ANOTHER CHURCH ORGANIZED IN PERU . . .

San Jose Mission Organized Into A Church . . . Busy And Fruitful Month . . . Many Professions Of Faith And Baptism . . . First Baptisms At Santo Tomas

By James Kissel

Dear Brethren,
September 14, 1977
This has been a busy and fruitful month, with many blessings. I have just returned from San Jose, with several of the brethren, where we organized this mission into a new church, with 22 members, mostly adults. I preached the first night and two more men came confessing Christ and were baptized the following day.

In the new mission of the First Church, here in Iquitos, there were three professions of faith, two being baptized. There were two professions of faith in the Second Church, also one in the Third Church.

This past Sunday morning, I went to Astoria, where I preached and one made a profession of faith and after the ser-

James Kissel

vice I baptized four into this church. In the First Church we have had several saved. I baptized three and we have two more to be baptized this Sunday. It seems as though we are having an increase in young people both in attendance and coming for membership. This next Sunday afternoon I am to baptize four young men at our mission at Santo Tomas, which is also a mission of the First Church. These are the first to be baptized from this mission.

Next Monday we are to begin a revival meeting in the First Church and we are looking forward to a great time of reaping of souls. Pray with us that we will soon be able to sell our old building so we can finish the new one. We need the prayers of God's people to continue on, as times are difficult here.

Yours in HIM,
James Kissel

Churches Visited To Tell Of Work In Brazil . . . Son Asa Mark Has First Baptizing . . . Seventeen Baptized . . . New Record Attendance Of 835 . . . Needs Special Offerings To Finish Building In Manaus, Brazil

By Harold Bratcher

September 16, 1977

Dear Brethren,

This week and next we are with Pastor Bradley Johns and the Clarksville Baptist Church of Richmond, Ky. in a revival. In order that you might be praying for us, I'll list the following churches where I'll be in meetings soon after you read this letter: Calvary, Uniontown, Ky.; Immanuel, Hurricane, W. Va.; Logan, Nicholasville, Ky.

Since writing of the last Mission Sheet letter, I have preached in the following churches: Woodland, near Morganfield, Ky.; Calvary, Grenada, Miss.; Larry Windham, pastor; Elliot, Miss.; Norris I. Corley, pastor; Calvary, Richmond, Ky.; Raymond Kays, pastor; Storm's Creek, Ironton, Ohio; Jim Orrick, pastor; Brooksbury, Indiana; Grace, Fairborn, Ohio; Paul R.

Harold Bratcher

Kirkman, pastor; Earl Street, Henderson, Ky.; Wesley K. Smith, pastor. The Woodland Baptist Church as well as the Brooksbury Baptist Church needs our prayers as they seek to know the Lord's will in calling pastors.

We have been made to rejoice in the letters that have arrived from Brasil. Asa Mark has had his first baptizing - 17 believers were buried by him with their Lord. The previous record was 15 was broken. The new one is 835.

We are grateful to the offerings for the Baptist Church. We are praying that these four churches and that many other churches will continue to support the work. Asa Mark is willing, perhaps even to complete the building without the money. Pray and May the Lord bless you.

Brother Mayfield Sick With Stomach Infection . . . James Kissel To Come And Help In A Meeting . . . Trip To San Juan And Work On Building . . . Enrollment Down At School

By Del Mayfield

Apartado 166
Pucallpa Peru S.A.
September 13, 1977

Dear Brethren,

Physically speaking this has been the lowest month that I can remember in all my life. I have had a stomach infection the past few weeks, and have lost part of the use of my left arm. Was unable to be in church last Sunday, and that is what hurts most. Pray for us. I am to see the doctor again today. Think I'll be back in the swing of things soon. Ada is much better, and we would like to thank each one for your kind letters and cards. We'll get around to answering each one.

Our meeting here with Bro. Kissel has been changed to the 9th-16th of Oct., as he had a meeting planned for the same date. So we're looking forward to a good time. Hope you'll get this in time to pray for the meeting. We are having special meetings this week here and at Liberty Baptist Church. The high cost of living has effected our school very much, we have the lowest enrollment since 1969.

Del Mayfield

Our last trip to San Juan Mission was a very wet one. It rained and we didn't have as many as we had expected. Also had a tire go out on the truck and was unable to bring back gravel to repair the building here. We're going to put in a new side walk, and paint the building, and repair the roof. The brethren at San Juan are going to make their own blocks and finish their building. The floor that Bro. Abel Panaifo (pastor at Arenal) finished is very nice and the brethren are very grateful. Makes our Mission building much better than the dirt floor. This encouraged the brethren there to finish the rest of the building.

The Liberty Baptist Church has electric lights. One of our brethren here, Bro. Zagarra, who is an electrical engineer, helped them wire their building. This will be a great blessing to them. Pastor Abel and people are very pleased, and we are happy for them.

May the Lord lay the burden of the work on your heart, and may some say "Lord here am I, send me". We appreciate your prayers and support that make our ministry possible here, where the work is great, and laborers are few.

Yours by His Grace
Del Mayfield

Paper Work To Get Permanent Visa In Progress By Paul Hatcher In Brazil . . . Studying Portuguese . . . Many Churches Visited . . . Need Special Offerings For Baggage Shipment . . . Tuition For Children, Language School, Etc.

By Harold Draper

Dear Brethren,

This has been another busy month. The Lord has blessed us in many ways. We received word from Bro. Paul Hatcher in Brazil that the paperwork has been initiated there that is necessary for us to obtain a Permanent Visa for our family. Pray for Bro. Paul and all the other missionaries as they carry a very heavy responsibility as well as the wonderful Gospel of our Lord Jesus Christ. We have done all that we can do about obtaining our Visas until we receive the go-ahead from the Brazilian government. Please pray that the Lord will cause this not to be delayed. Also, pray that we may have patience while waiting.

My wife and I have begun to study the Portuguese language a little as we find opportunity. She seems to have a gift to learn. As many of you know she grew up in East Germany and speaks German very well. She has been a great blessing to us. Our daughters seem to be reconciled to going to Brazil also.

Harold Draper

We have visited the following churches this past month: Fellowship Baptist, Mayfield, Ky.; w/o pastor; weekend meeting with Faith Baptist, Wauseon, Ohio; Bro. Powers, pastor; Emmanuel Baptist, Centerville, Ohio; Bro. Messer, pastor. We also spoke at the LABOR DAY CONFERENCE in Fairborn, Ohio; Bro. Kirkman, pastor. We would like to express our gratitude to all the offerings churches have given to us in helping us obtain the necessities needed in Brazil. Also, we are thankful to those who have given toward our PASSAGE to Brazil. The Calvary Baptist Church in Arlington, Ky. has been taking a offering to help out on our plane tickets. Remember this church as we seek a pastor. Last Sunday the church extended a call to Bro. Larry Ellis, formerly missionary to Korea. May the Lord's will be done concerning this very important matter.

We are thankful for every prayer, word of encouragement, and offering.

Yours in Christ,
Harold M. Draper

Back In Manaus After Eighteen Months . . . Schools Impressive . . . Large Attendance In Church Services . . . Largest Attendance In Garca . . . Mission Work A Work Of Faith

By John Hatcher

Manaus, Brazil
September 18, 1977

Dear Brethren,

At this writing I am back in Manaus after being away for eighteen months. It has been a joy to see old friends and visit with Paul and Wanda for a few days. Unfortunately, the distance is so great and the cost of plane passage so high, it was not possible for Alta to come on the trip. The schools are going great and the number of students is impressive. With continued construction, the capacity of the buildings for the new year will be enlarged greatly. The Christian influence of teachers and professional people who have studied in the schools is greater from day to day. Yesterday the services in the Tabernacle Baptist Church were great with large attendances both in the morning and evening services.

Our work in Garca has enjoyed the largest average attendance since the work was opened. Our average last month was 30. Last Sunday morning was our largest crowd since opening, that is for a morning service. There were 38 present. One man, age 28,

John Hatcher

made a profession of faith and he and his wife have not missed a service. She has not been saved and never attended any but a Catholic church before coming to our services. Also a young man, 16 years old, made a profession of faith.

In closing this letter it seems to be impressed upon my mind to say one thing about the enlargement of mission work. Mission work is a work of the faith, once delivered to the saints. Mission work is the means to spread the Gospel, without which no man can be saved. The Gospel must be told or preached before people can be saved. Likewise, the growth of mission work—the increase of churches supporting the work, and the calling of men to the mission fields can never happen unless there is a preaching of faith concerning these matters. Just as it is necessary to tell the unsaved about Christ to get them saved it is necessary for pastors and churches to tell other pastors and churches if the work is to grow. Just as many never talk to a lost person about salvation so many have never told another pastor about this mission work. If this is a work of faith then faith comes by hearing. How shall others help if they never hear?

In Him,
John Hatcher

Son Mike And Family Come . . . Three Years Since Mother, And Son And Family Had Seen Each Other . . . Good Preaching And Good Attendance With Seven Professions Of Faith . . . Five Baptized

By Bobby Creiglow

Varzea Grande, Mt.
September 19, 1977

Dear Brethren,

At the time I wrote my last Mission Sheet letter our son Mike and his family were with us. At times people write to us asking how they are getting along and if we get to see them often. Well, it had been three years since Betty and the girls had seen them and over two years for me. The plane fare for the four of them was a thousand dollars, so you see we cannot make the 1,500 mile trip very often. During the meeting we had very good attendance every night and Mike's preaching was excellent. We also had, during the meeting, seven professions of faith, five of which have remained faithful and shown fruits of real salvation. During their twelve day visit we enjoyed the fellowship more than I have words to express.

I got almost nothing done on the building while Mike and his family were with us, but since then

Bobby Creiglow

things have moved along very well and if all continues as it is going now we should be finished by the end of November. The three S.S. rooms that are separated from the main building just lack the glass for the windows and the painting. We got the baptistry finished, filled with water and were to have our first baptism in it two weeks ago yesterday, one day when I came back from buying materials I found that the workers had used most of the water for the building. The city only gives us water once a week so we had to postpone the baptism until the following week. I baptized five that day before a crowd of fifty people. We now have eighteen members and our average attendance was up again last month with an average of 43.5 in all services.

We also enjoyed having Dr. Roy Dearmore with us on the same Sunday of our baptism and he preached for us that night, a very good message.

The Lord is blessing us and the work, so we ask that you continue to pray for both.

In His Name,
B.D. Creiglow

Wife Teaching Children At Home . . . Sister Comes From N.C. To Visit . . . Rents House . . . All Four Works Doing Well With Professions And Baptisms

By Louie Carver

Kwang Hwa Mun
P.O. Box #1184
Seoul, Korea
September 14, 1977

Dear Brethren,

Things are back in full swing again around the Carver's house. My wife is busy monitoring our three oldest children in school, at home, and the Bible College is in the Fall Trimester, etc. So things are buzzing around our place from morning until after 10 P.M. nightly.

One of the high lights of the month was that my younger sister, Barbara, came to visit us and stayed from August 18th til September 5th. Barbara had also visited us in 1972. If my sister can visit us twice, coming from N.C. in approximately five years, surely some of your pastors could come over at least once in a life-time, or perhaps even permanently as a missionary.

We appreciate your prayers and concern about our housing. After all but being promised a place by two different missions and then turned down, we finally were able to rent one. It is nice but because of

Louie Carver

extremely high utilities it is larger than what we wanted and also further away from our works than I had wanted but it seemed to have been of the Lord. We'll be moving September 30th, the Lord willing, but we don't really know how long we'll be able to live in the house. Anyway, we thank God for providing it and for your praying with us about it.

All four of the works are going well except the Doo Mill Church; please pray that God will move on hearts there. There were several professions of faith at the Shinnah Church last month and they baptized four. We also had several professions at the Faith Mission but none baptized. However, we expect to baptize in the near future.

Thanks for your support, prayers and concern. It is my desire to be worthy of your faithful support.

Yours in Him,
Louie Carver

Need Native Pastors . . . Started Preachers' Classes . . . Professions Of Faith . . . Special Offerings To Finish Paying For Building

By Walter Lauerma

Apartado Postal 1218
Tegucigalpa, Honduras
September 15, 1977

Dear Brethren,

Woodland Church has had a little increase all over it seems, but in offerings. At least they are paying their own bills. They have some real good ones up there. In Ayestas it is hard to determine. Attendance in the 30's and 40's. One profession, 3 contemplating baptism and offerings of about \$60.00 a month. That is wonderful for those people. They made repairs on pastor's home and are to do same on church building. Pray with us for a pastor for both these churches now. That is our greatest need now. PLEASE PRAY with us about this. I have started preachers' classes and with only this in mind that God would call some and make them faithful. Here in all the churches it is the same, the missionary handles

Walter Lauerma

3 to 5 churches. SO PLEASE PRAY WITH US. In Pradera we are in the 70's and 80's in all services. Two professions and offering tripled as we are using an envelope service to see if we can impress on the people the need and the blessing of giving and giving. We voted 6 months ago to help on our building until it is paid off and we will do it by the grace of God.

Our son Paul and grandson David visited with us from August 15 to September 2. We had a good time and they did too, it seems. The people here really like Paul as he speaks Spanish as they do and is friendly with them. Our reunion of churches was in Ayestas with lowest attendance ever, 31.

Will you pray and help us pay off our Pradera building? We need about \$6,000 yet. That is a lot and then again it is not. We have built 3 buildings and with furnishings, complete, the cost only \$25,507.84. This includes the 3 lots also. So you see God has been good to us and I am sure will use us all to do more of the same end together.

By His Grace,
Walter F. Lauerma

To Cuiaba For Meeting . . . Special Television Program . . . Seven Professions In Meeting . . . Back In Cruzeiro Do Sul . . . Near 900 In Services In Mission Points . . . Fourteen Professions Of Faith

By Mike Creiglow

Cruzeiro do Sul, Acre
September 12, 1977

Dear Brethren,

On August 17 we went to Cuiaba, Mato Grosso to visit the works there and spend some time with my parents. Dad started me right in at getting a few things ready for the meeting that we had planned. I worked along with my father and some of the young people to prepare a short children's television program. This was video taped at the church building and was broadcast on the following day. During the program I also had some time to invite folks to the meeting.

The meeting was a blessing. There were seven professions of faith. The crowds were large each service. The new work there is being conducted excellently. In my opinion our best missionary is on the job there.

Since returning to Cruzeiro we have been on the go. Of course while I was away the brethren here were doing their jobs. The weekly trips to Guajara, Sao Luiz, Lagoinha, and Rodrigues Alves have continued with good results. There were just under nine hundred persons in services in these villages during the month of August. There were fourteen persons saved. The mission at Sao Luiz has grown faster than the other two new works. There are almost twenty believers there now. I taught some more on baptism this past Sunday. We have several who have requested baptism and some others who we are helping to get legally married.

We now have four more villages in mind and prayer for new works. Our equipment is almost all updated and should be sufficient. However we will have to spread our manpower thin to start new works.

Mike Creiglow

We are also into our second gas shortage already this year. Pray about these things.

Dear Brethren,

We have had a pretty good month since writing last month's letter. Our high in our services was 32 present. We have had some new visitors in our services also this month.

We did have a special blessing with Bro. Mike Creiglow preaching for one Wednesday night prayer meeting. It was good to have him and his family in our services.

I'm still helping on the Creiglow building. It is looking better with each week of work. We will be putting the roof on very soon.

My wife, Wanda, has much improved since last month. She is still having some problems with her back but it seems to be better. Thanks for your prayers for her.

Father Comes To Help Catch Up Because Of Illness . . . Several Students Saved And Active In Lord's Work . . . School Buildings Under Construction

By Paul Hatcher

Caixa Postal 227

Brazil, South America
September 19, 1977

Dear Brethren,

Bro. John Hatcher is with us for about a week here in Manaus. It has been a great help to catch up some ends that were loose, and been good to hear him preach.

All of the family is doing very well. They each seem to grow so fast.

The schools continue to do very well. Several students have been saved this year and become active in the Lord's work. Pray with us that before the end of the year that many others will come to know the Lord Jesus as Saviour.

One of our churches mission pastors resigned and we

Paul Hatcher

now have two mission points without any assistance. The greatest holdback in the Baptist work in Brazil is the shortage of man power.

The school building has been under construction since the beginning of the year. The Lord willing, this phase will soon be completed.

Our love and regards to each of you,
Paul Hatcher

Co-Pastor Away And No Pastor At Ambo Makes For A Busy Month . . . Several Baptized . . . Need Offerings To Pay For Building

By Art Gibbs

Apartado 7
Huanuco, Peru
September 16, 1977

Dear Brethren,

With Bro. Honorio, my co-pastor here in Huanuco, gone to Lima for the past 3 weeks due to

the severe illness of his aging father, and no pastor at present in Ambo; we have had a most busy month. We have also been busy building office furniture for my office in our new building, as well as cementing the driveway and putting in the balance of the glass in the windows.

One would think that having glass in the windows would be a great blessing and in some respects it indeed is a blessing as it gets quite cold, but since installing the glass in the windows we have and echo in the building that makes it most difficult to understand the preaching for those seated in the rear of the auditorium. Perhaps one of our brethren might have an idea they would like to share as to how to resolve this problem with minimum cost.

All the work continues to do well. We have had several baptisms in both Aucayacu and Tingo Maria. Things have been somewhat slower here in Hco. with only one profession of faith and one baptism. The work in Aucayacu seems to be doing exceptionally well. Upon arriving there last Fri. I found several of the men out cutting down the weeds. They had the property cleaned off and everything looking better. Please remember the needs that we have in Aucayacu as you pray and give.

May the Lord bless you all.
Yours in HIM,
