### Our Trip To Peru And Brazil, September, 1978

By Sidney Fisher

Brother Hafford Overbey and I arrived in Pucallpa, Peru September 7, 1978, after an all day delay in Lima, Peru. Brother James Kissel and wife met us at the airport. They had come to Pucallpa a week in advance to get things in shape for our stay. Thanks to them we were well taken care of, and lacked nothing to make us comfortable. At this point it seems that the Mayfield school will have to be closed at the end of this term, December 31, 1978. We need a good dedicated well equipped missionary family to take over Brother Mayfield's work. The work of Brother and Sister Mayfield speaks for itself. Certainly they have done a great work here. Faith Baptist Church has unanimously called Brother Abel Penifo as pastor. I preached twice here and Brother Overbey preached once. Brother Overbey also preached once at Grace Baptist Church in San Fernando and two men made professions of faith. One man made profession of faith the night I preached at Faith Baptist Church.

Then to Iquitos, Peru to the home of the James Kissels. What a good time we had with them. We did not get to stay long enough to preach in Iquitos, but saw the new church building Brother Kissel has built on the lot back of his house. A beautiful building. Brother Kissel took us to see and take pictures of all six of the Baptist Churches in Iquitos. Brother Kissel's work speaks for itself. They are doing a great job. I hope to go back some time and preach in his new building.

Then to Manaus, Brazil. Brother Paul Hatcher met us at the airport. I preached twice in the 14th of December Baptist Church in their new auditorium. What a beautiful building all finished with walls around the lot. 487 in Sunday School. Harold Bratcher, pastor. I preached once in Tabernacle Baptist Church, Paul Hatcher, pastor, 447 in Sunday School, and two men made professions of faith. We were blessed to see that a profession of faith is not just taken for granted here. They don't just assume that the person knows what it means to trust Christ. The two men were taken to another room and questioned about their experience. Perhaps we could profit from this example. Certainly these pastors and churches are working at the job making full proof of their ministry. Brother Overbey also preached at Tabernacle Baptist Church, and at the 14th of December Baptist Church. Brother Overbey preached on "baptism" at the 14th of December Baptist Church and a youngcrippled boy, who could not walk, crawled up to the front to ask for scriptural baptism. What a blessing! Brother Overbey also preached in the new unfinished (dirt floor) at Chapada Baptist Church, Miguel Ibernnon, pastor. We were blessed in being in the 14th of December Baptist Church, Harold Bratcher, pastor and Asa Mark, assistant pastor, and in Tabernacle Baptist Church, Paul Hatcher, pastor. Again their works speaks for itself. Our stay in the Paul Hatcher home was wonderful. Could not have been better.

Then to Cruzeiro do Sul, in the far west of Brazil. My first visit here. Had a wonderful time with Mike and Beverly Creiglow and family. I preached at Rodrigues Alves Baptist Church, up the Jurua River, and twice in the First Baptist Church, Cruzeiro do Sul, Mike Creiglow, pastor, and once in Faith Baptist Church, Brother Machado, pastor. Brother Overbey preached at the Sacado Mission, down the Jurua River, and at a mission 38 kilometers from Cruzeiro do Sul, that is the first mission work on the new Trans-Amazonian Highway here. Brother Overbey also preached at Faith Baptist Church and First Baptist Church, both in Cruzeiro do Sul. At all the services we preached in Mike Creiglow's work, the buildings were full with people standing. Brother Mike Creiglow has ten Baptist Churches and as many missions and preaching points. Five missions down the Jurua River alone. Brother Mike has several teams of young preachers that he is teaching, who along with him preach at all these missions and preaching points. Brother Mike Creiglow also took us to see and take pictures of five other church buildings. A great mission work. Most anyone who sees this work of our missionaries will come away more enthused about it than ever. Six days in the home of Mike Creiglow, and what a good time we had.

We returned to Manaus and spent a couple days with the Harold Bratcher family. We could not have been treated better. Then back home on September 27, 1978. To God be all the praise and glory.

### Baptist Faith Missions Approved Projects

1. Offerings for Louie Carver's third church building in Korea. The mission is now ready to be organized into a church. Brother Carver needs \$50,000.00 to build a building for the church, preacher's college and apartment to live in. Surely there is someone who is able to give this alone. Pray about it.

2. Mike Creiglow's new church building in Cruzeiro do Sul for the 50th anniversary of the church May 12, 1979. Mike Creiglow does not ask for many things. Let's help Mike build this new building. Mark your special offering "For Mike Creiglow's Building."

3. For John Hatcher to buy the building in Garca, Brazil for his new work.

4. For street paving on three sides of Richard Turner's building, Garca Brazil.

5. For Mike Creiglow's boats and motors and to repair roof of house.

6. To pay deficit on Art Gibb's building, Huanuco, Brazil \$12,000.00.

7. To pay deficit of Bobby Creiglow's new building, Varzea Gande, Brazil.

8. Deficit on Harold Bratcher building, Manaus, Brazil.

9. Louie Carver KEY Money to rent house.

### Five Teams Of Young Preachers To Five Villages On Land And Rivers With 8 Professions Of Faith . . . 5 Professions In First Church And 9 Baptized . . . To Build New Church Building For 50th Anniversary

By Mike Creiglow

Cruzeiro do Sul, Acre  
October 18, 1978  
Dear Brethren,

The work along the rivers and roads has been strong for the past three weeks. There have been two saved at Lagoinha, on the Transamazon, two more at Sacado, and four at Floresta, both of these down stream. The men have also been back to Volta das Bananeiras twice and two have been saved there. They have also visited the folks at Vila Rodrigues Alves each week. The brethren there have gone by land to another large village called Sao Francisco. This past weekend there were five teams out to five villages. This is a record for us. We have averaged three teams per weekend and have had as many as four teams out several times. I would like for all of you to know that all of the members of these teams are members of First Baptist Church, sent out to preach and teach the truth. I was not a member of any of these teams, since I was here in town taking care of my job at church. We all rejoice and want you to see that these are preachers and laymen, native to this field who are getting the job done.

The work here at First Baptist Church has improved and been richly blessed of God in the last few weeks. There have been five professions of faith in the past two weeks. Sunday I baptized nine. There have been seven additions by letter. Our average attendance has risen by nine in the past two months.

Mike Creiglow

On May 12, 1979 First Baptist Church will celebrate her 50th anniversary. The building we are meeting in now is a wooden frame that the church erected forty years ago. The church has decided it is time to build a new one. I have presented a basic project to the church. It has been accepted. The plans and estimated cost will be in from the contractor soon. Pray with us that the Lord will open the doors that we may be in a new temple by May 12th.

In Christ,  
Mike Creiglow

## Churches Visited From MI, KY, ALA, FLA And Back To MI . . . Good Encouraging Reports From Peru . . . A List Of Great Needs . . . It Takes Courage To Keep On Keeping On

Dear Brethren,

By the time you receive this letter our furlough time will already be half spent. We have been having a great time with many of the Churches. This past month I have preached in churches from Michigan to Kentucky to Alabama, to Florida and back to Michigan again. Our sister churches and pastors have been most kind to us for which we are indeed thankful.

The reports we are receiving from Peru are indeed encouraging as we have heard that there have been souls saved and some being reconciled to the Church in recent weeks. Attendance also has increased. We are thankful for the good reports.

We are now looking forward with much anticipation to the Thanksgiving Conference. We pray that we will see many of you there and that the offerings will be greater than ever. It seems there are

Art Gibbs

so many things that need to be done and so many things not being done simply because there are not the necessary funds available. We need to finish the second floor of our Huanuco building to house our preachers school but we are still \$12,000.00 in debt for the construction of our first floor auditorium. The work in Ambo after 5 years is still without property or building. Our brethren at Kilometer 70 now have property but they still need a building. The work in Aucayacu has both property and building but the Church still needs walls around the property. This list could be continued and I am sure that every other missionary could compile a similar list of long standing needs.

It takes courage to keep on keeping on.

Once again let me thank you all for your love, your prayers, and for your support.

Those Pastors who would like me to visit their Churches while I am home should contact me immediately at the above listed address or better yet by phone as I will have only about 4 weeks remaining in which I will be available to visit churches by the time you receive this letter.

May God bless you all.

Yours in Him,

Missionary Art Gibbs

October 20, 1978

Dear Brethren,

By the time you read this we hope to be in the great land of Brazil. Yesterday we received our Permanent Visas in the mail. Of course we are rejoicing after waiting for so long. We are now busy packing and getting ready to go. We have plane reservations to leave Miami on Nov. 9th for Fortaleza, Brazil. We plan to leave our oldest daughter here with my parents. Our other daughter, Melody gets her cast off her foot in a few days. She will be enrolled in school in Brazil along with my wife and I; as we will be going to language school. This is very costly but we feel that language school is the most important part of our preparation to serve in Brazil.

Harold Draper

necessity in Brazil. A new car cost about \$6,000 down there. We do not have that kind of money. A used car is a bad risk down there. Many of them are stolen or worn out. I don't feel comfortable asking for things, but would you pray and give as you feel led of the Lord in order that we might have a car? If possible we will buy a new one. We want to find an apartment near the school so we can walk to language school. Brother Bobby Aldridge has offered to help us get settled in, for which we are grateful.

We preached this month at the following churches: Sugar Creek B.C., Woodlawn, Tenn.; Ronald Lumpkin, pastor; At the Northern Alabama Mission Conf. sponsored by several churches and hosted by New Lagrange B.C., Leighton, Ala. We enjoyed the great fellowship there. We had opportunity to make a report at the Bible B.C., Clarksville, Tenn. concerning our progress in our paperwork. Bro. Elton Wilson is the pastor of this great church. We are presently supplying at the Faith Bapt. Chr., Lone Oak, Ky. while Bro. Eugene Clark is away in Revival services. We appreciate so much every church and pastor who has encouraged us and given us the opportunity to present our work.

## Home On Furlough . . . Complete Report On A Great Work Done In Four Years On The Field . . . George Bean Has Come To Take Care Of Work While On Furlough . . . Now Ready To Visit Church And Tell Of The Work

By Bobby Creiglow

1012 Balsam Dr.  
Lexington, Ky. 40504

Dear Brethren,  
At last we did get out of Brazil and are at this time in Lexington, Ky. The girls are already enrolled in the Blue Grass Baptist School. We are about adjusted to where we can start living again.

Although we did not reach many of our goals that we set for ourselves, we believe this past term was the best yet in many ways. When we left here in 1974 we went to Cuaiaba to take care of Bro. Turner's work with the goals of within one year, upon his return from furlough, we would be able to turn over to him a new building finished and a congregation ready to be organized into a baptist church. When the Turners returned a year later we only had the walls of the building up and it took us a little over another year to finish it, but it did get finished. Neither did we have a congregation ready to be organized. Up until Bro. Turner's return and for some time after we were having our meetings in the carpenter with Betty's S.S. class meeting in the dining room. Although the congregation was far from being ready to organize, we were able to turn it over to him with an average attendance in all services of about twenty-five and some already baptized. After the Turners return for the next year and several months most of our time and energies were spent on getting his building finished. As perhaps some may remember another goal we set was, that after Bro. Turner's return we were to return to Rio Branco Acre, where we planned to start new works in that city and other cities near there, but upon his return I felt like it was the Lord's will for me to stay in the Cuaiaba area, so after looking for some time we decided the best place for us to start was just across the river from

Bobby Creiglow

Cuaiaba in the city of Varzea Grande, about ten miles from Bro. Turner's work. For six months thereafter we wondered whether or not we were in the Lord's will, but not being able to get any indication from the Lord as to where we should go, we continued on and then things began to break for us. We were at that time meeting in a rented hall, which is not easy to come by, knowing that at any time it could be rented out from under us by someone willing to pay a higher rent than we could pay. This fact along with the fact that we would be due for furlough the following year we decided it best to go ahead and build. The building itself was finished in December 1977 and dedicated on Dec. 16, 1977. On June 20, 1978 we organized into the Faith Baptist Church with 26 charter members and when we left on Sept. 25 there were 31 members with several others wanting to be members as soon as they could get married by law. This work was started with just my family and it has been a great joy to see it grow. We are very thankful to have been able to leave it in the hands of Bro. Bean. It has been a great joy to work with Bro. Turner for those four years and we are looking forward to working with him in the future. The next to the last week-end his church honored us with a bar-B-que and I preached for him both services on Sunday to a crowd of more than fifty, half of whom I did not know, or only knew by sight. God has blessed in a great way and I am very happy to have had a part in both works and what joy it is to know that I have been in His will in these works.

I am now about rested up and ready to get to work while on furlough, so if any church or pastor thinks that the Lord might bless you by a visit from me you can contact me at the above address or by phone No. 606-278-0963.

Thanks to all who have had a part in making our ministry possible in Brazil. May your rewards be many.

In Him

## Back In Brazil After Short Furlough In The U.S. . . The Wallace Yorks Come To Visit And He To Preach . . . Set A Definite Time To Pray For The Mission Work . . . Thanked God For Dirt And Sand On The Floor

By John Hatcher

Garca, Sao Paulo  
October 19, 1978

Dear Brethren,  
Back to Brazil and at home in Garca. Our visit to the States to see our families, our children, and our grandchildren was a real joy. Our visits to the churches and with our friends were a blessing to Alta and I. Our return to Manaus and the few days spent with Paul and Wanda and the grandchildren gave us a good welcome back to Brazil. But when our bus rolled into the city of Garca about eleven o'clock on Wednesday night our journey had ended, and it was good to be home.

The services have been good although the crowds have been down some in Garca. In Galia the attendance has been around 25 to 30. Brother Wallace and Doris York were with us for two days. It was good to have them and would like for them to have stayed longer. Brother York preached at Galia on Tuesday night and there were 70 persons present. On Wednesday he preached for the mission in Garca and there were 30 persons present. No doubt the missionaries' letters become rather routine month after month, but could I encourage you to purpose in your heart to pray for them regularly, and for the definite plans they have for their work? Will you pray with us for the opening of six new missions in the next two years. This means money for buildings, more laborers to help, effective teaching of new believers, and teaching and training for new workers. You and I set times for everything else, and we might even set an alarm to get up early to go fishing. How about setting your alarm and having a definite time to pray for definite missionary needs and endeavors? Maybe that would be a good idea. While in Manaus Paul invited me to preach at the morning service. Sitting on the front pew, my eyes looked down on the carpet runner which comes down the center aisle and across the front. It was covered with dirt and sand and looked as

John Hatcher

if it had never been cleaned. Then I remembered noticing the afternoon before how lovely and clean the auditorium was. God brought a verse of Scripture to my mind which says: "In everything give thanks." And I bowed my head and thanked God for the floors and carpet covered with dirt and sand. I thanked God for the over four hundred persons whose 800 feet had walked through dirt and sand to get there, for the dozens of persons who had been visiting to invite those hundreds to come, for the dozens of teachers and workers who were prepared to teach and take care of the hundreds who came, and for the many who were at the church grounds at six o'clock in the morning to go out with the busses to bring people in. Yes, I thanked God for enough people to worship and to hear the Gospel that the floor would be covered with dirt and sand.

In Him,

John Hatcher

News From Korea . . . A Good Month In Churches And Faith Mission . . . Professions And Baptism . . . Need \$50,000.00 For New Building

By Louie Carver

Kwang Hwa Mun  
P.O. Box #1184  
Seoul, Korea  
Tel. 63-1286  
October 16, 1978

Dear Brethren,

The fall weather has been beautiful, nights falling to the forties in some country areas to the twenties with ice. The bad thing about Fall is that winter must come which brings on heavy oil expenses, etc. Last year our oil bill was approx. \$700.00 and already we've had to buy some \$150.00 worth and it is being rumored that oil prices are soon to rise here.

This time of the year attendance is down at the churches and missions. In the country, farmers work from sun up till sun down seven days weekly few, if any, regard the Lord's Day during the busy seasons. In the cities there are many school activities including tests, etc. which have a tendency to take the students from church. Yet, despite the low attendances we've still had a good month. The Shin Nae Church has had several professions of faith and many moves for other reasons as well as several for baptism. I preached to a full house of students at a fellowship meeting at Shin and also preached there one Sunday a.m. where there was one man saved, baptized that night, and two students for baptism also one came stating she was

Louie Carver

going to start tithing. Shin Nae's offerings picked up somewhat too.

The Faith Mission is quite steady with several professions both at the services and during visitation. I baptized two at Faith Mission last month. I continue to ask your prayers and then legs to them in regards to a building for the Faith Mission. I stated several months back that if I could at *that time* build I believe it could be done for approx. \$35,000. But it can't be done now for that probably closer to \$50,000, and the prices are still soaring. As Jesus once said to Judas: "What Thou doest do quickly."

The Government has frozen prices and the sale of property recently which has slowed things down somewhat on soaring land prices. Yet the Faith property is now worth between \$35,000. and 40,000. Some of the lot is classified as mountain land which they've assured me we can switch over and we're working on it now. Once it has been switched the prices will naturally go up. We paid less than \$18,000 for the lot about six months ago.

Many have helped with the purchase of the lot, etc. at Faith Mission and others help regularly with our housing problem and we do thank God for you; I'm sure your pay day in heaven will be great.

Please continue to pray for my wife as she monitors the children, at times it is almost more than she can take.

Thanks for your support, prayers and concern for us and God's work here.

Yours in Him,  
the Carvers

Two Weeks In Pucallpa To Try And Settle Things Concerning The School . . . No Water And No Electricity And No Taxis Because Of Strike . . . Church In Pucallpa Doing Well . . . One Ordained In Iquitos . . . Professions And Baptisms . . . Pucallpa Doing Well . . . One Ordained In Iquitos . . . Professions And Baptisms

By James Kissel

October 16, 1978

Dear Brethren,

This has been one of those months when it seems that nothing goes right. However, the Lord has blessed us in many ways.

We have spent the last two weeks in Pucallpa, trying to settle some things there. It was a difficult time, as the first week we had no electric or water, as those companies were on strike. The second week all transportation went on strike, so we had no taxis and were afraid to drive the truck for fear they would cut our tires, as they were doing to others. After waiting several days, some of the brethren took our luggage to the airport, 6 kilometers, in a tri-cycle and two of the brethren took my wife and I, on their motorcycles. We thought we were late getting there, but the plane arrived three hours

James Kissel

late. When we arrived in Iquitos, there were no taxis, as they did not expect the plane. I finally got to the city in our truck, while my wife waited with our luggage. We finally arrived home at 11 p.m. These are times when I wished some of the brethren were here to visit, to really see how things are, in the life of a missionary.

I haven't had time to visit much of the work, since returning. I made one trip to Tamshayacu, also we had the fellowship of all the churches with the Fifth church and ordained their pastor. One mission reports 4 saved and baptized. One saved in the Esperanza church. Our attendance is down in the First, due to most of the men working away on the boats, some are gone as long as two months. We have two to baptize next Sunday. The work in Pucallpa is going real good. This past week I baptized three into the Faith church and one made a profession of faith in the church at San Fernando.

May the Lord bless each one.

Yours in Him,  
James Kissel

Good Month And Good Attendance . . . Two Professions Of Faith And Two Baptized . . . The Wallace Yorks Come To Visit And He To Preach . . . Need Offerings For Street Paving

By Richard Turner

Caixa Postal 720  
78000-Cuiaba-Mata Grosso  
Brasil, S.A.  
Oct. 17, 1978

Dear Brethren,

We have had a very good month for us here. There has been good attendance in our services with some increase almost every week. For the month of September we had an average of 41.5 for our Sunday morning and night services. Overall we had an average of 36. These averages show an increase over the month of August of 6 people per service. Best of all we have 2 professions of faith to report this month and I have baptized 2 more into the fellowship of the church. The two professions were made by two ladies that have been attending our services for months and the two that I baptized were two young ladies that had made professions of faith in May and

Richard Turner

in July. We were made to rejoice that these have followed through with their professions.

We were blessed this weekend with a visit from Brother and Sister Wallace York. They arrived in Cuiaba about 1 P.M. Friday the 13. Our church and Brother Bean's had a service together that night here at the Good Hope Baptist Church with Brother York bringing the message. He did a tremendous job preaching in Portuguese. There were about 60 in the service. Sunday night he again preached here for us and brought a wonderful message. He and his wife were truly a blessing to us and our work. They traveled to Sao Paulo yesterday.

The church has voted to have a conference or a meeting in the very near future. This has been a matter of prayer for some time. We are praying for the revival of God's people and the salvation of the lost. Won't you pray with us.

We again ask for your offerings to help pay for the street pavement and sidewalks that we shall have to pay for in the next few months.

Yours in Him,  
Richard A. Turner

Five Holidays In One Month . . . Good Report On All Three Churches . . . Hard Going At New Mission . . . Classes For Preachers . . . An Encouraging Month

By Walter Lauerman

Apartado Postal 1218  
Tegucigalpa, Honduras C. A.  
October 12, 1978

Dear Brethren:

This is a holiday here so I am writing this today as there is not much else one can do. We have had 5 holidays this month here, 2 of them to celebrate the 400 years of our city. We always have 3 in October. We are all fine and hope you all are also. Now for the report of the work:

In the Woodland Church the attendance is up and many new ones coming. They are really visiting up there now. Offerings are the same but good. They had 2 professions of faith. In Ayestas there were 2 professions also and attendance up in the 60's. Out here at Prairie Church the attendance was down some (60's and 70's) but we had 2 professions of faith and 3 baptised and many new ones coming. Now this for me has been a good month. All increase. For some

Walter Lauerman

if you do not double everything every year, you have not done anything. But if this be true we would soon convert the world and not be able to build buildings to hold half the people. The work of the Lord is not like a worldly business in the least.

Our new mission had a bad month. The boy that was handling it resigned his post and now a boy from Ayestas is working with me there. In S.S. we have about 20 to 25 but mostly children and at night 20 or so but only 2 to 4 adults. So pray with us about this work. It is such a big field and so many people lost. I preached the reunion service for the churches at Ayestas. One saved and after a 3 month drop in attendance we had a full house again. We still have classes for preachers on Monday and Thursday nights and they are not too bad. Women have a class only on Mondays. Our classes are 2 hours each. So this month for me is encouraging. May the Lord bless you all ways. Our family thanks God for you all and the churches daily.

By His Grace  
Walter F. Lauerman

The Wallace Yorks Come To Visit And He To Preach . . . High S.S. Attendance 545 . . . To Make Trip Into The Interior . . . Need Offerings For Bratcher Building

By Harold Bratcher

Manaus, Amazonas  
October 17, 1978

Dear Brethren:

In last month's Mission Sheet letter we shared with you the news of the visit of Brethren Hafford Overbey and Sidney Fisher. We are happy to tell you that we were blessed with the presence of Bro. & Mrs. Wallace York this month. They arrived in Manaus from Miami on the 5th. They left to visit before returning to Warren, Michigan, other missionaries here in Brazil, on the 12th. Bro. York is pastor of the Grace Baptist Church, Warren Mich. The Grace Church has been a blessing to Baptist Faith Missions in many ways throughout the years. I had the privilege of hearing Bro. York preach three times in Portuguese. One of the times was on Sunday morning at the 14th of December Baptist Church. It was a rainy Sunday and our attendance dropped from 419 to 280 but there were some

decisions which caused us all to rejoice. Last Sunday, October 15th, we rejoiced when our attendance in Sunday School went over the 500 mark once again - 545! Asa Mark preached and the Lord gave us some seven decisions. Sunday night I preached to 245.

Brethren, we need your prayers. I must make another trip to the interior before the end of the month. Pray for a week-end revival - I'm to be the evangelist - at the 23rd of November Baptist Church here in Manaus. The revival will begin on the 23rd of November and go through Sunday night the 26th.

Brethren, we still need your offerings for the "Bratcher Building." We would like to build a parsonage on the church lot behind the church building and even now and especially if the church continues to grow, we need more Sunday School rooms. Also the church wants to pay back to the regular fund of the Mission what was loaned us for the construction.

May the Lord's blessings be upon you is our prayer.

Yours In His Service,  
Harold, Marie and  
Asa Mark Bratcher.

Dear Brethren,

I left Sao Luis Sept. 15 at 4 A.M. for Cuiaba. I arrived there five days later. I arrived at Brother Creiglows September 19 at 6 p.m. Four days of this was driving alone and Sunday I spent in a Motel a very sick man as I had gotten some bad food along the road, but thank the Lord I did not die, as I was alone, long way from my wife and children. June could not go with me in the car as it had only been just a few days since she had been operated on etc.

Brother Creiglow left the church with me to be the pastor until he returns to Brasil some time next year. We have been busy, I have bought tracts and had printed on the back a special invitation to come and attend Faith Baptist Church, thank the Lord that the members have given out 1,000 of these and we have had visitors in most all the services. I plan to keep the church supplied with these tracts that they may invite people to come to our services. I have met three families while on visitation that I hope that the church can win them.

George Bean

I meet with Brother Turner three days a week at 4 p.m. for prayer Monday - Wednesday and Friday. We have already seen the Lord's blessings in that He has answered some of our prayers. Brother Turner has a new place that he wants to start a new mission. I plan to help him in some of the visiting and we will try to get this set up, pray for us as we work together on this effort.

Friday, October 13 Brother and Sister Wallace York arrived at the airport to stay until Monday October 16. Brother York preached at Brother Turner's church Friday night and Faith Church went in a joint service. Brother York preached at Faith, Sunday morning and at Good Hope Baptist Sunday night, he still remembers much of his Portuguese from when he was a missionary here in Brasil. They were real good services and we hated to see them leave this morning, going to Sao Paulo and Brother John Hatcher's. May the Lord bless you all real good. June has been released by the doctor in Sao Luis. She goes to see the doctor here October 25.

In Him,  
George Bean

## A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.
