Brother Paul Kirkman has been asked to be a Director of Baptist Faith Mission and he has accepted. Brother Kirkman is the Pastor of Grace Baptist Church, Fairborn, Ohio. He is known and respected by many for his soundness in the faith and his faithfulness in service. His experience and wisdom will be a great help in this work.

## BROTHER CARVER'S REPORT

### Five Busy Weeks In Korea And The Philippines . . . Both Works Are Encouraging . . . Challenge Concerning New Missionaries . . . At Two Conferences In Indiana And West Virginia

By Louie Carver

2028 Dorset Drive  
Lexington, Ky. 40504  
Tel. 1 (606) 254-4205

Greetings:

After almost five weeks in Korea and the Philippines, I arrived back the evening of September 9th. The trip was tiresome, hard work, but without question, of God. It would have been great if you could have been with me. If so, all questions as to needs, as well as the Biblical work being done would have been cleared in any and all minds.

While in the Philippines, aside from speaking in the church that I had organized; I also had the privilege of speaking in a meeting as well as a seminary at Brother Adams' mission. Several made public decisions for salvation, baptisms and prayer requests, etc.

Things are looking much better in both countries with our works there.

In the Philippine Islands, we made a survey of a city of 400,000 people and found that there were only four Baptist Churches. There were no Bible Colleges nor Christian Schools. Oh, what a challenge.

I was unable to make it back in time for the Labor Day Conference but am told that it was a good one. Thanks to Pastors Kirkman and Messer and their great churches: the Grace Baptist And Emmanuel Baptist Churches.

Unless many who have promised and others who have indicated, start supporting, or else do as many others have done, raise support; we shall be unable to get Brothers Crain and Stanton to Peru by the first of the year. Many have responded well for which we thank God and you.

Several have caught on to the "1,000 faith givers (\$4.00 each monthly) for Peru." Also, it would be wonderful if others would follow the example of Pastor Carl Morton and the First Baptist Church of Alexandria, Kentucky. They have a Baptist Faith Missions Day in their church each year. All the offerings for that day are given to Baptist Faith Mission. Why??? Because over 90 people are dying each minute and most of them have never heard the Saving Gospel Message of Jesus Christ.

The tenth through the twelfth of September, I was privileged to speak three times at the Annual Missions Conference of the Emmanuel Baptist Church of Evansville, Indiana. Brother John Mark Hatcher is their fine pastor. This past week-end: Friday night through Sunday night (17-19) I was privileged to be in a conference with Pastor Roger

Frame and the Emmaus Road Baptist Church of Craigsville, West Virginia.

Recently, a pastor asked if I was also available for revival meetings. I am available for anything that would be a blessing to you and your people; anything that would stir God's People up as to our responsibility in getting the Gospel Message out.

Yours In His Service,  
W. Louie Carver

P.S. Have you considered being one of the "1,000 faith givers (\$4.00 monthly) for Peru?" We need your help now . . .

### Brother Crain Leaving For Peru

The Lord has blessed in the last few months with an increase in offerings for which we all thank the Lord. Brother Crain will go on salary November 1, 1982 and plans to leave for Peru about January 1, 1983. Pray for him and his family as they prepare to go. Pray and give that we might have the funds for transportation to Peru, a car to use in the work, and other necessary things. You can help by increasing your giving to the general fund and also giving a special offering for a car and or transportation to the field. Pray also that the funds may increase more so that Brother Stanton can soon go.

### Questions and Answers

#### What authority do the missionaries of Baptist Faith Mission Have?

Each missionary was sent out under the authority of a New Testament Baptist Church and has continued to work under the authority of the same kind of church. Only New Testament Baptist Churches have authority from the Lord to carry out the great commission.

The missionary does not always continue to work under the authority of the same church that sent him out. Usually when a Baptist Church is organized on the mission field, the missionary will feel led of the Lord to become a member of it and then work under its authority. Each New Testament Baptist Church has full authority whether in our country or in another country. No Baptist Church has more authority than another Baptist Church.

Just as in our country a pastor may be authorized by one church to work for the Lord and then he may be called to another church which he joins and then that church authorizes his work for the Lord. For scriptural and practical reasons if a man is working for the Lord in one general area it is generally best to be a member of a New Testament Baptist Church there if there is one there. He can take the Lord Supper vote, and be disciplined and work under its authority easier in a church in that area than one several thousand miles away.

Only one church gives authority to a missionary to do his work but several different churches may help support him. Paul was authorized to do his work by the church at Antioch but other churches helped in his support at times. The Philippian church sent offerings to help in his work.

For example, Brother Dana Adams was authorized to work in the Philippines by the South Lexington Baptist Church of Lexington, Kentucky, the church which I pastor. The only authority he had to go to the mission field was from our church but many have helped our church support him for which we thank the Lord. This is true of each of the missionaries of Baptist Faith Missions. Each is authorized by one church but not the same church but all are supported by many churches.

Each Director of Baptist Faith Missions has church authority to help the missionaries as they do according to the Scriptures. I will answer this aspect of the question in another issue.

## Going Into New States Of Brazil With The Gospel . . . Great Work Load . . . Great Financial Needs . . . Equipment That Is Needed . . . Pray! Pray! Pray!

By Paul Hatcher

Dear Friends,  
God is moving steadily and mightily in your work for Him here. Wanda, the children and I are back in full swing after a brief vacation in the States.

Over the past year you have heard us mention our plans to prepare teams of three to reach out into each state of Brazil building churches which can in turn reach the individual cities of each particular States. After long frustrating months with the strength which comes only from above, four such teams are receiving their final grooming to leave in January. We have never seen such high motivation as that of these workers! It has been a hard row for each student and for David and I since beyond the intensive academic load, each student has put in between 7 and 10 hrs. each week in practical work. Presently, we are working specially tailored programs for each worker to strengthen weak areas, and develop programs and plans for the first six months on field. All of this is done in addition to the operation of the Christian academy with nearly one thousand students, the pastoring of a church which is preaching the gospel to over fifteen hundred souls each Sunday, a daily witnessing program in which the Seminary students along with their pastor take the 'good news' into many homes. Pray for us each time you think of us because what is getting done is accomplished thanks to God's wonderful promise in Isaiah 40:31.

Paul Hatcher

God has been good in helping us meet our financial needs each month by lending to us from his heavenly treasures in which some of you have quite large accounts. Beginning this month however, the need will greatly expand since we are trying to buy basic equipment for each team between now and January. The church people here at Tabernacle Baptist are going to try to give full time support to each worker. It will require a miracle from God for this to be done, but the people are willing to sacrificially divide what they earn with those going out in order to see others saved. Doesn't this thrill your heart to see these returns on your investment here. Where you can be used by God in this special project is to continue or start supporting the Seminary — we have a whole group of teams to be trained to go out in January 84, and by sending us one of the basic pieces of equipment of the money to purchase it here. Below is a list of what is needed. Bow your head and pray for this project, decide what you or your church want to do for the Lord in this missionary endeavor, and let us know immediately what your commitment will be either by offering or direct donation of the item. You may contact us by writing: Paul Hatcher, Caixa Postal 1437 Manaus, Brazil, or call Bro. Ed Overbey at (606) 277-4947.

- List of equipment needed:**
- (3) 50 - 100 watt PA systems
  - (3) mimeograph or spirit duplicators
  - (3) microphones
  - (3) through the Bible flannelgraph series
  - (3) one-way passages to Parana \$250 ea.
  - (2) overhead projectors
  - (3) one-way passages to Sao Paulo \$225 ea.

## Good Attendance . . . Four Disciplined . . . Children Back In School . . . Danny Breaks His Arm

By Richard Turner

Caixa Postal 720

Brasil, S.A.  
September 7, 1982

Dear Brethren,  
This month has been a good one as far as attendance goes with several the services. However, there has been no moves toward the Lord as far as we know. Several lost people in the services hearing the Word. Our high in Sunday School again this month was over seventy with seventy one present.

We have had some people for some time that needed to be excluded for worldly living and non-attendance. The church felt

Richard Turner

the need to take care of this problem this past month and so we excluded four.

Our children have gone back to school now and are at work trying to learn and prepare for life. They study at a mission school with children of other missions. This school has really been a blessing for us here in Cuiaba. After this year they will have classes one more year as the mission that has the school is finishing up their work here in Brazil. I'm not sure now how our children will study when they go.

We've had an accident in the family this month with Danny falling while playing ball and breaking his arm. He is very sad because his playing has suddenly come to an end for the next three weeks. It was not a bad break so the doctor hopes that the cast can come off the 24th of this month.

Thanks for your prayers and support.

## Great Conference At Tingo Maria . . . 15 Professions Of Faith And 10 Baptized . . . Fellowship With Brother Crain

By Doug Gasque

Apartado 183  
Iquitos, Peru, S.A.  
September 22, 1982

Dear Brethren,

What joy it is once you in the blessed name of our Lord and Saviour Jesus Christ. I have just returned to Iquitos from a trip to Tingo Maria to preach and teach in a conference with attendance from all over Peru. Many made great sacrifices to be able to attend this week-long conference but the rewards were worth all the sacrifices. During the conference there were about 15 professions of faith and 30 to 40 more going forward

Doug Gasque

to either seek counseling or confessing sin in their lives and repenting of them. The Lord blessed with good attendance during all services ranging between four and five hundred. The pastor was privileged to close out the conference this past Sunday with baptism of 10 that had been saved during these services.

Also was privileged to spend some days with Brother Homer Crain who had come to Huanuco to get living quarters available for his family to be able to return in January to begin in the work that God has called him to do in Peru.

As far as the work here in Iquitos, we are still going forward sowing the precious seed and trusting God to give the increase.

Continue to remember us in your prayers and give as the Lord leads.

Yours In His Service,  
Douglas Gasque

## Attendance Up . . . Many Decisions . . . Good Report From Works Along The Rivers . . . Pray About Transportation To Interior Works . . . Thanks For Car

By Asa Bratcher

September 13, 1982

Dear Brethren,

Trust this will find each one of you being greatly blessed as you serve our Lord. This, as usual has been a busy but blessed month.

The attendance has been up at both churches with good services and many decisions. These last three Sundays the Lord has blessed at both churches with over 30 decisions, for which we praise His name. Yesterday there were 4 professions of faith, 2 rededications and a Sunday School

Asa Bratcher

attendance of 409 at the 14th of December Baptist Church.

Also this month, 3 of the evangelists of the interior works along the rivers came in bringing good reports.

We request that you remember in prayer not only the work here in town but also along the rivers, where there are still many who have never heard that only Jesus Saves. A small economical house boat is desperately needed in order to expand these works along the rivers.

We thank each one of you, (churches and individuals) who have given toward our car fund. It surely has been a marvelous blessing in the work here. By His grace until next month.

Asa Mark and Lucy Bratcher

## Several Professions Of Faith . . . New Hope Church Getting More Active . . . Adjustment Problems . . . Pray About Starting New Work

By Harold Draper

September 9, 1982

Dear Brethren,

Another month has zoomed by. Time at times goes by too fast it seems. The Lord has blessed our works with souls being saved and some are growing in the Lord. We had two professions of faith here at the New Hope Church. Our mission at Anajatuba had some professions also. I haven't heard from the other churches concerning this. Our church here in town seems to be much more active in inviting and witnessing. We had a high of about 60 and low of about 30 in the New Hope Church. Our young people are growing and working

Harold Draper

for which we are thankful.

I have been doing quite a bit of work on the mission house. It had gotten in real bad shape and we are trying to spruce it up a little. We are thankful for the letters of encouragement since we came back. It seems we have had more sickness and more adjustment problems than we had thought might occur. But the Lord is with us and we are trying to be faithful. I have a desire to spend more time in gospel work (evangelistic services) but the condition of the church here in town has demanded about all of my time up to now. We desperately need preachers capable to lead the churches. We have an opportunity to buy a building to start a mission on the other side of town, but are not sure about a worker. We send our love to all of you. Pray for us.

Yours In Him,  
Harold M. Draper

## In Manaus Teaching . . . New Work Begun In Another State . . . Pray About A Building And For God To Raise Up Workers

By John Hatcher

Dear Brethren,  
This month's letter is written to you from the tropically heated city of Manaus. And one

Manaus, Amazonas, Brasil  
September 17, 1982

the tropically heated city of Manaus. And one sure thing is: the heating system here has not lost its force. It is great to be with our three children and their families, a rare privilege for us. And, of course I am getting to spoil our grandson, Odalizio, whom I had not seen. He is now five months old. Alta was not able to make the trip with me. She stayed with the stuff and is seeing that the services are cared for.

John Hatcher

If all goes according to plans, our radio broadcast will begin on October 4th, in the State of Parana, in the city of Cornelio Procopio. Our broadcast will be daily, Monday through Saturday, ten minutes each day. This will be the initial step in establishing Baptist churches in one more State in Brazil. The city has about 70 thousand inhabitants.

The Broadcast should reach out to another five or six smaller cities.

In the new city there is a large building and lot with seating capacity for 700 persons. The building and ground measure 65' x 98' each. This property is in the very center of the city. We are asking the Lord to give us this property so there will be immediate facilities for meetings, permanent growth, and in order to save months and added expenses in building. Pray for this property to be given us, if it be the Lord's will.

In rereading the first part of this letter, I see the real reason for being in Manaus was not mentioned. During these two weeks I am teaching an intensified course on the Holy Spirit and the book of Acts. There are 25 seminary students in the class. Please do not cease to pray for God to raise up faithful preachers and pastors for the work here.

Finally, our thanks to each of you who have prayed and given to help in the purchase of the large building in Garca. Our attendance remains high and this month there were several young persons who made professions of faith.

In Him,  
John and Alta Hatcher

## Brother Carver Visits The Works . . . Several Saved In A Special Meeting . . . Six More Baptized . . . Opposition To The Work

By Dana Adams

328 San Francisco  
Brookside Subdivision  
Cainta, Rizal Philippines  
September 8, 1982

Dear Brethren,  
My family and I thank the Lord for His blessings upon our work for the month of August. The highlight of this month has been Dr. W. L. Carver's visit with us. He arrived on the 19th of August and will be leaving on the 9th of September. During his visit with us we have been able to accomplish some things for the Lord. The church at Santa Maria, "Open Bible Baptist Church", has extended a call to a pastor who is scheduled to let the church know of his decision soon. Please continue to pray for this church.

Dana Adams

During the last part of August Dr. Carver was our guest speaker in a week end evangelistic meeting

and on the 6th through the 8th conducted a seminar on the gift of spiritual gifts using 1 Corinthians 12-14 as his text. The Lord blessed in both meetings with some professing Christ as their Saviour and others rededicated their lives to the Lord.

On September 5th it was my privilege to baptize six into the fellowship of our mission. Please pray for these that they will be faithful unto the Lord.

Our goal for our mission is to be able to organize into a New Testament Church in November of this year, which will be our 1st Anniversary. We are beginning to receive opposition from some of our Catholic neighbors who are opposed to our regular services. In fact, a Catholic Chapel is being built in back of us, which we believe is being built because of our present location. Please remember to pray for me and my family that we will remain true and faithful unto the Lord.

Until the next time, may the Lord richly bless you all is my prayer.

In His Name,  
Dana Adams

## At Homecoming At Newby . . . Sister Bratcher Doing Well . . . Preach In Several Churches . . . Two Professions Of Faith

By Harold Bratcher

Lexington, Ky.

Dear Brethren,  
Once again the Lord has blessed us with another busy month! We have so much to be thankful for during this time.

As I have mentioned in a previous letter, I am presently teaching at Lexington Baptist College. During my absence, my son Stephen, who is the assistant instructor, teaches the class for me.

On Sunday, August 29, I preached in the morning and afternoon services of the "Homecoming" at Newby Baptist Church, where Brother Scott Guiley is pastor. On the following day, Mrs. Bratcher entered the Central Baptist-Hospital for a "heart catheterization". We are glad to report that the results were positive and no serious abnormality was found. We wish to express our sincere thanks to all of you that prayed, sent cards, and visited.

On Sunday, September 6, we were with Bro. Paul Kirkman at Grace Baptist Church in Fairborn, Ohio in the morning services. That evening I preached

Harold Bratcher

and showed slides at Emmanuel Baptist Church, Centerville, Ohio, where Bro. Darrell Messer is pastor. On the following day we were richly blessed by the "Labor Day Missions Conference" at Grace. I preached during the afternoon session and appreciated all the preaching. I wish to congratulate Bro. Kirkman, who was elected by the BMF directors to become a director of BMF.

Wednesday, September 8 found us at the Buttonsberry Baptist Church, where I preached and showed slides. On the following Friday, we attended a Missionary Conference at Emmanuel Baptist church, Evansville, Indiana, where Bro. John Mark Hatcher is pastor. We stayed in the home of Mr. and Mrs. James Evans. We were blessed to hear Bro. W. L. Carver preach Friday night, Saturday morning, and the first message Sunday morning. I preached Sunday morning and Sunday night.

September 13th through the 19th found us holding a revival at Addyston (Ohio) Baptist Church, Rex Hensley, Pastor. The Lord gave us two professions of faith during the revival.

Continue to pray for us.  
Yours In His Service,  
Harold Bratcher

## Two Professions Of Faith . . . One Baptized . . . Teach Galatians And Ephesians In Seminar . . . Seminary In Manaus Doing A Great Work

By Bobby Creiglow

Varzea Grande, Mt.

September, 1982

Dear Brethren,  
This has been an average month here at Faith Baptist Church with not much out of the ordinary to report. Our attendance is about the same and we have had two professions of faith this month and I baptized one young man that has been saved for about a year. I talked to him some time ago about being baptized and he told me that he did not have any desire at that time, well some time after that I preached on "The blessings of Baptism," and about three days after that he said the preaching had not done the job either, but he had been praying that the Lord would give him the desire. Well, I guess the Word did the job after all, because before the week was out he said he did not want to wait any longer, so I baptized him that Sunday.

Bobby Creiglow

A little over three weeks ago I received a phone call from Brother Paul Hatcher wanting me to come to Manaus to teach a two week course on the books of Galatians and Ephesians. One big problem was that I had only a very short time to prepare for it. Well, I went and spent two of the most enjoyable weeks that I have had for a very long time. It was a joy beyond words to express to see the way these seminary students have come so far in such a short time and how that most of them seem to know what they want and how they are going to get there. I truly hope we can furnish some good men for them to train. The Hatcher brothers have a unique and I think effective way of teaching. I believe that in the near future we will see some results that we have been praying for for many years and if this type of training was to be spread all over Brasil we would see a great change in this country in a short period of time. Come to Manaus and see what they are doing and encourage them, and it wouldn't hurt any to support them with your offerings either.

In Him,  
Bobby D. Creiglow

## Young People Visiting . . . Many Places Visited By Preachers . . . Two Saved . . . Six Baptized . . . Pray About Problem At Camp

By Mike Creiglow

Cruzeiro do Sul, Acre

August 30, 1982

Dear Brethren,  
During the past three months I have been trying to get our young people rolling again. They have been doing some visitation and getting pretty good results. One weekend I was away visiting other churches and on that very Sunday they had over 500 out for Sunday School. Needless to say services were a little noisier than usual that day, but most of the reports were good and we are proud of them. There were two more saved this month.

Mike Creiglow

The new work at Assis Brasil is going well. As was to be expected the priest has made his rounds and tried to cause us trouble, but has just helped.

Our preachers have been to the following places this month: Sacado, Tapiri, Buajara, Boa Fe, Rodrigues Alves, Mourapiranga, Assis Brasil, Sao Jose, Lagoinha, and Campinas. I have also visited the churches at Colonia, Calvary Baptist and Mancio Lima, Faith Baptist. While at Colonia I baptized 6. The church there is getting ready to expand their building since in most services they don't have room for everyone. There has been a new surge in population there and many new faces are at church. I also helped promote a special offering at Japim (Mancio Lima). They are putting the final touches on

their building. The offering was over \$400.00, which is very good.

I have been spending quite a bit of time working at the camp. The family has spent two different weeks with me this month. The work is going along pretty well, but as usual when it comes to documents there are many obstacles. For 5 years I have been paying taxes on our 1000 acre camp site and fulfilling all requirements for legalization. In a few days we are to receive a title to less than half of the land. The remainder is being divided into lots, but not for us. Please pray that our God will intervene.

May God be with all of you.  
In Christ,  
Mike Creiglow
