The Paul Calleys 1959

Brother and Sister Paul Calley Go To Be With The Lord

Brother and Sister Calley were faithful missionaries in Brazil for about five years with Baptist Faith Missions in the 1950's. After their return they served the Lord in Missions for a year, in Florida for seven years and then in Northern Michigan for twenty-two years.

They were faithful to the Lord wherever they were and God used them greatly. Five churches were organized in Northern Michigan in their last years and many souls were saved. They were a good testimony for Christ witnessing for Him until the Lord took them home even though they suffered much from cancer they both had in their last days.

Paul Calley was born November 16, 1914 and went to be with the Lord March 27, 1985. Florence Calley was born January 18, 1920 and went to be with the Lord November 17, 1984. May the Lord comfort and strengthen their family. 2 Corinthians 1:3-4.

The family of Brother and Sister Calley appreciate very much the flowers sent in their memory and also express thanks for all the support given them over the years.

Make A Deposit With God!

Last evening in his message at the annual Bible Conference of the Ashland Avenue Baptist Church and Lexington Baptist College our former missionary and now missionary appointee (George Bean) shared with us some experiences he'd had in the line of faith. His message was: "Be all you can be." He told of two occasions when he and some others, while serving in Brazil, had claimed some property for God. The owners had said that the properties were not for sale. By faith they claimed the properties and today there are two Baptist meeting houses standing on those plots for the glory of our God and as monuments to EXPECTANT FAITH IN GOD.

His experiences reminded me of what Russ Johnston and Maureen Rank said in their book; *God Can Make It Happen*. They said: "The difference between making a deposit in the bank and making a deposit with God is that at the First National you'll put your money in and get only about 6% (1978) return, but in a deposit with God; you put in a little and get a phenomenal return. God will open the windows of heaven and pour out a blessing so big you'll hardly have room to receive it."

By making a deposit with God; "God can make it Happen."

A number of pastors have shared that their churches had raised support, some had doubled support. WHY? They wish to see these three, God called families to the field of God's Calling (The Wacasers, the Beans and the Hendersons).

In addition to the raised support, many have already decided to have a special B.F.M. Founder's Month Day, some time in June, in their churches. Our desire and I feel, almost a necessity, that we have a total offering for the month of June of \$40,000.00.

Travels

Since last report I've either preached or at least been with the following: Midway Baptist Church and Pastor Charles Parker of Irvine, Ky.; the annual B.F.M. Spring Conference sponsored by: Bryan Station Baptist Church, S. Lexington Baptist Church and the Thompson Rd. Baptist Church all of Lexington; New Liberty Baptist Church and Pastor Howard Rogers of Asheville, N.C.; the annual conference of the Calvary Baptist Church and Pastor Millard Mitchell of Nitro, West Virginia; the Island City Baptist Church and Pastor Harold Becknell of Island City, Kentucky. In addition to these, I was in attendance at the annual conference of my home church here; the Ashland Avenue Baptist Church and Lexington Baptist College where Dr. Ross Range is our pastor. Thanks to each.

Louie Carver

Since there are yet approximately 47% of the world's population (4.8 billion) who are unevangelized and of those who are called evangelized 872 million or 18.5 are Roman Catholic; isn't it clear that we've a BIG JOB TO DO AND WE MUST GET WITH?

REMEMBER! I stand ready and anxious to help you in any Biblical way.

Yours in His Service,
W. Louie Carver

P.S. Would you make a deposit with God and watch Him bring it to pass?

Founders Month

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past up until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this mid-year slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

15 Saved At Santo Tomas . . . Difficult Trip From Miraflores But 10 Saved . . . Report On Iquitos

By Doug Gasque

Iquitos, Peru
Apartado 183
April 1985

Dear Brethren,

This month has been very fruitful in the Lord's work. We had a total of 15 saved in the mission at Santo Tomas and 6 of these have been baptized. The rest are waiting in order to be married legally before we can baptize them. The construction in Santo Tomas is going well also. We now have a roof on and having services in the building even though it's not completed. This is truly a work of faith as we ask nothing from you but your prayers.

Doug Gasque

We also made a trip up the Amazon River about two hours and then entered a stream to travel another eight hours to get to our mission at Miraflores where we were received with open arms for a two day conference and dedication of their new building for the praise of our Lord and Saviour. During the services there were 10 who made professions of faith in our Lord and Saviour. Leaving Miraflores we had many problems with the motor on our boat and we ended up poling our way down the stream for about 10 hours at which time we found a man with a boat who agreed to pull us to Tamshiyacu. This took another five hours. Arriving in Tamshiyacu, we caught another boat to return to Iquitos. A total of 20 hours to return home. The souls saved made it all worth while.

This past week I preached two days in an evangelistic campaign of the Third Baptist Church.

They too are seeing a steady growth. The First Baptist Church has voted to change pastors and will be seeking the Lord's will in this. Pray for these churches and missions who are taking the Gospel to a people who will die and go to hell except they repent and receive Jesus Christ as their Saviour.

Remember Gasque Bible Institute also in prayer.
Yours in Him,
Douglas Gasque and Family

Sowing The Seed In Abundance . . . Report On The Activities Of The Month

By Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal Philippines

Dear Co-Laborers In Christ,
April 22, 1985
My family and I trust that this mission letter finds each of our readers well and rejoicing in the blessings of the Lord upon your lives.

Dana Adams

In last month's letter I referred to the month of April as the month of sowing the seed, which represents the Word of God. See Matthew 13:3 I'm happy to report that our young people accepted this challenge and have been busy distributing some 4,000 handbills thus far. We are praying that some of the seed will fall upon good ground and bring forth fruit. We are claiming Galatians 6:9 by faith, which states, "And let us not be weary in well doing: for in due season we shall reap, if we faint not." On the 29th of this month some of our young people

are leaving for youth camp where they will be fellowshiping with other Christian young men and women. We are trusting that each of them will be revived and challenged to serve the Lord in a greater way upon returning from the camp.

Our theme for the second quarter of 1985 is "Living the Risen Life," based on Colossians 3 and 4. This series of lessons is being taught during our Sunday School hour to the adults and young people by myself. I have spent the month of April on verses 1-4. Hopefully I will be able to complete this series of study by June.

For some time now my wife, Becky, has been teaching a class on the last Saturday of each month to the ladies of our church, known as the "Ladies Circle." Her lessons are taken from a book entitled, "How On Earth Can I Be Spiritual," written by C. Summer Wemp. This class has proved to be a blessing to all who have attended.

Until next month, may the Lord richly bless and use you for His glory in my prayer.

The Biggest Item Of Interest . . . Attendance Higher . . . Brother Paul To Help In Week's Meeting . . . Spiritual Condition Revealed In President's Sickness

By John Hatcher

Dear Friends,
April 21, 1985
The biggest item of interest here in Brazil at the moment is the serious health problem of

John Hatcher

the newly elected president, Tancredo Neves. He was taken to the hospital for an emergency operation the day before inauguration. Since then he has undergone seven operations, five requiring a general anaesthesia. The operations were done within a period of 21 days. At present his condition is critical and he is being kept alive by the use of mechanical means.

This month our attendance has been higher with an average of over 200. A number of young persons are being trained and, soon, the plan is to increase the number of Sunday School classes. The work in Duartina continues to go well. In Cornelio Procopio the glass has now been put in the new windows and doors.

Our night classes are going well. Next week Pastor Paul Hatcher and Wanda will be with us for a

week. This will be a week of special studies on Time Management, Christian Leadership Qualities, and Basic Communication.

By the time you read this letter I will have had my 60th birthday, the Lord willing, and suffice it to say, sometimes, I seem to feel as old as I am. That is not the same as being as old as you feel.

The sickness of the newly elected President of Brazil has revealed the spiritual condition of the nation. Groups of Black Magic followers, Christian groups of every shade and color, the ever present Catholic masses and priests, persons making promises and carrying heavy wooden crosses are seen daily on the TV as they appear in front of the hospital where the President is interned. One Catholic friar, who is supposed to have miraculous healing power in his hands has been with the President to lay on his hands two times. Superstitions, idolatry, witchcraft, and what have you, has been resorted to in behalf of the President.

Say not, there are three months until the harvest. Behold, the fields are white, but the laborers are few. It seems to me that God still asks the question: Whom shall I send, who will go for us?

In Him,
John and Alta Hatcher

Pray Concerning Medical Problems . . . Report On Family . . . Plan To Have The Motorcycles In Use Soon . . . Pray Concerning The Election

March 21, 1985

Dear Brethren,
Again we greet you from the Andes Mountains. Since my last letter I have made

another trip to Pucallpa and back to San Juan, and then on to Huanuco. Here in the mountains and the jungle we have been in the rainy season, but, thank the Lord we have not had many landslides this year. Most of the month I have been working on the truck and I have many things to fix yet. I am now in Lima for another car check-up and to have the transmission worked on again.

While in Lima the doctor had me get a special X-ray and they found that I have cysts on both kidneys. I request prayer that you may remember me as I come to your mind.

Elizabeth worked in the vacation Bible school in Huanuco and was happy to be used of the Lord. Melissa is still studying with the linguistics

Homer Crain

children here in Huanuco. She will be finishing the sixth grade the last of April. She has learned to play the guitar and plays and sings in Spanish in many of the services.

We have not bought the motorcycles to use in the work but we hope to have them visiting the small towns in the next week or so. Remember to pray for the brethren that will be preaching each week-end. They will leave Saturday about noon and be back in time to work Monday morning.

All of the state workers are on strike so we have not had any mail in the past three weeks. In Lima there are demonstrations in all the streets demanding more money (that the government does not have).

In April the people will vote for a new president for five years. If the communist win, our time here will be short. Remember Peru while the people go and cast their votes. At the first run off there will be four or five parties and the person that gets one third of the votes in the first run off will become the President of Peru for the next five years. Remember us and please designate offerings for Crains work in Peru. Our time is running out let us all give, work and pray till the day breaks.

Attendance Good . . . Renting Two Buses To Bring The People In . . . Several Saved . . . Plans For Next Few Weeks

By Harold Bratcher

Manaus, Amazonas
April 16, 1985

Dear Brethren,
Sunday, March 24th was a blessed day at the 14th of December Baptist Church. It was, first of all, the day of the Lord. It was also my 58th birthday. We had 605 in Sunday Bible School and over 300 Sunday night.

We have recently enlarged the place of our tent and stretched forth the curtains of our habitations in at least two ways: we now have two buses we are renting to bring the people in on Sunday morning and we now have a new mission in a new suburb of the city. Services are now being held regularly there. I'm to preach there Friday night. There were 37 in attendance in Sunday School there last Sunday morning.

Sunday, March 31st the attendance was down at both services in comparison the previous Sunday but we had three professions of faith in the Sunday night service.

Friday, April 5th was indeed "good Friday" for me. We celebrated Marie's 58th birthday. Happy birthday to you - my beloved wife!

Harold Bratcher

Sunday, April 7th - 430 in Sunday and four professions of faith Sunday night. Wednesday night, April 10th Missionary Robert Bruce Lunsford spoke at our Prayer Meeting services. Welcome back to Brazil - Brother and Mrs. Lunsford!

Sunday, April 14th - 434 in Sunday School. The next three weeks will be busy days for Mrs. Bratcher and I. This Saturday our youngest son Stephen M. will arrive from the States. The Lord willing, he will be married - a church wedding - to Salette Gomes Nunes on Saturday afternoon, May 4th. The Lord willing, they will go with us or we with them to the U.S.A. on the early morning flight from Manaus to Miami, Florida on May 6th.

On the 5th of May, the church will bid its present pastor good-bye and then on the 14th of May receive its former pastor back again. I am the present pastor - Asa Mark is the former pastor. We plan to attend Asa Mark's graduation exercises at the Luther Rice Seminary in Jacksonville, Florida on the 10th of May. We then plan to spend some two months in the U.S.A. We hope to see some of you during this period. If you should wish to write us - do so in care of Stephen M. Bratcher - 2315 Harrodsburg Road, Apt. 45, Lexington, Ky. 40504.

May the Lord's richest blessings be upon you is our prayer.

Speaks In Several Churches . . . Preparing For Trip To Two New Churches . . . Plans Concerning Returning To Brazil

By Bobby Creiglow

Lexington, Ky.
April 25, 1985

Dear Brethren,
After we arrived in Lexington from picking up Mike and his family in Miami we had a week

of rest and fellowship together before things started to roll once again. Things started off with the Spring Conference at Thompson Road Baptist Church where Brother James Hamilton is pastor. I was one of the speakers on this conference. The following week we went to Nitro, W. Va. to be with Pastor Millard Mitchell and the Calvary Baptist Church in their conference on behalf of Missions. I had the privilege of speaking twice. They once again had a very good conference and once again we enjoyed staying in the home of John and Barbara Smith. I think they have about adopted us and we are very thankful for them and their good pastor.

Bobby Creiglow

We arrived home from West Virginia on Thursday and that night I started a meeting with The Beach Grove Baptist Church of Crab Orchard, Kentucky. I thought we had a pretty good meeting that went through Sunday night. Brother Ronald Harpe is pastor of this church.

On the way home from the meeting at Beach Grove I came down with the flu and had to miss most of the Mission Conference at the Ashland Ave. Baptist Church, but I understand it was a very good one also.

After a short trip tomorrow to Ohio to visit my mother, Betty and I will go to Alabama once again where I hope to be in two new churches.

As it stands now it looks like we will be returning to Brazil in July and for at least a few months we will be working with the work in Cuaba where Brother Turner is now laboring and will stay with them until either the Lord gives them a national pastor or until Brother Bean gets there at which time he will take over and I will move on to our new work we plan to start.

In His Name,

Record Attendance In School . . . Long Hard Hours But Great . . . Spiritual Blessings . . . Ways We Can Help . . . Special Prayer Requested

By Sheridan Stanton

April 18, 1985

Dear Brothers and Sisters in Christ,
Greetings once again in the name of our Saviour and Lord, Jesus Christ. I hope that this

letter finds everyone in good health and enjoying the blessings of the Lord. Alot has been going on here in Pucallpa since I wrote last month. The school has started back up for this year and we have a record attendance of 520 students. We had 420 last year so you can see that the Lord is really blessing us here in this work. I have seen two saved as a result of our ministry with the school, and every day I am witnessing to parents that come in and also to the students in classes that I teach. I want to thank each one for your special offerings that you have designated for the Pucallpa Baptist School. We have been able to do quite a bit of necessary repairs on the property, however, we are still way short of the mark. The opportunity here is unlimited in reaching lost souls with the gospel. To have a part in training young men and women, boys and girls, in the way of

Sheridan Stanton

the Lord, for me is truly a great privilege. Anita is teaching in elementary school and I am teaching in the High School. Each week we have evangelistic services for the young people in our school. I know that the Lord is going to bless us this year with many souls.

I was very moved today with joy and gratitude to know that the high school graduating class has decided to name their class, "The Class of Delbert R. Mayfield." Several of these students have been with the school since kindergarten, and I thought that it was great of them to pay tribute to the founder of the school, Brother Mayfield. Please pray for these students that the Lord will work upon them in a mighty way. There are still so many things that we are short. There are two ways that you can help us with the school: one is to give a special offering for the school and the other is to help one student with their tuition, books and uniforms. The monthly cost of "adopting a student", is only "10.00 per month. WE need this type of support for many of these poor children that study here with us. Be sure to mark your offerings for the "Pucallpa School Student Aid". The Lord will bless you for your help.

The rainy season is about over and the churches seem to be picking up some. We are still with

Great Rains, 80,000 Without Homes Because Of Floods . . . Two Wonderful Services In The Former Dance Hall . . . Pray For Brother Trindade and Wife

By Harold Draper

Dear Brethren,
We greet you again from Sao Luis. All is well here. The Lord is continuing to bless us with good health in our family. The church work is still going strong. By faith we try to keep going forward in the work with the Lord's help. We have had much rain here this month. There are 80 thousand people in this state without homes due to flooding. After 5 years of little rain the rain came back for which we are thankful. Most of the destruction is due to the fact that people built houses during the drought in low lying places forgetting that the rain would come back. The Lord has promised to maintain the seasons until the end of this old world. People are many times ignorant of this. He is faithful.

We have had two great services in the Dance Hall the Lord gave us. The first one was quite unusual. The Devil sent several of his to check things out. One was the man we bought it from. He had a gun in his pocket and was very drunk. Many were frightened by this. I talked calmly to him and he did not offer to do harm. He has killed several in cold blood in this place. The last one being a 19 year old boy who he stabbed in the heart. It doesn't sound real!! I am afraid it is. The law here is so corrupt you just pay the police a little to forget. For this reason he has gone unpunished. But there is One greater than this poor hard sinner. It was a very emotional service. The saints rejoiced in the victory over the forces of evil. We just moved Brother Trindade and family to Anajatuba. She hasn't stopped crying yet. It is a hard place to live with few conveniences. Pray for her that the Lord will give her grace and bless their ministry. Our mission in Anil is doing real good under the direction of Brother Gonzaga. One brother has been able to get a lot for us to start a new work on in a new settlement here on the island. He is ordained from our church and we expect it to be a good prospect. May the Lord bless all of you.

Preaches In South Carolina And Kentucky . . . Finishing Schooling In Florida . . . Soon to Return To Brazil

By Asa Bratcher

Dear Brethren,
We trust that this past month has been a most blessed one in the Lord's service, for each one of you. The Lord has continued to bless here in many ways.

The 7th of this month, we had the privilege of being with the Concord Baptist Church, Leesville, S.C., where Brother Elton Dunbar is the loved pastor. We enjoyed very much the fellowship with them.

The next day, we drove to Lexington, Kentucky, where I

April 24, 1985

Asa Bratcher

was the second speaker at the Spring Conference. We appreciate each sponsoring church and each one that worked hard so that this conference could be a good one.

Wednesday night, we attended and I spoke a few words of thanks at the Ashland Avenue Baptist Church, to express our appreciation for their generous gift that helped purchase the mission launch.

Thursday we drove back with Bro. Dunbar and Friday returned to Jacksonville. Continue to pray for us, as the Lord willing, I conclude my studies here and we return to Manaus on May 13th. By His Grace, until next month.

In His Service,

God's Leading In Methods . . . Words Of Wisdom Concerning God's Wisdom And Our Foolishness . . . Request For Special Prayer

by Paul Hatcher

Caixa Postal 1437
Manaus, Amazonas
69.000 Brazil
March 20, 1985

Dear Friends,
I remember eight years ago when the Lord told me to start a bus ministry. Maybe you remember that time too. There was about as much opposition as there was support for it; at that time it was a new idea in churching. "Paul, it's never been done before."

"It's a great idea, Paul. Put your all into it." "Paul, are you sure it's the will of God?" Well, it was the will of God, and we did go into bussing - full fledged. And God used it mightily, in our ministry, and in encouraging others to use bussing as a means of winning souls. But in the last year I've seen God begin to lead me and this ministry toward a new direction (see last month's letter on our "Nucleus System.") I've thought and evaluated and prayed, and re-evaluated, thought more and prayed even more. Perhaps the following article written by J.L. Cannon will help you better understand where we are right now in our lives and ministry. But first, please stop right now and read Acts 16:6-7.

"Yes! Plans need to be made, and God-given talents used, but we had better keep our ears tuned to God's providence. Paul and his company had their own ideas as to where they should go, and when they should go, but the Lord disagreed with them. Being men of God, they accepted guidance of the Spirit and finally went where God wanted them to go. How perplexed they must have been."

"I have had finely-laid plans fall to pieces, and though I complained at the time, I have found that God had better plans in mind. I have found more than once, that an accidental straying from a certain plan accomplished even more than what we had in mind! I have been made to look wise when the work is done, but I remember my wisdom was foolishness, and I thank God that I didn't get my own way. It is

Paul Hatcher

sometimes an excruciating experience, but I am learning a little of what it is like to work with God. We are filled so much with our own importance, that we don't leave any elbow room for Christ. He is with us, 'Yea, even unto the end of the world,' but do we leave any room for His suggestions? After all, He is head of the church, not us. His will is to be done, not ours. If Paul had some set methods about his work, they didn't always please the Lord. According to the text we can consider them on this occasion 'forbidden,' and 'not allowed.' Our ideas are not going to fare any better if we want to do the will of Christ. I don't know about you, but I am often apt to take my completed plans to Christ for His approval, rather than consulting Him before they are made. This makes for a lot of back-tracking, and 'loss of face.' The purpose of the missionary is not to show how wise and successful he is, but to show the grace of Christ working in his weaknesses to the glory of the Lord. This is a hard nut to swallow, but it is actually the case. We tend to give a different impression though. We want to think that the grace of Christ is shown in our strength so we have something to boast about. But you can see that this is inconsistent and impossible. Grace is shown to be grace in weaknesses, not in strengths. So in admitting and recognizing our weaknesses it becomes possible for Christ's will to be done. God's plans can now be carried out in our work, and God's name will be glorified. I fear that many of the methods, and many of the fancy names given to them by the brotherhood, glorify man's wisdom and not God's."

"Let us watch now for the seeming accidents, for the interruptions of our thinking and planning. It may be God trying to open up for us a way of acceptable, rewarding service for Him."

How about praying for your missionaries like this: "God, give Brother _____ wisdom. Help him to trust you implicitly for the direction that his life and ministry takes. Give him courage to follow you."

Love,
Paul Hatcher

Good Services . . . New Convert Giving Land For Camp . . . Preparing For Furlough . . . Report On Health

By Richard Turner

Caixa Postal 720
78000-Cuiaba, Mt.
Brazil, S.A.
April 10, 1985

Dear Brethren,

This month our work has been a bit down as far as attendance goes with some of our people being away and some being sick. However, the Lord has been pleased to give us some good Spiritual services and it seems that some of our people are growing in the Lord. There seems to be a real desire to know more and do more for the Lord at this time. The young people are really being a blessing to the work at this time. Of course, not everything is perfect and we have about five members that are going to have to be disciplined for unfaithfulness.

The work at Faith Church in Varzea Grande seems to be going forward and being greatly blessed of the Lord. The last time I talked to Brother Candido, the pastor there, he was much encouraged

Richard Turner

after going thru some rough times because of zealotness. The Lord has saved and given some new people that are really taking hold and going forward. One of the new converts owns a large ranch and is giving the church a large area to make a camp. This man is a deaf-mute and because of his testimony there are several others attending the services at Faith.

I and the family are beginning to get ready to come to the States in July or if possible in June. Pray for us as there is so much to do. We still don't have anyone to take over the work here which is one of our main concerns at this time. I believe it would be very bad for the work at this time to just leave it with the brethren of the church. Our men are not stable enough to hold it together. Pray that this problem will be resolved.

I forgot to report last month about my health. I had some X-rays made of my intestines which show up nothing, however, I'm still having some problems. I am better but not well so also pray for me. I plan to go to the doctor again but another one to see if he can help me.

Thank you for your prayers and faithful support.

Holds Special Meetings In Huanuco And Tingo Maria . . . Several Saved . . . Landslide Dangers . . . New Government Taking Over . . . Pray For Peru

By Homer Crain

Apartado 7
Huanuco, Peru S.A.
April 18, 1985

Dear Brethren,

Since our last letter I have preached in two meetings, one here in Huanuco and the other in Tingo Maria.

I preached Sunday through Wednesday here in Huanuco and Thursday through Sunday at Tingo Maria. The Lord blessed with souls being saved in both meetings. In Tingo Maria there was no electricity at night so I preached by candle light. The building was full each night and good interest.

My truck has been in the garage most of this month, so I had to travel by bus to Tingo Maria and back to Huanuco. Coming back from Tingo we were 6 hours coming back because of landslides. The bus was stuck in the middle of a landslide with rocks as large as truck wheels falling all around us. A big truck hooked on to the back and pulled us out just in time. As the truck pulled us out a large section of the mountain fell in front of us. It was good to get back to Huanuco and be with my family.

The work is going well in Chavinillo and Paucar. We plan now to build this side of Paucar where a large village is growing. Also, we plan to start building in Chavinillo as soon as the rain stops. I will be going back to Chavinillo next month to baptize as three families have gotten married so they can be baptized.

Next week the Zion Baptist Church will finish their walls to their building, so, we will be busy putting on the roof as soon as they finish with the walls.

Due to the elections here in Peru we put off the

starting of our Bible Institute until the first week of May.

Allen Garcia, the candidate for the Socialistic Democratic government won 49.6 of all the votes with nine candidates running. What bothered me most was the second place was won by the communist with about 26 percent of the votes. Allen Garcia has to get 50 percent of all the votes plus one to take office in July. It looks like he will win without another election in June. Pray for Peru as this country goes through a changing government.

I am still having trouble with my ear operation and I have to go back to Lima for a check up next week. We pray God will continue to bless with the offerings so the new missionaries may soon be on the field.

problems with the Faith Baptist Church. The pastor and a few members have tried to take over the property and claim it as theirs. There is no way they can do this, but I do fear for these Brethren. I know God will chastise them in His own way. There are no signs of repentance as of yet. Please pray for these men that soon the Lord will change their hearts. Most in the church are not in favor of the pastor but are afraid to speak out, please pray for them also. With the exception of this church the others are doing well. NO reports of any souls saved from the pastors but they are not discouraged.

Our institute will start in three weeks. Please pray with us about this. We will continue to prepare young workers for use in the Master's vineyard. The hope of our works here in the country of Peru is in preparing and motivating workers. We need your prayers, the hours are long and the work is hard, but our Lord is always upholding us. May God continue to bless in a great way as you remain faithful to Him.

Serving Jesus in Peru,
Sheridan and Anita Stanton
