Thanksgiving Offering Coming Soon . . . The Need Is Great . . . Suggestions Concerning Giving . . . Thanks For New Church . . . Travels

Greetings,

Thanksgiving will be here before long. Have you considered a special Thanksgiving Offering, either individually or as a church or both? What greater way to express your thanks to God for His abundance of blessings than to give a nice offering to help carry and finance the Gospel to the REGIONS BEYOND?

The last two years have been the best two Thanksgiving Offerings we've ever had. You were wonderful in your giving. With two more missionaries on the field this year, it stands to reason that we need you to again look to God and see what He would have you do.

BUT you've no extra money to give. Let me make some suggestions:

1. You've done without that Thanksgiving bonus up to now; give it to God. When giving cash, if you itemize your deductions on your income tax; you may claim up to 50 percent of your adjusted income.
2. Give securities that you've held over 12 months that have increased in value; tax deductions are good for the fair market price.
3. Give some property that is not really needful; if it has increased in value give it outright and take a federal income tax deduction for its full value and avoid capital gains tax; if it has decreased in value, take a capital loss and give the proceeds of the sale.
4. If you've lost a loved one or close friend recently; why not send in a memorial gift; a thanks to God for those years He gave him (her) to you.
5. Other things can be given, such as: jewelry, crops, livestock, art, coin collections, royalties, antiques, etc. Sell them and give the proceeds. Thus, making investments in Heaven.

THINK ABOUT THIS. PRAY ABOUT IT AND THEN DO SOMETHING ABOUT IT WHILE IT IS STILL FRESH ON YOUR HEART.

Louie Carver

Someone has suggested a drive among our supporting churches youth. One mission group calls it, our youth "SENDING THE LIGHT." They raise the money to buy the cars that their missionaries use on the field. What a blessing that would be. As of now, we need three cars a year at approximately \$7,000 each. Young People, could you come up with \$21,000.00 a year to supply these vehicles? Actually, that would only be 21 of our supporting churches' youth giving \$1,000 per church per year. Protestant Mission Group does it yearly, WILL YOU?

I believe that I noticed at least one new supporting church listed last month, the I-20 Baptist Church of Darlington, South Carolina. Thanks. If others started who I did not notice thanks to you too as well as those who raised support, you're wonderful.

This month has been diversified, but full. I've been with the following since the last month's report:

September 4 with the Upper Laurel Baptist Church of Marshall, N.C. Pastor, Junior Hensley. Labor Day, attended the Conference sponsored by the Grace Baptist Church of Fairborn, Ohio and the Emmanuel Baptist Church of Centerville, Ohio; Pastors, Kirkman and Messer. September 18 with the Big Hill Baptist Church of Morrill, Ky., Brother Cole, supply pastor. September 15, spoke in chapel of the Lexington Baptist College. September 21, accompanied Missionaries Paul and David Hatcher to the Land Mark Baptist Church of Winchester, Ky. Pastor, Jimmie Muncie. September 25-28 in a Missions Conference with Rosemont Baptist Church of Winston-Salem, N.C., Pastor Curtis Whaley. September 30-October 2nd Concord Baptist Church of Leesville, S.C. has their conference. I spoke the evening of the 2nd. Pastor, Elton Dunbar is pastor. Both A.M. and P.M. the 2nd. I was with pastor, Danny Wainwright and the I-20 Baptist Church of Darlington, South Carolina.

Sincerely In Christ,
W. Louie Carver

Car Fund

Three missionaries will need new vehicles in 1984 for their work. This will cost at least \$21,000.00 all together. A good Thanksgiving offering will be needed to get these vehicles. Pray and Give!

Special Needs

BROTHER CRAIN'S FUNERAL EXPENSE. Shortly after the Crains went to Peru they received word that their daughter Judy was killed in an auto accident. They had to make a special trip home at this sorrowful time. Some have sent special offerings to help but the transportation expense was high and it has not all been paid. We ask that you consider this and give a special love offering to help in this. About \$1,000.00 is needed.

BROTHER DRAPER'S LOT. Brother Draper was able to get a lot and building at a good price for a new mission. This has all been paid for and the mission is doing very well as you have noticed in his letters. He now has an opportunity to get another lot next to this at a good price so that the work can expand. It is needed but the lot won't last long. Give that he might buy this lot. About \$3,000 is needed.

BROTHER HAROLD BRATCHER'S BOAT. Brother Bratcher has been concerned about getting a boat that he might more effectively travel to the mission points on the rivers. He has found one in good condition at 1/3 the price. Help him get this boat. Any funds given beyond the \$2,500 needed will go for transportation needs of the missionaries.

Professions Of Faith And Exclusions . . . Visitors From The States Are A Blessing . . . Two New Doors Of Opportunity To Spread The Gospel

by Asa Bratcher

Dear Brethren,
We praise our Lord as we look back on this month's many blessings.

The Sunday School attendance this month was between a low of 360 and a high of 469. There were over 30 decisions, with 5 coming by letter and 1 baptized two yesterday. Also, last night the church voted to exclude twenty-three due to non-attendance, immoral living, etc.

We were blessed with the visit of Stephen Bratcher and nine others during two weeks. They were certainly a blessing to the work here in so many ways. Our wish is that our Lord will continue to richly bless each one of them as they continue to labor for Him there.

Also, this past month the Lord has opened two new doors, giving us two new ways in which to serve Him. I have the privilege of writing a weekly column in the religious section of Manaus' largest newspaper, the Critica. Also, beginning Saturday as a ministry of the 14th of December Baptist Church, will be a weekly half hour long radio program called "A Chamada Final" (The Final Roll-Call). This station reaches most all of the interior in the state of Amazonas, the capitol and also parts of 3 other adjoining states. Do pray that this program will be a mighty instrument in the hands of our Lord, so that many, as yet un-reached might be reached with the

Asa Bratcher

good news of salvation.

By His Grace, until next month.
In His Service,
Asa Mark & Lucy Bratcher

Thanksgiving Offering

The Lord has greatly blessed the work this year. Two new missionaries have gone to Peru, new churches and missions have been started, many professions of faith. We need to thank the Lord for it all. The expenses have been great; we need a large Thanksgiving offering. We ask that you pray and ask the Lord to help us all to give a large offering.

The general fund is our top need. The salaries and expenses and all other costs come out of this. Even designated projects that come short are helped by this as the fund is able to help. Make this your top priority in giving.

Enjoyable Visit From Brethren From Berea, Kentucky . . . Given Visas . . . Institutes Doing Well . . . 38 Enrolled . . . Appreciation And Plea Concerning Funeral Trip . . . Need For Lot Across The River

By Homer Crain

September 16, 1983
Apartado 7
Huanuco Peru S.A.

Dear Brethren,

We just had an enjoyable visit with Brother Phillip Prather his son Berkley and Pastor Phillip Barbour their pastor. They are all members of the Emmanuel Baptist Church in Berea, Ky. They were able to visit the works here in Huanuco, Tingo Maria, Ancayacu and see the city of Ambo where we hope to reopen the work that has been closed for over two years.

We have been to Arica Chile and we now have our visas stamped in our passports. We were fortunate to get this done as Peru passed a new law on tourists visas. We now have to start on our carnets and other legal documents.

Our Institute in Huanuco and Tingo Maria is doing well. We have about thirty eight students enrolled at both places. We have closed the enrollment for this semester but it looks like we will have over fifty when we start the next semester in February.

My wife and I teach two nights a week here in Huanuco and two nights in Tingo Maria. We leave Huanuco Tuesday afternoon and arrive in Tingo

Homer Crain

Maria two and a half to three hours later and teach Thursday and Friday night and drive back to Huanuco Saturday. Once a month we have to go to Aucayacu to give exams there.

I will be leaving to go to Tingo Maria in about two hours and will continue on to Pucallpa Saturday to pick up a shipment of things that Brother Gasque sent up the river to Pucallpa by boat. When I return from Pucallpa we have to return to Lima to start on our Carnets and other documents.

Please remember us in your prayers. We still are broken-hearted over the death of our daughter Judy. I appreciate the letters especially from the ladies from the churches to my wife. She is going through a rough time as I write this letter.

Brother Edward Overbey says that \$600.00 has come in on the funeral expenses, we still need one thousand dollars to pay off this expense. We thank each of you who have helped with this expense and we pray it will be soon cancelled.

We need to buy a lot across the river to build a building in Parker bamba. The people are meeting in part of a members house. The prize of the lots are going up one hundred dollars a month. Inflation is destroying the country. Will you help us.

In Jesus Name,
Homer R. Crain

A Burden And A Plan . . . Report From The Work In The Philippines Is Encouraging . . . Travels For The Month

By Dana Adams

1007 Pinelbloom St.
Lexington, Kentucky

September 26, 1983

Dear Brethren,

In last month's mission letter I shared with you a burden and a plan. My burden is to raise \$50,000 for my building fund and my plan is for "100" churches to give \$500 each. I'm happy to report that the South Lexington Baptist Church, Ed Overbey, Pastor, has taken the lead in accepting this challenge by designating \$1,000 toward my building fund. I trust that other churches will be challenged by their example and give as the Lord leads. In Malachi 3:10 we are challenged to prove the Lord by giving of ourselves, our substance, our time, and our talents to Him. The results will be a blessing that there shall not be room enough to receive it.

Recently I received a letter from my assistant pastor which was very encouraging. He reports that

Dana Adams

our mission is growing numerically and financially as well, souls are being saved and three of our newest members are now studying in a Bible School to prepare themselves for our Master's service. Please remember to pray for my assistant, Bro. Tom Cordero and his family as they labor for the Lord.

During the month of September it has been my privilege to be in the following churches: Emmanuel Baptist Church, Centerville, Ohio, Darrell Messer, Pastor; Grace Baptist Church, Fairborn, Ohio Paul Kirkman, Pastor; Stillwater Baptist Church, Campton, KY, Tom Byrd, Pastor. On September 11th I was with the Bible Baptist Church, Hendersonville, TN., Carl Frensky, Pastor; and with the Landmark Baptist Church, Winchester, Ky., Jimmy L. Muncie, Pastor. Last Sunday, I was with the Bethel Baptist Church, Williams, Ind., where Richard Presley is Pastor.

Until next month, may the Lord richly bless you is my prayer.

Difficult Month . . . Four Excluded . . . Opposition From Brethren . . . Faith Baptist Church Going Well . . . Special Request For Prayer

by Richard Turner

Caixa Postal 720
78000-Cuiaba, Mt.
Brazil, S.A.
Sept. 8, 1983

Dear Brethren,

The month that we have just passed has not been one of our better ones. Our attendance has been down mostly from disinterest and we have had very few visitors in the services. It was also necessary to exclude four members this month. Two were excluded for non-attendance and two for accepting Pentecost doctrine. Right now we are at our lowest ebb for this year. Pray that God will turn us around.

The convention Baptist here are really putting the pressure on us. They are planning on opening a work here in our area and already trying to get our members here. They will

Richard Turner

not recognize us as a Baptist Church. They will accept our baptism but will not ask for letters or grant us letters.

Faith Baptist Church is doing very well under the leadership of Pastor Candido. Several have been saved and the attendance is staying around 230 in the Sunday services. Also Pastor Candido showed me their financial record for August and the offerings were very good.

Brethren pray for us and the work here. Satan is really working against us here.

In His Service,
Richard A. Turner

Please remember that Special Thanksgiving Offering so that we will have the largest and best of all time. God will bless you for it.

Tribute To Father . . . Revival At Manacapuru . . . Teaches In Manaus . . . Begin Travels In Mission Launch

by Harold Bratcher

Manaus, Amazonas
September 20, 1983

Dear Brethren,

Permit me to pay tribute to my father or "Dad" as we called him. "Dr. Charles S. Bratcher, March 7, 1891 - August 12, 1983. Pastor of Kentucky Baptist Churches for 57 years."

Copied from "First Baptist News" - News Letter of First Baptist Church, Henderson, Kentucky, David Bratcher, pastor.

I thank you - directors of Baptist Faith Missions for your prayers on our behalf, your Sympathy card and the flowers that you sent to Morganfield, Ky. where, in the First Baptist Church the funeral service was held and where his body awaits the resurrection. We are thankful also to Stephen for attending the funeral service and taking part in the service.

Mrs. Bratcher and I were in Manacapuru when Asa Mark reached us by telephone with the news of his death.

The Lord gave us several decisions during the 10 day revival at the Zion Baptist Church, Manacapuru. Moises Ferreira Lima served as pastor during the revival. At the close of the revival I was called as pastor. I'm responsible to send someone to preach

Harold Bratcher

there on the 1st, 3rd and 5th Sundays. On the 5th Sunday of next month, we'll go to perform two weddings and baptize also, we trust. Pray for the church. Sunday, August 28th found us with the New Jerusalem Baptist Mission. There we taught the Sunday School lesson - Adult class, preached, performed the wedding ceremony for Senhor Joao and Dona Dora and then baptized the bride and groom, their son and one other brother.

This month we have worked with the 14th of December Baptist Church and fulfilled my responsibilities as professor of Old Testament at the recently formed Baptist Bible Institute of the Amazonas. The classes are held in the Ida Nelson Baptist School building.

Tomorrow, Mrs. Bratcher and I will be traveling in the Mission launch. We shall spend some 5 days at the Novo Remanso Baptist mission. We express to Baptist Faith Missions our gratitude for the small launch that is being bought for our river trips. Also, we thank the Mission for the \$2,000.00 for buildings in the interior. We understand that some two churches are planning to give special offerings for the "Bratcher Boat." May other churches do the same! Continue to pray for us and give to the Mission that we may continue serving the Lord here in "the land of eternal summer."

Yours In His Service,
The Harold Bratchers

Giving Lectures At The Seminary . . . Eight Baptized . . . Buys A Bus Just In Time . . . New Help In Building

by John Hatcher

Manaus, Amazonas
September 15, 1983

Dear Friends,

At this writing I am in Manaus for a few days to give lectures in the Seminary. The weather here is just as hot as it was in 1955 when our family arrived in Brazil. But it is great to be able to visit with our children and grandchildren.

On Sunday night, September 11, eight persons were baptized in our new baptistry in Garca. Two of the persons baptized were from Galia Church and six were from Garca. It was rather chilly the day of the baptism and two of the ladies of the church decided they would bring hot tea for the folk who were baptized. May it please the Lord to help our people to be kind and thoughtful one to another, always.

John Hatcher

Alta and I went to the city of Londrina to look for used buses. One was purchased and the company informed us that in about three weeks they were going to have another 10 to sell. The Lord willing, we plan to buy two more. The Lord is never late in working for us. The Sunday our new bus was to make its first run a city bus had also been contracted. But two weeks before the company had been sold. On Sunday morning the new owner did not keep his word but the new bus served for all the runs. On the first run there were 165 persons who unloaded at the church.

This month work is being resumed on the Galia building and the Duartina building. Your help is needed now in a special way to help us get these two constructions finished by the end of the year.

As always, Alta stays in Garca while I travel and keeps busier than I.

In Him,
John and Alta Hatcher

New Preaching Point At Uniao . . . Work At Moju Continues To Grow . . . Retreat With Young People . . . Visits Work At Lagoinha . . . Souls Saved In Several Of The Works

By Mike Creiglow

Cruzeiro do Sul, Acre
August 24, 1983

Dear Brethren,

It has been over a month since our revival meeting. In almost every service since then we have had people saved. Our attendance has been just average.

Our preachers have opened a new preaching point down river. The name of the place is Uniao. A couple of years back we held several services in the same plantation, but just a little up stream. There was little or no interest and no one was saved. At this new location there is a row of sixteen new houses, all new families that have moved there. Our men have been there three times so far. Attendance has been in the fifties and there have been six saved.

The work at Moju continues to grow. There have been at least three more professions of faith there and now the work has been extended up river to the next village. This new place is called Valquirie. The preachers have been there four times and there have been nine saved. Attendance at both places is averaging fifty.

Earlier this month we had a retreat with our young people at camp. We had over 30 to go. There

isn't much to report as direct results from this retreat yet. Our young people are a little sluggish right now. I am working with them and praying that the Lord will get them moving again soon.

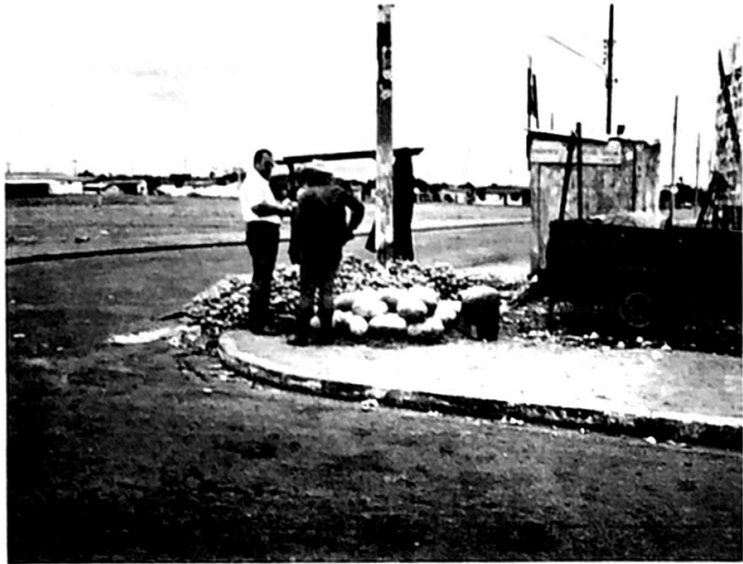

While at camp I visited the church at Lagoinha again. They are doing just great and working a lot. Just this past week I went with their pastor, Brother Wilson, to visit the congregation at Campinas. We were there Saturday night and Sunday Morning. We had 112 in one service and 85 in the other. There are over 80 believers in the congregation there. It is 23 kilometers past our camp and 17 kilometers past the church. My goal in going there was to encourage them and teach them some doctrine. Lord willing, there will be another church there soon. They already have two men who preach and hold services regularly and are getting ready to build their building.

We also stopped to visit the camp of homesteaders that the government is bringing in from disaster areas in other parts of the country. They are to settle on the land surrounding our camp site and the church. There are many families already here and more arriving almost daily. I hope to start working with them immediately. More about this next month.

May God bless and prosper you all as He has us.
In Christ,
Mike Creiglow

Several Profess Faith In Christ In Various Places . . . New Mission Continues To Grow . . . Good Opportunity Now To Get The Lot At Anil . . . Consider Giving Towards This

Dear Brethren,
Sept. 7, 1983
Greetings again from Brazil. This month has passed so very fast. The Lord has blessed our work. We have had one profession of faith at our church, one at the new mission, and a 13 year old boy was saved the last time I went to Anajatuba. The other two organized churches are doing well also. We have possibly as many as 6 waiting for baptism. A 15 year old girl came Sunday night asking for baptism. She was saved in a service in which Bro. Carver preached while he was here. Also, a man came asking to become a member of our church. He will probably need Scriptural baptism. He has been immersed, but in another group. Also, a woman whom we have been praying for made a profession two Sundays ago.
I preached at our Anil mission 3 Sunday nights this month. Ursula, Melody and I visited there in the afternoon before the services. We were well received in the community. On the last Sunday night a woman in her 40's made a profession of faith; a young man asked for baptism, and a couple in their late 40's who

Harold Draper

have 11 children asked to become members on prospect of a letter. So we are being blessed. Our weakest spot is on Wednesday night at our church. Many work or study and some just are not faithful. Our young men are faithful in the work. Sunday they held an open air service in the church neighborhood. Also, we have started a Sunday School in the afternoon for the neighborhood kids who don't come in the morning services. Our attendance is much better than a year ago. We still would like to see better. Sometimes we have a large number. What we need are more faithful members who love the Lord and want to serve him. What Baptist church couldn't use more of that?
We want to thank the churches and friends who have prayed for Ursula's health. It seems to be some better now. We are waiting to see what will take place with her taking shots. The Lord is good to us. I have gained back most of the weight I lost after coming back. Melody is busy in her studies. She is doing well.
May the Lord bless you. Don't forget our need to buy the lot in Anil. We need to do this as soon as possible.

Yours In Him,
Harold M. Draper

Takes Trip Up The Amazon To Visit The Churches And Missions . . . Visitors From The U.S.A. Are A Blessing . . . Ready To Preach First Sermon In Spanish . . . Financial Needs Explained . . . Pray For Salvation Of Neighbors

S.E. and Anita Stanton
Apartado 183
Iquitos, Peru S.A.
Dear Brothers and Sisters in Christ, Sept. 13, 1983
Greetings once again from Peru in the name of Jesus. I hope this letter finds each one aware of God's blessings toward you. The Lord continues to bless our family with grace and good health.
This month I took a short trip up the Amazon to see and visit some of the churches and missions. It was a good and safe trip for which we are thankful. We were also blessed this past month with visit from Brother Phil Prather, his son Berkley, and their pastor, Brother Phillip Barbour. It was a blessing to fellowship with them and we greatly appreciated the things they brought us from the States. For each of you that sent things to us by Brother Prather we say a hearty THANKS.
Anita and I are studying Spanish three hours a day now instead of only two. We spend one hour each day in class studying and translating the Spanish Bible. I am preparing a few sermons now to preach in Spanish. By the time you get the Mission Sheet and read this letter I should already have preached in

Sheridan Stanton

Spanish. Continue to pray for us. We know so many of you do. We thank the Lord for each one that has given offerings toward our Car Fund, shipping expenses, and Ham Radio. The Radio equipment we cannot purchase until enough funds are received. The expense to move us down here was considerable amount. Money is always needed for the Car fund so that when a new car is needed every four or five years the money will be there. Also, please remember the General Fund. Radios and Cars are good things to have and they help in the work. However, beans on the table are more important. We buy food with money out of our salaries and our salaries are paid from the General Fund. The price of beans is going up all the time, so please consider increasing your offerings to the General Fund. Pray about it. Won't you?
Pray with us about the salvation of our neighbors. We got one of them to go to church with us last Sunday. Also please pray for the salvation of our language teacher. We read the Bible everyday with him but as of yet we have not seen any evidence of the Holy Spirit working with him. Pray that soon I will be able to speak well enough to witness personally. I so long to do this. May Good continue to bless as you remain faithful to Him.
Your servants for Jesus sake,
Sheridan and Anita

Great Growth In Manaus . . . Sending Out Nationals To Start New Works . . . How Each Can Help

Dear Friend,
October 3, 1983
I'm doing great and the work here is thriving! Sunday, July 3 we had high attendance day here with 7,200 in attendance and 50 saved!
You remember how we've talked about the necessity of growing large churches in Brazil which could in turn reproduce themselves in this country's 27 states. David and I asked God to prove it could be done. He has proven it can be done. Here in Manaus, as you recall, we began with Tabernacle, a typical church that ran 115 in attendance. Now six years later, Tabernacle is averaging 2,500.
Next we asked God to reproduce this kind of growth through national pastors and national missionaries in other states in Brazil. Do you remember when we began the seminary program for training teams to go out into the Brazilian states to build similar base works? Last year we went out our

Paul Hatcher

first four teams to new states. The first work started has in six months seen over 100 saved and baptized, and is averaging 300 in Sunday School. They are supporting their pastor full time. They are building Sunday School rooms and have just sent back to the seminary their first preacher to be trained to go out into yet another state.
I believe the great success of this work is largely because Tabernacle was able to give the team a building, a bus and basic equipment, and full time support for one year. The other three works, though with the same effort expended, have not been quite as successful because of the lack of basic equipment. Though the church here is large, it must be remembered that the average worker's wage is only \$60.00 a month. And even though Tabernacle's members give sacrificially, the financial needs of four works cannot be provided by our church alone. We are training manpower, but we do not have the capital to provide the initial basic equipment.
For 1984 there will be five new teams waiting to begin five new works in five new states. This will bring our number of mission churches to nine, involving 27 national missionaries from Tabernacle. We need

Brother Draper and Brother Carver's father in front of church at Sao Mateos, Brazil.

Brother Mike and Bobby Creiglow in front of one of the churches in the Acre, Brazil.

Dear Brethren,
After arriving in the States about two months ago I have not written a Mission Sheet letter, so will try to get caught up on that.
After spending a week with our daughter, Brenda in South Carolina we came to Lexington, just long enough to throw our luggage in the house, sleep a little and then leave, going to Clarksville, Tenn. where we attended and I preached on the conference for the Bible Baptist Church where Brother Elton Wilson is pastor. From there we went to visit my mother for a couple of days before going to Crestline, Ohio and the homecoming of the Calvary Baptist Church where I preached on Saturday and Sunday nights. Brother Elwood Hensley is the pastor of this church. That Sunday morning we were with the Gethsemane Baptist Church at Marengo, Ohio. There we met their pastor for the first time, and we were glad to meet Brother Isaac Stacey. From there we returned to Lexington where for the past several weeks we have been trying to get settled down to live for a while. At the same time I have been working on my mission work presentation and at last I think it is about ready for me to go to work. In the meanwhile, I have visited several

Bobby Creiglow

churches. I went with Brother Carver and Brother Adams to West Virginia to attend the Mt. Pisgah Association meetings and the following Sunday Brother Carver and I were once again in the same state to be with the Calvary Baptist Church where Brother Truman is pastor and that same night we were with the Light House Baptist Church where Brother Howard Campbell is pastor. I spoke one time at the Lexington Baptist college where Brother Larry Robins is in charge. Just before the Labor day conference I spoke in the morning service for Brother Paul Kirkman and the Grace Baptist Church and then in the night service for Pastor Darrel Messer in the Emmanuel Baptist Church of Centerville, Ohio. Pastor Bill Derossit of the Grace Baptist Church of Georgetown, Ky., was sick, so I supplied for him one Sunday. We had the joy of being with Pastor Lonnie Perigo and the Richland Baptist Church of Livermore, Ky. in a weekend meeting and then last Sunday Betty and I were with the Emmanuel Baptist Church of Evansville, Ind. Pastor was away in a meeting. Their pastor is John M. Hatcher.
We would like to come visit your church, if you so desire, to tell you about our plans for the future and how you can have a part in it. I can be reached at the above address or phone.
I am at this time with Pastor Wallace York and the Twelve Ryan Baptist Church of Warren, Mich. where we started a meeting last night.
In His Name,
Bobby D. Creiglow

help. We will not ask any Americans to provide for support of these teams. We firmly believe this must be a commitment of the Brazilian church. But we need Americans to help with the equipment. Think about this: You can be directly involved in starting a new church.

Here is the basic equipment needed for one work:

Land	\$2,500
Building	(All labor is done free by the members of Tabernacle)
Roof	\$3,000 (6 gage, 12 meter aluminum)
Restrooms	\$1,500
Wall/Dividers	\$4,000 (brick, plywood)
Steel Structure	\$6,000
Lights	\$300
Pulpit/Pews	\$1,000 (wooden)
Bus	\$5,000 (Because of the mass transportation here, the average bus route brings in from 200 to 300 children and adults for each service)
Equipment	
P.A. System for street meetings	\$600
Duplicator	\$300
Overhead Projector	\$300

Sound System for church building \$1,500 (Since organs and pianos are not available, we use taped music for our congregational music)

Would you pray about and give toward one of these items for one of the works? I think it's a pretty good investment myself.

Please send these request out and place on your bulletin board, desk, or refrigerator where you will be reminded to pray daily. We must meet the need by Dec. 1st. Write us today, send the largest contribution you can! Let us know we can count on you! Mark offering Paul's Work.

Love,
Paul Hatcher

P.S. Sorry you have not heard from us the last two months. The last two letters have gotten lost in the mail. This is a summary of those letters.
