John and Alta Hatcher - 30 years in Brazil 1955-1985. "We continue to reach out. Your prayers and liberal giving will determine how far, how well, and how many will be reached."

Bible Missions Briefly Explained . . . Survey of 30 Years Of Work In Brazil . . . Plea For Help

by John Hatcher

Dear Brethren and Sisters,

Missions is taking the gospel of Jesus Christ to lost men.

Missions is baptizing believers in the likeness of Christ's death, burial, and resurrection.

Missions is teaching churches to reproduce themselves and to develop the saved into the fullness of the image of Christ.

Missions is spiritual warfare, the invasion of enemy territory . . . the freeing of enslaved men.

Missions is a costly war, an endless war.

Missions require spiritual soldiers who will go to battle unto the ends of the earth.

MISSIONS REQUIRE A MULTITUDE OF DEDICATED PERSONS WHO WILL GIVE PRAYERFULLY, SACRIFICIALLY, AND CONSISTENTLY.

Successful missions is not an accident. It is the result of dedicated men and women who yield their lives and wills to the leadership of the Holy Spirit because they know God will keep His promises.

Missions is not a christian option; missions is Christianity.

Missions is faith at work.

FAITH DOES NOT WAIT FOR THINGS TO HAPPEN. IT IS CONFIDENCE IN GOD'S PROMISES AND POWER THAT MAKES THINGS HAPPEN.

Hear Us And Help

Alta and I have begun our 30th year in Brazil. In 1955 we went to Brazil with four children: Lynn, Ranaah Paul, John Mark, and David. Kathy our youngest child was born in

John Hatcher

Brazil. Today, three of our children serve the Lord in Brazil and two serve the Lord in the States.

In 1984, Alta and I continue our work in Brazil. There are 27 States and Territories with a population of 120 millions.

Let me share with you a brief summary of God's blessings during our years in Brazil:

1. Five children married and actively serving the Lord.
2. Ministry of church planting: 30 churches organized or counseled.
3. Worked in 6 States.
4. 8 buildings built.
5. Works published: NOTES OF GENESIS, BIBLE INTRODUCTION, MEET THE HOLY SPIRIT.
6. Offset printing ministry.
7. Radio Ministry - 7 years.
8. Bussing Ministry - 4 large busses, 2 VW busses.
9. Education: Kindergarten, Grade and High School, and Seminary established. 18 years of teaching for Alta and me in Manaus.
10. Hundreds saved and baptized.

We are presently working in 5 cities in 2 States. Humanly speaking, the reaching of other States and cities depends on your support. We continue to reach out. Your prayers and generous giving will determine how far, how well, and how soon many persons and places will be reached.

Financial support for new works, property, buildings, and special ministries must come from designated offerings.

We are asking you to purpose now to become an active partner in our ministry supporting it regularly.

Sincerely,
John and Alta Hatcher

Travels For The Month . . . News From Korea And The Philippines . . . Great Needs

It has been said: "A weakness of many of us is that we want others to give better than we are willing to give ourselves." The late President Harry Truman called it; "Passing the Buck."

Another has well said: "Evangelism is one beggar telling another beggar where food may be found." This is missions.

TRAVELS SINCE LAST REPORT

It has been my privilege to have been with: Pastor, Dr. Chester Ratliff and the Temple Baptist Church of Cinn., Ohio. This was their annual missions conference. Also was with Pastor Roy Thomas and the Beauty Mt. Baptist Church of Edmond, W. Va. in their second annual missions conference. Too, was with the Lookout Baptist Church of Lookout, W. Va. presently without a pastor.

My wife and I attended Arlette and Karl Moyer's wedding (Bro. and Sister Bobby Creiglow's daughter and Dr. and Mrs. Ernest Moyer's son) of Tusculum,

Louie Carver

Alabama. We were also with Pastor Clyde Goodlett and the Symrna Baptist Church of Moulton, Ala. as well as the Elgin Baptist Church of Elgin, Ala. who is presently without a pastor.

I had the privilege of being one of the speakers in the annual Thanksgiving Conference of Dearborn Heights and Warren, Michigan. This conference was sponsored by Pastor Marvin Summers and the New Hope Baptist Church and Pastor Wallace York and the Twelve-Ryan Baptist Church. Without doubt this was the best or at least one of the best conferences they've ever sponsored.

NEWS FROM KOREA AND THE PHILIPPINES

Pastor Cheong of the Shin Nae Baptist Church in Seoul, wrote that they were preparing for a special Thanksgiving Service. He also requested your prayers. He stated that: "Almost daily one or two come to my home for help in regards to marital problems." Does that sound like America?

I've heard nothing from the Open "Bible," Baptist Church of the Philippines since last letter. However, a Philippine pastor friend wrote that God was yet doing things there in the Philippines.

GOD HAS BLESSED BUT THE NEEDS ARE GREAT

We (you) now have four missionary families awaiting to go to the fields of service. We've asked God for workers and now He has given: Brother and Sister Bobby Wacaser are still awaiting their visas.

Thanks to God

"I thank my God upon every remembrance of you . . . for your fellowship in the gospel from the first day until now . . ." Philippians 1:3,5.

We all appreciate the faithful support of each of you by your prayers and offerings. Again the Lord blessed us with a generous Thanksgiving Offering through you. We thank God for you.

Brother and Sister Bobby Wacaser, the Lord willing will be going to Brazil as missionaries as soon as the final papers come from the Brazilian government. Pray for them.

Four more have indicated their call to the mission field. During the Thanksgiving Conference two of the four came forward to indicate publically their call by God. Brother and Sister George Bean revealed their call to return to Sal Luis, Brazil. Brother and Sister John Henderson made known their call to the Philippines. It is our desire to see these two families go out soon and the others also as God leads and provides.

For these to go it will take increased offerings in the general fund. God is able to provide this increase through you. Our immediate goal is to see our general fund increased to \$25,000 a month. Pray about this and give as God leads.

Encouraged By Work At Santo Tomas . . . Bible Institute A Great Blessing . . . How You Can Help . . . Thanks Again

by Doug Gasque

Dear Brethren,

October 28, 1984

We find ourselves today once again recounting the many blessings with which the Lord has blessed us. We had good services this morning

with 90 in Sunday school at the mission in Santo Tomas. Sixty of these were children, so you can imagine what Jan had to go through in teaching her Sunday school class. Things seem to be looking very good as far as the work is concerned. The churches are growing and there seems to be more of a genuine concern for the spreading of the Gospel.

We had our graduation ceremony on the 8th of October for the Bible Institute with 6 students graduating after completing 4 years of study. We have already seen God's blessings bestowed on the work of

Doug Gasque

the Bible Institute, and we're looking forward to starting a new year of studies in January 1985.

Some of the graduates will continue to work with the Bible Institute as Teachers while some will be going into other areas as missionaries and pastors. Any help you can give us to continue this work will be greatly appreciated. Mark any EXTRA SPECIAL OFFERINGS for Gasque Bible Institute.

We would like to thank once again those churches and individuals who gave for the purchase of tools and equipment that we needed for the work that we are doing here in Iquitos. Also thanks to those who gave for shipping. We are still in need of \$1,240.00 to pay back what we had borrowed for this purpose. The total shipping cost was \$2,500.00 and it was worth every cent to have the tools and equipment for the further advancement of the work here. Remember us in your prayers and help us if you feel led to. May God bless you is our prayer.

Yours in Christ,
Douglas Gasque

Some Problems But Great Results . . . New Church Organized . . . Good Attendance In Cruzeiro do Sul . . . Many Places Visited With The Gospel

by Mike Creiglow

Dear Brethren,

Cruzeiro do Sul, Acre

November 13, 1984

This has been a very good month for our work. We have had to broken down equipment and a few other problems, but these have seemed small compared to the results of our labor.

The work at Guajara continues to grow a little. There have been 2 more saved there. I went to visit the work a few weeks back. While there we held a dedication service of the new building. It is in a much better location, is much larger and quite a bit nicer. The attendance on that weekend was very good.

The new church at Pentecostes has been organized. I went there this past weekend with Brother Francisco Nery, pastor of Faith Baptist Church to perform the organization service. The road was in good shape, so we had a very good trip there. We visited on Saturday afternoon and held service that night. The attendance was good, but it started raining during the service and rained all night. People came back out on Sunday morning though and we had a glorious day. We started with a baptism service.

Mike Creiglow

I baptized 11. We then heard a good message from Brother Francisco. The message was followed by the formal organization meeting. The new church was founded with 23 members and is called Igreja Batista da Biblia. The services ended with the new church observing the Lord's supper. There was a young man saved on Saturday night.

Things have been going very well here in town, also. Our attendance has stayed above 300 each week in Sunday School. We have had over 400 several Sundays in the evening services. Our best week was four Sundays ago. We had 584 in our morning service and in both services on the same day we had 17 people to be saved and 6 others for baptism or reconciliation, which is an equivalent English word.

Our preachers have visited the following churches and missions regularly: Rodrigues Alves, Humaita, Mourapiranga, Sacado, Guajara, Moju and Valquirie. They have made at least one trip each to the following places: Mancio Lima, Colonia, Sao Domingos and Barao.

I was in Manaus this month to buy parts. While there I was privileged to speak at Chapada Baptist Church and Tabernacle Baptist Church. The fellowship with the brethren was fine.

May God bless all of you richly. Pray for us and this work.

In Christ,
Mike Creiglow

New ones: Brother and Sister George Bean (returning to field) and Brother and future Sister Stephen Bratcher, these to Brazil. Brother and Sister John Henderson feel the Lord wants them in the Philippines.

How can we get them there?

God is able but He uses you and me.

Recently an article appeared in a paper that stated: "It costs about \$58.75 per day . . . \$1,787.04 a month to support a foreign missionary." With four (4) families times the \$1,787.04 that would be \$7,148.16. IS GOD ABLE? Will you permit HIM TO USE YOU?

There are approximately one-hundred (100) churches who support. Equally divided, that would mean \$71.48 per supporting church. Pastors if you will ask your people to give personally through your church all these men can be on the fields by April.

I refuse to believe there is a church in America who can not give \$71.48 more monthly to missions. Our God isn't poverty stricken. We can do it but you as the pastor will have to ask your people for it.

Yes, God has blessed; "even more in '84." Now with '85 upon us; "Let's Really STRIVE TO THRIVE in EIGHT-FIVE ('85)." May our God richly bless each of you with enjoyable holidays.

Yours in Christ,
W. Louie Carver
P.S. Are we really willing; "for others to give better that we're willing to give?" I don't believe it.

Report On Services . . . Gets Opportunities To Preach In Several Homes . . . Two Saved

by Richard Turner

Nov. 12, 1984

Dear Brethren,

We have had a very busy month in course we have been busy with our regular services at the church. We have had fair attendance this month but not as good as last. There have been some visitors attending with us but it seems that the members have not been as faithful as they ought. We have started having young people's meetings on Saturday night. We are having a good turn out for this. We have had two services in homes this month. One service was in the home of one of our members. This service was a blessing as we got to preach the gospel to this member's neighbors that she had been trying to get to come to church. One other service was in the home of a neighbor of one of our members. This woman just lost her husband in death about two

Richard Turner

weeks before and so she requested that I have a service in her home. She is a mother of nine children. It was a great privilege to preach the gospel to her and her children as all are lost, without Christ. Tues. night about past mid-night I was called to go to a home of a brot of one of our members whose sister-in-law was having an attack of some kind. She couldn't get her breath and said that it was as if some one was choking her. She had already been taken to the doctor but he said he couldn't find anything wrong with her. I went not knowing what to do but read the Bible and pray for her. At first she didn't want me to read or pray but her husband said for me to read so I read. By the time I finished the Psalm she got up from her bed and stood while I prayed. After I talked about her need of a Saviour I then returned home about three-thirty Wednesday morning. I returned Thursday to have a Bible study with them. Sunday morning they were in the services and again last night. When the invitation was given they both came forward saying that they were trusting Christ as their Saviour.

Thanks for your prayers and faithful support.
In His Service,
Richard A. Turner

Great Dangers In The Area . . . Pray For Cesar Tello . . . Plea For Designated Projects

by Homer Crain

Dear Brethren,

November 16, 1984

Life here in the Andes mountains is different to anything that I could describe with life in the USA.

Last month we had to spend over a week in Lima to get our visas renewed and most of the time we spent standing in line.

After we came back to Huanuco the Terrorists have been killing people all around us. In the small town of "Jesus" where Brother Prather and I were a few days before they killed 10 of the leaders of the town including the mayor and judge. The following night 3 more were killed in a small town closer to Chavinillo where we have one of our works. Last Saturday a week ago I went to Chavinillo and baptized 13 and I leave tomorrow November 17th to baptize from 7-10 more. Ten of the Mayors from that district have resigned until peace can be restored.

Cesar Tello where we had dinner after our first Baptism received a letter telling him to leave or he would be killed. He came in the middle of the night to Huanuco. Pray for him he is not saved yet but has been a great help to us and attends all of the services. His wife is a christian and she said she had never seen him interested in the things of the Lord before.

Homer Crain

I believe by reaching him with the gospel many others will be reached.

Monday we are to sign the final documents to get the land in Paucar we will receive over 2000 square feet in the main part of town. We have over twenty-five baptized believers in two areas and we hope to start building soon.

In Chavinillo we have outgrown the building that we rented and we hope to be able to buy a lot and build there. The people have a mind to work and will build the walls out of adobe. We will need money for a roof at Paucar and Chavinillo.

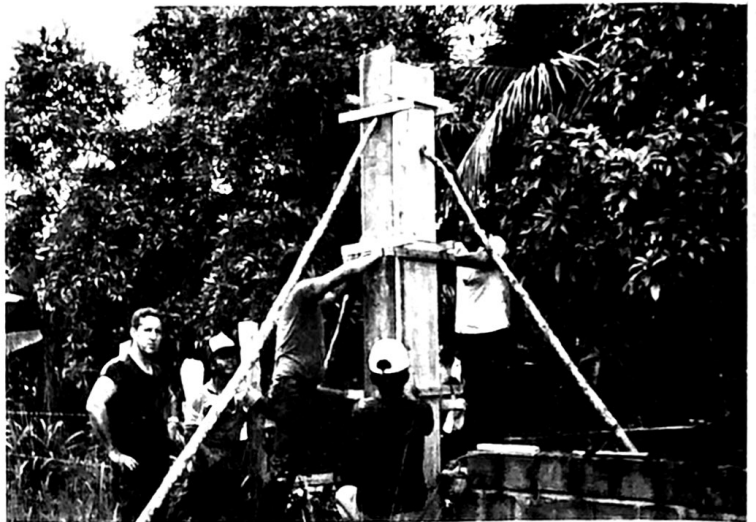

Zion Baptist have their walls built. They now need about \$600.00 to put the roof on and doors. Our Ham Radio - we need designated money to pay for it. Will you help us? As I write this letter I am listening to rifles being fired. Would you want to trade places with us. We want to stay and peach, but, we need your financial support and prayers.

In Jesus Name,
Homer R. Crain

Work Growing at Santo Tomas . . . Very Thankful To God For All Who Have Helped So Much . . . Report On New Mission At Moronville

by Doug Gasque

Dear Brethren,

November 7, 1984

I salute you once again in the name of our Lord and Saviour Jesus Christ.

We've had a good month with attendance picking up every Sunday in the mission at Santo Tomas. We're still busy with the construction there also and hope to one day be finished with it. We seem to have a good group to work with and our prayers are to make this one of, if not, the strongest church in Peru. We know that to accomplish this will require a lot of dedication and sacrifice. We are striving to be those living sacrifices that Paul spoke of in Romans 12:1. Pray for us that God would continue to use us in His work. There are so many things to tell and share with you about God's blessings on us, but I cannot find the words to express to you the wonders of His Grace poured out over us, His servants, like the rain that fell

Doug Gasque

in the days of Noah and flooded the earth. We are ever indebted to many of you who, led of God, have helped us with tools, shipping expenses and personal living expenses. The list is too great to try to write the names of all the churches and individuals and for fear that I might leave one out, but remember our all Knowing God has taken all into account.

We are making plans for 1985 for new works and continuance of existing works. This past Thursday night I preached in the new mission out of the Hope Bapt. Church in the pueblo called "Moronville". One of our Bible Institute graduates is the missionary in this work. Isn't our God great? This young man sent out and sponsored by his home church taking the Gospel to people who have not heard. First, he prepared himself, now he will prepare others to make more Baptists in Peru. Remember the Gasque Bible Institute that we may prepare more to go out, not as hired workers, but God called men who are willing to go out by faith.

Yours in Him,
Douglas Gasque

Three Professions Of Faith . . . Need Of Working On Building At Anil . . . Pray Concerning Ursula's Health . . . Give to Build Anil Building

by Harold Draper

Dear Brethren,

November 8, 1984

Greetings from Brazil. The Lord is blessing us here. I have not had professions of faith at the church here in town, but there were 3 in the work at Anajutuba. The worker there is faithful and dedicated. He plans to move his family there at the end of the year. All the other works are doing okay. I am needing to spend more time in the interior. To do this I need to turn the church over to a Brazilian worker. This is not easy to do. A good worker is hard to find. My goal is to do this by March of next year so I can dedicate my time to the construction of the building at the Anil mission and also to visit and

Harold Draper

encourage the brethren in the interior works. We only have about a year and a half to do an awful lot. Pray for us.

Also, we request prayers for Ursula's health. Last night I took her to a doctor who is sending her to two other doctors. She had a black out this Tuesday. I took her to the hospital and they could find nothing abnormal. They believe her allergies are the main cause. It seems that this climate is really hard on her system. Do remember us concerning this.

We hope you have a good Thanksgiving Conference. We also hope the Lord will lead some to give toward our building in Anil. Help us get this done before we come home. Pray the Lord will send laborers to the field. May the Lord bless all of you.

Yours in Christ,
Harold M. Draper

New Church Organized . . . 11 Baptized, 6 Waiting Baptism . . . Special Transportation Need For Mission Work

by Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal Philippines
November 29, 1984

Dear Co-Laborers In Christ,

"To God be the glory, great things He has done." On November 16th Baptist Faith Temple was officially organized into a New Testament Church by the authority of the South Lexington Baptist Church, Lexington, Ky., Edward Overbey, Pastor. This work was started from scratch and today we praise the Lord for all of His blessings which He has bestowed upon us and we continue to look to Him from whom all blessings flow. Since we were organized with some 30 charter members the Lord continues to add to our number such as should be saved. On November 11th, prior to our organizational service, I baptized 11 into our membership and presently have 6 who will be baptized this coming Sunday, Lord willing. Continue to pray for us that we may be found faithful to the commandment given to us by our Saviour in Matthew 28:18-20. Recently it was called to my attention that by the end of 1985 there will be 10 million people in the city of Metro Manila alone. I trust that you will continue to pray and give, as many of you have faithfully done, that from among these 10 million people we may be able to reach many of them before it is eternally too late.

Dana Adams

At this point please permit me to share an immediate need with you. Recently the vehicle which I purchased from Missionary W. L. Carver during my first term has stopped running and is in need of an overhaul job. This vehicle is used in getting to mission points where a regular car cannot go. According to the estimate given to me I need approximately \$1,000 to have it over-hauled, plus some body work done. Thus pray with me that 10 of our supporting churches will give \$100.00 each to complete this need. Note: Please mark your special offering "Adams Vehicle Fund" and as soon as the amount is reached, I'll be having my mission vehicle repaired.

Thank you all for caring and sharing and for making our ministry possible here in the Philippines where the need grows greater with each passing day.

In His Name,
Dana Adams

Brazilian Pastor Helps Greatly . . . Memorial Services . . . Opportunity For New Mission Point . . . Prayer Requests

by Harold Bratcher

Dear Brethren,
We are remembering the Thanksgiving Conference in our prayers. May the Lord bless during every service!

Each Saturday of this month - Pastor and Doctor Francisco Jesus Dias has attended to each person who has appeared. The first two Saturdays of this month the number of patients went over the 20 mark. The Church pays him less than \$10.00 each Saturday. Most every Saturday the church is asked to pay for some of the medicine he prescribes.

Harold Bratcher

Sunday, October 28th - rain and more rain. We only had 73 in Sunday School. At the evening service we had 213. Sunday, November 18th we managed to get back over the 400 mark in Sunday School - 410 were present.

November 2nd we held services in the Saint John the Baptist Cemetery. I preached at Joel's grave at 17:00 hours and then we held services at E.A. Nelson's grave. There Pastor Jose Ribamar de Sa Borgea preached. We received invitations to preach or to hold services at two more graves. We then served every one from the church a lunch at our house.

This afternoon I went with Pastor Jose Ribamar to look at a lot in a new suburb where the people-estimated 500 families have built houses on land owned by a foto factory. More or less ten families are members of the 14th of December Baptist Church. We found some six of our members working there - cutting the grass and picking up the trash on the small lot. The Lord may be setting before us an open door. Pray for us that we may be able to build a small building on the lot there. The owner has given us permission to build on his lot that he claims is his.

Last night I taught my Old Testament class at the "Faculdade Batista de Teologia do Amazonas." Next Tuesday I will give the final test for this year.

Brethren, pray for us and continue to give to the Regular Fund and to "Bratcher Building" also as the Lord leads. Pray that we will be able with the help of a team from Lexington, Ky. that Stephen hopes to bring (The Lord willing) in February, to build a new building in the interior at the New Jerusalem Baptist Mission. Mrs. Bratcher also requests your prayers for her health. She will be returning to the doctor soon for another complete heart check up.

May the Lord's richest blessings be upon you in our prayer.

Yours In His Service,
Harold Bratcher

Attends Daughter's Wedding . . . Preaches In Alabama, Michigan and Kentucky . . . Urges Us To Get New Men To Mission Field

by Bobby Creiglow

Dear Brethren,
November 26, 1984
After leaving Arlene and Arlete in Huntsville, Alabama Betty and I went as planned to

Bobby Creiglow

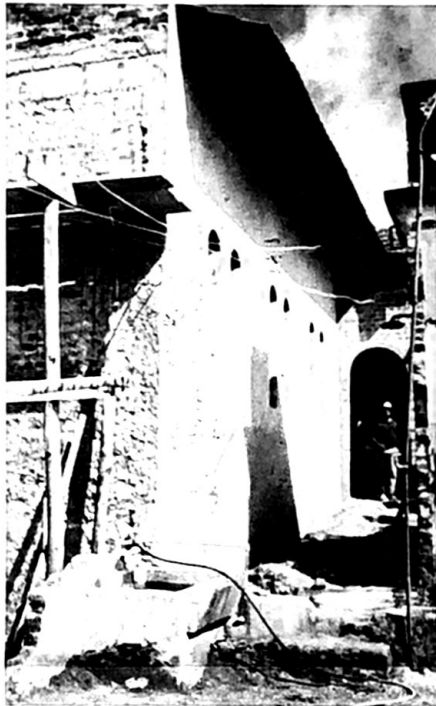

Florida to be with the Park Ridge Baptist Church in the home coming service. We enjoyed that week-end with Brother Doug King and our home church. We arrived back in Huntsville on Wednesday to help make the arrangements for Arlete's wedding. She was married to Karl Moyers on November 3, 1984 by his father in a beautiful ceremony. The wedding was conducted in the Faith Baptist Church of Leighton, Ala. While in Leighton we stayed in the home of the pastor, Brother Gary Phillips and I had the privilege of preaching for them a couple of times. They treated us as royalty. The

Faith Church also took care of our daughter Brenda and her family while they were there and we are all very grateful to all of them.

After our return to Lexington we had the joy of being with the Muddy Ford Baptist Church, Brother Harold LeMay is pastor, of Muddy Ford, Ky. in both services one Sunday before traveling to Madison Heights, Michigan to be with Brother Eddie Roberts and the Faith Baptist Church just before the Thanksgiving Conference. We attended and I spoke on the best Thanksgiving conference ever. On Wednesday night of the conference we went to Riverview, Mich. where I spoke to the Emmanuel Baptist Church where Brother Varner is pastor.

It has been a good month and during the conference we learned that there are four men who desire to go to the mission field. Let us work together to get them on the field by next Thanksgiving. It is not impossible. Let us pray and give to that end.

In His Name,
Bobby D. Creiglow

Called Back To Sao Luis . . . Need The Help Of God's People To Go . . . 2 Fold Request

by George Bean

P.O. Box 65
Beattyville, Ky.
November 24, 1984
as a missionary in Brasil, S.A. I

George Bean

Dear Brethren,
December 1979, I resigned with BFM after 15 years in Brasil, S.A. I believed it was God's will for me to return to the states. Soon after arriving in US I was called as pastor of The Hill Top Baptist Church, Beattyville, Ky. of which I am still pastor. For several months I have been bothered about returning to Brasil and Sao Luis. I have applied to work with BFM and have been accepted. I have been told by the directors of BFM that there are no funds now to send out any more new missionaries. It takes an average of \$2,000.00 per month to send and support a missionary family.

Brother Draper needs to change fields in Brasil

as his wife's health is not good and the climate in Sao Luis is not agreeable with her.

First, I ask you as pastors, Churches and individuals to pray about our going back to Sao Luis.

Second, if your church has some funds in the bank please pray and ask God if He would have you give it to help get the Beans to Brasil.

If you have an offering send it to BFM in care of James Hamilton, P.O. Box 24204, Lexington, Ky. 40524. Mark it Beans' return to Brasil.

I look forward to working once more with you dear pastors and churches and I am now somewhat able to go and tell about our burden in Brasil. I am still pastoring and Sundays are difficult as I need to be here at Hill Top Baptist until I resign etc.

May the Lord bless you all in every way. I believe that there is now in the banks of America in Baptist Churches accounts funds sufficient to send the Beans and all the other missionaries to their fields of labor.

Yours to Tell
The Old Old Story
George Bean

About 700 In Evening Service . . . Reduce Buses And Begin 6 Preaching Points . . . School Year Ends With Great Results

by Paul Hatcher

Dear Brothers and Sisters in Christ,
November 28, 1984

We thank God for the opportunity to share with you more evidence that God's promise in Matt. 28:20 is true. He is still with us. This past Sunday night we held our evening church service with about 700 present outdoors in the school ball field. It was an exciting service. This past Sunday we also baptized 23 into the fellowship of the Tabernacle Baptist Church. During the month we have had a total of about 40 baptized.

Due to growth and the need to reach more people, we have made some extensions and changes in our ministry here in Tabernacle Baptist Church this past month. We are reducing our buses and in order to reach as many as possible, we are holding Sunday School in the homes of our Sunday School teachers. We have also begun 6 major preaching points in various suburbs of town which hold services on Sunday Morning and Wednesday night. This past Sunday was the first service in these 6 preaching points with a total of 270 present. One of our graduating Seminary students has moved to the area where he is operating a preaching point and on the first Sunday had 64 present. The Lord is tremendously blessing the ministry of this young man by the name of Barral. He is truly dedicated to

Paul Hatcher

serving. Barral even moved from the house where he lived to this area in order to minister more effectively.

Due to need for more space, we are moving our Sunday evening service to the covered area which joins our buildings beginning this Sunday evening. We are now making plans to enlarge this area by tearing down the wall which separates it from the adjoining ball field. By enlarging our covered area, we shall be able to seat about 1,500 people.

This is the end of the school year for the Grade School and High School. The Lord has blessed us this year. Even now we have 25 Junior High and High School students who are growing in a steady and rapid rate in the Lord. They have been saved and baptized this year as a result of the ministry in our schools. We have had others who have also been saved, many of which have not been permitted to be baptized because of opposition by their parents. We just had 100 children graduate from our Kindergarten this past week.

This coming week we will begin a new group in the Seminary. The Lord willing next month we will have more news on this. Please continue to pray regularly for all the ministries that we are involved in and that the Lord will use Tabernacle Baptist Church and the graduates of the Seminary to reach many for Christ. We thank the Lord for your prayers and financial support. May the Lord richly bless each of you.

Your brother in Christ,
Paul Hatcher
