Missionaries' Salaries Have Been Increased Twice Within The Last Year

Inflation is rampant as all of us know, and more so on the Mission Fields. In addition to salaries, there are expenses on the field, airplane fares, doctor and hospital expenses, and for all the APPROVED PROJECTS mentioned each month in the MISSION SHEETS. Many churches have increased their monthly mission giving.

Approved Projects

John Hatcher building . . . Harold Bratcher building . . . Bobby Creiglow building . . . Mike Creiglow building . . . Art Gibbs building . . . Louie Carver building . . . Repair of cracks in Mayfield house . . . New cars for Asa Mark Bratcher, Harold Bratcher, John Hatcher, Bobby Creiglow, Mike Creiglow, Richard Turner, Louie Carver and Douglas Gasque. Airplane passage to return the Richard Turners and the Louie Carvers to their fields after furloughs. And a new roof on Mike Creiglow's house.

All These Are Urgent, but not by giving less for the REGULAR FUND.

The Rainy Season . . . Month Of Ups And Downs . . . Carnival Time With Indecency, Drunken Brawls, Nakedness, Young Girls Deceived . . . Prices Going Up . . . Some Who Profess Salvation Have Not Submitted To Scriptural Baptism

By Harold Draper

Dear Brethren,
February 14, 1980
We are in the rainy season here in Mato Grosso. It does not go a day without raining hardy. As a result many people here are sick with colds and fever. Some houses will be wet inside in the poor sections until the rain stops. How thankful we ought to be for the provisions the Lord makes for us; both spiritual and temporal.

This has been a month of ups and downs as far as church attendance is concerned. Most of the people here take their vacations now while their kids are out of school. Also, the time of carnival is upon us here. A flagrant violation of human decency sanctioned by the Catholic church in which many will die from drunken brawls, many young girls will be deceived, many homes broken, and most will try to tell what a good time they had. It is a time of dancing in the streets, drinking, and nakedness. Reminds me

Harold Draper

of Israel dancing around the golden calf. I believe it surely came from the same Satanic origin.

We had good attendance here for most services. On Wednesday nights it is difficult to have more than 30 it seems in this particular part of town. Many go to night school and some work late, having to wait sometimes a long time to catch a bus to and from work. Gasoline is about two times higher here than there. Prices go up constantly. But our Lord is on the throne untouched and unwavering by the unstable state of this sinful world.

We have several who have indicated to me they are saved who as yet have not submitted to scriptural baptism. Pray for them that the Lord will show them the importance of following Him in this blessed ordinance. The church here is trying to get the carpet cleaned from the fire that was started some time ago. It will be expensive but is needed.

We appreciate your support and ask always that you pray for us.

IN HIM,
Harold M. Draper

Stephen Bratcher Called To Preach. To Visit His Parents In Brazil

Missionary Harold Bratcher writes in his MISSION SHEETS letter; "We rejoiced when we received last month a letter from Stephen M. Bratcher, our son in College at Georgetown, Ky., stating that he has been called by the Lord to preach the gospel. Pray with us that he'll also work with us here in Brazil." Stephen plans to leave for Manaus, Brazil in May to visit his parents for the summer before his fall term starts in College. Let us all join in together to pay for his round trip plane ticket. Stephen grew up on the mission field and speaks the Portuguese language as well as he speaks English. His brother, Asa Mark Bratcher, is a missionary with his father in Brazil. It would be wonderful to have two sons with him as missionaries in Brazil. His round trip plane ticket will cost \$975.00 and we need as of now \$875.00 more to pay for the ticket. Will you Help?

The James Douglas Gasques Leave for Iquitos, Peru

Brother Gasque and family, with Brother and Mrs. James Kissel, were to arrive in Iquitos Peru at 11:30 p.m. February 26, 1980. The Kissels will help them get settled and through all the legal things in Iquitos and to know their way around. Then the Gasques are to go to Lima, Peru where Brother Art Gibbs will help them with the legal things required. Brother Gibbs advises that this will take three to four weeks in Lima. After this, the Gasques will return to Iquitos and begin the long hard grind of learning to speak Spanish. Pray much for them and give extra so that we will have the funds to pay their salary and expenses.

Three Pastors To Lead Their Churches To Give \$10,000.00 Each As Thanksgiving Offerings

Pastor James Hamilton of Thompson Road Baptist Church told Pastor Louis Maple of East Maine Baptist Church that he asked his church to give \$10,000.00 for their Thanksgiving offering, saying that he as pastor would give \$1,000.00, the Lord enabling. Pastor Maple was enthused about this and said he would also do the same by giving \$1,000.00 as pastor, the Lord enabling. Pastor Maple told Pastor John Mark Hatcher of Morgan Avenue Baptist Church and Pastor Hatcher and church plan to do the same the Lord enabling. These are great goals. Then Brother Maple, who is a Director of BFM, wrote each of the other Directors of BFM challenging each to do the same. We pray that at least ten churches will set a goal to give \$10,000.00 each for Thanksgiving offerings, and that others will set a goal of \$5,000.00 and others for lesser amounts as the Lord enables. And we hope that all these offerings will be for the REGULAR FUND to pay salaries and expenses. Brethren, by the grace of God let's do it.

HISTORY . . . 39 years ago 1941. Left to Right, Edward Overbey, Missionary Joe Brandon and Hafford Overbey. Missionary Joe Brandon entered into an agreement with Hafford Overbey and Z.E. Clark to carry on the work in the Amazon Valley of Brazil. Bro. Brandon went to Brazil in 1923 and 18 years later in 1941 the pastor and church in Benton, Ky. voted to discontinue his work and support. From the new start the MISSION SHEETS tell about the work as it is today. Great is our God.

Dear Brethren:
We rejoiced when we received last month a letter from Stephen M. Bratcher, our son in College at Georgetown, Ky., stating that he has been called by the Lord to preach the gospel. Pray with us that he'll also work with us here in Brazil.

Marie has been suffering from, we trust, minor aches and pains. At this writing she is better.

Sunday, January 27th, our Sunday School attendance was 419 - the high for this period. Last Sunday, 300 was the low. Our bus didn't make its route which cut our attendance. Sunday, February 3rd, the Bobby Aldridge family from Fortaleza, on their way to the States for furlough, visited us and Brother Aldridge preached for us at the 14th of December Baptist Church on Sunday morning. That night the Lord blessed us as the Church sat at the Lord's table with thirteen new members (11 baptized) participating for the first time with us.

Harold Bratcher

Today, at dinner, Pastor John Mark Hatcher of Morgan Avenue Baptist Church, Evansville, Ind. who is helping his brother, Paul Hatcher, in a revival at Tabernacle, will be our guest.

The Lord willing, next Tuesday, we'll be visiting the work at Nova Remanso and other places near by. We hope to open a new preaching point in Parana da Eva during the trip.

Thus have we shared with you some of our victories for this month. We have had our defeats as well but since the Lord is greater than our problems or defeats or failures, we'll not mention any of them.

Remember to continue to stand by us with your prayers and offerings - regular fund and for the Bratcher building. This month the 14th of December Baptist Church sent in an offering for the "Bratcher Building."

Continue to pray for us and with us that Stephen will be able to visit us this coming month of May.

May the Lord bless you is our prayer.

Still Looking For A Bus To Buy . . . Church To Deal With Unfaithful Members . . . A Young Mother Shuns Prostitution And Gets Saved And Baptized . . . Thrilling Story Of A Man Who Quits Running And Gets Saved

By Bobby Creiglow

Varzea Grande, Mt.
February 12, 1980

Dear Brethren,
We are still looking for a bus and up until now we have found nothing that we thought we should buy. We do have four men looking for us in Rio de Janeiro and we hope to hear from them soon. In the mean time we are still working at the job trying to get ready to know how to use it when it gets here.

We are having some problems in the church with unfaithfulness unto the Lord and His church and it looks like we will have to do some housecleaning before the Lord can bless us.

I did baptize one that was saved while Brother Bean was here. This was a lady whose mother had advised her to go into prostitution to support her children after her husband went into prison for murder. She got her an honest job and assured us that she wanted to serve the Lord. Since she refused to take her mother's advice her mother also has started to come to services. She told Betty last night that when she started coming to services that she didn't own a dress, but noticed that all of the women wore dresses, so she gave all of her long pants away and we have never seen her wear them.

Bobby Creiglow

Back in 1974 when we were having services in the carport while carrying on Brother Turner's work, there was a young man 29 years old started to attend some of our services. I never did learn his name; we always knew him as Moreno (Darkie). After several months whenever I would go to his mother's house, if he was there, he would say hello and then slip out the back door and only attended three services in a little over three years. When we arrived at the airport in Cuiaba he was there along with others and although I did not notice it Brother Draper told me he was jumping up and down like a little kid at Christmas time. After attending our services these few months and after a long inward struggle the Lord saved him last Sunday morning. He told me after service that he had planned that if the Lord did not give him peace that morning he would pack his bags and leave home for good. That night he told me that on the day of his baptism no one would be in Brother Draper's services as they were all coming to see him baptized, so we plan to have a special service so that they can all attend without missing their own services. Sometimes we have to wait a long time for results, but it is well worth the wait. May the Lord be glorified even in our waiting. There have been very few times since I have been in Brasil that I have heard anyone express the inward struggle as this young man has. It has been a joy to us all. Pray for him as you pray for us.

Rains, Floods, Mud And Snakes For One Particular Place . . . Report On School In Pucallpa

By Art Gibbs

Apartado 7

Huanuco, Peru
February 16, 1980

Dear Brethren,
This has been perhaps our most hectic month since coming to Peru but yet God's grace has been sufficient. It is our rainy season and we are really getting the rain this year. It has rained daily it seems for the past two months. Our rivers are swelled and overflowing. We have shortages of everything except mud and landslides.

I spent a week and several of the brethren from Huanuco spent two weeks working in Aucayacu as the situation there became unbearable for Brother Pedro Aquino. The swamp grew to such proportion that the people had to wade in mud to get to the door of the church building and the abundance of the snakes that had made the swamp at our door their

Art Gibbs

nest, made them un-easy to say the least. We worked hard and now have about half of the swamp refilled. At least it is no longer at their door and you can now get in to the building without wading in mud. Nevertheless there is still so much that needs to be done that will have to wait because of lack of funds.

I also went to Pucallpa this past month where we worked out plans for the new school year which begins in April. We closed out last year with a deficit of approximately \$120.00 which I consider very good as this deficit was due to last minute unforeseen legal expenses. During the school year we made improvements in the school building that cost approximately \$1,000.00. I consider this excellent progress especially when I consider that Peru is in a desperate financial crisis.

The Lord is still saving folks here and we can see progress. We are thankful, both to the Lord and to those who pray and give. May God bless you all.

Yours in HIM,
Missionary Art Gibbs & Family

Dear Brethren:
We pray that this will find each one of you being blessed and safe in the care of our Lord and Saviour.

This past month has been a busy but fruitful one in His Service. The last two Sunday mornings we have had attendance of over 300 and on Sunday nights our attendance has been steadily over 250. This past Sunday night I had the privilege of burying seven with their Lord in baptism.

We request that you continue to remember us in

prayer as we strive to serve the Lord as He sees fit.

February 15, 1980

Dear Brethren,

The news from Korea this past month has been about like usual, mixed, some good and some not so good. The works are all doing about the same except for the Kyong San Church where Brother Yoon has resigned as pastor. I ask you to pray with me and the members of this church that the Lord will meet this need. Possibly Pastor Chang can help them at least once a week. Also, Pastor Cheong's mother, a very faithful member of the Shin Nae Church died, this is the first church we started in Korea; anyway, Brother Cheong needs your prayers for he and his mother were extremely close. More bad news is that prices again soared in Korea, gasoline is now up to \$4.80 a gallon and minimum K.E.Y. money for a house is \$20,000.

The Shin Nae Church had one saved for the month and have also started paying back a small amount monthly on their building. Brethren, this is what it is all about; getting New Testament Churches planted that will be able to carry their own responsibilities, etc.

I truly thank God for those of you who have been responding to our needs. I know, as one person told me, that sometimes our letters sound like a beggar's letter but where else do we go but to God's People. I am happy to announce to you that half the money has come in now toward our car. We now only need \$3,000.00 and you who are reading this letter could very easily meet that need. If the M.S. impresses it

upon your heart, obey Him and I assure you upon the authority of God's Word that He will richly bless you for it. Some are also giving regularly toward the Faith Church building which is another must and I do thank God that many of you are concerned and permitting God to use you to meet these need. In my opinion, it will not be very long before our Lord will be returning and rest assured He will not forget you when it comes to giving out the rewards, who have given of yourselves, prayers and belongings to the cause of Christ and Missions.

I have been in the following places this past month and want to express my deepest thanks to each of these for their love and kindness shown me and my family while with and among them: On January 20th both services I was with Pastor Tom Byrd and the Shiloh Baptist Church of Campton, Ky., January 26 it was my privilege to be with the South Irvine Baptist Church and Pastor Homer Crain in their Youth Fellowship. January 27th for both services I was with Pastor Edward Overbey and the South Lexington Baptist Church; on February 3rd I was privileged to be with Pastor Bill Mitchell and the Brier Creek Baptist Church of Williamsburg, Ky. Each morning from February 4th thru the 8th I was privileged to speak in chapel at the Lexington Baptist College, Brothers L. Robbins and J. Jefferies are the Deans. February 13, it was my privilege to speak at the Covenant Baptist Church here in Lexington where Brother J. Clim is Pastor and last evening February 14th I was with Brother Lonnie Badger and the South Jackson Baptist Mission in Jackson, Kentucky.

Again thanks to each of you who help make our ministry possible.

In His Service,

Watch Night Service . . . Budget Adopted, Teachers And Officers Elected For New Year . . . Silver Wedding Anniversary Service For Parents . . . Eleven Baptized In New Church Baptistry . . . Thanks For Support

By Asa Mark Bratcher

Manaus
January 14, 1980

This past month has certainly been a blessed one in His Service. On the 31st of December, 1979, we had a watch-night service and the church adopted their budget for 1980; also the new teachers, helpers, and officers were elected to serve the church during this year. Tuesday night, the 1st of January, 1980, I had the privilege of preaching at a special service at the 14th of December Baptist Church, celebrating Missionaries Harold and Marie Bratcher's Silver Wedding Anniversary. Our attendance so far this year has been close to 200 in Sunday School and over 200 at night.

Yesterday there were 230 some present at night, with some six decisions, and I had the privilege of burying 11 with their Lord in baptism. This was the first baptismal service ever held here at Peniel in the newly-completed baptistry.

Lucy and I send our love to each one, wishing the best upon you during New Year. We thank you for your support in every way. Continue to stand by us as we strive to do His Will in all.

In His Service,
Asa Mark Bratcher

A Month Of Special Blessings . . . Building Purchased In Galia . . . Need Offerings To Pay For It . . . To Build On Lot Purchased In Duartina . . . Working In Three Cities . . . Need A Man To Come And Build And Offerings To Pay For Building Materials

By John Hatcher

Garca, Sao Paulo, Brasil
February 15, 1980

Dear Brethren,
This month has had some special blessings. For some time it has been our plan to buy lots and build in Galia. The services have been held for four years in rented buildings, and the work has been much slower and more difficult than expected. When the work is slow there is the pressure of spending other peoples money. So our thanks are to those who have supported in prayers and finances in spite of what seems to be failures. This month our contract was up on the building in Galia. The large room being rented was only a small part of a large building. When I went to renew the contract the owner said that he was going to sell and no contracts would be renewed. His plans were to divide the building and well in two parts and save one lot in the middle for himself. I asked him what was the asking price for the entire building. When he gave the price, it seemed the only thing to do was to buy immediately. The down

payment had been made and the final payment should be made by the end of February, when all the other occupants are out of the building. The building is built on the main street (avenida) and goes from one street to the other and is built on the two corners of the block. The building is 40 meters (that is a little over 43 yards or 130 feet long and 65 feet wide) long and 20 meters wide. The cost of the building was \$20,000. Also, this month the lady who sold us the lot in Duartina came and advised that the house is empty so, the Lord willing, we will be able to soon have a permanent building of some kind there. The house is wood and old and falling so something new will have to be built. The building in Garca is still our best opportunity if the money can be raised to buy it. Your help is really needed at this time. There is no way of estimating the importance of the work here in the center of the State of Sao Paulo for the future of all our work in Southern Brazil. Remember it is not easy to take care of three works in three different cities, but there are 300 more without Baptist work in this State to be reached.

In Him,
John Hatcher

Busy Month Preaching And Telling Of Work In Brazil . . . Five Churches In Kentucky Preached To And Slides Shown Of Work In Brazil . . . Needs \$6,000.00 To Buy Car In Brazil

By Richard Turner

February 21, 1980

Dear Brethren,

I have been busy preaching and telling of our work in Brazil this month. I have preached at the following churches. January 27 I was with the Northside Baptist Church for the morning service where Brother Gerald Smith is the pastor, February 3 I was with the South Irvine Baptist Church for both services where Brother Homer Crain is the pastor. I preached February 10 at the South Lexington Baptist Church in both services and also showed my slides. Brother Edward Overbey is the pastor of this church. This past Sunday (February 17) I preached for the Salem Missionary Baptist Church Grayson, Ky. where Brother Charles Lybrook is the pastor. At this church I preached at both services and showed my slides of the work and also preached on the radio in the afternoon. For the last three Wednesday nights I have preached at the Thompson Rd. Baptist church while Brother Hamilton has been in the hospital.

I have enjoyed being with these churches and the kindness they have showed to me I appreciate. May God richly bless them.

Brethren, don't forget our need of a car when we get back to Brazil. We will need six to seven thousand dollars for this. If twelve churches would give \$500 each we would have \$6,000. Pray about this and do

what God would have you do.
in Him,
Richard A. Turner
