Z. E. Clark August 16, 1887 - April 5, 1977

Zechariah E. Clark, age 89, died in the home of his son, Gilbert Clark, Warren, Michigan, Tuesday, April 5, 1977. His body lay in state in Twelve-Ryan Baptist Church, Warren, Michigan, where he was a member, and where a funeral service was held Friday, 10 a.m., April 8, 1977. Pastor Hafford H. Overbey preached the funeral message assisted by Harry Hille, who represented the Directors of Baptist Faith Missions. Brother Clark's body was taken to Marion, Kentucky and the final funeral service was held in Second Baptist Church, Sunday 2 p.m. April 10, 1977. John Mark Hatcher, Brother Clark's pastor when he lived in Evansville, Indiana, preached the funeral service assisted by Hafford H. Overbey. His body was buried beside his wife in Maple View Cemetery, Marion, Kentucky. Brother Clark graduated from the West Kentucky Bible School in 1927. His teacher was H. Boyce Taylor. He pastored churches in Kentucky, Michigan and Indiana, and was an Association Missionary. He was a Director of Baptist Faith Missions, and Treasurer of the Mission for 25 years. He was a teacher in Tri-State Bible School. We have never known a man more faithful than Z. E. Clark. Truly he will hear his Lord say: "Well done, good and faithful servant". Send MEMORIAL OFFERINGS, in memory of Z.E. Clark, payable to Baptist Faith Missions, to James L. Hamilton, P.O. Box 8007, Lexington, Kentucky 40503. Twelve-Ryan Baptist Church has started this "Memorial Fund" with offerings of \$1,465.00 to Baptist Faith Missions. See page four for list of memorial offerings to date.

Bobby Creiglow

Dear Brethren,

We have had another good month in attendance with an increase from 35.5 from last month to 36.5 per service. The number of adults has also increased and we have seen more men in our services. We were happy to have Bro. Paul Hatcher with us for a week meeting and although we had some bad weather we also had some very good services. We had an average of 68 present during the week with our low being our Sunday School, with only 45 present. Our high was Saturday night with 104 present. There were two that came stating that they were members of Baptist Churches in other cities, had been excluded but wanted to be reconciled to the church. We also had two professions of faith, one lady and one man. We were also made happy in that

Dear Brethren,

We are happy to report to you that as of two weeks ago the building has been finished. I think it is one of the prettiest church buildings I have seen here in Brazil. The praise first of all belongs to God and then to Bro. Bobby Creiglow to whom God has given the ability to build. I'm thankful to the Lord that he came here and agreed to build the building. I most certainly could not have done what he has done.

The building is finished but we still lack some money to finish paying for it. There is another need arising from the fact that the city has in its program to pave the streets in our area. We shall have 381 feet of side walk and pavement to

Richard Turner

pay for so we ask you to continue to designate offerings for our building here.

I want to thank each church and individual that has a part in the offerings to build the church building. I have been amazed the way you have given. We thank you from the bottom of our hearts. May God continue to bless you and use you in the work of missions.

Our average attendance for the month of March was improved over the month of Feb. with the high of 26. April started out fair but this past Sunday we were down because some were away and some were sick. We are planning a meeting the last of June with Bro. Harold Bratcher doing the preaching. We are praying for a great meeting with God's blessing. We ask for your prayers.

Pattern Followed In Work . . . Report On Churches And Missions . . . Long Trip Up Jurua River To Parana Dos Mouras And Campo De Santana . . . Survey Trip Down River

By Mike Creiglow

Cruzeiro Do Sul, Acre
April 8, 1977

Dear Brethren,

It is a beautiful morning here in the city named after the constellation "Southern Cross". The weather has been wonderful for the past week. This makes me think that our rainy season may be over. If so, then it has been a very short season. It has been a blessed season in His service though, so we are grateful.

According to the pattern I have been following for some time I visited the folks at Vila Rodrigues Alves twice this month. The mission has had an average of 50 persons in service. There have been many visitors of late. Bev and the children go with me quite often on these shorter trips. They enjoy being with the members in their homes and of course the people are encouraged by their visits.

Three weeks back I visited the church at Parana dos Mouras. Demas, one of our young men from here in town went with me. Adam went too. We stayed there for three days and had good services. Many of the church members have moved to town.

Mike Creiglow

Consequently the number is down some. Otherwise all is well.

Last week I visited the church at Campo De Santana. The church there is doing fine. Some of their numbers have also moved to town and others are thinking of doing the same. This is always a threat to the churches that were organized years ago in very small villages on the rivers. This is also a factor to consider when starting new works and organizing churches along the rivers. They are fine at present though. They even have one of their local boys who is doing some preaching and conducting services for them. I spent two days at Vitoria, further up river, having good numbers in all services.

Our young preachers have been going strong, too. They have been using the small boat to visit some of the works closer to town. They have also made some trips by land. We have made a survey trip to a large village 20 minutes down river in my boat. The name of this village is Guajara. Services were held there from time to time in years past. Now the village has really grown and we are praying that there will be a new steady work there. Brother Jose Queiroz has visited there twice this month. There was one young man saved already last week. Pray for this new work.

Anniversary Month For Works In Garca And Galia . . . Report Of Professions And Baptisms . . . Marathon Reading Of New Testament 11½ Hours . . . How To Visit And Do Personal Work

By John Hatcher

Garca, Sao Paulo
April 16, 1977

Dear Brethren,

The month of April was the anniversary month for our two works in Garca and Galia. During the year in Galia there have been 30 professions of faith and none baptized; three persons will be baptized soon. In Garca there have been six professions of faith and three persons baptized. On the night of our anniversary service in Galia there were 150 persons in the service. On the anniversary of the work in Garca we had a Marathon reading of the New Testament in which the New Testament was read from 10:00 am until 11:30 pm. There were about 70 persons who attended during the day and there were 13 persons who attended the entire reading. We were not able to read the entire New Testament but about 75% was read. It was a great day and people were amazed that anyone would take an entire day to read the Bible. The Sunday Morning services here in Garca have averaged about 30 persons this month. The two ladies who were saved and baptized went with Mrs. Hatcher to visit last Thursday. Reason: To learn how to talk to people about the Lord and show them how sinners are saved.

John Hatcher

They had a great visit. Brother Edson and I went Friday night for the same purpose to visit a young couple and it was a great night as after a long and frank visit and presentation of the gospel both confessed Jesus as Saviour. Our goal is to teach by scripture and by practice how to witness to the lost. This month a young boy who works at the Radio Station started coming to services and made a profession of faith. A Catholic psychologist who is in charge of the social work here in Garca invited me to have a program for the patients at the mental hospital. There were more than a 100 persons not including the doctors and nurses who assisted. All the nurses are catholic nuns. Great doors are beginning to open, and the adversary is great. Will you please pray for us, on purpose and not just by accident? The little baby of the young couple who were baptized is paralyzed from the waist down and was interned in the hospital last week. On the last day the mother promoted a birthday party in the hospital room for one of the nurses, and got all the doctors, four of them, and all the nurses, to come and then called Alta and I to come so they could meet her pastor, receive an invitation to our services, and hear her pastor pray.

In Him,
John Hatcher

Lot on paved street in city of Verzea Grande, Brazil for Bobby Creiglow's new church building. The bulldozer was to come to clear off the lot. Brother Creiglow wrote on the back of this picture, "This sign cost me less than ten dollars to make, but we hope it will turn into a \$10,000.00 sign for the Verzea Grande Building Fund." Please give so that he can build it without having to stop and wait for the funds. Richard Turner will help Bro. Creiglow build.

Five Baptized . . . Church Building At Anajatuba To Be Finished In One Month . . . Need Offerings To Pay For It . . . A Pastor Excluded For Immorality . . . Three Months Until Furlough Time

By George Bean

Caixa Postal 500
Sao Luis, Maranhao
Brasil SA 65.000
April 16, 1977

Dear Brethren,

I hope that these lines find everyone enjoying the wonderful blessings that our Dear Lord has to give. This has been a good month with many blessings and victories won in His work here in Maranhao.

New Hope Baptist Church has baptized one young couple and the young man has expressed a desire to preach the Word. There were three baptized at our mission at Carema.

The work on the building at Anajatuba will be completed this month and then we will be able to start having services there each week. New Hope Baptist Church will send two men there each Sunday to have a SS and preaching. There may be some one who would like to help us with the building there at Anajatuba if so send your offerings marked for the building at Anajatuba or For Bean building, no offering is so small, we need your help on this as we have to repay BFM regular fund for the cost

George Bean

of the building. If I had time and space in this letter to tell you how that the Lord has blessed us in the building of the building there in Anajatuba when we live 130 kilometers (81 miles) from there and I can only go there every 15 days. I can only say it is by the Grace of the Lord as He has given us some honest workers there at Anajatuba, many of them come to our preaching services.

The pastor at Anajatuba fell into sin with another woman and has not repented. He had to be excluded and New Hope Church sends two men each Sunday there to help them until they call a pastor. Please pray for them in calling of a pastor. They have had several professions of faith that usually happens when a church will discipline its members that are in sin. We have three more months on this term before coming home, pray for us.

Yours in Him,
George Bean

(Editor's Note: The Beans are coming home for a six months furlough in July. He needs a car to use to visit churches and a house or apartment to live in rent free. If you can furnish him a car to use that is licensed and insured etc. the Lord will bless You. Likewise if you can furnish them house to live in rent free).

Ada Mayfield At American Clinic, Lima, Peru . . . Meeting . . . Nine Baptized . . . Trip To San Juan And Hope To Have A Church Here By End Of 1977 . . . Extra Class Room For School

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
April 15, 1977

Dear Brethren,

First we would like to thank all who have prayed for Ada. Words will not express our appreciation. She is much better, and we're now in Lima, and she is under going lots of tests here at the American Clinic. We hope that we will be able to return to Pucallpa and the work soon. Ada said to thank you for the cards and letters, and that she would answer each one as soon as possible.

We had a good meeting, not as many moves as we would have liked to have seen. Baptized three last Sunday nite. Pastor Abel used the baptism and baptized six from Liberty Baptist Church. He did a good job preaching and our people were blessed.

Made a trip to San Juan. This was my first without Ada. Took one of the men of the church with me. Took us almost 4 hours, as the road is in terrible

Del Mayfield

condition. Sunday morning there were two professions of faith. Man & his wife. We now have some to baptize the next time. We are getting papers in order for some to be married legally so they can be baptized. Continue to pray with us. We hope to be able to organize another church before the end of the year. This is one of our goals for 1977.

The brethren have worked hard to finish the new class rooms for our kindergarten. Still much to be done, but we have over 40 registered and using one of the other classrooms until new one is finished. We believe it will be ready when we get back. Our enrollment this year is down, due to the cost of living. Many parents don't earn enough to pay tuition. Please pray with us that we'll be able to finish the year in good order. Looking forward to many being saved, and the Lord adding to our church.

Hope to write next time from Pucallpa. Our thanks again for your prayers and support that makes our ministry here possible. May the Lord richly bless each of you.

Yours By His Grace,
Del Mayfield

Need Help To Finish Wall Around Lot . . . To Arrive In U.S. July 20 . . . Son Asa Mark To Care For Work While Father On Furlough . . . Seven Day In The Interior

By Harold Bratcher

Manaus, Amazonas
April 18, 1977

Dear Brethren,

By faith we are constructing the wall in front of the building. We ask you to pray with us and as the Lord leads send your offering to Baptist Faith Mission marked "Bratcher Building." Your offering could make the difference between us continuing the construction of the wall or discontinuing it. Brethren, for the term, 1973-1977, what we do for the Lord bodily present in Brasil must be done quickly. The Lord willing July 20th we'll arrive in the States.

Yesterday the church in a special business meeting voted to call Asa Mark Bratcher to serve as pastor during my absence. The call was unanimous. Pray for him as he soon assumes this great responsibility.

Our Sunday School attendance was 317 yesterday. Last night a 25 year old wife and mother made a profession of faith.

Harold Bratcher

I spent from the 8th to the 14th in the interior. I preached at six different places during the seven nights. There were two professions of faith and one rededication made during the trip. The sick were visited and the poor had the gospel preached to them.

Brethren, we covet your prayers. Doors are open but there are many adversaries.

Yours in His service,
Harold Bratcher

(Editor's Note: Brother Bratcher needs a car to use while on furlough. Maybe someone has two cars and will license and insure one and let Bro. Bratcher use it the year he will be on furlough. We have a house for the Bratcher's to live in rent free).

To Ordain New Pastor At Tamshayacu . . . Hope To Finish New Building Soon . . . Believe Old Building Sold . . . Invitation To Come For Dedication Of New Building And 40th Anniversary Of First Baptist Church

By James Kissel

Dear Brethren, April 16, 1977
We have been blessed this month of the Lord, in many ways. There have been some saved in almost all the churches, some being baptized. I have not received a report of many of the river churches, as we are having the monthly re-union, later this month. This coming week, we are all to meet with the church, in Tamshayacu, where we plan to ordain their new pastor. He is a man who has been a member of this church for years and the church wanted to call a pastor from their own village. I believe this to be good. This church has always been one of our best churches.

We are working each day on our new building and the

James Kissel

Lord has been good in supplying all that has been needed. We have progressed in the work considering there has been about three that has worked steady. The Lord willing, we will be finished in another month. I believe the old building is sold, but the man must wait for his loan from the bank, so we pray that it will soon be settled, so we can continue working. We plan to have special services, when the building is completed, perhaps sometime this summer. These services to celebrate the 40th Anniversary of the First Church, which was in February of this year. We would like to encourage as many pastors and friends, to come and help us celebrate this date, not only with the First Church but to see the other work. I am sure that it would be a blessing to all. So make your plans and come and be with us. May the Lord richly bless each one, who makes our work possible.

Yours in Him,

News . . . Some Up And Some Down . . . Walls Two Thirds Up On New Building . . . Mrs. Lauerma Buying Materials . . . Pleas For Offerings To Help Build.

By Walter Lauerma

Apartado 1218 Tegucigalpa, Honduras April 14, 1977

Dear Brethren:
The Churches: In Woodland Church we have the best to report, as they were down and now doubled in attendance. Also they have tripled their offerings and new ones coming. Fausto Garcia's wife comes regularly now. She is the wife of a preacher there. She said she was saved last year one night when I preached but cannot get baptized for fear of her family. Ayestas Church had a bad month. I have not heard all about it, but some members got drunk and rocked the preachers house and they were excluded and this hurt others that were coming. They excluded 7. They still have 43 members. Out here in Pradera, we had a bad month also. Between the Pentecosts, the bad weather, and sickness we had one of our lowest months ever in this work. Last night though we had a great crowd and today (a holiday and we are not working on building), I visited many and all seem to

Walter Lauerma

be ready to straighten out. We had the reunion of churches in the Woodland Church and I preached to a full house again. We have received back into our fellowship a man we excluded for drinking. He repented and is back with us.

The building: at this writing we are about two thirds up with the walls. We have had many setbacks but the Lord is good. We still pray that you all will help us with this building. It is not all that much brethren, when we pull together. It is needed believe me. Just ask God to help you see what your part is if any. Deloris has ordered almost all of the materials for the building. I went before to a few places to check prices and quality and then explained to her and she ordered. Know what? NOT ONE thing have we had to return. She did this on both the Woodland Church and at Ayestas Church. She is something to me.

We mourn with the family of Brother Z.E. Clark. He has gone to be with the Lord. A great man of God. Faithful to the end. We need to be like him. May the Lord bless you all always.

By His Grace,
Walter F. Lauerma

Landover Engine Rebuilt . . . Blessed In Work At Huancuo . . . Hope To Organize Church At Ambo Soon . . . Need Offerings To Finish Church Building

By Art Gibbs

Apartado 7 Huanuco, Peru April 15, 1977

Dear Brethren,
This has been another busy month as we had to squeeze in two trips to Lima in between building and preaching. The motor of our old Landover just got so worn out that it couldn't go any further so I finally took it over to Lima to have the motor rebuilt. It took them two weeks to rebuild it but it sounds and runs like a new motor. It was very expensive to rebuild the motor but new cars are so expensive that this seemed to be the only thing to do.

The Lord has blessed us in the work here in Huanuco although we have not seen many professions of faith. As best as I can remember we have had 1 profession of faith, 1 baptism, and 2 by letter this past month. We also had one of our families to lose their baby boy. Please pray for this young couple as it was their only child.

Bro. Silvio Pinan is now on the field in Ambo for which we are thankful. Please pray that we will soon be able to organize this work.

The work we had in Huacar no longer is, as the preacher boy who was leading the Bible classes fell in sin and became discouraged and quit. He fell by the

Art Gibbs

wayside because of economic problems. He made bills he couldn't pay and lost his testimony etc. Please pray for him.

I have no reports from the jungle churches at the moment since I have been unable to visit them. One of the brethren from Tingo came to visit me and informed me that the baby of the Pastor has now been operated on and is recovering nicely.

I had hoped to report that the roof or at least the first section of our new building has been poured but such is not the case. We are in need of more offerings in order to finish. Please pray for us and give as the Lord should burden and enable. We are still hopeful of finishing by the end of June. Pray that the Lord will help us to meet this goal.

May the Lord bless you all.
Yours in Him,
Art Gibbs

A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

Final Exams For College Trimester . . . Three Works Doing Well . . . Need Prayers For Fourth Work . . . Professions and Baptisms

By Louise Carver

Kwang Hwa Mun
P.O. Box 1184
Seoul, Korea
April 15, 1977

Dear brethren,

Each time I sit down to write the missions letter that means another month has slipped into eternity, which also means we are even closer to the rapture and some closer to death. Oh that we would live, witness and get missions on our hearts as if we really believed that our time is short.

As usual, this has been a busy month and overall a good month. Sometimes I almost wish it were possible to be at four or five places at the same time because at times I seemingly need to be at all works as well as school. Next week will be final exams at the Bible College, and we'll have a week break before the next Tri-mester. The students have accepted the Word and Doctrine well this term, which makes the hours of study and teaching worth while.

Three of the works are going well but we need your prayers about the Doo Mill Church. They just are not accepting their new pastor who is also pastor of the Kyon Ban Ri Mission. Korean people don't accept God in His marvelous Grace in forgiving and cleansing sin as well as we Americans, anyway. Br. Yoon is from Doo Mill area, was saved about three and a half years ago and has evidenced his salvation and calling to preach, but the people still remember his past. Please pray about this matter. The Kyon Ban Ri Mission seems to be accepting him well.

The Shin Nae Church is pretty well steady even though most know that Bro. Choi will be leaving the end of May. There were several moves for various reasons at Shin Nae last month and two ladies, one a former S.D.A. awaiting baptism. Also, we've had a good month at the Faith Baptist Mission here in Seoul. I baptized two ladies and one grandmother came by letter from another Baptist Church.

Louise Carver

We continue to thank God for you who've had a part in our ministry here in Korea and some day, in that Glorious Home Land, you'll be meeting some that you help with your finances, prayers and concern, win to Christ. Our desire is to be worthy of your support.

Your fellow-laborers in Christ,
The Louise Carvers

CREIGLOW (Continued from page 1)

after Bro. Paul left our attendance is still up, and the interest seems to be very good. On Sunday night after he left we had our best regular service attendance ever, with fifty persons present and most of them were adults.

As I mentioned last month I have already bought property in Varzea Grande. The water will be hooked up this Saturday and the same day I have a tractor coming to clean off and level the lot. We have finished the Turner building and the only thing that is holding me up from getting started is the lack of funds. The plans are being drawn up at this time, but this will not cost anything as while helping build the Turner building I made friends with some men that are taking care of all of that and the building permit free of charge.

The last day of our meeting with Bro. Paul Hatcher, Betty got sick and had to miss both services that Sunday. By Monday she was back up and going again, but yesterday when we went to pick the girls up from school, while we were sitting on the Turner's porch she had another spell and from there she went to the emergency room at the hospital where she spent the next three hours. She has spent most of today in bed, sleeping most of the time. It is the same old illness. Pray for us and the work.

Paul Hatcher In Bed With Malaria . . . Was With Bobby Creiglow In Meeting One Week . . . Tabernacle Church Monthly Budget \$1,800.00 . . . Second Child Due Now

By Wanda Hatcher for Paul Hatcher

C.P. 227
69,000 Manaus, Am.
April 26, 1977

Dear Brethren,

The last week of March Paul was with Bro. Bobby Creiglow in Varzea Grande for a week. He came back really excited about the work, and the Creiglow's enthusiasm. I'm sure Bro. Creiglow will include the facts of the week in his letter.

Tabernacle Baptist Church approved, last month, a Cr. \$25,000/month budget, which is equivalent to about \$1,800/month. What is really outstanding is that the minimum wage here is \$50/month! The first month we have already attained Cr. \$18,000! Approximately 70 per cent of our offerings go to local evangelism and state and nation wide mission works.

Paul Hatcher

Our second child is due to arrive any day now. I am writing this letter as Paul is in bed with malaria. This is the third day and the doctor had indicated that maybe he would be up and out by today, but he seems to have had a set-back. He just last week got a small set of CB radios set up at home and at school, so is communicating with the school from his bed.
