Portable sawmill sawing lumber right in the jungle. This portable sawmill can be moved from place to place where the large trees are cut down. This sawmill was paid for in full by Tabernacle Baptist Church and is used to saw lumber for building the houses on the church campground. This campground will be on the order, and similar to the MOUNTAIN VIEW BAPTIST CAMP of the Immanuel Baptist Church, Monticello, Kentucky of which many of you are familiar with. Mike Creiglow needs a portable sawmill like this to saw lumber for a church building and houses on the jungle "farm" that he is clearing on the new TRANSAMAZON Highway in the state of Acre in the far west of Brazil some 25 or more miles from Cruzeiro do Sul. This portable sawmill can be bought in Brazil for about \$5,000.00. Who will buy it for Mike Creiglow to use?

By Bobby Creiglow

Dear Brethren,

As we look back over the year 1980 there were some victories for which we are thankful unto the Lord. During the year there were about 22 additions to our church, twenty by baptism and two by letter. We reached an all time high in attendance of 274 and an average of over 200 in our Sunday night services for a four week period. There were several more saved that were baptized also. We are sorry to report that we finished the year on a low level spiritually and also in attendance with an average in all services of just under one hundred. We were made happy though, in the last service of the year there was a man saved. This man lives in another city and we trust that he will soon move here and make us a good member. Arlene and Arlete started taking organ and

piano lessons last week and we hope it will not be many months until they will be able to play for our services in the church. With the church activities and their school work we are finding it difficult to work their practice time into their schedule.

The Drapers left us early last month and although we were not able to get together often, we do miss them a lot. With their leaving and the delay in the Turners return we are trying along with the help of the brethren of both churches to take care of both works. As is to be expected the attendance in that church has dropped some. I preached in Brother Turner's church last night and the attendance was pretty good.

This week we are going to start classes for soul winners and also for S.S. teachers. We are very much in need of both. I have also invited the members of Brother Turner's church to take part until he returns. I, my family, and both of these churches very much need your prayers at this time. Please pray that we all might render the dedication to His work that might be worthy of His Name.

Dear Brethren,

Greetings from the Land of the Philippines. I am happy to report that the Lord is continuing to bless the Victory Baptist Mission as we wait upon Him. Since my last mission letter our mission has moved to a new location. We are now located in what is called Friendly Village Subdivision on Colossians Street. I'm told that the owner of the division is a Christian and most of the streets have Bible names. The Lord has richly been blessing our services with good attendance and several professing faith in Christ. During the past two Sundays we have had 50 to 60 in attendance with some standing

on the outside for lack of enough room inside. Join me in prayer that the Lord will continue to bless and that one day soon we will be able to purchase some property on which to build a church building. The Lord is continuing to bless our Bible Study with good attendance. This coming Lord's day I'm scheduled to baptize at least three, two of whom were saved in our weekly Bible Study.

In December's Mission Sheet I made a plea for \$150.00 per month to pay rent on our mission building and for thirty churches who would give \$100.00 each to pay for a used car to be used in our mission work. Thus far I have received \$100.00 toward my car. Please continue to remember these needs in your prayers and give as the Lord leads.

My heart was blessed by hearing of the good offerings received during the Thanksgiving Conference held in interest of B.F.M. I'm sure that the Lord will honor each church and individual that gave to make this good offering possible. Until the next time, may the Lord continue to bless you in my prayer.

By Harold Bratcher

Dear Brethren,

Since I wrote the last Mission Sheet Letter another year has entered eternity. Forgive me, brethren, because I, for the first time if my memory is correct, in the almost twenty two years that I have been a missionary of B.F.M. I forgot to write the Mission Sheet Letter. Mrs. Bratcher and I arrived back from the trip to Cana - Rio Urubu - on the 15th of December and as usual I found much work, problems, etc. awaiting me at the church. That's no excuse for me not remembering the Mission Sheet Letter. Pray with me that it will not happen again & also pray that no more letters will be lost or not published.

We had some eight decisions during the five night revival at our mission on the Rio Urubu - Buzzard River - I baptized one on Sunday December 14th. We promised to return on February 17th to perform a wedding.

On the 31st of December as part of our Watchnight service I baptized 11. (I am enclosing a picture of the baptizing).

Our Sunday School attendance at the 14th of December Baptist Church has picked up. For the last three Sundays we have had around 475. The church has adopted a budget of around \$2,000 at the present rate of exchange. This includes around \$170 for the "Bratcher Building" to be sent to the Mission. Before the end of the year inflation may reduce it to less than a \$100. Pray for us that the church will reach her budget each month.

Beginning the first Sunday in March the 14th Church will be in an attendance drive with the Addyston Baptist Church of Ohio. My dear friend, Rex Hensley, is the pastor. Pray that both churches work hard and increase their attendance every Sunday during the contest. You may have your choice as to which church you will pray for to win.

Brethren, we trust you will continue to pray for us and give to B.F.M. - regular fund and Bratcher building as well.

May the Lord bless you throughout the New Year.

Yours In His Service,
Harold Bratcher

Dear Brethren,

Now that the holiday season is past perhaps we can all get back into the swing of things. We had good holidays and I trust that each of you did. I do not care for the extreme usage of fireworks as they use in celebrating New Years here in the Philippines but that is just part of their customary way here.

Just in the event you may have written us or sent a card and we have not responded; it may be that we have not received it. I acknowledge that we are not always as prompt as we could be in our correspondence but our mail service is bad and recently just plain horrible.

Since last writing the month has been filled, time-wise, and overall with blessings. I was in Korea from December 12-20. When I left the Philippines the temperature was 90 degrees and upon arrival in Seoul it was 19 degrees with a chill factor of near zero.

Louie Carver

Needless to say my lips and nose burst forth with sores. I had a good time there with the brethren and the works. I preached to a full house at the Shinnai Church on Sunday morning of December 14th and that night at the Faith Church in Seoul. December 15-18th I lectured in a Seminar on Revelation at the school. Friday night of December the 19th. I brought the message at the graduation exercise at our school. All seems to be going well with the works but pressure seems to be being put on the Bible School by the government. Although I did not see the brother, but I was told that a certain brother whom some of you support is trying to take our work since I'm no longer living in Korea. He had definitely been among our works and pastors for they mentioned his name several times while I was there. I suppose some people feel it's easier to steal someone else's work rather than start their own and it's a lot cheaper and less time consuming. God has showered us with blessings in our mission here in the Philippines since last writing. We have received one married couple by letter from another Baptist Church and I have been privileged to baptize ten; two of them married couples and all eighteen and above. One that I baptized was a former Methodist preacher and seems very eager to learn, though he is fifty-seven.

Last week I lectured in a five night Soul Winning Counseling Seminar at our mission.

Two Members Disciplined And Two Baptized . . . Annual Watch Night Service . . . New Officers Elected And New Budget Adopted . . . Thirteen Graduate From High School . . . 25th Birthday With Tokens Of Love From Church

By Asa Mark Bratcher

Dear Brethren,

As we start another year of service in His Name, we look back on each marvelous blessing received, then look forward to greater things in Him, who is All!

We praise the Lord for each blessing bestowed upon us here at Peniel Church during this past month. Two members had to be disciplined, but two were baptized this month with several other decisions. On the 31st of last month, our church had its annual watch night service. The new officers were elected

and the new budget adopted. Also we had the privilege of presenting certificates to fifteen young people who completed with success a Homiletics Course held during the summer. There also were thirteen of our young people who were honored because of their graduation from high school.

On the 4th of this month, by the grace of our Lord I completed 25 years of life. That Sunday morning the church presented me with several gifts as a token of their love. According to His will may we continue to serve Him until He comes or our work is finished here on this earth. Until next time.

Busy Preaching In Different Churches . . . Souls Saved Each Week . . . Many Strikes Greatly Hinder The Work . . . Two Churches Broken Into And Robbed . . . Need Special Offerings For Car And Furniture

By James Gasque

Dear Brethren,
Iquitos, Peru
January 13, 1981
Another Month has come and gone and we are still rejoicing in the goodness of the LORD. I have been busy this past month with the missions and preaching in the different churches. The churches are reporting additions with souls being saved each week. There have been strikes here in the city and that has hindered the work very much. The radio has announced that beginning the 15th there will be another strike which will close down everything. This is supposed to last indefinitely so we have been trying to buy what food we can in advance. Two of our churches were broken into and robbed right after services had ended for the last Sunday night in December. Many people are

James Gasque

suffering because of the high rate of inflation.

We are really praising the LORD for the blessings that He has given to us. We can not solve the economic problems of these people but with your help through prayers and offerings we can preach the Gospel to them so that they can accept the riches of GOD'S grace.

We are thankful for those who have given towards our car and furniture but we are still way short of what is needed to take care of these items. Keep praying that GOD will open up more safety deposit boxes and savings accounts for those who want to invest their money in a sure thing. You can make deposits to your account in Glory by way of Baptist Faith Missions and at the same time be helping us to spend the Gospel in a land where there are so few who faithfully proclaim GOD'S Word.

Continue to remember us in your prayers and give as GOD leads.

Douglas Gasque

Dear Brethren,
Yesterday we received from the doctor the word that Mrs. Turner will have to have kidney surgery to remove a very large stone that is causing blockage of the upper part of the left kidney. She is scheduled for surgery February the 9th after going in the hospital on the 8th.

We want to thank each of you for your prayers and cards that you sent when Mrs. Turner had her first surgery last month. Also, some sent flowers and for these my wife says "Thank You".

While I'm writing about my wife's surgery I want to say if any would like to help on the doctor and hospital bills, send your offerings designated "Mrs. Turner's Medical

Richard Turner

Expenses." This certainly would be a help and be appreciated by me and by Baptist Faith Missions.

I have been privileged to preach at Thompson Road Baptist Church again this month while Brother Hamilton was away in a meeting. I also was with the Salem Missionary Baptist Church, Willow Hill, Ill. This church is still looking for a pastor. We pray that God will soon give them a pastor.

We have not received any report of our work in Cuiaba since Brother Draper left there. We trust that God is blessing and looking after it. Brother Creiglow should have something about it in his letter. We thank him for going over every Sunday night to preach for them.

Continue to pray for us, brethren. We want to get back to our work just as soon as possible. In this trial I have found out that preaching Romans 8:28 is easier preaching than practicing but also I'm learning God's grace is sufficient.

Dear Brethren,

Since our last mission letter we have traveled many miles. We arrived here in Sao Luis 4 weeks ago today. We had several close calls while traveling, but the Lord was with us. We are now trying to get accustomed to our new place of service. Soon after arriving here I had a fall from the roof of the house and am still with some pain in my back. I just thank the Lord it wasn't worse. Ursula and Melody are adapting well to our new surroundings also.

The church here in the city is with some problems but we hope to be used to help them get back on the right track soon. The other works in the interior are doing pretty well except for A . . . There, they need a

Harold Draper

full-time preacher and I am praying and trying to find a way to resolve this problem. We went there last Friday night for a service and even though it rained a lot we had good attendance. We have plans to go again to the interior this week and also the following week we plan to visit the work at Sao Mateus on our way to Fortaleza to get our belongings which have been stored there for about a year and a half. I hope we find everything still there.

Brethren, we want to take this opportunity to thank all of you for your prayers and support this past year. We covet your prayers in the future months as we work here and also prepare to come home on furlough this coming July. To be honest we had rather stay here longer before coming home, but we feel the need to return and visit the brethren and our families. We look forward to the fellowship. We are thankful for the privilege to serve the Lord here in Brazil. Brethren, pray for us and God bless you all.

World Population Increased 6,960,000 In One Month . . . This Increases Responsibility To Preach To The Lost . . . A Plea To Give All For Missions . . . Reference To Jonah's Mission Preaching In Nineveh . . . Testimony Of A Young Saved Japanese Boy About Reading The Bible

By John Hatcher

Dear Brethren,

Did you know that since my letter to you a month ago there has been an increase in the world's population of 6,960,000 persons? Did you know that the world population increases 223,000

persons each day? do you think it ever occurs to us that this means increased moral responsibility of preaching the Gospel to all these persons? Do we really understand what such a rapid increase in the world's population, with the largest increases in Africa & Middle East, Asia, and Communist Europe, means for the future of our families and country? The greatest increases are among the peoples who oppose Christianity.

It seems to me that we have a choice. Either we can give our all to preach the Gospel that men's hearts be transformed or we can fail at the job and see those same men come as enemies and destroy all that we possess. Jonah did not want to go to Nineveh to preach, but there is little doubt that his message and the repentance of the Ninevites was the reason Israel was not invaded by the Assyrians for more than forty years after the preaching of Jonah.

John Hatcher

Giving all to preach the Gospel may well be the only way there is for us to save our own necks. Giving our all to preach the Gospel will bring its reward to us. It is like Richard, a young Japanese boy who is a member of our congregation in Garca. "Pastor," he said to me the other day, "you know dona Alta is going to give a reward to all the young people who read their Bibles every day this year."

"Yeah, that's great," I replied.
"But," Pastor, "You know what I think will be the biggest reward?" he asked.

"What?"
"I think the greatest reward will be the good it does for us who read the Bible every day and what we learn from it."

That is a wise deduction for a 11 year old christian boy to make, don't you think? Do you really want an eternal reward? If you do you will find the way in Luke 16:9-11.

Work is stopped in Galia for lack of funds. The building in Duartina should be finished this month and hopefully will be inaugurated about the 15th of February.

In Him,
John A. Hatcher
