Great Needs

Some ask . . . "What is the greatest need of Baptist Faith Missions?" First, the greatest need is "regular offerings" to pay salaries, for the twelve missionaries, their rent allowance, plane fares, trips in the field, schooling for children, doctor and hospital bills, cars, boats, motors, etc., etc. Next is the need for church buildings. Here are the approved projects as of the present:

JOHN HATCHER'S NEW WORK IN OTHER STATES. The rent is very high and we need to buy the buildings now being rented if possible. HAROLD BRATCHER'S CHURCH BUILDING NEEDS TO BE FINISHED AND A WALL AROUND THE LOT before he comes on furlough in 8 months. RICHARD TURNER'S NEW BUILDING NEEDS TO BE FINISHED and a shed for tools and to store furniture when on furlough. BOBBY CREIGLOW'S LOT AND NEW BUILDING, starting from scratch. WALTER LAUERMAN'S LOT AND NEW BUILDING starting from scratch. He has built two buildings all paid for. LOUIE CARVER KEY MONEY which is a must to rent a building for new missions. ART GIBBS' NEW BUILDING, NEEDS TO BE FINISHED AND WORK ON OTHER BUILDINGS LEFT UNFINISHED. JAMES KISSEL BUILDING ON THE RIVERS AND REPAIRS OF OTHERS. Pay for these needs, and get one or more on your heart, and lead your church to take on and give regularly til finished, as the Lord enables. Great rewards waiting in heaven. PAUL HATCHER IS THE ONLY MISSIONARY THAT DOES NOT HAVE A CAR FURNISHED FOR HIM TO USE. LET'S PAY FOR A CAR FOR HIM TO USE. Mark your "special offerings" accordingly. A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a nonprofit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

were folk saved about every night, with many coming confessing their sins and getting straightened out with the Lord. This without exception was the greatest meeting we have ever had in Pucallpa. There was not enough room in the bus to haul everyone that came, so many had to walk. We packed them in the truck like sardines in a can. I counted one night over 50 and still not sure just how they all got in 50, and still not sure just how they all got in. Yesterday morning October 17 after the service we brought everyone possible back here for the baptizing of those who were ready. We baptized 9 with others who didn't bring a change of clothes, and some who have to get legally married. We had over 400 in

Dear Brethren,

This month has been spent with the different churches in Iquitos and on the rivers. We were with the church at Tamshayacu two days. This is one of the best churches we have. They have a small building which is usually full, but their attendance usually runs 100 or more, even for midweek services. There was one profession in this church this month. We also were with the church at Astoria, where we had special services for one week, with different preachers each night. There were several professions during this meeting. I also spent one night at Atun Cano, which is a village that is inland, perhaps twenty minutes walk, through the jungle.

They have called me to pastor and I have my work cut out, as the attendance is down to almost nothing. Pray for us and with us about the work here.

One old blind man told me after services that he wanted to be baptized, soon the church will baptise him. The Sao Mateus Baptist Church is building brick church building out on the main highway through that town, they outgrew their old building and had to add on to their old building so they bought a nice lot on the main highway and are now building there. This church is growing more than any of our other churches, but Bro. Sostenes always does a good job wherever he is and the Lord blesses his ministry. I have had a kidney infection and a pulled muscle in my back with some pain and discomfort, but with medication I an now back to normal, thank the Lord. I went with another brother from our church
September 20-21 to Anajatuba this place is located
130 kilometers (81 miles) south of Sao Luis. We had big crowds in open air street meetings at night. One girl made a profession of faith. The days were spent

We met one old blind man that had many years ago made a pro-fession of faith in another city. We also met a man that set the doors and windows in our church building and had made a profession of faith while attending the serv

faith while attending the services at New Hope Baptist Church in Sao Luis. I did not know what had happened to him. When he saw us arrive there he soon came and told me he was living there in Anjatuba Please pray with us about this place as we hope to return there this month with some more preaching services, etc. There have been four brethren that have returned to New Hope Baptist Church and confessed their sins and asked to be restored back into fellowship with the church. I have baptized two with others waiting to get married so as to be able to be baptized. We have had five professions at New Hope Baptist Church. We have had five professions at Carema, a mission of our church. We have had three to come for baptism from another group here in Sao Luis. We have a large group to baptize soon. Brethren, please pray for us as there are some of the biggest problems that I have seen in the 22 years of my ministry to try to solve in the churches. This city and biggest problems that I have seen in the 22 years of my ministry to try to solve in the churches. This city and state are the (I think) world's worst as far as prostitution and vices are concerned. But by God's grace we will stay and pray and try to solve these problems as they come up. May God bless all and good bye until next time.

Sunday night October 3rd we buried with the Lord in baptism twenty new believers. At the same service two were received by letter.

Saturday night, October 9th, we held a special service at the church due to the fact that Brother Tom Moody, Minister of Education of the First Baptist Church of Murray, Kentucky was visiting in Manaus. He preached for us that night. We were blessed by his presence among us.

Tuesday, October 12 was "Children's Day" in Brazil. I had the opportunity to preach to some 40 at the day school of the church. Previously, September 27th, Old Folks day in Brazil, I preached to some 40 at an Old Folk's Home here in Manaus.

These days we are working on the divisions for the Sunday School rooms. We hope to have the nursery and the pastor's study operating before the end of the year. Also the rest rooms are being prepared for use. We hope to soon have all of them ready for use.

By Louie Carver

Kwang Hwa Mun P.O. Box # 1184 Seoul, Korea October 18, 1976

Dear Brethren,

When busy in God's work time sure passes; since the last mission letter there have been thirty-one days passed into eternity and I've been busy 31 nights of that time teaching and preaching the Word. The following is a break-down of the past month: preached 15 times, taught 35 lessons in Church and at the Bible College, passed out 100's of tracts, visited and witnessed to scores of people, yet I've hardly scratched the surface.

My wife teaches our three oldest children in our home five days weekly, besides her other responsibilities, so you see she too stays quite busy.

We started the new

ities, so you see she too stays quite busy.

We started the new mission here in Seoul, the first service being September 19; we've had a lot of curiousity seckers and I believe some who really mean business. There have been, I believe, 20 professions of faith of whom I've baptized three. In the children's S.S. at the new mission (Faith Baptist) we've run from a low of 75 and a high of 112; in worship services we've had from 14 to approximately 60. Pray for this new endeavor and if you would like to have a personal part in it just send your check in for Korean Building and 100% of it will go toward the K.E.Y. money on this new mission

The other three works and the Bible College are all doing well; attendance is down some, especially in the two country works. Brother Choi baptized two last month at the Shin Nac Church and had several professions of faith. As far as I know there were no visible moves in the country works. One of our Bible College Students is now doing most of the preaching at the Kwong Ban Ri Mission, so it will take awhile to get he and the people adjusted to each other. Prayfor all four works as well as for the school.

By the time you read this letter the Thanksgiving Conference will already be here; let us all pray that God shall be pleased to bless with a great and challenging one. Thanks so much for your prayers, suport and concern for us as we serve here in Korea as your missionaries and God's servants.

Illness In Family . . . Sunday School Growing . . . New People Coming . . . Need Offerings For Lot And Church Building

Cuiaba, Mt.
Dear Brethren, October 14, 1976

Due to the facts that we have moved and illness in the family 1 have not done any visiting this month and our services have begun to feel the effect of Due to the lacts that we have moved and illness in the family I have not done any visiting this month and our services have begun to feel the effect of it. In spite of this we have seen our S.S. attendance grow these past two Sundays, setting new highs of 31 and 37. One Wednesday night we had a rain storm just at service time and there were only six of us present that caused our average for the month to drop from 26.5 for the month of August to 26.1 for the month of September. We still continue to have new people come in almost every service.

For about six months now I have been fighting with the idea of building another building, but still we see furlough is now less than two years away and the old building we are now using is rented to us for \$125.00 per month. I have given up the fight as I see no other way out and I have been doing some looking

for some property to buy counting on you brethren to help us out. As I stated in my letter last month I estimate the cost for lots and a small building would be about \$14,000 (Dollars). If you brethren get behind us we will be able to get this finished before furlough and one thing I can promise is that as long as I am with the work, they will be taught to, just as soon as they are able, to start paying back the money for the property and building so that the same money can be used to open other new works in new areas. Then when they have it all paid for it would belong to them, the church, as it should be.

I still have about two months of work helping Brother Turner get his building finished and by that time I hope there will have been enough money come in that I can get started on ours in Vareza Grande.

We also ask you to continue to pray with us that the Lord will save these that come to hear the word preached. Pray that He will give us families. Up until now we do not have any men that are attending regularly. We also ask you to pray for our health that we might be able to continue the work.

They just will not come out here much in the rain. I baptised only one this month and have 4 more October 24 to baptise the Lord willing. Our monthly fellowship meeting was at the Woodland Church in another rain storm. Pray for us as we all have our rounds with some kind of sickness every month. Due to the increased growth of the church, nine new Sunday classes are being added this week to accommodate and aid more effective reaching of our community for Christ. As I look over the auditorium on Sunday, close to 50% are faces of persons having been saved persons having been saved and baptized into the fellowship within the last three months.

We rejoice to have Brother Mike Creiglow, Beverly and family back in Brazil as co-laborers. We had many hours of fellowship and renewed memories of many of you. We pray that God will raise other dedicated, dynamic servants to serve in the cause of

Two weeks ago today we arrived in Cruzeiro do Sul. It is good to be home, even though home has been a lot of work. Our house and garage had been closed for this whole year and it has been all the work that several of the church members and we could handle during these two weeks. Things are getting back into some kind of order. There is still a lot of painting and renair work to do. repair work to do.

Most of the churches and preachers are doing fine. The Faith Baptist Church here in Cruzeiro has had a drop in spirituality and of course as a result a drop in numbers. This seems to be due to a number of problems in the pastorate. We are praying fervently that the Lord will show us the way and use us to solve

that the Lord will show us the way and use us to solve the problems. Pray with us.

Although I have not been able to visit each church yet, I have been able to reach the pastors and several members from the other churches and mission points. The reports are very good. In Christ,

Mike Creiglow

We are praying that this will be the best Thanksgiving Conference ever. May the Lord lead you to share your letters of love with the missionaries.
