Dear Brethren,  
As I begin this mission letter I'm reminded of Ephesians 3:20, which says, "Now unto Him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us." The month of April has been the best yet in the history of Victory Baptist Mission. Overall we had 28 to profess faith in Christ, 10 baptized, 53 first time visitors, and a high attendance of 62. For this victory we said, "To God be the glory, great things He has done." In view of these blessings it has been necessary for us to enlarge our meeting place. Many of our young people recently saved took off from their own work to help enlarge our building. Our young converts are really on fire for the Lord. They are now witnessing to their friends, bringing them to the services and many are being saved. Pray for us that this spirit of revival may continue among our new converts.

On April 27th through May 1st, we conducted our first Seminar with Brother Carver as our key speaker. The Lord blessed with an average of 40 present per night in attendance with 3 persons who

Dear Brethren

Once again we are back in Brazil. We left the States about 8 P.M. the 15th of April and we arrived in Manaus the 16th. We were in Manaus just long enough to get our baggage clear of customs and catch the next plane for Cuiaba. The Lord blessed us as we went through customs in that not a bag had to be opened.

When we arrived in Cuiaba, the Creiglows and most of the young people were at the airport to greet us. As we got off the plane and started for the gate the Brazilians began to clap their hands. It sure felt good to be back with our people.

We were not able to get the same house that the Drapers had lived in before they went to Sao Luis but

Richard Turner

we were able to rent another house in the same area. However, we were told that we can only have it for six months. After that I don't know what we'll do as there are almost no houses to rent. Pray about this with us.

We stayed with the Creiglows for about four days until we could get moved in to our house. We are now about settled in and getting back into our routine of work.

We found the church in pretty fair shape after being without a pastor for about 4 months. The attendance has fallen off some during these months but most have been faithful and continued to serve the Lord. We are encouraged by the growth in some of the members. We have one awaiting baptism at this time.

We thank Bro. Draper and family for taking care of the work in our absence and also Bro. Creiglow for watching over the work the last four months of our absence.

Remember us and the work in your prayers.  
In His Service,  
Richard A. Turner

Dear Brethren,

This month has been one of blessings from our Lord. Tabernacle Baptist Church is now on a visitation drive. The church hopes to maintain an average attendance of 1500 for a ten week period. During the first three weeks Sunday School has averaged 1581 persons with a high attendance of 2047.

This month I was privileged to visit the First Baptist Church in Cruzeiro do Sul, Acre where Brother Mike Creiglow is pastor. I preached the first service in their new building. The weather was not co-operative, nevertheless, an estimated 1300 persons were present. The design of the building was done by Brother Mike and is beautiful and practical (the most

Paul Hatcher

beautiful in his town).

The most pressing need among missionaries and works is trained pastors and evangelists. Each month requests are coming in for trained men. Thank the Lord we have approximately 40 men working on their degrees in the Baptist Theological Seminary of Manaus. Just this month through the ministry of these students and their professors over 100 souls have been saved. The endeavor, however, is an expensive one. The students' tuition is not nearly enough to cover the expenses of such a ministry. By supporting the training of these men you will have a more direct influence in the spread of the gospel and establishment of churches in new towns and villages than any other missionary endeavor you support.

We need your help now. I personally want to ask you to help these students get their education so they can get on the field. I want you to consider asking your church to give \$25.00 per month towards helping these students. Designate your offerings to the Brasil Seminary.

Love,  
Paul Hatcher

Dear Brethren

These past weeks, since the last Missions letter, have been extremely busy, however, overall, rewarding. I find the trials most generally being more than off-set with blessings in God's work.

Since the last letter we were able to renovate the building at Open "Bible", Baptist Church's property to the extent of using it. Our people are very proud of it. We had an evangelistic meeting in the building with seventeen professions of faith of whom I've baptized four. In addition to this, we ordained my associate (Bro. James Escrupold) into the Gospel Ministry on April the twenty-sixth. Then the first week of May the church had a V.B.S. for the children, which also was good, especially being in a city that is Catholic dominated. This past month we have had four additions by baptism and eight by letter.

In addition to these mentioned blessings, I was also privileged to lecture four nights in a seminar at Bro. Adam's mission (Victory Baptist Mission). I was

Louie Carver

truly blessed in seeing the hunger of his people for the truth. I was only able to touch a bit on the church and her ordinances but I feel the time was well spent.

Our last Sunday with the Open "Bible", Baptist Church was great. We saw twenty-three persons respond during the services for the day for various reasons, two of them upon professing Jesus Christ as their Saviour. The church really gave us a wonderful send-off fellowship dinner and gifts. About fifteen of our people came approximately two hrs. one way to the airport to see us off.

Our week in Korea was also great. My father had come to the Philippines on May 20, and went with us through Korea and on to the States. He enjoyed it and the people enjoyed him. We were met by members, pastors, and deacons from at least three churches upon our arrival in Korea, May twelfth. I lectured in a seminar four nights and preached the ordination message for the ordination of two deacons at the Shin Nae Baptist Church on Sunday Afternoon of May 17. The works are doing well in Korea and we surely enjoyed being with our brothers and sisters there.

We are now back in the States and I am now open for conferences, Faith Promise or other wise, or just to preach, lecture, show slides, whatever as a representative of the mission works. Let us get stirred up for the lost around the world.

Yours In His Service  
W. L. Carver

## Report On Illnesses . . . Confident All To Be Well Soon . . . Good News From Peru About The Work . . . Need Offerings To Pay For Furniture And Car . . . Preached In Several Churches In Alabama

By James Gasque

Dear Brethren,

Greetings go in the name of the Lord Jesus Christ. This month finds us in somewhat better health. The doctor has given me a clear billing now and says that Jan should be doing much better over the next three weeks. The doctor said that her problem was due to a bug in her system caused by the Typhoid fever she had had earlier in Peru. He said that the medicine she had been treated with earlier had not been sufficiently effective in knocking out all the bacteria. We are very confident at this point that all will be well very soon.

I have received word from Peru that the works in Iquitos are doing well.

James Gasque

The biggest church on the Amazon River is at present attempting to build their own church building. This is located at Tamishyaco. It will take them a long time to complete this building because all their offerings are tied up supporting three native missionaries and the church will not stop being mission minded in order to build their building.

We also still have the need for car and furniture. If you can help on these needs, please do so now and we will give God the praise for your giving.

I have preached in several churches in Alabama and God has richly blessed. Also, I was guest speaker for a high school group here in Alabama. God is continually opening new doors. Let's don't let anyone close them.

Yours In Christ,  
Douglas Gasque

## Work Being Blessed . . . Two Men To Be Baptized . . . Six Professions Of Faith . . . Damage Done To Church Building . . . Coming Home June 28 For Ten Months Of Furlough . . . Finishing Repairs on Mission House In Sao Luis.

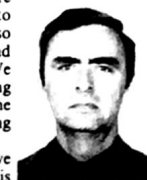

By Harold Draper

Dear Brethren,

Greetings from Sao Luis once again. May 6, 1981 yesterday that we were sending in last month's report. The work here is being blessed. We plan to baptize two more this Sunday. Both are men, which is a great blessing to any work here. The devil is also busy trying to discourage and cause problems in the work. We have had a lot of rock throwing and somebody almost tore the door off the church building at New Hope church.

All the other works have had a total of 4 souls saved this month plus the two professions at the church here in town. We are rejoicing to see the people grow in the work.

At this time we are trying to get things in order to

Harold Draper

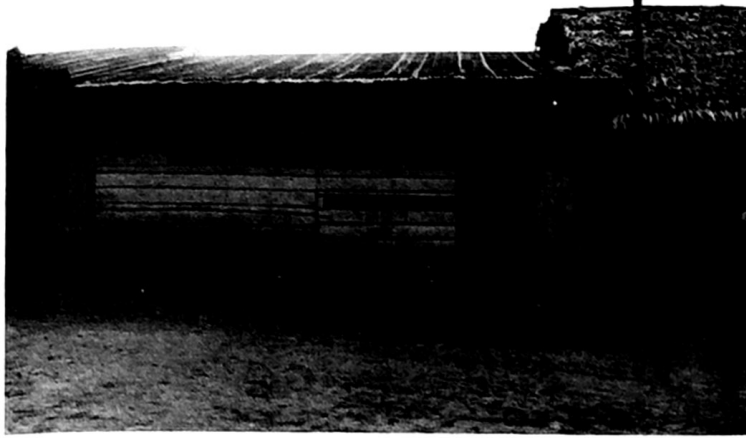

come home the 28th of June to stay for about 10 months. I received word this month that my dad has cancer and is taking cobalt and chemo-therapy treatments. For this reason we are trying to come home about 3 weeks ahead of schedule in order to spend some time with my folks before taking up residence in Lexington. We plan to be in the West Kentucky area from about July 1st to August 1st. If any churches in this area would like to have us visit your church during this time it would be a good opportunity to contact us at the following number: Area Code 502-694-3935.

We desire your prayers as we try to wind up the repair on the mission house. We are trying to do a lot at a low cost. I trust we will be able to get it all done in time. Also, we have to find someone to pastor the church here in town.

It will be good to see all of you again, but I am finding it hard to leave here at this time.

YOURS IN HIM,  
Harold M. Draper

April 15, 1981

Dear Brethren,  
All is well here in Cruzeiro and busier than ever it seems. We are working on the new building at full steam. We have just finished doing the stucco on the auditorium walls and some of the outside. We just received the frames for all of the outer doors and windows. I built the trusses a couple of weeks ago. There was quite a bit of suspense here in town when it came time to put them up. People were wanting to know how we were going to lift 16 meter trusses that weigh a ton and a half. For you folks that wouldn't be to big a feat since you always have or can rent any kind of equipment. It took me two days just to get together the materials I needed to do the job. The Lord is on our side though and the job went smoothly. The roof should be on by next week. There have been plenty of people from church coming out to help. This has cut down on many expenses. One of our men has a pickup truck and is hauling materials for us free. Doesn't it sound strange that a church with over 150 members

Mike Creiglow

should have only one member with a truck. That's the way it is though. What a blessing though. One of our men came by yesterday afternoon to bring his tithe because he knew we couldn't wait until Sunday. We are building with lots of faith and a good portion of hard work. The Church will be celebrating her anniversary in less than a month and we hope to be into the new building by then. We are also expecting a very big special offering then. Our goal is Cr \$100,000.00.

There have been three saved here this month. There have been two more professions of faith in the suburbs. The work in the interior is doing well, with the exception of Guajara. The boy who was possessed by an evil spirit, that I mentioned in my last letter, went there and has been telling everyone that these things happen to people who listen to the "crentes" or believers. Our men are hanging in there and God will give us the victory.

I went to Lagoinha for a couple of days. The mission there is doing fine. Two of the young men who were saved last year are now preaching on Wednesday nights.

May God continue to bless you all as He has blessed us.

In Christ,  
Mike Creiglow

By Bobby Creiglow

Varzea Grande, Mt.  
May 4, 1981

Dear Brethren,  
I guess the biggest and best news for this month is that the Turners arrived on schedule and we were glad to see that Sister Wanda had put on some weight. Although some of the other members of the family had also put on some weight, we were not too glad about that. We were happy to have them in our home from Thursday until Monday morning. We helped them get their things out of storage and into the house they rented and of course as was to be expected, after being in storage for so long every thing was well covered with dust. We tried to help them get things straightened up ready to live, but we are not sure whether we helped or just got in the way for those two days. They now have their house looking very nice. In 1975 I had the pleasure of turning that work back over to Brother Turner and now again in 1981 I had the same pleasure, but this

Bobby Creiglow

time there were more people to turn over to him and we thank the Lord of glory for that.

Our work here in Varzea Grande is still in a slump and we have not had any souls saved since the first day of January. I think we know why, yesterday while I and three other members were going through the list of our 72 members we found that we have about fifteen or more that need to be disciplined. I doubt that the Lord will bless us unless we take care of that which we know should be done. I hope this will be taken care of within the next month. We have had several first time visitors this month, but still no moves.

Arlene, Arlete and one of the boys of the church are still taking piano lessons and are doing pretty well. They had their first recital last week and all three did well.

One of the members of the church and I took my VW van apart this month to do some overhaul work on the reduction gear boxes, universal joints and the differential. I still have some more work to do on it, but do not know when I will get at it.

In Him,

By Asa Mark Bratcher

May 10, 1981

Dear Brethren,  
Another busy month has rapidly gone by us, in the Lord's work here.

He has blessed us in so many ways. There have been many decisions made, and the Lord's presence has been felt in each service. This past Sunday, our auditorium overflowed and seven came forward, accepting the Lord as their personal savior. We praise Him from whom all blessings flow, and give Him all the Honor and Glory.

This month I have also preached at the Chapada

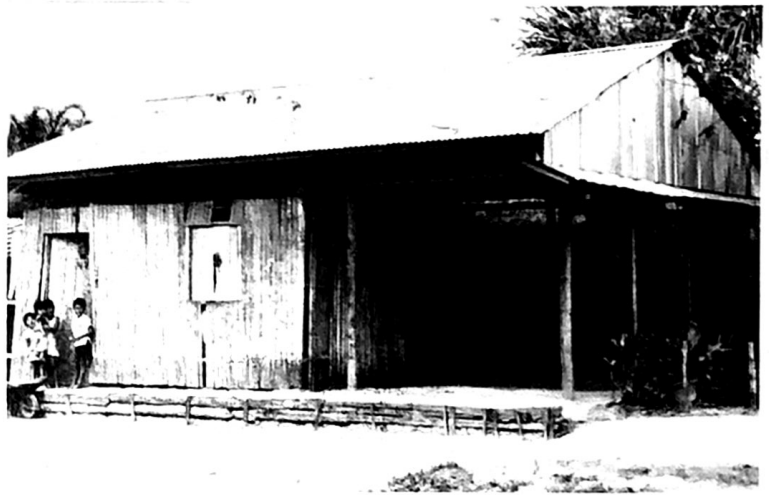

Asa Mark Bratcher

Baptist Church, and the 14th of December Baptist Church. The Lord blessed both services.

Please continue to pray for us and support us in every way you can. Do make it a matter of prayer that the Lord will give us more space to build on, because this is our number one need now.

Until next time as He permits.  
In His Service,

Dear Brethren,  
We rejoice in the Lord! Since last month's letter to you, our church - (14th of December Baptist Church) has been blessed of the Lord - in spite of the fact that - we lost one member by death,

three by letter and seven by exclusion. We gained six by baptism and have some twenty awaiting baptism. We have six of our young people taking piano lessons. At the present we have no one in the church that can play the organ during the services.

On the 27th of April, Mrs. Bratcher & I left Manaus. After nine hours of traveling on the Amazonas River aboard the "Nacional" we arrived at Novo Remanso. On Tuesday the 28th I performed a wedding ceremony and then baptized the bride and groom and four others. We had almost 100 people present for the wedding and baptism. A group from the New Jerusalem Baptist Mission were present. I marked with them or promised that we would be with them for five nights, finishing on Sunday, June 21st with a baptizing. Thus, in June our church will have a new

Harold Bratcher

mission already with a meeting house with thirteen or more baptized members. However, we'll have to assume a debt of around \$400.00 on the building. We remained at Novo Remanso until Friday night, the 1st of May, when we returned to Manaus on the "Nacional."

On Sunday, May 3rd the Lord blessed with 693 (Six Hundred and ninety three) in Sunday Bible School. Asa Mark preached at the Morning Worship hour. This near record attendance puts us in front of Addyston, Ohio, Baptist Church in attendance contest by 139 points. Sunday May 10th will determine the final winner!

Since day before yesterday I am driving a different car. We were able to buy for \$5,500, a 79 Ford - small type station wagon. We thank all of you, who gave to purchase of us a new car. Even though we were not able to get a new car on what came in designated for "Bratcher Car" we trust that this car will give us good service in the work of the Lord.

Please continue to give so that the work of the Lord here in the city and in the interior will continue to be blessed of the Lord. We appreciate all that you do for us. Give to the regular fund and to the designated causes as well.

May the Lord bless you is our prayer.  
Yours In His Service,  
Harold Bratcher

Dear Brethren,  
This past month has been pressing, profitable, and prospective. Travels that included South Carolina, Florida, Tennessee, Indiana, and Kentucky

made it pressing. Fellowship with friends, churches, loved ones of our families, and the conclusion of my graduate studies with Luther Rice Seminary made the month profitable. And the month offered some good prospects for the future of the Mission work. We visited one church that averages about 450 in Sunday School. The people made a total Faith Promise of 37,000 dollars for missions in the coming year. Another church we visited had a mission conference and their Faith Promise was 13,150 dollars by Thanksgiving with a goal of over 20,000 for the entire year. This church has about 105 members and is in a new building program. Another church that gives almost 50% of their total offerings to missions is planning a faith promise mission conference with a desire to increase their outreach even more. The prospect is - Where there is a will to spread the gospel there will be a way. Let me share with you a possibility for overcoming the financial needs in the face of inflation and high interest rates. In Brazil the inflation runs close to 80% annually. How could you buy a car with such interest rates? Just buy it without interest. Here is how. Sixty persons who want to buy a car share the total price of two cars each month. Two men receive cars each month. The second month all 60 pay the total price of two more cars and two more men receive cars. At the end of 30 months all 60 persons have their cars and by helping one another they bought them without paying interest. THINK OF THIS - If there were 35 churches or individuals who would give \$1,000 in a lump sum every six months for new works there could be a new work opened in two places every six months. Money that comes in small amounts for new works loses its value more than 50% per year in Brazil, while it lies in the bank. God has given us the means. The harvest is

John Hatcher

great and white. If you or your church would like to be one to participate in planting two new churches in new cities and towns in Brazil, please write me and tell me.

In addition to my own work I will as of next week be supervising the church started and organized by Brother Carver. He and his family are scheduled to leave for Korea enroute to the States May 12th, the Lord willing. My family and I are going to miss their fellowship here in the Philippines, but trust that the Lord will richly bless and use them in their new work. Santa Clara Baptist Church, across the road from the home of the pastor Abram Giama. The members built this church building. It is out past the new airport of Iquitos, Peru. A good interior church.

San Juan Baptist Church building with pastor's home in the rear. This is on the highway out from Pucallpa, Peru on the way to Lima. Del Mayfield put in a concrete floor and finished the walls shortly before he went to be with the Lord.
