The Harold Bratchers on their 20th anniversary as Missionaries of Baptist Faith Missions to Brazil. There was a special service in the church and hundreds celebrated the happy occasion with them.

Hershael York with the Harold Bratchers. Hershael spent the summer from his studies at Michigan State University working with the Fourteenth of December and Tabernacle Baptist Churches in Manaus, Brazil.

Hershael York preaching and Harold Bratcher translating in the Fourteenth of December Baptist Church. Hershael also made a journey with the Bratchers into the interior of Brazil to several mission points.

While on a journey into the interior of Brazil, Mrs. Harold (Maria) Bratcher washes the clothes, while standing in the water of the Amazon River. A faithful wife and missionary.

### John Hatcher's Work

John Hatcher's work in south Brazil has been long hard months of work that is now beginning to show growth. He has bought one lot in one city and to buy lots in two more cities for mission buildings and he plans still more missions in cities where there is no Baptist work. Please get this work on your heart and pray for it and then you will begin to give for it.

### Bobby Creiglow Needs Offerings For Deficit And Bus

Bobby Creiglow has pleaded for offerings for deficit on building and to buy a bus and still far from reaching the needs. He is returning to Brazil to work faithfully with what he has. If every member of every church would give something for missions every month, his needs would be met and also the needs of all the other missionaries.

### Louie Carver

Louie Carver continues to plea for offerings to build building for his work in Korea. He needs at least \$60,000.00 and maybe more for the three story building. One floor for church, one for school and one for apartment to live in. This could be accomplished if every one would pray and give.

### Most All Our Missionaries Need New Cars To Use In Their Work

Most of them are using cars that would be ready for the junk yard here in the U.S. and most of us drive good cars. It is so hard to get some to see the needs.

### Douglas Gasques

Hopefully, the Douglas Gasques will be granted visas to go to Peru as new missionaries within a few more weeks. Big Bear Creek Association of Missionary Baptist Churches has just held their 144th annual Association meeting in Alabama. This Association of more than 30 churches is the oldest Association in Alabama. 144 years of history in Alabama and Douglas Gasque is in the midst of the area these churches. If all these more than 30 churches would get this young missionary family on their hearts they could give enough each month to send them to Peru and pay salary and expenses. Think of it. What a great opportunity. What a challenge to really be Missionary Baptists. We need thousands of dollars to send the Gasques to Peru and get them settled and in language school and have food to feed the family. What if each member of the more than 30 churches would give only one dollar each month for this mission work???

### Doctor and Hospital Bills

The doctor and hospital bills for the Paul Hatcher new baby and surgery on son Judson amounts to \$2,611.11. Does Any one care?

### New Churches

From time to time new churches begin to support the work of BAPTIST FAITH MISSIONS. And from time to time some churches quit the support of the work of Baptist Faith Missions. Some do not care whether the missionaries in foreign countries have enough to eat or not. Some may not pray for the missionaries. Some never give anything for missions and the lost are dying and going to hell. How can anyone call themselves "Missionary" Baptists and never give anything to missions?

### Art Gibbs

Art Gibbs is building a house on top of his church building in Huanuco and there is a deficit on the church building of \$6,356.31. To raise this deficit would be no problem if some would get this on their hearts and pray and give regularly till the deficit is paid for.

### Some See Need For A Car For Harold Draper

Some have the need for a car for Harold Draper on their hearts and are giving towards this regularly and there is now \$4,319.54 in this fund. Cars in Brazil as in the U.S. are continuing to increase in price, and several thousand more is needed towards the purchase of this car.

### Car For Mike Creiglow

We need special offerings to pay for a car for Mike Creiglow and also to finish the building in Cruzeiro do sul and the mission owned house that he lives in is in need of repairs estimated at a cost of \$5,000.00

### Inflation

Because of inflation the missionaries need increases in salary from time to time and that is the case now as you read this. This calls for increase in the regular monthly giving for all.

### Harold Bratcher Works

Harold Bratcher has his large church in Manaus and also several mission in the interior. The deficit on his large building in Manaus is \$21,340.52 and he needs funds for his work in the interior. He has to rent a boat to make trips to these interior missions.

### Plane Fares

Plane fares are always needed and it takes thousands of dollars for each trip to and from the mission field. The Richard Turners are due home any day now for a furlough. The Bobby Creiglows are to arrive in Brazil before you read this.

### KEY Money

KEY money will continue to be needed until Carver gets the new building with an apartment on the top.

### Doctor Bills

Mrs. George Bean's doctor and hospital bills at the present are \$2,598.50.

### Asa Mark Bratcher To Marry

Asa Mark Bratcher is getting married in December and we need a house for him and his bride in Manaus, Brazil. Several thousand dollars towards this house would be a good down payment and we could get one immediately. Baptist Faith Missions now owns six houses for the missionaries to live in on the mission fields and we need that many more right now.

### Thanksgiving Offerings

Some give to this regularly each year and some never give a Thanksgiving offering. It is a definite proven fact that the church or individual who gives large special offerings have more for all other needs. If you do not give a Thanksgiving offering by that date, it can be given later or at anytime.

### Son Asa Mark Now Pastor At Peniel Baptist Church . . . Churches Have Fellowship Dinner . . . 400 In S.S. At 14th Of December Church . . . Lay Preacher Goes To Interior To Pastor Mission At Olinda . . . An Appeal For Offerings For Bratcher Building

By Harold Bratcher

Dear Brethren:  
October 16, 1979  
On Saturday night, September 22nd, Mrs. Bratcher and I attended a special service at Peniel Baptist Church. Missionary Paul Hatcher preached and Asa Mark Bratcher was formally installed as pastor of the church. We pray that the Lord will give him a most blessed ministry there.

On the 6th of October, the pastors of the churches of B.F.M. had another fellowship dinner at the Second Compensa Baptist Church.

On the 7th of October we had 400 in Sunday School at the 14th of December Baptist Church—the high for this period. Sunday night we had a good service. I baptized six. This month I was out of Manaus only once. Some six of us drove about 50 miles round trip to hold services in a home of one of our members. We returned the same day.

Harold Bratcher

Sunday night our attendance was down. It rained. One of the evangelists of the church preached. The evangelist or lay preacher that preached Sunday night, Zonil Nunes Cunha will be leaving tomorrow to live in the interior. He has worked full time for the church for some three years. In the interior he'll help his father-in-law farm and also be the pastor of our mission at Olinda. With his going there we'll have some 12 baptized believers there. Pray for him in his new work in the interior.

What more do I need to write? Do I need to make an appeal to you to continue to stand by us and help us with your prayers and offerings? We need each other as we obey the Lord in carrying out the Commission given us by our Lord in Matthew 28:18-20. Continue to give to the Bratcher Building and pray that the 14th of December Baptist Church will be able to continue to give also.

Dear Brethren:  
September 25, 1979  
September 15, 3:00 a.m. we arrived at the airport of Manaus to be greeted by over one hundred friends from the Tabernacle Baptist Church.

We have been thrilled by the wonderful job Brother Asa Mark Bratcher did with the church and God's prospering hand upon his ministry. We had the privilege the Saturday after arriving of preaching his inauguration service as pastor of the Peniel Baptist Church.

The schools are all in good shape; and pray with us that before the end of this school year many hundreds of them will repent and trust the Lord Jesus Christ as Lord and Savior. Pray that God will raise laborers for the field and raise the immediate support we so badly need for the college and seminary. Ask God how much he would have you send today for the Baptist College and Seminary of Manaus. Three hundred persons giving one dollar a day for the coming year can train young people that in turn will be planting churches in each of the Brazilian states. Propose in your heart now what God would have you do.

Love,

### In Cuiaba To Care For Turner's Work While He Is On Furlough . . . Report Of Last Services In Cuiaba . . . 18 Professions Of Faith While Living There One Year . . . 17 Come To Airport To See The Leaving For Cuiaba . . . Drunk Professor Attends Service In Cuiaba

By Harold Draper

Dear Brethren, October 18, 1979  
Greetings once again from Brazil. This has been a very busy month. We are now at the Turner's house in Cuiaba. We spent our last weekend in Fortaleza moving out of our house and storing our furniture. I had the opportunity to preach at Brother Aldridge's church the last night I was in Fortaleza. A woman of about fifty years made a profession of faith. The church there gave us a going away gift. We enjoyed the fellowship with the church and with the Aldridges. Also, at the work in the center of town we held our last service. It was a moving service. Seventeen people came to the airport to see us off. We left rejoicing in the goodness of the Lord. When we arrived in Brasil eleven months ago we knew nobody except the Aldridges in Fortaleza. When we left we had come to know many people. Eighteen people made professions of faith in our ministry there. We trust they were not our concerns but truly saved. This is certainly our desire.

Harold Draper

We want to request the prayers of all of you there as we begin our ministry here. We still are not too good in the language, but the Lord is blessing. I preached in Varzea Grande last Friday night for Brother Bean. Last Sunday night I preached to a good crowd at the Good Hope Baptist Church for Brother Turner where we will be working for this year. One of the University professors who lives close to the church came to the service. He was intoxicated and asked me a couple of questions while I was preaching. But the Lord kept him under control. Our hearts were saddened to see the damage to Brother Turner's church building. But our Lord knows best. Even the wrath of man will be turned to glorify the Lord.

We want to express our thanks for the offerings which have been given toward our car. We are not worthy of His blessings. I am giving our new address:

### Plans For First Thanksgiving Conference In Peru . . . Special Meetings With Professions Of Faith Working To Build House On Top Of Church Building . . . Hope To Get Visas For The Gasque Family Soon

By Art Gibbs

Dear Brethren, Apartado 7 Huanuco, Peru October 9, 1979  
Plans have now been in the making over two months for our first Thanksgiving Conference here in Peru. If it is pleasing to the Lord we plan to make it an annual Missionary Conference just as you all do at home. Surely of all our national holidays Thanksgiving must be one of the most pleasing to the Lord. We are praying that you all will have a great conference this year and that it will truly be a time of thanksgiving. Please pray like-wise for our conference.

This past month I preached a four day meeting for the Gesthemane Baptist Church in Tingo Maria dividing the preaching in between their mission in Las Palmas and the church in Tingo. We had one profession of faith in Tingo and three in Las Palmas. We also have had several professions of faith here in Huanuco. I baptized one here in Huanuco.

Art Gibbs

I am hard at work building again as I am trying to build a place for my family and I to live on the second floor of our Huanuco church building. It is trying to build anywhere but especially so here in Peru where shortages abound in everything from materials to competent laborers. Prices for building materials as well as for labor, change almost weekly to make things even more trying. Please pray that the Lord will help me to have a place ready before we have to get out of the house where we have been living.

We are all anxiously anticipating the arrival of the Gasque family here in Peru. The people doing the paper work for us with the government say that they should have their visas in approximately six weeks. We will sure be glad to get some help. Please pray for the Gasques as they prepare to come and as they endeavor to learn Spanish.

May God bless you all. Thanks for your prayers and offerings.

Yours in HIM,  
Missionary Art Gibbs & Family

After the night service in the building of the Baptist Mission at Costa de Sao Jose de Amatori, the Harold Bratchers and Hershel York slept in their hammocks hung in the mission building. It is great to be faithful missionaries.

### Woman Professes Faith And Asks For Baptism . . . To Buy Lots For Work In Three Cities . . . Man Comes 300 Miles To Give \$340.00 For The Mission Work . . . Needs Offerings For Three Buildings Now On The Three Lots In Three Cities

By John Hatcher

Dear Brethren, Garca, Sao Paulo October 15, 1979

Our last letter to you was written on the 21st of September. Twenty-four mornings have passed and every morning "His mercies and compassions have been new—great is Thy faithfulness." What a privilege to be able to say with the prophet Isaiah:

"The Lord is my portion, saith my soul; therefore will I hope in Him." This month God has blessed our services with a steady number of attenders. One lady made a profession of faith and stated that she wanted to be baptized. Her husband and four children have been attending Sunday morning services for several months. For Galia and Garca together our average attendance has been around 65 on the Sunday services.

This month several lots were looked at in Galia, and hopefully one will be purchased before long, perhaps before our next letter. Our young Christians

John Hatcher

in Galia are growing in Grace. Jose, the crippled boy, is going to direct the mid-week service next Thursday night. He has been working on some messages for some time. His is completely invalid from the hips down. God never ceases to surprise us with special things—things not asked for nor imagined. The lady who lost her husband last month gave an almost new refrigerator to our Congregation. Last week a friend, who visited our congregation on Wednesday evenings while working in Garca, sent us a letter announcing he was coming to visit from Sao Paulo, 300 miles away. He was supposed to arrive on Tuesday but came on Thursday. His purpose was to give an offering of \$340 to the Lord's work here. It is money that a man owes him and will be received monthly, but today the first \$50 was received. God helped us to get the lot in Duartina and now He continues to supply for other needs also. Our plans are to buy a lot in a third city as soon as possible. That means we will need three buildings soon besides the building here in Garca. May it please the Lord to lead you to help also.

In Him,  
John Hatcher

### Baptizes Son Adam And Ten Others In First Service In New Building Without A Roof . . . Second Service With Many Lost Young People First Time Ever In A Baptist Church . . . Gasoline \$6.70 Per Gallon . . . Used Car Bought In Manaus Arrives By Boat In Two Months And Ten Days.

By Mike Creiglow

Dear Brethren, Cruzeiro do Sul, Acre October 12, 1979

First Baptist Church of Cruzeiro do Sul held a baptism service Sunday morning, September 16. It was my privilege to baptize 11 into the fellowship of the church. The youngest of these is 8 years old and the oldest is 74. One of those to be baptized was my son, Adam. This was the first service held in the new building.

Needless to say the service was in the open air, since the roof is not on yet. However, I can't think of a better first service than a baptism service.

Our second service in the new building was last week when we had a young peoples get-together. There were over fifty young adults, over half of them being lost. We sang, had refreshments and best of all witnessed to them.

Mike Creiglow

Several had never been in a service of a Baptist Church.

The works along the rivers are going fine. The gasoline shortage had made us have to really tighten our use of fuel. It has limited our range somewhat, but we have not had to stop altogether. We are expecting a barge with gasoline in a few days. During this shortage gas prices in this area soared to \$6.70 per gallon. We didn't buy any at that price because God opened other doors.

While in Manaus a few months ago I bought a used car and had it shipped to Cruzeiro. The river has had a fair amount of water for barge travel toward the end of dry season. Nevertheless the barge took 2 months and 10 days from Manaus to Cruzeiro. I tell you these things so that you can consider the circumstances of your missionaries and be more concerned and involved. Pray for and give to missions. Thank you for always taking care of us.

In Christ,  
Mike Creiglow

### Twin Daughters Naturalized U.S. Citizens Now . . . Waiting For Passports To Return To Brazil . . . Garage At Mission House Completed . . . Last Churches Visited . . . Needs For Deficit On Building And To Buy Bus Not Realized.

By Bobby Creiglow

Dear Brethren, 1007 Pinebloom Dr. Lexington, Kentucky October 24, 1979

The naturalization of the twins is now final, we have made application for passports, have our yellow fever shots and now are just waiting for the passports and November to come and we will once again be on our way home in Varzea Grande, Mato Grosso, Brazil. If all goes as planned we will leave Blue-grass field on November 7 and will arrive in Manaus very early in the morning on the 8th.

The garage that we were building for the Mission is now finished and I did some supply preaching for Brother James Hamilton and the Thompson Road Baptist Church and that has been our activities for the month. I also preached for Brother Gerald Smith at North Side Baptist Church.

All of you have been very kind to us this past year and we are very thankful to you and for you. In our preaching we have tried to promote missions this past year but, it seems we have not made much progress

Bobby Creiglow

and that the word has fallen on deaf ears. For our own projects, we have tried to raise money to pay off the building we built and to buy a bus for this term and we have fallen far short of what we expected. We will return to Brazil and try to do the best we can with what we have to do with. We would like to say to those who support us, thank you very much and look on the fields, for they are already white unto harvest.

In His Name  
Bobby D. Creiglow

Dear Brethren,

This past month has been one of much travel and speaking. I have been with the following since the last report: September 23rd, A.M. Grace Baptist Church of Holly, Mich. Brother Bob Hopkins is their pastor; September 23rd, P.M. with the Lake Road Baptist of Clio, Mich. where Brother D. Armstrong is pastor; on September 25th P.M. in a Missions Conference at Faith Baptist of Madison Heights, Mich. where Brother B. Lamb is pastor. On September 30th A.M. I was with the Isbell Chapel Baptist of Tusculum, Ala. Brother B. Amos is their pastor; September 30th P.M. I was again privileged to be with the Popular Creek Baptist also in the Tusculum, Ala. area Brother G. Phillips is their pastor. October 3rd I was with the Laurel Chapel Baptist of Marshall, N.C. presently they have no pastor, my parents used to carry me (as a baby) to this church. October 4th I showed slides in the community center building of Leicester, N.C. then on October 7th A.M. I was with the Twelve Baptist of Warren, Mich. where Brother W. York is pastor and October 7th P.M. was with Pastor: M. Summers and the New Hope Baptist of Dearborn Heights, Mich. where I was also privileged to speak on Monday P.M. of October 8th to their Baptist Institute Chapel Students. October 10th I was with the Antioch Baptist of Jackson, Mich. where Brother E. Gordan is pastor. October 14th A.M. I was with Pastor: C. Presley and the Emmanuel Baptist of Riverview, Mich. then on October 14th P.M. I showed the slides and preached at the Grace Missionary Baptist of Wyndotte, Mich. where Brother W. Mullins is pastor. I attended the Mission Conference at Mansfield Baptist Temple of Mansfield, Ohio where Brother R. Folger is pastor; while there I showed slides on Tuesday A.M. of October 16th and then spoke in this great Missions Conference on October 17th P.M.; it has been a real joy having been with these great churches and their fine pastors.

Louie Carver

I received reports from all our Korean works last month and seemingly all is going well. The Shin Nae Church had baptized nine (9), the Faith Church had baptized one and the Kai Pyoung Mission had baptized five; all the works reported professions of faith. The school there is also in full swing and seemingly doing fine. Thank God our works in Korea are not builded around me (man) but around the Word of God. I am pleased to report that at the time of this writing we only lack approx. \$600.00 having

the \$ 3,000.00 that I requested last month to take care of the small building for the Kai Pyoung Mission building and I've confidence in God and You His People that this will be met soon. Thanks to each who have helped meet this need. I must continue to plea for the money for the Faith Church Building in Seoul, this is a must within two years and many of you are giving regular to this; thanks. Paul put it well; Philippians 4:17 "Not because I desire a gift; but I desire fruit that may abound to your account."

If you would like me to be with you in your services please let me know by either calling or writing me at the above.

Yours in His Service,  
Louie Carver

Dear Brethren,

We have had a good and busy month here at Faith Baptist Church. There have been two professions of faith. I baptized one young lady into the fellowship of the church. One young lady who had fell into sin and was excluded last month got married Saturday October 12 and yesterday she came and asked to be reinstated as a member of the church. Her husband is a member of another Baptist Church in Cuiaba and he will go before his church and make things right there etc. Thursday September 27 we had a church wedding.

George Bean

Brother Darnell and sister Cleide got married. I performed the ceremony and I think it was one of the best weddings that I have seen. June made a lovely wedding cake for them.

We will leave here October 29 going back to Sao Luis, this will probably be a few days before the Creighlows get back but we feel that we have much to do in Maranhao as we have been away now 13 months.

Brother Draper and family got here last Thursday we met them at the airport and brought them and the Turners to our house for a catfish dinner. We enjoyed the fellowship with them and it was good to hear how the Lord has blessed them while in Language School. I think they are off to a good start and will make good missionaries as they have a love for the people.

May the Lord bless all the readers of the MS. Yours to tell the Old Old Story,  
George and June Bean

Dear Brethren,

We have safely arrived in Lexington, Ky. to start our furlough. We left Cuiaba Sunday after the

Pastor Yoon receiving the Bible from Missionary Louie Carver, at his ordination at Kyoung Ban Baptist Church, Korea.

morning services the 28th of October, 1979 and flew to Manaus where we went to the 14th of December Baptist Church and I preached my last message in Portuguese. We left Manaus Monday the 29th of October, and after a 12 hour delay in Bogota, Columbia we arrived in Miami at 3:30 A.M. and yesterday, Tuesday October 30th, we arrived in Lexington, Ky. It is good to be back home and see our friends once again.

Our work in Cuiaba is being blessed. I baptized one this month. This was the woman that we had prayed for so long. The week before we left we had another request for baptism by a young lady that has attended our services for some years. She was a Methodist. She will be baptized by Brother Draper soon.

Brother Draper and family are ready to go to work. We are thankful that the Lord led them there to take care of the work. The people received them well. He does a good job with the language.

We left the people with much sadness in our hearts and not a few tears. Almost all came to airport to see us off. We will miss them during this year of furlough.

We will be living here in Lexington at 1007 Pinebloom. If any pastor would like to contact us you may write us at the address above or call us at this number (606) 278-0963.

Thank you for your prayers and faithful support. In His Service,
