#### Sidney Fisher and Hafford Overbey to Peru and Brazil

Brother Sidney Fisher and I are to leave for Peru September 6 to meet Bro. James Kissel in Pucallpa, Peru to see about the work of Del Mayfield and what can be done about the school and property there. From Peru we plan to go to Manaus, Brazil to see the Harold Bratchers and his new church building and the Paul Hatchers and his schools and church. From Manaus to Cruzeiro do Sul in the State of Acre to visit with the Mike Creiglows and see as much of his work of ten churches and several missions as possible. Cruzeiro do Sul is in the far west of Brazil and this will be Brother Fisher's first trip there. We plan to return September 27. All this the Lord willing. This trip will not be at the expense of Baptist Faith Missions.

#### Correction about a new Missionary for Peru

Brother James Kissel was advised by the lawyer in Lima, Peru who is a former Senator and who takes care of the legal work of Baptist Faith Missions, that a missionary to replace Del Mayfield does not have to have a College degree as we announced in the last issue of this paper. The applicant must have proved himself in pastoral work or the equivalent in order to be able to take over and carry on the work. Pray with us about this need.

#### BACK IN PERU...ALL WORK IN GOOD ORDER...SEVERAL CHURCHES PROSPERED...SIXTEEN BAPTIZED IN ONE CHURCH... NEED OFFERINGS FOR WOOD BOAT AND MOTOR FOR NATIVE PREACHERS TO USE ON THE RIVER TRIPS

By James Kissel

August 18, 1978

Dear Brethren,  
Once again we are back in Peru and we are happy to be back in the work once again. We had a good trip and got our papers in order again without much problem. We thank God for all His blessings to us.

All of the work seems to have gone along quite well during our absence. Several of the churches have really prospered in the last few months. The church at Tamshayacu, which is located about 70 miles up river has really grown and stand in need of a larger building. Last week there were 16 baptized and they have four more who made professions of faith. There have been a few saved in most of the

James Kissel

churches. There are several awaiting baptism in the First church. One of our greatest needs is a wood boat with a pecky-pecky motor, for the natives to use for river trips.

We are getting all our papers in order again, so we can go to Pucallpa next week to look after the affairs of Sister Mayfield. We have found out from our lawyer in Lima that one does not need a college degree to obtain a visa for Peru, as the requirements are still the same as always.

The day after returning here it got cold for three days, down to about 50 degrees, which is hard to imagine in Iquitos. This brings on much sickness among the people, as their homes and clothing are inadequate for this temperature.

Pray for us as we begin this new term, that we might see the work go forward for God's glory.

#### Conference Speakers

#### Approved projects in great need

1. James Kissel needs a wooden boat with a "pecky-pecky" motor for the native preachers to use on the rivers. If you will give the money James Kissel will see that the boat is built or bought and soon be in use
2. Louie Carver needs \$40,000.00 or more to build a church building and one story for his college to train preachers and one story to live in on the recent lot that he purchased in Seoul, Korea. To build now would save ten thousand dollars or more in the cost to build later.
3. Carver KEY money for rent of a place to live.
4. For the repair of the Harold Bratcher house in Manaus, Brazil.
5. For street paving on three sides of Richard Turner's church building, Cuiaba, Brazil.
6. For Mike Creiglow's boats and motors and repair of his house in Cruzeiro do Sul.
7. John Hatcher to buy the building in Garca, Brazil.
8. For Art Gibbs Building in Huanuco, Peru.
9. For Bobby Creiglow building in Varzea Grande, Brazil.
10. To pay the deficit on the Del Mayfield Buildings in Pucallpa, Peru of \$2,226.24. To pay this off would be a great memorial to Del Mayfield.
11. Cost to send the Harold Drapers to Brazil, tickets, shipping of utilities which he can get in for the first time in as a new missionary. House rent, language school and salary.

There are always other needs than the ones we mention.

Our regular typesetter and paste-up man is in the hospital. Pastor Marvin Summers has graciously offered his services to set the type and make the paste-up for this issue of the MISSION SHEETS. We are grateful to Brother Summers.

Dear Brethren,

Greetings in the name of our Lord and Saviour. We are still waiting on paperwork. As you may have noticed in the last Mission Sheet, we received a phone call from Bro. Bean three weeks ago. He was informed by a high official from Brasilia that our visas had been approved in Brazil. We have been in contact with the Chicago Consulate and as of yet they have not received the authorization to issue us the visas. It could come within a week, or it could be several weeks. I would like to be able to leave by the middle of October. Would you pastors ask your church members to make this a matter of special prayer? Also, pray that sufficient funds will come in to cover our plane fare and baggage expenses.

## FOUR VISITS TO RODRIGUES ALVES...PROBLEMS...TEACHING AND COUNSELING...SOME WORK UP AND SOME DOWN...THREE TEAMS TO THREE MISSIONS

By Mike Creiglow

Cruzeiro do Sul, Acre  
August 14, 1978

Dear Brethren,

I have visited Rodrigues Alves four times in the past few weeks. We have been having a few problems there of late. As usual the problems are hindering the progress for a while. The last visits have been used for teaching and counseling.

Pastor Enock came back from Rio Branco for a week to get things in order here. While he was here the First Baptist Church called me to be their pastor. The men of the church had wanted to call me earlier, but I asked them to wait. As it turned out Bro. Enock requested that the church call me. The work here in town has been very weak for the past three years. We feel that it is time to take

Mike Creiglow

this challenge. We pray that God will use us to help build a stronger central church. The work along the rivers and roads has been strong for some time. However the total work could be more self supporting if there were at least one spiritually and financially strong church at the core.

Attendance and professions of faith have dropped off sharply during the last three months. The same has happened to offerings. Attendance in all services has risen for the past three weeks. Our offerings tripled. We are still trying to get the saved back in church. We haven't had very many lost folks yet, so no one has been saved for weeks.

Three teams went out this weekend to three missions. All reports are good, so far.

Once again we are at a crucial turning point in the work here. Pray with us that the Lord will give us another turn for the better.

In Christ,  
Mike Creiglow

## A FRUITFUL MONTH WITH PROFESSIONS AND ADDITIONS... SOME EXCLUDED FOR IMMORALITY...FOUR BAPTIZED AT SAO MATEUS...TWO ORDAINED...ALL WORKS HAVE ORDAINED PASTORS EXCEPT ONE...TO TAKE CARE OF BOBBY CREIGLOW'S WORK WHILE HE COMES ON FURLOUGH

By George Bean

Caixa Postal 500  
65,000 Sao Luis, Maranhao  
Brasil, S.A.  
August 15, 1978

Dear Brethren,

This has been a very busy and fruitful month in the Lord's work here in Maranhao and we give the Lord all the praise and glory. I resigned as pastor of New Hope Baptist Church after 13 years as her pastor. Some were sad, some were glad. The church called Bro. Benedito as pastor and this meant that the congregation at Anajatuaba would be without a pastor and so then the church called Bro. Satu to be the mission pastor at Anajatuaba. There have been three professions at New Hope Baptist this month. Two joined the church by letters from other Baptist churches and we excluded six for immoral living and not wanting to repent.

George Bean

I visited the church at Sao Mateus this month two times and one Sunday afternoon I baptized four into the fellowship of that church.

Sunday, August 13, Bro. Benedito and Bro. Joao Batista were ordained to the Gospel Ministry. Bro. Joao is the pastor at Anajatuaba and so all our works here in Maranhao have ordained men with the exception of Bro. Julio at Sao Mateus and if he proves faithful after I return from Matto Grosso for one year then I will ask the church to ordain him.

Friday, August 18, June and I will leave for Matto Grosso to work in the church that Bro. Bob Creiglow is pastor. We will be gone from Maranhao one year. Jonathon is studying at the Fortaleza Academy in his fifth year and will be 2400 miles from home.

Please pray for us as we try to serve Him and do His will. Good bye until next time.

In Him,  
George Bean

## BACK IN BRAZIL...A ROYAL WELCOME WITH 130 MEMBERS AT AIRPORT TO GREET US...NEW CHURCH BUILDING FINISHED AND BEAUTIFUL...NEED OFFERINGS TO FINISH REPAIRS

By Harold Bratcher

Manaus, Amazonas  
August 15, 1978

Dear Brethren,

I wrote the last Mission Sheet letter while we were with Bro. J. Douglas King in Florida. That same afternoon he took us to the Orlando airport. We arrived in Miami at about 5:00 p.m. We got our baggage checked in, etc. and then waited for the hour of the flight. Bro. and Mrs. Johnny Hart of Buffalo, West Virginia arrived at around 6:30 p.m. We were happy to have them make the trip with us and then visit the Paul Hatcher and us for two weeks in Manaus.

Harold Bratcher

We were given a royal welcome when we arrived. Asa Mark Bratcher our son, and pastor of the 14th of December Baptist Church was at the airport with some 130 other members of the church. Some of the other churches were represented including Tabernacle Baptist Church in the person of Missionaries Paul and Wanda Hatcher. We were made glad by the wonderful welcome given us and then our hearts were cheered to see the finished building--the Bratcher Building we refer to it thus in the Mission Sheet--the church building of the 14th of December Baptist Church. It is even more beautiful than we imagined or even hoped or dreamed it to be. We thank each of you who have helped

with your offerings in the construction of this church building. Please continue to give designated for the "Bratcher Building" so that soon the church will be able to buy it from the Mission. Also, we thank the Mission for sending Asa Mark the money for the remodeling of the house that we live in. Please continue to give for that cause also.

By now we are beginning to get settled back into the routine necessary to "redeem the time." We are happy to share with you the good news that Asa Mark is now my co-pastor and the Lord willing, will stay on with us here at least a few more months.

Our Sunday School attendance has been more than 400 each Sunday except last Sunday. Our Sunday night attendance has been around 250. We have had some professions of faith.

The Lord willing, we'll be in Manaus until the end of the month. We're planning to spend two Sundays with our mission on the "Rio Urubu" Buzzard River.

Marie and I ask that you pray for Stephen who will be entering College soon after the first of September. He is still living in the Mission House in Lexington.

Here is our address if you wish to write us: Caixa Postal 227, 69.000 Manaus, Amazonas, Brazil, S.A.

May the Lord's richest blessings be upon you.

Yours in His Service,  
Harold Bratcher

## COLD SPELL IN VARZEA GRANDE...TROUBLE GETTING EXEMPTION TO LEAVE BRAZIL...TROUBLE ALSO WITH AMERICAN CONSUL...BEAN TO COME AND TAKE CARE OF WORK

By Bobby Creiglow

Varzea Grande, Mt.  
August 14, 1978

Dear Brethren,

It has turned cold here over this past weekend and our attendance dropped lower than it has been for almost a year. Our attendance for last month was also down from the month before and we only averaged just a little over fifty in all services. We did not have any professions of faith this past month nor did I baptize any. It seems we are in a spiritual dry spell, but we hope it will pick up again soon.

Bobby Creiglow

After getting all the documents together that I thought I might need we went to Brasilia to submit them with the understanding from the federal police here that we could, by taking them to Brasilia, get everything taken care of within one or two days. When I told the secretary what they said, she said, "IN NO WAY." She gave me to understand that after I submitted the documents downstairs it would take until the next afternoon for them to get back upstairs into her hands and then she could not tell how long it would take, but if I could get them to send them up sooner she would take a look at them. By the grace of the Lord they were back in her hands within an hour and I thought things were going pretty good, only to find out that I did not

have qualifications of a missionary or at least did not have a diploma to prove it. Also the one in charge of that department was gone and would not return for a week and no one else would take upon themselves to act on it. She said they would send me a telegram within about ten days, but as yet we have not heard anything. We left there and went to the American consulate and got the second shock of the day. They also were to contact us within about the same length of time, but as yet we have heard nothing. It could be from one to three months before we will get to the States and if we do not get the exemption from the \$4,500. (Dollars) deposit required to leave the country we will not be coming at this time. The girls started back to school today, not too happy because they thought they would be in Bluegrass Baptist School this fall.

Brother and Sister Bean should be in this week or next which will leave me free to travel to take care of whatever business must be done to be able to go on furlough if and when the time comes. We do believe the Lord is going to work all of this out and we will arrive in the States on the time He wants us to.

In Him,  
B. D. Creiglow

EDITOR'S NOTE: Creiglow's application for exemption rejected and he cannot leave Brazil for furlough and not lose his permanent visa unless he deposits \$4,500.00, which will be returned after furlough.

**A GOOD MONTH...PREACHERS CLASSES AND WOMENS CLASSES WELL ATTENDED...NEW MISSION STARTED AND GOING WELL... REPORTS ON ALL THREE CHURCHES...21 YEARS A MISSIONARY IN PERU AND HONDURAS**

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras  
August 15, 1978

Dear Brethren,

A pretty good month this time it seems. Our preacher classes are real well attended these past two months and it seems they are learning something now at least. My wife's women's class also was up to 15 at times. It is showing in the lives of all of us. The attendance at our fellowship this month was down but it rained so much this past month also.

The churches report: We started our new mission the 20th of July and have an average of 24 in S.S. and 30 at all night services. We plan to visit much more in this area. A young preacher from here at Pradera church has asked and been given the leadership of this new work. Pray for him and this new work. The Woodland church had 26 S.S. average and 32 at

Walter Lauerman

night services. This church is in better shape now than in the past two years and it is still showing increase all over. Slowly, but we hope surely. Ayestas church really is showing forth. In the S.S. average they had 62 and 45 at nights. Three professions of faith. Offerings up to about \$150.00. (Real good for this church). The young preacher that went there also from Prarie church has done a great job. Visiting is the thing that is doing it all in all of our churches here. Prarie church had 70 average in S.S. and 48 at night services. Three professions more and maybe several more to baptize soon. We have another young man out here that might take over here as pastor soon also. That would put pastors in all of the works and I believe they are ready with a little help and encouragement.

We again thank God for all of you that have helped us these twenty-one years in Peru and Honduras. God has surely blessed us all. The family sends greetings also.

By His Grace,  
Walter F. Lauerman

**MRS. HATCHER DOES NOT HAVE CANCER...CHURCHES VISITED IN MICH. W. VA. AND FLA...TO RETURN TO BRAZIL SEPTEMBER 20...PRAY AND GIVE FOR SUPPORT**

By John Hatcher

August 21, 1978

Dear Brethren,

God has blessed us with another great month. Churches were visited in Warren, Michigan, Holly, Michigan West Virginia and Florida. Our thanks to all who invited us to visit, and we regret that due to lack of time some churches that invited us could not be visited.

Another blessing was the report from Alta's clinic reports showing all results normal. (No cancer). Many of you have prayed for us and God has heard your prayers.

On Friday night about 10:25 Alta, Kathy, John and Judy along with their two children arrived at the

John Hatcher

Orlando, Florida airport 10 minutes before David and Sherry arrived on their return trip from Brazil. Brother Doug King, his family, and the Park Ridge Church graciously housed and cared for all of us over the weekend.

Next week we will be in Alabama and on the first Sunday we will be with the Alexandria, Kentucky First Baptist Church where I was saved and called to preach. After the Labor Day Conference Kathy will be going back to college and after a short visit with our parents and children Alta and I will be going back to Brazil on September 20th.

As we return to our work please pray for us and we ask you to please give financially for our new works.

August 20, 1978

Dear Brethren,

By the time this letter reaches your hands, Lord willing, we will be back in the U.S. for four months of furlough. We are all hard at work trying to put things in good order before returning home. Lord willing we should arrive in the U.S. September 6th. We are thankful to Bro. Overbey and the Twelve-Ryan Baptist Church for providing us a furnished house to live in while we are in the States.

Those who would like for us to visit their church while we are home should write me now at 28855 Wexford, Warren, Michigan 48092, c/o Bro. Overbey.

All the work here continues to do well although we have had our

trials and disappointments. How badly we need faithful, stable men to stand with us in defense of the truth. Those who come to us from other groups rarely prove to be a blessing. Pray for us much in this respect. Lord willing when the new school year begins in Peru, April of '79, we hope to have operating a preachers school here in Huanuco.

We continue to be blessed with several professions of faith here in Huanuco. We have two more young men who have indicated they have a burden to preach the WORD. Lord willing we shall open a new preaching point in "Mores", a new division of Huanuco, this very week. I have baptized four this past month.

All the jungle churches are doing well. All the pastors met with me here in Huanuco to help ordain our first deacon. Bro. Panatlo, pastor in Pucallpa also came. We had a great time of fellowship and a most important meeting in which each pastor analyzed

August 14, 1978

Dear Brethren,

We have been down in attendance this month but we have had some good services. For the month of July we averaged overall 36.2 and for Sundays only 38.6. We have not had as many children in our Sunday School. I hope to have another visitation campaign which should bring our attendance back up.

We had started work on an extra building to be used as a place to store our furniture while we are home in '79.

This building will also be used as a Sunday School building as it will have two rooms. However, due to the delay of getting the plans approved by the city we have got no further than the digging of footers. The plans have now been approved and we

Richard Turner

hope to go ahead soon with the construction.

Saturday, a cold front arrived here in Cuiaba. We are having cold weather for here with the temperature in the 50s and 60s. After having 90 degree weather and hotter this is cold. When we have one of these cool spells the people here really suffer.

We ask that you remember our need for offerings to pay for the sidewalks and pavements of the streets in front of, beside and behind our church. The work has begun and before the year is over it should be done. Give as the Lord leads.

Our children returned to school today from their vacation. Danny that was born here in Brazil starts to kindergarten. He is very anxious to start studying.

Continue to pray for us and the work here.

August 15, 1978

Dear Brethren,

Another month closer to eternity and seemingly I've more left to do anymore than I get done. This month has been an extremely busy one. I almost feel like I heard Bro. John Hatcher once say: "each day seems like a down hill trot." Overall, we have had a real rewarding month.

Another Trimester has ended at the Bible College but by the time you read this letter another Trimester will be in full swing. The Doo Mill pastor completed his studies this Trimester and will hopefully graduate with two more pastors in December.

Louie Carver

We've had V.B.S. at the Shin Nae Church, Doo Mill Church and the Faith Mission the last two weeks. Shin Nae Church had an average of approximately 150 with several professions of faith. Faith Mission averaged 107 with over 20 professions of faith. Doo Mill Church averaged 45 with 4 professions and the Kyong Ban Mission is to have their V.B.S. this week.

Also at the Doo Mill Church they had a revival meeting nights with our different works as well as three other sister works. Students had students services during the mornings. Professions of faith were had as well

as other decisions in the students' services, as well as the revival meeting.

As a result of the special meetings and in the regular services we've had many baptisms this month. The Shin Nae Church baptized ten, I baptized sixteen at the Faith Mission and two for the Doo Mill Church. A truly great month.

Last Sunday A.M. our little temporary building (10 Pyoung; 1 Pyoung-6'x6') at Faith Mission was completely packed out. We used every chair and bench available. We thank God that with regular funds of B.F.M. we were blessed to be able to buy the land but we are in desperate need of a church building. In fact, we cannot grow anymore until we get a building up. Will you PLEASE HELP?

By the time you read this letter we shall have been missionaries to Korea for seven years. Pray with us and stand by us with your continued loyal support so that if God wills that we may have even another seven years here. We do appreciate you and your prayers and support which makes it possible for us to represent you as missionaries to Korea.

We also showed our slides from our recent trip to Brazil at the New Testament Baptist Church, Mansfield, Ohio, Bro. George Lock, pastor. We had the opportunity to speak at the Mission Conference sponsored by the Bible Baptist Church, Clarksville, Tenn., Bro. Elton Wilson, pastor. Last Sunday we showed our slides to the members of our home church, Calvary Baptist Church in Arlington, Kentucky. We are thankful that we have had so many opportunities to preach and fellowship with many pastors and churches. May the Lord richly bless each one of you.
