We also have all the paper work done for the school. Also have appointed 4 of our members to run the school Also have appointed 4 of our members to run the school while we are on furlough. One of them as director. We think that the work will go well while we're away. The problem here is the high inflation, things seem to double in price every day. Many cannot afford to send their children to private school, and pay tuition. There are many that suffer here, as there are no jobs, and the cost of living is very high. Our next mission letter we'll write in the States if all goes well. We hope to see many of you at the Spring conference. We are looking forward to it. May the Lord bless you all. Yours by His Grace, Del Mayfield

arrived back in Huanuco in the evening and his wife gave birth during the same night. They are all back in Aucayacu at this moment and once again hard at work. Once again we had to bid God's speed to another of our native preachers as Brother Marcos and his wife returned to Lima to begin another year of studies in Bible College. We are not so discouraged this time knowing that they plan to return to Huanuco as soon as they finish with their studies.

Iter they finish with their studies. Brother Alberto in Tingo Art Gibbs Maria is doing quite well with several professions of faith lately, but last I talked to him he was quite lonely as his wife is away in Lima studying during their summer school vacation. She teaches school during the normal school year so that they survive economically while her husband dedicates his time to pastoring the Church. My wife has been sick most of this past month as her blood pressure has been up and down most of the month. As of the moment the doctor still has no logical explanation or remedy. Despite the duzzy spells and severe headaches she keeps on teaching the children's school courses, teaching Sunday School, teaching her regular Tues. Ladies' Bible and Homemaking classes, as well as keeping the house and family running smoothly. smoothly

Several of our brethren have began to preach recently, including our son "Ray". We all rejoiced as he returned from Ambo after preaching there last night and reported that one of the young men who had been attending for some time received the Lord as the invitation was extended. We are thankful and rejoicing that the Lord is blessing and using him. May the Lord bless you all likewise. In HIM.

We do ask for you to make the work here a special item of prayer, many contacts are being made and many have had the Gospel preached to them. Pray with us the Lord will open men's hearts to receive the Gospel and believe. We have never had the opportunity to reach the class of people, that is professional people, as here in Garca. We were blessed by the good reports also the other reports from the field. We look forward each month for the news from the brethren concerning their work. I would like to have some more definite news about our Visas, but as of now we are still waiting. We know that in God's time things will be worked out. Brother Bean has gone back to Brazil and is working on some new developments which have come because of a change in the

Brazilian law concerning Missionary Visas. We have been snowed in much of this month. I. along with the rest of the family, have been learning to play the Auto-harp. Also, I have been studying Portuguese some at home. We were privileged to preach at the Faith Baptist Church, Lone Oak, Ky, with Eugene Clark, pastor. We were at Hurricane, West Va., this past Sunday with the Emmanuel Baptist Church and Brother Glen Archer, the pastor. We had a good time of fellowship there. We want to express our appreciation for the support we are receiving from the many churches and friends during this time of preparation to go to Brazil. Continue to pray with us that the door may soon be open for us to go. Yours In Christ, Harold M. Draper
