### A Special Need Right Now

Missionary Louie Carver advises that for about \$3,000.00 two of the Korean preachers can build a church building outside of Seoul, Korea where a new mission was started before Brother Carver came home on furlough. Brother Carver advises that he and his wife will give the land to build it on, and the two native preachers will build it and the Lord willing, the mission will be ready to organize into a church when he returns after furlough. Brother Carver says that if 30 churches or churches and individuals will give \$100.00 each the building can be built before hard winter sets in. Two churches and maybe more have already given \$100.00 each at this time. Maybe some one church would give it all or several will give as much as \$500.00 each. Let's give to build it. Mark your special offering for "Kai Pyoung Building".

### Another Special Need Right Now

Missionary John Hatcher wants to buy a lot at each place where he has a mission started in South Brazil, so that the people will see that the work is to be permanent in that place. Then he can build a small suitable building on each lot as the Lord provides. These lots can be bought now for about \$3,000.00 each more or less. Who will take this on as a project and give to it regularly each month? Pray and do it now. This can be done by the grace of the Lord.

### Another Special Need Right Now

Missionary Bobby Creiglow wants to buy a bus to use in his church at Varzea Grande, Brazil, as soon as he returns after furlough about the end of this month, the Lord willing. There is as of now \$941.92 in this fund. How many will take this on and give regularly to it so he can buy it? By the Grace of the Lord it can be done.

### Other Special Needs Right Now

To pay for the cost to leave Brazil and to bring his family home on furlough we need \$4,000 right now for the Richard Turner family trip to the U.S. We also need the funds for plane fares to send the Bobby Creiglows back to Brazil right now.

Art Gibbs needs to build a house on top of his church building in Huanuco, Peru for his family to live in, right now.

Harold Draper needs offerings to buy a new car to use. He does not have a car.

George Bean needs a new car when he returns to Sao Luis, after taking care of Bobby Creiglow's work in Varzea Grande.

Mike Creiglow needs offerings to pay for a new car right now, and for New building.

Harold Bratcher needs a new car right now also, the old one he has is shot.

### Need To Train Preachers For Each State In Brazil

Harold Draper is the last missionary to be given a permanent visa as a missionary to enter Brazil. No permanent visas are to be given right now. Paul Hatcher has outlined his plans to train and put Native Brazilian preachers in each State, the Lord willing. Read Paul Hatcher's letter in last Month's MISSION SHEETS. Get this on your heart and put it in your budget and give to it each month.

### DON'T FORGET TO GIVE A THANKSGIVING OFFERING

One Baptized In Garca . . . Average Attendance In Garca 32 And Galia 25 . . . Funeral Of Lost Man One Of Greatest Opportunities To Preach To The Lost . . . To Buy Lots Where Missions Are Started . . . An Appeal To Each Individual To Give To Missions

By John Hatcher

Dear Brethren,  
Garca, Sao Paulo, Brazil  
Sept. 21, 1979

God our Heavenly Father, has blessed us with all spiritual blessings in the heavenly places. Well, that is really what it is all about, and that is the reason we are here. He wants us to trust Him and to learn that He never leaves us nor forsakes us. This month one young lady, nineteen years of age, was baptized here in Garca. Our attendance has been up to a high of forty-one here in Garca and an average of about 32. In Galia our average attendance is about 25. Due to the cold weather and rain it has not been possible to maintain services in Duartina, but hopefully we will soon be able to build a shelter where services can be held regularly. If the Lord wills, a piece of land will be bought in Galia soon. Several lots have been looked at but nothing certain has been decided since there is no need of bargaining until we have money in hand. One of the first three to be baptized in Garca was a lady who lived separated from her husband. It would take pages to tell of all the trials she has encountered since becoming a Christian. Her husband had a fight with the woman he was living with and put her out of the house after three years. He was put in the hospital and after a serious operation began calling for his wife. She felt the Lord would have her to go and do all she could for him, and she did. His time was very short however, and in less than a month he died here in Garca. He seemingly made peace with his family but there was no indication that he was saved. His funeral was held in our mission building, and offered one of the greatest opportunities to preach the Gospel that we have had. The message was about the terrible loss of the soul when a man dies lost. Perhaps the greatness of a soul should not only be realized by the man who needs to be saved, but also by those who are saved, so they would be busier about the real purpose of preaching the Gospel to every creature. Here there is no abundance of laborers. I am the only Baptist preacher in the three cities where missions are now, and there are four or five cities close by which have no Gospel witness. And 300 municipalities or counties in our

John Hatcher

State alone that do not have a Baptist work. In closing let me ask you a very personal question. Have you, dear brother reader, or dear sister, have you personally ever made a commitment for the support of missions? Oh, I understand that perhaps your church supports missions, but rewards will not be given to a church, rewards will be given to individuals as to their faithfulness to the Lord, and of course this involves in and through His church. Churches are made of individuals and it was to such individuals that Paul wrote by the leadership of the Holy Spirit and said: "Let each one of you lay by him in store, as God hath prospered him . . ." When missions become a personal concern the work will expand, the lost will hear the Gospel, and the rewards will be eternal. Brethren, pray for us that the Word of God will have free course.

In Him,  
John Hatcher

## Two Funerals And Four Wedding Ceremonies . . . Trip To Manacapuru . . . 403 In S.S. . . . Ten Days Trip Into The Interior To Three Missions . . . Hershael York Preaches In Portuguese Before Returning To The U.S.

By Harold Bratcher

Dear Brethren, September 18, 1979  
Since the date of the last Mission Sheet letter, I've conducted two funerals and performed four wedding ceremonies and visited and prayed for several new babies.

On the 23rd of August I preached at the Zion Baptist Church in Manacapuru. The occasion was Pastor Moises Ferreira Lima's birthday. On the 26th of August we had 403 in Sunday School—the high for this period. On the 28th of August Mrs. Bratcher & I left Manaus on the "Joaozinho" at 1:30 p.m. We arrived at 11:30 p.m. at Amatori. Each day until the 7th of September we held one or more services daily. On the 29th I preached to 120 at Nova Remanso. Thus, we inaugurated the newly constructed church building. Thank you for helping us build it! On the 30th we were with our mission at

Harold Bratcher

Amatori. Friday night we began our annual revival at Cana on the Buzzard River. The Lord blessed our efforts there with some five rededications, three professions, six baptized and two restored.

On the last Thursday morning of the trip, Mrs. Bratcher fell from the boat into shallow water and mud. She cut and bruised her big toe on her left foot. It hadn't completely healed from the last trip when she stumped it on another boat. As of today it is still paining her. Pray for her complete recovery.

On the 9th of September, Hershael York, our summer missionary, preached in Portuguese at the 14th of December Baptist Church. On the 12 he returned to the States. We thank him for spending his summer with us. He was a blessing to us. "Saudacoes e saudades" - Brother Hershael.

Please continue to help us by giving to B.F.M. regularly or designated to the Bratcher Building. Remember that the poor have the gospel preached unto them.

Yours In His Service,  
Harold Bratcher

## A Good Month . . . A Week Of Prayer Meetings . . . Services Somewhere Five Nights Each Week . . . Good Report From Sao Luis

By George Bean

Caixa Postal 720  
Cuiaba - Mt. 78,000  
September 15, 1979

Dear Brethren,  
This has been a good month here in the Lord's work and for this we are glad.

We have had a weeks prayer meeting (each night at 7:30) and then on Thursday night we had an all night watch night service. We started with 80 and finished at 5 a.m. with 40 people still there and some of them lost people. Brother Turner preached one time and I also preached and many of our brethren gave testimonies (men), with much singing. We have closed out our preaching point at Poconei, as we could not rent or find a house to have services in, and the last time we were there one man came to the services as Brother Turner was finishing the message. The rains are here and we cannot stay out in the parks to hold services and after much prayer we decided to not go back any more. I do not feel that we failed in Poconei. We did what the

George Bean

Lord told us to do, we went, we invited people to our services, we gave out Gospel Tracts, we talked personally with many people, we prayed for the salvation of the people and the Lord was not pleased to open the door. We still are praying that the Lord will send some missionary there to Poconei as there needs to be a Baptist Church in that town.

Our preaching point at Mapim has also stopped as all the three families have gone into the interior to work on plantations and farms so we lose two preaching points. This does not mean that we are not busy, we are having services somewhere in Varzea Grande five nights a week as our members want to have special services in their homes etc.

I have had letters from Sao Luis and all goes well there in the churches and they are waiting our return some time in November.

There were two professions of faith this month at Faith Baptist Church and we had the sad duty of excluding two and two joined by letter from another Baptist Church.

May the Lord be with each reader of the Mission Sheets.

Yours to tell the OLD, OLD Story,  
George and June Bean

## Blessed Month With Increased Attendance At Tabernacle And Peniel Baptist Churches In Manuas, Brazil . . . 13 Baptized At Tabernacle And 7 At Peniel And 12 Baptized At Castanho Mission . . . Hershael York Returning To The U.S. And Paul Hatcher Returning To Manaus

By Asa Mark Bratcher

Dear Brethren, September 11, 1979  
This past month has certainly been a busy but blessed one in His Service. We have seen the attendance increase at both Tabernacle and Peniel with decisions in almost every service. Also this past month I had the privilege of baptizing 13 new converts for Tabernacle and 6 for Peniel.

Last Friday morning, the 7th of September, which is Brazil's Independence Day, a group of around 50 from Tabernacle Church went by bus to the small interior town of Castanho. Castanho is where one of the Mission points of Tabernacle Church is located. We went to help the brethren there celebrate their first anniversary as a mission. That afternoon a special service was held for the children and there were over 170 children present. Later that afternoon I had the privilege of baptizing 12 for the Mission. That night, the Lord blessed with a good service with the building full and some standing. We slept there that night and

Asa Mark Bratcher

at five-thirty Saturday morning we were on our way back to Manaus, arriving safely at ten-thirty, tired but happy with the blessings of the Lord.

This week, Brother Hershael York will be returning to the States, and Brother Paul Hatcher and family will be arriving back in Manaus. We thank the Lord for the Ministry of His servants.

As we close we request your continued prayers and support in every way possible. This past month has especially been a time of trials and testing but this has taught us to rely completely on Him because, Praise His Name, Our Lord is able.

In His Service,  
Asa Mark Bratcher

## Must Move From House Rented For Five Years . . . Begin Second Semester Of Bible School . . . First Church In Iquitos to Ordain Pastor . . . Four Baptized At Huanuco And Two Baptized At Aucayacu . . . Thanks To All Who Help In Support

By Art Gibbs

Apartado 7  
Huanuco, Peru  
Sept. 17, 1979

Dear Brethren,  
We are somewhat nervous this month as we have been served a notice that we will have to leave the house that we have been renting for the past five years and as of yet we have not been able to find anything adequate that we might rent. None-the-less I am sure the Lord will provide something as we are trusting in HIM.

We began the second semester of our Bible School this month with increased enrollment and it seems greater enthusiasm of both students and staff. Planning is already underway for a summer program which will begin the 1st week of January.

I just received a letter from the Pastor of the First Baptist Church of Iquitos informing me that the Church had voted to ordain him to the gospel ministry the 15th of October inviting me to come and speak at that time. I was very favorably impressed the spirit of Brother Humberto when I visited Iquitos last month and was made to rejoice upon hearing of his forth-coming ordination.

Art Gibbs

All the work continues to do well. I have baptized four here in Huanuco this month and Brother Pedro Aquino baptized two who came professing faith as Brother Abel Panaifo was there preaching a week-long conference.

Our amplifier for public address system here in Huanuco is burnt out again which makes me remember something that I had observed while we were home in the U.S. Many of our sister churches are installing new sound systems and buying new printing equipment. Forgive my boldness but I speak in this manner because of my confidence in your love, but we could put your old sound equipment and printing equipment to good advantage here in Peru. Gospel tracts have become so expensive that they are out of reach for most of our churches.

Once again our thanks to all of you who help to make possible our ministry here in Peru, and a special thanks to those who have helped and continue to help with our Huanuco building program.

May God bless you all.  
Yours in Him,

Missionary Art Gibbs & Family

## Getting Ready To Move To Cuiaba To Take Care Of Richard Turner's Work While He Is On Furlough . . . Note His New Address . . . His Car Fund Is Growing . . . Five Professions Of Faith In Fortaleza

By Harold Draper

Brazil, South America  
Sept. 12, 1979

Dear Brethren,  
We are very busy now trying to get everything in order to leave for Cuiaba to take care of the work there. The Lord has been good to us here. We do not speak the language as well as we hope to later on, but

we can communicate with the people. It will be a real opportunity and challenge to take care of the work there in Cuiaba. I feel very unable, but the Lord is faithful.

Again, I want to thank all who have supported us in prayer and also financially. The fund for our car is growing. We hope to be able to buy a car after our time in Cuiaba. While there we will use the Kombi of

Harold Draper

Brother Turner's. We are praying that we will have enough after this to buy our own car. There is no point in telling you folks that the price of living is going up. You also are experiencing it there. I am thankful my confidence is not in this world during these last days.

We have been preaching as usual in the center of town. The group there is small but faithful. Brother Aldridge intends to carry on with the work after we are gone. It is a very hard place but in great need of the gospel. The Lord has saved five souls there in the past few months. His sheep still hear His voice.

Our next letter will be from Cuiaba. I have enclosed our new address above. It will be the same as Brother Turner's is now.

Yours in Him,  
Harold M. Draper

## Two New Missions Started . . . Church Building Dedicated At Vila Rodrigues Alves . . . Discipline Practiced At First Baptist Church . . . Good Reports From Other Works . . . Pleas For Offerings To Finish First Baptist Church Building

By Mike Creiglow

Dear Brethren,  
Cruzeiro do Sul, Acre  
September 12, 1979  
Two teams of our preachers have surveyed and begun two new works in two new villages. One of the villages had never had a preacher at any time. There has been one profession of faith at this new work. Twenty of our members went to Vila Rodrigues Alves this month to help them celebrate the completion of their new building. The dedication service was held on Saturday night, August 25. We had no way of knowing exactly how many were at this special service, but we do know that there were over 200 people inside and that the building was completely surrounded on the outside. Two people were saved. One of these is a merchant. His "friends" have been really giving him a rough time. The folks there at the Tabernacle Baptist Church have been really blessed of late and they know it and act it.

Mike Creiglow

The work here at First Church has been just average. We have had to discipline by exclusion three of our members. We have had some new members to come by letter and just last week there were two young ladies saved.

All the other works are going smoothly. Besides good reports from all of our missions we have also heard from several of the other churches. Good reports have come from Humaita, Mourapianga, Mancio Lima and Colonia.

We thank all of you who have been giving offerings toward our new building here in Cruzeiro do Sul. It might be of interest to many, that quite often we have over capacity crowds in our building. This means crowds of 200 plus. Our old building is wood frame and was built in 1935. In tropical weather that is a very, very old building. We have only 3 Sunday School classes since we have no other place to put other classes. We must get into our new building soon! Please give as the Lord leads.

In Christ,  
Mike Creiglow

September 18, 1979

Dear Brethren,  
Our work goes on here as usual. Our services have been down somewhat but we have had some visitors and lost people coming. In the adult Sunday School class that I teach we finished up the study of I Corinthians and started II Cor. In our prayer meeting Wednesday nights I just finished teaching the book of Revelation and now are studying the book of Exodus. The people that were added to us by baptism last month are being faithful and seem to be growing in the Lord.

Richard Turner

We have continued our services in Canjica but there's little interest being shown. I think it is because the owners of the house where we are having the services just as soon that we quit.

We are trying to find a house to rent but it is almost impossible to find one. We are having these services Thursday night. Sunday afternoon the young people of the church are still having a Sunday School for the children and sometimes adults. One Sunday a man brought his blind Mother in a wheelbarrow to the service. It looks as if we will have to discontinue the Thursday night service until we find a house to rent.

I attended an all night watch service at the Faith Baptist Church this month. I had the privilege of bringing one of the messages the service started about 9:30 p.m. and lasted until 5 o'clock a.m.

We are now trying to get ready to leave Brasil and return to the States next month. There is so much documentation to be done sometimes we think it would be easier just to stay.

We have been informed that we shall have a place to live in Lexington since the BFM is buying another house for missionaries.

In Him,  
Richard A. Turner

Dear Brethren,

This past month I've been quite busy traveling in various states in telling of God's Work and the needs of His work in Korea. I've been privileged to have been with the following since the last mission letter: Aug. 19th A.M. Jordan Bapt. of Sanford, Fla., Pastor Stanton; Aug. 19th P.M. Bible Study with South Side Bapt. of Winter Haven, Fla., Brother G. Starling is pastor; Aug. 22nd with Poplar Creek Bapt. of Leighton, Ala., Brother F. Phillips is pastor. I was

Louie Carver

privileged to have been with the following from Aug. 26th thru 29th in the Boone and Lenoir areas of N.C.: Mt. Lebanon Bapt. Brother C. Wilson pastor; Mt. Dale and Antioch also pastored by Brother C. Wilson; Forest Grove Bapt., Brother C. Fletcher pastor; Timbered Ridge Bapt., Brother R. Green, Pastor and Worship Point Bapt., Brother B. Green pastor. Then on Sunday A.M. and the Labor Day Conference of Sept. 3rd (2nd & 3rd) I was privileged to have been with Grace Bapt. of Fairborn, Ohio where Brother P. Kirkman is pastor and on Sunday and on Sunday P.M. of Sept. 2nd was with the Immanuel Bapt. of Centerville, Ohio where Brother D. Messer is pastor. On Sept. 5th Wed. P.M. I was with Pastor J. Bentley and the Battle Bapt. of Mackville, Ky.; on Sat. P.M. and Sun. A.M. of Sept. 8-9th I was privileged to be with the Bible Bapt. of Harrisburg, Ill., Brother A. Donley is pastor and on Sept. 9th P.M. I was with the Morgan Ave. Bapt. of

Evansville, Ind. where Brother J. M. Hatcher is pastor. Last Wed. Sept. 12th my family and I attended the Richmond Rd. Bapt. here in Lexington, Ky. where Brother J. Gumm is pastor. I arrived home this A.M. at 2 o'clock having been yesterday, Sept. 16th with the Salem Bapt. of Willow Hill, Ill. for both A.M. and P.M. services. Brother Berry Pulley is pastor of this fine church. I do appreciate the warm hospitality and offerings given me by these great churches and their fine pastors.

I've only received the report from one of our works since being in the States. Brother Cheong, pastor of the Shin Nae Church wrote that they'd had a good youth camp and a good month at the Shin Nae Church. Also received a letter from one of the young ladies of the Faith Bapt. Church in Seoul and she stated that Pastor Song and Deacon (Dr.) Lee were working hard in the church.

Our need for a building at Faith Church is greater than ever, will you help? Also I need now \$3,000 so we can get built before cold months, a simple structure for the mission at Kai Pyoung. My wife and I are giving the land to build on. If only 30 churches will give only \$100 each that need will be met. Two have already done so will you? In fact one church or individual could do it and what a blessing God would give you for doing so.

I wish to express our heartfelt thanks for so many who've been such a blessing to us since our arrival in the States. Especially do we thank Brother & Sister E. Gordon for opening their home to our family and also Brother & Sister Vernon Mathis for furnishing us an apartment. If you would like me to be in your church please let me know.

In Christ,

## Appointment With Immigration Department To Get Daughters Naturalized . . . Preached At Labor Day Conference In Fairborn, Ohio . . . Building Garage For Mission House In Lexington, Ky.

By Bobby Creiglow

Dear Brethren,  
Lexington, Kentucky  
September 19, 1979

A few days ago I called the immigration office and they confirmed that our meeting with them would be on October 16 and so, as soon after that date that we can get our passports we will be on our way back to Brazil.

I have visited very few churches this month and therefore do not have much to report. I did speak twice for the Grace Baptist Church and pastor Paul Kirkman and then also on their Labor Day conference. I also spoke once at a youth conference at the Bible Baptist

Bobby Creiglow

Church here in Lexington where Brother Sidney Bates is pastor.

While I am resting I am building a garage for Mission house at 1012 Balsam Lexington, Kentucky. I should have it finished soon.

Pray for us as we get ready to return to Brazil.  
In his name,  
Bobby D. Creiglow
