IN BRAZIL SINCE 1923

JUNE . . . 1977

PERU 1935

No. 6

Asa Mark Bratcher has graduated from the University of Kentucky. He has gone to Manaus, Brazil to take care of his father's mission work, while his father, mother and brother Stephen come home on furlough. Asa Mark will pastor the Fourteenth of December Baptist Church and visit the missions in the interior. Remember to pray for him regularly.

Putting the roof on the "George Bean Building" at Anajatuba. From the picture on the left to this. The building is now completed. Need offerings to finish paying for it. Mark special offerings for "Bean Building."

#### Bobby Creiglow Building

Need large offerings for each month so that he can finish the building without having to stop and wait for funds. No one deserves help more than Bobby Creiglow. He has spent time helping others, putting himself last. Mark special offerings "For Creiglow Building."

#### Art Gibbs Building

He hopes to have this building finished by the last of June. He needs offerings to pay for materials and labor. Mark special offerings "For Gibbs Building."

#### Walter Lauerman Building

This building is already under roof and he hopes to finish it in a few more months. Mark special offerings "for Lauerman Building."

#### George Bean Building

This building should be completed by the time you read this. He needs offerings to pay for materials, etc. before coming home on furlough in July. Mark special offerings "For Bean Building."

#### Richard Turner Building

This building is completed. He needs offerings to finish paying for it and for sidewalks and street paving to be done by the city. Mark special offerings "For Turner Building."

#### Harold Bratcher Building

This is the largest building project of any by far. He needs offerings to put wall around the lot and to finish building. He is coming home on furlough in July and wants to get all the work done possible. Mark your special offerings "For Bratcher Building."

#### James Kissel Building

He is building a new building for the First Baptist Church, Iquitos, Peru. The old building is to be sold and the money from the sale to pay for the new building. We do not need special offerings for this building.

#### House For Louie Carvers To Live In

This is the biggest problem of all at present. Baptist Faith Missions cannot own property in Korea. The rent is very high and in order to rent an apartment or house it takes thousands of dollars of KEY money. The owner uses the KEY money to loan out in small amounts at high interest, but cannot get the house or apartment back until the KEY money is paid back and they keep raising the amount of KEY money etc. Louie Carver needs thousands of dollars as KEY money and they do not know where they will move to in three more months from the time you read this. Please help all you can by marking your special offerings "For Carver KEY money."

#### Paul Hatcher Car

Mark your special offering "For Paul Hatcher Car."

Start now to make your plans for your Thanksgiving Offerings. It is never too early to start. Give as the Lord leads and you will be blessed for it.

REMEMBER BAPTIST  
FAITH MISSIONS  
IN YOUR WILL

Why not take one of the special projects upon your heart and help to finish that project. The Lord will bless each of you for it. Try it.

Busy Profitable Month But Problems Are Many . . . Pastor Resigns . . . Rent Increased And No Where To Move When Lease Is Up In Four Months . . . Request For Prayer

By Louie Carver

Kwang Hwa Mun  
P.O. Box # 1184  
Seoul, Korea  
May 14, 1977

Dear Brethren,

This has been another busy, profitable and yet trying month. How wonderful it is to know that whatever the situation, whether joyful, or difficult our God knows all about it and gives Grace and strength as is needed.

One old lady died last week whom I had visited with about three years ago way back in the country; she had made a profession of faith during the visit. Bro. Choi visited the lady a few days before her death and she gave him the assurance that she was saved. Anyway, it was a very unusual funeral to say the least.

Be much in prayer for the Shinnac Church. Bro. Choi resigned as of last Sunday night and the people, although, not so fond of him, have gone nutty. The Devil is trying to cause problems so we'll just have to wait upon the Lord and try to ride the wave out. They seem to want a young man whom I know can't do the job so I finally just told them I'd do most of the preaching until things were more settled.

Both country works seem to be doing fairly well. I baptized one young man at Doo Mill during the month. The people there as yet haven't accepted their new pastor too well either, although, the Kyong Ban Ri Mission seems to have accepted him. The Faith Baptist Mission is about the same, with one grandmother having come by letter from another Baptist Church and with new visitors almost weekly.

Since March our rent has jumped another 30% so unless our Lord somehow intervenes between now and the next four (4) months when our contract runs out, I don't know what we're going to do. Please make this a matter of prayer.

Louie Carver

The students at the Bible College seem to be doing well and we've gotten one or two new students. It's a real joy to see some receptive to the Word and take a stand even when it's contrary to their customs and traditions; there are few who'll take such a stand but I believe of our students are.

Continue to keep us before the Throne in prayer and by the Grace of God we shall try to be worthy of your support. Thanks so much for your prayers and support.

Your co-laborers in Christ,  
The Carvers

## Wall Up And Roof On New Building . . . Need Offerings To Finish . . . Planning On Starting Another New Work . . . Report On Churches

By Walter Lauerman

Walter F. Lauerman

Dear Brethren,

We now have the walls, and roof all done and are working on the Sunday School walls and Baptistry this week in the Pradera Church building. Also the man is to put the doors and windows in this week as well as the electric, etc. Also a man is soldering the guttering to put in this week. We hope to be done in 8 to 10 weeks if we do not have to wait for funds. Once again we just pray that you would pray about what part you should have in this building. This is fair I am sure. Try it.

We were up in the 60's in S.S. this month in Pradera. Nights well attended. Better than months, in spite of the heavy rains. We have several families that come that seem interested and could be saved or join by letter or baptism soon. The

Walter Lauerman

Woodland Church has services all nights but Friday. They visit on Saturdays and have had up to the 30's again some nights. They support themselves also as their offerings have gone up. They had 1 profession this month. In Ayestas it is hard to know for sure what is happening. It looks like growth in numbers but that is all. They had all kinds of trouble out there this month. The pastor may resign. It would be best if he did I am sure. Pray with us about them.

We had the fellowship at Pradera Church and had the lowest attendance ever in one of these as Ayestas had very few to come. Pradera and Woodland Church are thinking about starting a new work together. If Woodland cannot help, Pradera Church will probably go it alone. At times things look up, then they look down. So we just try to keep looking up. May the Lord bless you all ways. We never cease to thank God for all of you that help our ministry in any way.

By His Grace,  
Walter F. Lauerman

## Those Saved And Baptized Give Proof By Their Service For The Lord . . . Many And Great Experiences . . . The Future Is Bright And The Promises Of God Sure

By John Hatcher

Garca, Sao Paulo  
May 17, 1977

Dear Brethren,

This has been a good month for us here in Garca, and in Galia. All of our three baptized members have made visits this month for the purpose of telling The Gospel to folk. They are not very experienced, yet if they continue as of now they will be among God's choicest saints, or rather servants. The man who made a profession of faith about three months ago in Galia was a confirmed drunk. His wife also has made a profession of faith and has the same problem. For over three weeks the man has not touched a drop of liquor after attending more than 40 services without missing and without having drunk liquor. Last Sunday his wife came for the first time ever without having liquor on her breath. Another man who is the town's biggest drunk made a profession of faith in the mental hospital where the family had him committed because he has gone crazy on booze. His first Sunday out he and the whole family came to church on Sunday morning and in the

John Hatcher

afternoon he did not come because he was full. This man is a furniture maker and a professional magician. When God transforms this man as he did the other, everyone in the city of Galia will know that God's power is great. Another victory was the crippled boy who made a profession of faith several months ago when Mrs. Hatcher visited in his home to talk to his mother about the Lord. The priest came three times to visit him and try to get him to see that the Catholic church was right and to try to get him to return to it. He was able to put many doubts in the mind of the boy but God gave the victory and he is certain that he wants to be baptized. His mother was a strong Catholic. Her many idols have disappeared from view and we believe that God is going to save her soon. Brother Edson and I went to visit another man who attends our mission in Galia. He made a profession of faith. He has three children and the oldest girl has made a profession of faith. Oh, yes, I forgot to mention that our attendance had been down in both missions but as things are going it will not be down long. Last night a drug store owner came to visit and talk about the Bible and salvation. Three and one-half hours talking about the Bible. Many doors are open to us.

In Him,  
John Hatcher

## Cement Roof Finished . . . Hope To Have Building Finished By Middle Of July . . . Reports From Ambo And Aucayacu

By Art Gibbs

Apartado & Huanuco, Peru  
May 16, 1977

Dear Brethren,

Another busy month has flown by and it's hard to realize it's gone. We are even more occupied in the building program than ever before.

By the time you read this letter we will have finished pouring the cement roof. We are working hard trying to have the new building ready before Brother Overbey arrives in July in order that he might preach the dedication service. We now have most of the electrical installation done and have begun to plaster the ceilings. We are much thankful to Brother Overbey and the Twelve-Ryan Baptist Church for the way they have helped us in our building program. Of course many other churches have also helped for which we are also thankful.

All the work is coming along good. Although 2 of our best families moved away in the work in Ambo we are still encouraged as Brother Silvio reports that 2 of the school teachers have begun to attend and also send their students as part of their school course in religious education.

Art Gibbs

Brother Pedro Aquino reports that they have had four professions of faith this past month in Aucayacu. Two have already been baptized and the other 2 are due to be baptized the next Lord's Day. I have no reports from Tingo or from Kilometer 70 as no one has come to Huanuco and the building program has kept me too busy to permit me to go there. Lord willing I will go down to Tingo next week as I must go there to fill out tax papers for the government for the Church and mission house in Tingo.

Once again accept our thanks for your prayers and your support. May the Lord bless you all.  
Yours In HIM,  
Art Gibbs

## Two Trips To Anajatuba . . . First Service In New Building . . . Need Offerings To Finish Building . . . 18 Benches To Be Made . . . To Come On Furlough In July

By George Bean

Caixa Postal 500

May 16, 1977

Dear Brethren,

This has been one of the busier months here in our work and the Lord's blessings have been with us in many ways. We have made two trips to Anajatuba. Bro. Ricardo the pastor from Peritoro Baptist Church went with me and he preached and one young man made a profession of faith. We were there Sat. and Sun. May 15-16 and we had our first service in the new building and it looks great but we do not have it plastered yet but thank the Lord that we can already use the building. We have to make 18 benches and take there and June 11 we will dedicate the building with visiting preachers, etc. New Hope Baptist Church called one of our preachers to pastor the church here in Sao Luis, this leaves me free to visit the

George Bean

works and to make the weekly week-end trip to Anajatuba to take care of the services there. Always so much to do here but we enjoy it as we are doing the Lord's will for our lives. It is getting harder for us to stay here as new laws are being passed everyday with so much red tape. For example: I have to start getting clearance from the government so that we will be able to travel home in July.

June and I went to Fortaleza to be with Mary Ellen and the Jr. Senior Banquet at the Fortaleza Academy. We will leave Thursday May 20, for her graduation, and to bring her and Jonathan home from school, as they have finished another year. Mary Ellen hopes to go to Clarksville Baptist College this year. Please pray for Bro. Benidito who is now taking charge of all the services at New Hope Baptist Church. Also pray for the church at Anajatuba as they call a pastor. May the Lord bless all is our prayers, we have had 6 professions of faith at Anajatuba, 1 at New Hope Baptist, two at Anajatuba.

Yours in Him,  
George Bean

## April Best Month In Work At Varzea Grande . . . 13 Members In Mission Now . . . Need Offerings To Build Building . . . Prices Of Materials Are Up

By Bobby Creiglow

Cuiaba, Mt.  
May 15, 1977

Dear Brethren,

The month of April was by far the best month we have had since we opened this work eleven months ago. Our average attendance for the month was 41.5 people and that includes the midweek service. That is five percentage points over last month which was our best month up until that time. We also had one profession of faith and I baptized three this month. One of our member's husband who had been excluded from a Baptist Church thirteen years ago came forward asking us to write to the church, which is in another state, asking for his reconciliation and letter. Since that night he has shown good signs of repentance. We now have thirteen members and are more encouraged. So far this month our attendance is lower, but the month isn't over yet. On Tuesday of this coming week we will complete our first year in the work here in Varzea Grande. We have special services planned and hope to reach a goal of 150 in that service.

Bobby Creiglow

Betty, after being down sick again for five weeks is starting to feel some better again. She now takes a walk each morning as the doctor ordered and gets lunch for us and has to leave the rest for the maid. We are thankful that the Lord has given us a very good maid.

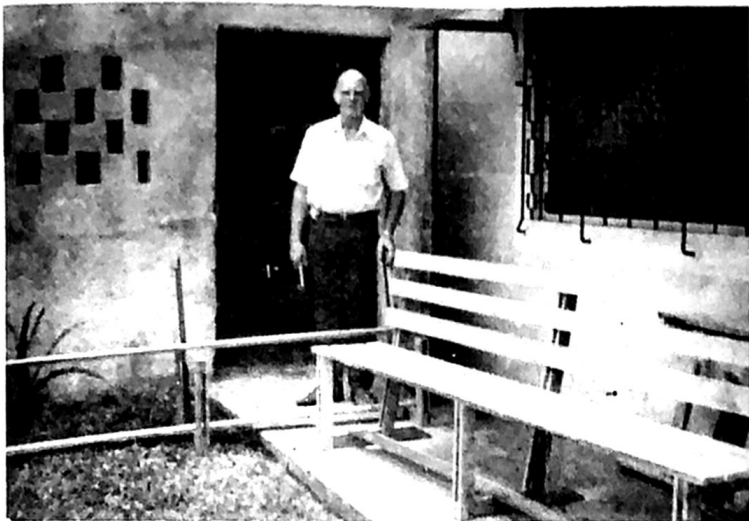

The footing is almost dug for our building and if all goes well we should get things in full swing this week. Some four months ago the man that sold me much of the materials for the Turner building told me that all materials had gone up 20% since that time and what I have bought thus far for mine has been at least 50% over a year ago and he told me last week that everything was at that time being marked up another thirty percent. I am sure by now the cost of building must be almost on the same level as in the States. I am ashamed to even think how far off my estimate will be from the actual cost, so I will just ask you to all keep on helping and hope for the best.

In His Name  
Bobby D. Creiglow

Bobby Creiglow baptizing in the new "Richard Turner Church Building", Cuiaba, Brazil

## Taught Trail Of Blood At Liberty Baptist Church In Arenal . . . Total Of Ten Baptized . . . Trip To San Juan . . . Some To Get Legally Married To Be Baptized . . . Men To Make Blocks For Wall

By Del Mayfield

Apartado 166  
Pucallpa, Peru, S.A.  
May, 1977

Dear Brethren,  
I have finished teaching the Trail of Blood in Liberty Baptist Church in Arenal. We had a real good week and after we finished we all came here to Faith Baptist Church for a baptism service. Pastor Abel baptized seven and I baptized one. The Lord always blesses the history of Baptists. Wish I could teach it somewhere this week.

I have baptized two at San Juan the week before last and after the service there were six more that wanted to be baptized our next trip up there. We are

Del Mayfield

getting papers fixed for two families to get married and then back to San Juan. The brethren there want to pour the floor with cement and raise up the walls with blocks. I will haul the gravel for the job and take up the cement for the blocks. They are going to make them themselves. They are renting moulds to make the blocks.

Ada is much better. We really thank the Lord, as it is only by His grace that she pulled through. She is still under medication, has dizzy spells and her blood is still low.

Sorry to hear about Brother Hamilton falling. Hope that he will be able to come to Peru.

Yours by His Grace,  
Ada and Del Mayfield

## Attendance Up . . . Good Crowds For Wednesday Night And Doctrinal Studies . . . Helping Brother Creiglow To Build . . . Need Offerings To Finish Paying For Building And For Sidewalks And Paving Street

By Richard Turner

Caixa Postal 720  
78000-Cuiaba, Mato Grosso  
Brasil, S. A.  
May 17, 1977

Dear Brethren,  
Our attendance for the month of May so far has been the best this year with a high of 29 in our Sunday morning service. We have had some good crowds for Sunday night and also Wednesday night doctrinal studies.

We had some disappointments this month in our work here as the lady that joined our work from a church in the south has decided to leave us because we don't permit the women to pray and talk out in the services. We also found out that an American missionary with an interdenominational group has been telling around that we believe only those members of our churches that are saved. This lie has hurt us some with the Brazilians but I'm sure that God will turn his lie into a blessing for us.

I have been helping Bro. Creiglow to get started on his building. I hope to be able to help as much as he needs me.

Richard Turner

We still need offerings to finish paying for the building and to pay for the sidewalks and pavement of the streets that is to be done in the near future. Give to this fund as the Lord leads.

Thank you all that pray for us and give that our ministry may be in this place.

Yours In Him,  
Richard A. Turner

## A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

## Blessed In Services Of First Church . . . To Move In New Building Soon . . . Pastor Ordained At Tamshayacu And Four Baptized There . . . Invite Those You Can To Come To Visit In Iquitos

By James Kissel

Dear Brethren,

May 14, 1977

The Lord has blessed in the First Church during the month, with three professions of faith, two of these being baptized. One of them, a man who has attended over a period of ten years.

The last month we ordained a new pastor at the church in Tamshayacu, where there was a great crowd. This church always has a good attendance. After the ordination, there were four baptized. The pastor of the Second Church reports one profession during the month, and one baptized. I have not had a report as of now, from the other churches as I am writing this before our reunion, which will be on the 16th in the Fifth Church of Iquitos.

By James Kissel

I have been working almost everyday on our new building for the First Church. I have had two and

sometimes three workers, but have let them go now, so I am working alone most of the time. My wife also is helping now, painting and varnishing. The Lord has wonderfully blessed, as we have not had to wait on materials. The Lord willing, we move into this new building the first part of June. It will not be nearly finished, but it will be much better than where we are. Pray with us that we will soon sell the old building, so we will be able to have funds to finish all the remaining work. This location will be so much better and we are looking forward to great things in the Lord.

We understand some of the brethren plan to visit the work in Peru, in July. We want to extend an invitation to all of our friends to come and be with us, at that time. Send your pastor, he will be greatly blessed, I am sure, and his visit will be a great blessing to the people of the churches here. May the Lord bless each one, is our prayer.

Yours in Him,  
The Kissels

## Need Offerings To Finish Wall Around Lot . . . Son Asa Mark Arrives To Care For Work During Furlough Time . . . 363 In S.S. . . . To Arrive In U.S. July 20th

By Harold Bratcher

Manaus, Amazonas  
May 16, 1977

Dear Brethren,

By faith we are constructing the wall in front of the building. We ask you to pray with us and as the Lord leads send your offering to Baptist Faith Missions marked "Bratcher Building." Your offering could make the difference between us continuing the construction of the wall or discontinuing it. Brethren, for the term 1973-77 what we do for the Lord bodily present in Brazil must be done quickly. The Lord willing July 20th we'll arrive in the States.

On Thursday morning, May 5th, Asa Mark Bratcher arrived from the States. He

Harold Bratcher

preached for us, Sunday morning, May 8. The Lord blessed with 354 in Sunday School. That night, Brother Wilford McGary, pastor in Eastern Kentucky; father-in-law of Missionary Paul Hatcher, preached. We rejoiced when two young people made professions of faith.

Yesterday, there were 363 in Sunday School. Throughout the day there were four professions of faith.

The Lord is certainly blessing the work, but we still covet your prayers and financial support. Doors are open but there are many adversaries.

Yours In His Service,  
Harold Bratcher

## Repair Outboard Motor And Boat . . . To Make Trip To Cuiaba . . . Gasoline Cost Still Rising . . . Will Repair Jeep Soon

Dear Brethren,

I spent about five days with the boat and motor in our shop. The Evinrude Outboard now has over 200 engine hours. It was time to do a general maintenance job. I removed the head and exhaust covers to remove all the carbon deposits. It was not malfunctioning yet. I also changed the water pump, which was fairly worn. While out of the water I washed and waxed the boat. All is working fine. I made a trip to Campo de Santana and Victoria since all this was done.

We will probably be making a trip to Manaus in

Mike Creiglow

May. Dad has been after me to hold a meeting in Cuiaba. I have been putting him off since there is so much to do here, I told him in the last letter that we might make it in July.

Gasoline went up again and is about \$1.50 per gallon. I am repairing the old Briggs Stratton motor for the use of those preachers who do not have the mechanical aptitude to use an outboard. I will be buying some parts for the Jeep and sheets of plywood to make a top for it.

In Christ,  
Mike Creiglow

(Editor's note: This is a list of some of the things that is done beside preaching. Brother Mike has the know how to repair and keep boats, motors and the Jeep in running order.)

The people on ramp and porch of "Richard Turner Building", Cuiaba, Brazil came to see Bobby Creiglow baptize. Beautiful building finished, with lot to build house on in rear of church building.

## Paul Hatcher Sick With Malaria . . . Baby Son Born In Manaus, Brazil . . . Mrs. John Hatcher Came To Care For Mother And Baby

By Wanda Hatcher

Caixa Postal 227

May, 1977

Dear Brethren,

Paul came down sick and passed the day with fever. Dr. Roy Dearmore was in town and diagnosed his case as malaria. Before Paul went to Cuiaba the last week of March the doctor put him to bed with some minor complications. It has been a little difficult as we were not able to arrange steady help until this week, which is really good as both of us are worn down.

Wanda Hatcher

(Editor's Note: We have heard that the Paul Hatcher's have a baby son born in Manaus, Brazil on May 23, 1977 and his name is Judson Paul Hatcher. Mother and baby are doing well and Mrs. John Hatcher came from Garca, in south Brazil to care for Wanda and the new baby. The Paul Hatcher's have a daughter, Leigh Anne, who was also born in Manaus, Brazil. Remember them in your prayer.)
