Correction.

We announced in the January issue of this paper that there were six churches organized in 1976. This was before we learned that Paul Hatcher organized a church on December 25, 1976, which made seven churches organized by Baptist Faith Missions Missionaries in 1976.

Some churches pay their pastor's traveling expenses and some also pay their motel expenses. May we suggest that all churches pay their pastor's way, so that he can come. He will come back to you a better pastor. The auditorium of Thompson Road Baptist Church has been more than doubled in size, plenty of room for all in the day services. Facilities for the meals all enlarged likewise.

Cold In Seoul, Korea Too . . . Changes In Pastorates . . . Overall A Good Month . . . Several Professions And One Baptized . . . Some Students Showing Real Interest.

Dear Brethren,

From hearing the news etc. it seems you have really been having problems with cold weather and snow. We were crying cold weather til we heard of the problems there. I suppose our temperatures have been about like yours but we've had but little snow. We've seen very few days as high as the 30's in about two months, sure works on the utility bills and still get a bit cold. The works are all doing O.K., not as well as I'd like but in Korea churches run much like a roll-a-coaster. I had to ask our country mission pastor to resign, the people just would not accept him and the work just continued going down. The Pastor at Doo Mill Church also resigned because of health problems but it is supplying at the mission in the country. He may be going to the states soon. One of our Bible College students who is from the Doo Mill area has been called as their pastor; seemingly he's doing O.K. considering no previous pastoral experience. Bro. Choi is now re-considering until August before immigrating to the States.

Overall last month was a good month; several professions of faith at Shinnae, attendance well and Bro. Choi baptized a young man. We've had two professions of faith at the Faith Baptist Mission here in Seoul and attendance fairly steady despite some who've moved again. Neither the church at Doo Mill nor the Kyon Ban Ri mission report any professions or baptisms for the past month. However, Bro. Chong reports attendance and the spirit of the services are picking up again at the Kyong Ban Ri mission.

Louie Carver

Some students have already dropped out of school but the others are showing a real interest and seem to really be growing in the Word and related subjects. Thanks to everyone who've had a part in our ministry here in Korea. There is much to be done, a short time to do it in, and laborers of Truth are few. Brethren, has God ever spoken to you about the field over here?

Yours in His Marvelous Grace,
The W.L. Carvers

The Paul Hatchers Visit The John Hatchers In South Brazil . . . 99 Largest Crowd In Garca . . . 115 Largest Crowd In Galia . . . Two Women Hear The Word, One Died Saved, The Other Died Lost

Dear Brethren,

While most of you there in the States have been enjoying a good old-fashioned winter, here in Garca the summer has been warmer than usual. Below the equator the seasons are the opposite of those to the north of it. During the month of January God blessed us with a time of visit with Paul and Wanda along with our granddaughter Leigh Ann. Three nights of special services in Garca with Brother Paul Hatcher doing the preaching and Wanda playing the organ gave us the largest crowd we had ever had here, with ninety-nine persons present one of the nights. There was one person who made a profession of faith. In Galia Brother Paul did the preaching on the regular nights of services. On one night we had a special drive which brought out 115 persons to the services. This month two elderly ladies,

John Hatcher

who Alta had visited many times and who we had come to love, passed away. One of the ladies was an invalid. A few weeks ago her husband had to travel and he asked Alta if she could sleep at their house to take care of his wife. This my wife did and the first night the lady made a profession of faith. From outward appearance her life was changed, and there is hope that she is in heaven. Her husband, 70 years old, has attended our services many times but is not a believer. The other lady is a devout Catholic. She visited in our home one evening and for more than an hour and a half I explained how God saves sinners. She listened and many times made the remark as I read the verses from the Bible. "That is the pure truth, Mr. John." At last when pressed to make her choice to trust Jesus Christ, abandoning all her confidence in Mary, her idols and images and her works, her reply was, "Mr. John I just couldn't do that." This lady passed away last week after suffering a stroke from which she never gained consciousness. How horrible it is for one to die without Jesus! The fields here are ripe, will some give your lives to come and preach and will you others send them?

School And Teachers Ready To Go . . . All Baptist Staff . . . One Surrendered To Preach . . . Two Used Busses Purchased . . . First Church To Have Busses In All Brazil . . . Exciting

By Paul Hatcher

Caixa Postal 227

Dear Brethren,

It is about time for school to get rolling again. The teachers' training program has been concluded, and we are just about set to go. CEBAM, as we are called in Portuguese, has an all-Baptist staff. We hope you will join us in asking the Lord for one of the most productive years in the history of the school, that many shall be saved and gain a God-based education.

Last Sunday a young man surrendered to the ministry; we hope that many shall soon submit to the Lord's calling, and thus provide the means to evangelize and begin churches in each of the States.

We bought two used Mercedes-Benz busses in Sao Paulo, in southern Brazil, and transported them by road, approximately 4,000 miles, of which 1,700 miles is dirt road. In many stretches we cut down trees in order to go through the forest. One day we traveled

Paul Hatcher

eight miles in twelve hours; but the brethren were very excited, for they know that God will use them to bring many souls to the Lord Jesus Christ. On arriving, an elder lady who cannot even sign her name said, "Pastor, I knew God would give us the busses, because two years ago I started praying for them." That's faith; that's exciting! Tabernacle is the first church, to my knowledge, to launch bus evangelism in Brazil. Whenever God lays something on your heart that seems impossible to accomplish, don't forget - HE CAN - believe, ask, receive; that's exciting! Love,

Paul, Wanda & Leigh Anne

Editor's Note: The Schools in Manaus are self supporting. The two busses will be used by school during the week and by the church on Sunday. Class room space is being doubled and the buildings paid for by the school. That is why we have not ask for offerings for the busses and the new buildings.

Work Begun On The Third Church Building In Tegucigalpa, Honduras . . . Need Offerings To Build . . . Third Church To Be Organized Soon . . . Report On Churches

By Walter Lauerman

Apartado Postal 1218
Tegucigalpa, Honduras
February 14, 1977

Dear Brethren:

Tomorrow we plan to start leveling off the land in Pradera to start the building there. By the time you read this we hope to have the walls going up. Pray with us about the building that the Lord would lead and the offerings would come in and we will not have to stop. I would have to pay workers as if they were working if after 2 months I have to lay them off, etc. Also pray now as there may be a cement shortage also and an expected price raise in all building materials. Please keep this before the Lord as He leads you.

The churches reports: Ayestas attendance up, offerings way off, 3 professions of faith, 2 baptized. Several repairs done on the building this month. Woodland Church had same attendance, offerings way up, 1 profession of faith and 1 baptized 2 for them that came while the Brethren from the U.S. were here.

Walter Lauerman

Their pastor of 4 months has resigned as his wife ran off with another man. He plans to move his membership back to the Ayestas Church. Jose Garcia, the boy that handled the church for me while I was in the U.S. last year has agreed to act as pastor until God would raise and call another. Pray for them as the Lord would lead you. They have 14 members that are real faithful yet. I am sure one day the Lord will bless these 14 faithful ones. In Pradera we had 60 in about all our services besides the Friday night class. This had an average of 21. We had a terrible drop in offerings. We have asked the Woodland church to transfer letters for all in the Pradera mission for the purpose of organizing March 11. This is only 4 days less than a year ago when we organized in Ayestas. So we will have had 2 new churches in one year and 2 months since we returned to Honduras in January 1976. The Lord is real good to us.

We are fine at this writing and pray the Lord will bless you all ways for his glory.

Construction On New First Church Building . . . Steel In and Concrete Columns Poured . . . Should Be Under Roof In Another Week . . . Professions Of Faith . . . Churches Have Reunion Service . . . Trip Planned To Maipuco

By James Kissel

Dear Brethren,

February 21, 1977

Last week we began construction on the new First Church building. However, the rains hinder the work, but they ended our intense heat wave and one of the longest dry times which we have seen here. Not only do the rains hinder construction but also attendance in all the churches. Regardless of all the interruption the Lord has blessed in the construction, as we now have all the steel in and the cement columns poured. We perhaps will have the roof on in another week.

The Lord has blessed in the churches also. There have been seven professions of faith in our new mission of the First Church. We now rent the living room of a house until we can get land to put up a small building. We had the reunion of the churches at Astoria, with a great crowd, for a river church. We used the school building as the church building would not hold the people. The Third Church had one saved and baptized this month. The Second Church, which

James Kissel

called a new pastor, seems to be doing well, with attendance increasing. The First Church is still down, but we hope we can sell the building soon and begin anew. This week 1, and three of my brethren pastors, will leave for a visit with the church at Maipuco, 300 miles up the Maramon River. I haven't visited this church since coming back, so it will be a joy to see the brethren there again.

This past Saturday, Juan Castro died. Many will remember him as he pastored different churches her in Iquitos and on the river, at different times. He had been bedfast for the past 11 years with arthritis.

Also yesterday ended their fiesta which lasts the entire month of February, called "Carnival". This is largest of their pagan fiestas and I am sorry to say that some Christians also enter into this celebration. But we are thankful that it is over for another year.

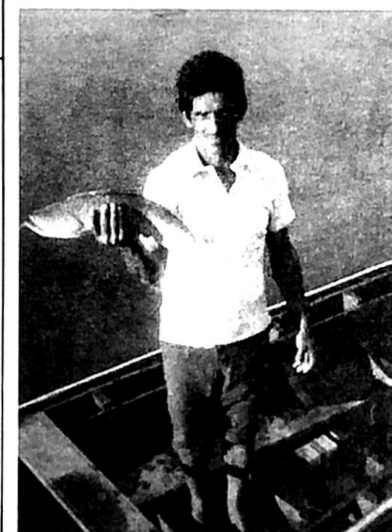

We thank God for each one who prays and gives, that we might continue the work here.
In Him,
The Kissels

More Saved In Cruzeiro Do Sul, Acre, Brazil . . . Very Dry And River Low In Water . . . One Man Called To Preach . . . Visits To Rodrigues Alves, Japiim And Maita . . . Two Town's Light Plants Out Of Service

By Mike Creiglow

Dear Brethren,
Cruzeiro do Sul, Acre, February 9, 1977
There have been three more persons saved here in Cruzeiro do Sul. The weather here is still bright and sunny and this has helped the crowds in our regular services.

In all the years that I have lived in Cruzeiro we have never had such dry weather this time of year. The river is down to summer level. This has made it impossible to travel the rivers, but on the other hand it has been a real blessing for travel by jeep.

This month we were privileged to be able to conduct a service at the state penitentiary. There are seven inmates. Of course the surroundings were a bit somber, but the men were

Mike Creiglow

very attentive and very appreciative as this is something out of the ordinary.

I visited the congregation at Rodrigues Alves. All is in very good shape. One of the men who was saved was also called to preach and has been very faithful in taking care of the mission. I went to Japiim to help in a wedding service. I hope to get back there soon to spend more time helping the churches in that area.

The family went with me on another visit to the church at Maita. There were five more baptisms and we also helped the church to observe the Lord's Supper, by way of a sermon on the subject and orientation.

Two of the town's three power plants went bad this past month and now we only have lights every other day. Gasoline is now costing almost three dollars per gallon here. There is supposed to be rationing by next month.

In Christ,
Mike Creiglow

Busy Month In State Of Maranhao, Brazil . . . Professions of Faith And Baptism . . . Lot Fenced In . . . To Start To Build New Church Building . . . Gasoline To Make Leap In Price

By George Bean

Dear Brethren,

This has been one of the busier months here in our work in the state of Maranhao, the Lord has blessed us in many ways and for this we are glad. New Hope Baptist Church, Sao Luis, Maranhao, we married one woman who had been waiting to get baptized. We had three professions of faith and we have several others that are getting married so that they can be baptized. At our mission at Carema Bro. Jose the missionary from our church lives there and takes care of the mission baptized four last Friday, we now have eight members at Carema with three more to be baptized soon. I have

George Bean

been to Anajatuba one time and our church sent two brethren from our church one time. There were three professions of faith at Anajatuba. The lot the church bought has been cleaned off and barb wire fence has been put up around the property. We want to start building this month there at Anajatuba. There is always so much to do here that we usually go six or seven nights a week preaching the precious seed. We have started getting our passports renewed and all our necessary documents ready for our trip home in July. The red tape gets to be more with the passing of time with new laws being passed all the time. Soon gasoline will have a big leap in price and it means we will have to buy coupon books from the bank in order to be able to buy gasoline at the service stations. Surely the coming of Jesus is drawing near. I will leave this afternoon for Anajatuba for two days and see about getting our building started there. Brethren, we need your prayers more than ever because there are so many that are still lost and in sin.

Goodbye until next time and may the Lord bless each one.

Yours in Him,
George Bean

Attendance Up To 47 . . . Two Professions Of Faith . . . Need Lot To Build On . . . Wife's Health Improved

By Bobby Creiglow

Dear Brethren,

Varzea Grande, Mt. February 16, 1977
After a three month slump in our attendance it has picked up once again and seems to be more stable. We hit an all time high in Sunday school three weeks ago with 47 present. We have been praying that the Lord would give us some men and some couples. Last week the husband of one of the ladies from another state who has been attending our services, made a profession of faith. She was baptized a Baptist just before moving here. Another young lady who made a profession of faith just after we started our work fell into sin, had not been attending for seven months, got married last week, both began attending and he also made a profession of faith last Sunday night. Another fine couple have been attending almost every Sunday night and I visited for three hours in their home last Saturday night answering their questions. We are praying that the Lord will save them also.

I have looked at two more pieces of property in very good location but unofficial information indicates that the price is greater than my faith. We did have a small hope that some property was going to be donated to us, but we have lost even that hope now. Some people here are expecting an economic crisis and those who have things to sell want to get all out of them while they can. Inflation, as everywhere in the world still going rampant. I need to get started building as soon as possible because there have been some small hints that we may not be able to keep the building we are renting after our year is up in April.

Bobby Creiglow

We are working on the finishing touches on the Turner building, or at least the part that I will be helping with. We still have a steel fence to build for the front of the property.

Betty's health has improved some and we thank the Lord for His blessings every day.

In Him,
Bobby Creiglow

Building Nearing Completion . . . Need Offerings To Pay For It . . . Floor To Be Finished And Painted . . . Handrail For Ramp Finished.

By Richard Turner

Dear Brethren,

We are nearing the completion of our building. The ceiling is completed. We now have to paint and finish the flooring. The past two weeks we have been working on making a handrail for the ramp. We finished this today. It really looks nice.

Our high for this month has been 29 in Sunday School and 25 in a Sunday Night service. We hope to get our building done soon so I can get back to visiting.

Due to the work on the ceiling we had to have our prayer meeting once with Bro. Creiglow's congregation. I had the privilege of bringing the

By Harold Bratcher

Dear Brethren,

Once again by the grace of the Lord Jesus Christ we greet you. We rejoice in the Lord because of his

message. Several of our folks attended this service. We are still needing offerings so we can finish our building soon. I ask of you again to pray about it and then give as the Lord leads you.

Thanks for your prayers and faithful support.

goodness to us. We trust in next month's letter to be able to report that we are going "full speed ahead" on construction. Please give and pray that we will be able to leave the building completed when furlough time arrives which is now only five months in the future. "Pray for us and give as the Lord leads and if possible, we'll thank you personally before the year is gone."

Last Sunday we were blessed of the Lord throughout the day. Sunday morning we had 321 present in the Sunday Bible School. You will rejoice with us in knowing that the church now has a nursery to accommodate the little ones during the Sunday morning and night services. Sunday night I baptized ten and two more asked for baptism and two professions of faith - one being a blind lady.

On Wednesday night, January 26th I preached to an estimated 100 at the Rio Urubu mission at Cana on the Buzzard River. We made a quick trip there that week to see about the progress of the building there. We learned that as of then - no progress. We trust and pray that soon the building there will be underway.

Continue to pray for us.
Yours in His service,
Harold Bratcher

Harold Bratcher

Dear Brethren,

This has been a most busy but very blessed month. We have had professions of faith, reconciliations and other decisions in all the work.

Most of the moves were made as Bro. Fortunato Barreto, Pastor of the Lima Church came and preached in Tingo Maria, Aucayacu, and also here in Huanuco. We are also hard at work in the construction of our building here in Huanuco.

We also had an extra work load put upon us when it was learned that the baby of Bro. Alberto Favian, the pastor in Tingo, had a hernia. They have taken the baby to Lima for surgery. As a result I have been preaching in Tingo the last 2 Sundays and also in an earlier

Art Gibbs

service in Kilometer 70 on Sun. night.

Bro. Pedro Aquino is doing quite well in Aucayacu and again reported several professions of faith. We are thankful that we now have the walls of the church raised to meet the roof and the building is now much more secure. Of course, the building will not be as cool as before but at least we can now leave the building and still find the light bulbs when we come back.

My wife is hard at work these days as all the children are now studying by correspondence. At times this requires the attention of both of us as some of the lessons can be rather difficult.

The building program is going full speed ahead. If things keep going at the present pace we should have the building done by the end of June. We sure pray that will be the case as we are finding it to be too great a load since we also have the work in Tingo, etc. It is hard to do justice to anything when there is so much to do.

Please pray for us. May the Lord bless you all.
Yours in Him,
Art Gibbs
