Dear Brethren,
 Iquitos Peru
 January 16, 1979
 These have been busy times and yet we have had to leave many things undone. Last month I made several trips, two to Pucallpa. I also went with a group from Faith Church, to San Juan where we organized a new church with 18 members. This is about 130 Kilometers from Pucallpa.

lately. We have had several additions to the church, two coming back to the church after being excluded, one for many years. This is encouraging. There has been much sickness here. One of the preachers has been in the hospital for 70 days, very close to death, but is improving now. May the Lord bless each one of you.

Yours in Him,
 James Kissel

Pray and designate your special offering for "Carver Building." Is there some one who is able, and would like to give to pay for this three story building? Are there several churches that would like to give that it may be built?

Dear Brethren,

Yearly the holiday season in Korea gets everything off schedule and just as we are about to get back on schedule then along comes Lunar New Year which comes up the 28th or 29th of January and gets us off course again. Despite irregularities due to holidays etc. we've had a good month. I do appreciate many of you who sent cards and gifts etc. and expressed your concern for us this past month.

We had beautiful weather for December and January until about a week ago when it began to get cold, some places in Korea dropping to about zero, here in Seoul down to around 12 degrees. Thus far we've kept warm, much thanks to Pastor Dean Smith and the Liberty Baptist Church in Flint, Michigan who sent in a nice offering to help with our oil expenses.

We organized the Faith Mission into an Independent Baptist Church on the 31st of December. We excluded all who had not been present in the previous three months, unless they were providentially hindered, and we still had 72 charter members of which approximately 20 were S.S. children with the remainder being teenagers and older. I believe it was the smoothest and best spirit of any organization service that I've ever participated in, perhaps because the pastors who helped me have either graduated from our school or are else present students. The evening of December 31st we had a watch night service at which time we observed the Lord's Supper for the first time and again had a great time.

Another extraordinary event of the month was that we ordained my former co-worker who left Korea to work with his company as branch manager in Kuwait. Brother Yoon returned for two weeks from Kuwait and expressed his desire to start a work among the Koreans in Kuwait since there was nothing sound for them to attend. Sunday night

Annual Report Of Workers To The Church . . . First Baptist Church, Cruzeiro Do Sul Blessed With Professions Of Faith, Baptism And Additions By Letter . . . The Offerings Largest In History Of The Church . . . Over \$1,000.00 Given For Building Fund . . . Need Special Offerings To Help Build New Building

By Mike Creiglow

Cruzeiro do Sul, Acre
January 8, 1979

Dear Brethren,
At the end of each year we get all of our workers together to look at what was done during the year. This year we had the preachers report to the church on Sunday night, December the 31st. Here are some of the highlights. One new mission was opened down river at Floresta. One of the teams reported making just under 50 trips during the year and holding over 100 services in six different places. There were 58 professions of faith. One other team had similar results. I was able to visit all of the churches in this area during the year as well as all of the mission points. I also made one long trip up river and one down river. We are now setting some goals for 1979 and praying that the Lord will do His will through us again and even show us greater blessings. Here at First Baptist Church things have really been blessed and prospered also. Since August there

Mike Creiglow

have been 26 professions of faith, nine baptisms, 13 members by letter. Our average Sunday school attendance for the year was 130. Offerings have doubled each month for the past four months. In December we had over Cr \$32,000.00, (Cruzeiros) including our special new year's eve collection.

On new year's eve we had a special four hour service. The building was full and many people standing. The church took up an extra collection for the construction of the new building. The total was over \$1,000.00. The exact figure in Cruzeiros was Cr \$21,667.00. This is an all time record for a single offering in any church in this area. Our monthly totals have also been records for the past three months. It may not look like much when converted to U.S. Dollars, but it is a lot of money for these parts. We are all praising God. Everyone is very excited.

We are still counting on your help. We need it. Read this letter again, pray, and then get some "shares" of the blessings. Mark your special offerings For Mike Creiglow Building.

Weekend Meetings . . . Churches Visited In Kentucky, Ohio And West Virginia . . . Telling About The Mission Work In Brazil

By Bobby Creiglow

Lexington, Kentucky
January 29, 1979

Dear Brethren,
The month of January is almost gone and during the month I have had two cancellations on my schedule, but have been able to keep busy every weekend and most Wednesdays. The weather has been the cause of these cancellations. I started the month off in a weekend meeting with the Bryan Station Baptist Church, here in Lexington, and as has always been the case we all had a great time in the Lord. Brother Al Gromley is the pastor of this great missionary church. The following Wednesday night we were with the First Baptist Church of Alexandria, Ky. where Brother Carl Morton is pastor. It brought joy to our hearts to see the great progress this church has made in the past few years. On January 14 due to the first cancellation, Brother Hamilton and the Thompson Road Baptist Church welcomed us to present the mission work to them. Brother Hamilton and his church are always a

Bobby Creiglow

blessing to us. The following weekend was the last trip that my family would go with me before making my first trip alone of this furlough and this was to the Waverly Road Baptist Church of Huntington, W. Va. Brother Sidney Fisher, the pastor, has this church up-and-coming for the Lord. About ten years ago I visited the First Baptist Church of Siloam, Ky. Brother George Galloway was pastor at that time. It was a very good church at that time and I am happy to say that it is also progressing very well under their present pastor, Brother Warren Hardin. Last night I returned home after preaching in a fellowship meeting on Friday night at the Storms Creek Baptist Church where Brother Jim Orrick is pastor, then on Saturday night Brother Orrick and I went to Oldtown, Ky. where I preached for the Emmanuel Baptist Church in the first service they have had this year, due to bad weather, Brother Cecil is pastor. And then on Sunday I preached in both services at the Storms Creek church where we had a great day in the Lord. I would like to thank each of you brethren for a great month in His service.

Twenty Fourth Wedding Anniversary Celebrated . . . Fourteen Preachers In Manaus, Brazil Met For A Dinner And Fellowship On New Year's Day . . . 369 In S.S. . . An Urgent Plea For Regular Fund And "Bratcher Building"

By Harold Bratcher

Manaus, Amazonas
January 17, 1979

Dear Brethren:
Since the writing of the last Mission Sheet Letter another year has passed into eternity. May the Lord be pleased to bless us and cause His face to shine upon us during 1979.

On December 27th Marie and I celebrated our 24th Wedding Anniversary. Permit me as her husband to praise her! At Prayer Meeting that night at the 14th of December Baptist Church, I made some comparisons between our wedding day and that day. It rained on both days and I conducted a funeral service on both days.

On the last week-end of 1978 our church was blessed with the presence and preaching of the blind evangelist - Sebastiao de Oliveira. Brother Sebastiao of Rio de Janeiro was born and raised in the interior of the Amazonas.

On New Year's day some 14 preachers or pastors of churches connected with B.F.M. met together at the Compensa Baptist Church for dinner. We were

Harold Bratcher

served a very bountiful "almoco" dinner by that church. After dinner we had a time of fellowship. Pray that there will be better and more fellowship between the Baptist Churches of our Mission in Manaus.

Because of several problems in the church I was unable to make a week's trip to the interior planned for January 3-10. Brother Zonil Nunes Cunha made the trip alone and was blessed of the Lord during the trip. I did make a one night trip and preached in a home some 15 miles from Manaus on the other side of the river.

Last Sunday we had a good day with 369 in Sunday School. We rejoiced with the hosts of heaven when an elderly lady made a profession of faith and a young unmarried mother made a rededication. Sunday afternoon we visited and held services in an old folks home. I also made a hospital visit. Our Sunday night attendance was 222.

We ask you in the name of the Lord to continue during 1979 to stand by us. Give to the regular fund and/or the Bratcher Building as the Lord leads. If you have written us during the last few months and have not received a reply, write us again, please as several letters to us are evidently lost in the mail.

May the Lord bless you in our prayer.

A Bus Load Of 45 Trained Young People Ferry Across Two Rivers And Drive To Manacaperu . . . Every Home In City And Suburbs Visited And Given A Tract And An Invitation To Come And Hear The Word

By Paul Hatcher

C.P. 227
69,000 Manaus, Am.
Brazil, S.A.

Dear Brethren:

This has been another month of joy in the Lord. When this letter is published Wanda, the children, and I should be in the States on furlough. We hope to see the family and renew acquaintances with many friends who have stood with us in prayer, support, and leading the lost to Jesus Christ.

January 12, a team of 45 young people trained by the seminary, went by bus to the town of Manacaperu to evangelize. It was a rainy night when at 8:30 p.m. the students and corale members began to arrive; instruments, baggage, youth and chaperons filled the bus. All heads bowed, we prayed together for the prosperity of the trip. The bus pulled out and headed for the first ferry. Most of these people work 48 hours a week and study at night school (high school); but out of the busy schedule, they came and completed a Saturday afternoon course in Bible survey, taught by Mark Bratcher, and vacation ministries, which I taught.

The bus loaded on the ferry for the 45-minute trip across the Negro River. On the other side, the bus pulled off the ferry and drove up a muddy road; the kids all walked up and filed on the bus—more road, another ferry, everybody off, everybody back on. As we drove into the town of Manacaperu in the early

Paul Hatcher

morning hours, it's 25,000 sleeping inhabitants knew nothing of our arrival. The girls unloaded into the church building to sleep on slat benches a couple of hours before daylight, and the guys made-do in the bus seats.

At six a.m. all hopped up from a short sleep, washed their faces and brushed their teeth with water from a barrel and then broke out a guitar and began to sing choruses and praises to God as breakfast was prepared - coffee, bread and butter, devotions, and prayer.

Two-by-two we took to the streets with a gospel tract and flyer inviting children to a one-day Bible school and an evening revival at Zion Baptist Church, pastored by Brother Moses.

As the teams returned at noon, every house in town and suburbs had been given a tract and invitation. Foreheads and arms were burned by the sun.

Lunch was served with baked fish, boiled fish, rice, and farinha (mandioca meal) and a sharing of all the happenings of the morning.

Arrangement of benches and final details were made to receive over 200 children in the afternoon, and at the evening service over 300 adults. All together, over 500 persons heard the gospel. God has promised to bless, when his people committed systematically propagate God's Word - for it "shall not return void".

Saturday night we started back tired and sun-burned but praising God all the way home!

Love,
Paul Hatcher

A Week Of Special Services With Professions And Baptisms . . . Record Offerings . . . A wedding . . . Old House Bought And Fixed Up For A New Mission In An Area Of 1000 Homes . . . Coming To U.S. In March For Furlough

By Walter Lauerma

Apartado Postal 1218
Tegucigalpa, Honduras C.A.
January 15, 1979

Dear Brethren

The Prairie church has attendance in all services in the 50's. Record offerings, a week of special services with 4 professions and three baptisms. We even had a wedding, a young couple from our church that had never lived together. A first for me after 22 years as a missionary. We had real good attendance in the special services. The Woodland Church seemed to be a little down this month. The spirit there is good as well as the attendance. The Ayestas Church had another real good month, three professions, many visitors and offerings at a record level also.

We lost our building where we had our mission 6 months. I was unable to find another one

Walter Lauerma

in the same area. However, the pastor of the Ayestas Church has been looking at a place and we were able to buy a rundown house for \$100.00 and with about another \$100.00 we were able to fix it up. Next week they intend to start having services there. So the Lord closed one place to open up another. We just thank God for the way He works. While working on this new area (on the house) we have had many tell us they will come. It is a new area with about 1,000 houses and no church at all and only a group there in the school house one night a week. Pray with us about this work. We ordained the pastor of the Ayestas Church on January 5. He was real good on answering the doctrinal question. He did as good as any I have had in Peru and here. I have discontinued the preachers' classes as we plan to go to US March 5. Pray with us on our stay in U.S. that God would get all of the glory from it all. So this will be the last letter from me that you will read until I get there, the Lord willing.

1400 Visits . . . Had To Find Another Building . . . High Expenses And Little Results A Source Of Worry . . . Yet It Is Worth It For The Glory Of Christ . . . Plan To Start Work In Two More Cities

By John Hatcher

Garca, Sao Paulo
January 16, 1979

Dear Brethren,

During this last month our visitation program (Alta and I) was down to about 1,400 visits. With the Holiday Season there was not too much interest among the people concerning spiritual things. Our attendances continue to be low in Garca and in Galia they are running about; an average of 30. This month the owner would not renew the rent contract so it was necessary to find another building. God provided another about two blocks away on the same street, and hopefully, in a couple of days all will be moved for our first service in the new building on the 21st of January. The high expesges and the little result have been a worry to us, yet

John Hatcher

God's Word and Name have been, and are being exalted throughout two entire cities. Two days ago while trying to seek God's will in the matter of expensive rents and little results, He brought to my mind the anointing of Jesus' feet with costly spikenard by Mary. Then I concluded—it is worth the cost because it is for the honor and glory of Christ. The Lord willing, preaching services will be started in another city the first of February. Yesterday Alta and I drove there and contacted two families who opened their homes for services. The city is a little over 50 miles from Garca. Pray that God will bless in the salvation of many. This will make three cities in which we will be maintaining work without any other preacher or layman at present. Please pray that God will call men to the ministry. If God wills, our desire is to start work in another city before the month of June. That will make four places. The harvest is white. The laborers are few.

In Him,
John Hatcher

Plan To Distribute Tract With Invitation To Come To Church . . . Good Watchnight Service . . . Rented A Building For New Mission . . . Need Offerings For Street Paving And Sidewalks

By Richard Turner

Caixa Postal 720

January 15, 1979

Dear Brethren,

We have baptised one into the fellowship of the church this month. Our attendance has been down, in fact our attendance for the month of December was the worse of 1978. We have some who are traveling and others have been sick. We are looking forward to an increase and are going to work for an increase. We have a plan to put a Gospel tract with an invitation to attend the services of the Good Hope Baptist Church in every home in our area within the next month.

For the first time in the history of our work here we had a watchnight service here at our church with the participation of the Faith Baptist Church and her pastor Brother Bean. There were about 95 present for the entire service. We had a message by Brother Bean and several of the brethren of the churches told how the Lord had blessed them in 1978. It was truly good service and a good time in the Lord.

Richard Turner

The Lord has heard our prayer about the new mission work in Campo Velho of which to hold services. The Good Hope Baptist Church and the Faith Baptist Church have voted to pay the rent each month. We had our first service there Thursday night, besides those from our churches there were about 10 present from that area. We believe that we shall see the Lord bless and many converted to the Lord there. There is no other permanent Baptist work in that area.

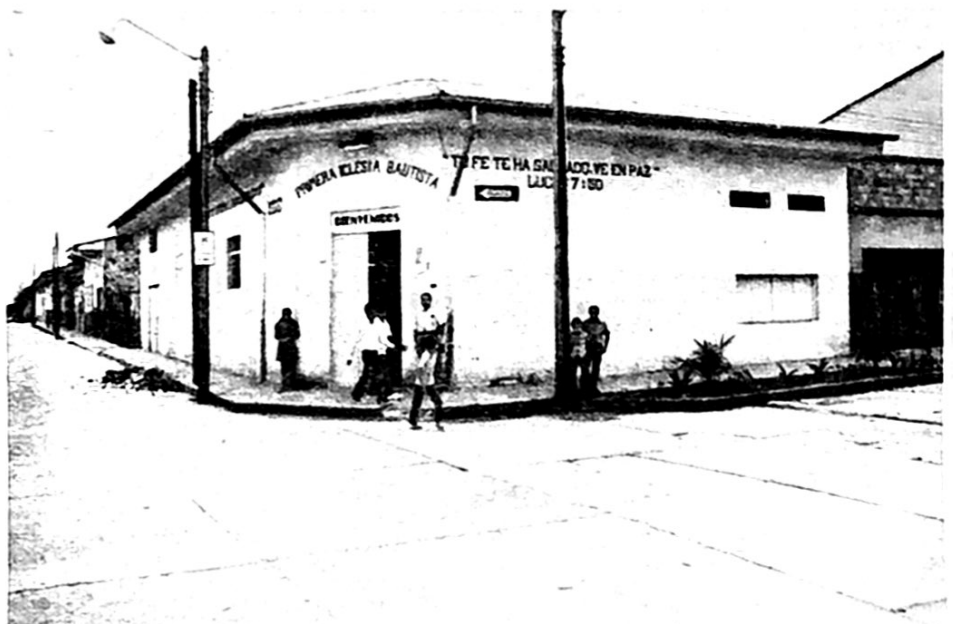

What our works need here is Brazilian workers. Pray with us that God will call men to preach the Gospel. There are several other places that we would like to go and start works but there is just so much that two preachers can do.

The work is progressing on the streets in our area. They are laying the curb stones beside and in front of the Church. It looks like we will need about \$5000.00 to pay just for the asphalt sheet paving, then about another \$1,500 to pay for the sidewalks which we plan on doing ourselves. Pray and give as the Lord leads.

Yours in Him,
Richard A. Turner

He organized the First Baptist Church here in all Peru and with the help of natives built the first building here. It has been added onto on the side and rear and is about ready to fall down. Brother James Kissel was able to sell this building to be torn down for an office building. See picture of the new building.

Professions Of Faith And Baptisms . . . Building Rented For New Mission . . . Two Churches Sharing In Rent of Mission Building . . . Work Going Good In Maranhao

By George Bean

Caixa Postal 720

January 15, 1979

Dear Brethren,

We have had two rainy Sundays and the attendance in our SS at Faith Baptist Church has been back down into the fifties but at night they climb back up around 75-90.

There have been four professions of faith all adults and two were baptized and two are waiting baptism and would have been baptized last night but the water has been off at the church for about two weeks and we could not get the baptistry filled to use etc.

We have found a building to rent at Campo Velho the new mission that Brother Turner's church has started. Faith Baptist Church is sharing half the rent on this building. We had our first service there last Thursday and Bro. Turner preached a real good message. Pray for this new area that soon another Baptist Church will be organized for God's glory and Honor.

George Bean

Jonathan was with us for one month and today goes back to Fortaleza where he will study the second semester, he will not get to come home again until May.

We really miss our children and it is always a special blessing from the Lord to have them here with us for a few days.

We have heard from Maranhao and all seems to be going good there for which we give the Lord the praise.

Some one asked what are your greatest needs here on the Mission Field and my answer is always National Preachers, saved, called by God, trained to work in the Lord's Work and then dedicated heart and soul to the greatest work on earth. May God be good to us and give us many faithful men to proclaim the Gospel that men and women, boys and girls might be saved. Pray for us in this as we share this burden with you.

May God bless us all as we begin a new year in his work.

In Him

Much Involved In Language School . . . Preached Several Times Through Interpreter . . . Thankful For Offerings . . . Needs A Car

By Harold Draper

Caixa Postal, 1651

January 16, 1979

Dear Brethren,

We are now very much involved in Language School. We started just this week. Pray for us as we learn this language. It is impossible to know without being involved just how difficult it is to learn well another language. Lord willing, we want to learn it well. It is by word of mouth that the Lord is glorified and the gospel is preached.

On New Year's Day I received an invitation to preach at a church on the other side of the city which is pastored by a good Brazilian pastor. Brother Aldridge interpreted for me and it was a high service. An older lady made a profession of faith. I also preached three more times this month with Brother Aldridge interpreting. We are able to talk to people in a limited way and feel encouraged when they understand us. We must ask you brethren to bear with

Harold Draper

us for the next few months as we put much of our concentration on Language School. We intend to go out and use what we learn as we learn it. Brother Aldridge gives us opportunities and when we are able to speak better there are other doors open to us. We feel that a period of concentrated language will be beneficial for years to come.

We want to express our thankfulness for the offerings for our expenses and passage and also for the offerings toward a car. Pray that we will be able to get a car in a few months. We have need of nothing that our Lord is not able to supply.

We had a funny experience last week. We went out to Nova Vida with Brother Aldridge to a ranch to hold a service. We were given the evening meal. After supper I found out that the beef I ate had been poisoned that week on a certain kind of weed and had been the prize bull on this ranch. Needless to say I had a funny feeling in my stomach for a little while, but I didn't get sick. We had a good service that night with two professions of faith and Brother Aldridge preached a good message. He and his family have been most helpful to us. May the Lord bless each one of you there.

Yours in Christ,
Harold M. Draper

A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. Have a lawyer draw up your will so that it will be legal in every way. May the Lord lead you.

CARVER (Continued from page 1)

January 14th we, Faith Baptist Church, gave him authority if the Spirit leads to start a work in Kuwait and we ordained him and gave him authority to baptize any born-again believer, in the event that he's able to get a mission started. We're not financing him since he's branch manager for his company. Pray for him.

Brethren we still plead, for the Glory of God, that you help us get at least the basement of a building at Faith Church before furlough. We need a full size basement for S.S. and Bible College, a second story for an auditorium and a third story as an apartment for my family to live in. Won't you please help??? Thank you for your prayers, support and concern.

Yours because of Calvary,
W.L. Carver
