Bobby Creiglow Buys Bus And Engine Goes Bad On Way Back Home And A Rebuilt Engine Costs \$2,000.00

Bobby Creiglow and a member of his church went to Rio de Janeiro to buy a church bus and drive it back to Cuiaba. The motor had been repaired, supposedly in good shape and all was well and they were rejoicing over how well the bus operated, etc. when all of a sudden two rods one each side came through each side of the engine. A rebuilt engine had to be bought at \$2,000.00. Read Bobby Creiglow's letter. For Bobby Creiglow's church to pay this \$2,000 00 means that Bobby Creiglow will be paying the most of it and we know that he cannot afford to do it. Read his letter and then join in with us and lets all of us together give to raise this \$2,000.00. Mark your special offering for "Bobby Creiglow Bus".

BULLETIN

We have just heard that the Mike Creiglow's in Cruzeiro do Sul, Acre, Brazil have a new baby daughter. Please help to pay doctor and hospital bill. Mark your special offering accordingly.

Harold Bratcher Letter:

I read the Harold Bratcher letter three times before typing the heading at the top. Please read it yourself three times and see how close they came to death. After three readings, those who do not give may start to give and those who give now may want to give more for his building and for the regular fund.

Richard Turner Letter:

Read his letter and then, may the Lord lead you to give for the car he needs so he will have enough to buy it after furlough

James Gasque Letter:

Read it and then may the Lord lead you to give so that he can buy a new car and a motorcycle to use in his work. What a challenge to the church in North West Alabama. How about it brethren?

Mike Creiglow Letter:

Read it and then give to finish the First Baptist Church and to put a new roof on the house he lives in.

Louie Carver Letter:

Read it and give to have enough for the new car and to build the Faith Baptist Church building in Seoul, Korea and more to the Regular Fund.

The Greatest Of All Needs Right Now

The greatest need is for increase in offerings to the regular fund to pay salaries and expenses. This is very urgent. The outgo each month is much greater than the income for the regular fund.

Six Churches Set Goals For Thanksgiving Offerings

Several churches have set a goal tor 1 hanksgiving Otterings. Some have set goals to give \$10,000.00 as the Lord enables them to do so... Faith Promise. Some have set goals of lesser amounts. Churches so far who have set goals that we know of at present are: East Maine Baptist Church, Louis Maple, Pastor; Thompson Road Baptist Church, James Hamilton, Pastor; Twelve-Ryan Baptist Church, Wallace York, Pastor; Morgan Avenue Baptist Church, John Mark Hatcher, Pastor. If other please let us know. Please, the Lord willing, let all Thanksgiving Offerings be for the regular fund as it is the greatest of all needs as of now.

Plane Fares:

It will take about \$2,500.00 for plane fares to send the Carvers back to their field after furlough and a lesser amount to send the Turners back to their field after furlough.

HISTORY: Old First Baptist Church Building, Iquitos, Peru. R. P. Hallum, wife and teenage daughter, left Louisiana May 10, 1935 by train and by boat from Virginia to Belem, Brazil and up the Amazon River to Manaus Brazil, where they met Mrs. E. A. Nelson and the Joe Brandons. The Brandons went on boat with the Hallums up the Amazon to Esperance, Brazil at the border of Peru where Brandon had organized a church. The Hallums arrived in iquitos, Peru 21 days after leaving home in Louisians. R. P. Hallum started preaching and organized the first Baptist Church in all Peru. On a salary of #150.00 a month he bought a lot and with the help of a native Peruvian he built a church building on the lot. Years later Mitchel Lewis added to it, and years later Walter Lauerman enlarged it to cover the lot. years later, James Kissel sold the old building and built the beautiful new building back of the house the James Gasques now live in. The old building pictured above, when Sidney Fisher and the editor saw it in 1978, looked like it was about ready to fail down. 45 years have gone by and the work of Baptist Faith Missions continues to GO and Grow and to GLOW. Great is our God.

A Busy Month . . . Trip To Youth Camp . . . Work Going Well With Largest Attendance Ever . . . Sad News From East Germany . . . Praying About Where To Go For A Permanent Field Of Labor By Harold Draper

Dear Brethren,

March 17, 1980 Greetings once again from Brasil. This has been another busy month. During the time of Carnaval here I along with about 20 of the young people from the church went to a Camp. It was not like any I had been to before. It

didn't have any extra conveniences, just good fellowship with the Lord's people. We got some bad water and have been sick some this month after returning, but all seem to be on the road to recovery.

The work here seems to be going well. We have not had any more professions of faith this month. We are visiting here in

the church field and waiting Harold Draper for the harvest. Last night we had the largest number of people in our service we have ever had. Many of them were lost and live here close to the church. We

are encouraged to see this interest. There are at least four who have made professions who have not yet submitted for scriptural baptism. We want to make Baptist outs of them. Two of them were dipped in other denominations but need scriptural baptism. Pray with us for them.

Also my wife received a letter from her family who live in East Germany. It was the first time in eleven years we have heard from them. Her dad died five years ago with his last hope being of hearing from us. We were saddened by this but he was a saved man and we will see him again. Praise the Lord for that!

Our time here in Cuiaba is about half over now and we are praving about our next place of service. It looks like we will go to Sao Luis to oversee the work there next year. We are praying about where the Lord would have us work permanently here in Brasil.

Brethren, pray for us. May the Lord bless each one of you by His grace. Yours in Him,

Harold M. Draper

HISTORY: New Chapeda Baptist Church, Manaus, Brazil. In 1963 John Hatcher took the eidtor in his car to a service in a new church that he had organized called Chapada Baptist Church. The road was so bed that we had to walk the last many yards to the church building. To day 17 years later, the street is a paved four lane highway and the new building (partly finished) above is being built by Pastor Miguel Ibernon and his members without any offerings from Baptist Faith Missions. Thus the work of BFM continues to GO and to GROW and to GLOW. Great is our God. To Him be all the honor and glory.

Dear Brethren, The Psalmist said that it is better to trust in the Lord than to put confidence in man. I am sorry to have to report that our evangelist at the Nova Remanso mission, Jovino Pereira da Silva in whom I have put confidence for more than four years has proven unworthy of

the confidence placed in him. He left the work there without advising me or the members there. He also left behind him several debts.

Marie & I and two young men of the church left Manaus and went by bus to Icacoatiara. The boat that we intended to go on that day

than lose one or more days, we went the long way around to get to Nova Remanso. After spending the night in Itacoatiara we rented a boat and arrived at our destination, Wednesday afternoon. We held

services that night and for the next four nights. We rejoiced in the four decisions that were made there.

On Monday the 25th of February we rented a boat to take us to visit some of the members. We went down the river for about thirty minutes. We found a family in distress. A sixteen year old woman was bitten by a poisonous snake the Saturday night before. She was with fever, her foot swelled and she was groaning with pain. The father asked us if we could take her to Itacoatiara to the hospital. We were planning to go by commercial boat that would pass that night. The owner made me a price and I accepted it. We then went back up the river and as soon as possible we were on our way - eight of us aboard the same boat. All went well until we were almost there. We ran into rough waters. For almost a half hour we were afraid the boat was going to sink! Some, if not all of us were praying to the Lord to save us. He did and we reached our destination, praise the Lord! We then took Maria Socorro de Araujo to the hospital. We were well received there but I had to go after and pay for the injections she was needing. They cost around \$13.00 thus again increasing the expenses of the already expensive trip. At this writing Maria Socorro is still unable to walk on the bitten leg. She is under

ahead of my family and try to get a place to live, etc. and prayerfully they will come after the children finish this year's schooling. Do pray that the Lord will work things out for us without a great deal of complications when we go back.

I praise God for the way that many of you have permitted God to use you in order to help meet our needs as your representative for the cause of Christ to the regions beyond. It now looks like we only need about another \$1,000.00 to take care of our car need, you have been just great in this. Probably there are those now reading this letter to whom the Spirit would have help with this remaining amount, would you? I also thank God for those of you who continue to help toward the desperately needed building at Faith Church. All a missionary can do is say thanks, but I am convinced that our Lord will surely remember you when He, at the Judgement Seat of Christ, passes out the rewards.

I have been privileged to have been in the following places and with the following pastors since last report: during both the morning and evening services of Feb. 17th I was with Pastor R Harpe and the Beech Grove Baptist Church of Crab Orchard, Ky. and Feb. 20th I was with Pastor J. Lloyd and the Loganna Baptist Church near Lexington. On Feb. 24th morning and afternoon I was with the Beech Grove Baptist Church and Brother Green of Lancaster, Ky. That evening I was with the Thompson Road Baptist Church here in Lexington, Brother J. Hamilton is their pastor. From Feb. 25th through the 29th I had the privilege of being one of the speakers at the Seminar of the Clarksville Baptist College of Clarksville, Tenn. where Brother E.

Bobby Creiglow Preaches In Garca And Galia . . . Plans To Start Building In Galia And Duratina In A Few Days . . . A Plea For Financial Help To Build . . . Then Other Buildings Will Be Started **One After Another**

By John Hatcher

Dear Brethren,

Garca, Sao Paulo, Brazil March 20, 1980

God has blessed us greatly this month. It was a joy to have Brother Bobby Creiglow with us for a couple of days. He called us from Rio and said he and Brother Hudson would be arriving in Garca about midnight on March 7th. They were bringing the bus bought in Rio and spent

two days with us. Brother Crieglow preached for us in Garca Sunday morning. In the afternoon he took the bus to Galia and all who wanted to try it out. We had a good service in Galia and Brother Creiglow brought the message. Last Sunday three young persons were baptised. Two are from

Garca and one from Galia. In our last letter you read about the building purchased in Galia. The building was a hotel and of course was quite old. The work of remodeling, tearing down and getting ready to rebuild or remodel is underway. This morning the architect and I went over the proposed plans for the remodeling. Also he is drawing the plans

for the building in Duartina. This means in a few days we will have work started on the buildings in the two cities. Pray that the Lord will provide the means for these two to be finished and also for the building in Garca to be purchased if it be His will. Brethren, believe me when I tell you these three cities are only the beginning of the work here in the State of Sao Paulo. The Lord willing, from now on there will be one building after another built and missions established. We cannot stop. There are three hundred counties areas without any Baptist work and there are hundreds of large cities with only one small Baptist Church. Remember that only 5% of missionaries are engaged in church establishing ministries, that is in pioneer mission work. 95% are working with churches already established or in administrative posts. These figures are according to Ralph Winter, Director for World Mission in Pasadena, California. Brethren, I beg you to help us finiancially, and to help us as much as you can. Share with us in this grace. Young men prepare your life to serve Christ as missionaries.

In Him. John A. Hatcher here in Manaus, now

Wednesday night, March 5th, the church lost 16 members, all but one by exclusion. Yesterday, we had 416 in Sunday School with

less at the preaching service and some 204 last night. We had good services but no moves.

Brethren, it seems that we suffered more defeats and disappointments during the month than victories. Pray for us and please note that the 14th of December Baptist Church is giving again on a monthly basis to B.F.M. We are trying to do what we can. We feel that we are carrying our share of the load on this end. We ask you to give to the Bratcher Building yes, but also to the Regular Fund as the needs and expenses are many. We on this end want to be able to preach and reach and help more snakebitten sinners. It was expensive to help the young woman bitten by the snake and it is expensive to help the sinners escape from the old serpent the devil. It cost Jesus Christ his all. Is it not worth it?

We pray the Lord's richest Blessings to be upon vou.

Yours In His Service, Harold Bratcher

Cruzeiro do Sul, Acre Dear Brethren, The work at Guajara is now three years old. The work there has been very hard. For most of this time the services were held in homes or even open air. There were only a handful of believers there for most the time also. There were week, instead of every two weeks. In Decem-ber a house became avail-able. The house is large and new with an aluminum roof. The First Baptist Church decided to hum

Our men got together the difficult since all of us had just put out as much as we could on the New Year's Mike Criglow offering. God has supplied. The work there is growing nicely now. Each week for the last six weeks there have been people saved. Yesterday they broke their attendance record with 121. Two more, a couple, made professions of faith. Those of you who followed the work at Vila Rodrigues Alves may remember that it took several years of persistent work, before we

started to see many results. Guajara has been similar and we expect many more blessings. The First Baptist Church has been doing well. Our average attendance has been up. There have been four saved during this last month. Yesterday we had a really great time. One young lady was saved and two came for baptism. A special blessing was seeing 12 men and women coming to dedicate their lives for service as teachers, counselors and other ministries. Oddly enough last Wednesday the church had to discipline a deacon's daughter. Many of you have been through situations like this one and know how hard it is. It is wonderful to see the Lord's church striving for holiness, with much adversity, on Wednesday, and then being showered with blessings on Sunday. on Sunday

We are now in preparation for Vacation Bible School and Camp. Bible School starts tomorrow and

School and Camp. Blote School and camp Saturday. Construction on the new building will be stopped during these next two weeks. This is due more to lack of funds than to activities. Please give. In Christ, Mike Creiglow

By Bobby Creiglow Varzea Grande, Mt.

Dear Brethren,

March 17, 1980

Varzea Grande, Mt. March 17, 1980 This month we have some good news and some bad news, so I will give you the good news first. First of all our attendance is us some this month. We are now running a little over 100 in our Sunday night services, about 85 in the morning service and 70 on Wednesday night. We are having many lost attending all services. We think we have some of our problems under control. We had two young people saved this month and I haptized three men. We also bought a bus this month and I and one of our members went to Rio de Janeiro to get it. On the way back we stopped off in Garca to spend the week-end with Brother and Sister John Hatcher and that is about where the good news ends. We back poend a band asking Brother Hatcherto

On the way back we stopped Bobby Creiglow off in Garca to spend the week-end with Brother and Sister John Hatcher and that is about where the good news ends. We had phoned ahead asking Brother Hatcher to buy us some fuel for the bus since all of the service stations are closed on Saturday and Sunday. We traveled all night Sunday night and until just a little after noon on Monday. Brother Hudson was driving and all at once he said, "The accelerator came unhooked" and the motor stopped. It is a rear engine and when we went to see what we could do to fix it we found that we had blown a motor, a rod came out both sides of it. Things had gone so well, we were very happy with the bus thinking we would not have to do any work on it for perhaps several years, but then all at once we saw thosehopes go up in smoke. It appears as though the mechanic where we bought it had gone over the motor replacing some parts so that it would be in good shape and just forgot te tighten one of the bolts. We were still 250 miles from home, so we decided that one would catch the next bus for home to get help while the other stayed to start taking the motor out. The next day when help arrived I had the motor almost ready to come out. We left the bus in the care of a farmer and we brought the bus to delivered the day after tomorrow. When I first got back from furlough and talked to the church about the bus I told them that the Brethere in the States donated the money to buy the Bus, but the up-keep would be up to us to take care of, so the church is going to pay the \$2,000.00 for the motor. We hope that will be the end of our problems of this nature for many months to come. As soon as I get some pictures developed I will

send them to Brother Overbey for the Mission Sheet. Pray for us that we might use all that we have for His Glory.

In His Name, Bobby D. Creiglow P.S. Some other good news that I forgot to mention is that we got a telegram from Mike saying we have an new grand-daughter.
