The Editor Of The Mission Sheets Retires As Pastor Of Twelve-Ryan Baptist Church

I, Hafford Overbey at the age of 77 have retired after 35 years as the pastor of this church. The church has voted to give me a retirement gift each month as long as I live, and have bought me a new car, paying the difference between the sale of my old car and the price of the new one. My last day as pastor was the last day of July 1979, and Wallace York became the new pastor on the first day of August 1979. By the time you read this I will be moved to Lexington, Ky. the Lord willing. My new address is:

Hafford Overbey
1012 Balsam
Lexington, Ky. 40504

I will continue as Editor of the MISSION SHEETS, and they will continue to be printed as they have been for many years and mailed by Wallace York from the same address in Warren, Michigan as in the past, the Lord willing. I left the church with over a half million dollars worth of property debt free. The church is in complete unity and without any "dead wood" on the membership roll. Great is our God. To Him be all the honor, praise and glory. Ere long I will move again, this time to Emanuel's land to be greeted by loved ones already there, and the thousands there because of the mission work of Baptist Faith Missions, and I will sit with my Lord on His throne (Rev. 3:21). And when you of like precious faith leave this earth and arrive in heaven I will be there to greet you, and when the last one arrives we will hear the Lord Jesus say: "Behold I and the children which God has given me". (Heb. 2:13) And when the Lord Jesus creates new heavens and a new earth we will not remember the heartaches and sorrows of this present earth (Isa 65:17). And in our glorified bodies, not hampered by gravity and electromagnetic forces, we will reign with Lord Jesus "for ever and ever". (Rev. 22:5) And we will have all eternity to explore all the universe, if God so wills. "On that happy golden shore, where the faithful part no more - - meet me there, meet me there." Now make plans to give the largest Thanksgiving offering to Baptist Faith Missions you have ever given.

Approved Projects In Great Need

1. LOUIE CARVER needs special offerings to build a three story building on the lot he already has in Seoul, Korea. One story for a church, one story for school to train preachers, and one story as an apartment to live in. He must have the full amount needed to build and finish the building in one year from the time the building permit is granted. Estimated cost is not known now but at least \$60,000.00 is needed.
2. ART GIBBS needs special offerings to finish the second story of the church that he already has built in Huanuco, Peru, for Sunday School and a school to train preachers.
3. BOBBY CREIGLOW needs special offerings to buy a bus for his church in Varzea Grande, Brazil. Also special offerings to pay the deficit on the new church building now completed.
4. HAROLD DRAPER needs special offerings to buy a new car to use in his work in Brazil.
5. MIKE CREIGLOW needs special offerings for a complete new roof on the house he lives in, in Cruzeiro do Sul, Acre, Brazil. Estimated cost is \$5,000.00. He also needs special offerings to finish the new church building.

7. HAROLD BRATCHER needs special offerings to pay the deficit on his new building.
8. PLANE FARES to send the Paul Hatcher's back to Brazil. PLANE FARES to send the Bobby Creiglow's back to Brazil. PLANE FARES to bring the Richard Turners home on furlough.
9. GEORGE BEAN needs special offerings for a new car for his work in Brazil. There are always pressing needs for the work of Baptist Faith Missions. Please pray and give as the Lord enables you to do so.

The Directors Of Baptist Faith Missions Buy A House In Lexington, Kentucky For Missionaries To Live In While Home On Furlough

This will require money for the initial down payment and the monthly payments. Please put this in your church budget to give a certain amount each month towards mission house in Lexington, Kentucky. The Louie Carvers will live in this house while on furlough.

Doctor And Hospital Bills

We always need special offerings for these. There is a large amount still needed for Mrs. Beans doctor and hospital bills. And there are the doctor and hospital bills for the birth of the Paul Hatcher's baby.

Dear Brethren,

We have had one of our best months since being in Brasil. The last week of July we had a week's meeting with Pastor Jose Vasconcelos doing the preaching. He did some excellent preaching of the Word. He is from Manaus. The attendance was very good with the high of 135. There were three professions of faith, five came for baptism that had already made professions of faith and one came for church membership. I have baptised four of the five that came for baptism.

One woman that made a profession of faith is the wife of Brother Helio. We have been praying and preaching to her for almost four years. Sunday morning of the last day of the meeting she came

Richard Turner

forward crying and accepting the Lord Jesus as her Saviour. About a month ago she took her "santos" (images of saints) out of her trunk and broke them up. Praise the Lord for this victory!

In our regular services we have also been blessed. We have had various visitors and an increase in attendance. One Sunday for Sunday School we had 72 and another 62. We are happy to have this increase.

The young people of the Church for about 12 weeks have been having a Sunday School for the children in Canjica. There are usually about 20 to 30 present. They also had a Vacation Bible School for them. We are continuing our services there Thursday nights. We have had one profession of faith there this month.

This month there had been no more trouble here at the Church building. After the organ was burned it appears that they are going to leave us alone.

Pray for us as we continue to work and also prepare to come to the States.

Outline Of Plans And Needs For College And Seminary In Manaus Brazil To Put At Least One Graduate In Each Of 27 States In Brazil

By Paul Hatcher

August 25, 1979

Dear Brethren:

Brazil has a population of 119,670,000, of which 89% are Roman Catholic. Baptist compose only 1% of the total population, which means there are hundreds of cities that have no church presenting the way of salvation in Jesus Christ alone. "How shall they believe in Him whom they have not heard, how shall they hear without a preacher." God commanded Timothy, "Commit thou to faithful men, who shall be able to teach others."

Messengers of the cross sent by the church must be prepared and trained to rightly divide the Word, if they are to be used of God to build dynamic churches that in turn will start other churches.

The Baptist Theological College and Seminary of Manaus is a ministry of the Tabernacle Baptist Church. Last year the Christian Academy graduated 300 high schoolers and now has a 1,600 enrollment. Students desiring to pursue Christian fields have no place to turn for college training.

The Tabernacle Baptist Church, tripling its membership to over 750 members in the last three years, has felt led to launch a college and seminary to train these seeking full-time Christian service.

By training these called men, by the help of God, we hope in six years to have at least one graduate in each of the 27 states and territories of Brazil, and each succeeding year add at least one pastor to each state to start a church—churches that in turn will produce other men and other churches.

We believe that with a high academic study program, learning in practice, and ministering in the local church, God will prepare faithful men to plant hundreds of strong, Bible-believing and evangelistic churches in Brazil.

Paul Hatcher

We need your prayers and financial help. Place the college and seminary on your prayer list and pray daily and give what God has placed in your hands.

We invite you to join hands with this ministry. Make your checks payable to Baptist Faith Missions For Brazil College and Seminary, P.O. Box 24204, Lexington, Ky. 40524.

August 15, 1979

We arrived in the U.S. July 31, 1979 as scheduled and have been quite busy ever since. We've been to the following churches since arrival. We were with the Newfound Baptist Church of Leicester, N.C. where Charles Phillips is pastor on Sunday a.m. of August fifth. Sunday, August 5th p.m. we were with the Turkey Creek Baptist Church also of Leicester, N.C. where Harold Cable is pastor and president of the school. I had the privilege of being the first speaker at this great conference. August 12th we attended services with my mother-in-law at the First Baptist Church of Merritt Is., Fla. for the a.m. services and I preached there at the evening service. I also spoke to the Fidelis S.S. Class of the First Baptist Church of M.I. (elderly ladies class) at a banquet that they gave in our honor on August 14th; this church called a pastor while we were with them. Brother Len Turner will become their pastor. Tonight, August 15th, I'm to be with the Orsino Baptist Church also of Merritt Is., Florida. I have appreciated being with each of these churches and do

Louie Carver

appreciate their kindness shown toward my family and me.

When we left Korea all the works were doing fine. Three of the works had just finished V.B.S. but didn't get a chance to get the exact report. However, the general reports were good for each. Summer Youth Camp was scheduled to begin the next day after our departure, so haven't gotten the results of that as yet either. We had our third graduating exercise the Friday of July 27th with two graduates. It is a real thrill to see young people and sometimes, not so young, come to school and watch them grow in the Lord and accept the Doctrinal Truths of His Word. I do appreciate beyond words those of you who have and are faithfully standing by us in giving toward our building, prices keep soaring to the extent that now I hardly know how much to estimate the cost to build but I can not start till I've the assurance of the money because the building must be completed within a year from the issuance of the permit. I still must cry out, "can, and will you help us?"

I as yet, do not know where we'll be living till sometime in October or November but if you want me to speak or show slides, etc. at your church just send a letter to 1007 Pinebloom in Lexington, Kentucky 40504 and I'm sure Brother Creiglow will get it to me.

Dear Brethren,

Garca, Sao Paulo
August 15, 1979

God has given us a great month. Every day has seen new mercies from His bountiful hand. Kathy was able to come and visit us for two months and a half—it was great to have her with us again. It seemed like every minute was more enjoyable than the other. God is so good. Kathy was able to return to the United States without the \$800 deposit, and best of all it took less time to take care of her documents than any other time. The first Saturday of each month the Bible Club of the Galia Mission has a meeting and the young saved people are in full charge of the meeting. This month there were 27 persons present including five from Garca. The program was really great. The highlight was a Bible quiz, a presentation by Jose, the crippled boy who was baptized about two years ago. Jose is completely invalid in his legs. I have to carry him to the car and his wheel chair has to be taken to each service. Jose told me he had something special he had made for the Bible Club. When his turn came he got out a little wooden box about the size of a cigar box with four or five wires wrapped around it. After getting some

John Hatcher

plugged, and other unwound, and papers placed in the right slots he was ready to start. Well, for each question from the Bible there was one possible answer out of five choices. If the one answering the question put the pin in the right answer slot a blue light came on. Jose stole the show. Then God gave us a real special blessing last week. While we were eating dinner a lady came to the house. She was from Duartina and came to tell us her mother-in-law was going to sell her lot and offered it to us. This is the first place we had held services in Duartina. That very afternoon we drove there to make the deal and best of all God provided the money to buy it. (No mission funds used.) A catholic man gave me almost \$100 and said, "Use this to preach the Gospel." A Presbyterian man came to the house and gave us \$165. With offerings in hand and these we have the amount to pay for the lot. Praise God for He never fails, and we can do all things through Christ who strengthens us and supplies all our needs.

John Hatcher

By Harold Bratcher

Dear Brethren,

August 17, 1979

Since the last Mission Sheet letter, I've held a funeral service for a two month-old child and a ninety year old woman. The child's parents are members of the 14th of December Baptist Church.

On the 21st of July, Asa Mark Bratcher and Hershael York went to the airport to meet Pastor J. Douglas King of Gotha, Florida. When everyone on the plane had gone through customs, Brother King was nowhere to be found. After calling his wife in Florida, we learned he had left home on schedule. After some of the things we imagined could have happened to him, we were relieved to know he was still in the states in Miami. His travel agency had not informed him that he needed a visa to enter the country.

On the 24th of July the church celebrated her 19th anniversary. Asa Mark Bratcher preached to an estimated 400 people. Our annual report shows that the church had a net loss of 12 during the year. We now have 588 members.

Harold Bratcher

On the 29th of July I baptized seven, and three were received by letter of restoration. On the first of August we had to exclude ten.

On Saturday the 11th, the pastors of the 12 BFM churches in Manaus had dinner together at the invitation of one of the pastors. It was a time of good fellowship.

Last Sunday I preached for the first time at the Manaus penitentiary. We had a good service there, beginning at 7:00 AM.

Today we have declared as Missionary Day in our church and will hold special services remembering the 1761 birth of William Carey, Baptist missionary to India, the death of our son, Joel Harold Bratcher, in 1971 and also today is the 23rd wedding anniversary of my youngest brother, Charles, of Ownesboro, Kentucky.

Brethren, continue to be missionary minded. We need you and you need us to help one another fulfill the missionary mandate of our master. Continue to designate for the Bratcher Building. May the Lord bless you is our prayer.

Yours in His Service,
Harold Bratcher

A Fruitful Month . . . Anniversary Services At Two Churches . . . Francisco 98 Years Old . . . Ten Baptized . . . 510 In S.S. And 400 In Night Service . . . Hershael York Working With Church This Summer

By Asa Mark Bratcher

Dear Brethren:

August 16, 1979

This past month has been a fruitful and busy one in the service of our good Lord.

Last month I had the privilege of bringing the messages at the anniversary services of two of our churches here. On the 24th of July, the 14th of December Baptist Church celebrated their 15th anniversary. Two Sundays ago, around fifty of us here at Tabernacle went to celebrate Brother Francisco Santiago's 98th birthday with him. Brother Santiago has labored faithfully for the Lord for many years and is the pastor emeritus of Tabernacle Baptist Church.

Also this month, I had the privilege of baptizing ten. Each Sunday we are seeing increased attendance and many

Asa Mark Bratcher

lost souls hearing the gospel being saved. Last Sunday there were 510 in S.S. and around 400 in the night services with eight decisions throughout the day.

We are happy to have Brother Hershael York working with us here during the summer. He is a member of Tabernacle, and is taking an active part in the work here.

We pray the Lord's richest blessings upon each of you. Continue to pray for us.

In His Service,
Asa Mark Bratcher

Dear Brethren,
Since my last Mission Sheet letter we have moved to the above address and we have retained our same phone number which will serve not only for us, but another missionary that lives in this house after we return to Brazil.

The theme of the conference at Bible Baptist Church of Clarksville, Tenn. was MISSIONS and for this we give the Lord thanks. Brother Elton Wilson and the church did a good job of hosting this conference and I thank them for giving me the opportunity to be one of their speakers. The fellowship was great.

One Sunday the Thompson Road Church was in need of

Bobby Creiglow

a speaker while their pastor, Brother James Hamilton was away and I was asked to supply. It is always a joy to be with this church.

For four days this month I had a new experience in that I was invited to be the missionary speaker at the Teays Valley Youth Camp. I was also counselor for the teenaged boys which turned out to be a very pleasant and informative task for me. All twelve boys were just great and I hope they were blessed as much as I for our having been together.

I spoke one Sunday at the Devondale Baptist Church, here in Lexington, where Brother Johnny Thompson is pastor. This is a very good church and this was my first time to speak there. It is good to meet other brethren in Christ.

It seems now that we will not be returning to Brazil until November, so, while we are here we are still trying to raise money for a bus to use in Brazil and also to pay for the building that we built last term. Would you like to help?

Son Leaves Peru To Enter Lexington Baptist College in Ky . . . All Work Doing Well With Professions Of Faith And Baptisms . . . All Of Family In Lima To Get Visas Renewed . . . School Functioning Normally

By Art Gibbs

Apartado 7
Huanuco, Peru
August 16, 1979

Dear Brethren,
Our house is somewhat quieter and lonelier as we all said good-bye to our son Ray last week. We rejoiced upon hearing that he arrived home safely and is already working and getting settled for the beginning of his classes at Lexington Baptist College. We appreciate very much the help of all the brethren who helped to make possible his returning to the U.S. to continue his studies.

All the work is doing well with professions of faith in most all of the works. I have baptized three here in Hco. and two more for the mission in Las Palmas.

This past month we spent the better part of two weeks in Lima as our visas had expired and new government policies

Art Gibbs

require that all the family be present in order to renew our visas. There were new photos to be taken, renewed finger-printing, and interviews with Interpol as well as our national police. Thanks be unto the Lord our visas have been re-newed for another two years.

The teachers' strike continues here in Peru with many unpleasant things taking place. Teachers have attempted to block streets and create general havoc. The police have responded meeting force with force. Our family got caught in a nasty shower of tear-gas bombs when Jo and the kids were downtown shopping. Gracey, our 6 year-old, just about went hysterical as one exploded at her feet. I don't suppose she will ever forget.

Our school continues to function normally and we continue to teach them the old-old story. We have much to be thankful for.

May God bless you all is our prayer.

Yours in HIM,

Dear Brethren,

This month has passed rapidly for us. We never seem to have time to do all we would like to get done. The Lord is blessing us and sustaining us. The fields are white unto harvest and the laborers are few. For us as we are soon to begin a new phase in our learning process. We are making plans to go and take care of Brother Turner's work while he and his family come home on furlough. It will be a test on our language abilities. We are looking forward to doing it, yet are burdened and prayerful at the responsibility. Brethren, we believers are the life-line of the elect. May we all take this responsibility earnestly. Many people here will

Harold Draper

never have the opportunity to prosper in this life, but there is hope through Christ for eternity.

We preached several times this month. Though our words are sometimes few and no doubt not always spoken correctly, the Lord blessed. Nine people made professions of faith. The word has not lost its effectiveness. We rejoice in this.

We want to express our appreciation to each one who has given toward our car. Please accept this letter as our way of replying to you. Also, we would like to hear from some of you through the mailbox. Our mailbox has been empty all week. It would be impossible to answer all of you, but if you feel led to write a particular missionary, I'm sure he would be blessed by it. We try to answer our mail, but I must admit we get behind at times. Also, at times mail gets lost. I got a letter last month that had been to Australia. If anyone should have questions about our work, we would be happy to share both our burdens and blessings with you. Brethren, pray for us.

By Michael Creiglow

Cruzeiro do Sul, Acre
August 10, 1979

Dear Brethren,

This is the first genuine summer that we have had here in Cruzeiro for several years. It has brought on many shortages, because the barges that supply the city cannot get here. The town is out of gasoline, diesel fuel, flour, bread, macaroni, meat, vegetables, water, electricity, many canned goods and plenty more. Nevertheless, the summer has been good for the spread of the gospel. We have had as many as five teams out this past month.

Besides the steady trips to Sacado and Rodrigues Alves, we have been to Floresta, Guajara, Humaita, Mourapi-ranga, Lagoinha, Santa Luzia, Mancio Lima and Sao Luiz. I was able to visit two of these

Michael Creiglow

places myself, while all of the other trips were made by the teams of preachers that First Baptist Church sends out.

It has now been a year since I was called to pastor the First Baptist Church of Cruzeiro do Sul. The year has been a blessing from God. We have had fair growth in almost every aspect of the Church's work. There has been a fair number of people saved and baptized and quite a few additions by letter. We had only one to be excluded during the year. A large percentage of pulpit time has been dedicated to doctrinal studies though, as we feel that doctrinal stability is necessary to growth.

May God bless all of you richly. Pray for this work just as we pray for yours.

In Christ,
Mike Creiglow

Have you made plans for that special Thanksgiving Offering? Please PRAY and Give.
