Each morning at the breakfast table one read the Scripture, another read the devotional and all the family and guests held hands around the Carver table while one of the Brethren prayed. We shall never forget the visit in the Carver home in Seoul, Korea. Time to leave with tears of parting. Two hour flight from Seoul, Korea to Tokyo, Japan. 8½ hour non-stop flight, Tokyo, Japan to Seattle, Washington with 350 passengers on the plane. Five stewardesses and one steward fed the 350 passengers with supper and breakfast. Seattle to Chicago, and to Detroit Tuesday night, December 20, 1977, before midnight. Great trip, great experiences. Great Mission work, there for all to see. Two churches with their own buildings all paid for, two missions, one with their own buildings. Each work with a native pastor. The work of Louie Carver, a great missionary, a faithful servant of the Lord with a great faithful family. To the Lord be all the honor and glory.

New Church Building Finished . . . Dedicated On December 16, 1977 With All Seats Filled . . . Thanks To All Who Gave . . . Need Special Offerings To Build Fence And Walls And To Pay Deficit

Dear Brethren,

I have been so busy on the building that I did not even take time to record our attendance this month, but I believe we were up a little over last month. We also had one or two professions of faith this month. We have had visitors in almost every service and we are trusting the Lord to save at least some of them.

The building has gone on at a very hard pace this month, trying to get it finished before our rent on the old building would be due again. I asked a truck driver that attends our services to bring his company's truck to the Wed. night services so that we could move. On that Wed. night of Dec. 14 he came not with one truck, but three of them and another brother of our congregation brought a pick-up, so we made the move all in one trip. On Dec. 15 we poured the concrete sidewalks around the building and the following day was spent pulling together all of the loose ends getting ready for the dedication service that night. At last, with all of us almost exhausted, the hour we had long been waiting for had arrived. Our people had been working, inviting people to the dedication service and we were not disappointed. For the first time since we started the work we had all seats full. There were at least 165 present and perhaps as many as 180. The ladies of the congregation served a light lunch to all after the service and did a great job in spite of the fact there was a short in the electrical system that left them without lights. I have not found where I made a mistake in wiring yet. The building itself is finished and all we need now is a wall around the property and sidewalks at the curb. We have had many compliments on the building and I am better satisfied with it than I thought I would be.

We would like to thank the Mission for loaning us money out of the regular fund so that we could continue to build without having to wait for designated funds in order that we could finish before furlough. This must be paid back so that the Mission will have enough to operate on each month. The total

cost for the lot, church and Sunday School building as seen in the pictures in this issue of the MISSION SHEETS is \$ 24,000.00
Total designated offerings received for Bobby Creiglow building 16,519.83
Total deficit owed to the mission regular fund \$ 7,480.17
We still have to put a fence in front of the lot and walls around the sides. We want to thank all who have already sent special offerings for our building. Please keep up the good work till fence and walls are paid for in full. Thanks to all.

In Him,
Bobby D. Creiglow

Dear Brethren,
There have been great results again this past month. Two more have been saved at Sacado. We recorded a total attendance of 980 at all mission points for the month.

Since the new church at Rodrigues Alves was founded there have been six more professions of faith. Folks have been saved in every service. Even on Sunday morning and Wednesday night when the emphasis is on doctrinal teaching, folks are being saved. We hope to start putting up a new building there soon. The old one is run down and won't hold the crowds. We have been averaging over 100 on Sunday night.

The road to Lagoinha is completely closed now. It is going to be extremely difficult to maintain that work. The brethren remain firm though.

Mike Creiglow

I am just finishing a trip in which I have been privileged to visit the missionaries and their works in Cuiaba, Sao Paulo, and Manaus. It is good to see and hear what is being done elsewhere in this huge Brazil of ours.

Thirty Years Of Married Life And 22 Years On The Mission Field . . . First Persons From Galia Baptized . . . Provocations On Every Hand . . . Yet Things Are Going Great

By John Hatcher

December 17, 1977

Dear Brethren,

If someone has wondered why man's life is divided into years, perhaps it is another gentle reminder that life does pass more rapidly than the weaver's shuttle. In four more days Mrs. Hatcher and I will be celebrating thirty years of life together, over 22 years since coming to Brazil. God has blessed and is blessing our work here.

The attendance has begun to grow once more in Galia. On the 4th of December the first persons from Galia were baptized. Three young persons, one being a crippled boy who is paralyzed from hips down. The other boy, age twelve said last night that his desire of life is to be a pastor. May God bless him to be a good one.

If trials and provocations are an indication of God's blessing and choosing (and they are) the little group of believers here in Garca

John Hatcher

have some great blessings in store. Every person making a public profession of faith here has undergone the severest of trial. The first lady, most faithful and teaching a children's class, suffered a light stroke, apparently from a case of encephalitis. Two couples, not yet baptized, came within hours of losing their new brick factory, and to keep from losing had to sell the home of one couple. This brought serious problems between husband and wife. We were called to their home late two Saturday nights ago and seemingly they have recuperated. Two nights after, the husband received a call saying his mother had died. One couple, just saved, and two of the first three baptized had their first baby, who is paralyzed from waist down and suddenly has taken worse and his head is growing abnormally. One young boy who made a profession of faith has been ridiculed so much at home he is really confused. But, all are still faithful in services and full of desire to serve the Lord. So things are going great and we are looking up, not unto the hills, but unto the Lord from whence cometh our help.

John Hatcher

Dear Brethren,

We pray that the New Year will bring you many blessings. Before sharing with you our news concerning the churches visited here in the U.S.A., we share with you some excerpts from Asa Mark's latest letter, written December 6, 1977: "Last Wednesday there were 85 present at Prayer Meeting. Friday we held services at Japiinlandia at Brother Vivaldo Borges dos Santos' house. The Lord blessed with a good service and 61 people present and several invitations to come back . . . Sunday, the Lord blessed with 352 in Sunday School despite a very cloudy morning that looked like certain rain, until about 10 o'clock. There were two professions of faith, and two rededications. That night there were 260 some present with 7 professions of faith and one rededication . . . We praise the Lord! The good Lord has been so good to this church."

Sunday, November 20th we were with Brother Douglas Armstrong and the Lake Road Baptist Church, Clio, Michigan, for both services. We then

Harold Bratcher

attended and I preached Wednesday night at the Thanksgiving Conference held at the Twelve-Ryan Baptist Church, H.H. Overbey, pastor, and the Grace Baptist Church, Warren, Michigan, Wallace York, pastor. From the 27th of November through the 4th of December, I was with the Ashland Avenue Baptist Church & the Lexington Baptist College in Revival Services. Ross L. Range is the pastor of the church and the president of the college. Wednesday night, December 7th, we were with the First Baptist Church of Alexander, Ky. Carl Morton is the pastor. On Friday morning, the 9th, I visited and preached to the students (two groups) of the Blue Grass Baptist School of Lexington, Ky. Mr. William Don Smith is the principal. Last Sunday we were with the Bible Baptist Church, Harrisburg, Ill. Art Donley is the pastor. We appreciate and praise the Lord for the blessings received through the above mentioned churches.

We thank the six churches that gave offerings for the Bratcher Building in November. We hope and pray that you'll continue to give. We ask you to join with us in prayer that the construction will soon be started again and then carried on without stopping to its completion.

Yours In His Service,
Harold Bratcher

Dear Brethren,

Greetings in His name. This has been another busy month. The Lord has opened many opportunities for us to preach the Word and present our burden for Brazil. We visited the following churches this month: New Testament, Greentown, Ohio; Harry Hille, Pastor: Thanksgiving Conference with Twelve-Ryan and Grace Baptist of Warren host churches; Lake Road Baptist Church, Doug Armstrong, pastor; Antioch Baptist Church, Jackson, Mich.; Emmett Gordon, pastor; Gethsemane Baptist Church, Taylor Mich.; William Brooks, pastor; Richmond Road Baptist Church, Lexington, Ky.; Jerry Gumm, pastor; Beech Grove Baptist Church, Lancaster, Ky.; Bobby Green, pastor; Beech Grove Baptist Church, Bardwell, Ky.; Timothy Hille, pastor. We want to express our thanks to these

Harold Draper

churches and pastors who have been so kind to us. Also, we thank the Lord for Brother Overbey and Brother York for the great job of planning the Conference. The ladies who prepared the meals did a wonderful job also. We really enjoyed the Conference.

We would like to ask all of the churches to continue to pray for us as we wait on the paperwork which must be done before we can go to Brazil. Brother Paul Hatcher is working hard on these matters and we believe that our God is able to open the door for us. We are continuing to visit the churches as we wait for this to be done. If any church would like to have us come we would try to do that if time permits. We are planning to move again over the holidays. Our address will remain the same but our TELEPHONE NUMBER will be CHANGED. As of December 25, our number will be (502) 694-3935.

We want to express our thanksgiving to the Lord and to you who have given toward our passage and for the language school. We are greatly encouraged by this love to us and to the Lord's work.

YOURS IN HIM,
Harold M. Draper

Dear Brethren,

This has been a full month and other than being down in attendance somewhat at both the Shin Nae Church and the Faith Mission, it has been an extremely good month. One of the highlights of the month is that Brothers H.H. Overbey, J. Hamilton, G. Archer, J. Ashworth, E. Wilson, and L. Ellis have been with us from the States since Dec. 8th. We have had, and are enjoying these brethren.

Our attendance at both country works was fairly good when Brother Overbey preached at the Doo Mill Church Sunday a.m., Dec. 11th and Brother Hamilton at Kyong Ban Mission at the p.m. service. Brother Overbey preached a Seminar for the school the 12th to 16th on the Levitical Offerings which was well received. He also preached Dec. 18th a.m. at Shin Nae Church and p.m. at the Faith Mission. Brother Hamilton preached at the Student Fellowship Service at Shin Nae Dec. 17th with a full house, also at the Faith Mission on Dec. 18th a.m. Brother Ellis preached Dec. 17th for the graduation exercises at the Bible College, where we

Louie Carver

had four graduate, and Brother Archer, president of the Teays Valley Baptist College, (our school being an extension), presented the diplomas; Brother Ashworth, a Director of the school in the States, presented each graduate with a book from the school there, a truly great service. Also Brother Archer preached Wed., Dec. 14th at the Faith Mission and Dec. 18th p.m. at the Shin Nae Church. Brother Ashworth spoke at a Cottage Prayer Meeting at the Faith Mission Sat., Dec. 10th, also taught the adult Bible Lesson there Dec. 18th a.m.; as you can see these have been great days with the Brethren and would've been even greater had our people attended the services better.

Now for some more blessings: We've had several professions of faith here at the Faith Mission and I've baptized three with others awaiting baptism. The Shin Nae Church has had several professions and baptized two. The leader of Shammanism in the Kyong Ban Village was saved, a 49 yr. old woman, I burned her idols and then baptized her, and another lady, in the icy creek. It's been an outstanding month there and the work seems to be presently in good shape. The Doo Mill Church seems to be accepting their new pastor and that work is now looking much better.

As you can see by this report that this has been a good month, and I praise God for it and thank you for making it all possible.

Yours in Christ,
Louie Carver

A Year Of Many Trials And Many Blessings . . . Many Professions Of Faith And Baptisms . . . Wedding Ceremony . . . Old First Baptist Church Building Sold . . . This Will Pay For The New First Baptist Church Building . . . No News Of Renewals Of Carnets (Visas) As Yet

By James Kissel

December 15, 1977

Dear Brethren,

Another year has soon passed and so many things are yet undone. This has been a year with many trials, but we thank God also, for many blessings we have received and are receiving.

We have had the addition of one new family to the First Church this past month, with visitors coming in most of our services. The Fifth Church has just finished a week of services with several professions of faith and some baptized. There were three saved in our mission at Tupac Amaru. Also, two professions of faith at our newest church at San Jose, where I spent last weekend. Wednesday evening I performed the wedding ceremony for the daughter of the pastor of our Fourth

James Kissel

Church. There were also four baptized into this church on the same day. I don't have a report from some of the river pastors as of this date, as they usually come in later on in the month.

We also have another blessing to report. We have finally sold the old church building. We should have all the money by this time next month, but it takes time to process all the paper work. We will be able to finish the new building, as we are now beginning to work again, but have to wait on some jobs, as there is always a problem here with cement.

We have no news of our carnets, as of now, but we have left it all in the Lord's hands, to do with as He sees fit.

We wish to thank each and every one who helps to make our work here possible. We want to take this time to wish each one a very happy and prosperous New Year, in His service.

Yours in Him,
The Kissels

Dear Brethren,

I guess the best news of the month is the dedication of the new church building in Varzea Grande this past Friday night. The building was packed with people for the service. I won't say more because I'm sure Brother Creiglow will tell all in his letter.

We were certainly thankful for the good report of the Thanksgiving Conference and the good offering. It was encouraging to us here on the field.

Our work here in Cuiaba is showing some improvement in that there is being shown new interest in the work by the members. They are showing desire to see our work grow and

Richard Turner

others come to know Christ as Saviour. We have started a young people's group and they seem much animated also. We are expecting the blessings of the Lord on us.

Our attendance in our services on the whole have been up over last month although there are two families that are away, one on vacation and the other for treatment of their son. We have been having a few more on Wednesday night with a high of 25 in this service and a high of 35 in our Sunday services. We have been having several lost people in our services and it is our desire to see these saved and serving the Lord.

Thanks for your offerings for the sidewalks and street pavement. I believe this will be started in our area soon, as they were measuring the streets just last week. Continue to give as the Lord leads you.

Thanks for your prayers and support.

Yours in Him,
Richard A. Turner

Interest Up And Offerings Up In Two Churches . . . Reunion Of Churches Meeting Well Attended . . . Need Offerings To Pay For Pradera Building

By Walter Lauerman

Apartado Postal 1218
Tegucigalpa, Honduras, C.A.
December 13, 1977

Dear Brethren,

Ayestas Church had 1 profession of faith, attendance in the 50's, offerings over \$60.00 and 2 for baptism that I hope to be able to baptize soon. A good month here and interest is way up. At Pradera, 1 profession of faith, attendance down in the 50's as it always goes down at this time of the year. The offerings are still going up, now in the \$180.00 range and I have one I am hoping to baptize soon, maybe 4 more. Now in the Woodland Church, it is all down hill. We plan a revival there in January, the Lord willing and maybe change preachers.

Our reunion of churches was held at Ayestas and we had about 100 and that was the most there in months. I preached and

Walter Lauerman

on reaching the lost. It may have been the thing that we all needed. The preacher classes are not going as I would like as the examination papers showed, but I guess here is where I really need that patience. I preached a week for another Baptist missionary (Independent) at the west end of town. We had 3 professions, 1 by letter, and 3 coming getting right with the Lord again. This was not a good meeting as the pastor and I do not agree at all on the doctrines of election, church, baptism, etc. So there was not much to fellowship on. But the last night I just had to give my view and to my surprise the church liked it but it seems that the missionary did not too much. Some "Baptist" missionaries believe most anything that is not Baptist doctrine. A sad thing.

We thank God for those that are still helping to pay off the Pradera building. We still need about \$5,000.00 to pay for it in full. I pray that you will pray about this. The family is well at this time and send greetings. Glad to hear about Detroit Conference. May the Lord always bless all of you always.

By His Grace,
Walter F. Lauerman

School Year Closing . . . Students Registering For New School Year . . . Repairs On House And Larger Footing Under Church And School Buildings . . . To Lay Blocks And Finish Building At San Juan . . . Two Baptized

By Del Mayfield

Apartado 166
Pucallpa, Peru, S.A.
December 14, 1977

Dear Brethren,

Only two more days of school, Monday night our closing program of the year. Then on Tuesday we will start registering students for the new year 78. This has been a good year. Several of our students have professed faith in Christ as their Saviour and some are now members of our church. We rejoice in that we have had another year of opportunity to preach Christ and His great love to us. We appreciate you who have prayed for our school.

We are now in the process of putting a larger footing under our school and church building. We are also putting new doors on our house, and painting the outside. I'll send some pictures as soon as we get it all done. The ground here is very damp all the time, and there are no stones. So most of the buildings

Del Mayfield

never stop settling. We hope that the extra large footing will cure our problem.

The brethren helped me haul gravel and sand for blocks for their building at San Juan Mission. Two of the brethren from the church here went up with me, and helped the other six brethren who came. We now have plans to lay the blocks and finish the building, starting the 15th of January. We don't have too many members, but the few we do have are faithful. We look forward to our trip there each month. Also are praying that someone will go there and live. Thought we had a man, and he may still go, but his wife doesn't want to leave Pucallpa and her mother.

We have baptized two this past month, and have had some saved and others getting right with the Lord.

By the time you get this letter we will have passed through another year of our lives, and one year closer to eternity. What a blessed thought! We always look forward to the New Year with great expectation. We need to work as though our Lord will never return, yet expecting Him to come today. May 1978 be a blessed year for YOU.

Yours by His Grace,
Del Mayfield

Dear Brethren,

Oh ye men of little faith it seems I can almost hear our Savior say. I was so despondent last month when Brother Honorio told me he felt that the Lord was leading him back to the coast. I was almost despondent when I requested your help in prayer for faithful native preachers.

A week ago last Thursday a young man 30 years old along with his young wife walked into my office with his college diploma in one hand and a letter of recommendation from another missionary with who he had been laboring the past 5 years saying that the Lord had burdened him to come to Huanuco

Art Gibbs

to come and work with us during vacation time in the Bible University where his wife is still studying. I couldn't hardly believe my ears. It is their intention to eventually come to Huanuco to stay. We, of course, are hoping that this will be the case. He is a fine young preacher and has already won several to the Lord during this past week. Thank you so much for praying for us. Please continue to pray as we need so many young men of this caliber to help in the work.

All the other works are doing great with professions of faith in Ambo and Aucayacu as well as here in Huanuco. We have also baptized several during the past month.

Thank you all again for your prayers and support. Also, my thanks to those who are helping to pay the debt on our building here in Huanuco. May the Lord bless you all.

Yours in HIM,
Art Gibbs

Dear Brethren,

Most of the school activities concluded the last week of November. Now we are concentrating on planning and enrollment for the coming year. We are hoping to have over two thousand students and pray that it will be a great opportunity to reach them for the Lord Jesus Christ. Construction is still underway and in its final stages. We hope that by the end of January all construction will be in recess for a while.

Wanda and I have started a new bus route, which has added a new item to our Saturday schedule-visit morning and afternoon. The first Sunday

Paul Hatcher

we had 53 riders and hope that next week we will have over 100 in church fellowship.

I visited one of our mission points located in the interior at Castanho. We hope in another month to have a building put up in that town.

We wish for all a good holiday season and a bright 78. Love,
Paul & Wanda.
