### AAB Doubles Their Support . . . Report On Founder's Month . . . Travels For The Month

by Louie Carver

April 23, 1984

Dear Brethren,  
Someone once said: "A church that says, 'we've always done it this way' is busy writing its own obituary." Another has said: "Jesus Christ is not valued at all until He is valued above all."

It is easy to fall into a routine and convince oneself that this is the only way to do things and to change would be heretical. Just recently a dear brother said: "I wish my people would adjust missions' giving to take care of inflation." Many do, others haven't made a change in their giving habits nor amounts that they give in years.

Louie Carver

My mother church, the Ashland Avenue Baptist Church, just doubled their support to the B.F.M. missions and increased all the other mission works as well. This was done not only because of a love and concern for lost souls but also in an effort to get Brother and Sister Bobby Wacaser to their field of service (Brazil) by his target date of October 1, 1984. It would take no more: percentage-wise nor per capita wise for a church that gives, say: \$50.00 a month to go to \$100.00 a month as it did for our church to go from \$550.00 monthly to \$1,100.00.

Churches and pastors are responding well to the Baptist Faith Missions founders month (June). Some have probably decided to have a special day that I have not heard of. If I may be of assistance to you in it let me know. The Salem Missionary Baptist Church and Pastor Charles Lybrook of Grayson, Kentucky has decided to have a week-end conference of it: June 1-3. The Battle Baptist Church of Springfield, Ky. and Pastor Stanley Long is going to have a different speaker each Sunday in June, making the entire month, B.F.M. Founder's month in their church. Will you also have a special day in June ???

It has been my privilege to have been with the following: April 1, with the Twin Brook Hills Baptist Church of Hamilton, Ohio where Dr. David Mitchell is pastor. Spoke on the annual conference for B.F.M. held at the Thompson Road Baptist Church here in Lexington. This conference is sponsored by: Thompson Road Church; Pastor Jim Hamilton; the

Bryan Station Baptist Church and Pastor Al Gormely and the South Lexington Baptist Church and Pastor Edward Overbey (4:1-3).

I participated in a Baptist Forum at the Lexington Baptist College on THE EXTENT OF THE AMERICAN CULTURE CARRIED OVER INTO THE OTHER COUNTRY IN MISSIONS. Thanks to: Brothers: Bobby Creiglow, George Bean and Dana Adams for helping in this Forum. Also, I was with Pastor Al Owens and the Blue Grass Baptist Church of Lexington on April 8. Then on April 15, was with the Brooksbury Baptist Church of Brooksbury, Ind. Brother Jimmy Sparks is their pastor. Again on the 19th, we had a Baptist Forum at L.B.C., this time the area of the Missionaries' wives was the subject of discussion. Thanks to: Mrs. Moses Ansey (of Nigeria), Mrs. Bobby Aldridge, (she and her husband are missionaries to Brazil) and my better half, Mary, for being the participants.

Yesterday, 4/22/84, I was with the Gethsemane Baptist Church for all services. This church is presently without a pastor and is located at Morengo, Ohio. My youngest daughter, Rebecca and I arrived home at approximately 2:00 a.m. today. The annual Lexington Baptist College Conference of the Ashland Avenue Baptist Church started this morning. It was my privilege to bring the message just before the noon meal. Dr. Ross Range is pastor of this church and the President of the college.

I heard from both Korea and the Philippines, basically things are well in both countries with converts and baptisms.

Yours in His Service,  
W. Louie Carver

## Car Fund

Give to help our missionaries have a car. Those who have a good car now won't have one in a year or two or three. We need to give regularly toward this so there will be money when they need a new car. Some need one now. Give to the Car Fund in general or for the car fund of a specific missionary.

## Spring Conference Report

The preaching and fellowship was good as usual. The host churches did a fine job of providing food and places to stay. We thank them. A special offering was taken up to help Brother Crain buy land to start a new work in Peru.

Brother Bobby Wacaser of Winter Haven, Florida came forward to announce his call from God to go to Brazil as a missionary. He desires to go with Baptist Faith Missions helping him to raise support. He is worthy of the support of the Lord's churches. As he and his wife begin to make preparations to go we all need to pray for them and see if we can raise our offerings that they might have the funds to go. It will take an average of \$2,000 a month more in the general fund and about \$12,000 for beginning expenses. This is for tickets, shipping, a vehicle, etc. that they can go and do the work. Pray and Give more that they might go soon.

## Remember Founders Month

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past up until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this mid-year slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

## New Work Beginning In Porto Velho . . . Many Obstacles . . . Pray For Brazilian Missionaries Doing This Work . . . Soon To Begin Another Work At Rio Branco

by Paul Hatcher

Dear Friends,  
April 23, 1984  
Tomorrow morning at 6:00 I'll board a plane headed for the city of Porto Velho. Ten men from

our church here in Manaus left 5 days ago on a boat and we'll meet in Porto Velho, where together we'll build a new church building. All this we hope to accomplish, by the grace and with the help of God, in the next 15 days.

I can't help but think of the obstacles that Satan has tried to put in the way of this work. The land for the building cost twice as much as we had anticipated, the road between here and Porto Velho was washed away in flooding causing us to send all the building materials by boat - and unexpected expense. Our volunteer team of builders was cut in half because many of them could not take vacations because of the economic situation here.

There are more than 120,000 people in the city of Porto Velho. In the immediate vicinity of our new church there are so many homes, with no Gospel preaching church to reach them. Pray for our three Brazilian missionaries from Tabernacle who will be pastoring and leading the new church. Their names are Zeca, Eliane, and Emmanuel.

In this year's seminary class we see great potential in our students. We anticipate more home missionaries to come out of this class.

We need your prayers. Our real needs this month are strength, determination, and money to put up the building in Porto Velho. (Our own people here at Tabernacle have sold their jewelry and objects out of their homes to raise money for the Porto Velho church). We're also looking ahead to putting another church in the city of Rio Branco in the next few months. Pray also for my wife, Wanda, and the children back in Manaus, while I am away in Porto Velho with the construction team.

Love In Christ,  
Paul Hatcher

## One Saved And Two Baptized . . . Heavy Rains Destroy Sunday School Rooms . . . Pray For Problem At Peritoro

by Harold Draper

Dear Brethren, April 4, 1984

All is well here in Sao Luis. We are enjoying good services this month. We had just one Profession of faith here at the church. A 17 year old boy came forward trusting Jesus as his Saviour. Also, I baptized two young ladies into the membership of the church. We have one lady awaiting baptism at our Anil mission. Also, we have two who are wanting to be baptized here at New Hope Baptist Church. We have started back up our Saturday afternoon Bible School for the neighborhood children. We hope this will give us entrance into many homes.

I made two trips to Anajatuba this month to take cement and building blocks. The heavy rains have destroyed our Sunday-school rooms there. They were

Harold Draper

made of mud and sticks. We want to build them back with permanent materials. Also, the house the worker lives in will not last more than one more rainy season. The work there is showing signs of progress. I brought back a good case of fleas. Nobody here at home welcomed them, least of all me. But I'm about back to normal now.

The old pastor at Peritoro came by yesterday asking me to help him be able to move to town. He is 77 years old and very tired. He is also desperately poor. I promised him I would try and find somebody to come and preach there. The problem is that in that community there is no opportunity for a worker to find employment. Pray with us about this tough problem. We believe the Lord is able to solve this. The work in Sao Mateus is going strong. Everyone is hopeful and more satisfied in the country works because of the rain. We thank the Lord that the rains came. We pray the Lord will send "Showers of Blessings" upon all of you.

Yours in Him,  
Harold M. Draper

## Ten Churches Fellowship And Work Together . . . Long Time Divisions Healed . . . Doing More Mission Work

by Mike Creiglow

Dear Brethren, Cruzeiro do Sul, Acre March 12, 1984

There are 10 Baptist Churches in and around Cruzeiro do Sul. All are the result of the work of missionaries who have been sent by local churches in the U.S. using the agency of Baptist Faith Mission. This has been a process of over 50 years' labor. Many years ago a couple of our missionaries ceased to see eye to eye. You all know what that means and what that caused in the churches here. It has been 23 years since I first arrived in Cruzeiro and already at that time some churches were not fellowshiping with others. It has taken many years of work and loads of patience, but at last all of our churches are working together. In 1976 the pastor of Faith Baptist, one of the two churches here in town, fell into several sins, but continued in the pulpit. Finally, last month the church removed him and officially recognized Brother Francisco Nery as pastor. In fact, Brother Francisco had been pastoring for many months, but had not been given recognition. With the return of First Baptist when I became pastor in 1978, the hardly gained merger of the 2 congregations at Japiim in

Mike Creiglow

1979, the return to active fellowship of the church at Peri-Peri the same year and now the approximation of Faith Baptist Church all of our churches are in harmony and working together as the Lord's churches should. For years this has been one of my goals. Now it is such a joy to feel the victory that the Lord has given. In our last monthly missions planning session I encouraged all of the preachers to be aware and fight off any inside or outside forces that might arise to try to hinder the fellowship and co-operation so hardly regained. Here are some examples of the way our churches work together. The churches at Maita and Peri-Peri are traveling and working together to evangelize the valley of the Moa River. The churches at Japiim, First and Calvary, are working at our side to rebuild the church at Barao. First and Faith are now sharing equipment and workers in the missions along the Junua River. My next goal, which I have been working on for some time, is to see these churches supporting their own full time missionary. There are still obstacles to overcome, but things are shaping up. More about this at the appropriate time. For now though I invite you to rejoice with us and pray much about these things. It is my prayer and desire that true churches everywhere will be blessed as we have with this kind of fellowship and co-operation.

In Christ,  
Mike Creiglow

## Traveling And Preaching In Many Places . . . Six Professions Of Faith . . . Several Baptized . . . Special Needs

by Harold Bratcher

Dear Brethren: Manaus, Amazonas April 23, 1984

On the 20th of March we were blessed by a short visit at the church of Mrs. Janie McKeenan, 88 years old, and her daughter, Mrs. Alta Hatcher. We appreciated Mrs. McKeenan remembering us during her visit to Brazil.

On the 24th of March I completed 57 years. On the 5th of April Mrs. Bratcher also completed 57 years. We were both blessed on our birthdays.

On the last Sunday in March and the first Sunday in April we were in Manaus and I preached both mornings at the 14th of December Baptist Church and Sunday night, April 1st at Peniel Baptist Church where Wilson Ibernson is pastor.

Sunday, April 8th was spent with Zion Baptist Church, Manacapuru. That afternoon we drove 45 minutes and then walked 45 minutes to the Santana Baptist mission of the Zion Church. Moises Ferreira Lima is the pastor. There I preached to some 49.

On Friday, April 13th we left Manaus and traveled down river on the "Wings of Faith" launch to Amajari. There I preached to some 23 in a home. There were two rededications made. Saturday afternoon we reached Cana - Buzzard River. There I preached three times. Permit me to describe our Sunday morning service - a service that lasted three hours - 9 to 12. Sunday School was held with three classes Mrs. Bratcher served as the smaller children's teacher. Before the sermon - a storm - rain - lightning and

Harold Bratcher

thunder. The only thing we could do during the storm was to sing. After the sermon I performed a wedding and then we went to the river for the baptismal services. As we were singing a young child got choked on a cracker. The mother thought the child was dying and leaving the child with one of the men she ran in direction of her house. The child was soon all right so she returned and I then baptized some seven believers.

On Monday night, on the way back we held services in the home of one of the families from the New Jerusalem mission. There were some 43 present and when I gave the invitation some six people - teen agers and adults responded making professions of faith. Praise the Lord!

On Tuesday at Novo Remanso mission where we had left a layman from the church, on Friday, I preached to some 50. On Wednesday at New Jerusalem I preached to about the same number of people. We arrived back in Manaus, Thursday afternoon late.

Yesterday, Pastor Asa Mark Bratcher was given a leave of absence and I was called as pastor. Pray for me as I continue to serve as pastor and Old Testament professor as well.

Brethren, we once again ask you to give a special offering for "Bratcher Building or Buildings." Our church building here in Manaus is needing a new roof and the fans repaired. In the interior the mission at Olinda is in construction and today I read a letter from there asking for help. Please help us! May the Lord bless!

Yours In His Service,  
Harold Bratcher

## Adjusting To Furlough . . . Thanks For Special Offerings

by Doug Gasque

Dear Brethren, Rt. #2 Box 414 Leighton, Alabama 35646 April 17, 1984

It's only been a short time since my last letter so there's not been a whole lot of activity yet. We began the month by traveling to Lexington, Kentucky to participate in the Mission Conference at Thompson Road Baptist Church. We thoroughly enjoyed the conference and all the fellowship there. We also wish to thank Missionary Dana Adams and his wife, Becky and family for giving us a place to stay and showing so much love toward our family.

A special thanks also for those who have given offerings for personal needs and traveling expenses this month. Please continue to

Doug Gasque

pray for the works in Peru and help us to buy the equipment needed for the work there and to buy a building for the Bible Institute. Thank you again for your continued support.

## Increased Attendance . . . Begin Bible Club On Saturdays . . . Mediates Family Fight . . . Pray For Brazilian Pastor For The Work

by Richard Turner

April 11, 1984

Dear Brethren,

On the whole, I think that there has been more interest shown this month in the work here than in some time. Our attendance in Sunday School and Sunday night services has increased with some new visitors attending. We have been having many more children present in Sunday School this month. We are glad for the renewed interest and increase in attendance.

Our daughter Kimberly has started a Bible Club for children on Saturday afternoon. She has had a high of about 30. She teaches Bible stories, choruses and has formed a singing group of those who also come to Sunday School to sing during the church services. This Saturday afternoon activity has helped increase our Sunday School attendance.

Richard Turner

We were called in to mediate a family fight between two brothers that are members of our churches. One is a member here and the other a member at Faith. They had a disagreement over land that they were authorized to sell for another. The one that is at Faith demanded that we exclude the one that is a member here and made several accusations against him. I looked into the accusations and probably there is some truth to them but I did not get the proof necessary to bring it before the church. The brother that is a member here denies the accusations and it is his word against the word of only one. I hope that these brothers never have another business deal together because this happens everytime and I don't like getting caught in the middle.

Brethren, we have just a little more than a year before returning to the States. I ask you all to pray for our work here as we try to find a Brazilian to take over the work here and pray for me and my family that we may be sure of the will of the Lord for our future.

Thank you all for your prayers and faithful support.

In His Service,  
Richard A. Turner

## Wacasers Visit The Work . . . Start New Preaching Point At Cajueiro . . . Young People Preparing To Serve . . . Several Saved

by Mike Creiglow

Cruzeiro do Sul, Acre  
April 12, 1984

Dear Brethren,

The past few weeks have been packed with a great variety of activities. There have been ups and downs of spirit, but always the feeling of getting closer.

The Wacasers were with us for two weeks. They were an encouragement to us. We are so far off the beaten path that we get very few visits and certainly few visits as enjoyable as theirs. While they were here we stuck to our routine as much as possible, so that they could get the feel of the work here and also sense our quite different life style. Bobby was initiated to mosquitoes, medoids, puns and other friendly tropical stinging insects. Charlene ate enough rice to last her for another 2 or 3 years. Like I said we just stuck to the routine. David Hatcher said it was a fine way to try to get them to come and help us!

Our preachers have been going to all of the villages as usual. The only difference this month is that they started a new preaching point at a place

Mike Creiglow

called Cajueiro in the Lagoinha River. There were three saved there. All the other places are doing fine with a few more having been saved here and there.

This month I took three of our young women to start the one year course at our seminary in Manaus. No they are not trying to become "preachers", but they do plan to use their lives full time in the Lord's service! I also went to Manaus to check on our two young men who are just finishing the one year course and get them ready to get started back here very soon. We all have great hopes for our young workers.

I have been to visit the churches at Sacado, Maita, Mancio Lima and Colonia this month. The service at Sacado was their 4th anniversary and dedication of their new building. It was a great service. The building was built by them with no outside funds at all. The other churches I visited are doing quite well, also.

We have had another good month here in town. More people being saved and more folks getting active.

May God bless you all. Pray for us and thanks for your faithful support.

In Christ,  
Mike Creiglow

## Report On The Building Fund . . . Presents The Work In Several Different States . . . Remember The Building Fund

by Dana Adams

1007 Pinebloom Drive  
Lexington, Ky.  
Ph. (606) 278-0963

Dear Co-Laborers,

I begin this month's letter by quoting Philippians 3:4 which states: "I press toward

the mark for the prize of high calling of God in Christ Jesus." I would like to relate this verse to my goal concerning my "Building Fund." I had hoped to be able to share with you at this writing on the progress made toward reaching Phase I of my building fund, set for April 29th. However, that will not be possible since more of our supporting churches will be receiving a special offering this coming Lord's Day. At this point, I wish to thank all of our churches and individuals who have given thus far. Time and space does not permit me to list these individually, although I plan on acknowledging these in a personal letter as time permits. This reminds me of the principle of reaping and sowing expressed in Gal. 6:7. Let us remember that this applies to giving and receiving as well. As proof take time to look up II Cor. 9:6. "What are you planting?" During the month of

Dana Adams

April thus far it has been my privilege to be in or with the following churches. My wife and I began the month by attending the Ashland Ave. Baptist Church, Lexington, Ky., Ross Range, Pastor for the A.M. Service. For the P.M. service on the same date, we were with the New Providence Baptist Church, Paris, Ky., Johnny Redman, Pastor. In that service I preached and showed slides of my work. The Lord blessed with one rededication. On April 8th my family and I traveled to Leesville, S.C. to be with the Concord Baptist Church, Elton Dunbar, Pastor. In the P.M. Service I showed my slides and the Lord gave us a wonderful time of fellowship together. This was my second time to be in the church since being home on furlough.

On the 13th through the 15th my wife and I were with the Waverly Road Baptist Church, Huntington, W. Va. Sidney Fisher, Pastor. Brother Fisher is now in his 24th year as pastor of this church. I almost forgot to mention our Spring Mission Conference held on April 2-4 in the interest of Baptist Faith Missions. During that conference I heard some of the greatest messages ever in the history of that conference.

Until next time, may the Lord richly bless all is my prayer.

In His Name,  
Dana Adams

## Preaches In Chicago Area . . . In Conferences In Lexington And West Virginia

by Bobby Creiglow

Lexington, Ky.  
April 23, 1984

Dear Brethren,

Before we could get well rested from our trip to California we found ourselves on the road once again, going to the Chicago area to be with the East Main Baptist Church where Brother Louis Maple is pastor in Glenview, Ill. On the same week-end we were with Brother Roger McManus and the First Baptist Church of Niles, Ill. I think I have visited these churches every furlough for over twenty years and as always we had a great time together and we are grateful to all of them and to the Charles Byrd family that put us up for that week-end.

After Chicago we returned to Lexington, Ky. for the annual spring conference of Baptist Faith Missions at the Thompson Road Baptist Church where I was one of the speakers. Brother James

Bobby Creiglow

Hamilton is pastor of the host church. The following Sunday night I spoke at the North Side Baptist Church where Gerald Smith is Pastor. On Friday night of that week Brother Jim Orrich who was serving as evangelist in a meeting at the Devondale Baptist Church became ill and I was asked to fill in for him, which I did. Brother Johnny Thompson is their pastor.

From April 15 through the 18th I was the featured speaker on the mission conference of the Calvary Baptist Church of Nitro, W. Va. Brother Millard Mitchell is their good pastor. I spoke four times for them. We would like to thank Brother John Smith and his family for taking care of us while there. We went from West Virginia to South Carolina to visit our daughter, Brenda, and to see for the first time our new grandson Ryan Dennis Nix. He was born on April 14, 1984.

We want to thank all of you brethren of all of the churches mentioned for all of your kindness to us.

In His Name,  
Bobby D. Creiglow

## One Saved . . . Bible Institute To Begin Soon . . . To Train Workers For Peru

by Sheridan Stanton

March 25, 1984

Dear Brothers and Sisters in Christ,

Greetings once again in the name of Jesus our Lord and Saviour. I hope this letter finds each one in good health and aware of God's blessings to you. This past month has once again been a very busy month with construction on the house, travelling and preaching. I just returned two days ago from Lima where I had to go and start the legal process of revalidating our visas. While in Lima I had the privilege of preaching for the Bible Baptist Church, Pastor Fortunato Barreto. We had a good service and one young mother came forward trusting Christ as her Saviour. I preached on the Blood of Jesus Christ and she is living proof that there is still Power in the Blood.

I preached this past Sunday in the Church at San Juan. This church really needs your prayers. Including myself there were only ten people in attendance. This is not as bad as it sounds when you consider that there are only fifty people in the entire pueblo. There is not much chance for growth because they are way out in the country, and three and one half hours out on the highway from Pucallpa.

The other churches here in Pucallpa are doing about the same. There is not much growth here in the

churches and it is my prayer that God will see fit to use us as an encouragement to each one. The Bible Institute will start in one more week and there is a lot of excitement about this. Pray with us about our Institute, this is one way in which I can help each of the churches all at the same time. This Institute is under the authority of The Faith Baptist Church here in Pucallpa of which Anita and I are members also. However, the other churches here are helping with the Institute by providing students and the Pastors are helping me teach. We are offering seven courses this first year of which I am teaching four.

We should finish the house in two more weeks. This will be a real blessing to all of us to get this construction behind us. Remember to pray for us and may God continue to bless each one as you remain faithful to Him.

Your Missionaries in Peru,  
S.E. and Anita Stanton
