Report On The Works . . . Ann Orrick Visiting And Helping For The Summer . . . Eight Saved At Garca . . . The Stories Of Ruth and Nelisa

by John Hatcher

Garca, Sao Paulo, Brasil
June 15, 1985

Dear Friends,

Chilly weather and low attendance has been the situation in most of the works here in Sao Paulo and Parana. June and July are our colder months. All of the work is going well except in the city of Corneio Procopio. One of the members has been very unhappy and disagreeable toward the pastor. One of those bouts with carnal Christians that proves God's people and puts the temper in a young preacher (if he makes it through the fire).

John Hatcher

Alta and I are enjoying having Ann Orrick in our home for the vacation period. She arrived in Sao

Paulo on the 27th of May. Our young people are trading English for Portuguese with Ann and all seem to be enjoying the interchange. Ann is helping in the children's classes on Sunday and goes visiting with the young people two times each week.

Sunday past eight persons made professions of faith here in Garca. I will tell you about two of them. One was a lady named Ruth.

Ruth is a widow of middle age. She worked as a nurse in the city of Sao Paulo for 30 years. She came to Garca to live about one year ago. She came to the house where two of our members live, last Saturday. It happened that we had eaten dinner with these members and after lunch Ruth knocked on the door. She makes a living sewing and making embroidery. After showing her pieces, Alta told her about our church services and invited her to come. She had attended a Methodist church as a girl, was baptized a Catholic when she was twelve, although she never attended the Catholic church, and was baptized in a

Two letters came from adjoining states the same day. One stated: first monthly check for \$10.00 to help to support Brother John Henderson. I hope to be able to raise it in the future." The other stated: "I've committed to give \$30.00 monthly to help with the B.F.M. Mission's work and that's really nothing compared to what my Lord had done for me. My husband could not agree with me until you were recently with our church and now he is in agreement too."

Louie Carver

Thank God for ladies as these. We desperately need many other like them on a monthly giving basis. In fact, there is no doubt, God has many more out there. Are you one of them? Perhaps a dear brother who'll do the same ??? Will you be a monthly partner ???

I have been with the following since last report; Tupper's Valley Baptist Church and Pastor Billy Haynes of Charleston, W. Va.; First Baptist Church and Pastor Harold Becknell of Island City, Ky.; was also with the Cedar Creek Baptist Church of Red Bay, Alabama, presently with only a fine supply pastor. Too, was with the First Baptist Church and Pastor Virgil Chism of Elgin, Alabama. It's always a real joy being with God's people in His Churches.

By the time you read this letter, I'll, the Lord willing, have been to the Philippines, Korea and returned. Do be much in prayer, especially for the Brethren in Korea. The Faith Church's building collapsed and they're now meeting under a make-shift

type of a tent. But thank God they're still meeting and they're still worshipping.

Something unusual took place just recently that I believe will be a blessing to you. To me, this shows how that we never know what God is going to do or how He may be pleased to use a statement we may have made. A man whom, to my knowledge, I've never met and from another state several hundred miles away, found a copy of one of M.S. in some used books in a box. He read it and I had stated; "If I may ever be of help to you in any way feel free to call on me." This man, a fairly new believer, after several attempts to catch me home called. He wanted some spiritual counseling and advice about a place to worship God. After-all he'd been saved but a short time and up to the time had no pastor.

I repeat, if I may be of help to you do not be reluctant to call on me. Especially in regards to: your missions' outreach, a mission conference, revival meeting, your desire to know more about B.F.M. or if you would just like me to come and preach.

REMEMBER! We're praying and seeking to get the Beans (veteran missionaries of 15+ years) back to Brazil and the Hendersons (over ten years experience as a pastor and evangelistic work) to the Philippines. God called them, God supplies the MONEY but He does so through you and me as the channels. CAN HE DEPEND ON US ???

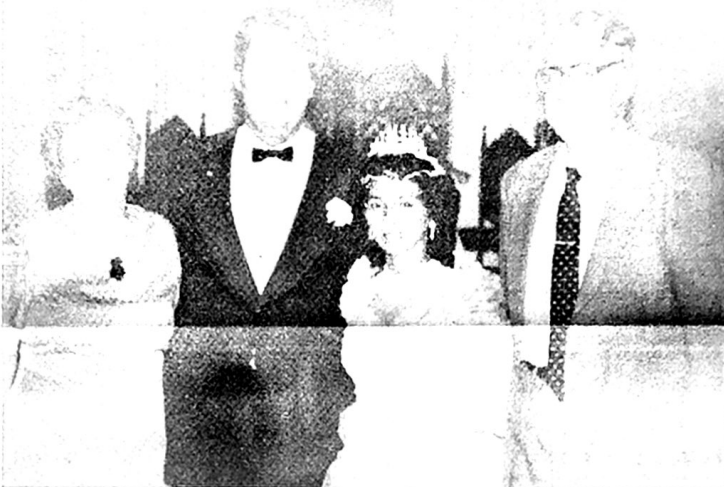

Your Servant In Christ,

W. Louie Carver

P.S. Have you given serious thought about your labors for Christ after your departure from this life? You may continue to be a witness for Him if you'll remember B.F.M. in your will, in a trust, an insurance policy. Everyone reading this could tithe your estate to B.F.M. and can you imagine what that would mean in helping to get the Gospel out to the Regions Beyond.

Report on Special Requests From Last Month

1. Brother Crain is back in Peru but his health is still a problem. See his letter this issue. Continue to pray for him.
2. Sister Marie Bratcher had surgery and it was a success. Brother and Sister Bratcher will be returning to Brazil soon. See Brother Harold Bratcher's letter in this issue. Continue to pray for her complete recovery.

Special Letter From Ann Orrick

June 19, 1985

Dear Friends and Loved Ones,

Who would have ever thought that the Lord would have answered my prayers so soon? Ever since I was a young teenager I have had the desire to come to Brazil and work for the Lord. Now, thanks to God opening the door and to some of you who have supported me, I am in Garca, Brazil visiting and working with Brother and Sister Hatcher.

The first few days of my trip were spent in the city of Sao Paulo, one of the three largest cities in the world. While seeing some of the sites of the city Brother Hatcher told me something that really left an impression on me; he said that if the Lord returned today, Sao Paulo would continue as always. It is sad to think that here are not enough believers in Christ that they would be missed when raptured.

Since I have been in Garca, I have learned enough Portuguese to be able to go out with Sister Hatcher and the youth on visitation. It is an honor to be working with people who love Christ so much. It is an even more humbling honor to be able to be used of God. I pray that I will continue to have more of a zeal to be used.

Again, I thank those who have supported me both materially and spiritually. Please continue to remember me and the work here in your prayers.

Love,
Ann Orrick

In Two Conferences . . . Many Churches Visited And Mission Work Presented . . . Busy Getting Ready To Return To Brazil

by Bobby Creiglow

Dear Brethren,
In our getting ready to return to Brazil it seems I have become careless keeping and forgot to write about the conference of the Lyman's Creek Baptist Church of Beattyville, Kentucky where Brother Richard Adams is pastor. I was one of the speakers on that conference that will have long lasting results and we thank them for having us. Out of that conference came two invitations to be with two new churches and ten days later we returned to Alabama to be with the Elm Street Baptist Church of Athens, Ala. where Junior Long is pastor. They told me that they were going to start a mission program and that we would be included on it. Then on the following Wednesday night we were with the Calvary Baptist Church of Decatur, Alabama where we presented the work of Baptist Faith Missions and then preached for them. Brother Carlos Sturgil is

pastor of that fine church. On one of those trips I also presented the work of Baptist Faith Missions and preached at the Greenbrier Baptist Church of Madison, Alabama and this also is a very fine church. I want to thank all of these churches for having us and trust our having been there was a blessing to them also.

Last Sunday I filled my last engagement before returning to Brazil. I pulpit supplied while the pastor of the Lexington Bethel Baptist Church was on vacation. Pastor Walter Fisher and the members are enjoying their new building and are working hard to make the work grow. This church along with all of the churches that I visited this month were new to me and I am grateful to all of them for having me.

We are now in the middle of packing and storing things getting ready to return to Brazil and we hope to travel on July 19, 1985. It has been a long and good furlough but we are ready to return.

Report On Church . . . Special Meeting With Brother Oliveira . . . Furlough Soon . . . Cold Wave

by Richard Turner

Dear Brethren,
Since writing last month, the church has excluded three members, attending and one for ungodly living. Also, one was received into the fellowship of the church by baptism. The attendance has stayed about the same in regular services with some visitors present.

We were especially blessed to have Brother Sebastiao Oliveira, the blind preacher and singer with us for a week-end meeting. We had extra good crowds present. He brought some very good messages to us. This was the third time that we have had him and he is a blessing every time.

We have bought our passages to return to

Richard A. Turner

the States. The Lord willing, we will be leaving June 27 and arriving in Orlando, Fl. 5:00 a.m. June 28.

For the last week we have been having very cold weather for us here in Brazil. Today the temperature was down in the 40s. Everyone is about frozen. To go from 95 to 100 way down to 40 is a great shock. Some people have already died from the cold.

Thank you all for your prayers and faithful support.

In His Service,
Richard A. Turner

Sister Bratcher Doing Well After Surgery . . . Many Thanks . . . Report On Travels . . . Three Saved

by Harold Bratcher

Dear Brethren,
Lexington, Kentucky
June 25, 1985
We are still the welcomed and royally entertained guests in the home of Dr. & Mrs. George W. Phillips, 736 Lakeshore Drive, Lexington, Ky. 40502. I wrote in the May letter of May 27th;

"Tomorrow Marie is to have a check-up at the Lexington Clinic." The check-up with other examinations, etc. revealed that she had a tumor, growth or cancer on her colon. On Tuesday, June 4th she was admitted to the Central Baptist Hospital. There on Thursday afternoon she was operated on. Dr. Richard Floyd was the surgeon. She was dismissed from the hospital on Wednesday the 12th. She has enjoyed a rapid recovery. We give thanks to the Lord first of all and then we give thanks to all of you who were so very kind to us. We say thank you to each one of you who visited and or sent flowers or cards. We also thank those who have helped us financially. May the Lord bless each one of you. We also thank each church and pastor who has permitted us to preach and report to you concerning our work in Brazil.

Harold Bratcher

On Monday night the 27th of May, we had supper with and afterwards I brought a message at the Glen's Creek Baptist Church, Versailles, where Dr. Underwood is pastor. Then on Wednesday night the 29th, I preached at Riverside Baptist Church, Lexington, where Edwin B. Fountain is pastor. On Sunday June 2nd I preached at the morning and afternoon services at the Richmond

Road Baptist Church where Brother Jerry Gumm is the pastor. That night I preached at the South Lexington Baptist Church where Pastor & Editor Edward Overbey is the pastor. The following Wednesday I went with the Phillips to the Pinkard Baptist Church where Dr. Phillips is the pastor. There I brought a short message and showed a few slides of our work.

Sunday, June 9th I preached at two more Lexington churches - Broadway - H. Hoge Hockensmith, pastor and Devondale where John T. Thompson is the pastor.

From the following Wednesday night through the following Sunday afternoon, I was the evangelist at the Beech Grove Baptist Church of Lancaster where Joe Head is the pastor. On Sunday night I preached at the Covenant Baptist Church of Lexington where John Clem is the pastor.

We are happy to report that the Lord blessed us with three professions of faith during the seven night revival at the Fellowship Baptist Church of Richmond. Glyndon Dargavell is the pastor.

Thank you, Ashland Avenue Baptist Church - Dr. Ross Range pastor, for the offering to help us to build at two of the missions of the 14th of December Baptist Church - one in Manaus and the other in the interior.

The Lord willing, we will be leaving Lexington to return to Manaus, Amazonas, Brasil, S.A. on the 19th of July.

Please continue to pray for us and help us. We thank you for your prayers.

Yours In His Service,
Harold & Marie Bratcher

Sick With The Flu . . . Brother Carver's Visit A Blessing . . . Report And Needs Of The School . . . Plan To Start New Mission

by Sheridan Stanton

May 18, 1985

Dear Brothers and Sisters in Christ,
Greetings in the name of Jesus Christ our Lord and Savior. Anita and I hope that

We are doing fine here in Pucallpa, and continue to enjoy the blessing of the Lord. I've been recuperating from the flu for a few weeks now. It left me a little weak and had me in bed several days but the Lord was very gracious to me through it all. Leah had a small touch of it but not quite as bad.

We just saw Brother Louie Carver off at the Airport in Lima. He has been with us for one week now and it has surely been a blessing to everyone here. He was a real blessing to my family and a real encouragement. We used him everyday in our Religion classes and he preached three times during the week. It was my first opportunity to interpret for someone from English to Spanish; I enjoyed it. He brought a good and challenging message to some five to six hundred parents of our school at our annual Mothers' Day Program last Saturday Night.

The school continues to go well and the Lord is blessing. We certainly have our problems, but the Lord never promises us a life without problems; only the ability to deal with our problems. We have 523 students this year. The majority are not believers and many have parents in the Communist Party here. The opportunities we have to reach these young people with the Word of God is tremendous. We are laying the groundwork for future leaders, preachers, and national missionaries here in Peru. By teaching the truth of the Word of God while they are young and continuing the teaching in a more intensive manner in our Bible Institute, we have the possibility of turning this country around by God's power. My heart is burdened for Peru, and only God can change the hearts of people. Pray for this country that our Lord will manifest His Saving Grace in great abundance here. Anita and I want only to be used of the Lord to have a part in HIS work. We seek the Lord's will

Sheridan Stanton

constantly and seek to follow His leading. It's not easy and we have our share of trials, but He is always so gracious and leads us through. We are still short in financial help for the school. We need money to help in the construction of some basic necessities that all schools need. We need several more people that would be willing to "adopt" a student for \$10.00 a month. This will cover the cost of the monthly payment, books and other expenses that they will incur. You will be helping a child to study in a Christian School and not in a school system of Communistic influence. Please help us! May the Lord bless.

The other works are all doing about the same, holding their own. We are still looking for a suitable place to start a new mission. Pray for us about this also, that the Lord will bless us soon with a place. May God continue to bless as you remain faithful to HIM.

Serving Jesus in Peru,

Pentecost church as an adult. On Sunday morning, she and her son came to the services. Sunday night she returned. She heard, God opened her heart, and she was saved.

Nelisa is an eight year old girl. Her father does not permit her to come to church because her fourteen year old sister is spending too much time in church work. But, Sunday, their father went on a hunting trip and the mother let the two smaller sisters come to church. Nelisa trusted Christ as her Saviour, and when she got home she told her mother all about it. Mother and father are still lost but all three of the girls in this family have been saved.

On Wednesday night, two weeks ago, I baptized three ladies from the mission in Duartina.

Teresa Visiting and Helping During The Summer . . . Young People Doing A Survey . . . Beginning A Bible Institute

by Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal, Philippines
June 24, 1985

Dear Co-Laborers In Christ,
On May 29th our daughter, Teresa, arrived from Lexington, Kentucky to spend her summer vacation with us. She will be returning to the States on August 20th. She is a great blessing to us in our work by helping our Sunday School and assisting our young people to learn new songs to sing in our services.

Dana Adams

Beginning in July two of our young people, both of whom are Bible students, will be beginning a church survey for the purpose of reaching the unchurched and getting leads from those who are interested

in being saved or knowing more about the Bible. Please remember to pray for this outreach ministry of our church, that the Lord may be pleased to use this endeavor for His glory.

Also, in July I plan on beginning a Monday night Bible Institute. This is for all members of our church. Our class will begin at 6:30 P.M. until 8:30 P.M. Our text book will be "Bible Doctrines Outlines and Notes," by Geo. Boyer. This course will serve as a foundational course to be followed by other courses as the Lord leads. Pray for this ministry as there is a great need here to ground those who are saved in the truths of God's Word. In II Timothy 2:2 Paul expressed it this way, "And the things that thou hast heard of me among witnesses, the same commit thou to faithful men, who shall be able to teach others also."

Until next month, may the Lord's richest blessings be yours in my prayer.
In His Name,
Dana Adams

A Blessed But Difficult Month . . . Water Co. Problem Takes Time . . . Baby Girl Comes Into Our Home . . . More Giving In Wisdom Needed

by Harold Draper

June 14, 1985

Dear Brethren,
This has been a good month. Not because it has been an easy one, but because we have had the Lord's blessings with us. I baptized a lady who is about 50 years old into the fellowship of our church. We observed the Lord's supper at the church here in town, thus having observed these two churches ordinances, we were brought closer to the Lord.

Harold M. Draper

We have had an extra amount of things to deal with these days. The water company has sent water bills to the mission and to the church for about 10 times the normal amount. It looks like I will be able to get it straightened out. I've already spent hours at the water company trying to get it worked out. The meter shows we used less than the minimum rate, but they charged us for 10 times the minimum rate. I am informing you: folks just to give you an idea of how we pass our time here. One missionary said, "A missionary in Brazil spends 80% of his time just keeping the paperwork in order."

We are presently taking care of a 2 week old baby girl. Her mother is very poor and we found the baby almost dead. We felt led to bring it home and nurse it back to health. The mother asked us to consider adopting the baby because of her lack of ability to take care of it. We told her we would try to find it a good home. I have been looking for a home for her, but without avail. After much prayer we have decided that if the Lord permits us to get the paperwork through without difficulty we will assume the great responsibility to love and care for her. I was blessed recently by an article written by Pastor Ed Fountain which showed that we must love others and give of ourselves in order to be obedient. Here in Sao Luis there is extreme poverty. One must have wisdom in the midst of so much need. Some do not give anything to anybody, others give too much to people who in turn are not grateful, and some try to help when they feel it is the Lord's will. We have learned to give to our fellow man when we find him in an emergency situation. I'm afraid some of us need to learn to do this more; but always with wisdom. Some come to church for the American missionary to give them something. This is a common problem here. Pray for us.

Yours in Him,
Harold M. Draper

Many Souls Saved . . . Building In Santo Tomas Under Roof . . . Brother Carver's Teachings Very Helpful . . . Building Needed For Bible Institute . . . Please Help

by Douglas Gasque

Apartado 183
Iquitos, Peru
May 18, 1985

Dear Brethren,
It is with great joy that I write to you this past month

Douglas Gasque

once again from Peru. During the Lord has blessed us richly with many souls being saved by HIS grace. Almost all the works have been involved in Evangelistic Campaigns and are seeing great results. The work in Santo Tomas is going steadily and we have appointed 2 more teachers for classes for children on Sunday and Wednesday nights. We are continuing also the construction of the building in Santo Tomas and now have it under roof. There are many things yet to be done but we faint not. We wait for the GREY PROVIDER to supply the things that we have need of.

We also enjoyed a visit from Dr. Louie Carver, the Missions Representative for Baptist Faith Missions. The students in the bible institute especially enjoyed the doctrinal class that he taught on the

Trinity. Also during his visit we projected a series of slides on world evangelism and missions. Brother Carver gave us a follow-up lecture on missions and really got everyone excited. Thank you Brother Carver for your visit and the encouragement that you were to us here. Many lives were affected and decisions were made as a result of your preaching in Santo Tomas, First Baptist Church, Third Baptist Church, and Esperanza (Hope) Baptist Church.

We invite any of the brethren to visit us here and see personally the work that we are doing. We teach sound BIBLE doctrine and we will not compromise for the nickels and dimes of anyone. Pray for us that God will continue to use us here and supply the needs that we have. Our greatest need at present is a building to house our Bible Institute. We have been offered a nice house for only \$16,500.00 but we need half of this immediately to close the deal. We would like to buy this and live in it and use the house in which we are now for the Bible Institute, my office and school for our children. Please pray about this and give as the Lord leads.

Came To Flordia For Medical Treatment . . . More Work Needed To Finish Mt. Zion Building . . . The Money Needed To Finish . . . Report On Other Works

by Homer Crain

Apartado 7
Huanuco, Peru, S.A.
June 10, 1985

Dear Brethren,

We greet you again from the Andes Mountains. Brother Carver came while I was in Florida for a medical check-up, sorry we missed him. I had planned to come back with him to Lima from Florida, but he changed the date and came early. He was able to visit the work in Huanuco, Tingo Maria and Aucayacu. We hope he can come back and visit the missions where the roads really bounce you from the time we leave Huanuco until we return.

Homer Crain

The last of May we had our first monthly fellowship among the churches in the state of Huanuco. We started Friday night and went through Sunday, July 16: The Zion Baptist Church here in Huanuco will have the next fellowship which will be their second anniversary. I am working with them trying to finish their building enough to have the service in their new building. They will need about \$700.00 for cement floor and front and back door. Lyman's Creek Baptist Church furnished the money to build the walls

(Adobe) plus a generator for lights. Ashland Ave. Baptist Church is providing the lumber and metal for the roof. We have the lumber ordered for the roof for "Las Palmas."

The doors for Zion plus the locks will cost about \$175.00. The cement floor about \$525.00. Why doesn't someone or a church take on these projects??

The heart specialist in the American Clinic says I have Angina - coronary heart disease. I will be leaving tonight by bus (10 hrs) to have a stress test and the following day the doctors will put a dye in the blood vein and take special x-rays to see if I have an obstruction in the arteries that lead to the heart. I plan to return back Friday and I will buy materials to go to Progreso Monday (June 17th). I will be taking about 15 of the brethren from Huanuco and Tingo Maria to build the roof and walls. We plan to work a week in Progreso.

All the work is going very well except the work in Aucayacu. Brother Pedro who was Pastor there over nine years fell into sin and about destroyed the work. Pray for the churches here in Peru. Pray for our Bible Institute as we prepare preachers to help us take the Gospel to a much needed people.
