By Bobby Creiglow

Dear Brethren,
We were in the month of June happy to have our Missionary Brethren with us for our regular business meeting. It was very good to have Bro. Bean with us this time, we had not seen him in about three years nor Sister June and their son Jonathan for about ten years.

We also had the joy of having Mike with us for a few days, Beverly for about three weeks and their children for a little over a month. While they were here all three of the children got the measles. That was bad, but not all bad; they stayed with us another week because of it.

While the brethren were with us, on June 20 we organized our congregation into the Faith Baptist Church with twenty-six charter members. We were organized from the Igreja Tabernaculo Batista in Manaus where Bro. Paul Hatcher is pastor. We had a very good service that lasted just a little over an hour. The following Sunday I baptized three more to make us twenty-nine members in all. Most of our members are new

Bobby Creiglow

converts that had never heard of a business meeting, so unless you have been through it you cannot imagine what it is like for them to assume the duty of all of this. They are learning though.

We had been praying for a long time that the Lord would send someone to take our place so that we could come to the U.S. on furlough, but it seemed that every door we tried was closed to us. When Bro. Bean was here he told us he had been praying with us and the Lord said to him, "Thou art the Man!" We thank the Lord and plans are now under way for them to arrive here on August 20. I have started on the mountain of paper work and this time it is much more than usual, in fact I already have a stack of it a mile high, it seems, and still do not have nearly all of it, even if anyone knew what all is needed. We hope to leave here as soon as possible after Bro. Bean arrives.

This morning we had the lowest number in S.S. that we have had for a long time, only 44. We averaged 58.6 for the month of June.

We were made sad and shocked to hear of Bro. Mayfield going to be with the Lord. Oh, what a blessing for him! May God's great grace be in abundance upon his family and friends.

In The Name Of Jesus,
B. D. Creiglow

Thanksgiving Offering

Start planning now to have the largest Thanksgiving offering that we have ever had.

We Need A Missionary For Pucallpa, Peru To Carry On The Work Of Del Mayfield

The law of Peru requires that an applicant must have a college degree in something other than religion, such as in teaching, engineering, mechanical, agriculture etc. If he is approved for a visa, then he can preach and do mission work. We have a house for a missionary to live in rent free, with furniture that he can buy and a good large pickup truck with body built on top. Pray with us that the Lord will call some one who meets the requirements of the law of Peru and who is called to do mission work in Peru.

Dear Brethren,

As I write this letter it is raining outside, in fact it has rained almost daily for the past month. Oh well, God always knows what's best for us. The month of May and June were so dry that the farmers were about to lose their rice crops. When we bought our lot here at Faith Mission in Seoul I stated that by next year it would probably be worth \$30,000; yesterday one of our members said it was already worth that. The newspaper stated that land prices in Seoul had gone up as much as 1,000% in the past year. Do be much in prayer with us about a building on this plot of ground; we've already outgrown the temporary building which was repaired to use for services. We need now between \$35,000 and \$50,000 to get a building on the lot plus the money to pay for the lot. I know that's a lot but our God owns "the cattle on a 1,000 hills" and He uses His people to meet our needs. I had to put my old '69 Corona in the garage for inspection, which means it will have to be completely rebuilt, engine and body because it has over 200,000 kilometers on it, yet, had I

Louise Carver

traded cars would have to buy a 10 yr. \$500.00 bond with purchase of a used car and if I could've bought a new car, which I've never been able to do since being on the field, a bond would've cost \$1,000 to \$1,500 plus car prices are also expensive. So you can see why I'm having this '69 Corona rebuilt, which, of course, will cost plenty.

This past month was a good month with all our works. Bro. Don Sisk, a former missionary to Japan, was with us for a 3 day Seminar on Soul Winning. This Seminar was well received and seemingly effective in the sense of arousing our students as well as some church members to our responsibilities toward the lost. Also, we had a student fellowship service with some of our sister churches at Faith Mission with our building to full capacity. Bro. Cheong at Shinnai Church baptized four last month and on visitation he and I led two more to the Lord who've also said they want baptism. I baptized a 70 year old grandmother at the Kyong Ban Mission and they took one 54 yr. old lady by statement who'd been baptized years ago at a country Baptist Church. Doo Mill Church had four professions of faith and we've had moves at Faith Mission for various reasons weekly and I baptized one.

Continue to pray for and with us and if God leads you in helping with our building, land or any other project we'd be thankful.

the Louie Carvers

Many Churches Visited And Preached To . . . Revival Meetings . . . Conference . . . Returning to Brazil After Furlough

By Harold Bratcher

Dear Brethren, July 19, 1978

The revival with Pastor John Mark Hatcher and the Morgan Avenue Baptist Church, Evansville, Ind., continued through Sunday night, June 18th. Two young people requested and received baptism and one boy made a profession of faith. June 19-21, we attended and I preached once during the conference held at Zoar Baptist Church, Cunningham, Ky., Parvin Hall, pastor. Sunday morning, June 24th, I had the privilege of preaching at the Faith Baptist Church, Paducah, Ky., Bro. Eugene Clark, pastor. That Sunday night we were with the Beach Grove Baptist Church, Bardwell, Ky., Timothy Hille, pastor. Monday, June 26th, I was with the chapel speaker at Mid-Continent Baptist Bible College, Wendell H. Rone, President. Permit me to return to Friday, June 23rd, to report that that day we were guests of, and I preached at the last day of Vacation Bible School - Earl Street Baptist Church, Henderson, Ky., Wesley K. Smith, pastor. On Wednesday, June 28th, I was with the Grace Baptist Church, Berea, Ky., Jim Murriner, pastor.

Harold Bratcher

The last day of June found us laboring for three days with the East Keys Baptist Church, Springfield, Ill., where James Hicks is the pastor. On July 5th I

spoke at the 5:30 p.m. service of the Carr's Chapel Baptist Church, Morganfield, Ky., where Bro. Lawrence Howard is the pastor. The same night, we preached and showed the slides of the work at the Woodland Baptist Church, Route 1, Morganfield, Ky. Bro. Wendell Sandefur is the pastor. Sunday, July 9th we spent a good day with the Lexington Baptist Temple Church in Lexington, Ky. Bro. Jim Jeffries is the interim pastor. From July 10 - 17 I was the evangelist in a revival at Newby Baptist Church with Pastor Scott Guiley. We rejoiced when on the last night there were two decisions made. The Sunday morning of the revival, I preached at the Broadway Baptist Church of Richmond, Ky. Marion Turley is the pastor. Last night I preached my last sermon in the U.S.A. on this furlough at the Park Ridge Baptist Church, Gotha, Florida, where J. Douglas King is the pastor. Tomorrow we should arrive in Manaus, Amazonas, Brazil, South America.

We thank you and the Lord for all the blessings we have received during this year of furlough. Yesterday we said goodbye to our youngest son. Tomorrow Mrs. Bratcher and I will greet our oldest son in Manaus at the airport, the Lord willing. We return believing that you will continue to stand behind us with your regular as well as your designated offerings for our church building and house repairs. Above all, pray for us.

Yours In His Service,
Harold & Marie Bratcher

Report On Three Churches And Offerings . . . To Start New Mission And Need \$100.00 A Month For Mission Building Rent . . . The Parvin Halls Come To Visit And See The Work . . . Celebrate 30th Wedding Anniversary

By Walter Lauerman

Apartado Postal 1218

July 15, 1978

Dear Brethren,

We were down some in all the churches this month. Ayestas averaged 35 for all services, Prairie Church averaged 55 and Woodland 29. Offerings: Woodland \$75.00, Ayestas \$63.00 and Prairie \$234.00. Professions of faith: Woodland 2, Ayestas 1, and Prairie 2. Woodland Church baptized 2. This week (July 20) we are starting preaching in our new mission. Pray with us that the Lord will bless in this new work. We hope to have preachers in all 4 of our works by the end of August, the Lord willing. I think that would mean a lot to us and the work here.

Walter Lauerman

Bro. Parvin Hall and wife Ruby visited with us for two weeks. They are great servants of the Lord. We had a

great time and they came at the right time to cheer us up and encourage us to go on. He preached at Ayestas once, Woodland twice and 3 times at Prairie. There were 2 professions of faith that he did not know about that were told to me after they left. He will like to hear that I am sure. We will not soon forget their visit. We spent 5 days up in the northern part of Honduras and we got to see the need for many churches up that way. The scenery was great also.

We were also way down at our monthly fellowship, 73. Bro. Hall preached and I, of course, interpreted for him as in all the services. We had only 2 weeks of classes due to our traveling.

Deloris and I also celebrated our 30 years of married life the 18th of June. They have been great ones, every minute of them.

May the Lord bless you all and we thank God daily for you all. I am also sure you all share with us the sorrow of the passing of missionary Del Mayfield. Let's pray for his widow, Ada.

By His Grace,

Dear Brethren,

We were shocked and saddened at the news of the home going of Bro. Mayfield. May great grace be upon the bereaved and the presence of Jesus be very near.

Saturday night, June 17, we were surprised going to the door and seeing Bro. George Bean and family. They had come all the way from Sao Luis by car to participate in the meeting of the Missionaries of BFM that are here in Brasil. While here with us Bro. George preached for us Sunday morning June 18, & the Lord blessed the message with a young lady about 20 years old coming and confessing Jesus as her Saviour. He also preached in the Wednesday night service. It was a great blessing to have him and his family with us.

Richard Turner

Since writing last month, our attendance has fallen off some on Sundays but has picked up some on Wednesday nights. We have baptised one this month and there have been 3 professions of faith. The sister of the young lady that professed Christ the Sunday Bro. Bean was with us came in the morning service yesterday professing Christ and then last night another young lady came trusting Christ. There are others coming that are lost and we are praying for them also to be saved.

Our church has been blessed financially in the last few months receiving some good offerings. We have been able to have 4 new bancos (benches) made and have bought 30 chairs for the Sunday School. We have also voted to give 10% of our offerings to help New Hope Baptist Church in Sao Luis support the preachers that are preaching out in the interior.

The work of getting things ready for street pavement has finally started here in our area. They are putting down sewers now and when this is finished the asphaltting will be done. Please give that this can be paid for.

Yours In Him,
Richard A. Turner

Visits Of The Whites A Great Blessing . . . Trail Of Blood In Spanish . . . Jack White Paints Baptistry Scene . . . Need \$12,000.00 To Pay Deficit On Building

By Art Gibbs

Apartado 7
Huanuco, Peru
July 17, 1978

Dear Brethren,

The Lord has been so good to us that it is impossible in these short lines to tell of the many blessings. The visit of Bro. Jack White, Bro. Kenneth White and his wife came to an end this past month. Words can't express the blessing they were to the work, to our people, and to me and my family. The work has been strengthened greatly as they took the time to get to know and fellowship with the brethren here. They really won the hearts of our people.

My wife is already playing the autoharp that the brethren at Ashland Ave. sent us. With the music sheets that Bro. Joe Moore prepared it came quite easily. It was so beautiful last Sunday as Jo played and she and the twins sang "Jesus saves," both in Spanish and English. The copies of the "Trail of Blood" that Ashland Ave. also sent down are already proving to be a blessing. Our

Art Gibbs

preachers here are so thankful as we were really needing them. This book is so helpful for those who want to know where Baptists come from.

Our Huanuco building is so much more beautiful thanks to the baptistry scene that Bro. Jack White painted for us. We are thankful.

Bro. Overbey informed me that our present debt on the Hco. building is approximately \$12,000.00. This is a lovely building built with an eye to the future. It has a base adequate to build 4 stories more. It is in the heart of the city. Hopefully one day the upper floors will be completed to house a preachers' school and a school of music. Won't you help us to pay this debt? There is so much more that needs to be done. We need YOUR help.

We have had professions of faith in all the churches, with Hco. being especially blessed. Bro. Marcos is back with me again. Lord willing, we will ordain him and call him as co-pastor on August 4th.

May God bless you all for your goodness to us. Thank you for your prayers and support.

Yours In Him,
Art Gibbs

Visiting Children And Grandchildren And Some Supporting Churches . . . Discouraged To See So Little Interest In The Salvation Of The Lost And The New Work In Brazil . . . Pray For 25 New Missionary Families By 1980

By John Hatcher

Dear Brethren,
July 24, 1978
After about sixty days back in the States, having traveled about seven thousand miles, and having slept in about thirty different beds (all good beds), one feels like a son of Abraham who wandered in a strange land not knowing whither he went.

Visits with our families, with our children who are in the States, sharing with them the blessings of God in their labors, having Kathy with us for a while, seeing our Stateside grandchildren, and visiting some of our brethren and supporting churches have been our blessings this past month.

There have been some disappointments that should be shared with you also. It has been discouraging to see such a little interest on the part of most people for the salvation of the over 4 billion population of the world. It likewise has been discouraging to see very little interest in the new work in Brazil where your help is so vital at the present time.

John Hatcher

I was in the invasion of Normandy during World War II. Men could criticize the tactics of the armies, failures and mistakes could have been made either by generals or buck privates, but to not supply the needed supplies and munitions for the soldiers meant their death, meant the failure to free enslaved people, and meant victory for the enemy. Today, the battles rage as Satan's ground is invaded. There are few of us on foreign fields. There are few, if any, who want to go. Can you realize what your failure to support their needs can mean to them and to the millions of lost, and to you and your families?

Can we really afford to be indifferent, or be complacent about the matter?

Is it not the glory of Christ and the salvation of souls that is at stake?

Would you sincerely pray that God will give us 25 new missionary families by 1980?

Baptist Faith Missions has thirteen families on foreign fields to reach a population of over 4 billion people. Can we do more? Will we do more? Can you do more? Will you?

Sincerely,

John A. Hatcher

Preparing To Return To Peru . . . Visited Relatives . . . Preached And Showed Slides To Churches . . . To Take Care Of Mrs. Mayfield's Personal Things In Peru

By James Kissel

Dear Brethren,
July 21, 1978
Greetings to all, each church, pastor and individual that helps us in the work, that God has given us to do.

We have been busy preparing to return to Peru. We are awaiting confirmation of our reservations and hopefully, if all goes as planned, we will arrive in Peru, August 7th at 6 a.m. We look forward to getting back into the work. We are rushing now to get things ready, as some things must wait until the very last.

This month we visited our relatives in Iowa, Illinois and Toronto, Canada. We also showed our slides in the

James Kissel

Baptist Church here in Corning. We also preached at Beech Grove Baptist Church, Bardwell, Ky., Pastor Timothy Hille, also we preached at Faith Baptist Church, Paducah, Ky., Pastor Eugene Clark. We thank each pastor and church for their goodness and love to us.

We have been asked by Sister Ada Mayfield to take care of her personal things upon our arrival in Peru. We would ask your prayers concerning this, as there are always problems with paper work, with their type of government.

We have not received a report of the work this month but will try to give a full report in our next letter.

May the Lord richly bless each of His children who are faithful.

Living With Parents While Waiting For Visa To Go To Brazil . . . Daughter Saved . . . Preached At Conference And Church

By Harold Draper

P.O. Box 126
Arlington, Ky. 42021
July 16, 1978

Dear Brethren,
We are still residing here in West Kentucky. For the past few months we have been staying with my parents. We appreciate their opening up their door to us. Our desire is still to be in the land that God has called us to. We hope to hear soon something about our Visas. Some have asked me how I have been able to wait this long. It is not easy on the flesh but I can see from time to time the wisdom of God in it all. Last month our oldest daughter, Karin, was saved. She was a lost church member. Karin was also in a car wreck and at first was believed to be seriously hurt. We are thankful that she was

Harold Draper

not hurt badly. The care was a total loss. Our Lord is always conforming us and molding us to fulfill His purposes. We feel that this is the case in our delay in going to Brazil. Pray for us as we wait for the door to open.

We were privileged to attend and preach at the West Kentucky Mission Conference at the Zoar Baptist Church last month. It was good to fellowship with many of our brethren and fellow-saints there. For the past two weeks we have been preaching for the Zoar Baptist Church while their pastor, Bro. Parvin Hall and his wife Ruby went to Honduras to visit Bro. Lauerman and his family on the mission field. We certainly had a good time in the Lord with that good church. May the Lord bless each church and individual who prays for and supports us in our work.

Yours In Christ,
Harold M. Draper

Dear Brethren,
July 15, 1978
June 21-24 I went to Cuiaba to meet with the other missionaries for the mission meeting. It was good to be in Bro. Creiglow's and Bro. Turner's home, also to be in their churches. These brethren

have worked hard and the Lord has blessed their efforts. I was surprised to see how the Lord has blessed Good Hope Baptist Church, Bro. Turner pastor. Their visiting and praying has paid off. Bro. Creiglow's work is new and they were able to organize Faith Baptist Church while we were there.

New Hope Baptist Church
Sao Luis has been blessed by the Lord this month with much

George Bean

interest shown. We have opened a new preaching point in a new sub-division.

I have preached at Carema, Anajatuba, Sao Mateus and Villa Maranhao this month with several professions of faith.

Today the lawyer brought me the process number of Bro. Draper's papers that are in Brasilia. I hope soon that Bro. Draper will be able to come to the place the Lord has called him.

We were saddened by the news of the death of Bro. Del Mayfield. We have been praying for the work that he left in Peru and it may be that God is laying that burden on somebody's heart right now.

May the Lord bless each one and goodbye until next time.

Yours By His Grace,

Another Month Of God's Blessing . . . 1465 Counted In Sunday School . . . 34 Professions Of Faith . . . 40,000 Invitations Distributed In The City Of Manaus . . . Schools In Full Swing

By Paul Hatcher

C.P. 227

Brazil, S.A.

Dear Brethren,
Praise God for another month of blessings from His hand on the work here in Brazil. July was Tabernacle Baptist Church's homecoming, with a new record of 1,465 counted in Sunday School. At the end of the service as the invitation

was given 34 adults and young people made public professions of faith in Jesus Christ as Lord and Saviour. For the event, beyond regular visitation, 40,000 invitations were distributed in the city of Manaus. We praise God that he continues to enable and to bless in the saving of souls.

The seminary will soon be out for semester break; and we

Paul Hatcher

are hoping to have a greatly expanded and more dynamic second semester.

The grade school and high school are back in full swing second semester. Pray that we will have a great time and many will come to know Jesus Christ as Saviour and be edified through this ministry.

We want to thank each of you who support our ministry with your prayers, and are thankful that we can all be co-heirs together, sharing in winning the lost to Jesus Christ and fulfilling the mission of preaching the gospel to every creature, so that on judgement day no man may stand and say, "I never heard of Jesus Christ and his wonderful saving grace."

Love,
Paul Hatcher

Church At Vila Rodrigues Alves Is Building Own Church Building . . . The Whole Church Walked 2½ Hours To Another Village To Hold Services . . . Workers Here And There On The Rivers To Hold Services

By Mike Creiglow

Cruzeiro do Sul, Acre
July 17, 1978

Dear Brethren,
The last news was from Cuiaba. Since then we have been around several states of southern Brazil. I also went to Manaus to buy the outboard motor that I mentioned in my last report. Now we are home again and have been making the rounds.

All is well at the vila. While I was away the brethren put up the frame, floor, and roof of the new church building. It should be finished soon. The church also got together and walked two and a half hours to another village to hold services. When a church shows such signs of life with no human prompting I get excited. We had good services yesterday. The crowds are still up.

We took the jeep across river for the first time this summer to make the first trip to Lagoinha. Four of our men went there this weekend. Over sixty persons in each of two services.

Mike Creiglow

Four others went down river in one of the smaller boats. All is doing fine at the two missions downstream. They had a little trouble with the boat and motor. This rig is seven years old. We are praying that the new motor for the 14' fiberglass boat will come in today.

I mentioned in my last letter that the 65HP motor had quit. While in Manaus Baptist Faith Missions deposited \$3000.00, on faith, to purchase the new engine. We were able to buy a new 50HP engine and parts. BFM didn't really have the money to spare, but they know the need and the work that is being done. We hope that all of you will understand and help share the burden and the blessings, also.

The First Baptist Church is now without a pastor. Their pastor felt that it was the Lord's will to go to Rio Branco to teach in the university. The work here in town has been a great concern to us for some time. Both churches have just been "coasting" for months. We are waiting to see what God will do.

In Christ,
Mike Creiglow
