# ANOTHER CHURCH ORGANIZED IN BRAZIL

Tabernacle Baptist Church, Manaus, Brazil. Directly back of this building are two, two story buildings for the schools. The small house to the left is for storage. Now see the picture to the right.

New two story school building being completed to the right of the church building on the left. Note the driveway between the two buildings and also the new open building between the new buildings. This is the work of Paul Hatcher, and he has built these buildings without asking for any special offerings. The schools are now self supporting and the schools are accredited. Over 1,000 students attend these schools from Kindergarten through High School and Seminary. The work of Baptist Faith Missions marches on. To God be all the Glory.

This open building is between the Tabernacle Church and two story building to the right of church. It is always hot in Manaus, Brazil. No heating plants are required. This is the work of Paul Hatcher.

### Alabama Conference One Of The Very Best

Pastor Bobby Walton and New LaGrange Baptist Church did a great job with their First Annual Missionary Conference in the interest of Baptist Faith Missions. Preachers from eight different states. Total offerings for Baptist Faith Missions over forty-one hundred dollars. Good preaching with the best of fellowship. Make plans now to attend next year.

### Approved Projects . . . Great Needs Now

The mission work of Baptist Faith Missions is going, growing and glowing. The needs continue to grow and become greater all the time. We could use a total of \$200,000.00 right now. Please pray and give as the Lord leads and mark your "special offerings" accordingly.

John Hatcher needs \$100,000.00 to buy building in Garca.

Harold Bratcher needs about \$10,000.00 to finish church building and walls.

Walter Lauerman need \$5,700 for third building in Honduras.

Bobby Creiglow needs about \$9,000.00 for building in Varzea Grande.

Richard Turner needs special offerings for street paving.

George Bean needs \$1,800.00 for new building.

Art Gibbs needs about \$5,000.00 for new building in Huanuco.

Paul Hatcher needs special offerings for a car to use.

Louie Carver needs special offerings for KEY Money.

Harold Draper needs plane passage and baggage shipping cost, school tuition for children etc.

Mike Creiglow needs missions buildings and shipping and custom charges on boat, motor and trailer.

Pray and give and mark your special offerings accordingly.

### When You Give For Special Projects: Buildings, Cars, Boats, Motors Etc. Etc.,

you are not giving to the missionaries personally for them to sell and pocket the money, should they quit and leave the mission and come home. All property and equipment is the property of Baptist Faith Missions, to be used in the mission work, the same as a pastor uses a parsonage or church-owned car, etc. Thus, the property remains with Baptist Faith Missions to be used on and on in the mission work. Baptist Faith Missions is efficient and gets the most work done from the offerings given. And all the work is by the authority of a Baptist Church, without exceptions. All directors of Baptist Faith Missions serve as a work of love without any pay from mission offerings.

### Church Organized At Vila Rodrigues Alves With 28 Members . . . A New Son Born In Cruzeiro Do Sul . . . 889 Persons In Services In Four Missions . . . Trips To Japiim And Maita . . . Professions Of Faith And Baptisms

By Mike Creiglow

Cruzeiro do Sul, Acre  
October 17, 1977  
Dear Brethren,  
On Sunday night, October 16th, the congregation at Vila Rodrigues Alves became the newest local church in the Cruzeiro do Sul area. The brethren chose "Tabernacle Baptist Church" as their name. They asked me to serve as their pastor until Brother Jose Teixeira, who was chosen as associate, or some other can be trained adequately. On the previous Sunday there was a baptism service in which ten more were baptized. The new church has twenty-eight members. There were 126 persons present in the organization service. Brother Enock preached the sermon. A great service.

The church was organized with authority from the First Baptist Church, Cruzeiro do Sul, Acre, Brazil. When I baptize at Morapirango the church there gives me the authority for that baptism. When at Maita, likewise. All of the work is conducted with church authority.

Andrew Michael Creiglow was born September 25, 1977 2:00 PM at the Santa Casade Misericordia. He was a little bigger than Adam and Monica when they were born. All is well. Bev has recovered quickly. Another great blessing from God.

The rainy season seems to have come early this year. Land travel has been slowed a little, but not

stopped yet. There were 889 persons in services at the four missions for this month. There were ten more professions of faith. For the past two weeks all three

## Professions Of Faith And Baptisms . . . Rented A House With Sufficient Room For First Time In Six Years

By Louie Carver

Kwang Hwa Mun  
P.O. Box #1184  
Seoul, Korea  
October 15, 1977

Dear Brethren,

With eternity so fastly approaching millions of the Korean People are yet lost in sin and still trusting in Buddha, Confucius, or some type of Spiritism. Thus far we're having a nice fall here in Korea, the weather has been beautiful but not long off the heat bill with cold weather will be upon us. Even in this God has a purpose.

It is a bit difficult for me to think clearly as I try to write because our children's little dog just died and they are quite upset. The neighbor's dog attacked ours a few days ago and it died a few minutes ago. To our children their puppy was almost a member of the family.

All four of the works are steady except the Doo Mill Church and it is in bad shape. The people just will not accept their pastor, so

Louie Carver

I'm trying to make a change there. Please be much in prayer with me about the Doo Mill Church.

Shin Nae Church had several professions of faith last month and baptized some, I believe four. Also: we had some professions at the Faith Mission but no one baptized there.

The land prices in the area of the Shin Nae Church just recently jumped approximately 300% because of a zone change and now building can begin again there. This change should help the attendance, etc. at the Shin Nae Church.

We moved into our present house Sept. 30th and seem to like it well. One big problem is that it is further away from our works but at least for the first time in over six years since coming to Korea we have sufficient room so we are thankful for this, although, we don't know just how long we shall be able to live here. Many of you made our housing a prayer matter, etc. and we do appreciate that so much, God heard and answered your prayers.

May God continue to bless you and I do pray that we can be worthy of your prayers and support.

Yours in Him,  
Louie Carver

## Highest Attendance For Morning Services With Good Interest . . . Friday Night Bible Classes With Mostly Young Married Couples Attending . . . Have Two New Grandsons

By John Hatcher

Caixa Postal 224  
17400 Garca, Sao Paulo  
Brazil S.A.  
October 12, 1977

Dear Brethren,

Last month was our highest attendance for morning services with an average of 32. We are barely holding this average this month. The interest among the people attending is good. The social and cultural pressures are so great here that when a person decides to attend and attends regularly it is because they have considered their need and are willing to pay the cost. This month an informal Bible class has been introduced on Friday nights. One lady, a wife of a local business man has shown tremendous interest for the sake of her children and husband as well as for herself. At the last class she wanted to know the verses which show that Jesus is God. This was for the benefit of showing her husband since he is from the middle east and does not believe in the divinity of Christ. With such interest there is no doubt that God's Spirit will bring a great harvest. The experiences here are almost like reading the accounts of the apostle Paul's trips and experiences in the cities when he went in for the first time. This month our messages are concerning the home. With the exception of one or two all the adults attending are young married couples. This month God fulfilled

John Hatcher

another promise to us in letting us see the births of two new grandchildren. Lynn and Elton McGary have a new boy born on the 15th of September, and Judy and John Mark Hatcher have a new boy born on the 13th of October. We are praying that the Lord of the harvest will send laborers into the harvest but hope there will be some who answer the call before these three grandsons come to the age of being missionaries. By the way, what are you other parents preparing your children for?

In Him,  
John Hatcher

boats were in the shop for repairs and maintenance. This made us miss two of our usual trips. The men who would have made these trips were busy elsewhere anyway, so it all evens out. I worked day and night to get the boats back in the water by this weekend and now all is back in order.

Besides my regular trips to the mission points I made two other trips. The first was to Japiim where all is well. The second was to visit the church at Maíta. The house was packed there. I also helped them in a baptism service where three were added to that church. They seem to be doing fine with their new pastor, Brother Jose Queiroz. They are even building a new and much larger auditorium.

## Hoping To Finish Building In December . . . Four Expensive Items Needed To Finish . . . Need Offerings To Pay For . . . Furlough Time Next Year

By Bobby Creiglow

Varzea Grande, Mt.  
October 15, 1977

Dear Brethren,

This month we have seen our attendance drop from 43.5 to 40.9 and that is a good indication that I am needing to get finished with the building so that I can get on with some more important things. There are two things that suffer when one devotes all of his time to building, first of all his preaching is not as good as it should be and second is that there is not enough time for visitation. I am sorry to report that there have been no souls saved nor have I baptized any this month.

The building is going along very well, but we still lack four very expensive items: the ceiling, the floor covering, the light fixtures and the painting. We still also need your help on these things along with most of the work we have already done. I think I am correct in saying that more than half of the money we

Bobby Creiglow

have spent thus far has been loaned to us from the regular fund so that we could finish before we come home on furlough next year. We are thankful for this loan, but would like to see it paid for by the time we are finished building, which should be by the end of November or the first of December. We also plan to teach the people to, just as soon as they can, start paying for their building so that the money can be used for another new work in another area. Our congregation has almost enough money on hand now to put down the floor covering.

We would also ask you to pray for us and the work that the Lord would raise up someone to take over the work for us to come to the States on furlough next year when we are due. We would not mind staying over another year or more if it was not for the fact that Betty is needing some medical care that would be best to have done there.

By next month I hope to have some pictures of the building.

In His Name,  
B.D. Creiglow

Dear Brethren,

Since writing last month we have had a high of 27 in our Sunday School and Sunday Morning Preaching service. We have had a few visitors also this month.

In our Wednesday night services I have been teaching on the church and on Sunday morning I've been preaching on stewardship. With the help of the Lord we are trying to indoctrinate those that are saved as well as preach the Gospel to those that are lost.

I have helped Bro. Creiglow get the roof on his building this month and also hang doors. We are now getting ready to put the ceiling in this week.

Our two oldest children are back in school and seem to be doing fine. My wife is doing some better but still is experiencing back and stomach problems. Pray for her.

Thanks for your prayers and faithful support.

Now is the time to select one or several of the special projects that our missionaries are working on and help by giving to meet the goals of that project. The Lord will bless you for it and many will be the rewards. With the Special Thanksgiving Offerings we may be able to complete one or hopefully several of these important projects.

## Concentrating On Classes For Preachers . . . Need Faithful Preachers For Pastors . . . Need Special Offerings To Pay For New Building

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras  
October 15, 1977

Dear Brethren,

We have had a man and wife and another man to make profession of faith here at Pradera this month and they seem like it is real. Offerings are real good now and attendance is in the 40 to 60 range at night and up to the 80's in Sunday School. The preachers' classes are the thing we like best now. We have about 10 or so coming all the time. Some from the 3 churches. This I really like. I am really enjoying serving the Lord more everyday and tomorrow I will be 51. Deloris still has the class for women on Friday nights and has more than in my classes. I am resolved to teaching and visiting for at least a year. I am sure the Lord will bless it, if not I would not do it. Pray with us about all these things, please.

Walter Lauerman

run about 30 or so in all services but the former pastor has returned and rented a building close by and visits all our members and has taken a few but most have returned to the world and a few to the Pentecosts. In the Woodland Church I have little to report but things are the same. Pray the Lord will call faithful men to these two churches. When he does all the rest will be fine. We had our reunion of churches there this month and only 13 from there attended. There were 35 from out here and 15 from Ayestas in attendance. Good sermon though from the young man that preaches up there: "Where is your treasure?"

We still pray that some of you would help us pay off the balance we owe on our new building. It is so nice and we needed it. It is not a large amount. Pray about it please. We have had a new grandson born to our second child Barbara and husband Leonard. He is Daniel Walter Brummett, born September 14. We now have 3 grandsons and no granddaughters. May the Lord bless you all always for HIS glory.

## Revival Meetings . . . Many Churches Visited . . . Good News From Son Asa Mark In Manaus, Brazil . . . Many Baptized . . . S.S. Over 500 . . . Need \$10,000.00 To Finish Building And Walls Around Lot

By Harold Bratcher

1012 Balsam Drive  
Lexington, Kentucky 40504  
October 17, 1977

Dear Brethren,

Wednesday I'm to begin a revival with the Calvary Baptist Church at Uniontown, Kentucky. The church is without a pastor. Please pray for the revival (November 27-December 4) at the Ashland Avenue Baptist Church, Lexington, Kentucky.

Since writing the last Mission Sheet letter, I have preached in the following churches: Clarksville, (revival) Richmond, Ky., Bradley Johns, pastor; Faith, Wauseon, Ohio, Michael Powers, pastor; Grace (revival) Warren, Michigan, Wallace York, pastor; Faith (Missionary Conference) Madison Heights, Michigan, Roy Humble, pastor; Brooksbury, (revival) Madison, Indiana, E. Howard Carter, new pastor; Grace,

Harold Bratcher

Florence, Ky., Robert Ginn, pastor; and Winchester (Ohio) Baptist Church, George Prinzing, pastor.

We have been made to rejoice in the letters that have arrived from Brazil. Asa Mark and Zonil Nunes Cunha made a trip to Olinda and baptized three there last month. This is our first baptizing at that place. He also baptized one at Amatori. In Manaus, at the 14th of December Baptist Church he baptized thirteen. For the first two Sundays in October, the Sunday School attendance has been over 500! We praise the Lord!

We thank the three churches and two individuals who sent in offerings for the Bratcher Building in September. The \$10,000.00 we need seems like a large amount of money but if 50 of us would give \$100.00 each and 500 of us would give \$10.00 each, the \$10,000.00 would be reached! Will you be one of 50 to give \$100.00 or one of 500 to give \$10.00? Meet me at the Thanksgiving conference with your reply! Pray for us.

Yours In His Service,  
Harold Bratcher

## Team Of Five Hold Services In New Subdivision . . . Eleven Baptized This Month . . . Tabernacle Church Giving About \$750.00 Per Month For Missions . . . Working On Harold Draper's Visa Documents

C.P. 227

October 18, 1977

Dear Brethren,

"A Happy Encounter" is a new ministry manned by a team of five young people from Tabernacle Baptist Church, an outreach ministry in one of the subdivisions on Sunday afternoon, with a special emphasis for children. The first Sunday they had 150, and have increased progressively each Sunday, having achieved a high on the fourth week of 242 persons present. There have been five professions of faith already through this ministry. This is a relatively new subdivision called Colorado.

There were eleven baptized this month, of whom more than half were the result of visitation and evangelism through the bus and walk routes.

Tabernacle Baptist Church is presently donating approximately Cr\$11,000 (approx. \$750) to mission work per month. The average family wage-earner receives approximately \$150 per month. The mission budget is approximately 50% of total budget.

We are working on Harold Draper's visa documents, and hope he will soon be able to depart for Brazil.

Mary God bless you.

## Native Worker's Father Died . . . Several Children Taken Into Home . . . Several Professions Of Faith

By Art Gibbs

Apartado 7  
Huanuco, Peru  
October 16, 1977

Dear Brethren,

Bro. Honorio, my co-pastor had just returned from visiting his ill and aged father 10 days earlier when we received the news that his father had passed on to be with the Lord. We received the 2 day old telegram on Sunday morning. A hurried call to Lima assured that Bro. Honorio would be able to fly from Tingo to Lima since there are no flights from Huanuco to Lima on Sunday. The Church gathered for prayer and we sent him on his way. Despite the call to assure a seat on the plane, when he arrived in Tingo they said the plane was full. It was a sad trip by bus that night thinking that the funeral services had already taken place; but the Lord is merciful and to everybody's surprise the funeral was delayed until Monday afternoon. All the family reunited with the exception of Bro. Fortunato who was in Iquitos preaching for Bro. Kissel at that time and

Art Gibbs

did not receive the news until the following Wednesday.

The absence of Bro. Honorio meant more work for me as we continue trying to finish up the construction work here in Huanuco and try to build the church furniture that we need so badly for our new building.

Our family also grew this past month as we took Bro. Quintanilla's 4 children, age 6 months to 8 years into our home due to Sis. Quintanilla being sick and having to go to Lima for diagnosis and treatment. We have had the baby now for the past 2 months, the 3 older children returned to be with their father when he returned from Lima.

Our zoo has also grown as Ray came back from a week in the mountains planting potatoes with a baby pig. We did have a baby chicken also but our hawk ate him for supper one night.

Again the Lord has blessed with several being saved here in Huanuco and also one in Ambo.

May the Lord bless you likewise.  
Yours in Him,

Dear Brethren,

This has been a glorious month! We have had many opportunities to preach and present our work. We, here at the Calvary Baptist Church, called Bro. Larry Ellis as our new pastor. He accepted the call and is now on the field. We moved out of the parsonage two weeks ago; and Bro. and Sis. Ellis moved in. Pray for this great family. We are rejoicing that the Lord gave them to us. I was able to find a furnished trailer in Arlington. My address and phone are the same as before. We are realizing a new experience as we have sold all our furniture. My wife and daughters have been granted great grace. I have not heard one word of regret from my dear help-mate during this time.

Harold Draper

Continue to pray as we wait for our Visas. We

would like to go to Brazil as soon as it is made possible. We have all our personal business in order and are longing to go.

We were privileged to be at the following churches this past month. The Zoar B.C., Parvin Hall, pastor; Gethsemane B.C., Terry Turnbaugh, pastor; New Testament B.C., George Lock, pastor; Faith Baptist in Lone Oak, Ky., Eugene Clark, pastor; Bible Baptist, Clarksville, Tenn., Elton Wilson, pastor; North Alabama Conf., Bobby Walton, host pastor; Fellowship Baptist, Lexington, Ky., J.B. Fenison, pastor; and we just experienced a great time in Revival at the Gethsemane Baptist Church in Taylor, Michigan. There were eight additions to the church. Seven came professing Christ as Saviour and one came back after many years away from the Lord requesting membership and scriptural baptism if necessary. Seven were baptized last night into the church. Brethren, our God is still on the throne!

October 13, 1977

Dear Brethren,

We have just received our visas after a long, long wait. We are glad that they have been renewed until April 14, 1979. All that paper work is now done, at least for awhile.

The Kissels are here, helping us in a meeting and we are enjoying the fellowship with them. There have been good crowds, even though there has been plenty of rain and mud. We're expecting a good meeting.

The 15th of last month we had special open air services. The 16th we had services in the Liberty Baptist Church in Arenal. Saturday night the 17th in our school yard, which was full, and at the close of our service many came to make their profession of faith in Christ. Sunday the 18th in our morning service there were 3 saved, with 5 coming to get their lives

Del Mayfield

straightened out with the Lord. At the evening service there were 2 more saved, with 3 coming to dedicate their lives to Christ. We also had a young man from Lima coming by letter. We received his letter this last week and he has been a real blessing to us. Last Sunday we baptized one lady and have others to baptize this week.

Our two trips to the San Juan Mission were very encouraging. Our last trip we spent in bringing sand and gravel to make blocks for the new building. We are looking forward to our next trip, as we have some to baptize and are hoping to see the blocks finished. Pray that the Lord will give us someone to live and work there.

Last Friday we celebrated our 38th wedding anniversary. I was hauling sand to repair our building until about 10:30, while Ada washed and cleaned the house. But our church gave us a surprise on Sunday night after the service by serving us ice cream and cake, with about everyone singing for us. We enjoyed every minute of it.

Until next month, may the Lord bless.

## Special Services First Church Iquitos, Peru . . . Many Professions . . . Three Excluded Families Received Back Into The Church . . . With Mayfield In Meeting In Pucallpa, Peru . . . Time To Renew Carnets (Visas)

By James Kissel

Dear Brethren, October 12, 1977

We have just finished a week of special services in the First Church, with Pastor Fortunato de Lima and Pastor Fabian of Tingo Maria. We had good attendance each night with about 15 professions of faith. We also had three families come back to the church that had been excluded for several years. The Lord gave us good weather with very little rain. Our attendance in the First Church has greatly improved.

This week we are in Pucallpa with the Mayfields for a week of special services and we are looking forward to a great time in the Lord.

I have no reports from the other churches in Iquitos and on the rivers as they will be coming later on this month. All of the work seems to be going well and with good harmony among the pastors and brethren.

The next month, we must begin the process of getting new carnets, which is always a great problem. We do have the good news that they are renewing most visas. I understand that the Mayfields have just received theirs.

We request the prayers of all of God's people, as times are very difficult here and things don't seem to be improving.

May the Lord bless each one is our prayer.  
Yours in Him,  
James Kissel

## A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord lead you.
