God Supplies New Building In Garca **Need Help to Finish Paying Two New Churches Organized**

by John Hatcher

Dear Brethren, COD HAS DONE IT AGAIN! When you read this, will you please stop for a moment and thank Him? For over three years attempts have been made to buy the beautiful building rented here in Garca. Now the reason for not being able to get it comes out -- God had another building five times bigger. The building we have just purchased is 98 feet wide and 105 feet long. It is located on the corner of the block with a small park in front. The top floor (on front street level) has 10,290 sq. ft. of floor space. The bot-tom floor on side street level has over 6,825 sq. ft. of usable space. The building has been purchased for about \$37,000.

about \$37,000. One half of the price was paid and the deed is in our hands. The second payment is \$5,000 which must be paid in four months on August 6th. The last \$12,000 (approx.) will be paid in 12 months beginning on September 6th. All payments will be made without any interest. Here in the new works of the State of Sao Paulo God has given us three beautiful properties in six years. Here is how the first half of the payment on the new building was made: Second Sec

Two For Peru Are Answer To Prayer Challenge To Get Them On The Field -**Churches Visited**

Greetings:

During His earthly ministry our Lord said: "Pray ve the Lord of harvest that He would send forth labourers into His harvest."

labourers into His harvest." For approximately two years many have been praying that God would raise up at least two men to go to Peru. He has done just that. These brethren (Brothers Homer Crain and Sheridan Stanton) are God's men. They need to get to the field of service in the next few months. Just to get them to their fields of labor, airline tickets alone are going to cost approximately \$3,500.00 (for the two families). In addition to getting them on the field, they must live and have operating expenses. In other words, another \$4,000.00 monthly for personal support and operating expenses. Haggai 2:8 says, "The silver is mine, and the gold is mine, saith the Lord of hosts." You and I know that He gives through people. In checking the givers, church-wise, last month - if just the churches alone will give an extra \$45.00 each month, then these men can be on the fields of labor within another two months.

will give an extra \$45.00 each month, then these men can be on the fields of 1abor within another two months. Sound like a lot? It is very doubtful that any one of the supporting churches have not one or even many members who could give that much each. Pastors, have you really taken a look at your missions giving recently? I know many of you have and have also done something about it. Others have not updated your missions giving in many years. Think about it, brethren! Paul said: "Not because I desire a gift; but I desire fruit that may abound (pile-up) to your account (reckoning: referring to the Judgment Seat of Christ)." Phil. 4:17. Here is a testimony in a letter that I just recently received. This is a testimony as to what you are doing: "The Lord used you to give me a new life, a new Christian experience, the totality of a new faith and a new hope... thanks so much." This man was 57 years young and had pastored one of the protestant type churches in the Philippines. He is your fruit.

I his man we so years yoing and had pastored one of the protestant type endiches in the Finitppines. He is your fruit. Since the last report, it has been my privilege to have been with: The Thompson Road Baptist Church at their annual Spring Conference. Along with Pastor James Hamilton and the Thompson Road Chur-ch, also Pastor Al Gornley and the Bryan Station Baptist Church and Edward Overbey and the South Lexington Baptist Church sponsor this conference. On April 7th I was with Pastor T. A. Preston and the West End Baptist Church, here in Lexington. On the 11th with the Valley Baptist Church and Pastor John Henderson of Charleston, W. Va.; the 12th and 13th with Pastor Millard Mitchell and the Calvary Baptist Church of Nitro, W. Va. at their annual conference. On the 18th A.M. with Pastor Al Owens and the Metropolitan Baptist Church of Lexington, P.M. I was with Pastor Hubert Baker and the First Baptist Church of Sligo, Ohio. The 18th to the 21st attended the Lexington Baptist College Conference. The 24th and 25th respectively, I was with the First Baptist of Bellaire, Mich. and First Baptist of Frankfort, Michigan; Brothers David Humphery and Lonnie Gordon are their dear pastors. Introducing Our New Missionaries Homer Crain and Sheridan Stanton

Homer Crain and Sheridan Stanton Brother Homer Crain believes that the Lord has called him to go to Peru as a missionary. He has a desire to work in Huanuco, Peru. Since all of his family but one daughter have grown to adulthood, the only ones going would be Brother and Sister Crain and their daughter, Mellisa. Brother Crain was saved in 1944 and baptized in Grace Baptist Church, Warren, Michigan and was called to preach in 1946. The Lord has used him greatly through the years in pastoring, teaching, holding meetings and beginning new churches. He bas pastored churches in Michigan, Kentucky and Alabama. He is well-educated in the Word of God and sound in doctrine. He has been very active in beginning new churches in the mountains of Kentucky. Many have been blessed by his ministry. Several years ago he was a missionary in Peru with Baptist Faith Missions. He centered his work in Tingo Maria. By God's help he organized two Baptist churches in Peru, one in Tingo Maria and one about thirty miles from there. He and his faithful wife know Spanish and the country of Peru and they have already proved themselves as faithful missionaries. At present he is the Pastor of South Irvine Baptist Church in Irvine, Kentucky. He has a burden to go to Huanuco, Peru and continue his missionary labors and Baptist Faith Missions has a desire to help him. He will work under the authority of a Baptist Church as all missionaries of Baptist Faith Missions do. We need the help of many churches that he might have the funds to go. Pray and give that he might go soon.

go soon. Brother Sheridan Stanton believes he is called to go to Peru as a missionary. He desires to work as a missionary in Pucallpa. He would like to use that as a base to go to the areas around about to begin new Baptist churches. He desires also to help teach the Bible to those in that area who are called to preach. He and his wife and two children will be going when the Lord enables. He was saved and raised in the Ashland Ave. Baptist Church, Lexington, Kentucky. He was called to preach and ordained there. He graduated from Lexington Baptist College which was started to train preachers and is still under the authority of Ashland Ave. Baptist Church. He knows the Word of God well and is sound in doctrine.

well and is sound in doctrine. As a young preacher he has proved himself faithful and his wife is also a dedicated Christian. He has pastored the Jordan Missionary Baptist Church in Sanford, Florida for several years where the Lord has blessed under his leadership. He and his wife, Anita, went with a group of young people from Ashland Ave. Baptist Church to build a church building in Peru some years ago. Their burden for Peru has grown from that time till now. He desires to go and work under the authority of Jordan Missionary Baptist Church. His church has already voted to send him and Baptist Faith Missions desires to help him in any way they can. He needs the help of the Lord's churches. Pray and give that he might go soon. Designate special offerings for this. Mark them - NEW MISSIONARIES TO PERU.

Travels Widely During Month — Soon To Return To Brazil Many Thanks — How Each Can Help

April 22, 1982

by Harold Draper

Dear Brethren

Dear Brethren: We have traveled many miles this month to preach God's Word. It has not returned void. Some have made professions of faith and for this our hearts are glad. We were able to tell of the work in the following churches: Devondale Baptist Church, Lexington, Ky., the West End Baptist Church, Lexington, Ky., the Concord Baptist Church, Lessville, S.C. While at the Concord Church, my wife had the opportunity to speak to the ladies; they presen-

S.C. While at the Concord Church, my wife had the opportunity to speak to the ladies; they presen-ted her with some nice gifts. We also were with the Covenant Baptist Church to show our slides of Brazil. Last weekend we traveled to Chicago to be with the East Maine Baptist Church, Glenview, Ill. and the First Baptist Church of Niles, Ill. We want to express our appreciation to each of these churches and their pastors for your wonderful hospitality and Christian love. We also attended and preached in the Spring Conference at the Thompson Road Baptist Church. We want to also

thank the Bryan Station Baptist Church and the South Lexington Baptist Church for their help in carrying on this conference. Brethren, our time is winding down to be with you. I can no longer accept more engagements. Our minds are beginning to dwell on our work back in Brazil. You have been so kind to us. Some of you have given that we might take back some things to Brazil in order to better do the work there. Many pray for us. We are thankful. We have no new needs except what we already men-tioned. We will be buying a car soon after going back. We already have quite a bit saved for this. We could use about \$500 more. But we are leaving that in the hands of the Lord. Our passage will cost many hundreds of dollars. We do not fret over this. Is not our Lord able? If someone would like to help in this, it would be great. The main thing we need is your prayers right now. We have much to do upon our return. We have to relocate the Anajativa Baptist Church because the Govern-ment bought the property from us. All of the works need a revival in our field of labor. May the ment bought the property from us. All of the works need a revival in our field of labor. May the Lord bless all of you with His presence. YOURSIN HIM,

Varzea Grande Report - Lost Building Where New Mission Meets — Open Door In High School by Bobby Creiglow

Bobby Creiglow

Caixa Postal 720 78.000 Cuiaba, Mt., Brazil April 9, 1982 Last Friday night I went as planned to one of the high schools for two forty-five minute classes on Bible related subjects. In the two classes I had a total of around 500 present between faculty and student body. Using the overhead projector, I tanght on the subject, "Does God Prohibit Smoking?" This is to be a once a month class. When I talked to the director this week, she told me that all of the faculty loved it and I have been asked to go there some afternoon and present it to the Junior high school. The director also gave me the liberty to teach anything I want. We discussed several subjects, such as drinking, drugs, sex, marriage, divorce, venereal diseases and sex per-version. Now I need the help of any of you who can acquire information such as statistics, charts, graphs, illustrated drawings, transparencies, masters, etc., on the cause, the practice and the results of all of these subjects and related subjects. I need these materials as soon as you can get them to me. I cannot obtain these here, so I am asking for your cooperation. Please send them to the above address. I will be very grateful for your help. In His Name

Dear Brethren, Our work here in Varzea Grande is going about the same with around one hundred in each of the Sunday services and around seventy in the mid-week service. We are having lost people in all services and we are waiting on the Lord to save them. My new convert class is also going beyond what I ex-pected, with good at-tendance and good class par-

River Trip — Two Baptized — Great Need On The Rivers — Motor Problem On Amazon River by Douglas Gasque

Douglas Gasque

Dear Brethren, Once again we find our-selves trying to express to you our experiences during this last month. God has won-derfully blessed us. We spent a week up-river preaching and teaching in different places. I also was privileged places. I also was privileged to baptize two young boys at the church at Tamishaycu, baptizing them in the Amazon River. There is more need for new missions on the rivers than I had ever imagined. While we were traveling on the Amazon River, the motor on our boat began to give problems and finally completely quit working. We finally got it working enough to get back home. Now I've star-ted repairs on it and should be finished this week. Please help us with these works that God's glorious Gospel might go out to all of Peru and the world as a whole. I made a deal to buy my car this month and it should be delivered Saturday. I'm still short a lit-tle to finish paying for it, but I know the Lord will provide what is needed. Yours in Him,

Four To Be Baptized — More Saved Need For Church Truth — Special Prayer Needed by Dana Adams

1579 Birmingham Brookside Subdivision Cainta, Rizal, Philippines April 12, 1982

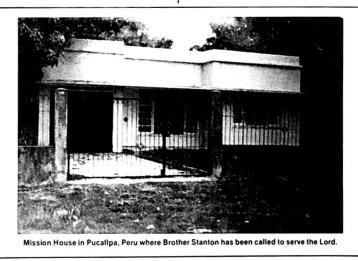

Dear Brethren,

Dear Brethren, The Lord is continuing to bless our work here in the Philippines for which we are thankful. At present we have four who will be baptized this coming Lord's Day into the fellowship of our mission. We have others attending our services who have in-dicated that they have been saved and we are praying

dicated that they have been saved and we are praying that they will see their need of scriptural baptism. The longer I serve the Lord here, the more I realize the need for much teaching on the Church that Jesus built and the ordinances. So many have been taught the need to be saved, but few the need to submit to believer's baptism and faithfulness to the Lord's church.

SPECIAL REQUEST FOR PRAYER ON PROPERTY" At this point I would like to request that each church and reader of our mission letter pray with me regarding the property already referred to as a site for our main work. At present, according to the owner, there are other parties who are negotiating to buy the property also. I'm not discouraged as such, because I believe in ac-cepting what Romans 8:28 says at face value. If you are familiar with that promise, please read it and accept it by faith and the Lord will bless you for it. Because the Lord is presently working all things out for our good, pray with me that the Lord's Will be done for, after all, He knows what is best and has promised in His Word not to withhold any good thing from them who walk uprightly. Dear Brethren, This month

has been another month of blessing for us here. We finished our study of the book of Daniel and the Lord capped it with the salvation of a young man in his twenties to whom we had been witnessing for some time. I also baptized him and another this month into the membership of the church. We have also seen an in-crease in our Sunday School for this month. We had two Sundays with fifty-

for this month. We had two stundays with hitty-seven in attendance. This has been the highest for Sunday School since being back on the field. There are visitors in almost all of the services. Many of them are lost so we are working preaching the Word to them and praying that

Cod might apply that to their hearts. I wish we could say that everything was just right but I can't. We are having some problems. We have a person in our midst who is wanting to influence the church toward Pentecostalism. I have taught why we do not believe in the baptism of the Holy Spirit and speaking in tongues, etc., but she will not accept it. It looks as if we will have to exclude her if she does not get right. Pray for us in this. for us in this. This month we have been back on the field for a
