BROTHER CARVER'S REPORT

A Great Thanksgiving Conference . . . A Plan To Get The
Stantons To Peru . . . Report On Monthly Travels For Missions

By Louie Carver

November 27, 1982

Greetings,

Philosophers debate as to the greatest good for man. The Bible makes it clear: "Do justly, and to love mercy, and to walk humbly with thy God."

The Thanksgiving Conference, sponsored by the New Hope Baptist Church of Dearborn Hgts. and the Twelve-Ryan Baptist Church of Warren, Michigan, was the type of conference that stressed the greatest good for man. These churches, pastored by: Brother Marvin Summers and Brother Wallace York, did a tremendous job in sponsoring the conference. Brethren thanks to you and your wonderful people.

Louie Carver

At the conference the speakers charged us, challenged us, encouraged us and even rebuked us. A sense of urgency to be faithful to the commission was sensed. Several pastors expressed that they were going to lead their people to raise their support to Baptist Faith Missions. The real desire to get the Stanton family to Peru as soon as possible was sensed.

Many of you have taken a look at your mission support and have done something about it. I'm sure that all our supporters love the Lord but as yet some just have not taken a good hard, honest and sincere look at your missions giving. Why don't you give your people an opportunity? Challenge them to give, through your church, on an individual basis. We need 400 to give an additional \$5.00 each monthly in order to get the Stantons to Peru. There are that many of you reading this right now. Just get right up, just now and make that first payment to your church designated to Baptist Faith Missions.

How can you keep your people enthused about missions? Just have at least one missionary each month in your church. Ask them to express their burdens, their needs and to challenge your people for missions. My schedule is to an extent open and I would be pleased to come in an effort to be a blessing to you and to challenge you for the cause of our Lord and missions.

On Saturday October 30, it was my privilege to have been the speaker at the Basketball Banquet of the Blue Grass Baptist Schools here in Lexington, Brother Joe Best is their principal. On the 31st of October, I was blessed by being with Pastor Rex Hensley and the Addyston Baptist Church of Addyston, Ohio. From November 3-7 I was privileged to speak nightly and twice on Sunday at the Southwood Baptist Church of Mansfield, Ohio. My good friend George Locke is their pastor. This was a Faith Promise Conference and a very good one at that.

On November 14th both morning and evening, I was honored by being with Pastor Louis Maple and the East Main Baptist Church of Glenview, Ill. Then on both morning and evening of November 21, I was privileged of being with Pastor Carl Morton and the First Baptist Church of Alexandria, Kentucky. This church gave over \$5,100.00 on this their Baptist Faith Missions Day. What a challenge and blessing for your people.

It was my blessing to be privileged to speak the morning of November 24 at the above mentioned Thanksgiving Conference. I spoke on "Missionary Qualifications." Recently I've been blessed by being able to hear my own pastor, Dr. Ross Range speak. It is a blessing to be able to work under the authority of a great church like the Ashland Avenue Baptist Church.

Yours In His Service,
W. Louie Carver

P.S. Don't forget, let's get God's man to the field.

New Director

Brother Marvin Summers, the pastor of New Hope Baptist Church, Dearborn Height, Michigan has been asked to help us as a director of Baptist Faith Missions. He has accepted with his church's approval. He has been a great friend of missionaries and has sought to help many. His church along with the Twelve-Ryan Baptist Church has been having the Thanksgiving Missionary Conference. We appreciate him and are sure he will be a great help in the mission work.

Great Conference

The Lord blessed us with a great conference in Michigan. The two host churches and their pastors did a fine job. The offering was very good as the last page of this paper shows. The messages were excellent and the spirit was wonderful. We thank the Lord for it all.

Questions and Answers

Why do missionaries pastor churches?

Our missionaries have gone out with the purpose of starting new churches with native pastors then to start other churches with native pastors and so on. The time it takes to do this varies. When a new work is begun the missionary continues to lead it until the church is ready to go on without his leadership and can get a qualified pastor. Some works take longer than others. The missionary knows his work better than anyone else and so he must make the decision with God's help: to when he can leave a church and go on to another work. I know this is the desire of our missionaries but they don't want to leave a work too soon and hurt it. They must decide what is best for their work and when to do it. Pray that God would raise up more faithful, sound in doctrine, dedicated native workers. This is a great need!

New Boat Makes "Maiden Voyage" . . . Some Saved And Some Baptized . . . 910 At Special Children's Day Service . . . Men Preaching In Villages

By Mike Creiglow

Dear Brethren,
Cruzeiro do Sul, Acre
November 1, 1982
This month one of the new boats made its "maiden voyage". Three went up the Jurua for a short week-end trip. Although the boats are not in full use yet, because we are still working on a boat house, we are proud that our men can still travel efficiently part of the time. Thanks to so many of you who have given we are able to continue to reach out to the regions beyond, with the best equipment available.

Mike Creiglow

This has been a good month for us at home base, also. There have been a few saved and few coming for baptism. Our attendance had leveled off for a couple of months, but this month things have improved for a special "Children's Day" service. On that day, three weeks ago, there were 910 people in our auditorium. Thanks to God for our new building we were able to seat all 910. Our young people took care of most of the visitation. They only visited in two sections of town, the ones right behind the building. As many of you

know, larger than usual crowds often create larger than usual problems. The Holy Spirit has control

New Work In Sao Luis

Brother Draper has begun a new work in Sao Luis, Brazil. He was able to get a building that was a very good buy for \$4,000. They were able to pay about \$2,000 toward this. They still owe about \$2,000 to pay off a loan. If you would like to help, send a special offering and mark it "Draper Building."

Importance of the Seminary In Manaus

When our missionaries start new churches they need men who are qualified to be pastors. These men need to meet the qualifications that the Bible requires in 1 Timothy. They need to be dedicated to the Lord and to be sound in doctrine. The seminary of the Tabernacle Baptist Church in Manaus is seeking to help fill that need. This Bible school is training dedicated Brazilian Baptists to know the Word of God that they might be pastors, teachers, missionaries, etc. This church and their school need our help. Pray for them and give a regular designated offering each month. Mark your offering "Seminary in Manaus."

Packing For Mission Field . . . Preaching In Many Churches . . . Going To Peru Under The Authority Of Zion Baptist Church

By Homer Crain

Dear Brethren, November 29, 1982

First of all, we, my wife and I and our daughter Melissa want to thank Baptist Faith Missions for accepting us as missionaries to Peru, S.A. We are packing and visiting the churches telling of our plans and encouraging all the churches we visit to support the work that we plan to do. Also, we are encouraging the churches to give so that Sheridan Stanton and family may be on the mission field of Peru as soon as possible.

Homer Crain

Brother Stanton came to Peru in 1973 and helped us build the building in Aucayacu and while he was there the Lord made it known to him that he would one day be back there as a missionary. Please give and join the great host of the Lord's people that are praying that they will be able to leave for Peru very soon.

October 31 I resigned as pastor of South Irvine Baptist Church at Irvine, Ky. and November 1, 1982 I went on salary with Baptist Faith Missions and started as I call it, PACKING AND PREACHING. First, I was with the Bryan Station Baptist Church in their missionary conference and had the privilege of preaching on the conference. There were great crowds and the preaching and fellowship was great.

Friday, November 5th I preached on the conference of Southwood Baptist Church Mansfield, Ohio.

Two Additions And Two Professions Of Faith . . . More First Time Visitors . . . Report On Attendance In Service

By Richard Turner

Caixa, Postal 720
78000-Cuiaba, Mt.
Brazil, S.A.

November 10, 1982

Dear Brethren, We've had a fairly good month this time. We received one on declaration of faith as the First Baptist Church here would not grant us a letter for her. We just received another on the promise of a letter from another Baptist Church in another city.

Then there were two professions of faith in our Sunday Night service this week. One was a man about thirty and a woman about thirty also. We trust that they truly trusted the Lord. The woman is living on the same street as the church and she said that she had been listening to my preaching

Richard Turner

for some time but had not the courage to come in to the services until Sunday night.

Our attendance has been about the same as last month but with many more first time visitors. Our Sunday School has averaged for the month fifty and in the night services around sixty.

That's all I have to report this month. So I'll close thanking you all for your prayers and support.

In His Service,
Richard A. Turner

New Work Beginning In Cornelio Procopio . . . A Great Opportunity To Get A Building Now . . . Need Your Help Now . . . Five Baptized

By John Hatcher

Garca, Sao Paulo

November 19, 1982

Dear Brethren, In my last letter you read of our new work being started in another State of Brazil. Some response has come in from the radio program

and Alta and I spent one afternoon going from house to house in two sections of Cornelio Procopio passing out notices of the program and inviting people to listen. In January or the first of February regular services will be initiated in the new city.

Plans are for intensive evangelism all over the city with a group of 12 to 15 coming from the Seminary in Manaus. After three to four weeks of personal and mass evangelism efforts three graduates from the Seminary will remain in Cornelio Procopio to take care of the new work. Remember, these people are coming three thousand miles from their homes to realize this new work. Pray for them!

Our thanks to you who have given. Last month the offerings for the new work were encouraging. This

John Hatcher

month your special help is needed and needed very much. You remember about two months ago I wrote of a large building and adjacent lot in this new city that could be bought for about \$30,000. In the currency exchange there are times when the value of the dollar is more favorable than others. Right now is one of those times. The same building and lot which was priced at \$30,000 two months ago could probably be purchased for less than \$24,000 right now.

Some large one-time offerings for the work would be very helpful at this particular time. Never have there been such great opportunities for the Lord's work here in Brazil. Never have we needed your financial help more urgently. Write us or call us and tell us you are going to have a special part in the purchase of the building in Cornelio Procopio, the newest work of BFM in another State of Brazil.

In Garca five believers were baptized Sunday night, November 7. Sunday School attendance is averaging over 170 this month. The number of Sunday School classes was doubled the first of November.

A Wonderful Surprise . . . Starting New Work And Building In Boa Vista . . . Five More Works Are About To Begin In Four Other States . . . The Importance Of The Seminary Is Seen

By Paul Hatcher

C.P. 1437

69,000 Manaus, Am.

Brazil, S.A.

November 21, 1982

Brethren, This year is coming to a rapid close, and we want to share with you what God is doing.

Today, we had a wonderful surprise. As you remember, a few months ago I wrote about a lady to whose house I went and destroyed a sanctuary to Satan and black magic. Shortly afterwards, she moved across the country and we heard no more from her. This morning, she came to our service; she is involved in a Baptist church in her city.

As you read this letter, the men of Tabernacle Baptist Church are in the city of

Paul Hatcher

Boa Vista, Roraima building a church building. We will begin a new mission there the first of January with three graduates of the seminary.

Ten seminary graduates are moving to four other states and will be working in five different areas. They are sacrificing and our people are sacrificing terribly to put them on the field. The Lord willing, all ten will be supported by our church. If you have invested in the seminary, as you can rejoice - it's paying dividends!

In the next five years, we hope to have a church in every state. We greatly appreciate and certainly need your prayers and continued and increased support to continue to train these men. Give generously. Thank you, in the name of those trained for Christ.

Love,
Paul, Wanda, and Kids

The Church Attacked By Rocks And Garbage . . . Two Are Saved . . . Need For Native Pastors . . . New Work Begins . . . Need Money For The Building . . . Health Problems

By Harold Draper

Dear Brethren, November 9, 1982 We have had a busy month. It has been a month of adversities and victories. At our

church we are being attacked by rock throwing and garbage throwing again. Satan is certainly trying to make it rough. Last night we could hardly continue the services because of the rocks pelting the building. But we had good services and a number of visitors. We have had two saved this month. A young man and a married woman. We are praying they will see the need to be scripturally baptised. Our attendance has been up and down. We are visiting and praying that the Lord will give us a harvest. We desperately need native preachers here. If we are not able to get them we may someday lose some of our churches. Other "Baptists" groups have their eye on them. Pray about this with us. It has always been my conviction that natives must assume the leadership whenever possible. It is my goal to have a pastor in all of the works here within two years. It looks impossible now, but we believe it can happen.

We will open up a new work this Sunday! We

Harold Draper

have already bought a lot and building. It will be small, but has living quarters for the worker. It has plenty of room for expansion. I have asked and received from the Mission \$2,000 toward buying this property. It will only cost \$4,000. We need your help to pay back this \$2,000 and whatever might be given above this could be used to fix up the building some. Please give toward this as the Lord leads. For the money it is a miracle! I am working there every day now. We are trying to get it fixed up enough to use this Sunday. We have knocked out some walls to make a large room for an auditorium. We have plans to install a movable partition if the Lord gives us the means. One of our members will be working in this work. He has several years of experience in mission work. He is not a dynamic speaker, but is an upright man and very dedicated to the truth. We are rejoicing because of this new work. It is actually the first we have opened up since coming to Brazil. Put this work on your prayer list.

We are continuing to have some health problems. Ursula's allergy is still giving her problems. I am on the verge of pneumonia from breathing so much dust. But the worst is over at the construction part. We are being blessed! God bless all of you.

In Him,
Harold M. Draper

Three Baptized . . . First Anniversary Of The New Mission . . . Special Services . . . Pray For The Last Months Of Service Before Furlough

By Dana Adams

328 San Francisco
Brookside Subdivision
Cainta, Rizal Philippines
November 9, 1982

Dear Brethren,

Once again it's that time of the month to report on last month's activities. On October 31st it was my privilege to baptize three young men into the fellowship of our mission. Pray for these that they and all our members would be faithful unto the Lord. This coming Sunday, November 14th, will be the first anniversary services of our mission. We are presently making plans for that occasion and trusting the Lord for a good day of fellowship. Beginning tonight, November 9th, we are scheduled to have special services nightly through the 12th, with a guest speaker. We are trusting that these services will be a blessing and a challenge to our mission as a whole. I

Dana Adams

had hoped to organize this mission into a New Testament Church on our 1st anniversary, however I have decided it would be better to wait until we have grown some more.

Our first church, Open Bible Baptist Church, located in Sta. Maria, Bulacan, is still without a pastor. This past week I spoke for them in their mid week services. This church needs your prayers as they seek the Lord's leadership in calling a pastor and as they also continue to remodel their church building.

By the time this letter is received and published the November Mission Conference will be history. I pray that the Lord will be pleased to bless this conference in a special way and that the offerings received will be greater than those received last year, which was one of the greatest in the history of B.F.M.

Please remember to pray daily for me and my family that during our last few months in the Philippines we may be richly blessed of the Lord.

Thank you for your prayers and support of our work here in the Philippines.

Large Crowds . . . Five Baptized . . . Pray For Church Looking For A Pastor

By Asa Bratcher

Manaus,
November 22, 1982

Dear Brethren,

Another busy month has in the service of the Lord here.

He has blessed in many ways. At the 14th of December Baptist Church the high in Sunday School was 754 with a low of 360. There have been decisions in almost every service, for which we praise His Holy Name. At the Peniel Baptist Church we have received many blessings also with great attendances and many decisions. Last Sunday night I baptized five there. Do continue to pray for this church. They have called Brother Wilson Ibernorn as interim pastor effective December 1st. Brother Wilson is the co-pastor of the Chapada Baptist Church where his father, Brother Miguel Ibernorn, a

Asa Bratcher

veteran faithful servant of the Lord is pastor. After two or three months, the church will decide whether to call him as pastor. Do pray that the Lord's will be done.

Also do not forget the 14th of December Baptist Church, the interior works, and the preaching points. May the Lord richly bless each one of you and may this Thanksgiving conference be the best one yet.

Until next month, according to His Will.

In His Service,
Asa Mark and Lucy Bratcher

The Work Is Picking Up . . . Good Attendance . . . Two Saved . . . Plans For The Church And Furlough

By Bobby Creiglow

Varzea Grande, Mt.
November 9, 1982

Dear Brethren,

After more than two years trying to pick our work up out of a slump, we think we are beginning to see things moving again. The people are getting interested and are inviting others. Our Sunday School is running around 90 and for the past two Sunday nights we have had over 125 each night with many first time visitors. The husband to the young lady that I reported saved in their home last month was saved this month along with another young lady. I have been trying to pray that the Lord would give us ten new families soon so, we already have one of them.

The Church did have Brother Candido to come for a week-end meeting and I believe the church will

Bobby Creiglow

extend a call to him for pastor. We will have our business meeting tomorrow night in which we will decide this. Most of the people do not want us to leave, but they are beginning to realize that we will be leaving. We hope the church will be able to support their new pastor full time before too long, but at least for a while he will have to get a job to help out. We hope the expenses on the bus will go down and our offerings go up so that we can at least start out paying him half of his salary. We thought perhaps he would be coming in Jan. to take over but he wants to help some of the other brethren to start some new works and will not be free until around June. If all of this is in the will of the Lord we should arrive in the States for furlough some time in August of 1983. If this does not work out we do not have any other plans for furlough.

Arlene was ill this past week and had to miss some music classes but the doctor has her back up and going again. She is still taking a lot of medicines.

Dear Brethren,

Sunday October 23 was the last day of the revival meeting at Fellowship Baptist Church, Perryville, Ky., James Dargavell, pastor. There was joy in heaven over one sinner that repented during the meeting.

On that Sunday afternoon a group of us from the Fellowship Baptist Church attended a special service at the First Baptist Church, Perryville. Pastor Stanley Reed gave both Pastor Dargavell and I opportunity to say a few words.

November 12 Stephen, Marie and I presented a program to the fifth grade at the Mayfield School, Richmond, Ky.

November 3 I was with the Liberty Baptist Church, Toledo, Ohio where Brother Harold O'Bryan is the pastor. Mrs. Bratcher and I rode with Brother Louie Carver from Lexington to Mansfield, Ohio and then he loaned us his car to go on to Toledo.

November 4 I preached and showed slides of the work at the Southwood Baptist Church where Brother George Lock is pastor. This church hosted a missions conference the 5th and 6th and I was privileged to hear the other missionaries speak.

November 7 Sunday morning I was with Pastor Elwood Hensley and the Calvary Baptist Church of Crestline, Ohio and on Sunday evening I was with Pastor Richard Folger and the Mansfield Baptist Temple.

November 14 Sunday morning I was with Brother Bob Hopkins and the Grace Missionary Baptist Church of Holly, Michigan and on Sunday evening the Antioch Baptist Church, Jackson, Michigan where Brother Emmett Gordon is the pastor.

November 17 I began a revival meeting with Pastor Douglas Armstrong and the Lake Road Baptist Church, Clio, Michigan. We closed the meeting there on Sunday morning and went to Faith Baptist Church, Madison Heights, Michigan where Brother Bob Lamb is the pastor.

November 22-25 My family attended and I preached once during the 28th Annual Thanksgiving Conference in the interest of Baptist Faith Missions. We wish to thank every church who gave to B.F.M. during the month of November.

The pastor of Buttonsberry Baptist Church (see my September Mission Sheet letter) is Barney Pryor. I failed to find his name when I wrote that Mission Sheet letter.

though and our service went as smoothly as all of our services. It was marvelous to see hundreds of children watching the children from our church dramatize the story of David and Goliath, then just as quietly listen to a message about the giant named SIN and how it was conquered by Christ.

Our men have been out among the villages again this month. All the reports are average, nothing outstanding to mention.

May God bless you all. Please remember us in your prayers.
