Do you have a house or piece of property, and you have not been able to decide to whom you should leave it to after you die? You can deed the property to Baptist Faith Missions and retain full control of the property for the remainder of your life. You control the property and get the proceeds from the rent, etc. At the time of your death, the property becomes the property of Baptist Faith Missions. Concerned Why Some Do Not Support The Work . . Believe And Practice The Truth And With Church Authority . . . Five Baptized . . . Bible College Doing Well

Kwang Hwa Mun P.O. Box 1184 Seoul, Korea November 15, 1976

Dear Brethren,

When receiving the M.S. I look to the love letters (offerings) page first. I suppose being so many 1,000's of miles away from my home land, causes me to be concerned about who supports us and why some don't. I started several-works in America and pastored others, and when I read the M.S. and fail to see any of those helping to support our mission endeavors, I can't help but wonder where I failed. I still believe and practice the same truths; forgive me brethren, wherein I have failed to get missions on your hearts. Oh, how much more God would bless you if you had a part in the souls we are ministering to, winning to Christ and N.T. Baptist Churches being stablished. We do thank God for those of you who do have a part in the mission endeavors being financed through B.F.M. We are not against deputation, but our way is Biblical, and saves time, plus thousands of dollars which are needed for our Brethren who have to raise their support. Think about it, is it how missionaries are financed, or is it how missionaries are doing mission work, being according to the Bible Plan and that by the authority of a N.T. Baptist Church? I say and practice the latter and so do all our missionaries.

As usual we've had a busy and as a whole a blessed month. Due tothe fact that winter is here and it is the time of year that Koreans make their winter Kimchi (pickled veg.) our attendance is down some, yet, as a whole all the works are doing well. I had my first time to be ordered out of a Korean's Home this past month. I mentioned a lady who had been saved and was beaten by her husband and forbidden to return to the Kyang Ban Ri Mission or be baptized. We visited this lady, and her husband (a buddhist), told me to leave, but I did not leave until I had told him of the blood of the Lord Jesus Christ and then warned him of the wrath of God to come. Pray for the man and especially for his poor sick and depressed wife. Also pray for a young lady who made a profession of faith at the mission here in Seoul whose boy friend forbids her to come to church, I went and got her last week and saw nothing of the boy friend. friend.

friend.

Brother Chong Sy Hyon reports no professions, or baptisms at the Doo, Mill Baptist Church, Brother Chong Nam Sop from the Kwang Ban Ri Mission reported no professions and I baptized none there last month. Brother Choi baptized two at Shin Nae Baptist Church last month with several profession of faith. I also baptized three here at the Faith Baptist Mission and had several professions.

The Bible College is doing well. It is a real blessing to watch some of the students grow in the Lord.

Thanks so much for those who've made our ministry possible.

Seven Baptized . . . Assistant Pastor Resigns . . . Too Much Work For One To Do It All . . . Grace Church Has Two For Baptism . . . Others To Baptize . . . Pastor At San Francisco In Hospital

Dear Brethren.

Dear Brethren, November 13, 1976.
This has been a busy and very exciting month Seven Baptized, four young people came last Sunday night dedicating their lives to the Lord. Several professions of faith. Assistant pastor resigns because of his disobedient wife and children. So we have had our

share of problems this month, along with the blessings. Because of having it all to do, we have been unable to visit our Mission at San Juan. One of the members came to find out if members came to find out if there were something wrong. There is just too much for ONE to do it all. Pray that God will give us someone else to help. The Lord may be calling You.

The Grace Baptist Church in San Fernando has two for baptism Sunday, and we have others here to baptise. The San Francisco Baptist Church has had their share of problems. Pastor Saurino had an accident some months ago, and had to undergo surgery. This past week had to go back into the hospital, as the incision would not heal, and they had to operate again. We are very concerned about him, and would ask you to pray also. Liberty Baptist Church reports that all is going well.

We were hoping that our day school would close the 17th of Dec. but they are saying now that we will have classes until the 31st of Jan. this is the first year for this new law. Seems about every day there is a new law. Inflation is up over 300%, and keeps raising. People are suffering, and the sad part is that many, many, many are without Christ, and without hope in this world. We thank the Lord for the opportunity of preaching the gospel to this people. Continue to pray for us, as we endeavor to serve the Lord.

May the Lord bless you all.

Turner's Building Nearing Completion . . . Need Offerings For Lot And Building Without Stopping . . . Mrs. Creiglow Some Better . . . Need Some Families To Help

Dear Brethren,

Cuiaba, Mt. November 15, 1976 This month we got one more big step closer to getting Brother Turner's building finished. Last Satwe poured the concrete to the ramp to the front entrance. We hope to be able to finish it within a

month or two.

A few weeks ago I asked a business man here in this city about prices of property and he told me that now is not a good time to buy. He told me that since this is election monththe city was not collecting taxes nor charging for the new paving of streets. The next administration would come in over their heads in debt and would be wanting to collect all of these making property for sale at a better price. Today is election day and while we are working on the Turner building we will see what happens to prices. We trust that by the last of January you brethren will have designated enough that we will be able to buy property and build without having to stop until finished.

After being ill for some time Betty went to the doctor and was given an electrocardiogram which showed that she has a coronary insufficiency. She was sent to a heart specialist who prescribed the medicine for her to take for thirty days after which time she was to return for another EKG. The second showed that she was some improved, so he doubled the dosage and asked her to come back in ninety days. For several weeks the girls and I did the house work until at last Betty hired a maid. Betty is not able to do any of the heavy work and even doing the light work she has to be careful and rest often.

since we started, but we think the quality of our services has been some better and although we have services has been some better and although we have not had any saved, we have had a few hopeful bright spots this month. Last night, although we only had 16 in service, I thought we had the best service since we opened this work in May.

Please pray for the work that the Lord will give us some families that He will save to help us in the work.

Dear Brethren

Apartado Postal 1218

Dear Brethren, November 14, 1976.

The Woodland Church has a new pastor. He is from the Ayestas Church and took over November 1. He hopes to get a house to live in up there soon. He is young and only 2 years saved but is a fine boy it seems and learns fast. Pray with us now that

there is a pastor there, that he will be faithful. The church is real happy with him it seems and already attendance has picked up. I baptised his wife this month. baptised his wile this month.

In Ayestas it has been a so-so month, but 2 were saved and 2 baptised. They have some problems as all baptist Churches have and these hurt the work. In Pradera mission we had

special services for a week and the monthly fellowship was in the middle of it. We had good crowds and over 100 some nights even with 50 degree weather and rains 3 nights. The pastor from Ayestas and the young preacher from Woodland did the preaching. It was all good and we had 2 professions and one by letter and 2 for baptism. We thank God for these services and preachers. We were in the 60's this month in S.S. I am starting a Bible and doctrinal class tomorrow (15) and will be weekly. We are hoping to train these so soon we will be able to organize. I am sure we will need a bigger and better building soon and at times now we need. I want to build by the time this need comes. Maybe you all would like to help. Some have started and will I am sure continue, but maybe you could and would like to help. I am sure God will bless could and would like to help. I am sure God will bless you in it. At least would you pray about it and us.
May the Lord bless you all always and we hope the
conference in Detroit was the best ever.

Dear Brethren,
November 15, 1976
We have had a good month at New Hope Baptist
Church. I have baptized five, we have had three professions of faith and a good spirit all around at the church. I have been teaching two classes each week
(Mon nights) in our Bible Institute with around twenty students, many of them are preacher students and some are young women who are Sunday Soft

and some are young women who are Sunday School teachers. God has been with

benches (now have some) who heard the preached word of God and at the close of the service a 16 year old girl made a profession of faith. The old blind man word of God and at the close of the service a 1 byes old girl made a profession of faith. The old blind man about 20 years ago made a profession of faith with some Conservative Baptist Missionaries. He has been blind for four years now. He asked me if I would baptize him. I will as soon as I can find enough water to baptize him in as all the water holes have dried up and we will have to wait until it begins to rain and fill the water holes again, but I think he will keep. I went back to Anajatuba October 9-10 with good crowds again and one young man made a profession of faith. We now have four who have made professions of faith that are faithful in our services, and we have found a lot to build a building on. I think we will buy it as it is on the main street there in Anajatuba, and later try to get a building up. It is a big load for New Hope Baptist Church to buy a lot and build a building to meet in. Maybe some would like to help us as you have in the past. Today is election day in Brazil and I am always glad when it is over. May God bless each one and good bye until next time.

The Faith Baptist Church has a number of serious problems. Most of these have been caused by the pastor. I have talked in private with the pastor to try to help get things smoothed out. Several of the members who are concerned have come to me seeking advice and prayer. It was also my privilege to deliver a message to the church concerning the pastor and their cerning the pastor and their problems. We are now pray ing and waiting to see what the outcome will be. The

I was invited to go to the military police headquarters for flag ceremonies and to deliver a message by the commander. I had the opportunity to be the first to speak in the new chapel. The Lord has always given us prost consectivities in the second control of the control of t always given us great opportunities in our community. All the soldiers and officers listened very attentively

Right now I am in Manaus getting my boat and motor through customs. There are also some parts and equipment that we are working through at the

same time.

While here in Manaus I have been given several invitations to speak in the churches here. I have spoken at the 14 de Dezembro Baptist Church and the Tabernacle Baptist Church. Also I spoke in the chapel at the junior high school three mornings.

Well here I am away from home again and anxious to get back. I hope that all of my business will be concluded here this week so that I may get back to Cruzeiro this Saturday.

Manaus, Amazonas
Dear Brethren,
Brother Overbey requested - I'm fulfilling his request - that I present our need in connection with the building of the 14th of December Baptist Church, first, before I share with you the latest notices from the field, Brethren, to complete the building-windows

doors, plastering, etc. and the building of a wall around the lot, we need at least doors, plastering, etc. and the building of a wall around the lot, we need at least \$8,500.00 and if the building is to be completed before we come home on furlough, we need it now. Only eight months of this our fourth term remains. As the money comes in, we'll continue the construction, which is almost at a standstill as we have already passed the safety limit not knowing exactly how much will be coming in neither here nor there in the States. Now, please read the rest of my letter as we have some good news to report.

The fifth Sunday of October was "Baptist Faith Mission's Day" in our church. All the offerings that

came in that day has been changed from cruzeiros to

Amazonas. For the first time I entered the waters of the Rio Madeiro, going beyond the town of Nova Olinda do Norte to a place called Olinda. The Lord gave us three professions of faith there. Except for two nights on the way back, the other days were spent in familiar places in the lower Amazonas between Itacoatiara and Manaus. The Lord gave us a total of 14 professions of faith and three new members received by baptism.

Brethren, we need your prayers as we have lengthened our cords, and strengthened our stakes. (See Isaiah 54:1-3). Pray that we will be used mightly of the Lord during the new year of 1977.

We are praying for the success of the Thanksgiving Conference.

We are approaching the end of another great year, final exams around the bend and graduation at hand. This year we will have approximately eighty students to graduate from our schools. It has been a successful year in many ways; and we thank you for your prayers on behalf of this ministry. The schools produce a Christian-oriented education and also an opportunity for many who have never heard to hear the gospel and be saved. Plans are already underway for expansion in the coming year-building facilities and staff.

This has been a good month and we praise
God for His blessings. The number of persons

increase in the morning services in Garca. Mrs.
Hatcher was visiting in the city of Galia. She went
especially to visit to the mother of a young boy, 14

years old, who is crippled and who we bring to ser-vices. While Mrs. Hatcher explained the way of Sal-vation to the boy and His vation to the boy and His mother, the boy made a profession of faith. The next Sunday afternoon there were five children who made professions of faith, one being the sister of the crippled boy. Here in Garca, Mrs. Hatcher has been visiting an aged lady named dona Alice. Last week she went to see her. The lady had been sick and Mrs. Hatcher asked her how would it be if she were to die. When asked of her hope of eternity the lady replied

When asked of her hope of eternity the lady replied that her hope was not very good, in fact, she had no hope. When Alta asked if she wanted to hear from the hope. When Alta asked if she wanted to hear from she Bible how to be saved. She was most anxious and they called her aged husband to hear also. He stood right at Alta's side and when his wife said to him, "Paulo, come over here and sit on the sofa." Mr. Paulo is a tottering old man. His reply was, "No, I want to stand right here where I will not miss a word." For almost two hours Alta showed the two old people the Saviour of the Bible. They had been Catholics but their hearts had never found peace. They became spiritists and their hearts remained empty and alienated from God's peace. On this day the message of Jesus the Saviour was what they were waiting to hear. They had never read the Bible nor heard a Gospel sermon. God opened their hearts, and they trusted Christ. When Alta told us about their reception of the Saviour our hearts thrilled beyond measure. Does it really matter to you that there are millions who do not know the Gospel? Does it really matter? We could use 50 families just in the State of Sao Paulo where there are over 20_million inhabitants. Who will go? Who will send? May God move people in such a way that we would never have to receive another letter saying—expenses will have to be cut immediately in Garca or there will not be enough money to last until the Thanksgiving offerings."
