### New Missionaries To Brazil

### The Harold Drapers

Left to right, Karin, Mrs. Draper (Ursula), Melody and Pastor Harold Draper. The Harold Drapers, the Lord willing, will be going to Brazil as soon as they can get Permanent Visas, and the funds to do so, the Lord willing. Brother Draper is pastor of Calvary Baptist Church, Arlington, Kentucky where he has done a good job as pastor. We need the funds for their plane tickets and other expenses to get to Brazil, and increase in regular offerings for salary, rent allowance, children's tuition and regular expenses. Please pray for them and give as the Lord leads and enables.

### West Kentucky Conference

West Kentucky Conference at Zoar Baptist Church, Cunningham, Kentucky was a good one. Pastor Parvin Hall led his people to give a total mission offering of \$6,000.00 to Baptist Faith Missions for the Bobby Creiglow Building in Brazil. Please give so that Brother Creiglow can continue to build without stopping. The last letter received advised that the walls were up shoulder high. We thank the Lord and take courage.

### House For Louie Carvers To Live In

Brother Carver advises that they do not know where they will go when their lease on the apartment is up. Rent is up and so is the KEY money required in order to rent. Please pray earnestly about this. Make it a matter of daily prayer. Put it on your intensive prayer list.

### Building In Garca Brazil

John Hatcher advises that the building he is now renting for the mission in Garca is going to be for sale. It is a beautiful large two story building with room for Sunday School classes, large auditorium. It can be purchased perhaps for about \$100,000.00. Lots of money, and we do not have it, but some have it and we can pray. Brother Hatcher writes "We must not let this building get away." Put this on your intensive prayer list. Ask the Lord for the money. He is able.

**Needs For: Gibbs Building, Lauerman Building, Bratcher Building, Turner Building, Bean Building, Creiglow Building, Hatcher Building and Car For Paul Hatcher.**

Pray for these things and give. Mark your special offerings accordingly.

**Labor Day Conference, Fairborn, Ohio. September 5, 1977**

**Alabama Conference October 3 and 4, 1977**

**Start Now To Make Plans For Your Thanksgiving Offering**

**Missionaries Due Home On Furlough**

The Harold Bratchers and George Beans are due home in July for furlough if they get their papers from the Brazilian government.

**Visitors Going To Peru**

James Hamilton, Edward Overbey and Hafford Overbey are going to Peru to visit and see the work of Art Gibbs, Del Mayfield and James Kessel, July 11 to 22, 1977. Brother Gibbs has asked Hafford Overbey to preach the dedication sermon for his new building. Brother Kessel is inviting all the pastors and churches to come for a grand reunion in his new building while we are there. Brother Mayfield is inviting the pastors and other churches to meet at his church as we will not have time to visit all the other churches. All this, the Lord willing.

### A Good Time To Make Your Will

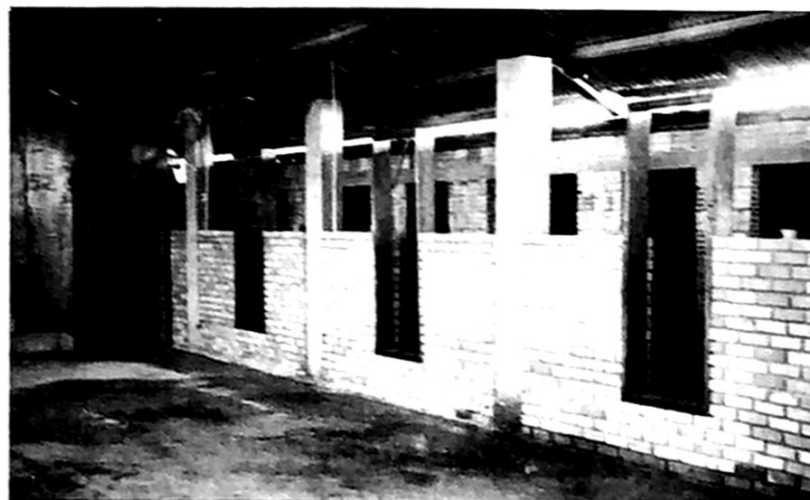

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

The cost to build this building will come from the sale of the old First Baptist Church, building which is on the corner of a busy intersection and so noisy that one cannot hear in the services.

By the time you read this they will be holding services in the new building, even though not completely finished.

## A Missionary Twenty Years . . . Looking Forward To Twenty More Years . . . New Building To Be Completed In Two Months The Lord Willing . . . Professions Of Faith . . . Some Ready To Be Baptized . . . To Start Preachers' Classes

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras  
June 13, 1977

Dear Brethren,

This month 20 years ago, we were given permanent visas to go to Peru as missionaries. Twenty wonderful years when I think back and see the blessings. I asked the Lord for at least 20 years and it looks like it may be 20 more now. I thank God for BFM and its goodness to us and all those that have helped make these 20 years of my ministry a reality. Almost half of my life as missionary as I am 50 years old. Thanks again to all.

We now have half of the ceiling in the new Pradera building and all but the front wall around the lot. We hope to start the tile floor next week. Then the bathroom, some painting and then a few days cleaning, etc. In 6 weeks to 2 months we hope to have it all done. Pray with us and keep on giving as the Lord leads you. Pray about it.

I have 4 to baptize from Pradera. We will do this next week in our new baptistry here in Pradera. We

Walter Lauerman

are running in the upper 50's and 60's this month in S.S. and in 40's again at night. We have had so much rain, more than any June ever here and June is the second rainiest month of the year here. Also, in April it rained here much and it is the driest month of the year. May was even wetter than usual.

The pastor at Ayestas, Juan Linares, has resigned and gone to pastor at Woodland. I hope he stays there. I am directing services at Ayestas now with the help of 2 young men from there when I am not able to be with them for my duties here at Pradera. We had 37 this first week that are without a pastor. I am sure now this work will grow and be a good Baptist Church. At Woodland they are still about the same. I went there one night this month also. After I get the building done I am going to start classes for preachers as this is our biggest need here now. We went here at Pradera 7 months without any moves and we have had 5 this month. What a blessing, but God always knows best. It sure was good to see those come. Two saved, one by letter and two for baptism. May God always see fit to bless you all.

By His Grace,  
Walter F. Lauerman

## Most Frustrating Time In The Ministry . . . Two Missionaries Have Boarded Up Their Buildings . . . Former Pastor Undermining . . . Prices Up And Going Up . . . Need Prayers For Grace And More Grace

By Louie Carver

Kwang Hwa Mun

June 15, 1977

Dear Brethren,

This has been a busy month and one of the most frustrating months in my ministry of almost twenty (20) years. Baptists who are taking any real stand are really the devil's target. Surely we're on the eve of the coming again of our blessed Lord. I've talked with several missionaries who've been in Korea 15 to 20 years and most agree that the last year has been the most trying. One called me at 11:30 p.m. last evening with such problems that he finally just boarded up his building. Another Baptist did the same a few months back. I request your prayers for Grace and more Grace not just for my family but for others who are being tried even more severely than I. Don't misunderstand, the government has caused me no problems; although they are closing many schools.

Prices just jumped again last month, gas went up 4%; coffee jumped to over \$9.50 a pound. I just paid almost \$4.00 a pound for some hamburger a few days

Louie Carver

ago and there's to be another rise in prices in July. Both churches are down but both missions are pretty well holding their own. After Bro. Choi left Shinnac Church I found out he had been undermining me all along and turned many of the people against me; so they've called the former pastor at Doo Mill but attendance and all is down. This happens most of the time with Korean pastors. The Doo Mill Church still has not accepted their new man so please continue to pray about that church. Bro. Yoon did report one young man saved who has submitted for baptism. The Faith Baptist Mission isn't growing as I'd like to see but hopefully since getting a young man and his family to move on the field and help me with it, it will begin to grow. The new worker and his wife have come by letter and also an old grandfather has expressed a desire for baptism.

We're having mid-term exams this week at the school. The students are quite constant and seemingly are learning. Thanks so much for your prayers and support. At times things get discouraging and our bodies and minds exhausted but the thought that many of you are concerned and praying gives that extra boost.

Yours in His Marvelous Grace,  
The Louie Carvers

## Building Nearing Completion . . . Need Several Thousand Dollars To Pay For . . . Several From The U.S. Come To Visit . . . All On The Mountain Top . . . Great Fellowship

By Art Gibbs

Apartado 7  
Huanuco, Peru  
June 15, 1977

Dear Brethren,

Well, we really feel like we're living in Beulah Land these past few weeks. The Lord has really been blessing. We are so thankful as we see the Huanuco building fast approaching completion. We are now plastering the interior, hanging doors, installing lights and light switches, etc. We are hoping that by this time next month we will be able to inaugurate our new sanctuary. Our thanks to all who are helping to make our dreams come true. We are several thousand dollars in debt on the Huanuco building program so we pray for your continued help until the debt is paid in full.

Another cause of our rejoicing is the way the Lord has blessed spiritually this past month. There have been souls saved in all the churches this past month. In Ambo we have had some 20 professions of

Art Gibbs

faith. We are especially happy to note that the work in Tingo is doing much better.

The principle cause of our rejoicing has been due to the visit of Bro. Elton Wilson and wife, Missionary Larry Ellis, and our son-in-law and daughter, Wayne and Cindy Mulling. There are no words to express the joy that they have brought our way. We have kept all the brethren preaching and the Lord has blessed us with great preaching from each one. There have been many saved, many others making various other decisions. The fellowship has been just the sweetest. Our people here are also really appreciated their visiting us. We are just a little sad that they have to continue their journey today as they go on down to the jungle to visit other churches. I think that the brethren were also blessed as they visited with our people here. I don't think they will ever forget their visit to Huanuco. Perhaps some of our readers would also like to come visit us. The welcome mat is always out for those who love the Lord.

May the Lord bless you all.  
Yours In Him,  
Art Gibbs

## A Good Month . . . Daughter Mary Ellen Graduates From High School . . . Anajatuba Church Calls Pastor . . . Anajatuba Church Building Dedicated . . . 13 Baptist Preachers Present

By George Bean

June 17, 1977

Dear Brethren,

This has been a good month and for this we give the Lord the praise. June and I went to Fortaleza and saw our daughter Mary Ellen, who had studied at the Fortaleza Academy for three years, graduate. There were ten in her graduating class. We thank the Lord for our children and when we see them following the Lord even in their studies then we are glad.

New Hope Baptist has been busy with Bro. Benedito doing the preaching and taking care of all the services. There were four saved at New Hope Baptist Ch. Last night I helped the church at Anajatuba with a business meeting and they called John Batista as pastor. John was saved 8 years ago and for 7 years has been the song leader at New Hope Baptist Church. Also the pastor at Anajatuba who fell into sin has repented and been

George Bean

restored back into fellowship at the church there.

Saturday, June 11, we went to Anajatuba to dedicate the new building. There were 13 Baptist preachers present. I can remember when there was one, who was Bro. Sostenes and then we came to Maranhao 12 years ago and the Lord has blessed us in giving us these faithful preachers that love and preach the word of God. At the dedicating services there were many people present. I would estimate around two hundred people present. Some of the Town Councilmen were present. Bro. Sostenes and Bro. Jose Leitao brought two inspiring messages and then the people still did not want to go home and then we sang many songs after the services closed.

I am asking all the brethren that send us your church papers that you would start in the month of July to send them to me at the address below.

May the Lord bless all.

## Monthly Reunion Of Churches With Great Crowds . . . Some To Get Legally Married To Be Baptized . . . Waiting To Sell Old Building . . . Looking Forward To The Coming Of Some From The U.S.

By James Kissel

Dear Brethren,

Last night was the monthly reunion of all the churches, which was in the Fourth Church of Iquitos. We had a great crowd, with most of the pastors present, also some members from most of the churches. All the works seem to be doing well, but none are having great numbers saved. The Second Church reports one saved and baptized. There have been two saved and baptized in our new mission in Iquitos. The mission of Atun Canon is still in process of building, which they hope to have finished this month. This mission plans special services the 2nd of July when some will be getting legally married and baptized. There were two professions and also baptized in the First Church. I haven't been doing any visiting, as all my time is spent on the new building. We hope to move into it this coming week, even though it is not finished. We are waiting to sell the old building to have funds to be able to finish everything, but it will be better for services even

James Kissel

though we will be using it unfinished. Money is a great problem here as there has really been a great slow down, with almost all the oil companies leaving and the streets are full of people without work, and prices continue to increase.

We are looking forward to having some of the brethren visit us in July, which will be a great blessing for all and for the work here. We pray that several will come and be with us at this time.

May the Lord richly bless each one is our prayer.  
Yours In Him,  
The Kissels

## 78 Present In Anniversary Service Of The Mission . . . Walls Of The New Building Shoulder High . . . Mrs. Creiglow In Poor Health

By Bobby Creiglow

Cuaba, Mt.  
June 13, 1977

Dear Brethren,

On the anniversary of our congregation we had a special night of services and due to a cold spell and a few other things we did not reach the attendance we had hoped for, but we did have 78 present and a very good service.

Our attendance has been down this month and the preaching has not been any too good either. I am to blame for both of these bad reports. Since I have started building I have been trying to hold down three jobs, pastoring, building and trying to take care of the sick and needless to say I have not done justice to any one of them. We have had a few new faces in some of our services this month, but no professions of faith.

Bobby Creiglow

A young man that had attended some of our services and had helped on our building one day told me that he had not come back to services because he did not have clothes good enough to come, but would come back when he could. I got word today that he was stabbed several times a few nights ago and died today. Oh! how sad it must be for his young widow, but how much worse for him; lost forever without Christ. I am sure that when he last talked to me he had no idea that eternity was so near. How near is it for you?

The walls to our building are about shoulder high and with what Brother Overbey has deposited we will be able to work about one or two more weeks. I may have to stop on the building for a week or two to take Betty some place else to see if we can get her some better medical treatment.

In Him,

B. D. Creiglow

P.S. I just got a notice that it was not the man mentioned above that died, but another.

## Guests From The U.S. Come To See And Visit . . . Good Trip To San Juan . . . Two Families Get Legally Married To Be Baptized . . . Mrs. Mayfield Better In Health

By Del Mayfield

Apartado 166  
Pucallpa Peru SA  
June 18, 1977

Dear Brethren,

These last few days have been real blessings, and I am sure we'll never forget them. Pastor Elton Wilson, Mrs. Wilson, Brother Wayne Mulling, Mrs. Mulling and baby Richard, Missionary Larry Ellis, and Brother Art Gibbs. We sure enjoyed their visit with us. They were going to come Wednesday and leave Thursday, but the two airlines changed their schedule, and they had an extra day with us. It sure was a blessing having them in our home two days. Pastor Abel Paniefo was also pleased as we had services Thursday night in the Liberty Baptist Church. Our Wed. night service here was a real blessing to our people. We would also like to thank them for coming, and invite others to come and see us. Just plan a few more days, two days is just not long enough.

We had a good trip to San Juan this month. We now have two families married legally and we are looking forward to baptizing them along with several more next week. We are expecting another Baptist Church in the near future. Continue to pray for them.

Del Mayfield

They are making cement blocks and are planning on putting in a cement floor next month. Bro. Abel is going to help them two weeks, not only to preach, but help with the floor. He worked at construction work before going into the ministry.

We always try to write only about the blessings, but we have had our share of problems. Ada is much better, and we are so thankful. She is working in the school office a few days a week, but still not back like she was. We sure appreciate you who have prayed, and for the many letters and cards.

We still don't have our carnets (visas) renewed. The Minister of Immigration has asked for several new things: bank guarantee, copy of our By-laws and Constitution, and our legal address signed and sealed by the police here. We have all that done and in their hands. We now plan to go to Lima between the 1st and 2nd semester of the school year (first of August) and see if we can get them renewed. For this reason we will not be coming home this year. If Ada's health stays the same as now we'll wait until next year.

The pastor at the church in San Fernando has given us nothing but trouble since they called him as pastor. Pray that the Lord will straighten and work things out. May the Lord bless you all.

Yours By His Grace,  
Ada & Del Mayfield

## Mrs. Hatcher Makes Trip To See And Help With New Grandson . . . Both Sick In Bed With Allergy . . . Month of Religious Holidays A Test For New Believers . . . Never So Great A Need

By John Hatcher

Garca, Sao Paulo  
June 15, 1977

Dear Brethren,

On the fourteenth of May Alta went to Manaus (just a little trip of about 3,000 miles) to be with Paul and Wanda when their baby was born. God blessed us with a grandson on the 23 of May. Judson Paul, Grandma Alta returned to Garca on the third day of June. The next twelve days she spent in bed from an allergy to pepper. I had the same problem but was only sick in bed for five days. At this writing we are about recuperated. The attendance has been down in our work, both in the Galia mission and in the Garca mission. The month of June is the month of many religious holidays: Saint Peter, Saint John and Saint Anthony. Fire crackers, processions, religious festivals, saints and sin. Never was there so great a need; never was there less interest to meet that need. Pray for the new converts in our missions. Perhaps you cannot appreciate their position. They have no background in the Christian life. They have no church fellowship and no other Christians to help them over the humps for they are the first to be saved in their communities. When the temptations come they do not know what to do. They are babes in Christ. They stumble, fall, and despair. There are no strong arms to life up their feeble hands and there are none to help strengthen the weakened

John Hatcher

knees. But, let me stop before I am accused of preaching.

In Him,

John Hatcher

Dear Brethren,

Sunday night we had 32 in our service, which is the highest for this year. Since writing last our average attendance has been on the rise. We have been working to have 35 in attendance and that goal was almost obtained Sunday.

I have been helping on the Creiglow building almost every day now. We've been pouring foundations, mixing massa, carrying bricks, laying bricks, and whatever else there is to do that I can do.

There is still a need for offerings for the building here.

Dear Brethren,

This has been another great month. May 23, our family received its latest addition - a boy, Judson Paul, weighing 8 lb. 6 oz. We are thankful to God for this new one. Wanda is also doing very well.

Next week we conclude the first semester of work in the schools. Our student body presently numbers 1,065. Each year many of these students receive the Lord Jesus Christ as Saviour.

Wanda's parents, the Wilford McGarys, were able to visit us during the month of May, which was refreshing and time to get caught up on the news.

Paul Hatcher

Mrs. John Hatcher, my mother, was also with us for two weeks to help with her grandson. We thank all who pray on our behalf. In Christ,

## Trip To Rio, Urubu (Buzzard River) . . . Average Attendance 329 In May . . . Several Made Trip Into Interior For Service In A Home . . . To Arrive In U.S. July 20 For Furlough . . . Need Funds To Finish Building And Wall

By Asa Mark for Harold Bratcher

Manaus, Amazonas  
June 15, 1977

Dear Brethren,

Daddy is on his way to Rio Urubu (Buzzard River) and asked me to write the MS letter. He left yesterday on a ten day trip to visit several of the mission points of the church.

The Lord is certainly blessing the work here. The average attendance in Sunday School during the

month of May was 329. On June 9th several ones from the church went to the interior, to a place called Curari, to hold a service at the home of Bro. Ofir Correia Lima. Dad baptized two of his daughters that afternoon, and at the service that night, two of his sons, both young married men, accepted the Lord. Praise His Holy Name!

The Lord willing, Dad, Mom, and Stephen will arrive in the States July 20th. Dad has already accepted several preaching engagements and will be available to visit the churches to preach and tell about the work. Their address will be: 1012 Balsam Dr., Lexington, Ky., 40504. Phone number is (606) 278-0963.

Please continue to pray and give to the work here. I certainly need your prayers and request that the churches continue to send in offerings for the Bratcher Building. There is still so much to be done and I would like to be able to continue the construction, as the Lord provides. Wouldn't it be great if the building and wall were completely finished by July of 78, when the Lord willing. Dad will arrive back in Manaus? This can be done only through your financial support for the "Bratcher Building."

Pray for the work here and throughout the world. Pray for the Bratcher family. Thank you for your prayers and support. May the good Lord richly bless each one of you.

In His Service,  
Asa Mark Bratcher for

## A Good Time to Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

## Where To Send Offerings

Make all checks payable to Baptist Faith Missions and mail all offerings to:  
James Hamilton  
P.O. Box 8007  
Lexington, Ky. 40503
