### Rejoice In God's Blessings - Share In The Needs

Alta and I are thrilled each time God's blessing can be shared with you, our friends and brethren. There are some special needs in the work that we would also like to tell you about and ask you to share with us in meeting them. Many of you have often said to us, "When you have a special need please let us know." The truth of the matter is that concerning our personal needs we have never said anything to anyone except to our Heavenly Father. What ever God provides for our personal needs is sufficient.

There are, however, some pressing needs for the Lord's work here in the new works and the CAMPAIGN FOR THE CITIES. We are asking you to consider these needs prayerfully, and then give what God lays upon your heart. Your help is needed now. We are asking you to do something different. During the month of July make a missionary telephone call to Brazil and tell us you are going to help us financially in the needs for the new works and the CAMPAIGN FOR THE CITIES. You can call direct to our house. Our phone number is 144-611-007. You will need to find out what is the code number for Brazil and then dial our number. Our time here is one hour faster than Eastern Standard Time. We are usually home on Monday and Tuesday evenings. On the other nights of the week you can reach us after 10:15 p.m. which would be 9:15 p.m. EST.

The special pressing needs are these:

1. \$5,000 for payment on Building in Garca on August 5, 1982.
2. \$2,500 for wall and electric installation for Duartina building.
3. \$900 for roof repair and painting of old part of Galia building.

These are the pressing needs. Your help is needed. We hope you will call and tell us of your help.

## Brother Carver's Report

Plan To Send Missionaries To Peru . . . Preach In Churches In West Virginia . . . Five For Baptism In Korea

By Louie Carver

2028 Dorset Drive  
Lexington, Kentucky 40504  
tel. (606) 254-4205  
June 28, 1982

Greetings:

The question is often asked: "how can I give when I have nothing?" Martin Palmer wondered the same thing. What did he do?

"Martin Palmer bought 100 shares of XYZ Corporation Common Stock five years ago at a cost of \$5,000. The current fair market Value of the Stock is only \$2,000, which is the amount he desires to give. This reflects a \$3,000 loss. He should sell the stock himself, establish a capital loss of \$3,000, and give the proceeds (\$2,000) to the institution (Mission)."

Many are getting in on the "one-thousand faith-givers for Peru." Several have already told me that they will be one of the 1,000 persons giving \$4.00 a month, through their church to help finance Brothers Crain and Stanton in Peru. Will you join this group? These brethren need to be on the field N-O-W.

Many have seen the challenge and have gotten more involved in their mission support. We thank God for you.

This past month I have been in the following: The Emmaus Road Baptist Church and Pastor Roger Frame of Craigsville, West Virginia. This was their first mission conference and everyone did a tremendous job. This conference was May 28-30. From there I travelled back to Hurricane, W. Va. for the annual conference of the Teays Valley Baptist College and the Emmanuel Baptist Church. This was May 31 and June 1. Hollis Walter is the school's dean and is also supplying as their pastor.

Louie Carver

June the 6th at both services (a.m. and p.m.), it was my privilege to be with the Calvary Baptist Church of Nitro, W. Va. where Brother Millard Mitchell is pastor. On Sunday morning of the 20th I was with the New Testament Baptist Church and Pastor David Swallow and the South Irvine Baptist Church, Brother Homer Crain is their pastor. Both of these churches are in the Irvine, Kentucky area.

Last evening ended a series of services with Pastor Glen Archer and the New Haven Baptist Church of New Haven, West Virginia. This meeting was June 21-27 and was Spirit filled with professions and one for baptism. The morning of the 27th I was with the Riverview Baptist Church of Point Pleasant, W. Va., Brother Archer is also their pastor. Also attended the services of the Faith Gospel Baptist Church of Gallopis Ferry, Ohio on the evening of the 27th.

If you would like me for a conference, revival, or just to seek to encourage you and your people in regards to missions that's what I am here for. Let me know. Or, If you know of a prospective supporting church, please let me know.

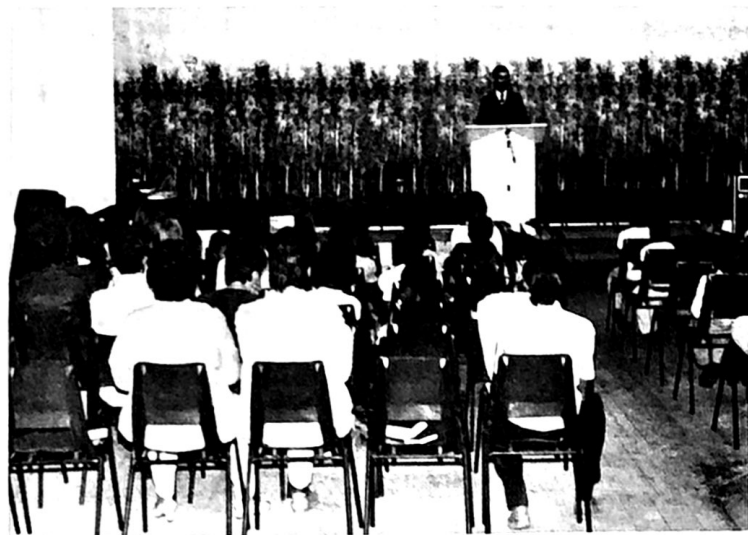

The works of both Korea and the Philippines are about the same. Always some ups and a few downs. However, the Shin Nae Church had a good month averaging 191 in their morning services and baptizing five.

Thank you for your faithful concern, prayers, and financial assistance.

W. Louie Carver

P.S. Don't forget to ask God if He would have you to be another "Martin Palmer."

## Very Busy Month . . . Visiting The Churches . . . Appreciation For Conference At Craigsville, W. Va. . . Thanks For All The Help . . . Much To Do In Brazil

By Harold Draper

Dear Brethren,  
This is our last letter before returning to our work in Brazil. Our bags are packed and we are hurrying to do the last minute things. We have been to the following churches this month: Beech Grove Baptist Church, Bardwell, Ky., George Gallaway, pastor; Bible Baptist Church, Clarksville, Tenn., Elton Wilson, pastor; We were in a meeting with the Calvary Baptist Church, Arlington, Ky., Brother Howard Wilson Jr., pastor; We attended the Ashland Ave. Baptist, Lexington, Ky., Ross Range for the last time. We received some nice gifts from the Young Marrieds Class of Brother Kenneth White. We attended and preached twice at the Mission Conference in Craigsville, W. Va., Roger Frame, pastor. It was a great Conference. We want to express our thanks to that church as they did a great job in their first Conference. Also, we appreciated Brother and Sister Allan Frame who served as our hosts during that time. Last Sunday we were with the

Harold Draper

Emmanuel Baptist Church, Evansville, Ind., John Mark Hatcher, pastor. For the night service we rushed back to the Victory Baptist Church, Wickliffe, Ky., Larry Fraser, pastor. We want to thank everyone for the wonderful fellowship, love offering, and words of encouragement while we were here. Continue to pray that the Lord will bless our ministry in Brazil. This is our desire. There is so much to be done. We are anxious to return to the work.

The work in Sao Luis has stayed stable while we have been here. Some of the works in the interior have prospered. Especially at Sao Mateus the Lord has blessed. We have to locate and buy property for the Anajativa church. We hope to find a permanent worker at the Anajativa work. We are praying for a harvest of souls at the Nova Esperanca church in the city. None of these things will happen without the Lord's working in us and upon the hearers of the word. Please remember these things in your prayers.

## Four More Baptized . . . Meeting House Filled . . . Pray For Property . . . Report On Family And The Country

By Dana Adams

Dear Brethren,  
The month of May has been another good month for us here in the work of the Lord. On the 17th of May we transferred to our new location. The Lord has provided a house for us to rent on a yearly contract subjected to be renewed after one year. Since we have had four more to be baptized into the fellowship of our mission and two who are awaiting baptism. We have also been blessed with good attendance in morning services. This past Lord's Day was our best attendance thus far with a filled house. I want to encourage each reader and each church to pray with me that the Lord would be pleased to give us a piece of property to use one day as our main work. We are told in Mark 9:23 . . . "that all things are possible to him that believeth." I am presently seeking to win a family to the Lord who could, should the

Dana Adams

Lord speak to his heart, provide us with some property. Please remember to pray for this family and my special prayer request regarding a lot.

My wife and I are happy to have visiting with us, our daughter, Teresa, who arrived from the States on June 1st. She will be assisting us in our work during the summer months. Remember to pray for her that she may be used of the Lord, especially in working with out young people. Our young son, Keith, has been living in the States since last December. He attended Lexington Baptist College last semester. He is living with the Carvers.

The weather here is very hot and humid. We are about to enter into the rainy season, which we enjoy very much. There are many blessings that we enjoy in the Philippines, even though the weather is hot most of the time, such as beautiful trees and flowers all year long, also we do not have the colds and flu which go along with cold weather.

Thanks to all of you for your support and prayers.

In His Name,  
Dana Adams

## Four Baptized . . . First One Baptized In City Of 24,000 . . . Garca Growing In New Building . . . Funds Greatly Needed

By John Hatcher

Dear Brethren,  
God's blessings continue on the new works here in the great State of Sao Paulo. On the 30th of May four young people were baptized: two from Garca, one from Duartina. The young lady who was baptized from the Mission in Duartina is the first person from that city of 24,000 to be baptized into a Baptist church. Believe me when I tell you she has received all kinds of insulting remarks and discouragements. There are many who make professions of faith, but there are very few that have the courage to follow the Lord in baptism. The faith of new christians is put to the acid test where there has never been one to have the courage to abandon the traditional and enslaving religion that is followed by 95% of the people.

Our people in the Garca Church are working and God has blessed the effort in reaching new people. Our Sunday School has increased every Sunday

John Hatcher

except one since the church was organized and moved into the new building. The attendances for the last three Sundays have been 107, 109, and 115.

The old part of the Galia church building is being painted and has been repaired so that it can be used until the new building is finished. Work on the new building is stopped completely since there are not funds designated for this work.

The building in Duartina is finished. However, there are two pressing needs: the lot has no wall around it and there is no protection for the conservation of the building. The lack of the wall also fills the building with water and mud during heavy rains because there are not funds designated for this work. The second need is that when the front wall is built the electric pole and entrance box must be installed according to the company's regulation and there is no possibility of doing this until there are funds designated. Alta and I are labouring day and night in these three cities and are soon planning work in another city. We could do more and reach more people if your help was more generous and systematic.

Lovingly in Him,  
John and Alta Hatcher

## Contact Brother Bratcher To Come To Your Church . . . A Busy Month Preaching In Many Churches . . . A Challenge From Brazil

By Harold Bratcher

Dear Brethren,  
Permit me to share with you once again our address while we are in the U.S.A. on furlough - 1033 Juniper Drive, Lexington, Ky. 40504. Telephone number is 606-276-2936. We are thankful to the Lord for the pastors and churches that have already invited us for a future date. There is room for several more. Please let me know if we can be of any service to you.

On Sunday morning, May 16th, I preached at the Gano Avenue Baptist Church, Georgetown, Ky. where Darrell Cruse (former missionary to Brazil) is the pastor. That night we were with the Emmanuel Baptist Church, Berea, Ky. where I preached and showed the slides. On Sunday night, May 23, I preached and showed slides of the work in Brazil, at the Pleasant Memorial Baptist Church, Owensboro, Ky. where my brother Donald Bratcher, is the pastor. Wednesday night, May 26, found us at the Ashland Avenue Baptist Church where I preached and showed the slides. Brother Ross Range is the pastor. May 28-30 - Conference at the Emmaus Road Baptist Church, Craigsville, W. Va., Roger Frame, pastor. I preached the final message on Saturday night. On Sunday

Harold Bratcher

morning, I showed the slides and preached at the Faith Baptist Church where James E. Meadows is pastor. On Sunday, June 6, I preached at both services at the Fellowship Baptist Mission and showed the slides after the evening service. Glyndon Dargavell is the pastor. On June 9, I preached at the Glen's Creek Baptist Church, Versailles, Ky. where Dr. Ken Underwood is the pastor. June 13 - We spent the day with the Fellowship Baptist Church of Perryville, Ky. James Dargavell is the pastor. At the Sunday School hour, I showed the slides, preached at the 11:00 o'clock hour, then we went to the Perryville Battlefield Park for a picnic dinner and then at 3:30 p.m. there in the park we held the evening service. I preached using a trash can as a pulpit. The Lord gave me liberty. June 16 - I preached during Vacation Bible School program at the Durbin Memorial Baptist Church, Lexington, Ky. where Robert Barker is the pastor.

According to a letter received from the 14th of December Baptist Church, Manaus, Amazonas, Brazil, S.A., the work is going well there. Notice, please that the 14th Church gave more than any other church for the Bratcher Building during the month of May. We challenge you to put your church in first place - giving \$300 a month. Please give also to the regular fund.

May the Lord bless you is our prayer.  
Yours In His Service,  
Harold Bratcher

## Two More Baptized . . . Helped Organize Two New Churches . . . Preaching Much On The Spirit

By Richard Turner

Dear Brethren,  
We have had another good month. The Lord blessed with two baptisms and so there are two more Baptists in Brazil. Our attendance is staying good and the visitors continue to come to hear the word. We are having two couples coming quite regularly that we are especially interested in seeing saved. We are praying that God will give us five new couples this year. With five more couples our church would be self-supporting and able to pay a pastor.

A highlight of this month was the privilege of going to Garca, Sao Paulo and helping in the organization of two Baptist Churches. Of course this was the work of Brother John Hatcher. The Lord has certainly blessed the work there in Garca with the purchase of a building. Brother Creiglow and I went

Richard Turner

together and arrived there on Friday night in time to help in the moving from the bank building to the new building that God has given them. I was also privileged to preach the message to the two new churches organized.

The problem that I mention in my last letter has calmed down some as no one as far as I can tell is paying any attention to the talk of the one that is wanting to influence the people away from the truth. I'm praying much about it and also preaching much about the work of the Spirit in these days showing that the gifts of the Apostles ceased with their death.

This week is the last week of school for our children. They are excited about vacation. They have worked very hard this year and are ready for a rest. Thank you for your prayers and support.

In His Service,  
Richard A. Turner

## One Saved . . . One By Letter . . . Good Attendance . . . Teaching Baptist Distinctives

By Richard Turner

Caixa Postal 720  
78000-Cuiaba, Mt.  
Brazil, S.A.  
June 8, 1982

Dear Brethren,  
Since writing last month, there has been one profession of faith and for membership with the promise of letter from another Baptist Church. We have no baptisms to report this month.

Richard Turner

We have had good attendance again this month with a high of 57 in Sunday School and there has also been good attendance in our Sunday night services with several visitors attending. We are still praying that the Lord will work in these that are attending that are lost as the most of them are. We believe that he will soon answer our prayers.

The problem that I have written about in other letters has just about been taken care of. The person doing the talking has quit her talking it seems. I have been teaching on Baptist distinctives that is helping the people a lot. I'm planning to teach "The Trail of Blood" when finished with this present study.

I have a correction to make of an error that I committed in my letter last month. I reported two more baptisms, however I had already reported these baptisms in my letter of April 7, 1982. I failed to look over my copy of the letter before writing last month.

We have now entered the dry season here in Cuiaba and until September we shall have little or no rain at all, it is the worst time of the year here. The dust gets so bad one can hardly breathe.

Thank you for your prayers and support.  
In His Service,  
Richard A. Turner

## Many Decisions . . . Churches And Missions Doing Well . . . Testimony Of A Faithful Sister

By Asa Bratcher

Manaus  
June 16, 1982

Dear Brethren,  
Another very busy month has passed by in His service here.

The Lord has blessed both at the 14th of December Baptist Church and at Peniel Baptist Church. The Sunday School attendance at the 14th of December Church has been between 350 and 390. At Peniel it has been around 200. There have been some 25 decisions at both Churches for which we praise the Lord.

Asa Bratcher

We have also received good reports this month from the mission points in the interior and the preaching points here in town.

Do continue to pray and give so that His work may go forward for His Honor and Glory. As I close this month's letter I am remembering a dear sister, Irma Maria, who is a member of the 14th of December

Baptist Church. It has thrilled my heart seeing her at Church almost every Sunday morning. She lives a long way off, maybe 2 or 3 miles from the church. Hardly ever does she have money for the bus, so she leaves her house real early and walks to church. I always give her a ride home when she comes. Last Sunday, after I had commented on her walking such a long way in the hot sun to church, she replied; "Oh, pastor, it is worth it to be in God's house and worship him with the brethren, (com os irmaos). Something seems to be missing on Sundays when I don't come to Church." May this example be as great an encouragement to you to keep on being faithful to Him in all things, as it has been to me. As I see that dear sister, sweaty and tired but with her Bible in hand, and a big smile on her face, I can't help but think "what an example of God's grace, love and mercy. How little have we done for you compared to how much you have done for us. Loving Father, help us to do more for thee".

In His Service,  
Asa Mark Bratcher

## New Work Begun . . . 1,000 Bibles Brought In . . . Many Professions Of Faith . . . Threatening Times . . . Keep Praying

By Douglas Gasque

Apartado 183  
Iquitos, Peru  
May 21, 1982

Dear Brethren,  
This past month has been another busy one as usual, with many mission trips and some legal work having to be done so as not to have any major problems sometime in the future. We have started a new work recently here in the city that has really been a great blessing to the churches. We had been trying for a long time to get all the church members to buy Bibles and study them. Well, it turned out that there

Doug Gasque

was no place for them to buy them. We recently brought in about 1,000 Bibles and now have several pastors who go house to house doing visitation and presenting Bibles to be sold to those who want them. Those involved in this work have reported many doors opened to them to witness, because the people wanted to see the Bibles. Many have made professions of faith and the churches have reported a rise in attendance as a result of this work. Keep praying for us as we try to spread the Gospel to this country. The time is drawing short. We are being threatened with expulsion from this country because of the conflict over the Falkland Islands. Our mail is being delayed and very shortly may not be accepted at all. We are keeping our knees down and our chins up, because we have a great God.

Yours in Him,  
Douglas Gasque

## Work In School Blocked . . . Church Needs Prayer . . . Church Celebrates 4th Birthday

By Bobby Creiglow

Varzea Grande, Mt.  
June 24, 1982

Dear Brethren,  
For several days now I have been thinking that there was something that I should do that needed to be done, but just could not remember what it was and now I remember that I should have written this letter two weeks ago. About the time I should have written it I was very busy preparing my lessons for the school and when I had it about ready I got a notice from the school that my classes had been canceled. That upset me so much that I forgot this.

Bobby Creiglow

When this school year started we went to the school to arrange to take up our classes where we left off the year before only to find out that they had hired a nun to take our place. To save face they gave us this class once a month and it was going so good that I knew it would not be long until the catholics would put the pressure on them to get us out. The nun did her work well and we are out. At least some 800 students heard the gospel several times including the nun. It was very interesting that the letter they sent me said, "All of my presentations

were very valuable, but they could not continue."

Our work at the church still goes on about the same, cold spiritually and unconcerned. We have been this way for over a year now and I have not been able to pick us back up. Our attendance is still pretty good with lost in almost every service, but they just are not getting saved, nor are we seeing any christian growth. We all need the prayers of all christians. We have had one or two professions of faith and I baptized one this month.

The church celebrated her fourth birthday on June 20 and there were fourteen of the charter members present. The work started six years ago with just my family and I. During this time we have had a total of 90 members. Some of these have moved away, several excluded and one died leaving us with a total at this time of 56 members. Most of these ninety have been saved in this work.

Arlene and Arlete are still taking piano lessons. Arlene is doing pretty well and Arlete just fair. Arlete completed her first month of voice lessons and like it very well. She sings a special for us every Sunday night and is a blessing to us all. She has been invited to sing with the university choir, but up until now this would conflict with her church work.

In His Name,  
Bobby D. Creiglow

## Strong Anti-American Feeling Over Falkland Islands . . . Several River Trips . . . Call For Special Prayer . . . Brother Raul Arrives

By Douglas Gasque

Apartado 183  
Iquitos, Peru  
June 13, 1982

Dear Brethren,  
Once again we find ourselves reviewing our notes and calendar of events that have taken place during this past month. The Lord has truly been good to us. He has seen us through many trials and given us the victory in all things. This past month has been a very difficult one due to the war in the Falklands Islands. There has for quite some time been an anti-American movement here but it has now grown in strength with its leaders calling for the removal of all yankees from this country. We have not as yet been in any personal danger, but have had some very insulting remarks made to us. I have always tried to just take it in stride and go on about the work that the Lord has brought me here to do, which is to proclaim the glorious gospel of our Lord and Saviour Jesus Christ.

Douglas Gasque

I have made several river trips lately and rejoice in the fact that souls are still being saved and churches growing in the grace and knowledge of the truth. I did

spend one whole day along with Kevin, our oldest son (7 years old), floating down the Amazon River in our boat because the starter burnt out on the motor and we could not start it. We finally were rescued by a young man in a wooden boat with a peque-peque and he pulled us out of the strong current and to a balsa that belongs to the oil company here. All in the providence of God there just happened to be a mechanic there who had just what we needed to get it running again and come back home.

Please stay on your knees calling out our names before God that we will be able to continue in the work here and that also Brother Crain and Brother Stanton will be able to come soon. Put on your prayer list "Resident Visas-Crain and Stanton". One young man we know is leaving here the 15th because he has been unable to get a visa to stay here.

Brother Raul, the young Peruvian who is studying in Clarksville Baptist College, also arrived here and spent a day with us before going on to his family in Pucallpa. He will return here in July to spend 2 weeks with us preaching in the churches here in Iquitos before his return to the U.S.A. to continue his studies.

Remember us in your prayers each day as our needs here are at this time very great.

Yours in His Service,  
Douglas Gasque
