### Remember Brother Crain And Brother Stanton

We ask that you pray for these Brethren as they prepare to go to Peru. The Lord willing, they hope to be on the mission field in the near future. Brother Stanton recently went to Peru at his own expense to see the field where he plans to work and lay plans for the time when he will be on the field permanently. Brother Crain is going very soon for a few weeks to prepare and apartment to live in on the second floor of the building in Huanuco. The church he pastors now has graciously permitted him to do this. Both of these men are sound Baptists and dedicated to the Lord's work. They are very anxious to go as you can see from their going to the field to get things ready. We ask that you pray and give that they might soon be on the field permanently.

Greetings:

I recently read the following statement: "So many human needs are never bathed in the light of stained-glass windows." Man's greatest need is the salvation of his soul. Yet, without hearing the Gospel there can be no salvation.

Now just how can you and I help get the Gospel Message to more and more? Do you have Stocks and Bonds? "Over 32,000,000 American own stocks and bonds (including mutual funds) and it is wise for stock owners to review their holdings at year-end to decide whether or not they should buy, sell, or give certain ones."

I left Lexington on the morning of August 10th and arrived in Seoul, Korea the evening (their time) of the 11th about 7:30 p.m. Several members and both city pastors had been awaiting my arrival for some three hours. Also, some missionary friends with who I stayed, Mr. and Mrs. John Cook. The Cooks took my bags and I headed for the Shin Nae Church services by taxi. Upon arriving at the church Deacon Han had things well under control, including bringing a message. I spoke later.

On Thursday of the 11th the Shin Nae Church concluded their V.B.S. with some 300 present. During their four day school, thirty-four precious children had trusted our Lord for salvation. Your mission work, aren't you glad?

I shall not have room to give the details up to date. But as a whole it is great.

I lectured at the Bible College on the Spiritual Gifts from I Cor. 12-14. The seminar was well attended and the teachings were well received.

Sunday morning of the 15th I had the privilege of speaking to a full house of people (mostly adults) at the Faith Baptist Church (the name had been changed to the Central Baptist Church of the area). One teenager responded for salvation and a lady for

Louie Carver

prayer and praise to God that I was with them. Precious! That afternoon we went to check on the three country works and preached at the First Baptist Mission that night. One dear lady was saved and three others responded for various reasons.

The mission has a nice building but lacking only approximately \$1,500.00 having it completed. However, they can't complete it now but must before winter, due to the lack of just one-thousand five hundred dollars.

The works, buildings and the brethren's Biblical stands are much better than I had feared. Overall they are doing a good job. Precious People.

Only one thing that really saddened me. One dear grandfather, saved when in his seventies and faithful had gone on to glory. But just think another in your welcoming committee when you get there (Luke 16:9).

I was to have left Seoul on the 18th at 6:10 p.m. but the plane was delayed and I left yesterday morning arriving here in Manila about noon yesterday. Brother Adams and I went to our church in Sta. Maria last evening where I spoke. The attendance was down some and they are without a pastor. Yet, we had a great time. Pray that we shall have been able to help them in several things especially in finding God's man for the pastorate.

Prior to leaving the States I had the privilege of being with Pastor Wendell Furlong and the Deerfield Baptist Church at Somerset, Ky. on August 1. Was also privileged to be one of the speakers at the Bible Baptist Church and Clarksville Baptist College of Clarksville, Tenn. Dr. Elton Wilson is pastor.

Remember, we still need Brothers Crain and Stanton in Peru within the next few months. Several churches have raised support for this and several have expressed being one of the "\$4 monthly faith warriors for Peru." Will you ???

Yours In His Service,  
W. Louie Carver

P.S. Are you one of those 32,000,000 whom God has blessed to the extent that you have stocks and bonds? Do you need to take a look at them? Possibly you would like to help make it possible so that "someone's" (spiritual) needs could be bathed in the Light."

### Missionary Conference Coming Soon

The Thanksgiving Conference is just two months away. This is an important time for the work of the Lord. The Thanksgiving Offering which is taken up each year is depended on all year to supplement the monthly offerings. The amount that comes in each month is not enough to take care of the salaries of the missionaries, their daily expenses to do the work, medical expenses, equipment, travel expenses, etc. A portion of the Thanksgiving Offering is used each month along with the monthly offering to meet each month's expenses. By the end of the year we are very low on funds and if we didn't have a new Thanksgiving Offering we couldn't meet the monthly expenses in a very short time. We ask that each pray and give an abundant offering at Thanksgiving time. We are thankful for the great offering last year and also for the increases in regular offerings throughout this year. We thank the Lord for each of you and your faithfulness.

### Questions and Answers

From time to time I am asked questions concerning Baptist Faith Missions. Some have suggested that I answer these questions in the MISSION SHEETS. I believe this is an excellent suggestion. God's people have a right to ask sincere questions about the Lord's work and I am glad to try and answer these questions that pertain to the Baptist Faith Missions. I have written down the questions and hope to answer each one in the coming months. Since there are many questions I can't answer them all in one issue of the MISSION SHEETS. These questions cover a wide range: How the missionaries work as they do? How finances are handled and reported? What authority do the missionaries have? etc. The first question: 1. **Some missionaries don't have a letter in the MISSION SHEETS in one issue and some have more than one letter in an issue. Why is This?** The mail service is very poor in some parts of the world. Missionaries have written and their letters have never arrived or they come many weeks or months later. Some times the missionaries don't get my letters. Recently one missionary wrote me that he hadn't received any letter from me for several months. I had to make copies of the letters I had written during that period and was able to send them through a missionary returning from furlough. This is particularly bad in some parts of Brazil and Peru. In other parts the mail service is very good. Pray that the mail might get through regularly. This can be very frustrating to the missionary and myself.

### Needs

Need special offerings for Plane Fares for Harold Drapers and Harold Bratchers.

Need Designated Offerings to send out Brother Homer Crain and Brother Sheridan Stanton to Peru - Pray for this and give.

Remember to give to the special building funds: John Hatcher's Building, Harold Bratchers Building, Dana Adams' Building.

### Busy Month . . . Preached In Several Churches In West Virginia . . . Visited Churches In Tennessee And Kentucky

By Harold Bratcher

Dear Brethren,  
Lexington, Ky.  
August 23, 1982  
This past month has certainly been a busy one! The next day after writing the July Mission Sheets letter, Marie and I traveled from Lucasville, Ohio to Point Pleasant, West Virginia. On that night, I preached and showed slides at the New Haven Baptist Mission. From Wednesday through Sunday we were with Pastor Glen Archer and the Riverview Baptist Church. We enjoyed being in the Archers' home. The following Sunday morning found us at the Tupper's Valley Baptist Church, where John Henderson is Pastor. That evening we were at the Buffalo Baptist Church; Ronald Stinson, pastor. We stayed three nights with John and Carol Hart, members of Buffalo Baptist Church. On Wednesday night of the 28th, I preached and showed slides at Emmanuel Baptist Church, where Hollis Walter is interim pastor. On the following night Marie and I enjoyed fellowship and a delicious supper with Pastor and Mrs. Mickey Wick of Bancroft, West Virginia. Friday through Sunday found us in Craigsville, W. Va. at the Emmaus Baptist Church, with Roger Frame, pastor.

Harold Bratcher

On August 3-5 we attended and I preached once at the Missions Conference in Clarksville. Brother Elton Wilson is pastor there. On the night of the 11th we visited the Glenn's Creek Baptist Church, where our youngest son, Stephen was scheduled to preach. When we arrived, we were pleasantly surprised with a "Christmas in August" celebration planned for us by the church. We were treated to a Christmas dinner and several nice gifts were given to us. Dr. Ken Underwood is the dear pastor of this dear church. On the 15th I preached at the Homecoming of the Liberty Baptist, Lancaster, Ky., where Brother Lewis Walters is pastor. August 18th found us at Pleasant Memorial Baptist Church, where my brother, Donald Bratcher, is pastor. Last Sunday we were at the Beech Grove Baptist Church where Brother Bobby Greene is pastor. Stephen preached on the radio program of the church, there in Lancaster, Ky.

Pray for us.

Yours In His Service,  
The Harold Bratchers

## Special Prayer Requests . . . First Church Needs A Pastor . . . Looking Forward To Brother Carver's Coming . . . Teresa Has Been A Great Help

By Dana Adams

328 San Francisco  
Brookside Subdivision  
Cainta, Rizal, Philippines  
August 9, 1982

Dear Brethren,

The month of July has been somewhat of a slow month for us in our new mission. I do

not have any baptisms to report at this time. However, I would like to request that each church and supporter of our mission work here in the Philippines pray that the next month will be a great month for us in every way. Also, I would like to request that you pray for our first church that was organized by Brother Carver, located in Sta. Maria, Bulacan, which is about one hour's drive from Manila. The pastor has resigned and the church is now praying for another pastor. This church is the only gospel witness in this city and has been the target of the devil in many ways.

At this time we are looking forward to Brother Carver's visit with us. He is scheduled to arrive on the 18th. We are looking forward to our fellowshiping

Dana Adams

together and also being able to accomplish some things for the Lord.

Teresa, our daughter, will be returning to the States next week. She has been a great help to our work here and all will miss her.

This past Lord's day we had a down pour which delayed my family and I in getting to our mission by one and 1/2 hours. The water was so high that our car almost stalled and finally we were forced to park and wait for the water to go down. When we arrived it was a joy to find some of our people waiting to hear the Word of God. In our evening service we had a young lady to come forth requesting prayer that her parents allow her to be baptized. When our mission first started in November of 1981, she was the only one who attended one of our evening services, and I was privileged to lead her to the Lord. Since then until the present she has continued to attend our services off and on as her parents permitted her. Please remember to pray for her that she may be able to be baptized this month and that her parents who are Catholics will be saved through her testimony.

May the Lord richly bless each of you is my prayer.

In His Name

## Church Work Slow . . . Discipline Problem . . . Three Professions Of Faith . . . Nervous Choir

By Bobby Creiglow

Varzea Grande, Mt.  
August 5, 1982

Dear Brethren,

This is the time of year that we should be having some cooler weather, but it is hot, dry and very dusty. We did have a good rain last night which is very unusual for this time of year.

The church work is going very slow and our Sunday School attendance has been running around eighty and the Sunday night service has been right around a hundred for some time now. We still have a discipline problem and it seems no one wants to do anything about it. There are five that have been living in sin for some time now. We did have three professions of faith this month.

Our choir sings every Sunday night, but since we do not have anyone that knows how to direct music everyone just sings the best he knows how. Last Sunday night the director of the university choir, along with his wife, Arlete's voice teacher and her

Bobby Creiglow

husband were in our services and when it came time for our choir to sing all but Arlene were so nervous that they could not remember anything they practiced; it was terrible. I said to some of them this way, if we were this way before mortal man, how did they think we would be when before our creator? Well, it wasn't all lost, Arlene got an invitation also to sing with the university choir. She took their test and passed it. Arlete has been singing with them for two weeks already and really loves it. Arlene will be singing Alto and Arlete soprano.

The church had all of the tires on the bus recapped this month, so we should not have to worry about that for some time.

The lesson that I prepared for the school was taught in our church and although I did not get to present it to the school one of the members of our church studies there and he asked for permission to teach it in his class. Permission was granted and after the director saw it he was asked to present it to the other classes also, which he did.

In His Name,  
Bobby D. Creiglow

## Youth Camp Encourages . . . Several Professions Of Faith . . . Start New Preaching Point . . . Using Saw Mill

By Mike Creiglow

Cruzeiro do Sul, Acre  
July 28, 1982

Dear Brethren,

Two weeks ago we took our first group of young people to spend a weekend at camp. Actually the group was small, most of them from our own church, and the "camp" is just the camp site. The event was still an important one. This is the second time we have been out with them this year. The first time we had 18 to go to Japiim. This time we had 30 and a few lost. Our young people are coming together and move some again. It was a special event though in that it heightened our hope of great blessings to come. While there we all visited the church at Lagoinha. It is almost a three mile walk. There were well over 100 in the morning and over 70 at night. One lady was saved. Attendance at First Baptist Church has been good and just Sunday we had two more professions of

Mike Creiglow

faith and two others coming for baptism and others to get right with the church.

Two of our preachers have started a new preaching point at Colonia Assis Brasil. They started three weeks ago and have over fifty in all services. Two men have been saved.

Our other men continue to travel the rivers and roads. All services have been well attended, but no one has been saved this month.

I have had word from the churches at Humaita, Colonia, Peri-Peri, and Mourapiranga. The first three are doing fine while the last is a little weak.

This month we took the portable saw mill to camp. I sawed the lumber for the gates in one section of the fencing and made and mounted one gate this week. Although it isn't going at full system yet, it is still promising to do a great job. Thanks so much to East Maine Baptist Church, Brother Maple, Twelve Ryan Baptist Church and Brother York for providing this valuable piece of equipment.

Thanks to all of you who have and are making our work easier through your sacrifice.

In Christ,  
Mike Creiglow

## Plan For Special Thanksgiving Mission Offering for Baptist Faith Missions

Three persons from Garca and two persons from Galia receive baptism.

Making disciples to disciple others. All ten of these workers have been saved and baptized in Garca. Two boys on left are called to preach.

## Financial Need Met On Time . . . Appreciation For Every Response . . . Sunday School Growing . . . A Mother Dies In Child Birth . . . Two Saved At Galia

By John Hatcher

Garca, Sao Paulo, Brazil  
August 18, 1982

Dear Brethren,

This month has been one full of thanksgiving to the Lord. For you who prayed for our

financial need we send our thanks. To each one who gave, for those who called or wrote that you were giving, we send our thanks. On Sunday night, July 18, Brother Elton Dunbar called and said that the Concord Baptist Church had taken an offering of \$415 for the building payment. The next

Saturday night Brother Edward Overbey called and told of other offerings which had been sent. That same night David Hatcher called from Manaus and said he was sending an offering of \$416. Pastor Wallace York wrote and told us that the Twelve-Ryan Baptist Church had sent their offering of \$1,000.00 a month early. When all was received God blessed even more in the exchange rate and there was enough to make the large payment and also, the monthly payment on the 5th of September, only 11 more to go.

John Hatcher

Better yet, is the steady increase in our Sunday School attendance here in Garca. Sunday before last there were 159 in the morning service and last Sunday there were 197. There are two young doctors and their families who are attending regularly. Many young people are becoming regular in their Sunday School attendance. Last Sunday there were 40 between the ages of 11 and 15.

On Monday, August 16, the wife of a doctor died in child birth. She was the mother of two. The baby lived but the mother died. She was a Christian and had attended our church a few times. Her husband asked me to preach her funeral and God provided an opportunity to speak to many who had never heard the Gospel.

In the Galia church there were two persons who made professions of faith. One, a lady, 70 years old. At home she told the folk she had trusted the Lord and the next time she was going to make it known publicly. A man, age 50, made a profession of faith on Wednesday night.

Pray! There is much to be done, the cost is great, there are few to labor.

In Him,  
John and Alta Hatcher

## Good Attendance In Services . . . Very Busy Working In Two Churches . . . Several Professions Of Faith

By Asa Bratcher

Caixa Postal 227  
Manaus, Amazonas, 69.000  
Brasil, S.A.

August 16, 1982

Dear Brethren,

After a most blessed and busy month once again it is time to let you know how the Lord has been good to us in His work here.

The attendance at both services, at both churches has increased a bit during this past month. In fact once again at Peniel Baptist Church, we have had overflowing crowds, with some standing.

Sunday, August the 1st, was Youth Sunday at the 14th of December Baptist Church. The young people were in charge of both services. They worked hard, and the Lord blessed with 655 in Sunday School and 280 at night. There were two professions of faith.

Yesterday was a most busy but blessed day for missionary and churches here. The activities began at 7:30 a.m. at the Peniel Baptist Church as we had a devotional breakfast for the young people. At 8:30 a.m. I preached at the morning worship service to a packed auditorium at Peniel. While they were having Sunday school, I preached at the worship service of

Asa Bratcher

the 14th of December Baptist Church. There were 370 present and 10 decisions. After the service was over, I once again returned to Peniel Church, for a study on the book of Esther for the youth, as they were having a special day. At 5 o'clock p.m. I met with the discipline committee at the 14th of December Baptist Church. At 7:30 p.m. the evening worship service began. I conducted the monthly business meeting, preached, baptized 5, and led the church in celebrating the Lord's supper. There were over 300 people present and six decisions. Missionary Robert Lunsford supplied for me at the Peniel Baptist Church that night. We praise the Lord for each blessing. He is so good to us. Continue to pray for and support us here as we strive to faithfully serve Him.

In His Service,  
Asa Mark & Lucy Bratcher

## Two Sons Saved . . . Shows Brother Stanton The Work . . . A Special Plea And Challenge

By Doug Gasque

Apartado 183  
Iquitos, Peru, S.A.  
August 21, 1982

Dear Brethren,

Hello once again in the name of our Lord and Savior. This has been a good month for us in many ways. We started off the month with our two oldest sons, Kevin and Brandon accepting the Lord during our family devotional and the same week I was privileged to baptize them both. We also enjoyed a visit from Brother Sheridan Stanton, whom God has called to the work in Pucallpa, Peru. I traveled with him to the various works so that he might know them and that I might be able to take care of some needs in Aucayacu, which is outside of Tingo Maria. I'm happy to report the church there doing better than ever. Bro. Sheridan and I spent time also

Doug Gasque

in Lima trying to find out what was necessary for him to get visas for his family. The necessary paper work has been started and we should know in a few weeks. Please continue praying about this matter and give that the Stantons and Crains may soon be on the field of labor here in Peru.

We are living in a country plagued by runaway inflation, under-development and worst of all, sin. Help us to reach this country with the Word of God, which is its only Hope. We have challenged every christian and challenge you also to win at least one soul a month and teach that one gained that he too must gain at least one soul a month. If we would practice this method of evangelism countless thousands would be won to the Lord in a very short time.

Search your hearts, don't bury your talents in the earth, but multiply them.

Remember us in your prayers.

Yours In Him,  
Douglas Gasque

## Many Blessings . . . Some Disappointments . . . Some Progress In Sao Luis . . . Praying About Starting New Work . . . 6 Baptized At Anajatuba . . . Need Help To Get The Gospel To The Lost

By Harold Draper

August 5, 1982

Dear Brethren,

Since our last letter we have experienced many blessings and also some disappointments. But we can see some progress at our church here in town. We have had two men come back to the church to get reinstated. Our attendance is better and we can see the Lord's hand in the lives of some of the brethren. We were very disappointed to see how Satan had been able to weaken the church while we were gone. We are praying that the Lord will raise up a good Brazilian pastor here so we can go to another part of town and start another work. But we are thankful for the souls and the labor that was done in our absence. I baptized 6 at the work in Anajatuba last week. We had to walk a long way in the mud to

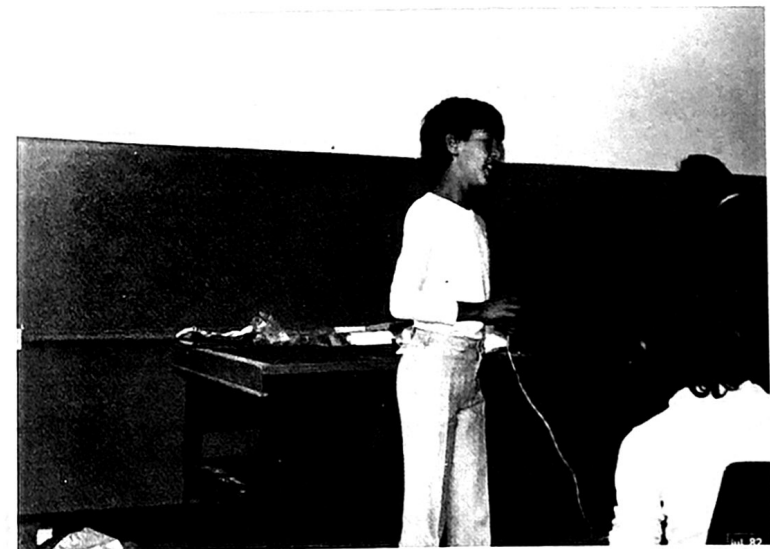

Harold Draper

find enough water to immerse the candidates. Melody got mud all over her and of course I was a mess. But it was a tremendous blessing to be able to perform this church ordinance. They are still without a regular pastor at that work. Pray with us about this.

We want to express our appreciation to all who write to us. We even received three phone calls since coming back. You do not know how this has helped us. We are still struggling with the language a little. But we have no serious problems. The thing that bothers us the most is the poverty and degradation all around us. It is somewhat of a shock after being in the States for almost a year. These people need the gospel. We need help in getting the gospel to them. I am praying that the Lord would send us help. I know that times are hard, but the necessity is great.

May the Lord richly bless each one of our prayer.

Yours in Christ,  
Harold M. Draper

Ricardo is saved and called to preach. Here he is teaching a lesson on how Jesus Christ is the Way to the Father in Bible school.

## Another Good Month . . . Attendance Growing . . . Vacation Bible School A Help . . . Pray About Health

By Richard Turner

Caixa Postal 720  
78000-Cuiaba, Mato Grosso  
Brazil, S.A.  
July 9, 1982

Dear Brethren,

We have had another good month since writing last time. Our attendance has gone up in all our services but especially in Sunday School and in our Wednesday night Bible study. Since the first month of the year our average attendance for Sunday morning services had grown 24 people. This past month we had a high in Sunday School of 79.

For three days this past month we had a Vacation Bible School. The young people did the planning, the teaching and singing. Even though this was just for three days it has helped

Richard Turner

our work. We are planning to have another at the first of the year when there shall be more time.

I have been sick again this month with throat and ear infection but now am well again. However, the doctor said that I must get rid of some excess weight. I have started to work on it and I must say it is a painful process. Pray for me in this as my health is suffering because of this weight.

We are now in the midst of the dry season here in Cuiaba and let me tell you it is dry. However God has blessed with a rain in July which almost never happens. We have about one more month before we can expect much rain.

Our children are getting ready to return to their studies next week. I think they are ready to get back to work. We are ready for them to go.

Remember to continue to pray for us and the work.

In His Service,  
Richard A. Turner

## Short Furlough Enjoyed . . . Churches Visited . . . Pray Daily For The Work

By Paul Hatcher

Dear Friends,

August 25, 1982

This month we have had a change of pace. The family arrived in the United States in the month of June and I arrived at the beginning of July to spend four weeks. The children are learning English very rapidly, as we had hoped; our two youngest children spoke only Portuguese, which created a problem with their schooling in the English language. Wanda and the children are to be in the U.S. until September.

The growth of the work here does not permit my being away more than one month at a time. I enjoyed the fellowship of friends and family and thank each of you who made our stay so wonderful and pleasant.

I appreciate very much our supporting churches and wish I could have been with each of you. We would like to especially thank the churches in which we had the privilege of speaking: Emmanuel Baptist Church, Evansville, Ind., John Hatcher, pastor; Emmanuel Baptist Church, Elsie, Ky., Wilford McGary, pastor; South Lexington Baptist Church, Lexington, Ky., Edward Overbey, pastor; and Bryan Station Baptist Church, Lexington, Ky., Al Gormley, pastor.

Pray for us daily as we preach and teach the Word.

Love,  
Paul Hatcher

P.S. Brother Bobby Creiglow arrived today to teach two weeks of intensive classes in the seminary
