Important New Work

Brother Louis Carver has been asked by the Directors to become a representative of Baptist Faith Missions. He has felt led of the Lord to accept this important work. He will be seeking to reach new churches to tell about the work of our missionaries. We feel this is very important. We need more churches to help us in this work.

Brother Carver will be coming to the United States in May to begin this work. The Lord has used Brother Carver to start new churches in Korea and the Philippines. He has done home mission work and pastored in the United States. We felt we needed a man who could speak from experience about missions to best report on the work and to make known the great need on the mission fields.

Pray with us for Brother Carver as he begins this needed work. If you would like him to visit your church or if you know of some church that would like to have him visit them in behalf of the mission work, please write to:

Baptist Faith Missions Directors Honor Hafford H. Overbey

At the meeting of Baptist Faith Missions Directors at the time of the Spring Conference, they voted to raise the funds to pay for Hafford Overbey to make a trip to the Holy Land, or to the mission field in appreciation of his near 40 years of service as Secretary of Baptist Faith Missions and Editor of the MISSION SHEETS. This was a complete surprise, and words fail me to express my appreciation. One hundred seventy six dollars was given towards this at the Spring Conference in Thompson Road Baptist Church, and Pastor Wallace York led Twelve-Ryan Baptist Church (that I pastored 35½ years) to give \$500.00 towards this fund. That makes a total of \$676.00 to date. I would like to go to the Holy Land, but I had rather, and hope to visit all the work of Baptist Faith Missions in every country and place where we have mission work. Should the Lord lead others to give to this fund it will be appreciated. I will get to see the Holy Land on the New Earth in the future.

Mrs. Richard (Wanda) Turner had to have two major surgical operations. The final report of cost for doctors and hospital is \$6,464.60. The total designated and received to date is \$2,475.25, leaving a balance of \$3,989.35 to pay this bill in full. Mark your special offering for "Mrs. Turner's Medical Expenses."

A Car Is Given To Baptist Faith Missions

Brother Roger Whitehead, a member of Salem Baptist Church, Grayson, Kentucky has given a used Plymouth Automobile to Baptist Faith Missions. The Directors of Baptist Faith Missions are thankful to him for this gift. Brother Charles Lybrook is pastor of Salem Baptist Church. Maybe someone else has a car they will give to Baptist Faith Missions.

Four hundred and twenty-seven dollars was given in April towards Mrs. Wanda Turner's Doctor and Hospital bill. This leaves a balance of \$3,667.35. Give towards this as the Lord may lead and mark your special offering "For Mrs. Turner's Medical expenses."

Killer Of Young Mother Professes Faith In Christ . . . Attendance Down A Few Sundays . . . Trip Into The Interior . . . Convention Missions Desires To Come Into 14th Of December Church . . . Plea For More Offerings To Carry On The Mission Work In The Interior

By Harold Bratcher

Dear Brethren,
April 7, 1981
Manaus, Amazonas
In last month's Mission Sheet Letter, I wrote about the member of our church who was buried on her birthday, March 11th. On the following Tuesday, Brother Aluizio Dias de Oliveira and I visited the three boys (two of them 17 years old, the other 15 years old—he was the one who fired the shot that killed her) who killed Dona Edith. We witnessed to them and two of the police at the police station. We rejoiced when all three professed faith in Jesus Christ as Lord and Saviour. Pray for them!

Harold Bratcher

Our attendance at the 14th of December Baptist Church has been down these last few Sundays. Last Sunday was the lowest attendance of any Sunday this year - only 377. I do not have the report as yet from Addyston, Ohio as to their attendance but I'm certain they beat us bad this last Sunday unless they too had an off Sunday. Anyway I'm sure we are still winning but I hope and pray that this next Sunday we'll do much better.

March 18th to the 20th Mrs. Bratcher and I spent in the interior - Parana da Eva visiting a mission there that is a mission of a Convention Church here in Manaus. We went with the pastor's permission as the mission - Nova Jerusalem - expressed their desire to become a mission of the 14th Church. Pray that the Lord's will may be done. There are some 14 or more believers awaiting baptism there.

Permit me to mention money - money for the regular fund, money for the Bratcher Building and money for the work in the interior. I'm planning a trip to Novo Remanso before the end of the month. We need help from you to make the river trips where the people have less opportunity to hear the gospel than in Manaus. At least for the present the 14th Church will not be able to send in offering for the Bratcher Building because I'm asking the Church to help me pay for some river trips that I've already made. So please, as the Lord leads, send in regular offerings, offerings for "Bratcher Building and Bratcher Trips to the Interior."

Brethren, pray for us as we continue to serve the Lord in this nation of Brazil.

Yours In His Service,
Harold Bratcher

Work Is Being Blessed And Church Is Growing . . . Having Many Visitors . . . Encouraged With Interior Works . . . Five Preaching Points . . . Plan To Come On Furlough In July . . . Hope To Have Repairs Finished By Then

By Harold Draper

Dear Brethren,
April 7, 1981
I am happy to report that the work is being blessed here in Sao Luis. The church is growing in number with two more asking for baptism. We are having many visitors and everyone seems to be encouraged. We do have our problems with some members showing little interest and some are out of fellowship with the church and the Lord. Sin and temptation are very strong here with a lot of demonism and false doctrine. We are thrilled to see the faithful ones accept good Baptist doctrine.

Harold Draper

In the interior works we are encouraged as the church here in town is beginning to see their

responsibility to help in the various preaching points. We have 5 preaching points now. Last Saturday night a lost man offered to help build a building to have services in his community. We will not get involved in this until he makes a profession of faith, but it shows he is really interested in salvation. Pray with us that the Lord will save this man and his family at Ant Hill, which is the name of this preaching point.

Some have written and asked when we plan to come home on furlough. If all goes as planned we will be coming to the states in July. We are looking forward to fellowshiping with the brethren there, but it will be hard to leave the work here for 9 months. We have a lot we want to see done before July comes. We would like to see more souls saved and all the repair done at the mission house. Continue to remember us in prayer.

In Him,
Harold M. Draper

Five Baptized . . . Young People Have Monthly Service With About 300 Present . . . Three Professions Of Faith . . . Banquet In Honor Of Mrs. Matie Bratcher's Birthday

By Asa Mark Bratcher

Dear Brethren,
April 9, 1981
We trust that this will find each one of you enjoying our great Lord's blessings.

This past month has certainly been a blessed one here as we labor for Him. I baptized five and each service we have felt his presence in a mighty way. Last Saturday night the young people of the church held their monthly youth service. It was a great service as the Lord really blessed, and almost 300 people were present. Last Sunday night there were 3 professions of faith.

Asa Mark Bratcher

privilege of attending a pastor's banquet at the 14th of December Baptist Church, in honor of missionaries Harold and Marie Bratcher's birthdays. We wish them many more years of faithful and fruitful service here in the Lord's work.

The classes at the seminary are going well. Lucy is also studying there this semester. She sends her regards and Christian love to all.

Continue to support us in every way you can, so our Lord may bless each of us as we carry on for Him.

Extremely Busy . . . Very Hot And Dry . . . No Recent Report From Korea . . . Good Services And Attendance In New Church . . . Plan To Be In the Renovated House To Church Building Soon . . . God Loves A Cheerful Giver

By Louie Carver

April 7, 1981

Dear Brethren,

The main news presently from this part of the world is that we are extremely busy and it is very dry and hot and like other places of the world prices are rising. Yet, God continues to be gracious to us.

I am writing early this month due to slowness of mail. Sometimes it only takes about one week and other times perhaps a month for mail to arrive.

I haven't heard anything from the works in Korea in the past few weeks. In the last letter things were going quite well with the works there.

Louie Carver

We are having good services and regular steady attendance at the Open "Bible" Baptist Church here at Sta. Maria in the Philippines. Our people appear to be accepting the Word of God well. Our services thus far since becoming an Independent Church have been great.

We are now renovating the house on the plot of ground that we recently bought for the church here. In fact, we hope to be able to be in the house within a couple of weeks. Our people here and I thank God for you who have made it possible to soon be in our own renovated house, church building.

Do not forget, "God loves a cheerful giver," and some of you have proved you want God to love you because you have given faithfully. Brethren, don't forget thousands are being born, living and dying never knowing of the redemption in Jesus Christ alone. Won't you continue to give and ask our God if He will reveal new ways to you so you can have even a greater part in our Master's vineyard.

Yours because of Calvary,
Louie Carver

Report Of Work At Galia And Duartina Since Coming To The U.S. . . Visits Families And Friends . . . Urgent Plea For Large Special Offerings For Buildings . . . Stay In U.S. To Be Short

By John Hatcher

Lexington, Kentucky
April 20, 1981

Dear Brethren,

Since arriving in the States one letter has been received from Odaly and Kathy telling about the work in Sao Paulo. In Galia there have been three adults who professed faith in Christ as Saviour. In Duartina three young persons have made professions of faith. The average attendance in the new work in Duartina has been 35.

It has been a joy to visit our families, to meet old friends, and visit a few churches since our return from Brazil.

There is a real special need at the present time. The building in the city of Duartina is finished and paid for with the exception

John Hatcher

of electric lights installation and the protective wall around the lot. Usually offerings for buildings come in slowly and in small amounts. If there are persons or churches who could give some large offerings they would be a special blessing. Here is the reason: Inflation in Brazil last year was 113 per cent. Money exchange was increased only 54 per cent. This means that while money is accumulating it is losing over 50 per cent of its value.

The building is incomplete in Galia and the work is stopped. To get the building where the work could be stopped it was necessary to spend over \$5,000 that we did not have in the building fund. Your offerings for this debt would be a real help to us at this time.

Our stay in the States looks like a very short one, therefore, very few invitations can be accepted.

In Him,
John A. Hatcher

First Church Starting Work In Suburbs . . . Interior Works Stable . . . Great Anniversary Service At Sacado With 136 Present And 11 Baptized . . . Trip To Sao Bras . . . No Youth Camp This Year At Carnival Time . . . The Lord Is Going To Keep The Work Going

By Mike Creiglow

Cruzeiro do Sul, Acre
March 24, 1981

Dear Brethren,

Things just keep moving. The current of events carry us along. Sometimes it is difficult to tell whether we are carrying or being carried. Even this is a blessing though because it tells us that others must certainly be pulling hard with us.

First Baptist Church is starting to move in some of the suburbs of the city. For the past month there have been week night services in different areas of the city. The members who live in an area visit and our young men do most of the preaching. I have only preached at one of these services so far. Our men are good at this type of work and everyone is having a great time. One lady has been saved.

Mike Creiglow

The interior work is running stable. All the missions and churches have had average reports. The high point of the month was the anniversary service at Sacado. There were 136 people to attend services and 11 were baptized into the church. We have a little problem at Floresta, which is a preaching point, where several have made professions of faith. One young man who had made a profession of faith recently was taken by an evil spirit while fishing in a canoe. They call it a "caboclo d'agua", which would be something like water devil. This has caused quite a stir. The boy's father sent word that he wanted his family "crossed off". The true believers are still true though.

I went to visit the folks at Sao Bras a few weeks ago. This is about 17 kilometers from town. The service was good with over 100 people present.

We did not get to have camp this year during Carnival. We just had too many things happening. One of our great problems also is the lack of facilities for this kind of work. As many of you know we have a fine piece of property, which we are working hard to develop toward the camp. Beverly and I are investing about 30% of our income into this. As you know from Brother Hatcher's last letter all of the men in Brazil took a 50% cut in income over the last year due to the difference between the rate of inflation and the exchange rate. The Lord is going to keep the work going. Thus far He has done this through the missionaries' sacrifices. He and we call on you to join us. May God help all of you to see this and believe it.

In Christ,
Mike Creiglow

A Good Time To Make Your Will

This is a good time to make your will and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. We are not suggesting that you do something that we have not already done ourselves. Have a lawyer draw up your will so that it will be legal in every way. May the Lord so lead you.

Couple Get Reconciled . . . Spends All Night With Man In Hospital . . . Man Taken To Clinic Hundreds Of Miles Away Is Better . . . Brother Ernesto Supply Preaches For Brother Creiglow . . . Looking For Turners To Return . . . Explanation About Inflation

By Bobby Creiglow

Varzea Grande, Mt.
April 4, 1981

Dear Brethren,

The young couple that were having marital problems that I wrote about last month are back together and we trust all is well. This same young man was in the hospital one night this week and I spent all that night with him. He is back home recuperating now. The couple that I took to the clinic have returned and he is much better, but unless the Lord performs a miracle he will never regain good health again. He is to return to the clinic the first of May.

Bobby Creiglow

The Faith Baptist Church where I am pastor is holding its own and we have had a good number of visitors this month. Brother Ernesto has gotten a new job where he does not have to work on Saturday afternoons and has been going visiting with me. He also supply preaches for me when I go to be with Brother Turner's church. A few Sundays ago Betty said he brought an outstanding message. Last Sunday night he did a good job, but was very nervous because there were so many visitors present. He is being a real blessing to me at this time. I

told him that perhaps I would be going to Garca, Sao Paulo to take care of Brother Hatcher's work for a couple of months and that I would be counting on him to take care of things in my absence. He said he would do whatever he could along with Brother Turner's help.

Brother Turner's church is hanging in there and they are all looking and waiting for their return. Almost every week they ask me if I have heard any more from them as to when they will arrive. The church, as well as I, is needing them to return as soon as possible.

One thing that never slows up here is inflation. One wholesale house here has a person employed full time to go from store to store to change the price tags on merchandise as it goes up and by the time he gets around to all of them it is time to start all over again. John Hatcher's letter last month, about inflation, was not stretching the truth one bit.

What shame and disgrace our American society has come to that within the past twenty years we have had one president assassinated and attempts on the lives of at least two others. Where is Christian America that we once knew?

In His Name,
Bobby D. Creiglow

Four Baptized . . . Good Attendance And Good Interest . . . Bible Study In Homes . . . Offerings Not Enough To Care For Needs And Work

By Dana Adams

1579 Birmingham
Brookside Subdivision
Cainta, Rizal Philippines
April 6, 1981

Dear Brethren,

Greetings once again from the land of the Philippines. Last Lord's day it was my joy to baptize four young adults into the fellowship of our mission.

The Lord continues to bless our services with good attendance and a good interest in the Word of God. I'm told that some of our young people recently saved and baptized are beginning to receive opposition from their parents for attending our services. Please remember to pray for these that they will remain faithful unto the Lord and that their parents who are devout Catholics will be saved.

Dana Adams

Bible studies are being conducted regularly in the homes of some who have been saved, hoping through study of the Bible, these people will turn from

Catholicism and see their need to become members of the church that Jesus built. Brethren, the devil has deceived so many people here.

I attended the graduation of some of our young church members and had the opportunity to pass out many tracts.

By the time you receive this mission letter the Twenty-First Annual Spring Missionary Bible Conference will be history. I hope that it was one of the best yet held in interest of Baptist Faith Missions. As most of you can see who take note of our regular offerings that the offerings received are not sufficient enough to meet the needs of Baptist Faith Missions. Please pray much for an increase in the regular fund so that all the needs may be met and give as the Lord leads.

Remember to pray for my family and daily that our lives may be honoring to Him who is worthy to receive all glory and honor.

In His Name,
Dana Adams

Wife Has Recovered After Two Operations . . . Leaving For Brazil . . . Churches Visited . . . Reports On Doctors And Hospital Costs . . . Cost For Plane Tickets . . . Thanks For Love And Prayer . . . Goal For Future In Brazil

By Richard Turner

Lexington, Ky.
April 13, 1981

Dear Brethren,

After two major surgical operations, my wife Wanda has recovered, and the Lord willing, we will leave tomorrow, April 14, 1981 for Miami, Fla., Manaus, Brazil and Cuaba, Brazil, where the Bobby Creiglow is to meet us and take us to our rented house. Pastor James Hamilton and the Thompson Road Baptist Church, Lexington, Kentucky had a special dinner for us after the morning service Sunday April 12, which we appreciated very much. Since our last MISSION SHEET letter I visited and preached in the following churches: Hilltop Baptist Church, Beattyville, Ky., George Bean, Pastor. Calvary Baptist Church, Arlington, Ky., Howard Wilson, Pastor. Zion Baptist Church, Paducah, Ky., Bill Gordon, Pastor. It was a joy to be with these churches and pastors.

Richard Turner

The total doctors and hospital bills for my wife's two operations was \$6,468.60. Total designated offering received through March 1981, \$2,374.25, leaving a deficit on the doctors and hospital bills of \$4,094.35. I need your help. Should the Lord lead you to do so, mark your special offering "For Wanda Turner's medical expenses". The total cost for plane tickets from Lexington, Ky., to Cuaba, Brazil is

\$4,061.00 and this does not include the extras for expenses on the way. Any help on this will be greatly appreciated. For having me visit and preach in your churches and for the hospitality in your homes, and for your love and prayers for us we thank you with all our heart. Our goal in Brazil is, when we can get a trained and capable native Brazilian preacher to pastor the church in Cuaba, I want to start a new work and as the Lord leads and enables, organize another church, in Brazil. Pray much for us as we return to live, and work by faith.

In His service,

By James Gasque

April 26, 1981

Dear Brethren

As I wrote in my letter last month, we have arrived in the States for medical treatment. Jan seems to be doing better, but is not yet over her illness.

I was privileged to be in several churches this past month and also in the Spring Conference, in Lexington, Ky. Upon returning I checked with the doctor for some problems that I had been having. Today I will be going into the hospital for a series of tests and hopefully nothing more than medication.

We stand in need of your prayers more and more everyday. We are anxiously

James Gasque

awaiting news of the works in Peru. The mail has been very slow and it has been about three weeks since we had any news.

Thanks to all those who have had a part in the work through your offerings and prayers. We still have need for car, furniture and we hope to take a mimeograph when we return to be used for preparing lessons and tracts. Continue to pray for us and the works in Peru.

Yours in Him
James Douglas Gasque

Pray For All The Missionaries And Their Work

Please note the names of all the missionaries at the top of the MISSION SHEETS and pray for them regularly by name, and for their mission work and about their needs. It would be wonderful if each reader, pastor and members would pray for the missionaries by name. This would bring great results in offerings for salaries, expenses and for the needs.

If you were in a boat in the Amazon River about one hour trip up stream from Iquitos, Peru you would come to Tamahyauco. We have a good church here.
