Mission Needs Always Great And Become Greater As Time Goes On

Here is a list of many of the greatest needs: Airplane fares and baggage shipping cost . . . Doctor and hospital bills . . . Without exception all the Missionaries need new cars . . . special offerings for buildings for: Harold Bratcher . . . John Hatcher . . . Mike Creiglow . . . Bobby Creiglow . . . Walter Lauerman . . . Richard Turner . . . Art Gibbs . . . and the greatest need of all is for Louie Carver building in Korea . . . Most all the missionaries need new cars and in some cases the need is desperate. Harold Draper does not have a car at all.

Doctor And Hospital Bills

The work on the mission field, climate, food and lack of good medical attention makes for continuous need for Doctor and Hospital bills. The many years of service has taken its toll in health.

Turner Furlough Delayed

Richard Turner advises that he cannot come off and leave his work with no one to take care of it. As of now it looks like that Harold Draper after he finished language school in October will go to Cuiaba to take care of Richard Turner's work while they come on furlough.

A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. Have a lawyer draw up your will so that it will be legal in every way. May the Lord lead you.

Several Professions And Three Baptized . . . Young Preacher Has Lung Cancer . . . Need Offerings For Huanuco Building Fund

By Art Gibbs

Apartado 7
Huanuco, Peru
April 16, 1979

Dear Brethren,

Once again we were made to rejoice as the Lord has blessed us with several professions of faith. I baptized three this month.

Attendance generally speaking has been down in all the churches as we have had an abundance of rain.

Enrollment in the Mayfield School in Pucallpa is also down from what we had hoped for as we entered the last week for enrollments. I do not have the final figure at this moment but it appears that we will be down from previous years. Enrollment in the State schools is also way down due to the severe economic conditions.

It is due to this same problem that our Bible School is in difficulty. Many are desirous of studying but the books that they would need to study are very expensive. Work is hard to find and pay is low in comparison to the cost of living.

Let me tell you about Antonio, one of our fine young preachers. He's 26 years old. Plans were made for his marriage later this year. Antonio sings and plays the guitar as though taught by angels. He had already finished two years of state college and planned to study in our Bible School along with his sweetheart. Last week he began to cough up blood, X-rays quickly confirmed LUNG CANCER. He wept as he told me, "Pastor this is the fruit of earlier years of my youth. As a young soldier I was a chain smoker and an addict to marijuana. I deserve to die." Please pray for Antonio and the doctors who will be treating him. How great is our God in mercy that more of US have not suffered the same fate due to the follies of our youth.

Once again bear with me as I try to impress upon you our building needs. We have a debt on our Hco.

Art Gibbs

Building of approximately \$10,000. We need to finish the second floor to house the Bible School. Please pray and give as God leads. God will surely bless you. May God bless you all.

Yours in HIM,

Trip To Manaus To Buy Supplies . . . Good Reports From Interior Churches . . . Rains And High Water . . . First Church, Cruzeiro Do Sul Fifty Years Old May 12, 1979 . . . Need Offerings For New Building

By Mike Creiglow

Cruzeiro do Sul, Acre
April 16, 1979

Dear Brethren,
All is well here in Cruzeiro do Sul and at First Baptist Church. The rains really came down in March and have slowed up all of the work, but things are still moving in some areas. The only thing that is at a complete standstill is the construction.

I spent two weeks in Manaus doing the usual buying that we have to do every six or eight months. While there it was my privilege to visit several of the churches and even to preach.

Since returning to Cruzeiro we have had good reports from the interior works. Some of the places had very high water and consequently a few problems of a physical nature. At Sacado the building is in the water and the folks who came to services came in canoe and stepped right into the auditorium.

Mike Creiglow

Services yesterday were great. We had several folks coming for different reasons during the invitation.

Pray for a young lady who Bev has been witnessing to. She dropped out of the convent, just before becoming a nun, to get married. She didn't get married legally though and is in plenty of trouble. Bev has had two good talks with her about her life and soul.

First Baptist Church will be celebrating 50 years of existence the 12th of May, 1979. Our building is a long way from being finished. The church spent \$2,000.00 of her own money during March on the construction. These folks are really giving. We still need those loans though. Our funds are running low. We must depend on you to keep a good pace.

In a few more days the baptistry will be in use. This will be the first part of the new building to be put into use. I can't think of a better part to start with. God bless all of you as He has blessed us.

In Christ,
Mike Creiglow

Trip To Sao Luis To Settle Trouble With Pastor And Church . . . Visited Churches At Peritoro, Sao Mateus And Baptised Eight . . . Visited Mission At Anajatuba . . . And Five Professions Of Faith

Dear Brethren,
June and I left for Maranhao March 11, at 11 p.m. by bus. We arrived in Sao Luis at 9 a.m. Wednesday March 14. After arriving there we found the church in a very sad state after a lot of gossip and of course the pastor had been doing some things that were not right but after council he acknowledge his sins and repented and after three meetings we got things settled. He will stay there until I can get back there sometime around the first of October or after Brother Creiglow gets back. June also had her six-month check-up by the doctor who operated on her. Every thing is just fine and for this we give God all the glory. I visited one day and night at Peritoro Baptist church and as always I enjoyed my self in the homes of the dear saints and also the privilege to preach one more time there in the church. I was with the church at Sao Mateus one day and night and while there they had eight people for me to baptize in the river. That night Brother Sostenes helped the church as they observed the Lord's Supper, he was the moderator. I went one time to visit our mission at Anajatuba and we had a fairly large crowd inspite a heavy down pour of rain. I saw all the preachers while in Maranhao and all is well in the other works that I did not get to visit. Brother John is going each Saturday night to Villa Maranhao Baptist Church and reports some have repented and asked to be reconciled with the church. Brother John is pastor of Anajatuba Baptist Church. June and I returned to Mato Grosso March 30 and found everything just fine here and the brethren, while we were gone, gave out 800 invitations for people to attend the services of Faith Baptist Church. We had one high of 132 people one Sunday night but we are running around 70 in SS and around 90 to 100 on Sunday night. There were five professions of faith here at Faith Baptist Church. Jonathan was out of school for ten days and he met us there in Sao Luis and

George Bean

of course, Cathy and Mauricio live in Sao Luis and we got to see them as well as many of our dear friends and brethren that live there. We are counting the days until we can return. May God bless each one.

Man And Wife Make Profession In Home And Wife Dies Three Weeks Later . . . New Mission To Be Started . . . All Works Doing Well . . . Trimester Completed In Bible College . . . Need Offerings For New Building . . . Furlough Time End Of July

April 17, 1979

Dear Brethren,
Time passes on and so do many people along with it, some having heard the Gospel of God's saving grace; others not having heard. Last month while on visitation, by God's providence, we met a man by the street side trying to catch a taxi so he could take his sick wife to a doctor, and we began to talk with him and I told him I'd be glad to take her for him. Anyway, we went to his house and had a short service and both he and his wife who'd been members of one of the protestant groups for several years made professions of faith. The man a couple of weeks later went to one of the Arabian countries for work and his 30 year old wife died about 3 weeks after our visit with her. Thank God she had assurance of her salvation after having been deceived for several years.

Lord willing, by the time you receive this letter we shall have started a new mission. I've already, by faith for finances, signed a contract on a small room to be used for a new mission. The room is within reach of 20,000 souls. Brethren, I'm convinced that what we do we must do quickly.

Louis Carver

All our works are doing quite well, not seeing the professions and baptisms as I'd like to see but the people do seem to be growing in the Word and Grace. Though I'd like to see professions and baptisms weekly, yet, there also is the need for the Spiritual growth of the believers and seldom (though occasionally it is true) do we see both taking place all the time.

This week, ends another Tri-mester at the Bible College teaching and trying to operate a school, though small, is very taxing on both mind and body but how rewarding as one sees some students grow up in knowledge and spiritually almost overnight. We'll have a week break between Tri-mesters and then start the next one.

I had so badly wanted to build at least the first story of our building at Faith Church before furlough time but as yet there's no finances. All I can do is lay it before you and in God's hands but according to the papers here we'll have to do something within two weeks and the more delay the more expensive to build. In fact, again this a.m. the paper stated that prices would rise again May 1, 1979 by from 10% to 80%; you'd never believe it till you'd lived here for awhile. If we return for furlough we shall be leaving Seoul July 31st. We shall try to let you know in the next mission letter.

Thanks for your faithful support and prayers.
Yours In His Service,
the Louis Carvers

Dear Brethren,
I trust that this will find each one of you enjoying the Lord's richest blessings.

This past month has been a blessed one in His service for which we praise His Holy Name and to Him direct all Glory and Honor.

Our Sunday School attendance has been from a low of 425 to a high of 603. The evening worship service has averaged around 250, with decisions in every service. Last Sunday night I had the privilege of burying six with their Lord in baptism.

This past month we also

April 15, 1979

Asa Mark Bratcher

had the privilege of having Brother Mike Creiglow speak to us on a Sunday night.

I request your constant prayers and support for the work here.

May He richly Bless each one of you.

A Good Month . . . Work In Third City . . . Bud Fox Gives Organ Recital . . . Plan Six Missions By End Of 1979

By John Hatcher

Garca, Sao Paulo, Brazil
April 20, 1979

Dear Brethren,
The Lord has given us a good month since our last letter. The work in Duartina, the third city to begin work in, is doing very well. The couple who made a profession of faith have shown spiritual progress and a desire to serve the Lord. Our services in Duartina are being held in the front of a home, and with the exception of children's occasional confusion, the services have been great. Last week, for an example there was a total of 89 persons who attended the services in Garca, Galia, and Duartina. This total does not include the midweeks services. The Lord willing, new work is being planned to be started in the month of May. Hopefully

John Hatcher

we will go Monday or Tuesday to try to find a family who will let us begin services in their home. Our schedule for services is Garca and Galia on Sunday, Garca on Wednesday night, Galia on Thursday night, Duartina on Friday night and the services in the new town will be on Tuesday night Lord willing.

On March the 24, Brother Bud Fox gave a concert on the electronic organ. God gave us a great evening and for the first time our building had all the chairs filled and some persons standing. That was on Saturday evening. On Tuesday through Saturday of the following week special evangelistic services were held. Attendance was good. During the week there was special work with children in the mornings and on the final day there were about 70 children present. God has given us opportunity to minister to people with special needs and He continues to open doors for us. Pray for us. The Lord willing, our desire is to have six mission points in as many different cities by the end of the year. Pray for native laborers to be called. Pray the God will give us suitable buildings in the places we are working. Pray for the lost to be saved. Pray that God will give us direction and strength for His work to be done.

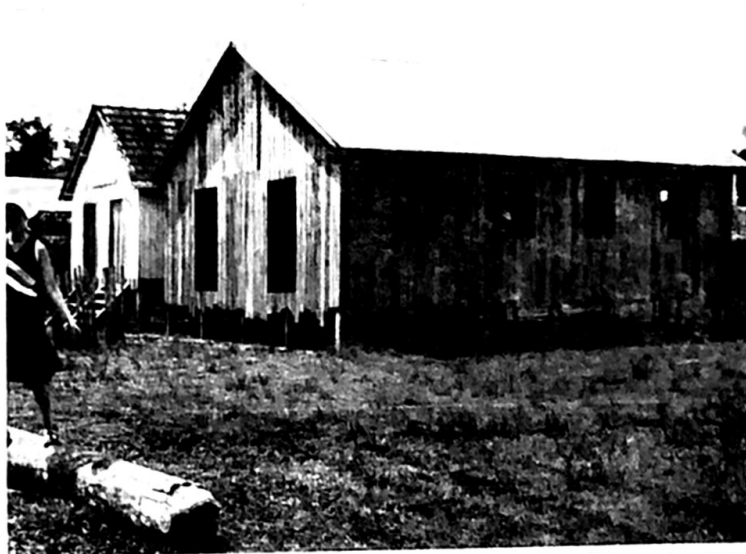

In Him,
John Hatcher

Mrs. Creiglow Has Check-Up At Ford Clinic . . . Says Spring Conference Best Ever . . . Visited Churches In Michigan, Ohio, Kentucky And Alabama . . . The Bobby Creiglows And Walter Lauermans Meet For The First Time

By Bobby Creiglow

Dear Brethren,
Lexington, Kentucky April 19, 1979
In my last letter I mentioned that I was going back to Detroit taking Betty with me, where she would go through the Ford Clinic. She did go through that clinic and they told her about the same that others have said and that is, there is nothing serious wrong with her, but would be under medication the rest of her life. She has not had anymore problems since she has been on this medication.

Bobby Creiglow

While in the Detroit area we visited and preached at the Emmanuel Baptist Church where Brother Cliff Presley is pastor. After spending several days in the home of Brother Wallace York we traveled to Wauseon, Ohio to spend the week-end with Brother Michael Powers and the Faith Baptist Church. On Thursday of that same week I started a meeting with the New Testament Baptist Church on Barnes Mountain, Kentucky. Brother David Swallow is pastor of this church.

We attended the Spring Conference at the Thompson Road Baptist Church and I had the joy of preaching also. I think this was the greatest conference I have ever attended in that there was a very fine spirit among the brethren, the theme of the whole conference was, "Missions" and had the joy of meeting Brother and sister Lauerman for the first time.

While the girls were on spring break from school we traveled to Alabama to visit several churches. While there we were busy every night in the interest of the work. It was a great joy for us to be with the following brethren and their churches in one or more services. James Chapel Baptist Church, Brother Robert Winter Pastor. New LaGrange Baptist, Brother Bobby Walton, Pastor. Isbell Chapel Baptist Church, Brother Bobby Amos, Pastor. Mt. Home Baptist Church No. 1, Brother Preston Hatton Pastor. Springfield Baptist, Brother Phillip Potter Pastor. And the Popular Creek Baptist where Brother Gary Phillips serves as pastor.

We thank all of you brethren for your every expression of your love toward us.

Dear Brethren,
The work here continues here as usual. There have been some changes made in our work though. We now have a young peoples meeting on Sunday afternoon in which I give a Bible study. So now I'm speaking four times and sometimes more on Sundays. Our attendance in the regular services is slowly coming up again. We are having a few visitors coming in response to our visitation program. Three days a week I have a Bible class for some that are especially interested in learning more of the Word of God. We are studying the Gospel of John.

Richard Turner

Tuesday of last week we once again went to Pocone to have a service. Several from

Brother Bean's church went along with us. We had the service in a praca or park in the center of town. I did the preaching and there were about 50 people that listened to the preaching.

We are now looking for another place to start a new work. The work in Campo Velho we have closed down because of lack of interest on the part of the people there and also we discovered another Baptist work in the area.

Brethren, we were to come home to the States in July but because of circumstances beyond our control there will be no way we can come in July. We have no one to take our work at this time. The Lord willing, we will be coming home later in the year.

May the Lord bless you and thank you for your prayers and support.

Richard A. Turner

Trip To Sao Paulo To Take Care Of Some Business . . . Making Good Progress In Language School . . . Several Devotion Messages In Portuguese . . . Finally Received Baggage . . . Need Offerings Of Plane Fare And Baggage Cost . . . Need Offerings For New Car

By Harold Draper

Dear Brethren,
April 14, 1979
We have been busy again this month. We made trip to Sao Luis to take care of things there. We had some wonderful fellowship while there with the Beans. We were in a service every night the week we were there. I returned home to find Ursula pretty sick, but she has improved a lot now. I am now giving her injections here at home for her allergy.

We are still struggling with the language, but we feel we are making some progress now. I have several times this month had the opportunity to give the devotion in several services in Portuguese. Each time is a time of rejoicing, yet we have come to realize that it is much easier to say we are going to learn a language than to do it. I hope to be able to proclaim the unsearchable riches of God's grace to these precious people in a way they can understand. Continue to pray for us as we with the Lord's help prepare for this great task.

We finally received our baggage this week. It has been here for two months but nobody informed us.

Harold Draper

Brother Aldridge and I decided to check on it and found it in a warehouse down at the seaport. I still will have to pay some to get it out. There seem to be so many expenses. Our home church gave nearly enough to pay for our plane tickets and baggage. Some other churches also gave for this. We are so thankful. Yet after all the legal work and our paperwork toward our visa, it took a little over two thousand dollars just to get us to Brazil. We pray that the Lord will take care of this. Our hearts are made to rejoice in his goodness. May all of us not forget that our efforts alone will not produce a good ministry. We still need the Spirit of God and his power. We are thankful for all you who have made it possible for us to come to Brazil, yet we realize that the Lord has worked through you to bring it to pass.

We are sorry to hear of some of our dear friends there who have been under the weather, especially Sister Parvin Hall, who has had to have surgery. Only eternity will reveal the purposes of our God. Let us all take courage in our Sure hope and Labour faithfully for our Lord. Pray for us.

YOURS IN HIM,
Harold M. Draper

Dear Brethren:

The Lord has blessed us in many ways since we wrote the last Mission Sheet letter a month ago. We've had several professions of faith and a few other decisions. However, during the month the church lost by letter - 10, exclusion 2 and death 1. I've performed two weddings and preached three funerals. On the 18th of March I baptized four in the baptistry of the 14th of December Baptist Church for Pastor Raulito Tobar and the Moriah Baptist Church.

On March 24th I celebrated my 52nd birthday. On the 5th of April Mrs. Bratcher celebrated her 52nd birthday. Our largest attendance of the year thus far is 538 in Sunday School on April 8th.

On Wednesday night, March 28th I preached at the Belo Jardim Baptist Church where Francisco Pereira de Sousa is the pastor. On the 4th of April I

Harold Bratcher

was with the Gerezim Baptist Church - Enos Ibernon, pastor. On the eleventh of this month I preached at the Chapada Baptist Church with Pastor Miguel Ibernon. The visit with the Chapada Church terminated my visiting all of the eleven churches and one mission of the Baptist churches of Baptist Faith Missions here in Manaus, this year.

Pray with us that we'll receive more letters from you. We have reason to believe that more of you are writing us and we are not receiving your letters.

Please remember to give to the Bratcher Building and to the regular fund as well. We are counting on you and depending on you. Do not fail us, we plead.

Yours In His Service

Work Going Good In Honduras . . . To Return After Furlough Last Of September . . . Need About \$2,000.00 To Finish Paying For Last Of Three Church Buildings . . . Need \$5,000.00 For New Car

Walter Lauerman

Walter F. Lauerman

Dear Brethren:
We have had 5 letters from Honduras since being home here in US and all tell how the work is going on real good. Good crowds, offerings and visits going on as usual. I am sure God is able to take care of His work without me. We sure do miss them all down there. We plan to return the first of September, the Lord willing. If any want us to visit your church there is only a few openings as of now. So write right now about it.

We have spoken at only the South Lexington Baptist Church this month. Ed Overbey is pastor. Of course we enjoy this church so much as we love them and their pastor and all but one of our children are members here. I ought to say that I could have spoken at other churches but wanted to just rest and clear up my mind and English. We had a good time at the Spring Conference, seeing many and missing presence of many old friends in the Lord. It was a time though for clarifying.

We owe yet about \$2,000.00 to the regular fund for the Prairie Church building in Honduras, would you help pay this off? Also when we return to Honduras we will need a car. We sold our old one and still need \$5,000.00 to buy a new one when we return. PLEASE pray about this and let the Lord lead you. The family all send greetings. Thanks to all.

Dear Brethren:

We are thankful to God for the safety in traveling he has given our family. It has been thrilling to visit many of our supporting churches and share what God is doing on the South American continent. We would like to express our thanks to each church that faithfully contributes and prays for our work on the field.

We are making preparations for our return to Manaus.

We request your very special prayers on behalf of the Baptist college, that God will provide the staff members adequate to train pastors in Brazil. Pray that God will raise up workers in Brazil so that in the near future we may be able to send men into each state of that great nation, which may result in the founding of a sound Baptist church in each of these states.

Our love to each of you,
Paul & Wanda Hatcher
