Mike Creiglow ready to baptize 16 believers at Sacado, a small place on the Jurua River down stream from Cruzeiro do Sul, Acre, Brazil. A Catholic priest came to this place for the first time and watched Mike Creiglow baptize these 16 believers. There are now 33 members in this mission at Sacado waiting to be organized into a church. This was reported in Mike Creiglow's letter in last month's MISSION SHEETS but the picture came too late to get into the paper with his letter.

### Great Opportunity For A Blessing

John Hatcher has a building site and needs a man to build a church building on it. Maybe there is some Baptist Layman who can pay his own plane fare and give the time to go to Garca, Brazil and build this needed building. John Hatcher will also have other sites for other buildings also. This is an opportunity for great rewards here and now and later in heaven. Who will volunteer to go??

### Air Plane Fares

Baptist Faith Missions paid out \$16,107.80 for Airplane fares in 1979. This is a constant need. The Richard Turners and Louie Carvers will be returning to the fields after furlough and others coming home on furlough. Mark your special offering "For plane passage".

Dear Brethren,

Our first letter in the new year of 1980. This year will be our 25 year mark in Brazil. God has blessed us beyond measure and His blessings are still abundant day after day. This month has been the month of "clean hands" for me. Alta fell and broke her arm and so I have been the dishwasher at our house most of the time. The Lord willing, she will take the cast off her arm tomorrow. She has had a real advantage during the days of Vacation Bible School. With that heavy cast on her arm she could just give a little bang on the head of anyone that misbehaved and that settle the matter. Besides washing the dishes, you know I have walked the chalk also this month. Two weeks ago the Lord blessed us with a good V.B.S. in Galia. Our attendance averaged about

John Hatcher

38 and there were several that made professions of faith. This past week I directed a week's Bible Study Conference designed for people who wanted to know how to use their Bible, and wanted to know what the Bible is all about. Naturally, most of the people attending are catholic people, but it was amazing to see that a real interest is being shown by some in the Word of God. This coming week the Regular Baptists are giving a course in sign language for evangelizing the deaf. We have a young lady who is going to attend, so pray for her that God will use her here in a special way. She is a young christian, and a very dedicated one. Would you make this a very special item of prayer—that God will raise up someone here that will be used for His Glory in the building of mission buildings. We have property bought is Duartina, we have the money in hand for purchasing a lot in Galia, and we shall either buy the building here in Garca or build another as ample. Besides these places there are many other small and large cities we want to reach, but it is not possible for me to take care of the building of buildings. Please pray with us.

In Him,  
John Hatcher

January 17, 1980

Dear Brethren,

We have never been busier but we are not complaining. It has been good for us as we have had to trust more in the Lord and to work more effectively with others.

Brother Willy who had been my right hand man for the past several years went to the States the beginning of this year to study at Clarksville Baptist College. We already miss him very much but we pray that the Lord will bless him as he prepares himself for more effective service.

Brother Pedro Aquino, Pastor in Aucayacu, and his wife were blessed with a baby girl last week. They now have three children. The work in Aucayacu has been a struggle but they keep on keeping on.

Art Gibbs

The Grace Baptist Church in San Fernando has a new mission in kilometer 37 outside of Pucallpa. Brother Solomon Garcia is the mission pastor.

We have two new missions in Iquitos in the past two months. All the churches in Iquitos are doing well. The Gethsemane Baptist Church in Tingo Maria also has a new mission.

We have baptized two here in Huanuco and have also had several professions of faith and other decisions.

The building of the house and Bible Institute is coming along but as of yet we have not been able to get the roof poured. I have not been able to buy the hollow bricks that we must use for the roof. We are going to have to take a week off from building to go and work in Aucayacu as there is a real problem with the swamp we have along side the church building. We are going to have to try to re-fill in order to get rid of the snakes before someone gets bit.

Thanks again for your prayers and support.

Yours in HIM  
Missionary Art Gibbs

A group ready to leave on Saturday for a trip down the Jurua River to preach at four different mission points. This is the mission work of Mike Creiglow in and out from Cruzeiro do Sul, Acre, Brazil. These young preachers trained by Mike Creiglow do not get any pay from Baptist Faith Missions. What they get is from the local church or churches in Brazil. Money should not be designated to pay the salaries of native preachers in Brazil or Peru or elsewhere. Native preachers should be supported by the native churches and Mike Creiglow teaches them to do so.

### James Hamilton Has Surgery

James Hamilton has had surgery and it is reported that the operation is successful. This will delay getting the financial report out on time, thus the delay in this issue of the MISSION SHEETS. Brother Hamilton says that this is the first time in sixteen years that this has happened. He has served as Treasurer of Baptist Faith Missions without pay as a labor of love. Great will be his rewards.

### Visas Ready For Gasques

The James Douglas Gasques have their visas and their passports and their plane tickets and reservations to leave from Miami, Fla. on February 26 on a direct flight to Iquitos, Peru. The James Kissels will go with them to help them get settled and know their way around and what to do in Iquitos. Then they will go to Lima, Peru and Art Gibbs will help them through the mass of red tape to get their Carnets (identification cards, etc). Brother Gibbs says this will take about three or four weeks in Lima.

### The Needs Of Baptist Faith Missions Seem To Get Larger All The Time

DOUGLAS GASQUE needs special offerings to pay for the furniture and utilities in the house in Iquitos, Peru. To date \$755.10 has been given towards this need. The balance needed is \$2,244.90. Mark your special offering accordingly. Also mark your special offerings for their Plane Fare. The trip and stay in Lima will cost a lot of money. Please help.

### Other Needs

John Hatcher, Harold Bratcher, Asa Mark Bratcher, Bobby Creiglow, Mike Creiglow, Richard Turner, Douglas Gasque, Louie Carver all need new cars. Mark your special offering for one or ones you select.

Mike Creiglow needs special offerings to finish the church building in Cruzeiro do Sul, and to put a new roof on the house he lives in. Mark your special offering accordingly.

Louie Carver needs special offerings to build the three story church building in Seoul, Korea. Please help on this.

A NEW FAMILY FOR PERU. The Douglas Gasque Family: Douglas Gasque, wife Janice, and sons (beginning with the oldest) Kevin, Brando and Kerry. It has been a long, long wait to get the visas and permission for them to go to Peru as missionaries. The James Kissels have volunteered to go to Iquitos, Peru with the Gasques to help them get settled and to know what to do and where to do it to take care of all the legal things, etc. They can now fly direct from Miami to Iquitos, the whole Gasque family will have to fly to Lima to get registered and get their Carnets (identification cards with pictures on them) and all the red tape taken care of. Brother Art Gibbs will help them in this matter which he advises will take three to four weeks in Lima for the whole family. This will be an expensive stay in Lima.

## The Lord Is Blessing In Cuiaba . . . High Of 60 In S. S. . . . Four Professions Of Faith And One Baptized . . . Purchased Good Used Car . . . Special Services In Two Churches

By Harold Draper

Dear Brethren, January 15, 1980

The Lord is blessing here in Cuiaba. The biggest hindrance is our lack of faith at times. We had a high in Sunday School of 60 for December. We had four professions of faith and of these I have baptized one so far. Three of these were young men from the Canjica mission. Our young teenagers at the church are doing a good work there. We had a young man speak there for his first time to ever speak in public. Manuel was just able to read a couple of verses before he choked up and I had to help him out by commenting on the scripture. But the Lord knows our hearts, and honors those who honor him. Our young people are a great blessing to the work here. The majority of our members are under thirty-five years old and many of them have only been saved a year or so. Pray for them that the Lord will give them grace to withstand temptation which is very great here in Brazil.

We have purchased a good used car to use. It is a Kombi mini-bus which belonged to one of our

Harold Draper

members who used it in the construction business. It is in good shape, a 1979 model. We hope it will hold up until we go home on furlough in two more years. We plan to sell it then and whatever money comes in to our car fund from now on will be added to what we get out of it to hopefully but a new car to use on our next term. We want to express our deepest thanks to all who have sacrificed and given towards our car. We rejoice at the goodness of the Lord and the love of the Lord's people towards all the missionaries. It was necessary that we go ahead and buy a car now because we are bringing in about 30 people each Sunday from the surrounding area and Brother Turner's car is getting in pretty bad shape.

Our church had special services December 24th and Brother Bobby Creiglow and a good group from his church came over and worshipped with us. The house was about full. We went over there December 31 and participated in a special service with that church. We had a good time of music and fellowship and feasting on the word.

Brethren, remember us always in your prayers, as well as all of the missionaries who are laboring for the Master.

IN HIM,  
Harold M. Draper

## Expects To See The Coming Of The Conquering King . . . Church Ends Year With Reports And \$1,004.00 Offering For New Building . . . Walks 15.6 Miles Round Trip To Visit Church . . . Trip To Eirunepe For Revival Meeting . . . Needs Special Offerings To Finish Building

By Mike Creiglow

Dear Brethren, Cruzeiro do Sul, Acre January 15, 1980

When as a child I read science fiction books in which the authors placed their settings in the 1980s it seemed so remote as to be unattainable. Now as an adult I am in the year 1980 and look back with awe at the technological progress of man. However in looking ahead I see only a dark future for the world. I no longer see man conquering space, but rather I expect to see the coming of the conquering King.

The First Baptist Church here in Cruzeiro do Sul ended 1979 in prayer after a special service. We also heard reports from the church's evangelists. The Church opened two new mission points and there were over 50 saved last year. The church also took up a special offering for the new building. This year we received Cr41,686.00

Mike Creiglow

(\$1,004.00). This offering was twice as big as last new year.

I have been to visit the church at Vila Rodrigues Alves once in the past month. We have been in the midst of another gasoline shortage so I had to walk. The round trip is 25 kilometers (15.6 miles). It help to stay in shape for these occasional trips. The Church is in fine shape and is working a mission point at Sao Francisco.

We have just arrived from a trip to Eirunepe. I was invited to help the First Baptist Church of Eirunepe in a revival meeting. The crowds were good and attention also. There were a few professions of faith. We had very good fellowship with the church as well as the two missionary families, the Dearmores and the Kronmiller.

The building here in Cruzeiro do Sul is going on up. The pace is slow since the funds have been low. Please remember this and give as the Lord leads to all the works and in your prayers.

In Christ,  
Mike Creiglow

## One Free Night In A Month . . . Teaching Teachers And Preachers . . . Good Watch Night Service With Two Brothers Getting Reconciled . . . Car Worn Out . . . Need Designated Offerings To Buy Bus And A Car To Use In The Mission Work

By Bobby Creiglow

Dear Brethren, Varzea Grande, Mt. January 15, 1980

Although we have had only one free night since my last letter there has not been anything very exciting happening, just the slow grind of trying to get Sunday School teachers taught, Young preachers taught how to prepare sermons and the regular preaching and visiting. We are busy every day from early morning to at least 9:30 p.m. In my spare time I am to translate a book to be used in the seminary in Manaus.

We have not made any big effort to increase our attendance yet, but we are having about 85 in S.S., 95 Sunday Night and 75 on Wednesday night. We did have one profession of faith and have several lost people attending in all of our regular services. I guess the highlight of the month was in our watch-night service. I had asked Brother Draper and Brother Helio of that church to preach for us, which they did and both did a fine job of it. At the close of Brother Helio's message

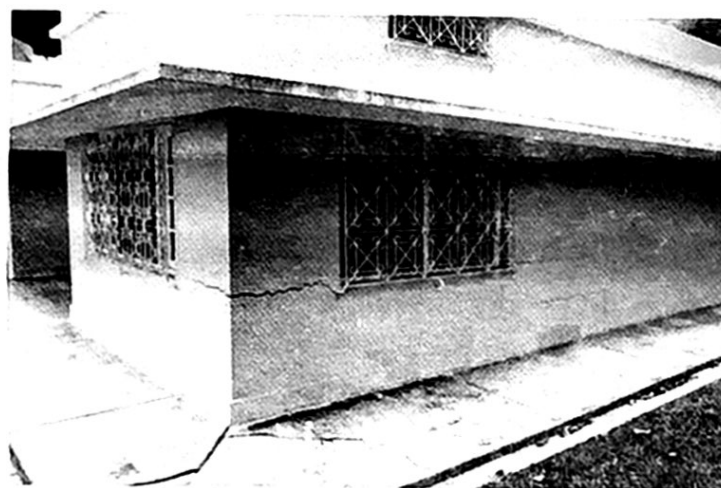

Bobby Creiglow

he called his brother with whom he had had some trouble to the front and there they reconciled one with another. With both churches being present Hudson, Helio's brother also asked for reconciliation to the church. It was a great way to start a new year. Hudson has been very faithful in attending our church even though he had been excluded from the other church. Both Brother Draper and I had begun to think that he never would reconcile to either the church or his brother. He has been a new man since, and last night in our preacher's class he dismissed in prayer saying, "Lord help us to be great preachers of Your Word." And I say, may God answer his prayer.

We are looking for a bus to buy and I have run down every lead that I have had up until now, every thing near here had been a dead-end street. I still have some leads in Goiania and Rio de Janeiro, so we will see what comes of them.

Our car is worn out and we are going to have to do something about it in the near future, either spend a lot to fix it up or buy a new one. As yet we can not see our way clear to do either. Remember us and the work here as you pray.

In His Name

Mayfield house, Pucallpa, Peru. This picture was taken in September (four months ago) and we have just received it with a letter from Brother Gibbs telling about cracks in the building, front, side and rear. Reinforced concrete with steel will have to be put under the walls. We are advised that the damage (caused from settling) is much worse now than when the above picture was taken. Brother Gibbs estimates that this will cost about \$2,000.00 to repair. PLEASE HELP NOW.

This is a picture of the Baptist Church of Januaca, on a lake just off the Amazon River several hours by boat from Manaus, Brazil. The scenery here is beautiful at this clearing in the jungle. This is a good church with their own native pastor. They come to church in boats. Some of the farmers own large boats and bring boat loads to the church. The work of Baptist Faith Missions.

and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

By Harold Bratcher

Dear Brethren: January 16, 1980  
Last Sunday we had the largest attendance in Sunday School that we've had for several months-447! We had good services also Sunday, December 30th. That Sunday night I baptized 18. December 31st we had watch night services. Levir Peres Merlo, 21 years old, ministerial student, preached. Tuesday, January 1st, the church had a dinner and services at night. (Asa Mark preached). The services were in honor of our 25th Wedding Anniversary. Marie & I were married on December 27, 1954 by Pastor Clarence Walker at Newby Baptist Church, Richmond, Ky.  
Marie & I made a trip to Codajas during Christmas week. I preached the anniversary sermon, December 25th, at the 25th of December Baptist Church, Sucuruju, near Codajas, Amazonas. On December 29th (already back in Manaus) I performed a wedding ceremony at the 14th of December Church. On December 22nd, I held a funeral service in the

Harold Bratcher

home of the grandparents of Zaqueu Goncalves Vieira. He was 12 years or more old. He was killed in a car wreck coming home from work. His father is our lay preacher in the interior at Amatori.  
Sunday morning, December 30th, I preached on a subject that I had never preached on in my more than 30 years of preaching - abortion. I felt it was necessary because of a case in our church family. It looks like our church will lose the persons involved.  
Thus we are thankful to the Lord for his blessings upon us. 1979 was a good year for us in the Lord's work. Remember to continue to stand by us with your prayers and offerings - regular fund, and for the Bratcher building. The Lord willing, beginning in February, the 14th of December Baptist Church will begin again to contribute monthly to the "Bratcher Building".  
Pray for us and pray with us that our youngest son, Stephen will be able to visit us this coming month of May.  
May the Lord bless you is our prayer.

**Work Going Steady In Korea . . . Kai Pyoung Building Delayed . . . About One Third Enough To Buy Car . . . Need Offerings For Faith Building**

By Louie Carver

2028 Dorset Drive  
Lexington, Ky. 40504  
Tel. # (606) 254-4205  
January 18, 1980  
Dear Brethren,  
Another year has made history and I wonder how many of us have to look back with much regret. Regret, because of the lack of enthusiasm, zeal, witnessing, and giving of self and finances to Christ and His cause. May God help each of us to be more concerned during this new year and new decade.  
Due to the holiday season mail has slowed down from Korea but the last I heard all was going steady. We were unable to get the Kai Pyoung (country mission) building built as I had hoped before winter months. There is to be a modernization program in that village and a new street coming next to our property. Anyway, the brethren tell me that they expect to get started on it this spring.  
The finances are coming in well toward our car. Approximately one-third has either come in or been promised. If you can give I surely would appreciate it "not because I desire a gift; but I desire fruit that may abound to your account." Remember only ten churches at \$600.00 each, thirty at 200.00 each, or sixty at 100.00 each. It may be that you, as an individual, would like to have a part, then just write your check to your church designated toward Carver's car or else just send a check to our mission or myself and I shall put it in the fund for you. I also

Louie Carver

appreciate those who have given and some who are giving regularly toward our building for the Faith Church. This need is still a pressing one, so we continue to look to God for it and to you to permit Him to use you to supply it. Remember; "the giver is also the receiver."  
I have been in the following since the last mission letter report: On December 23rd a.m. I was with Pastor E. Parks and the Hillcrest Baptist Church of Winston Salem, N.C., that evening I was with the Berea Baptist Church of Hiddenite, N.C. where Brother D. Parks is pastor. From December 26th through 30th I was with Pastor D. King and the Park Ridge Baptist Church of Gotha, Fla. in a Missions Conference. December 30th p.m. I presented our work to the Ahava Baptist Church of Plant City, Fla. where Brother George Boyer is pastor. On January 6th, 1980, during the morning, afternoon and evening, I was with Pastor Alfred Gormely and the Bryan Station Baptist Church here in Lexington. January 13th a.m. and p.m. I was with Pastor Bill Derossitt and the Grace Baptist Church of Georgetown, Ky. January 14th I spoke in chapel at the Blue Grass Baptist School here in Lexington where Brother Clifford Curry is Principal. On Wednesday p.m. of January 16th I was with Pastor Carl Morton and the First Baptist Church of Alexandria, Kentucky.  
It has been a joy being with these great churches and their fine pastors. Thank God for each of you who have been and are in any way concerned about our endeavours for the Cause of Christ.  
Yours In His Service,  
the Louie Carvers

Dear Brethren:  
The month of January has been a busy one; we have had each evening cottage prayer meetings in different subdivisions of our city. The emphasis in the church this month has been salvation of lost members of the church families.  
From the first of October until now our Sunday School attendance has been over one thousand each Sunday. Sunday we had 1,370 people present; 33 people were saved. Due to the fact that our facilities are small, we have two Sunday school and worship services each Sunday morning - the first from 8:00 to 10:00, the second from 10:00 to 12:00. Sunday we had 350 teenagers in the Youth Department.  
From October to the second Sunday of January we have had 318 professions of faith. Each convert receives a follow-up visit by the pastor to confirm his profession of faith in Christ before his baptism. Many of these are still awaiting baptism.  
We visited one of our mission points in the city of New Careiro that is on the new highway going south. We had a team of 17 workers. We had Bible school in the afternoon with over 325 on the closing day and services each evening - there were four professions of faith. The last day of our Bible school, the priest and local school drummed up the distribution of clothing a time our youth workers were out walking the children in. When it came time, nothing but a hand full of children showed up. We had been announcing services by P.A. system, so the priest turned his P.A. up louder and drowned us out. We turned everything off and waited as we could see the disappointment in the faces of our workers as they began to pray. As the special give-away program was over, our workers went out to the street again to get children. They came straight from the school, mothers included, to attend the Bible school. Needless to say, God gave us one of the greatest days of our Bible school.  
Continue to pray for the seminary as we raise the needed funds to meet monthly expenses; and give generously that Brazilian men and women can be trained to make Baptists in hundreds of Brazilian cities.

Dear Brethren,  
Since writing last month I have been with the following churches. December 31 I had the privilege of being with the Storms Creek Baptist Church for the watch night service. When the old year ended and the new began I was preaching the Word of God. Here I was also privileged to hear Brother Jim Orrick, son of Pastor Jim Orrick, and Brother Ronnie Wolf whom I have known since studying at Lexington Baptist College. January 6 I was with the Salem Missionary Baptist Church in Willow Hill, Ill. This is the church that sent me to Brazil back in 1971. I had a great time there with church and Pastor Barry Pulley. Here I preached in the Sunday Morning services and in the Evening services I showed slides of the work in Cuiaba and preached again. We thank these good churches for their hospitality and offerings to us.  
Before we close our letter I would like to share with you a need that we will have on returning to Brazil. We will have to have another car as the one we have now has just about seen it's day. Of course, Brother Draper is using it now. As the Lord leads please give to this fund.

Thank You for your prayers and faithful support.
