He gave her several shots to revive her heart and he and another doctor took turns staying with her for three days. She needed a rare type blood but none could be found, not even at the Army base. She was too sick to move to Lima by plane. She was some better the last report we had. Please pray earnestly for her and help in the high doctor and hospital bills. Mark your special offerings for "Ada Mayfield Doctor and Hospital bills." One church has already started this fund with an offering of \$100.00.

Dear Brethren:

Friday, March 11, we organized the Pradera Mission into a New Testament Church. There will be 18 chartered members. We had to exclude 3 before organizing. This organizing is 1 year and 6 days after we organized the Ayestas church last March 5. The Lord is good to us, so much so since returning here in Jan. 1976. The new church called me as pastor. We adopted articles of Faith and church covenant, and I preached to a full house as both the Woodland Church and the Ayestas Church were present. We had a great time. Now will you pray with us about our growth as a body of Christ. This work was sponsored by the Woodland Church.

Walter Lauerman
The work at the lot for the new Pradera church

building is going along slowly as we had about 100 loads of dirt to pick out and move off. We hope to start putting the footing in this week. Many are the problems in a building program down here. Pray with us as we do it. Would you also pray about helping on this. Many have given but we need about \$10,000 for lot and building. We do not have even half of that yet. We do hope we will not have to stop for need of funds as it is worse to start again after stopping.

The Woodland Church has increased this month with the young man taking over we talked about last month. Offerings are up there also. This work I feel will grow now with this man pastoring there. In Ayestas we had 6 professions of faith and 4 baptisms there this month. So the work here is progressing even if we think too slowly at times. God does the increasing though, and we are thankful. All here send greetings and we thank all that have given so far toward the Pradera building. Deloris and Kathy send greetings. May the Lord bless you all always.

Progress On New Church Building . . . Hope To Finish By End Of June . . . Great News, Two Native Preachers Work To Support Families And Pastor Churches . . . Professions And Baptisms

By Art Gibbs

Apartado 7
Huanuco, Peru
March 20, 1977

Dear Brethren,

This has been one of those hectic months in which there has not been sufficient hours in the day to do everything that needed to be done. As we look back on the past month we are amazed at the progress that was made and yet so much that still remains to be done.

We are really making progress on the Huanuco building. All the window frames with the exception of my office window are now installed. We are well along the road of building the wood forms necessary for pouring the cement roof. Everybody is getting all excited as they realize we are almost ready to pour the roof. We are still hoping to have the main auditorium ready for dedication services by the end of June. Pedro Oliva, one of the young preachers, is hoping to be married in the new building the first part of July. We are praying that it might be so as we find building a very wearisome task.

Art Gibbs

We were really disturbed when the Pastor of the Church at kilometer 70 informed us that due to lack of work he would have to resign and go to another city where he could find work. After talking to the Lord about it we returned to talk with Bro. Pinan. The end result is that Bro. Silvio Pinan is going to go to pastor the work in Ambo and his older Brother Victor will go to pastor the Church in kilometer 70. Please pray for these 2 brethren as they take on their new responsibilities. These brethren are both hard workers who work at secular jobs to support their families as well as pastoring. They need our prayers.

We have had professions of faith and baptisms in almost all the work. the rain at times dampens the attendance but on the whole attendance is up everywhere and interest is good.

The pastor in Tingo and his baby are still in need of special prayer as their baby still has not had the necessary surgery.

May the Lord bless you all.
Yours in Him,
Art Gibbs

Trip To Maipuco . . . Many Professions Of Faith . . . Total Of 22 Baptized . . . New First Church Building Under Roof From Scratch In Four Weeks . . . Hope To Sell Old Building This Month

By James Kissel

Dear Brethren,
March 14, 1977
The Lord has blessed us in many ways, this past month, with souls saved and some being revived. We spent three days with the church at Maipuco. The Lord blessed these days with great crowds, both day and night. We had 18 professions of faith, with 12 of these being baptized. This group of people, though being in a very primitive area, have built their own building, with cement floor and nice benches. They have perhaps the largest attendance of any of our churches. Several other churches have had some saved. There was one baptized from our new mission of the First Church. Two professions also in the Second Church. This past Sunday, I baptized four into the Fourth Church, then on Monday there was five more baptized.

James Kissel

We have been busy every day, working on the new building for the First Church. The Lord has blessed, in that we have not had to wait for materials, which is very rare for here, as we are always short of something here in Iquitos. We are doing the work, as a contractor would not only be too expensive, but we would have to wait perhaps six months for the building to be finished. It has rained almost every day which has hindered, but we now have the roof on and are now preparing to pour the floor, perhaps this week. We have been able to accomplish this in four weeks. If things go well we hope to complete it in a month or so. Our lawyer has hopes of selling the old building this month, as there are now six different ones that want to buy it. Pray about this, as we will need this money to finish the building. Perhaps tomorrow my wife and I will leave for Marupa for two or three days.

May the Lord bless each one that prays for us and helps in any way in the work here.
Yours in Him,
The Kissels

Busy Days And Nights . . . Report On Churches And Missions . . . Had To Move Again . . . Apartment To Walk Up Five Stories . . . Fourth Time To Move In Two Years . . . Worker Situation Looking Better

By Louie Carver

Dear Brethren:

As usual our days and nights are busy studying and then teaching and preaching the word. Yet, I seem to never get everything accomplished that I plan or would like to accomplish.

All the works are about the same as last month except for Children's S.S. seems to be up in attendance. The Kwang Ban Ri Mission has picked up in all the services since replacing the Brother who tried to work with the work there. Shin Nae Church baptized one last month and had two or three professions of faith. We had two professions of faith at the Faith Mission.

In Korea March is the marriage month instead of June, as in America. Bro. Chong, former pastor of Doo Mill Church, married one of the finest young ladies in the Shin Nae Church on March 1, and I had the honors of performing the ceremony. I also performed the ceremony for another of the Bible College Students yesterday, March 15.

This has been another of those very trying and expensive months. We moved for the 4th time in less than two years, since returning to Korea. We now live on the 5th floor and no elevator with the rent now double what it was two years ago & still could only get

Louie Carver

a six month contract. We need your prayers that God will give extra Grace, this moving keeps all the family upset.

I mentioned last month about the worker problems, we continue asking your prayers about this. Bro. Choi at Shin Nae Church is to resign effective the last of May and Bro. Chong is to replace him, and the new pastor at the Doo Mill Church Bro. Yoon, is to take care of both the country works and attend the Bible College. The regular Interpreter is to work till August and then immigrate to America. So as you can see the worker situation is looking much better, God always works things out in His own timing.

We continue to praise God for His Grace and for your faithful support both financially and by means of prayer.

In His Labors,
The Louie Carver's

Trip To Anajatuba . . . Walls Half Way Up On New Building . . . Baptismal Service Planned There Soon . . . Hope To Organize Carema Into Church Soon

By George Bean

March 16, 1977

Dear Brethren,

I was going to Anajatuba to our mission when I wrote last MS letter, I went and found that the foundation was in for our building and found that everything was going real good. Yesterday we were there again and the walls are up about half way and would have been higher but they ran out of cement. I let the contract yesterday for the roof work and by this time next month it should be under roof. I have arranged to baptize there the 30 of March, the Lord willing. Bro. Bobby Aldridge went with me on this trip and he preached two times and I translated for him, big crowds as everyone was excited about hearing so much English there at Anajatuba. Our work at Carema is improving and by the time you read this five more should be baptized

George Bean

there at Carema, we hope soon to be able to organize at Carema. The church at Anajatuba preached their first message at Carema in the park over 12 years ago and we have had a mission there with preaching every Sunday and two nights a week for the past six years. Some places are harder than others but none are easy as we are combating against sin. I read of people or preachers that have works that blossom up over night, but it is just not that way here in Maranhao, people are confused and are involved in some of the strongest "witch craft" that I have ever heard of. Brethren, do not be weary in praying for us as we need your prayers. New Hope Baptist Church has several members that are backslidden and the church is visiting them and some will probably be excluded soon. I baptized a young couple Sunday night, March 17, and he has expressed a desire to preach God's Word. I baptized one woman that lives deep in the interior and I will try to visit her and we will probably get to start another mission. We have five members that have moved to Belem, Para would be good place to start a mission is some one would to. I do not have the time.

Report On Missions At Galia And Garca . . . Largest Crowd For Sunday Morning . . . Radio Broadcast Encouraging . . . To Read Whole New Testament At First Anniversary Service

By John Hatcher

Graca, Sao Paulo
March 18, 1977

Dear Brethren,

This month has been similar to the experience of the disciples of Jesus when He sent them ahead in the boat, while He went up to a mountain and prayed. He saw the disciples in the night, rowing with all their force and yet unable to reach shore because of the winds. But when He came the winds were overcome and they quickly came to shore. When He comes to us our shore will be reached also. In Galia the crowds had been down some and the opposition of the enemy has been felt by some of those who have trusted Christ. In Garca we had our biggest Sunday morning crowd with a total of 29 persons. Our radio broadcast continues to encourage us, for everywhere visits are made the people tell about hearing the program. Last Wednesday night, as we were preparing to leave for

John Hatcher

services, a neighbor came to our house and asked if she could go to services with us. This woman is the wife of a retired bank manager and her home is a spiritist's center. There have been two new families visit our morning services. One lady has a store in the city of Sao Paulo and was here visiting her daughter. The other is a family who has recently moved to Garca. Two Weeks ago a young man made a profession of faith and asked for baptism. He is about 18 years old. On the 11th of April our work here in Garca will be completing one year. Plans are being made to have a day of praise and reading the New Testament. The Lord willing, the reading of the Scriptures will begin at 10:00 a.m. and will continue until the New Testament is completely read. It will probably take between 13 and 15 hours. We hope to have Sebastian, the blind boy to be with us to read portions from the braille Bible. The words of Jesus are life and they are Spirit. They will destroy the works of Satan and bring life to the dead. Brethren, do pray for us.

In Him,
John A. Hatcher

Working To Finish Building . . . Steel Fence In Front Of Building . . . Need Offerings To Finish Building . . . Attendance Up . . . Nine Members Now

By Richard Turner

Caixa Postal 720

Brazil, S.A.
March 14, 1977

Dear Brethren,

Since writing last month we have continued to work at finishing our building. We (Bro. Creiglow and I) made a steel fence for the front of the church lot which improved the look of the property one hundred percent. The building is being painted at this time. We still have the floor to fix and then the building will be done.

There is a need for offerings to finish up the building. I trust you will consider the need and ask the Lord what to do about it. If He leads you to give then by all means give.

In our services this month we have had a high of 25 in Sunday School and at night. For the last two weeks our

Richard Turner

services have been up. So far this month we have averaged 5 more per service than last month.

We had one lady come asking to be received by letter from a Baptist Church in the South. She has been attending for over a year. This brings our total membership to nine.

By the time I write next month the Spring Conference in Lexington will be history. We pray that the Lord will give a good conference and stir hearts as to the great need here in Brazil and in other parts of the world to hear the glorious Gospel of Jesus Christ.

Again we thank you brethren for your prayers and support.

Yours in Him,
Richard A. Turner

Mission And Churches Visited . . . Native Preachers Also Visit Churches . . . One Church Still Fading . . . All Other Aspects Of Work In Fine Shape

By Mike Creiglow

Dear Brethren,
Cruzeiro do Sul, Acre
March 10, 1977
We have visited the congregation at Vila Rodrigues Alves every other Sunday for the past two months. One whole family has been saved there. This includes a grandmother too. Seven persons in all. One man, who had been backslidden, came back into fellowship. Brother Rodney Rutledge (from Clarksville Baptist College) preached there on the last trip.
During Carnaval, approximately 30 young people went to Maita with us for a four day retreat. This retreat got us away from the noise and immorality in the city and also gave us a great opportunity to minister to the young folks. There were devotions in the morning and

Mike Creiglow

special services each night. In the day time there were Bible and athletic competitions. The church at Maita was blessed and was a blessing also.
Two of the evangelists, Brother Antonio Nery and Brother Oseias Ferreira, visited the church at Barao one Sunday. The report was encouraging. Another evangelist, Brother Jose Queiroz, was with the church at Mourapiranga on one weekend. The church there continues her effort to send the gospel up and down the roads in that area. Brother Rubenson Pereira, yet another of our preachers, has spent at least two Sundays with the church at Japiim. There have been three people saved at Japiim.
Faith Baptist Church here in Cruzeiro is still fading. Please pray for her.
All other aspects of the work are in fine shape. Bible classes for our workers will be starting again next week.
In Christ,
Michael D. Creiglow

Need Offerings To Finish Building In Four Months Before Furlough Time . . . Sunday School High For Month 330 . . . Trip To Itacoatiara

By Harold Bratcher

Dear Brethren:
Manaus, Amazonas
March 15, 1977
Once again by the grace of the Lord Jesus Christ we greet you. We rejoice in the Lord because of his goodness to us. We wrote in last month's letter that we hoped that in this month's letter we would be able to report that we were going "full speed ahead" on the construction. However, we can't. Please continue to give and pray that we will be able to leave the building completed when furlough time arrives which is only four months in the future. Pray for us and give and the Lord will bless and we may be able to thank you personally before the year is gone.
On February 16th the three of us drove from Manaus to Itacoatiara - a town of perhaps 15,000 population. We visited the three members of our church there. Since then the church dropped two of them for having joined a Presbyterian Church

Harold Bratcher

there and granted a letter for the third to join the First Baptist Church there.
On Sunday, February 27th, our Sunday School attendance reached the high of these Sundays - 330.
On Friday night, March 11th, I preached the first night of a special service at the Genzim Baptist Church. The church was celebrating her second birthday. The church was organized with twenty members and now has twenty members. Let us pray for the growth of the church.
Last Sunday the attendance was down at both services but we were blessed by the Lord in other ways. Sunday morning we had two present in a special class. The teacher - Rodney Rutledge - taught his only pupil Yohano, an Ethiopian sailor, in English the Lord's Word. Let us pray for the salvation of the man from Ethiopia that visited our church and ate dinner in our home last Sunday. Also Sunday morning there was one rededication and Sunday night I profession of faith and one rededication.
May the Lord richly bless you is our prayer.
Yours In His Service,
Harold Bratcher

Ada Mayfield Very Sick . . . Trail Of Blood Taught At San Juan . . . Preacher And Wife To Be Baptized . . . All The Churches Meet For Fellowship Meeting

By Del Mayfield

Dear Brethren,
Apartado 166
Pucallpa Peru S.A.
March 14, 1977
Ada has been very sick, is some better now. When we returned from San Juan the 28th of Feb. she was not feeling well and Dr. Munoz gave her some medicine and said she needed her blood tested. The next morning about 3:00 a.m. she called me from the bathroom, and I had to carry her back to bed. The next three days our bedroom was like a hospital room. Two doctors and three nurses took care of her, as they were afraid to move her. We would like for you to pray as to what we should do. Our visas expire the 14th of April, and to leave the country without them being renewed would mean a real problem for us. We appreciate what the doctors and nurses have done and are doing, but they are limited, as there is no blood, and many medicines are not available. The hospital is not a fit place. So for the present we will leave her here.
Had two (2) great services yesterday, one saved in the morning service and three last night. Tonight we start a week of revival with Pastor Abel Panairo from the Liberty Baptist Church doing the preaching for us. Looking forward to a great time.
We taught the Trail of Blood at San Juan. Had two families come for baptism, who must get married legally first, and we are now getting their papers in order. Also a Missionary Alliance preacher and his wife who want to be baptized the next trip up. The

Del Mayfield

Lord has blessed the preaching and teaching of Baptist History. We thank Him for His blessings.
Also had the privilege of preaching a meeting for the Liberty Baptist Church. The weather was very bad and the church is located in a bad section when it rains. But even with all the trouble getting there, the Lord blessed. The night of our fellowship meeting all the churches were present, and all taking part. Only bad thing was that we got home after 12 midnight.
We are now registering children for our school. I want to mention this so you can pray. The cost of living is so high that many parents are taking their children out of our school and putting them in state schools. They say that the cost of living has gone up some 300%. Many of our people are suffering from this.
Pray for us, as we remember each of you. May the Lord bless you all.
Yours by His grace,
Del Mayfield

February Best Month In Varzea Grande . . . Two Baptized . . . Bought Lot 65ft. By 190ft. . . Need Offerings To Build New Building

By Bobby Creiglow

Dear Brethren,
Cuiaba, Mt.
March 19, 1977
The month of February was the best month we have had since we started our work here in Varzea Grande, although one of the men that I reported making a profession of faith last month fell back into sin the night before he was to be baptized, I still had the joy of baptizing two this month, our first in ten months. Although our attendance has been up and down we still had the best average of any month since we started. We had a 35.5 average in all services and so far in March we are running just a little ahead of last month.
I still have about one or two days work helping finish up my part on Bro. Turner's building and then I will be free to get started on our building here in Varzea Grande. This week was spent running around taking care of things in connection with buying some property on

Bobby Creiglow

which we plan to build our church building. The process of deed transfer was started today, Thursday, and will be finished next Wednesday. The property is one of the main streets in the city and I think in a very good location. The lot is sixty-five feet frontage by one hundred and ninety feet deep and cost just a little under five thousand dollars. It has two small buildings on it, one of which I think I can use to make bathrooms and the other for storing building materials. Now, we need the money to pay for these and build our church building. Some have written saying they would like to help. Now is your chance. I estimate we will need about fourteen thousand more dollars to build. I plan to build somewhat smaller than Bro. Turner's building and I hope I can cut some corners from what I learned on his building.
We used Bro. Turner's baptistry taking about forty, our S.S. attendance for that morning, to attend the preaching service there after which I baptized the two mentioned about. Everyone enjoyed very much the service of the two congregations together.
In His name,
Bobby D. Creiglow

Great Month With Many Accomplishments . . . All Class Rooms Remodeled And New Area Added . . . Building Has Not Reached Completion . . . 1000 Students

We praise God, for another great month has passed and many things have been accomplished. School has gotten off to a great start: the enrollment is over 1,000 students. All the classrooms were remodeled and new areas added. The building has not reached completion; however, classes are all proceeding normally. Each year through the Bible teaching in the school many come to receive Jesus Christ as Lord and Saviour.
During the months of January and February, Tabernacle Baptist Church was not able to have Sunday School due to the fact that the facilities were blocked off for building. The attendance was greatly affected; however, all is back in operation, and the church is actively preparing for the large influx of people during the coming months.
We send our love to all,
