Observations On The Spring Conference

by Louis A. Maple

I came all the way from north of Chicago to the conference and was there from the first message on Monday night through the last sermon on Wednesday evening.

My feelings and experiences were of an accumulative sort. By the end of the conference I was really elated. It was a beneficial as well as a very pleasurable week.

The preaching was God honoring with a broad range of important Biblical topics. Themes of God's grace, human responsibility and missions were well balanced.

The fellowship with old friends and making new acquaintances of those interested in the work was a delight.

I liked the new feature of offering one afternoon for the Seminar on the home and the optional open meeting of the Pastors' meeting with the Directors of BFM. This two way communication between churches and Directors turned out to be a great meeting. Specific and direct questions were asked and answered and ideas and recommendations given. A good spirit prevailed and we recommend this be done each year.

In the Directors' meetings the reports from the mission field were very encouraging; the unanimous acceptance of the two new and experienced Pastors who applied to go to Peru through BFM was a high point of the week; the harmonious spirit of all Directors was a blessing.

The three supporting churches — Bryan Station, South Lexington & Thompson Rd., are to be thanked and congratulated on a great conference. Their overly adequate provision of meals and lodging was appreciated by all.

And may I say in closing . . .

With the acceptance of Homer Crain and Sheridan Stanton to go to Peru immediately, all we need is increased offerings to send them out. They are now ready and waiting. May the Lord enable us all to do a little more immediately to get them there.

Two New Missionaries For Peru

Brother Homer Crain and Brother Sheridan Stanton desire to go to Peru to serve the Lord and the Directors desire to help them go out on the authority of a Baptist Church. We cannot help them unless more offerings come from God's people. We cannot take away from the funds sent to help the present missionaries with whom we are working. These men are sound in the faith and deserve the support of God's people. It will take about \$4,000 more a month in the general fund to do this. We are not able but God is able. Let us pray and give and support. We are taking the first steps that are necessary and praying that the funds will be ready when the first steps have been taken that there will be no delay in their going. Brother Crain desires to go to Huanuco and Brother Stanton to Pucallpa.

Greetings:

It has been said that, "No one deserves to hear the Gospel twice until all have heard it once."

As we returned from Florida yesterday, Paul Harvey gave his noon news report. In this report he said that the Seventh Day Adventists were the heaviest church givers. They give an average of \$2,400 per capita, annually. They give ten times what the average other church members give. In fact, four times what the faithful givers in other churches give.

If we have the truth, and we do, then we should out-give the S.D.A. group. One pastor told me just last week that he would like to go to a certain country as a missionary. He believes God has so called him. Now, he wishes to go within the next few months. I had to say to him: "I am not sure that we have the funds just now."

Other men are considering going to the fields of service. Christ said: "Pray ye the Lord of harvest that he will send forth laborers into His vineyard." He is calling. Will you match the S.D.A.'s giving so that the funds will be available to finance these men as God calls them to go?????

Three days in March I attended a seminar dealing with planned giving. In this seminar it was pointed out that millions of dollars were tied up annually due to lack of a will or else an improper one. In fact, 50 to 70 percent of all adult-age in the U.S.A. fail to have a valid will.

Many have heard the gospel and been saved. Also, the missionaries of B.F.M. have two houses to live in in Lexington, Kentucky because some have left us money in their wills. Yes! I believe it can be said of the Rich sisters, Mrs. Beatrice Shaul and Mrs. Grace Overbey, as was said of Abel: they, "being dead, yet they speak." Would you consider laying up treasures in heaven the same way?

This past month it has been my privilege to have been with: the Corinth Baptist Church and Pastor Charles Surratt of Leicester, N.C. on Feb. 28. The evening of the 28th, I was privileged to be in my home church services, the Newfound Baptist Church; Bro. Charles Phillips is their pastor. Sunday morning of March 14, I was with the Fellowship Baptist Church and Pastor Tom Dunn of Mt. Sterling, Kentucky.

Last evening (3/27/82) I returned from having been with: 1. the South Side Baptist Church of Winter Haven, Fla. and Pastor George Starling. This was a great missions conference. 2. Park Ridge Baptist Church of Gotha, Fla., where my good friend, Bro. Douglas King, is their fine pastor. 3. It was my first time to have been with the Bible Baptist Church of Plant City and Pastor Dave Jackson.

Well! our annual spring Conference is to begin tomorrow evening. Perhaps, I shall see many of you there?

Louie Carver

P.S. Don't forget to consider, and then do something about your will. You, too, can preach through your missionaries, even after going to glory.

Two Peruvian Students

Desire to Work in Peru This Summer

Two young men desire to go to Peru this summer and help their home church, but, they need to buy an airplane ticket and they don't have the money.

Let me introduce them and if you feel led to send a special offering to help, mark your offering, Peru Service. Any money beyond their expenses there and back will be used to send out new missionaries to Peru.

Raul Agreda was saved under the ministry of Brother Del Mayfield. Brother Raul is from Pucallpa, Peru but has been studying at Clarksville Baptist College for two years that he might be a better servant of the Lord. He would like to go back to Pucallpa for this summer where he would help in the church there.

William (Willie) Valverde was saved under the ministry of Brother Art Gibbs. Brother Willie is from Huanuco, Peru but has been studying at Clarksville Baptist College also for two and a half years to be a better servant of the Lord. He would like to go back to help his home church in Huanuco for the summer.

Both would come back to complete their education at Clarksville Baptist College this fall. Any money would be sent to their Pastor, Brother Elton Wilson of Bible Baptist Church, to give to them since they will be going from that church.

News From The Churches . . .

From Calvary Missionary Baptist Church, Crestline, Ohio

"We, at our December business meeting, raised our mission support from 35% of our undesignated income to 40% of the same. We increased Baptist Faith Mission's share from 30% to 35%, or, 14% of our income. In dollars and cents this fluctuates, as you well know.

"Our income has suffered somewhat because of the so-called 'recession' but as things begin to look up, our mission monies will grow. We hold that our biggest dividends in the services of our Lord come through our mission efforts."

Pastor Elwood Hensley

We appreciate this church and all the supporting churches for their giving to help the missionaries do what God has called them to do.

Car Fund

Give to help our missionaries have a car. Those who have a good car now won't have one in a year or two or three. We need to give regularly toward this so there will be money when they need a new car. Some need one now. Give to the Car Fund in general or for the car fund of a specific missionary.

Importance Of Working Now Four Baptized Into New Mission Philippines Central In World Missions

by Dana Adams

1579 Birmingham

Cainta, Rizal Philippines
March 9, 1982

Dear Brethren,

Once again it is a joy to share with you what the Lord hath done for us here during the month gone by. As I review the activities of the previous month, I'm reminded anew that our salvation is nearer than the day we believed. Rom. 13:11. "Therefore we must be about our Father's business for night cometh when no man can work." John 9:4.

On February 28th it was my privilege to baptize four adults into the fellowship of our mission, giving us a total of eleven members. I trust that you will pray for our newest members that they may grow in the grace and knowledge of our Savior. My goal is to see this mission organized in-

Dana Adams

to a New Testament Church on November 15, 1982, which will be our 1st anniversary, the Lord willing.

At this point I would like to share with you an article on the Philippines written by a fellow missionary who has spent better than twenty years of his life as a missionary to the Philippine people. The article states in part, "Since World War II no country in all of Asia, if not the world, as been such a tool for the propagation of the Gospel of Jesus Christ as the Philippines through the radio facilities of FEBC in Manila; the headquarters of mission organizations that reach to every area of Asia. The Church of Jesus Christ owes a tremendous debt of gratitude to the people of the Philippines and to its leadership. Someday the history books will make note of it, but in the meantime Christians should be much in prayer that it will continue. We need to keep it free."

It is an encouragement to us to know that many of you are praying for us and giving to us. Until the next time, Keep looking up for our Redemption draweth near.

Attendance Is Good — One Saved The Sinful Week Of Carnival Described

by Richard Turner

March 8, 1982

Dear Brethren,

Since it was just a few days past that I wrote my last Mission Sheet letter, I have very little to report at this time. However, I can report that the Lord is continuing to bless here with good attendance at our regular services. We are having visitors in almost all services with several lost also attending. Last night in our service a young man of eighteen came forward saying that he was trusting Christ as his

Richard A. Turner

Saviour. We had been praying for this one for some time. We praise God that He is still in the saving business.

We have just passed through a very difficult time here in Brazil. Every year the week before the beginning of Lent they have what is called 'Carnival'. It is a time when people feel no moral restrictions because they believe that on Ash Wednesday they can be forgiven by the priest. Of course, the counterfeit church puts its approval on this festival dedicated to the flesh. Each year at this time crime increases. Murders, robberies, and rapes are rampant. It is hardly safe to be out of the house. The believers sigh with relief when it is over.

Continue to Pray for us and the work.

Best Meeting Ever — Good Attendance — Several Saved One Called To Preach — Church Robbed — Need Supplied New Converts Class — New Mission Large Attendance At First Service - Future Plans

by Bobby Creiglow

Varzea Grande, Mt
March 9, 1982

Dear Brethren,

Our meeting started off with very good attendance that grew throughout the week. On two different nights we had over two hundred with many lost present each night. There were eight or ten professions of faith and two reconciled to the church. Two of the professions of faith were people from other churches and two live in Cuiaba, but the rest are still with us. One man of the church told me that the Lord has called him to preach. Our attendance is up since the meeting and we have several new families coming. We think this was the best meeting we have ever had and the spirit of it is still going on. In most meetings the church tries to get the most they can from the evangelist, and that is only natural, but in this meeting I found myself promoting the work and need of the evangelist. As you can see, the Lord did bless us in a great way and is still blessing. In spite of the fact that our church had been robbed of almost all of our money the week before the evangelist arrived, we were able to give him an offering that left him speechless when I told him the amount. I believe this same system will work in mission giving; if pastors would get missions on their heart and promote them, the Lord would bless you and them and Paul tells us that in Phil. 4:15. There he tells us that the church was giving and receiving and I found out that it works; you ought to try it sometime. We still owe Bro. Turner's church for

Bobby D. Creiglow

our part of his expenses in traveling, but the Lord is going to bless so that we will be able to pay that soon also.

Sunday I started a new converts' class and invited all who were saved in the past year to attend along with those who were not sure of their salvation and those of other churches who were thinking about becoming members. I had 27 in the class the first day. It will be a course of nine weeks.

The Brother who was called to preach asked me to help him start a new work in another city about 55 miles from here. A week ago last Saturday he went there by bus, got a nice building in which to have services and made some visits. Last Saturday he took several of the brethren of the church with him to hand out tract and invitations that I had made up on the mimeograph. That afternoon, after spending the last money the church had to fuel the bus, I took a load of fifty to that city for the first service of that new work. Besides the fifty from here, there were seventy from there and the building was almost full. While there, we heard several good reports of the work and all returned to Varzea Grande happy in what we saw and did. We plan to continue each Saturday night. There has not been any mention made of the mission helping and it is understood that our church is to stand the expenses of this work, so pray for us that it might be so. The population of that town is only three thousand, but does not have another Baptist work in it.

We have some good plans for the future, but before we can do much about them we need a good Brazilian pastor to take over this church here. Please pray with us about this.

In His Name

Three Funeral Services — The Spiritualists Give No Hope River Trip To New Jerusalem, Novo Remanso And Amajari Pray For Revival — Furlough Begins In May

by Harold Bratcher

Manaus, Amazonas
March 10, 1982

Dear Brethren:

Yesterday, I conducted funeral services for a month old baby. The father is not a believer, the mother is a member. On the 18th of last month, we buried the three day old baby of a young couple of our church. The next day I attended and assisted the pastor of the First Baptist church in the funeral service of Dona Maria Navarro, 71 years old. She was a believer but not a Baptist. The believers were outnumbered by the Spiritualists. After prayer by the Baptist pastor, as the grave was being filled, the spiritualists began to sing. It was as sad a song as I think I have ever heard. It went something like this: "Oh, Father, don't let her suffer now, as much as she has already suffered." The song made me sad but it also was a challenge to me to continue faithfully preaching the gospel, which gives us hope, now and after death.

On Monday, Feb. 22, some 42 of us of the church

Harold Bratcher

left Manaus on a passenger boat. We arrived at the New Jerusalem mission around 6 p.m. There we left one group and then, about an hour later, another group stayed at the Novo Remanso. The rest of us went on down the river to Amajari. There we held services and made visits throughout the day. After the evening service, we traveled on a small boat up the river to the passenger boat to Manaus. The next morning we discovered that the boat was very much overcrowded. Anyway, we praise the Lord that we all arrived safe and sound in Manaus at 1:00 p.m.

Last Sunday our attendance was down, only 328 in Sunday School and 330 in the preaching service. Pray for the 14th of December Baptist Church. We need a revival.

The Lord willing, we will arrive in Lexington, Kentucky on furlough, Monday, May 3rd. Please do not write us after the first of April here in Manaus. Many letters have not reached us and last Saturday night the main Post Office building of Manaus was destroyed by fire. Write us in care of Pastor Edward Overbey. We hope to see you soon and to be of service to any of you in whatever way we can.

Yours In His Service,
Harold Bratcher

Visit Many Churches — Appreciation To All Work In Sao Luis Doing Well — One Church Must Relocate Souls Saved At Sao Mateus

by Harold Draper

March 24, 1982

Dear Brethren,

This has been a very busy month. We have visited many churches. We have in every church been well received. Following is a list of the churches that had us: Salem B.C., Grayson, Ky., Bro. Chas. Lybrook, pastor; Storms Creek B.C., Ironton, O., Bro. James Orrick, pastor; the Waverly Rd. Bapt. Chr., Huntington, W. Va., Bro. Sidney Fisher, pastor; Meadowthorpe B.C., Lexington, Ky., Bro. Wayne Hart, pastor; Siloam B.C., South Shore, Ky., Bro. Warren Hardin, pastor; Good Shepherd B.C., Irvine, Ky., Bro. Mack Lawson, pastor; Richmond Rd., B.C., Lexington, Ky., Bro. Jerry Gumm, pastor; Logana Bapt. Chr., Logana, Ky., Bro. Joe Loyd, pastor; West End B.C., Lexington, Ky., Bro. T. A. Preston, pastor; Twelve-Ryan Bapt. Chr., Warren, Mich., Bro. Wallace York, pastor; Grace Bapt. Chr., Warren, Mich., Bro. Ray Sexton, pastor; and we enjoyed a

Harold M. Draper

"Pot Providence" supper with the saints of the Faith Bapt. Chr., Wauseon, Ohio as we passed through on our way to Michigan. So we have had many opportunities to preach for which we are thankful. We appreciate those who have prayed for us and want to express our appreciation for the love offerings also.

The work in Brazil seems to be on the up in our church in town. One of the churches (Anajativa) has to relocate as the settlement where it is located has been taken over as part of an attempt to get a new factory in that area. We were given a cash settlement to relocate. I pray that the pastor will not buy property unwisely. We will be going back in a couple of months. I am hoping that this matter can wait until we return. The other churches are doing well. They are having souls saved at the church in Sao Mateus. We are getting anxious to get back to the work there. Pray for us as we make preparations to return. The Lord has been extra special to us in providing some of the equipment we needed. Pray that we will have a harvest of souls on our next term!

Flooding Makes Work Difficult Church Sends Out Four Teams Each Weekend Repairing Old Equipment And Waiting For New Boats And Motors — Visit Work At Lagoinha

by Mike Creiglow

Cruzeiro do Sul, Acre
March 9, 1982

Dear Brethren,

Heavy rains continue to fall. The river is over its banks. It is the highest it has been in several years. In some places like Sacado and Maita the church buildings are standing in the middle of miles of water. The excessive rains and flooding have made our work a little more difficult. Nevertheless, we have picked up the pace a little more.

The church has sent out an average of four teams each weekend this month. Last week we had five teams out and a total of close to thirty people involved. The church at Sacado celebrated her second birthday Sunday. Boats came loaded with people from all around and tied up right to the church building. Our men also went to Tapiri, Guajara, Nova Cintra, and Mourapiranga.

I went to Rodrigues Alves this weekend. The Church there is in good health. Sunday afternoon I helped them with a baptism service. I baptized

Mike Creiglow

16. There were over 100 people at this service. Many of these folks heard the Gospel for the first time and saw the first true baptism in their lives. This trip was made in the new aluminum canoe and 15 HP outboard that is being purchased with special offerings from Central Baptist Church, Lake Road Baptist Church and Bible Baptist Church. The boat and motor did a very good job. It will help pull us through this very difficult time.

This week and last I have spent 12 hours a day working on the motors. We have had breakdowns every week for the past three weeks. We have heard that the new boats and motors will be in Manaus soon. Pray with us that all the equipment will be released at once. We have been meeting with our men, praying and planning our next assault. It is a little discouraging, though, when your boat is towed back to town each week.

I have also been to visit the work at Lagoinha. The army loaned us a bulldozer and even gave us some fuel to do some of the work at the camp. The operator is a man from our church. We got several hours of work done while we watched the rains fall everywhere but on us!

School Back In Session — Seminary Training Explained Fell Off The Roof But Recovering — Anniversary New Building

by Paul Hatcher

March 16, 1982

Dear Friends,

School is back in session once again. This year God has given us a packed house to teach and minister in the ways of the Lord. Pray with us that this might be the year of Salvation for hundreds of children and young people.

The Seminary, which is now running both an intensive and regular program, has the best and most promising student body ever. Many have cut back on their work and are living sacrificially so as to finish schooling sooner, thus expediting the accomplishment of our goal - one large evangelistic church in each of the Brazilian states. This semester, besides the regular class work, each of our intensive students is going out once a week with me soul-winning. On Saturdays and Sundays each student is also training in busing, visitation, and follow-up work. All training involves recruiting and training others in turn, to do the same. The results are astounding. I challenge your church to do the same. God does

Paul Hatcher

honor his promise of rewarding the work done for Him.

This past week I had a little accident while checking on some problems we were having with a leak on the school patio roof. I got attacked by about ten wasps; while trying to get away from them, a couple of tiles broke and I crashed below. It was sure good that my guardian angel was there, or it could have been one less missionary. I'm fine now; most of my cuts and bruises have healed rapidly.

Wanda and I completed 11 years of happy married life this past week. I'm so grateful for such a wonderful, loving, and active companion in God's work.

Yours in Christ,

Paul & Wanda Hatcher

P.S. A man just walked in, as I was typing this letter, and closed a deal on a building directly in front of our church building which the Seminary has been trying to purchase for its classes. The building is valued at \$65,000. With the difference in the dollar exchange and the inflation of the Cruzeiro, it will only cost \$27,000. Please help us buy (pay off) this building.

201 In Sunday School — Pressure On New Believers From Roman Catholicism — Planning To Start Another New Work

by John Hatcher

Garca, Sao Paulo, Brazil
March 19, 1982

Dear Brethren,

God has blessed us with some special blessings. Be thankful to Him and pray that greater blessings will follow. On the 28th of February there were 201 in our Sunday School at Garca. With a special campaign of visitation, our goal was 100. Believe me, when I tell you, that stirs up the enemies of Christ. On one street, from where several children attended, the priest was making visits the following week. A lady said, "I never in my life saw the priest on that street." One boy, who came on Feb. 28, stood up and confessed Jesus Christ as Saviour. When he got home, he said to his mother: "Today, I trusted Jesus as Saviour and I might have to be baptized." His mother almost fainted, she is such a strong Catholic. No one can know the pressures put on those attending from false religion unless they have experienced it personally. But, if you will remember that during the

John Hatcher

dark ages when the Catholic church used torture chambers and killed millions as heretics, you will be able to realize a little better the kind of pressures they can use.

This is one of the reasons there are so many professions of faith and yet so few of them are baptized into a church. In a section of Galia, where the very poorest live, I bring children to the Thursday night children's hour in the Volkswagen van. Last week, the priest was using an old garage to hold mass in that part of town, in an endeavor to keep the people from sending their children.

The Lord willing, a new work will be started in another town soon. Not many have given to the new works but God will help us begin in new places with what does come in. It seems we are running behind in our goal to reach new cities, but being confident that it is the Lord's will, He will see us through. He is so big He doesn't have to move fast. When God does move, he can give us a city or even a nation. But, if we want to take Jerichos with the Gospel of Christ, we will have to be there to circle the walls and shout. Brethren, there are a lot of cities to be conquered.

In Him
