also discouragements. In our last letter we mentioned our new mission, which we began in Santo Tomas. During this week of special services, we had 12 professions of faith.

This month we spent two days in the village of Atun Cano, where we preached and baptized five into the Fourth Church. We then went to our mission at Marupa in the Amazon River, where we spent two days. The pastor of the Third Church was with us, as this church has a mission at San Pedro which is a village below Marupa. He baptized three.

There have been five professions of faith in the Third Church, also several in the Fifth Church. The

James Kissel

pastor of the church in Tamshayacu reports the exclusion of six and then they had 12 additions by baptism. So the Lord has blessed the different churches. The pastor of the Fifth Church has resigned and left to go to Pucallpa to pastor. We did not want to see him go, as he has proved to be one of our best workers.

One great disappointment has been in the First Church, where the pastor has fallen into sin and has about destroyed it. Also sowed many false rumors against me. But seemingly he has been chastized and has now repented, so we trust the church will again go forward.

There is a great need for small buildings on the rivers and materials continue to rise. I plan to help some of the different missions construct their own buildings, the Lord willing. We need your prayers concerning the needs. May the Lord bless each one who helps to make the work here possible.

Yours in Him,
James Kissel

A Leper Baptized . . . Trip To Lake Janauca . . . Eight Baptized . . . 326 In S.S. . . . Goals For Balance Of Term Before Furlough

By Harold Bratcher

Dear Brethren, September 13, 1976
Sunday night, August 22nd I baptized Senhor Aderson Almeida, 54 years old. Brother Almeida has been a leper for years. The disease has left him crippled. Before the baptism I gave him the opportunity to say a few words. He not only said a few words but practically preached a sermon. His words were a blessing to me.

After the service one of the brethren in the church who drives a taxi, took him back to the hospital. Pray for this dear brother who made a special effort to follow his Lord in baptism.

The weekend of August 29th I spent with the First Baptist Church of Lake Janauca. I preached at three services and assisted a baptizing there. Eight followed the Lord in baptism that morning. Pray for the church as the pastor, Miguel Ibernson has resigned effective this month.

Yesterday we had 326 in Sunday School. We held services in an old folk's home yesterday afternoon. Last night at the close of the service I performed a wedding ceremony. Pray for a family in the church that are "almost persuaded" to become "Jehovah's Witnesses."

Now, brethren, we want to share with you our goals and plans for the remaining ten months of this term (73-77) on the field. We do so because we need

Harold Bratcher

your prayers and your offerings because you are the human instruments predestined by the Lord to help us to accomplish this work for the Lord. For the year July 1, 1976 to July 1, 1977 we have as our goal at the 14th of December Baptist Church an average attendance in Sunday School of 301. Last year's was 268. So far we are averaging around 310. I want to be able to complete the construction including the divisions made on the first floor for the Sunday School classes, etc., and a wall around the lot. In November I plan to visit a family, the parents of one of the members of the church that live near Nova Olinda. They are not saved and their daughter and son-in-law are especially concerned about them. Pray that my visit there will be the beginning of a new mission for our church. In December, the Lord willing, I'll return to Codjas for another revival with the 25th of December Baptist Church. Next June I plan to visit the mission at Cana on the Buzzard River. Pray that I'll be preaching there then in the new building.

Brethren, in the warfare that is waging for the truth and for the light, may the Lord depend on you? Don't let it be a matter of "too little and too late" in our service to the Lord neither on the home field and neither on the foreign field. We will do all we can to win the lost, teach the saved after baptizing them and build the buildings necessary for the people to be gathered together. We will continue to teach stewardship to the believers. Will you help us?

Yours in His Service,
Harold Bratcher

Begin Services At Aucayacu . . . New Worker Arrives . . . Five Professions And Four Baptized . . . Need Help To Finish New Building

By Art Gibbs

Dear Brethren, Apartado 7 Huanuco, Peru Sept. 13, 1976

Although all the news this month is not so good yet we have much good news to report.

We had been sorely grieved for some time over the work in Aucayacu but praise the Lord things are looking up. Some of our brethren who also shared the burden for the work in Aucayacu agreed to go down to Aucayacu and donate a few days work to help clean up the building and cut down the weeds, etc. so that we could begin services once again. On Aug. 25th I preached to about 40, and Aug. 26th Bro. Pedro Aquino preached to about the same number. The following day as I was trying to fix a sheet of roofing that had broken, I came tumbling down some 20 ft. as the roof gave way underneath me. It was a

Art Gibbs

sad and difficult time for all, as I had to be taken to the hospital in Tingo Maria. Happily there were no bones broken, just badly cut and bruised.

A few days later Bro. Pedro Aquino told me of his desire to go and work in Aucayacu, so Thurs. Sept. 2nd I took him and his wife to Aucayacu. Please pray for them as their trials will be many and difficult.

Attendance here in Huanuco continues good. We have had 5 professions of faith, 1 by letter and I have baptized 4 this past month. The building is coming along slow but sure. We are putting the steel together for the ceiling beams. This is slow and tedious work. We are thankful for those who give so faithfully that this construction might go forward.

We also have a new preacher, Bro. Pedro Oliva to help in the work here in Huanuco and in Ambo. Please pray for him.

May the Lord bless you all.

Yours in HIM,
Art Gibbs

Several Days At San Juan . . . Must Fence In Property Or Lose It . . . Using New Building At San Fernando . . . To Organize Into Church Soon

By Del Mayfield

Apartado 166 Pucallpa, Peru, S.A.

Dear Brethren, September 16, 1976

We just arrived from San Juan where we have spent several days. This is the reason for being late with our mission letter. We have to fence in the property, and have the front closed in, with the gate up. We also painted a new sign and have it up. To fence all the property is going to cost several hundred dollars, and someone may want to help us with that expense. It has to be done, or we stand a chance of losing the property. Pray with us about this.

We now have the building finished enough to use in the San Fernando Mission, and have plans for a two week meeting, to celebrate and dedicate the building. Also plan to organize at the close

of the meeting. The church here has called one of our preacher boys as missionary and to preach for us in

Del Mayfield

the Mission. This really takes a big load off, as I have been preaching at both places on Sundays. We thank the Lord for sending us one to help. Pray for our meeting, Oct. 4-17.

We finally got the books out of customs (Trail of Blood) and are looking forward to using them in the work. We plan now to teach it again here, after we get through in San Fernando, and San Juan.

The Lord continues to bless here. We have baptized three, and received three by letters. Also have a family in San Fernando getting married so they can follow the Lord in Baptism.

Our day school is out for two weeks, between semesters. The 27th we start the last half of the year, and are praying that God will bless as He has the first half.

We would like for you to pray about the conditions here. Brethren the door is going to shut one of these days, so while there is time let us keep on keeping on.

Yours by His grace,
Del Mayfield

A Happy Contented Missionary . . . Two Churches Organized And Two Church Buildings Built And Paid For . . . Ready To Buy Lot And Build The Third One

By Walter Lauerman

Apartado Postal 1218 Tegucigalpa, Honduras

Dear Brethren, September 14, 1976

I have had many so-called thrills in life. I was the only one of 581 that was given a major league baseball contract. I was in Japan harbor in the Navy when World War 2 treaty was signed. I was one of 83 in a music class that got chosen to go to Honolulu (couldn't go) and many other things happened to me. Then the Lord found me and all changed in that moment. Now I have more than these above mentioned and eternal life. I just want to serve HIM for all. It does give me more than a thrill to be HIS servant.

About the work this month: Ayestas Church down some, but 3 professions and 3 for baptism. Offerings up to about \$40.00 a month. Woodland Church: up in attendance, 1 profession and also offerings up again. They hope to call a pastor this next

business meeting, the Lord willing. Pradera Mission: 5 professions, 5 to be baptized Sunday (Sept. 19), the Lord willing. Attendance up to 67 and down to 41. Ayestas Church is thinking about starting a new mission in a good point. Pray with them. We had our monthly fellowship in another downpouring rain (as usual) but 93 present. I preached on "The Lord willing," showing mostly it is our will, not the Lord's directive will. I did it as all here always say about everything "The Lord willing" I noticed that phrase has gone out of style real fast.

We hope to buy a lot in Pradera this week for the work there. I mentioned this last month. Wouldn't you like to have a part in this? Pray about it please. It will cost about \$4,000.00. The Woodland Church and the Ayestas Church also have their own lots and buildings on them and all are paid for over a year ago. I think we will need about \$10,000 for a lot and a building in this new work in Pradera. We always try to keep the buildings nice but reasonable. May the Lord bless you in this as you pray. We thank God once again for all that you through BFM have done for our ministry and my family.

Attendance Records . . . Homes Visited . . . Wednesday Morning Prayer Band . . . Need Offerings To Finish Building

By Richard Turner

Dear Brethren,

This month we have seen the Lord's blessings here in our work. In our Sunday School we had a high of 29 and in our Sunday night services we had 32 once and 50 twice. The nights we had 50, a young peoples group from another Baptist congregation that does not have services at night. We have been encouraged by the increase. I have visited this month over 200 homes. We have just about finished visiting every house in our area. We only lack a few scattered homes in and around our church. Every Wednesday morning Bro. Creiglow and I have been meeting for prayer. We have already seen some answers to

Richard Turner

our prayers. I would like to hear of others that are meeting together and praying for our work and not only ours but for all the work of our Missionaries.

We thank God for you all that have a part in our ministry here in this place. Remember to pray for us and also to give to finish our building.

Yours in Him,
Richard A. Turner

Work In Full Swing . . . Bible College Going . . . 18 Baptized . . . New Work To Begin . . . Elton Visits And Preaches

By Louie Carver

Dear Brethren,

Things are in full swing again with our work here in Korea. My wife is back teaching (monitoring) three of our four children; Bible College has started again so we're all quite busy around here.

One of the highlights of the month was that Bro. Elton Wilson pastor of Bible Baptist Church, Clarksville, Tenn. was with us from Sept. 3rd. through 6th. It was a blessing to have him, as well as encouraging in the work. Over all we've had another good and awarding month, that's not to say that we've been without problems though. The attendance in all

Louie Carver

three works is steady with seemingly good interest. I baptized eleven (11) at the Kwong Ban Ri Mission, Bro. Chang baptized three (3) at the Doo Mill Church and Bro. Choi baptized four (4) at the Shin-Nae Baptist Church. I suppose 18 baptized is not bad, but I'm not satisfied; there are so many more that could be reached by really witnessing.

This coming Lord's Day, 9-19-76, we are scheduled to start a new work here in Seoul. I feel we have an excellent location with thousands of people all around us and a nice second story room. Some may want to have a personal part in this new work, if so send it in as "K.E.Y. Money" for building in Korea and 100% of it will go toward this new mission endeavor.

We need your prayer as we're all now going six nights weekly and some weeks seven that God will give us Grace, Knowledge, and Strength.

In His Service,
The W.L. Carver's

House To House Visitation Continues . . . Attendance Growing Slowly . . . Need Lot And Church Building . . . 16 Years With BFM As A Missionary

By Bobby Creiglow

Dear Brethren,

Although my house to house visitation continues there is very little news of interest to report this month. After almost four months of this kind of visitation I can count on the fingers of one hand all that have attended directly as a result of my labors. In spite of the fact that so few have come I have had the opportunity to witness to some of these. Some have shown some interest and some none. Thus far I have covered more than half of the city, of course many of these houses I did not find anyone home, perhaps I will catch them on the second time around. Our attendance does continue to grow some. In the month of July we averaged

Bobby Creiglow

23.8 in all services and 26.5 in August, so as long as we continue to increase we try not to complain too much, although we would like very much to see them saved. We have had new faces in almost every service and if we could keep all of them coming we would already have our building filled. Our largest attendance so far has been fifty. I received a letter from one pastor asking what it would cost to buy lots and build a building. In response to that letter I told him that I have put off

building for several reasons. First of all because our congregation is very small and still on very shaky legs and from the way things are going will be a long time before we would be able to pay for it. The second reason is that we would have to depend on you brethren to do this for us and I am sure some of you are already tired of hearing us beg and I have never had it in my nature to beg, not even for the Lord's work. I estimated that it would cost about \$14,000.00 (Dollars) for lots and small building if I myself do the building. I am just passing this information along, since one has written I thought others might be interested in knowing since Bro. Overbey has mentioned this in the Mission Sheet several times.

On the first day of September we completed sixteen years with Baptist Faith Missions and we look back it seems there has been so very little accomplished.

In Him,
B.D. Creiglow

We are looking forward to the best Thanksgiving Conference ever. Hope to see you there.

25 Professions . . . 35 Baptized . . . 9 New S.S. Classes . . . Walk Route . . . City Wide Tract Distribution . . . Mission Has 170 Attendance, 32 Professions . . . To Be Organized Soon

By Paul Hatcher

Dear Brethren,

Thank God for another month full of excitement. The church has made many strides this month. The Lord has blessed with approximately 25 saved. We baptized twice each week, with the exception of one Sunday morning-a total of 35. Part of this has been due to 25 counselors and soul winners who are ministering to many lost. The coming week, we will be adding nine new classes to our Sunday School, bringing us to a total of 16 classes to accommodate new crowds.

Sullivan, a young man called to preach, preaches in the children's services and also works a walk-route. He walks approximately one

Paul Hatcher

mile from his home to the church, then walks his route, approximately three miles going and coming. After leading the children's service and walking his walkers home, he says, "Pastor, I'm shot!"

The church is projecting a city-wide tract distribution which will place a tract in each home in Manaus, population 550,000 plus - the beginning of Christ's command "Preach the gospel to every creature."

The church has five missionaries. The Compensa Baptist Mission has had an average attendance of 170 and last month had 32 professions of faith. The Lord willing, it will be organized December 25. Since the beginning of the year, the mission building has been expanded three times. In the coming month, another large addition will be made to the building. Mauri Melo is the pastor of this mission; he is a dynamic pastor and a January '76 graduate of our seminary. Our love to all,
Paul, Wanda & Leigh Anne

Leaving For Brazil In 45 Minutes . . . Lives Spared In Accident . . . Thanks To Churches And Everyone for Support

By Mike Creiglow

Dear Brethren,

Well it looks like we are finally on our way home to Brazil. The plane will be leaving in about forty-five minutes.

The Lord has miraculously provided the permits and all else that we needed for our return.

We spent the past week in Clarksville, Tennessee with Bible Baptist Church and Beverly's folks. I showed my slides Sunday night at church. We have had a fine time of fellowship and really enjoy the missionary atmosphere at Bible Baptist Church.

The Milton Armstrongs from Bible Baptist, came to

Mike Creiglow

Florida with us to take our car back to Clarksville. We had an accident yesterday during a rain storm. God spared our lives and kept us from any physical harm. At the time of the accident there was a moment of extreme danger. We are so grateful to God that the only damage was to the car. The Armstrongs were a great help to us and we are truly grateful.

May we also take a few lines to again thank Fellowship Baptist Church of Lexington Kentucky for providing a house for us to live in.

Many thanks to all the churches and individuals who blessed us this year.

In Christ,
Michael Creiglow

32 Preaching Services . . . 25 Radio Messages . . . Saturday Children's Hour . . . Average Attendance 15 . . . Encouraged By God's Unfailing Promises

By John Hatcher

Dear Brethren,

This past month there have been held a total of 32 preaching services in the two cities where our new work is being done. Twenty-five radio messages were preached on the daily broadcast, at our own expense, and four children's hours were held on Saturday afternoons. The number of people attending has been small with an attendance of perhaps fifteen average. God has encouraged us with His unfailing promises.

John Hatcher

NEW WORK IN NEW STATES. The work in New States where we have not had work before, is really hard, as Richard Turner, Bobby Creiglow and John Hatcher are experiencing. All of them are sowing their cities with tracts and invitations to attend the services, and with house to house visitations. They are having slow increases in attendance and professions of faith from time to time "let us not be weary in well doing for in due season we shall reap, if we faint not." May the Lord lead more to give "for new work in new states."
