### Three, Two Generations Of Missionaries In Brazil

John Hatcher and son Paul Hatcher . . . Harold Bratcher and son Asa Mark Bratcher . . . Bobby Creiglow and son Michael Creiglow. These three sons grew up from small boys on the mission field of Brazil and graduated from University and Colleges in the U.S. and are now married and missionaries in Brazil along with their fathers. And each son is doing a marvelous work as a missionary. Two of these sons have three small children and one recently married.

### Some Pastors Lead Their Churches To Quit Supporting The Missionaries Of Baptist Missions

From time to time, from the beginning of this mission work, some pastors for some reason have led their churches to quit the support of the missionaries. It is the policy of Baptist Faith Missions, to not interfere with any pastor or church if they support the work or do not support the work. This is a Faith work and God takes care of it and the work continues to GO and GROW and GLOW by the grace of God. Each Missionary professes to believe the Doctrinal Statement of BFM without any mental reservations. Baptist Faith Missions does not interfere with any church in the U.S. nor on the Mission Field. How would you like to be a missionary with a wife and several small children on the mission field and have some pastor lead his church to quit your support? All ten Directors of Baptist Faith Missions are in unison about the work of BFM.

### New Pastor's Study, Church Office And Baptistry In Peniel Baptist Church . . . To Get Married December 8, 1979 In Tabernacle Baptist Church . . . Hafford Overbey Invited To Come And Perform Wedding Ceremony But Could Not Make The Trip

By Asa Mark Bratcher

Dear Brethren: Manaus, November 17, 1979  
We trust that this letter will find each one of you being greatly blessed by the Lord.

During this past month, our Lord has continued to bless us here at Peniel Baptist Church. The new pastor's study and church office is now completely finished and we hope to see the baptistry completed this week and report on the first baptismal service here at Peniel next month.

I would like to take this opportunity to announce my upcoming wedding, Dec. 8th, to Miss Lucianilda Auzier, at 6 p.m. at Tabernacle Baptist Church. Lucy is a fine christain

Asa Mark Bratcher

young lady and we trust the Lord will give us many happy years of fruitful service together. We invited Brother Hafford Overbey to perform the ceremony and he was planning to come, but for several reasons it won't be possible. We do wish each one of you could be here with us on that date to share our joy. But do pray for us as we serve the Lord together.

I pray that the Thanksgiving conference was the best one yet; all to His Honor and Glory.

In His Service,  
Asa Mark Bratcher

Dear Brethren:

Thank God for the wonderful month he has granted. This has been a month of excitement, and much has happened.

The seminary is doing well with a limited number of students, which will be greatly expanded upon the arrival of the staff from the States. The need is so urgent to get the men on the field; please pray and give to Manaus College and Seminary Fund, so that we can meet the demands.

Dr. Wesley Smith and his wife, Peggy, are here for six weeks and are intensely working on the program for the coming year. Brother Mike Creiglow, Brother John Hatcher, Francisco Diaz, M.D., and I have taught courses this semester. The greatest need on the field is natives trained to reach out and establish Baptist churches in Brazil.

We are also rejoicing that for the first time in the history of Tabernacle Baptist Church, our Sunday School attendance has been over the thousand mark each Sunday of the month; with an average of 1143 souls who heard the gospel. The church is now supporting 80% of my salary (a precedent for foreign missions). The church also supports a full-time evangelism and out-reach assistant and one full-time missionary in the interior of the State.

Brother Bobby Creiglow preached for us his first Sunday in Brazil; and eighteen persons responded, trusting Christ as Saviour. Last Sunday Brother Mike Creiglow preached; and twenty responded, eighteen receiving Jesus Christ as Lord and Saviour and two coming for restoration to the church.

Each person responding to the invitation, professing Christ as Saviour is talked to by a trained soul-winner; and during the following week receives a visit by the pastor and assistant to strengthen the convert and to share the gospel with the rest of the family. Yesterday on a visit to a teenager, her mother trusted Jesus also. Another lady was apprehensive as I asked if a certain seventeen-year-old boy lived there,

Paul Hatcher

and she asked, "What has he done?" I told his mother that I was the pastor of the Baptist church; she smiled and said, "Come in, come in; I accept, I accept." She then explained that her son had given some trouble, so she had put him in a Catholic Bible-study group; but he only got worse. "Then your teenagers got him to ride the bus to service; he thought it was wonderful; and, how he's changed." We then showed the mother the gospel. She made no response, but promised to attend services Sunday.

We only lack getting the gospel to other 600,000 persons in our town, God help us. Have a part; give to missions.

Love,  
Paul

## High Attendance 419 . . . Seven Days Trip Into Interior . . . Professions Of Faith And Baptisms . . . Couple Marry To Be Baptized . . . Request Prayers And Offerings For Regular Fund And Special For Building

By Harold Bratcher

Dear Brethren,  
Manaus, Amazonas  
November 17, 1979  
The low attendance at the 14th of December Baptist Church these weeks was 233 on the 21st of October. It rained: The high the next Sunday - 419. That Sunday night the Church was blessed with the presence of the Turner family. Missionary Richard A. Turner preached and our hearts were blessed. The next day they continued their trip to the U.S.A. May the Lord give them a blessed year of furlough.

On the 2nd of November - the "day of the departed" we held services in the Saint John the Baptist Cemetery at Joel's grave and then at Missionary E. A. Nelson's grave. That night and the next night the young people of the church held special youth services.

On the 6th of the month I left Manaus aboard the commercial boat - the "Little John." After eight and one-half hours I arrived at Amatori. The next day, Brother Manuel Goncalves Vieira and I rented a

Harold Bratcher

small boat and made a trip to "Hummingbird Island." Held services in a home that morning. We returned to Amatori for services that night.

On Thursday we went back up the river to Nova Remanso. There I labored until Monday night. We visited a family at "Parana da Eva." Preached to 20 people there and three people made professions of faith. It seems that the Lord has opened a door for us at that place.

Sunday afternoon I baptized seven. I performed the wedding ceremony for a couple the day before so they could be among the baptized. I arrived home from the trip on Tuesday the 13th of this month. Mrs. Bratcher had had a tooth pulled in my absence and is still suffering with some sort of a rash. She has been to the Doctor and we trust it will soon clear up.

What more do I need to write? Stand by us with your prayers and offerings. Remember that we need each other as we obey the Lord in evangelizing the nations. Continue to give to the regular fund and the Bratcher Building and pray that the 14th of December Baptist Church will be able to continue to give also.

Yours In His Service,  
Harold Bratcher

Dear Brethren:

We are thankful to God for another good month and the ability to serve God in Brazil. We appreciate each of you and give thanks for your prayers on our behalf and for your financial support that has made this ministry possible.

God has richly blessed the church and its ministry here. The church numbers approximately seven hundred members and has many outreaches. The church begins to underwrite 80% of my salary this month, which is a great step in mission work; and they also added a full-time church staff member. The evangelistic outreaches include an elementary through high school with over 1,600 students enrolled, finishing this school year the first of December (Brazilian school year - February through December). The school is a vehicle to win many students and their families whom we would never

Paul Hatcher

reach otherwise. Although there are three Baptist schools in town, this school is known as and called "The Baptist." Our ministries also include a printed outreach which has been responsible for thousands of tracts and church tools, and an active bus ministry reaching hundred weekly. We praise God that all of these ministries are being totally supported by Brazil.

God has now opened a new horizon which is beyond our present financial ability - a Baptist College and Theological Seminary - to train Brazilian men to go out, start, and build Baptist churches able to be self-supporting. For this task we needed American professors, in the areas of Bible and Theology, and funding to underwrite this great undertaking. Brother Wesley Smith is heading up the college and seminary as its president. Besides Dr. Smith, five additional professors are needed. We have two men presently waiting until funds can be raised for their salaries; give now so there will be no delay. These six men will be training hundreds of men who will soon have churches planted in hundreds of cities. Be a good steward and multiply your investment; give now. For additional information you may write to: Baptist Theological Seminary of Manaus, C.P. 227, 69,000 Manaus, Am., Brazil, S.A. or P.O. Box 5274, Evansville, In. 47715.

(Editor's note: This letter arrived too late for November Mission Sheet)

Dear Brethren:

October 20, 1979  
Once again we greet each one of you in the Name of our Lord, He who is all; Jesus Christ.

This past month has been a very busy, trying but blessed one here in His Service. Since Brother Paul Hatcher returned I am working full time with the Peniel Baptist Church. The Lord is blessing as the church is building a pastor's office, secretary's office and putting in a new baptistry. This church was organized fifteen years ago, and has never had a baptistry.

Also, there has been a remarkable increase in attendance and many decisions in almost every service. One

Asa Mark Bratcher

Sunday this month we had 635 in Sunday School with the small building completely packed, many people standing on the outside, and with many small children sitting on the platform. We praise the Lord for each blessing.

Remember us in your prayers.

By Richard Turner

Dear Brethren,

This first month home in the States has been spent resting and visiting with our parents and relatives. We also got our children back in school to continue the school year. We were thankful to get them in Bluegrass Baptist School.

I have not done any preaching as of yet except at the Pleasant Ridge Baptist Church, Brother Earl Thomas pastor, here in Lexington and at the Thanksgiving Conference. We have attended South Lexington Baptist Church and other churches in the Lexington area. We enjoyed the Thanksgiving Conference sponsored by

Richard Turner

the New Hope Baptist Church and the Twelve-Ryan Baptist Church. Our hearts were challenged to continue on serving the Lord and to do more for Him. We hope and believe that pastor's hearts were also stirred to do more for the spreading of the Gospel of Jesus Christ here at home and abroad.

Before we close this letter I want to tell you of some needs that we have. We will need a house when we return to Brazil. We believe it would be wise to buy one instead of renting and also we will need another car as the one we have is worn out. Perhaps the Lord would have you to send an offering to help fill these needs.

We thank you for your prayers and faith support.

Yours in Him,  
Richard A. Turner

By Bobby Creiglow

Varzea Grande  
November 24, 1979

Dear Brethren,

The last week we were in the States we were happy to have the Turner family in our home to fellowship with and to get caught up on all the news about our work and his in Brazil.

On November 7, as planned we left Blue Grass field in Lexington, Ky. With several brethren of the Lexington area coming to see us off and to confirm their love to us. Our trip to Atlanta, Miami and Manaus, Brazil was uneventful as we arrived there on schedule, about 3:00 a.m. November 8. Paul Hatcher and our son Mike were at the airport to meet us. To our surprise we had no trouble getting through customs. We were also pleasantly surprised when we arrived at the Hatcher home that Dr. Wesley Smith and his wife were there.

I had sent telegrams to Brother Draper and our church that we would arrive in Cuiaba on November 14th about noon. We left Manaus on schedule but along the way the plane developed trouble and our arrival was delayed for about five hours. Knowing that Brother Draper and our church also would have

Bobby Creiglow

servicesthat night we just knew that there would not be anyone at the airport to meet us. Just before landing I remarked to Betty that I hoped they would leave someone there with the keys for our house and car but, when we arrived we saw that many of both churches had waited from noon until after 6 p.m. What a reception that was! We about blocked the entrance as we exchanged christian hugs with all of them. Within a day or two it seemed as though we had just stepped out for a week-end.

I would like to take this opportunity to thank Brother Bean for the very fine job that he did while we were gone. He is a great missionary and did a great job for us. The people here love them very much and the Lord could not have sent us a better man. Thank you both, George and June Bean for your labor of love here in Varzea Grande.

Space would not allow us to thank each one individually for your love and kindness expressed toward us on a very good furlough, and not only toward us but also toward our work so, we trust it will suffice to say, thanks to each and every one of you. The weather is very hot and inflation is about one hundred percent over a year ago but, we are happy to be home and looking forward to a great term. Please pray for us.

In His Love,

By Art Gibbs

Dear Brethren

What a time of rejoicing we have had this past month. We have just concluded our first of what is planned to be an annual missionary conference. We have chosen to call it our Thanksgiving Missionary Conference although we do not have a similar holiday here in Peru. Over 30 preachers and many more laymen from different parts of Peru gathered together here in Huanuco.

The preaching was great and the music was beautiful and the fellowship was the sweetest. It seemed as though angels enclosed us and the devil stayed home. Our brethren here in Huanuco worked together as

never before as we hosted over 100 visitors. Sacrificial love was demonstrated with such frequency that it was common. I can remember many great conferences here in Peru but none equal to this recently concluded conference. Never have our Churches been so united in heart and purpose. Never have I seen our people so happy in the Lord.

It is my prayer that your Thanksgiving Conference might also be blessed with an abundant out-pouring of the Holy Spirit.

The construction of our house and Bible Institute on the second floor of our church building is coming along rapidly as almost all the walls are completed and most of the steel for the pouring of the beams is all in place. We hope to pour the roof of the house in the next few weeks. Thank you again for your help.

May God bless you all.

By Louie Carver

Dear Brethren,

This past month has been basically a good month with the works in Korea. The Brethren all seem to be doing well and seemingly no particular problems with any of the works. The school (as all schools in Korea) had to close for a week or so at the time of President Park's death. Please pray for Korea during these days of heartache. The Brethren have reported 10 baptisms in the various works and several professions of faith.

I am happy to report that God, through His People, you, has supplied the \$3,000.00 for the mission building at Kai Pyoung and the money is already in Korea. Thank God for meeting this need and thanks to you whom He's used to supply it.

As usual the needs are always great. We continue to plea for the money for a building at Faith Baptist Church there in Seoul and at the same time I thank God for those of you who have given and are giving regularly toward this building. Also, as I've mentioned to many of you, we must have a vehicle upon returning to Korea, the cheapest new car available in Korea is a 1,000 cc engined Briza which sells for approximately \$6,000.00; this sounds like a lot but if only 60 churches or individuals would give \$100.00 each or only 30 would give \$200.00 each or just 10 would give \$600.00 each then this need would be met and I'm sure God would bless you for meeting the need, would you help?

**Mother And Two Children And Another Girl Profess Faith In Christ . . . Needs Lots And Builder To Build Buildings And Offerings To Pay For Them . . . To Manaus To Teach In Seminary**

By John Hatcher

Dear Brethren,

"This I recall to my mind, therefore have I hope. It is of the Lord's mercies that we are not consumed, because his compassions fail not. They are new every morning; great is thy faithfulness. The Lord is my portion, saith my soul; therefore will I hope in Him." Last month a mother of four children trusted the Lord and this month two of her daughters have made professions of faith. Another young girl, fifteen years old, also publicly professed her faith in Christ.

A suitable lot has not been found in Galia so we would like for you to remember to pray for us in the purchasing of lots

and the future building of buildings. Pray especially that God will give us a good faithful man for building so that our time will not have to be taken from the ministry of the Word. This is one of our greatest needs at the present time.

God has been good to us this month in sending new people to hear the Word preached. Almost every week this month there were people who attended due to the central location of our building who were from out of town. There are people from two muslim families attending our services. The children-are attending regularly. Pray for them.

While many of you will be in Detroit attending the Thanksgiving Conference I will be in Manaus teaching some classes in Theology. May the Lord bless each of you, and may His perfect will be done in your lives.

By Harold Draper

Dear Brethren,

We have been kept very busy this month here in Cuiaba. The Lord has been with us in every service. He is able to bless beyond our expectations. Last Sunday we had 54 in Sunday School with one profession of faith. A young woman came confessing Jesus as Lord and requesting baptism. We must talk more with her about her marital situation before baptizing her. We seem to have good interest in all services. We are really getting a chance to use our Portuguese now. The Lord is blessing and we are enjoying ourselves in the work. Continue to pray for us.

The work in Canjica is still about the same. The young people of our church are very faithful there. They hold a Sunday School every Sunday afternoon there. Yesterday we had a guest speaker as Brother Bobby Creiglow preached for us there. We met him at the airport last Wednesday along with members of his church and some from ours. Also a good group went to the airport to see the Turners off. It is a joy to see the appreciation on the part of the people here for the labors of the missionaries. It causes you to be encouraged to do more and stirs your heart and makes your eyeballs leak at times.

We want to continue to thank all of you who have given toward our car. It is encouraging to know

Harold Draper

you are behind us. May we be worthy of your support. May the Lord bless every church and saint in these last days. May our missionary vision be increased.
