Another Way To Give . . . Interest Growing In Giving To Send Out Brothers Crain and Stanton . . . Going To Korea And Philippines . . . Good Trip To Alabama

By Louie Carver

2028 Dorset Drive
Lexington, Ky. 40504

Greetings:

The Big Question; "How can I become involved (money wise) in missions when I have nothing to give?"

You just might be surprised!

"Mr. Reeves bought a life insurance policy when his children were young, naming them as beneficiaries. They are now financially independent.

Mr. Reeves had forgotten all about the policy: when he "found" it one day among some papers, he decided to give it to his favorite charitable cause by simply changing the owner and beneficiary to the name of the institution.

When giving life insurance, a person may also assign the cash value as an immediate, current gift. Or, he or she may want to assign annual policy dividends to the institution. This assignment of dividends becomes an annual gift which could continue for life."

I rejoice in sharing with you that many are expressing that they either are or plan to be one of the "one-thousand faith-givers for Peru." That is, giving just \$4.00 monthly thru their church to help finance Brothers Crain and Stanton in Peru. Some have indicated giving \$8.00 or \$16.00, 500 giving \$8.00 or just 250 people giving \$16.00 each, monthly, to meet the needs for these men of God to serve where He has called them.

Will you join in this challenge, starting today, right now?

Your prayers are needed and financial help, should you feel so impressed. I shall, the Lord willing,

Louie Carver

be leaving for Korea and then to the Philippines on August the tenth. Several things seemingly need my attention in both countries. This too, is very much a part of mission work.

As usual, this past month was a busy one. I was with the following: I spoke twice in the annual conference of the South Irvine Baptist Church (July 1-4) and then both services and the adult S.S. on July 11. Brother Homer Crain, one of our approved missionaries for Peru, is their dear pastor. On the 14th we (my wife and I) were with the Mt. Home #1 Baptist Church of Tusculumbia, Alabama. Brother Malcolm King is their pastor.

July eighteenth at the morning service, we were with the Elgin Baptist Church of Elgin Alabama. They are presently without a pastor. That evening we were with Pastor Virgil Chism and the Cedar Creek Baptist Church of Red Bay, Alabama. On the twenty-first we were with Pastor Bobby Amos and the Isbell Chapel Baptist Church of Littleville. Sunday Morning of the 25th we were with Pastor Ronny Sparks and the Little Bear Creek Baptist Church of Tusculumbia. That afternoon we were with Pastor Phillip Potter and the Vidervine Hollow Baptist Church near Littleville. During the evening service we were with Pastor Lou Allen and the Bethlehem Baptist Church of Russellville, Alabama.

I appreciate Pastors Amos and Phillips for putting my wife and myself up and putting up with us while we were in Alabama.

Things are looking up and we praise God and thank you for letting Him use you. However, with over 90 dying every moment and most never having heard, there is no time to slacken.

Yours in His Service,

W. Louie Carver

P.S. If you are in a situation like Mr. Reeves won't you remember B.F.M. as he did his charitable cause?

Called To Peru . . . Great Need Now . . . Knows The Language . . . Purpose In Going

By Homer Crain

Dear Brethren,

Many of you know by now that my family and I have made it known that we feel the Lord has called us to return to Peru, S.A. as missionaries.

We have made that known to B.F.M. and the directors have all agreed to send us.

The need now is for the churches and the Lord's people to band together to make this possible.

The need is great in Peru as all of you know and now

I believe God has met that need. We are ready to go now. We have the language and know what needs to be done. Will you help us?

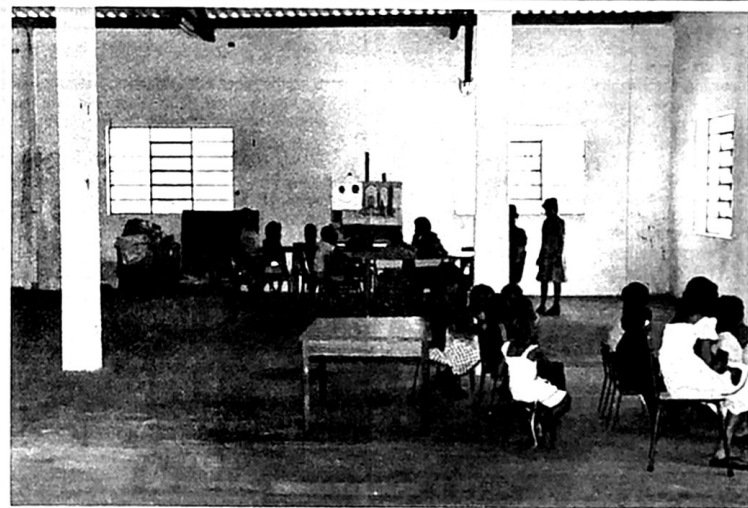

We want to go to Peru to start new works and a Bible Institute for preachers, training the nationals to go out and reach their people for Christ, starting New Testament Baptist Churches. This is our desire.

Several Saved . . . Astoria Goes Down . . . Pray Especially For Astoria . . . Brother Raul Is Helping

By Douglas Gasque

Dear Brethren,

Once again we send greetings in the name of our Lord and Savior Jesus Christ. This past month has not been much different than any other month, but we still can praise our Lord for others who have been saved by His marvelous grace. We have seen some of the works growing at a good rate with souls saved and baptized but others falling backwards. One of the churches, the one at Astoria, on the Nanay River has ceased to exist. We made a special visit to check on this work and found that the pastor had left to dedicate himself to fishing, and all but two of the members had returned to their old paths of sin. It really cut deep into my heart to see people who professed to be God's children, dancing drunken in the streets and proving

Apartado 183

Douglas Gasque

to the world that they were still serving their father, the devil. Pray for this work that God will touch hearts and save these people.

Also on the 10th of this month, Brother Raul, the young Peruvian man who is studying in Clarksville Bible College, arrived to spend some time with us here in Iquitos. We had planned in advance for his coming and were able to schedule him to visit and preach in eight different churches. God blessed in the services and we are trusting to very soon see fruits from the seeds that were planted. Brother Raul was also in his hometown of Pucallpa preaching in three weeks of conferences there.

Many doors have been opened to us here in Peru to be able to preach the Gospel. We need your continued prayers and support that the Gospel might go forward in power. There are countless thousands here who have never heard the Word of God. We want to reach them in some way.

Yours In His Service,
Douglas Gasque

Sadness Because Of A Death . . . Joy In Salvation Of Two . . . Attendance Increasing . . . Special Bible Study

By Richard Turner

Caixa Postal 720
78000-Cuiaba, Mato Grosso
Brazil, S.A.
July 9, 1982

Dear Brethren,

This month has been a time of rejoicing but also a time of sadness. First of all, we were saddened by the loss of one of our oldest members in death. About 8 months ago she had suffered a stroke but was better and able to come to services but last week suffered another and this time went home to be with her Lord. She was the only believer in her family but we were permitted to have a service in her home before the burial and were able to preach the gospel to the most of her children and friends. Second, we were made to rejoice in that two people, that we have been praying for and working with, were saved this month. One of these is the wife of a dentist that has been attending our services. He says that he also is saved but as far as I

Richard Turner

know has never made a public profession of faith. The other saved is a young man about 21. Third, we have lost two members this month by letter which is a cause to rejoice because they moved away and could not serve the Lord here with us so looked for a church of like faith and practice where they could serve him. This is what we have taught and it is good to see that it is being put into practice.

Our attendance this month has been on the up again. Some that had been coming just to one service a week are now attending more services. Our Sunday School average has come up and is growing. We thank the Lord for this growth.

During the month of July here school is out so some of the young people asked me to have an informal Bible study with them during this month of vacation. We said yes we could do that and chose to have a study in the book of Philippians. We had our first study last week and it was pretty well attended. I think that we will have more for this week's study.

Thank you for your prayers and support.
In His Service,
Richard A. Turner

Special Services . . . Going To Anjatuba . . . Several Awaiting Baptism . . . Report On Last Days In States

By Harold Draper

Dear Brethren,

We are back in Brazil. We had a good trip without any problems in customs. We are presently still trying to get our belongings unpacked. Since some of our stuff was stored for 3 years it had some damage from mildew, but it is beginning to shape up.

Our church and also the church of Brother Henderson had some members out to meet us at the airport. We were glad to see them. The Faith Baptist Church had a special service on Saturday night and our church (Nova Esperanca) had a special service on Sunday morning to welcome us back. Beginning today I have assumed the office of pastor at the New Hope Baptist Church. Next week I will go to the mission at Anajatuba. There are several waiting baptism there. There have been a couple of additions at our church here in town, and some have fallen by the wayside. One of our more troublesome members

Harold Draper

left when I came back. I believe he knew I would have to exclude him as he has been preaching in a false church. But we can see God's blessings here. Our city is growing in population rapidly. Pray that doors of opportunity will be opened to us.

We spent our last days in the States with our family in West Kentucky. While there we preached in several churches in the area. The Central Baptist Church near Milburn is sending us some New Testaments as a mission project. We were with the Bible Baptist Church in Plant City, Fla. Brother David Jackson, pastor on Saturday night and Sunday morning before we left the country through Miami. We had a great time of fellowship and felt the presence of the Lord in the services. We preached our last sermon in English on that Sunday night at the Park Ridge Baptist Church, Gotha, Fla., Brother Doug King is the pastor. We had a great time in the Lord there also.

We want to express our thanks to everyone who invited us into your church or home. You have been wonderful to us. May the Lord bless each one is our prayer.

Yours In Him,
Harold M. Draper

Attendance Is Growing Greatly . . . Inflation 82% For The Year . . . Pray For Important Election

by Paul Hatcher

Dear Friend,

The middle of the year is here, time spent for which eternity will judge us.

Grade School and High School will soon be out for semester break. Semester exams are now in progress.

The Sunday School and morning services are growing; and due to space deficiency, we are conducting 3 morning worship services, 8:00 - 9:10 - 10:50, and each service is divided into 4 groups: Youth and Adults, Intermediates, and two children groups. Inflation is so high and wages so low that we are not able to build a sanctuary to accommodate our people. We are adding a balcony in the main sanctuary that will increase our capacity to 600 persons. For the Intermediates' service, we

Paul Hatcher

have a wooden shelter that seats 250 and a school recreation area that seats 400 children.

To help you understand the inflation and financial situation of Brazil, let me illustrate. A savings account pays 5 1/2% per month and inflation from January through June has been 42% (6 month period) or 7% per month. Savings accounts are losing at a rate of 1 1/4% per month. How grateful we are to God to be able to sow the Gospel and reap for eternity.

In November, Brazil will have its first election in 18 years. Pray that God will guide this election to provide peace for the expansion of the Gospel.

Wanda and the children are now in the states for a visit.

Love,
Paul Hatcher

Attendance Good . . . 20 Professions Of Faith . . . Priest Opposes . . . Great Bible Schools . . . Help Needed On Payments

By John Hatcher

Dear Brethren,

Garca, Sao Paulo, Brazil
Monthly report on your investment here in the State of Sao Paulo.

First, a big thanks to you who have written or called telling us of your financial help for the Lord's work here.

Attendance has been good in all three cities where we are presently working. In Garca the attendance continues to grow as more people are out visiting each week. During this month there were about 20 professions of faith. Many were children between the ages of 9 and 15. When they arrived home and told their parents they had trusted Christ, many were forbidden to return for services. This happens time after time. The priest in one section of town announced on the public loud speakers that there was a slick foreigner going around in the community trying to rob the children. And, that is true. I am trying to rob them from prostitution, drunkenness, gambling, sin, and from hell. Pray that God will grant us grace to succeed in snatching many from the power of Satan.

In one service two young Christians stated publicly that God had called them to preach. In this same service a father of four, also stated that he wanted to serve the Lord and indicated he was ready to preach if the Lord so wills.

Great Bible Schools in Duartina and Galia. Great because the attendances were very good. Many new children were contacted in Galia. Great because all of

John Hatcher

the 12 teachers and workers in the two schools were persons who have been saved and baptized since we came to Sao Paulo. Three young boys gave devotionals each day that were excellent. Everyone had been trained and well prepared. Alta had worked for days in plans and personal help with each one.

* OPPORTUNITIES FOR INVESTMENT WITH ETERNAL DIVIDENDS

Two weeks from today we will make the second payment on the large building in Garca, \$5,000. Beginning on the 6th of September there will be 12 payments of \$1,000 each to finish paying for the building. So hurry if you would like to have a part in this project.

In August, the Lord willing, Alta and I will be going to another large city to investigate buildings and property for opening another work. This project will require several thousands of dollars. Plan now to have a part in this new work in the CAMPAIGN FOR THE CITIES.

In Him,
John and Alta Hatcher

Visiting The Churches . . . Reporting On Work In Brazil . . . Preaching The Word . . . Special Course On Evangelism

By Harold Bratcher

Dear Brethren,

I am writing this letter in the home of Pastor Homer Grooms. Since a week ago today Mrs. Bratcher and I have been honored guests in his home. Brother Grooms is the pastor of the "Friends of Christ's Mission" of Stout, Ohio and a member of the Carr Baptist Church of York, Ky. From July 12-18 we were with the Church in a revival meeting. Elder Robert Allard is the pastor. Both the Mission and the Church were extremely gracious and kind to us in more ways than one. Tomorrow we plan to be with Pastor Glenn Archer and then several churches in West Virginia.

Harold Bratcher

Lucasville, Ohio
July 19, 1982
is the pastor. On July 4, we were with Pastor Lonnie Perigo and the Richland Baptist Church of Livermore, Ky. There I preached at both services and showed the slides at the evening service. On Wednesday night of that week I preached at the Carr's Chapel Baptist Church of Morganfield, Ky. where Lawrence Howard is the pastor. Sunday, July 11 found us with the Landmark Baptist Church of Winchester, Ky. There with Pastor Jimmy Muncey I preached at both services and showed the slides.

I have accepted an invitation from the Lexington Baptist College to teach a course in personal evangelism this next semester. I'll still be available as before for revivals etc. especially in the churches close to Lexington. Please contact us at 1033 Juniper Drive, Lexington, Ky. Our telephone number is (606) 276-2936.

This last week we received through Asa Mark Bratcher good news from the 14th of December Baptist Church, Manaus, Amazonas, Brazil, S.A.

May the Lord continue to bless you. Continue to be a blessing to us, please, by giving to the regular fund and/or the Bratcher Building. Pray for us, especially for Mrs. Bratcher who is scheduled to enter Central Baptist Hospital of Lexington, Ky. for another heart examination. Pray for the Lord to heal her heart even before the examination. He is able!

The Harold Bratchers

Equipment Arrives . . . Many Thanks . . . Conflict In Japiim Church . . . Trouble At Sacado . . . Lagoinha Doing Great . . . Preachers Going On Preaching Trips

By Mike Creiglow

Dear Brethren,

Cruzeiro do Sul, Acre
June 30, 1982
Each month seems to bring a blend of great blessings and tough trials that keep our feet on the ground and our eyes and hearts on heaven. It is a good temporary arrangement devised by the Father.

Mike Creiglow

The equipment came in this month and we have all been rejoicing and thanking our wonderful Lord. It has meant a lot of extra work though. Everything is in good shape. We had to put two of the boats and motors in the church building since there wasn't room at the shop. Things are in better order now and much of the equipment is already in working order, some in use. Once again all of us want to thank you all for your sacrifice that we might be supplied.

Since brother Mario's death some problems have arisen in the church at Japiim. There are three preachers in the church and there has been a power struggle to see who is going to be "chief". I went to visit them and talk to some of the brethren. I do my

best not to interfere, but I do hope that they will hear my counsel. Both the churches at Japiim and Colonia are having good attendance and people saved. The pastor of the latter is about to turn over his pastorate to become a politician. Obviously we are having some trouble with our help. Pray for them all.

The church at Sacado is also having some trouble. One of the members has an adult son who is lost and is being tormented by a demon. The father has become frustrated and permitted a witchdoctor to come into his home to work on his son. His brother is one of our preachers though and has tried to stay with his brother day and night to protect him.

The church at Lagoinha is doing just great again. They have opened a preaching point at Campinas. This place had been on my mind for a start this summer. They saw the need and got moving on a push from the Spirit and not from me. Several have been saved already.

We have had a few saved here in town and attendance has been good. Our preachers are still on the move. We had 8 out this week in two boats, to four villages, which is average.

Don't forget to pray for this work. May God bless you always.

In Christ,
Mike Creiglow

Two Years In Philippines . . . Experience God's Faithfulness . . . Three Baptized . . . Pray For Unfaithful Ones

By Dana Adams

Dear Brethren,

328 San Francisco
Brookside Subdivision
Cainta, Rizal, Philippines
July 9, 1982
On July 17th my family and I will have been in the Philippines for two years. We are thankful for the privilege of serving the Lord in this part of the world and are grateful for all His blessings which He has bestowed upon us. As we look forward to our third year we trust that our lives will continue to be used to be a blessing unto others. We can say from experience that God is faithful and that His grace is sufficient in every situation. II Corinthians 12:9.

Dana Adams

On June 27th three were baptized into the fellowship of our mission. This gives us a membership of 25. However, not all of our members are being faithful in their church attendance. Some of them receive no encouragement whatever from their parents, in fact are discouraged

from attending our services. I request your prayers for each of our members that they will have a true desire to be faithful unto the Lord.

This coming July 17th and 18th we are scheduled to have special services with a guest speaker. I'm praying that the Lord will use these services to revive each of our hearts and give us a greater determination to serve Him.

We trust that each reader and each church will continue to pray for us that we may be found faithful in serving the Lord. Many thanks to you for your faithful support. Until next month, may the Lord bless and keep you in His love is my prayer.

In His Name,
Dana Adams

Soccer Affects Work . . . One Saved . . . Largest Offering In Church's History

By Bobby Creiglow

Dear Brethren,

Varzea Grande, Mt.
July 8, 1982
Since it has been only two weeks since I wrote my last Mission Sheet letter I have even less news than I had last month.

Bobby Creiglow

For the past several months all that has been on mind of all Brazilians is the world soccer championship that the whole world knew Brazil would win, so when they were beaten before getting to the semi-finals the whole country went into shock as an unexpected death. You may be asking, what does that have to do with mission work? On days that Brazil was playing everything stopped, streets

were deserted and everyone was glued to the TV. After each victory it was not safe to be on the streets for twelve hours. Now, after the defeat, the funeral and the fact that life must go on. The result has been our lowest attendance in several months. Not even our members could think or talk about anything else. We will now try to pick things back up and carry on.

Since my last letter we have had one profession of faith and our total offerings for this month have been higher than any other month in the history of the church. The tithes and offerings came almost to five hundred dollars which is not too bad for our class of people.

We never did get our bus fixed up and it was in two accidents this month. The VW van is in fair shape now and both of them go every service.

In His Name,
Bobby D. Creiglow

Good Attendance In Manaus Churches . . . Six Professions . . . New Work Started At Boa Vista

By Asa Mark Bratcher

Dear Brethren,

July 14, 1982
This month has gone quickly by here in our Lord's service.

The work at both churches seems to be going well. Last Sunday there were 389 present in Sunday School at the 14th of December Baptist Church, and five professions of faith. Sunday night there were almost 200 at Peniel Baptist Church, counting 15 first time visitors and a forty five years old man made a professions of faith.

Asa Mark Bratcher

We have received good reports from almost all the congregations and preaching points this month. Last month the 14th of December Baptist Church voted to start another mission in the city of Boa Vista, in the Federal Territory of Roraima. There are already some 15 members of the church there so this is a good start. They already have a good sized plot of land which they are paying for and hope to begin to build soon. Pray for this endeavor as well as all of the other aspects of the work here.

Until next month.
By His Grace,
Asa Mark and Lucy Bratcher
