Second floor for Preacher's College and third floor for an apartment to live in. Total estimated to cost to build is \$50,000 00. He would like to build the first floor before furlough time in 1979. This is estimated to cost about \$20,000.00. Who will give to build it?

To the Missionaries and Directors of Baptist Faith Missions

Dear Friends, We greet you in the name of Christ, trusting all is well in the great and noble work to which God has called you. To the missionaries co-operating with Baptist Faith Missions we want you to know that we believe in the work you are doing. We believe in the independency of the churches on the mission field to pursue your ministry of proclaiming the Word of God as He directs you, using the aids and methods best suited to your particular situation, and we shall support you both prayerfully and financially. Thank you for the tremendous job you have done and are doing and that we believe you will continue.

To the directors of Baptist Faith Missions we likewise assure you of our support in your refusal to become involved in attempting to dictate to and/or control the individual ministries of the missionaries and churches in other lands. To have done otherwise would have been usurping an authority which you do not have, nor claim to have. Thank you for your level-headed approach to the matter and for your attitude toward those who have disagreed.

This letter is sent with only one thing in mind, namely to be an encouragement to each of y

one's time is as scarce as his Louis Caver Thus far we've had beautiful fall weather with cool nights and fairly warm days. Already the old furnace has been getting her black gold food though. The works are all doing quite well. One of our Bible College Student's had to enter the military a couple of weeks ago; a three year stretch. I had him preach October 29th being his first experience and he did a fine job, the following week we led his mother to the Lord. We've had several professions of faith in visitations and students services at Faith Mission this

past month but have only baptized one man of about 30 years of age who'll be a real help to the work if God is pleased to develop him spiritually. One of our Grand-Dads at Faith Mission had a stroke a couple of weeks ago, be sure and remember him in your prayers. The Shin Nae Church had a good month and baptized one. The Doo Mill Church and the Kycoung Ban Mission reported no professions or baptisms but the works are steady. Both those pastors are to graduate from our Bible College the 15th of December, after which they'll have more time to work their fields.

Many have given toward our building at Faith Mission and some give on a regular basis; also some have given and give regularly toward our personal housing which we praise our God and thank you also. If we could only get one floor of the Faith Mission building before furlough time it would save several thousand dollars. Brethren, I hate to keep asking but I'm not asking for myself, I'm asking for God's Glory. Even Paul asked the Church of Rome to defray his expenses to come to be with them before he had ever been there: Romans 15:24. I'm just asking you to do as God would lead you so He'll receive honor and you'll be blessed in this life and rewarded eternally. How much can and will you help? I pray that the Michigan Conference will have been the greatest ever both Spiritually and Financially. May God's Bichet be Yours their fields.

None more pressing than offerings so that Louie Carver can build a building on the lot he has in Seoul, Korea. He wants a three story building. They do not want gifts, but loans which will be paid back to Baptist Faith Missions to use for other needs. \$5,000.00 has been designated as a start. Visitations On Election Day . . . Hope For Radio Program And Another City . . . Five Persons Baptized . . . Hope To Visit 300 Homes Each Week . . . Your Support Is Needed

By John Hatcher

Dear Brethren, November 15, 1978 Today is election day in Brazil. Everything closes down so the people can have the day for voting. This afternoon should be a good day for visitation because niore men will be at home. Our attendance in Garca

more men will be at home. Our attendance in Garca has been low, in fact very low, therefore our outreach visitation is being increased. The Lord willing, we hope to open another radio program in another city. The station is in a city about the size of Garca but reaches two or three other smaller villages and has an aud-ience of about 30 to 50 listeners. On the twenty-ninth of October On the twenty-ninth of Octobe five persons were baptized: four from Galia and one from Garca.

Garca, Sao Pau

That makes a total of 11 bap-tisms in two and one-half years. John Hatcher In our present visitation program we are attempting to reach 300 visits to homes each week which is 1200 per month. To help in this effort we distribute a

monthly minneographed bulletin. Hopefully, in the near future this number of contacts can be increased. In the next two years our goal is to open six new mission points. Pray for us. The work is great; the laborers are few. In January we are planning a youth camp and hope that it will be a means of spiritual help-to our new converts and also an opportunity to reach some lost young people with the Gospel. The tape recorder given to us by the Waverly Road Baptist Church is being held up in customs. Pray the Lord will give it to us soon. This recorder will be used in preparing the radio programs. And, please do not forget, your help is needed. You wouldn't put soldiers in the fox holes and then not send them arms and ammunition. Is the mission battle any less of a battle? For any little whim or want many would cut off the supply line and let the missionraies flounder and fight as best they can. Orthodoxy that justifies not giving to missions is motivated by a strange kind of love. In Him, John Hatcher

By Walter Laue All our churches continue to grow in offerings and together we pay 3 preachers half time and pay their rent. We had our reunion of churches at Woodland and Juan Linares baptized 2 from the Ayestaschurch after 1 preached. The preachers classes are still well attended and maybe, just maybe they are on the verge of learning what it is all about. Deloris has had much trouble lately with infection in the body. Do not know just what it is, perhaps ovaries. She has had 5 operations and yet another may be necessary. Pray for her. We still owe to the regular fund some \$2,200.00 to pay back what we borrowed to build the Prairie building. Would you also pray about this? We again as always thank God for you all always. It is always good to know many are thinking and praying for you. Hope the Detroit conference is a good one. By His Grace.

By Walter I Apartado Postal 1218 Tegucigalpa, Honduras C.A. Dear Brethren. Our new mission is doing some better. We have had about 35 in all services but mostly children and no moves yet that we know of. I have learned though that nothing in the Lord's work comes easy if you preach the truth and stand faithful. frankly I was very disappointed and even discouraged when we first arrived home as we began to hear of some Churches who were with-holding their support. I was more than discouraged I was heartbroken. I have since been very nuch encouraged. Many of our brethren realizing the economic crisis which some have purposely tried tocreate, have determined to help as never before. Everywhere we go the brethren assure us of their love. Many have assured nue that they will increase their giving in order that the work might keep on keeping on. Yes, many are actually doubling their previous offerings. The messages preached at the Thanksgiving Conference were great. What a demonstration of God. Those who love liberty and truth had to admire the courage and the spirit of these great preachers who would not be silenced by prejudice or bigotedness. These men are to be commended.

Creiglow been four more additions by letter. We have been concentrating on doctrines during our services on week nights. We have three of these. On Sunday morning I work on motivation and Christian living. Sunday night is reserved for the Gospel, since we have many lost folks on that night. The "administrative" part of the church has been taking much of my time. Several of the nembers have been helping me get the church roll updated. This has been very difficult since no records were kept of baptisms, letters, or discipline. Also, I have been getting the church books in order and on a legal format. I hope to have all of this done by the end of the year.

I'm going on Sunday night and bringing some of them to our regular Sunday night services. The work on the streets are coming closer to us all the time. It looks as if they will be digging for the sewers within the next few days as they have marked off the streets. This will mean a lot of mud for us for a while as it is raining a lot at this time. We will have to pay for 108 meters of asphalt and sidewalks. If you would like to help us please send your offerings marked 'for Turner building.' Thank you for your prayers and faithful support. This is the two story building in Garca, Sao Paulo, Brazil that John Hatcher wants to buy. The selling price is about \$ 100,000 00. We have on hand as of now about \$ 33,000 00 cash designated to buy this building. We need \$ 67,000 00 more. To buy the lot and build new would cost twice the cost to buy it. Pray and mark your special offering for "John Hatcher Building"
