### A Letter From Wallace York

Recently my wife and I were in Manaus, Amazonas, Brazil, where I lectured in Portuguese to the Seminary and College. I also preached in Tabernacle Baptist Church, Paul Hatcher, Pastor, and in Fourteenth of December Baptist Church, Harold Bratcher, Pastor, and in Peniel Baptist Church, Asa Mark Bratcher, Pastor. The greatest need of all that I saw, next to an increase of offerings to the Regular Fund of Baptist Faith Missions, was the need of Special Offerings, over and above the Regular Offerings, to buy a new car for Harold Bratcher to use in his mission work. I have led Twelve-Ryan Baptist Church, that I pastor, to give \$1,000.00, over and above our Special Thanksgiving Offerings, to help buy a car for Harold Bratcher. When I told Brother Hafford Overbey that I was going to do this, he said that he would give the same through South Lexington Baptist Church, where he is a member, the Lord enabling. With the \$900.00 already in this fund, this will make a total of \$2,900.00. If four other Pastors will lead their churches to give \$1,000.00 each over and above their Regular offerings and someone else will give \$100.00 then we will have a total of \$7,000.00 which we believe, with what Brother Bratcher can get out of his old car, he can buy a new one. Remember that no offering is too small.

By His Grace,  
Wallace York

### Other Car Needs

Bobby Creiglow, Dana Adams, Asa Mark Bratcher, John Hatcher, Mike Creiglow, Richard Turner, Douglas Gasque. Give as the Lord shall lead you.

### Extra Special Needs For Surgery And Hospital Bills Now

Paul Hatcher has arrived in the U.S. for surgery to remove a growth on top of his head. His doctor in Manaus, Brazil recommended that he come to the U.S. to have this removed. Also Mrs. Richard (Wanda) Turner has been advised that she has an inward goiter. All tests have not come back, but the doctor advised that it was almost certain that this will require surgery. Two requests: Pray earnestly for Paul Hatcher and Wanda Turner and give liberally to help pay for the surgery and hospital bills.

### Large Plane Fares Coming Up

To send the Richard Turner family back to Brazil as soon as Mrs. Turner recovers. Plane fares for John Hatcher who will be coming on furlough in March, 81. Plane fares for the Harold Drapers who will be coming for furlough the last of July 81. Plane fares for the Mike Creiglows who will be coming for furlough the last of July, 81.

Young Preachers Went To Eight Places To Preach . . . Gasoline Shortage At \$2.70 Per Gallon . . . Hopes To Have Roof On New Building Soon**

By Mike Creiglow

Dear Brethren,  
Cruzeiro do Sul, Acre  
October 29, 1980  
First Baptist Church has just finished an eight day meeting. The church invited my father, Brother Bobby Creiglow and family to come and help us.

October has been the wettest ever for us, but even so the Lord made it possible for us to have good weather for the conference. The Bobby Creiglows arrived from Cuiaba on October 13th. The plane almost didn't get to come because of the rains and even after it arrived it took us a good long while to get through the mud into town. Nevertheless, we were able to visit around some of the work the first week and then start the meeting the second week. We had rain on the first Sunday night and still had a fair number to come out. All the rest of the services were very well attended. Most nights were over 250. There were 11 saved, which is the best of all. The church also got together Cr\$56,000.00 (Cruzeiros) for plane fares. The preaching was great and our people had a great time.

We have had some real trials in our out of town mission work this month. Gasoline has gone up again. If it were available, which it hasn't been for three

weeks, it would cost up \$2.70 per gal. The rains have completely wiped out the roads for a time. Then our equipment is needing to be renewed. I spent three weeks rebuilding one of our boats that is already 7 years old, only to see it rammed the same day it went back to the water. We still managed to go to, or send out our preachers to the following works: Sacado, Guajara, Rodrigues Alves, Mancio Lima, Colonia, Humaita, Mourapiranga, and Pentecostes.

The building is under way again. The work is slow, but it looks like we will get the roof on this time. Our men go out every week to preach and pay all of their own expenses. We try to provide boats and fuel. We haven't been able to stock fuel, nor are we able to buy new equipment. Please give.

In Christ,  
Mike Creiglow

## Visits Son And Family In Cruzeiro Do Sul . . . Eight Days Of Meetings In First Baptist Church In Cruzeiro Do Sul With Overflow Crowds . . . Visits Many Old Friends . . . Friends Meet And Keep In Home Overnight In Rio Branco . . . To Build Garage For Church Bus

By Bobby Creiglow

Varzea Grande, Mt.

November 13, 1980

Dear Brethren,  
We all went to Cruzeiro do Sul as I mentioned in my letter last month. We had a great time visiting with old friends that we have known for many years and we also enjoyed some new ones that we met for the first time. It had been almost a year since we had seen Mike and almost three years since we had seen the grandchildren and our daughter-in-law Beverly. We spent the first week just visiting and playing with the children and it was so good for us. The last eight days we were in a meeting with the First Baptist Church where Mike is pastor. The Lord gave us good weather almost every night and I enjoyed preaching to over-flow crowds almost every night. Everyday during the meeting we were invited into a different home for lunch and it seemed like each one tried to out-do the other. It was a

Bobby Creiglow

wonderful time of feasting. The time there was all too short and we were needing to get back to our work in Varzea Grande. On the way home we had to spend the night in Rio Branco and when we arrived there we were met by friends that took care of us and we enjoyed the fellowship with them also.

Things have been rather low here in our work since we returned from Cruzeiro do Sul and we are trying to pick them back up once again. School will be out here within a few weeks and since many of our people study at night they will be free and we hope to start some bible studies that we hope will pick us all up some.

We have been parking our bus on a vacant lot beside the church so, this week we tore down our steel fence in front of the church and are going to build a garage for it beside the church building. Some of the materials were bought this week and the brethren plan to start building this Saturday. The church is paying for it and it won't be much more than a roof but, even that is expensive.

Bobby D. Creiglow

## Highest Months In Attendance . . . Thirteen Baptized In Garca . . . Buildings In Galia And Duartina To Be Ready To Use Soon . . . Three Missions Going Now In Three Cities . . . Need Funds To Start Mission In Another City . . . Special Request To "Quench Not The Spirit" . . . Pray And Give As God Leads

By John Hatcher

Garca, Sao Paulo

November 17, 1980

Dear Brethren,  
You will be happy to hear of God's blessing upon His work this month. The last two months have been our highest months in attendance here in Garca. Our morning services have averaged about 40 and our night services about 25. On November 2, 13 person were baptized here at the Garca mission.

The two buildings, one at Galia and the other at Duartina, are progressing. The iron for the structure in Duartina has been delivered here in Garca where it will be cut and welded for mounting on the building site in Duartina. Hopefully, both these buildings will be ready for use by the end of the year or early in January. We have been waiting for almost four weeks for steel rods which are used in the concrete beams.

Brethren, you who have had a special part in our buildings here in Galia, Duartina and Garca, our sincere thanks for your contributions. We have no

John Hatcher

other source of help except as you feel led to help. Some of you perhaps wonder if we are doing it right, and yet you continue to help us. Your confidence in us and your faith in God to guide us is appreciated. When it is possible, encourage others to help, encourage others to pray for us. Pray that God will guide us to make the right decisions and do His work well.

For one man to care for three missions in three different cities is not an easy job. When there is the means to do the work and to build buildings you can believe the job is much easier. The only reason that work has not been started in the fourth city is there just has been no funds available designated for it.

I am going to make a special appeal to all who read this letter. The Bible says "quench not the Spirit." Now I know there are many who feel strongly that prayer should be made as the Spirit reminds us to pray, and that talking to someone has real value when the Spirit tells us to speak. Quench not the Spirit means to not extinguish the Spirit, not turn Him off. This month if the Holy Spirit speaks to your heart to give to the new work here in Sao Paulo will you please say, "Yes" and ask God how much to send?, and then send it.

In Him,  
John A. Hatcher

## Souls Saved And Couple To Get Legally Married To Be Baptized . . . Preached In Church In Lima . . . Thanksgiving Conference In Huanuco With 40 Baptist Preachers Present From 30 Different Baptist Churches . . . From Huanuco To Tingo Maria To Pucallpa And Then Home To Iquitos

By James Douglas Gasque

Apurimac 183

Iquitos, Peru

November 18, 1980

Dear Brethren,  
We entered into this month rejoicing over souls being saved. I was preaching in the church at Esperanza when one man and one woman came

professing Christ as Saviour and Lord. These two have been living together as husband and wife, but are not legally married. They are now to be legally married before they can receive Baptism. All the churches are reporting good services and additions.

In my last letter I spoke of a young boy, 16 years of age, having Leukemia. On the 3rd of November the doctors James Douglas Gasque thought he was dead, but after working with him for about four hours and changing his blood type, thanks to God, he is now living and better than before. The doctors don't understand how this is possible, but we know that our prayers have been answered and we have received a miracle from God.

On Sunday morning November 9th, I was privileged to be with Brother Fortunato in the Bible Baptist Church in Lima. We had a wonderful time of

James Douglas Gasque

fellowship with the Brethren there.

At the time of this writing we are in Huanuco for the Thanksgiving Conference. The conference will be ending tonight and it has been a wonderful time of preaching and fellowship. Three young men have come dedicating their lives to preach the Gospel. Others came for prayer. There were 40 pastors and preachers participating in this conference, representing more than 30 different Baptist churches in Peru. Also during this conference due to the incompleteness of the second story, one young boy, about 6 years of age, fell from the 3rd level but Thanks to God, he only had scratches and bruises. Due to the incompleteness of this building it is very dangerous. We have now closed the stairways to the upper level. Please pray and give as God leads to help put this building in a safer and more useable condition. We are to leave here tomorrow morning going to Tingo Maria and then on to Pucallpa and from there back to Iquitos.

Again we thank those who have given toward our car and for our needs here in Peru. Please remember those needs each day. More and more each day we need your prayers.

Yours in Him,  
Douglas Gasque

## A Busy Month . . . Sunday School Teacher In Hospital One Month . . . Funeral For Three Months' Old Baby . . . Wallace York Comes To Preach . . . Over Fifty Travel In Bus For Mission Service . . . Young Man For Church Preaches . . . Need Offerings To Pay For Car

By Asa Mark Bratcher

Manaus

November 17, 1980

Dear Brethren,  
Once again, it is Mission Sheets time. Another busy month has again passed by.

The work here at Peniel Church is being greatly blessed, despite the discouraging factors. One of our Sunday School teachers, a young married lady, had to be rushed to the hospital because of a ruptured appendix. She has been in the hospital for over a month, and has not yet fully recovered. But we trust in the Lord that soon she will. This past month, I also had to preach the funeral of a 3 month old baby daughter of a couple of the church. But we praise the Lord as he is the life and resurrection!

We also had the privilege of having Brother Wallace York and his wife with us for the morning

Asa Mark Bratcher

service, October 26th. Brother York preached for us in Portuguese, bringing a good message and one young girl came requesting baptism. She was baptized along with six others, Sunday morning, November 9th. Also, that afternoon over fifty of us went in a rented bus to a new suburb in town, to hold a service, and one of our promising young preachers preached.

We will close for now, requesting your continued prayers and support for the work here. Give as the Lord leads to reduce the deficit on our car trade in. It has really been a blessing to have a dependable car to carry on our visitation, etc. Would you like to have part of this blessing? Our Lord will reward you greatly May He richly bless each of you. Until next time.

In His Service,  
Asa Mark Bratcher

## Starts Mission With Eight Members . . . Eight Professions Of Faith . . . High Attendance Sixty-Two . . . Two Special Needs, Offerings To Pay For Used Car And For Mission Building Rent

By Dana Adams

Dear Brethren,

Greetings in the precious name of our Saviour. As I begin this mission letter I am reminded of James 1:7 which says, "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning."

On October 5th the Victory Baptist Mission was started with eight members including my family. Since that time the Lord has blessed our mission in various ways. As of this date we have had eight to profess faith in Christ as their personal Saviour. Please remember to pray for these that they may see

Dana Adams

their need of following the Lord in believer's baptism. Most of them were sprinkled as infants into the Catholic church. Our highest attendance this past month was sixty-two in our children's Sunday School which is taught by Teresa, my daughter and assisted by my wife.

I have two needs at this time which I wish to call special attention to. The first is funds needed to pay for a used car which the Lord has provided for our mission work. This need could be met by thirty churches giving \$100.00 each. The second need is for \$150.00 per month to pay the rent on our mission building. Perhaps there is a church which would like to take this on as a special project. Our mission building was formally a dance hall but is now being used for the glory of our Saviour. Please pray for these needs and give as the Lord leads.

Until next time may the Lord richly bless you all in my prayer.

In His Name,  
Dana Adams

## A Good Busy Month . . . Services 100 Miles Away With Several Professions Of Faith . . . Plan Trip To Work In Korea In December . . . Needs Offerings For Plane Fare . . . Pleads To All Churches For Increase In Offerings . . . Needs Larger Mission Building

By Louie Carver

November 17, 1980

Dear Brethren,

This has been another busy and overall good month. The typhoon weather somewhat hindered some of the services. I was unable to make it to our Wednesday Night services one Wednesday Night. Another Wednesday Night lights were out and the weather stormy so people failed to show up.

I was in a meeting Oct. 23-26 at the United Baptist Church some one-hundred miles away. This was a good meeting with several professions and various other decisions. While witnessing I had the privilege of leading a Palm-Reader to the Lord. It reminded me of the woman at the well, for she too was at the public well, washing clothes.

I have not heard from the work in Korea in several weeks but the report was good. I had hoped to be able to go there in December for one or two weeks, for graduation exercises and hold a seminar but as of now there is a lack of funds to do so. In fact, unless somehow God moves some hearts our missionaries of B.F.M. are going to have to sit still or come home for

Louie Carver

lack of funds to operate on. Several have given so as to help with my building funds etc. and I thank God for you and your help and concern. However, some churches have failed, seemingly, to take the inflation into consideration and their support has remained the same for years. Brethren, think about it. Have your expenses remained the same for years? How can your church help meet the needed support? By the pastor setting the example and then challenging the individual members to get missions on their heart. How much have you personally given to missions this past year? I am convinced that if a missionary is not worthy of loyal and sufficient support then he is not worthy of being a missionary.

God is seemingly beginning to move at our mission here. There have been several professions of faith this past month; I baptized two; two came by letter and we now have five who have expressed an interest in being baptized in the near future.

We have already outgrown our small, rented, building and I am now looking for land to buy and build on, or else a house that can be bought and renovated. I enjoy growing pains but they are expensive, will you share in this one? I have already obtained a permit from the city Mayor to have an open-air "Evangelistic-Campaign" Dec. 5-7 in the town of St. Mary where our mission is located. Pray with us that God will have blessed this effort.

Yours in Christ,  
the Louie Carvers

## Forces Of The Wicked One Attacks . . . Charismatic Movement Causes Confusion Among Some . . . Universal Church Theory Among Some Missionary Groups . . . Starting Plans To Move To Carry On Bean's Work In Sao Luis . . . Been In Brazil Two Years

By Harold Draper

Dear Brethren,  
November 10, 1980  
Greetings in the Blessed name of our Lord Jesus Christ. We are enjoying the presence of the Lord in our services at the church and are

also being attacked by the forces of the wicked one. We have had some confusion among some of the members over the Holy Spirit. The charismatic movement is very strong here in Brazil and arouses the curiosity of the unlearned. Also, the universal church theory prevails among many missionary groups. We as missionaries can ignore this and just preach the gospel or we can defend the faith once delivered to the saints. With the Lord's help I intend to do the latter.

Harold Draper

We are starting to make plans to move to Sao Luis to work there in the work that our good brother and friend Brother George Bean left behind to go to another work there in the States. When we saw the work he had done and the years of faith labor we were made to appreciate this faithful servant. We pray we will be able to carry on the work with the same faithfulness. We are completing two years here in Brazil today. We have received many blessings and suffered a few sorrows, but rejoice to have the opportunity to serve the Lord in this way. We appreciate the support and prayers of each church and individual who has so faithfully shown your confidence in us. If the Lord tarries, we hope to serve many more years here in Brazil. We pray that the Conference in Michigan will be a great one and wish we could be there to fellowship with all of you.

Yours in Christ,

## Another Good Month Of Services . . . Tabernacle Baptist Church Maintains Sunday School Attendance Of Over the One Thousand Mark . . . Professions Of Faith Each Sunday . . . All The Lights Went Out In A Sunday Night Service . . . God's Great Light Shines Through The Darkness In Salvation

By Paul Hatcher

September 18, 1980

Dear Brethren,

We are grateful to God for another good month in the service of the Lord.

The Tabernacle Baptist Church continues to do well; Sunday School attendance is maintaining over the thousand mark. Each Sunday several made professions of faith and are being added to the church as the Lord sees fit.

Sunday evening as we sang the last song before the sermon, the lights went off in our subdivision. The service continued, however, in total darkness. The auditorium was full, but by the silence I

Paul Hatcher

could not detect there was any one there; however when the invitation was given, two persons came forward - one a young lady rededicating her life to Christ - the other a woman, mother of one of the young men of the church, accepting Christ as her personal saviour. The thought came to mind of God's great light - which shines through the darkness of sin, and the darkness of night.

We thank you for your offered prayers and pray God's blessing on each of you.

Love in Christ,  
Paul Hatcher

(EDITOR'S NOTE: Paul Hatcher has arrived in the U.S. for surgery to remove a large growth on top of his head. The doctor and hospital bill will be very high. Please give a special offering to help in this.)

## Attends And Speaks On Two Great Conferences . . . Mrs. Turner To Have Surgery To Remove A Goiter Before Returning To Brazil . . . Requests Special Prayer For Her

By Richard Turner

1007 Pincelwood Dr.  
Lexington, Kentucky 40504  
November 29, 1980

Dear Brethren,

Since writing last month, I have attended two conferences. First, I was in a conference with the Southwood Baptist Church, Mansfield, Ohio, where Brother George Lock is the pastor. This was a Faith-promise mission Conference. It was a great conference and church promised to give \$18,000.00 to the work of missions above and beyond their regular tithes and offerings. How we thank God for this great church and pastor. Second, I was present and had the privilege to speak at the Twenty-sixth Annual Thanksgiving Conference in support of Baptist Faith Missions held at the Twelve-Ryan Baptist Church and the New Hope Baptist Church. It was a great conference and God's blessings were upon us.

Richard Turner

We have received some bad news in that the doctor found out at a regular check-up that my wife has a goiter and another problem and will probably have to have surgery before we return to Brazil. We have had to delay our return because of this. It is best that this is taken care of here. Monday we hope to receive results of tests made last week by the doctor. Brethren, pray for her.

As of right now I can't say when we will get to return to our work but the Lord who rules over all knows what is best for us. We are just waiting on Him and saying Thy will be done.

We thank you for your prayers and faithful support. Continue to give toward our work and our needs as God leads you that way.

In His Service,  
Richard A. Turner
