## Brother Carver's Report

### Several Churches Beginning Or Increasing Their Support Of Our Missionaries . . . Pray For Work In Korea And A Problem There . . . Report Of Travels

by Louie Carver

February 28, 1983

Greetings,

I am one who likes to see people get excited and especially when it comes to the work of our Lord.

Within the past few weeks I've received several telephone calls informing me that their churches were either raising support or taking on the missionaries of B.F.M. for support. I would name them but am afraid that if I did that I just might leave someone out and would not wish to do that. However, I am sure that you wouldn't mind if I said that my home church here, the Ashland Avenue Baptist Church, just raised their support by \$250.00 on the month.

Louie Carver

Another dear pastor friend, Brother John Henderson, who pastors the Tupper's Valley Baptist Church of West Virginia, called and said that his church had just voted to start supporting.

No later than this past week-end, two dear pastors asked if I would help them set-up a mission's conference, probably a Faith Promise. What excitement. Every church, barring no size, should have their own annual missions conference. Why don't you try and just watch the hand of God at work among your people?

Getting the Stanton's to Peru is within sight, perhaps within a couple of months. Now if the others of you will come through with that \$5.00 monthly, you'll have him there. What a privilege to be one of the "400 Faith Warriors for Peru". The wonderful thing is that you don't miss it and God will bless you in the here and now life and then for eternity to come in glory. What Dividends!

Many of you have already begun to receive your income tax returns and others will in the near future. Why not give some or all of it to help get the Stanton's airline tickets to Peru paid for???

Have talked with some of the Korean Brethren twice this past month. It seems that all is going well with the exception of one pastor who just might have some minor, not cardinal, doctrinal problems. Please pray with them and me about this situation.

It has been my privilege to have been with the following this past month:  
Glades Creek Baptist Church of Summersville, West Virginia, no pastor. Emmanuel Road Baptist Church of Craigsville, West Virginia; Roger Frame, pastor. Rupert Baptist Church of Rupert, W. Va., Ernest Martin, pastor. Little Sewell Baptist Church of Rainelle, W. Va., Harry Zickafue, pastor. Lilly Valley Baptist Church also of Rainelle, Jack McGrew, pastor. Also had the privilege of attending a couple of days of the annual seminar of the Clarksville Baptist College, Dr. Elton Wilson is Chancellor.

We shall look forward to seeing many of you at the annual B.F.M. Conference, at the Thompson Road Baptist Church here in Lexington, March the 28-30th.

Your Fellow-Laborer in Christ,  
W. Louie Carver

P.S. Remember, we can't slacken now. We must get the Stanton's to Peru soon. Have you had a part yet?

### A Good Time To Make Your Will

This is a good time to make your will, and remember Baptist Faith Missions, a non-profit Michigan Corporation, in it. Several have done this that we know of, and maybe others we do not know of. Have a lawyer draw up your will so that it will be legal in every way. May the Lord lead you.

## 23rd Annual Spring Missionary Conference Lexington, Kentucky, March 28, 29, 30, 1983

All services will be in Thompson Road Baptist Church, 320 Thompson Road, Lexington, Ky. Day services start at 10:00 a.m. and 1:30 p.m. Night services at 7:00 p.m. First service Monday night March 28, 1983, dinner and supper at Thompson Road Baptist Church. Those desiring a place to stay in a home with breakfast (free accommodations), or if you want reservations made for you in a motel (Motel at your own expense), write to James Hamilton, P.O. Box 24204, Lexington, Ky. 40504. Some churches pay their pastor's traveling expenses so that they can attend the conferences. May we suggest that other churches do this also. He will come back to you greatly blessed.

### Offering At The Spring Conference

Each year at the Spring Conference we take up offerings throughout the conference for some project. This year we will be taking up our offerings for the expenses of getting the Stanton's to Peru. It takes several thousand dollars to begin with to get a new missionary on the field and then the regular monthly support. A vehicle is needed, tickets to the field, equipment, shipping costs, government fees, etc. all add up to a large beginning cost to get a new missionary started. Please pray and plan to give a generous offering at the conference for this. Maybe some churches would feel led to take up a special offering for this and send it. If you can't come to the conference and bring this offering, send it to Brother Hamilton as you send all offerings but mark it "Special Conference Offering". With God's help we could raise over \$10,000. Pray and give as the Lord leads.

### Where To Send Offerings

Make all checks payable to Baptist Faith Missions and mail all offerings to:

## A Very Good Month . . . Eight Baptized . . . Two Bible Studies In Homes . . . Negotiating On Property

by Dana Adams

328 San Francisco  
Brookside Subdivision  
Cainta, Rizal, Philippines  
February 11, 1983

Dear Brethren,

The month of January was a good month for us here in our work. It was my privilege to baptize eight into the fellowship of our mission. I can say as did David of old, "The Lord has done great things for us; whereof we are glad." Psalms 126:3. In last month's mission letter I referred to a young man recently saved and requested prayer for his family. I'm happy to report that his entire family except one not living at home have made professions of faith and have been baptized into the fellowship of our mission except the father and mother. Please remember to pray for them that they too, will soon follow the Lord in believer's baptism.

Dana Adams

In addition to our regular services, we are conducting two Bible Studies in the homes of our members. Recently a young man and young lady received Christ as their Saviour. The young man has been baptized, but the young lady has not and has been unable to attend our last two studies. Pray with us that the Lord will continue to give souls as we labor for Him. Also, on Saturday morning some of our young people have started conducting a class for children. Remember to pray for this aspect of our ministry that the Lord would be pleased to bless and honor his Word.

I'm presently negotiating on a piece of property to build a church building on at a future date. I will let you know the results in next month's mission letter, the Lord willing. Keep looking up, for our salvation is nearer than the day we believed. May the Lord richly bless and use each of you for His glory is my prayer.

In His Name,  
Dana Adams

## All Through Customs But Extra Expense . . . One Comes For Baptism . . . Getting Started In Work . . . Appreciation For All The Help

by Homer Crain

Apartado 7  
Huanuco, Peru, S.A.  
February 17, 1983

Dear Brethren,

We arrived here in Iquitos, Peru, January 21st and we are still here. We have spent all this time getting our truck and personal things out of customs. Our baggage came through without them opening any of our suitcases.

The week after we arrived our truck and other boxes, etc. came and the same day we had all our papers in order for the man in charge to sign. We went to his office to find out that he had gone to Lima and would not be back for two weeks. It was impossible for me to believe that only one person would have the authority to sign our documents to get our things released from customs. Brother Douglas Gasque did everything possible but all we could do was wait.

All this time they were charging us for every day the things stayed in customs.

But, thank the Lord, they are out and on the way to Pucallpa on a big barge and they are supposed to arrive there February 24th.

Homer Crain

Tomorrow we leave for Lima and start the work on our visas. We will only stay in Lima long enough for us to get the paper work started and then we hope to be in Huanuco before Sunday. We will get the work started on the building and then go to Pucallpa and pick up our truck and get the other things shipped to Huanuco. We will be able to drive the truck back to Huanuco.

While I have been here I have been busy preaching and the Lord blessed with one coming for scriptural baptism. The following Sunday the church authorized me to baptize the lady who had presented herself for baptism.

The church is without a pastor so it was a blessing to me to be able to do this for them. I will try to send a picture of the baptism next month.

I am thankful for all the help Brother Gasque has been during these testing and trying days. The extra cost has been over nine hundred dollars. We need your help now. Remember us in your prayers as we start our work in Huanuco, Peru. We thank every church and everybody who is making it possible for us to be back in Peru. WE PRAY DAILY THAT THE STANTONS MAY BE ON THEIR WAY SOON.

In Jesus Name,  
Homer R. Crain

## Blind Preacher Holds A Meeting . . . Four Professions Of Faith . . . Hold Bible Camp During The Evil Carnival

by Bobby Creiglow

Varzea Grande, Mt.  
February 17, 1983

Dear Brethren,

This year is moving along at a very rapid pace with a lot of activities. We decided all at once that we would like to have a meeting and since school would be starting early this year we realized we would have to get on the ball if our young people were going to attend. We sent a special delivery letter to Brother Sebastiao the blind preacher from Rio de Janeiro who had offered to come by bus alone to help save on travel expenses. Within a week he was here with us and we started our meeting on January 29. He and Arlete each sang for us each night and during the week we had a house full almost every night with the largest crowd being about 250 on Saturday night. On Friday afternoon of that week the group from the seminary in Manaus arrived with their bus in bad need of repair. They were on their way to the state or Parana to help Brother John Hatchel start a new work. It was a joy to have all of these in our home and to help them get their bus fixed so that they

Bobby Creiglow

could continue their journey. We also had four professions of faith during our meeting. One of the greatest blessings of the meeting, for me, was to see our people rejoice over being able to give an offering of over two hundred dollars to our evangelist.

The following week Brother Sebastiao was with Brother Turner's church and a bus load of us went each night that we did not have services in our own church.

The week after that was carnival time when sin runs rampant, so we took a good group of our church and went to camp about 70 miles away on the farm of a brother of one of our members of the church. We had two preaching services each day and all played until we were all worn out. We also went mountain climbing and since Betty and I were the oldest in the group we brought up the rear. They all stood on the top laughing and cheering as we finally got there with Betty finishing the climb on all fours, but she had the last laugh when we all got to the bottom she was in better shape than most of us. We all had a great time together and are looking forward to doing it again.

## One Saved . . . Good Vacation Bible School . . . Concern For The Neighborhood . . . Helped In Organization Of New Church At Fortaleza . . . Call For Special Prayer

by Harold Draper

Dear Brethren,

February 11, 1983

We have had a good month. The Lord saved another soul today at the morning service. She was an 11 year old girl who has been attending for some time. We had Vacation Bible School this week for 5 days. It closed out today with Sunday School and handing out Certificates of Attendance. We averaged 94 in attendance for 5 days with a high of 130. We were extremely pleased with the interest shown by the young people in the neighborhood.

Harold Draper

Now when we walk the streets the kids run up and hug us. It would be nice if we grown-ups could have the same sincerity and readiness to respond as these kids do. We pray that we may be able to win some of them and their families to the Lord. Would you make this a matter of prayer? This field of labor has been slow to show results. Of course we know that

salvation is of the Lord and not us, but we do desire to see souls saved here.

We went to Fortaleza this month to help in the organization of the mission out of Bryan Station Baptist Church which was started by Brother Bobby Aldridge. We had wonderful fellowship with the Aldridges and Zuhars who we got to know better. The work there has grown so much. It should be a good strong church. Our work at Anajatuba seems to be going better in spite of the fact that they still do not have a permanent worker. I went there last Sunday night to have services and encourage the brethren there.

Brethren, remember our work here in your prayers. We often think of you there who faithfully support us. Pray that the Lord will bless us with a harvest of souls and an outpouring of the Holy Spirit upon our lives and ministry. Do you ever feel weak spiritually? We are in need of revival here; both in our personal lives and in our work. Pray for us.

Yours in Him,  
Harold M. Draper

## Car Hits Church Wall . . . One Profession Of Faith . . . Good Attendance . . . Evil Carnival Time

by Richard Turner

Caixa, Postal 720  
78000-Cuiaba, Mato Grosso  
Brazil, S.A.  
February 14, 1983

Dear Brethren,

Greetings to you all from the great country of Brazil.

We have had several things to happen this month. First, there was a car accident and a car hit the corner of our wall that goes around our property and knocked down about twelve feet. They didn't leave any information about fixing it so the church voted last night to fix it. Second, we have had a lot of sickness in the church this month. It is some kind of flu that leaves a person weak and tired for days after it is gone. My family has had it as have many of the members. Third, we had a week of meetings with Brother Sebastiao de Oliveira singing and preaching. He is the blind man that helped us this time last year in a meeting. We were blessed by his presence with us. He did some extra good preaching of the Word. We had one profession of faith. The crowds were very good with a high of about 130 people present. Brother Creiglow brought the church bus full from his church to all the services

Richard Turner

except Wednesday night because of services in their church. We appreciate their cooperation with us.

In our regular services this month we have stayed about the same as last month in attendance but we are having more than we did for the same time last year. In our service last night we received one by letter from a Baptist church in Rio de Janeiro. There are two more that are going to join this next Sunday, the Lord willing.

We are in the midst of the worst time of the year here in Brazil when Satan is seemingly turned loose. It is the time of the carnival. By the predominant religion they are told that they can do as they please, then on Ash Wednesday receive forgiveness. It is a very dangerous time.

Thank you for your prayers and support.  
In His Service,  
Richard A. Turner

## Story Of Beginning New Works In Boa Vista And Cornelio Procopio . . . Trials . . . Joys . . . Many Saved . . . Preparing For Another Work

by John Hatcher

Dear Brethren,

Few men have the privilege of knowing history making pioneers personally. They have existed in every age but usually they are little known to their own age. I think there is a group of such persons here in Brazil; let me tell you about them.

Something over a year and a half ago a group of Christians responded to the pastor's appeal to give their lives to go out and start churches in all the States of Brazil. These enrolled in an extensive study and training program conducted by the Baptist Seminary in Manaus. At the same time the Tabernacle Baptist Church began to pray and give in order to have means to send these persons out to the harvest. Day after day these persons were taught and trained in every phase of Sunday School, Personal Evangelism, Mass Evangelism, and Personal Christian Living. They each worked in every department and phase of the church's activities.

The men of the Tabernacle Baptist Church built the metal structure for a pre-fab-ricated building. The first week of January this metal structure was loaded and trucked over dirt roads to the city of Boa Vista, capital of the northern most State of Brazil. In thirteen days men from the Tabernacle Baptist Church and the Seminary students built the building which is 39' x 78'. They also built pews for 250 persons.

Building finished the evangelistic campaign started. Crowds reach a total of 500 in one day with two Bible school for children and night services. In the first month of work 30 persons have been baptized. The campaign ended, the truck and the four-wheel drive bus returned to Manaus to prepare for the next trip. Three young preachers stayed to continue the work.

Garca, Sao Paulo  
February 15, 1983

John Hatcher

Back in Manaus, the group prepared for their trip south. Ten persons in the 4-wheel drive bus, loaded inside and topside. After eight days they arrived in Cornelio Procopio. During the trip, 1,000 miles over dirt roads, they traveled a total of 3,125 miles. General repairs of bus in two cities: four broken motor mounts, four broken springs, and riddled radiator were a few of the repairs.

On February 7, at 10:00 am the group arrived in Cornelio Procopio in the State of Parana. That day they worked until midnight. Pews to seat 300 people were built, the large building cleaned and partially painted. First service was held on February 9, with 100 persons attending. At the end of four days, night attendance has reached a high of 205 with 25 professions of faith.

Two workers will remain permanently in this city. One family will stay for a few months and then go to Varzea Grande to take care of the church where Brother Creiglow is now pastor. Two of the new workers will be staying in Galia to take charge of the church there and the mission in Duartina. Who is supporting these workers? They have gone out without a guarantee of any support. The Tabernacle Baptist Church has underwritten a small amount for each worker by faith promise. The church in Galia and the church in Garca are going to supply living quarters and some financial help.

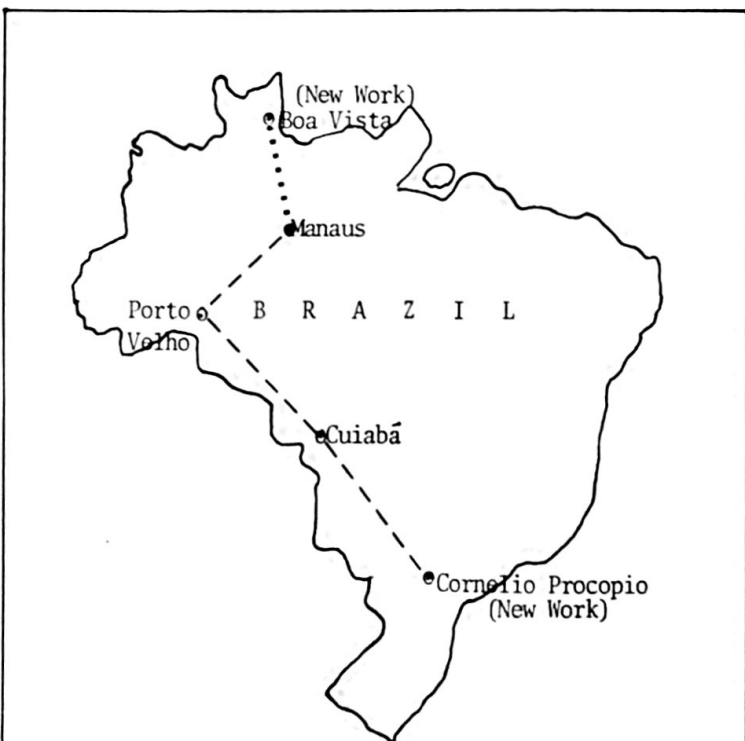

In a few days the 4-wheel drive bus will return with its drivers to Manaus and make repairs. In a few months another Baptist task force will be trained and ready for assignment.

In a country whose territory is larger than that of the 48 continental States of USA to plant two permanent works in less than two months that are over 4,000 mile apart is no small task.

My hat is off to a new generation of pioneers here in Brazil and our hearts are filled with thanksgiving to our Heavenly Father.

(Please take a look at map.)

In Him,  
John and Alta Hatcher

## Reports On Mission Work In Many Places . . . Thanks For Benefits . . . A Call From Manaus

by Harold Bratcher

1033 Juniper Drive

Tel. (606) 276-2936  
February 25, 1983

Dear Brethren,

Last month's Mission Sheet letter was written in Florida. We were in Florida for about another week. On Sunday, January 23rd we were with Pastor Elgie Hornsby and the Jordan Baptist Church, Sanford, Florida. I preached in both services and showed the slides. On Wednesday night I preached at the Tabernacle Baptist Church, Mims, Florida where the pastor is Elder T. B. Freeman. On Thursday morning Mrs. Bratcher and I began our trip back to Lexington. We arrived Friday night, Saturday morning we returned to Grant Fox his car we had used during the Florida trip. We thank him for lending us his car.

Harold Bratcher

Sunday, January 30th was spent with the South Lexington Baptist Church where Elder Edward Overbey is the pastor. There I preached at both services and showed the slides.

Sunday, February 13th was spent in the city of Louisville, Ky. On Sunday morning I preached at the North 42nd Street Baptist Church where Paul Howerton is the pastor. Sunday night we attended and I gave a brief report and testimony during the service at the Ninth & 0 Baptist Church where the pastor, Dr. Laverne Butler was celebrating his 14th anniversary as pastor.

Wednesday night the 16th I preached and showed the slides at Woodhill Baptist Church here in Lexington, Ky. where Dr. Earl C. Goins is the pastor. Last Sunday we spent the day with Pastor John A. Bentley and the Battle Baptist Church of Mackville, Ky. There I preached at both services and showed the slides. Wednesday night the 23rd we went with Pastor Ronald Harpe and family to Beech Grove Baptist Church, Lincoln County. There I preached and showed the slides.

The Mission Sheet for February has just arrived. We thank all of you who gave to the regular fund and to the other funds for us (building, car, and plane fare). We also thank Mr. & Mrs. Richard Hatcher & family for keeping us in their home for several days. The Hatchers are members of the Park Ridge Baptist Church, Gotha, Florida. We also thank Pastor J. Douglas King and Pastor John R. King for obtaining for us medicine that served its purpose for us.

The day of our return to Brazil draws nigh. We have enough invitations from the churches to keep us busy until that day. Continue to pray for us and give both to the regular fund and to Bratcher's building so that we'll be able to do the work that we should do for the Lord when we return.

May the Lord bless you is our prayer.

Yours In His Service,

Harold Bratcher

P.S. Last night Asa Mark Bratcher called from Manaus to share with us the news that last Sunday, February 27, the 14th of December Baptist Church had a record attendance in Sunday School - 1,267 - Praise the Lord!

## River Works Doing Well . . . Good Attendance . . . Spiritual Growth Seen

by Asa Mark Bratcher

Dear Brethren,

February 22, 1983

This has been a busy and blessed month here in the Lord's service.

We have received good reports from the river works and here in the city at the 14th of December Baptist Church the Lord has blessed in several ways. The Sunday School attendance has been up to 544, then 501, then a rainy Sunday attendance of 345, and last Sunday up to 402. The Sunday night services are also being well

Asa Bratcher

well attended with a low of 208 and a high of 280, with decisions in almost every service. Also, next Wednesday night, the Lord permitting, we will conclude the 13 lesson study on the doctrine of stewardship, which has been conducted since December, every Wednesday night. During this study series, the attendance has increased and we have seen results already as more members realize their responsibility to be faithful in all things.

Continue to daily remember us and the work here in your prayers. Until next month.

By His Grace,
