Architect drawing for new building in Galia, in South Brazil. John Hatcher bought an old hotel and lot facing three streets for \$20,000.00 and it is paid for. Now he needs \$20,000.00 to build this building. He recently bought a lot in Duartina and the mission in Garca paid for this lot. He needs \$25,000.00 to build a building on this lot. And he needs \$100,000.00 to buy the large bank building in Garca that he has wanted to buy for the past three years. Read John Hatcher's letter and then who will give to buy and build? This is an opportunity to give for eternity. Great rewards, now and for eternity.

1980 Thanksgiving Offerings

Our Goal Is \$100,000.00 All For The Regular Fund To Pay Salaries, Rents, Expenses

It can be done. How can it be done? By the pastor taking the lead. Give your church Missions for breakfast and dinner, and supper, and in between meals. Set a goal by faith, and lead your members to give. Maybe some can give \$1,000.00 each, some \$500.00, some \$300.00, some \$200.00 and many \$100.00, and many less.

TWENTY FIVE YEARS AGO

In 1955 we planned our first Thanksgiving Conference at Canfield Avenue Baptist Church with a goal to give \$5,000.00. The pastor led the way and two gave \$500.00 each and then one gave \$225.00, six gave \$200.00 each, and on and on and the total of that First Thanksgiving Conference was \$5,240.00.

TWENTY FOUR YEARS LATER

In my last year as pastor of the same church, Twelve-Ryan Baptist Church on Thanksgiving day in 1978 with about 60 members (more or less) and about twenty families gave a total of \$13,555.90. The pastor took the lead and the members followed. One gave \$5,000.00, one gave \$2,000.00, one gave \$1,000.00 and one gave \$600.00, five gave \$500.00 each, two gave \$300.00 each, two gave \$250.00 each and two gave \$200.00 each and on and on and the members marched to the front as we sang and put the offerings in a plate on the table and the total was \$13,555.90. That is the way this church did it for twenty four years in a row. It will work. This same church has set a goal for \$10,000.00 Thanksgiving morning in 1980. Others have set a goal for the same amount and some a goal for a lesser amounts. Seek ye first the Kingdom of God, Not second, or last. It will work. Brother Pastor take the lead and the church will follow you, we proved it for 24 Thanksgiving years in a row.

The Biggest Need Now Is For Offerings For The Regular Fund To Pay Salaries And Expenses

Each month we mention needs for different things and all are in great need, but at this time the greatest of all needs is for the REGULAR FUND. Please give as never before.

James Gasque needs a motorcycle. Richard Turner needs a new car. Bobby Creiglow needs a new car. Harold Bratcher needs a new car. Asa Mark Bratcher needs a new car. John Hatcher needs a new car. Mike Creiglow needs offerings to pay for a used one he bought. Harold Bratcher needs offerings to pay the deficit on his church building. John Hatcher needs offerings for two new buildings and to buy the large bank building. He needs \$150,000.00 now. Mike Creiglow needs offerings to finish his building in Cruzeiro do Sul. Bobby Creiglow needs \$2,000.00 now for a rebuilt motor for his bus.

John Hatcher In His 25th Year As A Missionary In Brasil Pleads For \$150,000 For Building In Three Cities . . . Needs \$150,000 Now . . . Pleading In Jesus' Name For Mission, Not Self

By John Hatcher

Garca, Sao Paulo, Brasil
April 12, 1980
Dear Brethren,
Today I write this urgent plea to you: GIVE US \$150,000.00 NOW FOR THE LORD'S WORK IN THE STATE OF SAO PAULO, BRASIL. Here are the reasons I ask:

1. The building in Garca can be bought for \$100,000. It has a seating capacity of more than 300 and Sunday School space for 200. Total capacity of building is over 500.

2. There are 40,000 persons in Garca; that is an investment of \$2.50 per soul.

3. The large lot and building just bought in Galia is on the main street of the city. The lot and buildings cost \$20,000 and we need another \$20,000 to remodel and build the auditorium. This lot faces three streets and is 65' x 130'.

4. There are 15,000 persons in Galia and surrounding area. That is an investment of \$2.67 per soul.

5. Property has been bought in the city of Duartina. This was paid for by the Garca mission. We need \$25,000 to build a meeting place.

6. Duartina has a population of 24,000. That is an investment of \$1.04 per soul.

John Hatcher

7. All three works are new and are cared for by my wife and I.

8. All three are pioneer mission works.

9. This is the first and only work of BFM in the southern part of Brazil, the most thickly populated section of the country.

10. The future of our work in southern Brazil depends much upon your support of these works now.

11. Three new works in three different cities is the maximum of economy.

12. I am asking \$150,000.00 from you now for the glory of our Father and God, in reaching the unconverted with the message of Jesus Christ and in the establishment of Baptist churches.

13. Remember, at the present rate of mission work (all evangelical) 5 out of 6 persons living will never have a chance of hearing the Gospel.

Will you help give \$150,000.00 for these works his month?

In Him,

John Hatcher

(Editors' note. There are those who could give the \$150,000 that John Hatcher needs for this new work in south Brasil. There are those who could give one fourth and those who could give half, and have the joy of giving now and rewards in heaven hereafter.)

Both Celebrate Their 53rd Birthdays . . . Happy Occasion . . . A Revival Meeting . . . A Wedding Ceremony . . . 527 In Sunday School . . . Son Stephen To Come Visit Two Months

By Harold Bratcher

Dear Brethren:

I have just finished reading in my diary all the entries since March 18th. I shall share with you now some "Bulletins from Brazil."

On March 24th I completed fifty-three years of life here upon this earth. The first celebration of my birthday was on Saturday, March 22nd with a dinner at the church. The pastors of the churches of B.F.M. with their wives were our guests. At midnight on the 23rd we were hearing hymns from a group of eight young men of our church. On the 24th I wrote in my diary: "Had a happy birthday, to God be the glory!" The last celebration at the church was on the 25th with a special service, Asa Mark preached, sponsored by the

Harold Bratcher

Ladies' Missionary Society. On the 29th of March I performed a wedding ceremony at the church.

From the 1st to the 6th of April we were in revival. A different preacher preached each night. The Lord's blessings were upon us. On the 5th of April my wife, Marie, celebrated her 53rd birthday also. We celebrated her birthday also at the church.

Last Sunday we had a good day at the church with 427 in Sunday School and decisions at both services. I announced that our next baptism would be the first Sunday in May.

The Lord willing, our youngest son, Stephen will arrive on the 10th of May to spend some two months among us. Pray for him.

Thus you see we have been blessed of the Lord. We ask of you to continue to stand by us with your prayers and offerings. Give to the regular fund and as the Lord leads to the "Bratcher Building."

May the Lord bless you all in our prayer.

Yours In His Service,
Harold Bratcher

All Well And Normal . . . Middle Aged Man Of Church Dies And Over 300 Attend His Funeral . . . Several Saved At Various Places . . . Many Preaching Points Visited . . . Builds Boat For Work At Eirunepe

By Mike Creiglow

Dear Brethren,

All is well and normal, but not routine in the Lord's work in Cruzeiro do Sul.

First Baptist Church has had some great blessings during the past weeks. Some of the blessings have come through adversity again. One of the middle aged men of the church died suddenly last month. He was very well known and had a bakery here. His wife is one of our Sunday School teachers. She asked that we have services at church before the burial. There were over 300 present. Many of the town's doctors, merchants, and business men were there. Many, many of our members have had excellent visits and witness. One lady has been saved. She already had many serious problems and after counsel and witness in our home she trusted Christ.

There has been one more saved at Floresta and five at Guajara. The brethren have also visited Lake Tapiri. There has been a preaching point there off and on for many years, but has been abandoned lately. A couple of the brethren from Faith Baptist had been going there, but quit about four or five months ago. The folks from Tapiri came to Sacado for the organization service and while there asked me if we would send someone to preach for them. Our men will be going there regularly now. They also visited Boa Fe this month.

Brother David Kronmiller, from Eirunepe, along with his family and two workers, has been with us for the past month. He has preached for us several times and made one trip with our boys. We

Mike Creiglow

have been building a boat for the work in Eirunepe. The boat was finished and launched just yesterday. It performs well and should be a good tool.

Pray and support us. May God bless you richly.

In Christ,

Mike Creiglow

EDITOR'S NOTE: The last letter from Mike was dated Feb. 11, 1980. No letter from him in over two months. This above letter indicates that he organized a church which he wrote about and we did not receive. Also March Financial report indicates that he mailed Jan. and Feb. reports not received. A baby girl was born and we did not get a letter telling about it. Heard about from his father. Letters and reports mailed for two months, lost in the mail.

A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

A Good Month . . . Doing Well In Studying Spanish . . . Started Services At Santo Tomas . . . To Help Mission Building And Baptize Two At Buenos Aires . . . Need Special Offerings To Buy Motorcycle And Car

By James Gasque

Dear Brethren

April 14, 1980

The past month has been a good one for us. We have been studying Spanish for 6 weeks now and are learning well. Hopefully we will begin Bible classes during the week for children and adults in the next weeks. There is a great need for this. Only 6 people in the First Church have Bibles. We can buy good Bibles here and they are not as expensive as in the States.

Attendance has been down at all the churches due to the lack of visitation. We have started going to the mission at Santo Tomas every Friday night. This past Friday night we were almost stranded because the rain started and the road washed away, but the Lord brought us home safely. Everyone was soaking wet,

James Gasque

but thankful to be home.

This coming Thursday I will go with Pastor Huberto of the First Church to the mission at Buenos Aires, where we will work with the brethren there in the construction of a building in which to hold services. I will also baptize two that have made professions there. All of our legal papers have been filed here in Iquitos and the Office of the Minister of Interior said we will not have to go to Lima at all. We pray that this is true. We should receive our Carnets in about two weeks.

I average walking about 10 miles a day because many of the places cannot be reached by car. We are trying to save money to buy a motorcycle for use now. We also need a car as the one we have has just about seen its last day. If God lays it on your heart to give, then do so and rejoice in the fact that you are helping to carry out the "Great Commission."

Yours in the Lord,
James Douglas Gasque

To Start New Work In The Philippines And Continue Work In Korea . . . In Conferences In Ill., Ky., And W. Va., . . . Visited Churches In Interest Of Work . . . Good Report From Shin Nae Church In Korea . . . Thanks For Gifts To Buy Car

By Louie Carver

Dear Brethren,

The Lord willing, I hope to be back on the mission field by the time you read this report. Prayerfully, I shall leave for Manila, Philippines and on to Korea and back to the Philippines May sixth. That is providing the Korean Visa has been obtained by then and the tickets purchased, etc.

I'm sure by now that most of you know that due to the inconceivable prices, my family and I can no longer financially live and work for God in Korea. After much prayer, I believe God would have us go to the Philippines. This does not mean that we're giving up the work of Korea; I hope to be able to keep at least part of the work going there too. In fact, hopefully and prayerfully, I plan to go to Korea once or twice yearly to encourage and try to help out as the Lord would lead. Brethren, these decisions are not easy, neither to make nor on the mind and flesh. We need your prayers and certainly launching out on a new adventure for God we continue to need your support for buildings and never having been to the Philippines before, only our Lord knows what the other needs will be. So those who are so graciously giving toward our building, please continue, for we must start from scratch on the new field.

In God's Work, especially as a Foreign Missionary, there are always new challenges, and new problems but our God knows all about them. We had purchased our appliances and things to return to Korea, now I am told that it may not be wise to take them to the Philippines because of Customs and if we do take them it will cost approximately \$4,500.00 freight fee, of which I do not have. We had to sell most our things in Korea and use the money in order

to exist there. Anyway, this is a problem that I need your prayers and help in, should God so lead you.

I hardly know how to say thanks to you who have given toward our vehicle. I believe we now have sufficient for the car, yet, I am getting conflicting reports as to the prices on them in the Philippines. Anyway, may God bless you for meeting this need.

I have not received all the reports from Korea for this past month, as yet. However, I did receive the report from the Shin Nae Church and they had a good month both in attendance, offerings and baptized two. Brother Cheong also reported that exams were due at the Bible College.

As usual, this past month has been quite busy in various churches for which I thank God. Wednesday 3-19 I was with the Sugar Creek Baptist Church of Woodlawn, Tenn., Brother R. Lumpkin is pastor; 3-21 through 3-23 Brother Hafford Overbey and I were in a missions conference with Pastor R. McManus and the First Baptist Church of Niles, Ill. Both a.m. and p.m. on 3-30, I was with Pastor H. Becknell and the First Baptist Church of Island City, Ky.; from 3-31 through 4-2 we were in attendance and spoke at the Spring Conference in connection with B.F.M. here in Lexington held at the Thompson Road Baptist Church, Brother J. Hamilton is pastor. Both services of 4-06 I was with Pastor M. Campbell and the Bluff Avenue Baptist Church of Indianapolis, Indiana. On Wednesday, 4-09 we were with Pastor C. Wilson and the Elk Lick Baptist Church of Levi, Kentucky. Both services on April 13th we were with the Landmark Baptist Church of Winchester, Kentucky where Brother Muncie is their pastor. From April 14-16th, I was privileged to be an evening speaker at the Annual Missions Conference of the Calvary Baptist Church of Nitro, W. Va. where Brother M. Mitchell is pastor.

May God richly bless each of you our prayer partners and supporters.

Yours In His Service,
the Louie Carvers

Thanks For Prayers And Memories . . . 1700 Students In Baptist School In Manaus, Brazil . . . Classes From 7:00 AM to 11:00 PM . . . Church Continues To Prosper . . . Nine Years Of Married Life

By Paul Hatcher

Dear Brethren,

We thank God for each memories before God. May God grant an ever-greater opportunity to reach the nation of Brazil with the Gospel of our Lord.

The schools are now in full operation after three months of vacation. Due to the lack of schools in Brazil, schools operate with three sessions each day.

2nd session 1:00 p.m. - 5:30 p.m.

Each session is a different student body, with a total of 1700 students - 750 in the morning, 575 in the afternoon, and 375 in the evening.

Spiraling prices and astronomic salary raises for teachers produce ever-increasing obstacles for the private, religious school. The reward is hundreds of students who will receive Christ as Lord and Saviour.

The church continues to prosper; we pray it will be a light-house for Brazil.

Wanda and I completed nine years of marriage March 13. The children are all well; thank God for the wonderful wife and children he has given us.

Spring Conference The Highlight Of The Month . . . Visited Churches In Kentucky, Ohio and Illinois . . . Needs Special Offerings For Car To Use In Brazil

By Richard Turner

Dear Brethren,

I have preached every Sunday since writing my letter for last month. The highlight of the month was the Spring Conference at the Thompson Rd. Baptist Church. The messages were heart stirring and encouraging. I was also encouraged by the spirit of cooperation and desire to do more for the work of missions.

This month I have preached at the following churches: March 23, I and my family were with the Flemingsburg Baptist Church, Brother Luttrell pastor, Flemingsburg, Ky. We spent the day in the home of Brother Jim Hurd whom we knew from the days when my father-in-law was pastor in Fleming county. March 30, I was with Pastor Homer Grooms and the First Baptist Church in Lucasville, Ohio. March 31 to April 2, I was at the Spring Missionary Conference and preached on Tuesday of the Conference. April 6, I, my wife and two of my children were with Brother Jim Hicks and the East Keys Baptist Church, Springfield, Ill. April 7, we were with the New Hope Baptist Church and Pastor Force, Bloomington, Ill. April 13, I and my family were with the New Zion Baptist Church and Pastor Bill Gordon, Paducah, Ky.

We thank God for all these good churches and pastors that invited us to come and tell of our work in Brazil. We have been treated with Christian love in all these churches.

Brethren, we are still asking for your help in raising the money we need in order to buy a new car when we return to Brazil in Oct.. We thank you that you have given and hope that others will help us at this time.

In His Service,

By Asa Mark Bratcher

Dear Brethren:

Since our last letter, another month has already slipped into eternity. Certainly we are each day made to remember that only what is done for Christ will last.

We continue to strive to faithfully serve our Lord here in Manaus, as we minister to His people. I am happy to report that the little girl that suffered the fall last month is well and doing fine. I have visited this dear family twice and they seem to be so grateful and thankful to the Lord for His special care over their little one.

Also, this month the Lord has richly blessed us here at Peniel Church. Our attendance at the regular services are steadily increasing. There have been some 30

Dear Brethren,

The Lord is blessing our work here in Cuiaba. We have had two professions of faith and one woman submitted for scriptural baptism. We are hoping that some more will soon come for baptism also. We have started a choir here at the church. We have some real talent and the lady who has recently been baptized is helping us in our practice. She sings very well and know music. Our attendance is growing some each month. It seems the hardest thing to teach people here is tithing and after that visiting. But I suppose that is also the hardest thing for many folks back there also.

to the States next month. She has been a great blessing to the work here. She would make a good missionary's wife but she now plans to go into nursing. Pray for her as she will be leaving home this time for good. It is a hard thing to have your children leave and to know the temptations and testings they will be confronted with. But we are leaving her in the hands of the Lord.

We are making plans to move in a few more weeks a little closer to the church field. We believe it will help in the work. Ursula and one of the women of the church are out today visiting and witnessing. Brethren, this is mission work. Visiting, teaching, and praying that the Lord will give the increase. Pray for us. May the Lord bless each church and Christian is our prayer for you there.

Some have perhaps already heard that I have tendered my resignation as a missionary with Baptist Faith Missions. It is my intention to return to the U.S. as soon as all the necessary transition for our return can be accomplished. Hopefully we will be able to be

back home and settled this summer so our children will be ready to enter school this coming fall.

We are indeed thankful to Baptist Faith Missions and to each of you our brethren who have made possible our ministry here in Peru. It has been a real privilege. The blessings have been innumerable. Certainly we are debtors to you all.

Even as we prepare now for our departure God continues to bless. There have been several professions of faith here in Huanuco this past month. We also have a new young preacher who has been preaching in Ambo with several professions of faith there also.

Again let me thank you all for your many prayers and the many offerings that have been given that this work might go forward for the honor and glory of our great GOD.

May God bless you all.
