by George Bean

2315 Harrodsburg Road Apt. 24
 Lexington, Ky. 40504

Dear Brethren,
 I resigned at Pastor of Hilltop Baptist Church June 1, 1985 as I felt I could not do

the services that I needed to do and be out on week ends telling churches about our burden to return to Brazil.

May I spoke in the Mini-Conference at Lyman's creek Baptist Church, Lee County, Ky. I spoke at the conference at Craigsville, West Va. Brother Frame is pastor. I spoke at Battle Baptist Church, Springfield, Ky. Brother Stan Long is pastor this was June 9. June 16 I was with First Baptist Church, Island City, Ky. Bro. Brecknell is pastor. June 23 I was with the East Keys Baptist Church, Springfield, Ill. Bro. Jim Hicks is pastor. June 26 I was with First Baptist Church, Alexandria, Ky. Bro. Morton is pastor. June 30, I was with Emmanuel Baptist Church, Evansville, In. Bro. John Mark Hatcher is pastor. June 9 (evening service) Hilltop

George Bean

Baptist Church, Harrodsburg, Ky. Bro. Ken Callis is pastor. July 21 I was with Chaple Hill Baptist Church, Nicholasville, Ky. Bro. Willie Lasswell is pastor. July 28 I spoke at the Lyman's Creek Baptist Church (near Beattyville, Ky.) Bro. Richard Adams is pastor. I have been treated and blessed real good in all these churches and June has presented special music in most of these.

Our papers were turned in to the Brazilian authorities May 27 and we have called Washington, D.C. each week to see if our Visas have been granted. Please pray that they may soon arrive.

I am working in Lexington and we have rented an apartment. I am available for short distances from Lexington. If some church should want us to come and be with you and tell about our return to Brazil. We will have the phone installed on Monday so you can call information and get the number after August 5, 1985.

Please pray and give and mark your offerings for Beans' return to Brazil.

May the Lord bless each one,
 George and June Bean

Take Supplies By Boat to Build New Building Parana da Eva . . . Dedicate New Building At Mauazinho . . . Expecting Second Child . . . Thanks For Special Offering . . . Please Help On New Boat

by Asa Bratcher

August 21, 1985

Dear Brethren,

It is hard to believe that another busy month in the Lord's service here has already passed us by.

The Lord has blessed in so many ways here. This past week especially has been busy and blessed. Wednesday morning I left Manaus aboard our new boat, taking two thousand bricks and the material necessary for the roofing of the new building at Parana da Eva. We arrived there around 5:40 in the afternoon and by 6:30 everything was unloaded and sitting on the river bank, thanks to the ladies and children that enthusiastically helped. That night I preached to 87 people present, with the small building overflowing. After the service, we began our journey back, arriving in Manaus around 9 o'clock Thursday morning. Immediately we began to make the final preparations for the official dedication of the new building at Mauazinho, where the church's newest mission point is located. Saturday night the 17th, it was dedicated with over 170 people present; approximately 70 from the church here and 100 from there. I preached and several of the church's musical groups sang, and the Lord blessed with a wonderful service.

This past Sunday was a blessed one here at the 14th of December Baptist Church. There were over 400 present in Sunday School and a 25 year old

mother made a profession of faith. That night there were over 250 present and a former member of the church, a young lady that had been excluded for immorality, came forward making a rededication. Also, Heaven was made to rejoice when 5 others came forward, accepting the Lord as their personal Savior. To Him all the glory.

Do continue to remember us in prayer. We are finally getting settled once again, after moving last Thursday into another house. Marcia had an infection and had to take 14 shots, but she seems better now. Remember Lucy in prayer as we are expecting our second child around the second week in December.

We wish to express our thanks to the Ashland Ave. Baptist Church, where Dr. Ross Range is the loved pastor, for the special offerings that have enabled us to complete one building and take half of the materials necessary for a second one. May the Lord richly bless each member of that church for their generous missionary giving.

Do continue to pray and give as the Lord leads so that we can pay the difference of around \$2,000 needed to finish paying off the cost of the newer and larger boat. It really was a blessing on this trip and will continue to be, as at least a couple of more trips will be necessary to take the materials to Parana da Eva.

May He richly bless each one of you.
 In His Service,
 Asa Mark, Lucy and Marcia

The Philippines

Pastor Lemuel Tamon reported that the building was to be renovated because they needed more room. Souls are being saved there and they're having several home-Bible studies weekly in an effort to reach souls. The Sunday I was there last month he baptized three men.

Korea

Dr. Lee told me by phone that they had done some work on the little room they're now using for worship. Their regular worship building had been lowered (purposely destroyed). Yet, he said that their attendance was improving and that there was a tremendous spirit among the members.

Brother Park has been seeing souls saved at both the Kyouan Ban Church and the Doo Mill Church. Haven't heard from Pastor Chang and the First Baptist of Kai Pyoung since I've been back.

Peru

Recently our three missionary brethren in Peru called by Ham Radio. At the time they were in a conference in Pucallpa. They do need your prayers. The mail had been on strike for weeks at the time, phones were out and they were, at least for awhile, unable to get their checks cashed. A new leader and terrorism. We in the U.S.A. don't know how we've been blessed.

Brazil

The "PULSE", 8-16-85 issue stated: "I think there are feelings that the new president lacks the Charisma of his predecessor.....He inherits a \$100 billion foreign debt and an inflation rate of over 220 percent." Friends, this aside from the fact the greater majority of the Brazilians are lost.

Louie Carver

Travels

Since last letter writing, I've been to the: True Gospel Baptist Church of Clyde, N.C., no pastor; the Cedar Hill Baptist Church of Alexander, N.C. Pastor Luther Spivey. Calvary Baptist Church of Crestline, Ohio where Elwood Hensley pastors; Battle Baptist Church of Mackville, Ky. Pastor Stanley Long. Also, Brother Turner and I attended the annual Associational meeting at the Mt Pisgah Baptist Church of Grafton, Ohio, Elder Charles Fisher is both pastor of the church and moderator of the association. I also was able to attend part of the Alumni Services of the Lexington Baptist College where I'm not only an alumnus but also part-time faculty member.

Brother George Bean and I were with the Pinnacle View Baptist Church of Newfound, North Carolina, Pastor Robert Dean. We were also with Pastor Jimmy Crayton and the Macedonia Baptist Church of Alexander, North Carolina.

THE REAL NEEDS!

1. For the Beans to get their Brazilian Visas. 2. The FUNDS to get the Beans to Brazil and the Hendersons to the Philippines. God is able. Are we willing to let Him use us as the channels through whom He'll meet these financial needs?????

Let me know if I may be of help to you in mission-emphasizes, a conference, revival or whatever. I stand ready and willing.
 Your Co-Laborer in Christ,
 W. Louie Carver

P.S. Do pray and permit the Holy Spirit to use you to help get these missionaries (including their wives) to the fields. Too, that our God will protect the work that has already been established.

Evangelistic Mission To Cornelio Procopio . . . Bus Auditorium . . . Faithful Workers . . . 25 Professions of Faith . . . Special Prayer Request

by John Hatcher

Dear Friends,
Garca, Sao Paulo, Brazil
July 24, 1985

On Monday morning, July 15th, Alta and I left Garca with eight young people of the church. After three hours and a half we arrived in Cornelio Procopio. Our bus was loaded with personal baggage, equipment, and material for evangelistic work. All of the seats had been taken out of the bus with the exception of ten seats. The rear of the bus would serve as the front of our portable auditorium, which, with chairs and benches could seat fifty-five persons.

John Hatcher

Monday afternoon was our first work session. After driving into a new housing project, it took about fifteen minutes to have a full house of mothers and children. Singing, Bible stories, evangelistic messages, and special music presented by our young people was a success. The first stop brought a crowd of fifty-four persons. At four-thirty our second stop had about fifty persons.

During the mornings we did special interview on the radio broadcast at 8:00 and from there we went to the church building and prepared for the Bible School at 9:30.

There were special messages and programs each night at 8:00 with good attendances with the exception of the second night. Our highest night crowd was 115 persons. At the end of the week there had been a total of more than 25 professions of faith.

Saturday morning we left Cornelio Procopio at 7:00 and arrived back in Garca at 10:30. Our new overhead projector worked super. Pray for the work in Cornelio Procopio and the young pastor who works there. Make a sign: CORNELIO PROCOPIO - Pastor Carlos Novo. Put it up where you will see it often and pray for this pastor and work each time you see the sign.

In Him,
John and Alta Hatcher

Learning The Language . . . Teaching A Class . . . Classes Used To Win People To Christ

by Bobby Wacaser

Dear Brothers and Sisters,

The time is certainly moving along rapidly. It is difficult to believe that we've been here three months already. We've learned enough language at this point to be able to develop some personal relationships with several Brazilians. In the class that I am teaching, several students have revealed that they are interested in starting a weekly Bible study. These are non-believers and their decision is very encouraging. Others from this same school have already become believers and are now being disciplined in Bible study and devotional training.

Bobby Wacaser

It is excellent to see how God will use many different avenues and channels to reach those whom he has chosen. This school is owned and operated by a young man who is twenty years old. He himself, has been used by God to have five new believers baptized in the last 2 months. Those of you who are young and are reading this, don't wait until you are "old enough" to serve the Lord. He can use you to do great works for his name's sake. I pray that God will continue to work through these classes and we'll see many more come to know Christ as their saviour.

Yours In Christ,
Bobby Wacaser

Trip Back To Cuiaba . . . Getting Settled In Work . . . Work In Varzea Grande

August 14, 1985

Dear Brethren,

After almost two years in the States we were very well ready to return to Brazil. We traveled with the Harold Brachers arriving in Manaus on July 22 and after spending just a few days with them we were on our way home to Cuiaba. While in Manaus I spent my 59th birthday with the Brachers. From Manaus I called some of the brethren here in Cuiaba to meet us at the airport, but due to a mix up as to the time we would arrive they got hungry and tired of waiting and went home. After waiting awhile in the airport we decided there would not be anyone to pick us up. I called Wycliff base where Brother Turner had prearranged a house for us to rent. They told me they were ready for us, so we got a taxi and were soon there only to find that the house we were to rent already had a family in it. They put us in another until ours would be ready and we spent about ten days there. We got some of our things out of storage, brought other things that we could not find and are just doing without some things for the present. Just yesterday we began to get things straightened up to where we are not living out of our luggage.

Bobby Creiglow

town, when Betty fell in the street hurting her foot. For the next week she was pretty much confined to the house, so I made the six mile round trip each day hoping to get the car. One week after we bought and paid for it they turned it over to us. It is a Ford that is some larger than an Escort and we enjoy it very much.

We are doing some visiting and last Sunday I preached four times. We have had two cold spells since we have been here and that always hurts the attendance.

Our work we left in Varzea Grande two years ago is still doing very well, in fact they have outgrown their building and are not trying to get any more people because they have no place to put them, and should build soon. After I preached here at Boa Esperanca Sunday morning I will go there to preach for them. They have a later preaching service that we do. It is good to be back home and we ask you to pray for us.

Two Baptized . . . One Desires To Do Evangelistic Work . . . Testimony Of A New Convert

by Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal Philippines
August 26, 1985

Dear Co-Laborers In Christ,

This past Lord's day it was my privilege to baptize two young men into the fellowship of our church. One of them

has just returned from Saudi Arabia where he had been working as a truck driver for the past 2 1/2 years. He has expressed to me the desire to do evangelistic work out in the interior, North of Manila, after being trained. He is presently enrolled in our Monday night Bible Institute and involved in our church visitation program. Remember to pray for both of these men that the Lord may be pleased to use them for His glory and honor.

Dana Adams

In last month's letter I promised to share with you the personal testimony of one of our young people. "Before I received Jesus Christ as my Lord and personal Saviour, I attended Mass, went to church without a real understanding of God's Word. All I knew then was, it had become a tradition for all of us in the family to be a part of this religion (Roman

Catholicism). You just go to church whenever you feel like going. It's like the expression, Now you see him, now you don't. There was no commitment whatsoever. I was deceived by the idea that saints were representations of Him. I prayed to them, thinking that they were the easiest way to go to Him, to go to Heaven. I didn't know then that we must directly go to Him without using any other means. Before I had no assurance of my salvation. I thought then that if I died, where will my soul go? A little later, in a Baptist Church, I felt that I was a sinner and needed to be saved. Jesus died on the cross for me, shed His precious blood to take away my sins. My . . . He was that good! At that time, even though I accepted Him, I still had doubts about so many things. I had no follow up, no church to attend, until late last year a friend of mine led me to Baptist Faith Temple and from then on, I experienced a certain growth in me, being a Christian. Dealing with fellow Christians makes life more fulfilling. Using my talents, participating in Christian activities, praising Him, makes me feel nearer to Him. Now I am happy. I already have an assurance of my salvation!"

Until next month, may the Lord richly bless and use you in my prayer.

Dana Adams

Wonderful Conference With Many Moves . . . Report And Prayer Request For Santo Tomas Work . . . Postal Strike Problem

by Doug Gasque

Aug. 20, 1985

Dear Brethren,

Once again we write to share with you the blessings of the Lord on us here in Peru. We are visiting in Huanuco with Brother Crain and family. The 5th thru the 11th we were in Pucallpa participating in the 7th annual Thanksgiving Conference hosted this year by the Faith Baptist Church with their pastor Abel Panaifo. We stayed in the home of Brother Sheridan Stanton and family and really enjoyed the fellowship with them and appreciate the sacrifice they made for us during the conference week. There were many moves made during the conference for which we gave the Lord the praise. There were brethren in attendance from all over Peru and each one went home after the conference really fired up to serve the Lord better in their own churches. On Sunday the last day of the conference we had an attendance of 460 due to visitation. The pastor and church were left encouraged and with a goal to achieve a greater attendance level each service. Pray for them that God will give more souls for their labors.

Doug Gasque

Today, Aug. 20, Jan and I are leaving Huanuco with our daughter Jessica going to Lima to see about getting Jessica's American passport. Pray for us in our journeys that the Lord will watch over us and guide us always.

Pray for our work at Santo Tomas that God will continue to bless with souls being saved. We started a special visitation program several months ago and it has really improved our attendance. We do our regular visits during the weeks and then 30 minutes before every service we go out over the village and bring them in to the Service. We now have five Sunday School classes and have vision of five more before the end of the year.

I haven't been able to write for two months because the Post Office workers have been on strike and there has been no mail coming in or going out. Here in Huanuco this week the mail seems to be coming in better so we are hopeful that when we get home to Iquitos we will have mail waiting for us.

I'm sending this from the airport in Lima in hopes that it will get there sooner.

Pray for Gasque Bible Institute and give for this. We need \$16,500.00 to pay for the house that we have agreed to buy.

Yours in Him,
Doug Gasque

Report Of Visits To Churches . . . Information Concerning Medical Check-up . . . Family Getting Settled For Furlough

by Richard Turner

1033 Juniper Dr.
Lexington, Ky. 40504
606-276-2936

Dear Brethren,

Since giving our report last month we have done some traveling but not much preaching.

We visited Paducah, Ky. to be with my mother and while there I preached at the New Zion Baptist Church where Brother Bill Gordon is the pastor. July 28 I preached at the Beauty Mountain Baptist Church in Edmond, W. Va. in both morning and evening services. We enjoyed being with the brethren there. The pastor is Brother Roy Thomas. August 18 we went to Willow Hill, Ill. to be with the Salem Missionary Baptist Church. This church authorized my going to Brazil as a missionary and was the last church I pastored in the U.S. We were happy to see our friends and brothers in Christ there and enjoyed our fellowship with them. This week Bro. Carver and I went to Grafton, Ohio to attend the

Richard Turner

associational meeting of the Mt. Pisgah Baptist Association. They gave Bro. Carver an opportunity to speak a few minutes about the mission work. Some of the churches already are supporting the work and we trust more will be starting to support. In all the places I have preached and attended this month I have been made to feel at home.

I have been to the doctor for a check-up and what I was afraid to be a cyst or tumor has turned out to be an abscess. The doctor has opened it to drain it and I'm much better. There are some other tests that I must have before I shall get a clean bill of health.

We are about to get settled in here in Lexington. We have moved our church letters from Brazil to the South Lexington Baptist Church where Bro. Edward Overbey is the pastor. The children have started to school. For the first time in their lives they are going to public schools. I'm sure this will be a challenge to their faith and lives.

Brethren, keep on praying for us and all the work of Baptist Faith Missions.

In His Service,

Team From Canada Works With Church . . . Over 300 Professions of Faith . . . Preparing To Return To Brazil . . . Remember The Equipment Needed Must Be Shipped Soon

Dear Brethren,
Chandler, Indiana
August 30, 1985
We have had some excellent news from the field. We just received a letter from Brother Gilmar with several bits of news that we had anxiously awaited.
Just before coming back to the U.S. I had made arrangements for a team of young people from Canada, who work with Campus Crusade, to come to Cruzeiro do Sul this summer and work for our church. They spent a couple or possibly three weeks working in town and in several villages in the interior. Their main job was to show a film on the life of Christ as portrayed in the book of Luke. These folks can not speak Portuguese, so our own people did most of the direct work with the hearers. The work was blessed tremendously. There were over 300 professions of faith! Many of these are in many different villages, but many were in

Mike Creiglow

town as well. There were bankers and at least three folks from the government radio station. Brother Gilmar says that the new converts class is bulging and he really could use some help. I think that was a hint for me to get myself back down there where I belong!
He also reports that they are getting ready for the summer camps. The river ministry continues, although he didn't tell too much about that.
Well, I am continuing my travels around the country visiting the churches. Thanks to all of you who have hosted my family and I. All of you are an encouragement to all of us. We are all getting a little anxious to get back home. We hope to be off in about six more weeks.
Please remember that all the equipment that we need and will be using in the next four years has to be bought and shipped in the next six weeks. We are trusting the Lord to use many of you to supply these needs.
God bless you all. Continue to pray for all this great work.
In Christ,
Mike Creiglow

Baptize 16 . . . 9 Converts In New Mission . . . Sad News With Good News . . . Need To Help Get Better Boat

by Asa Bratcher
Caixa Postal 227
Manaus, Amazonas, 69.000
Brasil, S.A.
July 15, 1985

Dear Brethren,
It hardly seems possible, but another very busy month has gone rapidly by us, in Manaus.
While busy, it has been a very blessed month. The first Sunday of this month, there were 551 in Sunday School. That morning I also had the privilege of baptizing 16; 9 of those were new converts from our newest mission, at Mauzinho. We hope to have the building finished there and inaugurated

Asa Bratcher

or dedicated with a service, by the 3rd of August.
The above is all good news. The sad news is that the church had to exclude 8 last month and there has been an unusual amount of sickness among our church family lately.
Do continue to pray for us and do remember our special need of \$2,000 to finish buying the new mission boat. This one is much larger than the one we now have, and will be a blessing in the work here. Pray and give as He leads.
Until next month.
By His Grace,
Asa Mark, Lucy and Marcia

Last Days In The States . . . Busy Preaching And Teaching . . . New Mission In Mauzinho Is In Very Needy Area . . . Sends Out SOS

by Harold Bratcher
Manaus, Brazil
August 21, 1985

Dear Brethren,
Our last Sunday in the States was spent with the Battle Baptist Church near Harrodsburg, Ky. - Stanley Long, pastor and the Hilltop Baptist Church of Harrodsburg - Ken Calia, Pastor. We enjoyed being with and preaching at these two churches.
Early Monday morning, July 22nd, we (Mrs. Bratcher & I, Brother & Mrs. Bobby Creiglow & Arlene & Stephen & Salette - Stephen driving the Lexington Baptist College

Harold Bratcher

van) left Lexington and after a pleasant trip arrived at the Cincinnati Airport. There we bade Stephen & Salette & Arlene goodbye and after a pleasant trip we arrived in Miami. There after a not so pleasant almost nine hour wait - not knowing whether we would get on the "Lloyd Arceo Boliviano - SA" flight - we had tickets but no reservations - we did get on the plane and arrived safe and sound the next morning in Manaus. The Creiglovs stayed with us until Friday.
Thursday night - July 25th I preached at the Gospel Light Baptist Mission - Carlos Alberto Silva de Souza, pastor. Sunday morning July 28th we attended at the 14th of December Baptist Church where we are members and Asa Mark Bratcher is the pastor. I taught the "pastor's class" during the Sunday School hour. I have also preached at the 14th of Dec. Church on July 31st - special service celebrating the 25th anniversary of the organization of the church and two other Wednesday nights. Sunday night, July 28th I again preached at the Gospel Light mission.
The first Sunday in August we were with the New Jerusalem Baptist Mission in the interior. Ediberto Ribeiro da Silva is the lay pastor there. Sunday, August 11th - Moriah Baptist Church both services - the church is without a pastor. Last Sunday, I preached at both services at the Mauzinha Baptist Mission - the newest mission of the 14th of Dec. Church - Francisco Saraiva da Silva is the lay pastor.
I am once again teaching Old Testament two nights a week at the "Faculdade Batista de Teologia do Amazonas."

Leper boy Brother Harold Bratcher visited in Brazil.

Once again we express to each one of you who were so good to us during the days - May 6th - July 21st that we spent in the U. S. A. The Lord was good to us. We ask you to continue to pray for us and continue to contribute to the regular fund of Baptist Faith Missions.
The day we arrived there appeared in the "Critica" - one of the daily newspaper published here in Manaus - an article entitled - "S. O. S. Mauzinho." The article describes the necessities of the people in the new suburb of Manaus. Help us to help the people of that suburb. Sunday morning we had 53 in Sunday School there. I preached to 58 that morning and 61 that night. We have some 13 baptized believers there. We will do our best to meet the spiritual needs of the people first of all. We are thankful for the building that through the efforts of Asa Mark has already been built and dedicated on an important date in our lives - the 17th of August. The Ashland Avenue Baptist Church gave us a special offering without which the building would not have been built. We need to buy the lots around us and put in bathrooms, etc. Please help us. Send your offerings through Baptist Faith Missions marked - "S. O. S. Mauzinho." We thank you by faith already.
Yours In His Service,
Harold & Marie.
