## Wonderful Trip Back To Brazil . . . Brother Gilmar Did A Great Work . . . Five Saved At Cruzeiro do Sul . . . Works In The Interior Doing Well . . . 15 Baptized At Mancio Lima

by Mike Creiglow

Cruzeiro do Sul, Acre  
December 2, 1985

Dear Brethren,

Back in the great land at last! We arrived in Cruzeiro do Sul two weeks ago. Our trip from the States was one of the best ever. We did not have to pay excess baggage on any flight, we had the very best connections and did not have any hold-ups in customs. Demas and Brenda Brubacher took us to the airport in Memphis, where we had to say goodbye for a while, which was difficult. David and Bobby met us in Manaus where we spent a week and had a great time with them and their wives. When we arrived in Cruzeiro do Sul there were over 100 people from church to greet us. Then that night there was a bigger crowd at church where they had a reception for us. It looks to me like everyone involved is glad that we are back where we belong!

Pastor Gilmar has done a great job at the church here. On our first Wednesday night service home there were over 200 people present. There were over 50 teens in this service. How many churches do you know of that have that many young people present on a Wednesday night? We have been home for 2 Sundays now and the services have been just wonderful. I have preached the 2 evening services. Attendance both morning and evening has been average, which is great. We have had over 400 in both Sunday night services. There have been 5 saved, 4 requests for baptism and 2 young men have surrendered to the ministry. All of those who were saved are young adults, one of them an army sergeant in his 20's. The 2 men who were called to the ministry are 20 and 17 years of age.

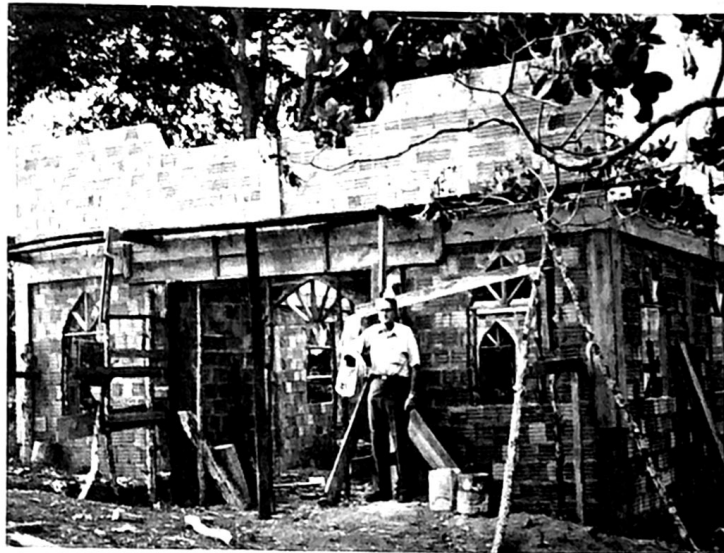

Mike Creiglow

I have been in contact with several of the pastors of the churches in the interior. These churches are doing well also. Brother Elizeu baptized 15 into the church at Mancio Lima last month. Many more have been saved at Lagoinha recently. Just this weekend there was one saved at Guajara, which is a very difficult field. More about the interior churches in the months to come.

Before I close I would like to share some blessing from other fields. While in Manaus we attended several services at the Chapada Baptist Church where Brother Wanderley is pastor. Wanderley and I go back many years to boyhood days in Japiim (now Mancio Lima) where we became friends. After many twists and turns in our lives both of us found ourselves in the ministry and working in great Baptist churches in cities many miles apart. He is doing an excellent job with a fine growing church. They are also doing mission work in Manaus and out of Manaus as well. It is wonderful to see how God is using young men of my generation.

Let me share some State-side blessings as well. The trip to the U.S. was a very difficult one for me this time. Frankly I was shocked and discouraged by the widespread apathy among pastors and some churches. It is so good to know that there are still churches though that are willing to sacrifice and invest financially in missions such as ours. I am very grateful to churches that gave huge offerings for the equipment that we needed most desperately. Thanks to Central Baptist Church, Grenada, MS; Elliot Baptist Church, also in Mississippi; Twelve-Ryan Baptist Church, Warren, MI; South Lexington Baptist Church, Lexington, KY; and Waverly Road Baptist

## Soon To Go The Lord Willing

Brother and Sister George Bean will soon be on their way to Brazil. Their visas have been approved and they have gotten reservations to leave early in February. We still need more funds to get them on the field and support them each month. Funds have come in throughout this past year but enough has not come in yet. Please pray and help us get them to the field and regularly support them.

Brother and Sister John Henderson will be going soon to the Philippines, the Lord willing. Many have given generously so far but enough regular funds for their monthly support has not come in yet. Please pray and give to get them to the field. It takes about \$10,000 for each missionary when he goes out to begin with and then about \$2,000 a month on an average to support them. They need your offerings and prayers.

## Review Of Three Years Of Work . . . Report On Works At Huanuco, Zion, Cunayahuan, Chavinillo, Ayapiteg, Progreso, Huacar . . . Tears and Joys . . . Looking Forward To Beginning New Work in Lima

by Homer Crain

Huanuco, Peru, S.A.

Dear Brethren,

LOOKING BACK - January 1983 we arrived in Peru. While we were getting our truck, appliances, etc., out of customs, I was busy preaching in the churches in Iquitos. When I preached at the Esperanza Baptist Church a lady was saved and the church voted to give me the authority to baptize her. The church was without a pastor, so, it was a help to them and a good experience for me.

Homer Crain

When we arrived in Huanuco we started working on the building and at the same time we were working with a new work across the river from Huanuco.

The last of June we were able to move into the apartment above the church building. July 16 we organized the Zion Baptist Church and ordained the pastor that they called to be pastor of the church. Also, we ordained the pastor of the church in Huanuco at the request of the church.

We started a work in Paucar but, due to the persecution of the Priest and the Catholic Church we had to back down to a small village called Cunayahuan where we built a building and this work will be organized into a local church when we return to Peru.

Chavinillo is a town about 11,500 feet above sea level where we now have 17 baptized believers. We have two lots ready to build a building as soon as we return.

Ayapiteg is over 12,000 feet above sea level and we have twenty baptized believers and they have their own building. This work will be organized next year when we return.

Progreso we have a house and a large lot, a building with cement and steel columns, part of the walls up where the people can meet. We still need doors and cement floor and windows.

Huacar we now have 7 new members plus a large family from the Huanuco Church that lives there. We will need a lot, roof, windows and doors.

The past three years have been a time of trials and testings. The first week of May 1983 we received word that our daughter Judy Gail was killed in an automobile accident.

December of 1984 Elizabeth's sister died with cancer of the blood. The last week in April, Elizabeth's mother passed on to be with the Lord.

But, thank God there has been many blessings in the midst of trials. Many folks saved and baptized, a church organized plus five new missions started. Adding to all of that we have had two Bible Institutes, one in Huanuco and the other in Tingo Maria.

We are now home and we hope to visit the churches and tell of our future plans to start a new work in LIMA, PERU where there are over 7 million people. We will continue working with the churches in the states of Huanuco and San Martin. Thank you

for your prayers and support while we were serving the Lord in dangerous times.

If you want us to come to your church and tell of the work or preach please call Brother Edward Overbey 606-277-4947 until we get settled in a house.

In His Service,

Homer, Elizabeth and Melisa Crain

### Serious Questions To Consider . . . Importance Of Having A Will . . . Help Us Make Contact With New Churches . . . Travels For The Month

By Louie Carver

2028 Dorset Drive  
Lexington, Ky. 40504  
tel. 1 (606) 254-4205  
December 30, 1985

Will there be life after death?

Will there be a time when believers will face God?

Will those who've never heard be eternally condemned?

If the answer is yes to each of these questions, what can I do about it?

1. You can be a personal soul-winner.

2. You can help finance others who've been called of God to serve abroad.

Example, many of you will be receiving a return check from income-tax. Why not give thanks to God for it by helping to finance the Beans and Hendersons to go abroad?

Last week I received a note stating: "Here is my \$100.00 (1,000 givers of \$100.00 each). I hope many others respond." Thank you sir!

Has it occurred to you that over half of the Americans die without a will? Do you have a will? If so have you remembered to leave, at least part, of your estate to Baptist Faith Missions? Why! To help rescue perishing souls even after you've gone on to glory.

Louie Carver

I mentioned God's blessings in the last B.F.M. Up-date. In the event you failed to see the Up-date, our rejoicing was over the fact that you had given to B.F.M. 11.3% more in 1985 than in 1984. THANKS!

It has been several years since I've been with some of you. If you'd like me to come and bring you up to date as to what the Lord has been doing, let me hear from you. Too, if you know of a church or a pastor whom you believe would be interested in God's Work as financed through B.F.M., let me know.

My travels this past month have taken me to: the South Jackson Baptist Church of Jackson, Kentucky, Lonnie Badger is pastor; to the Temple Baptist Church of Cincinnati, Ohio, Dr. Chester Ratliff is pastor. I was also with: Pastor Charles Worley and the Mt. Sinai Baptist Church of Asheville, N.C.; Dr. Wesley K. Smith and the Hope Baptist Church of Hamersville, Ohio and the Arrington Branch Baptist Church, Pastor Kenneth Parker of Marshall, North Carolina. It is always great being with the Lord's Churches and His Servants.

May our God give each of you a profitable and peaceful New Year.

W. Louie Carver

P.S. The answer to each of the opening questions was, YES. Since there is life after death; those who've never heard will perish and we'll someday face God. Let us do more in '86 than in any previous year.

## Thanks For Your Faithful Support . . . Having A Faith Promise Conference . . . Memorizing To Be Better Soul - Winners

by Dana Adams

1782 Burbank Street  
Brookside Hills Subdivision  
Cainta, Rizal Philippines  
December 23, 1985

Dear Co-Laborers In Christ,

In just a few days from now 1985 will be history. I would like to take this opportunity to thank all our supporting churches and friends of BFM for your faithful support throughout the year making our ministry possible here in the Philippines. We praise the Lord for the souls which have been saved and for the lives which have been changed. It is my prayer that our church will be able to double all our efforts accomplished during this year. I believe that our attitude should always be that expressed by Paul in Philippians 3:13, "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before."

Dana Adams

On January 24-26 our church will be having our first "Faith Promise Conference" in interest of Baptist Faith Missions. During the conference our people will be challenged as to what they will be trusting the Lord for in interest of giving to missions. I'm praying that we will be able to double this year's offering to Baptist Faith Missions.

Also, in January of this coming year, I plan on challenging each member of our church to enroll in a memorization program known as "Treasure Path to Soul-Winning" prepared by J. O. Grooms. Each member that enrolls can be spending 10 minutes a day in the home, equip themselves to almost a year in Bible College in just 36 weeks; 178 verses memorized, 112 outline key thoughts and 36 subjects mastered on soul winning. A diploma will be awarded to those completing the course. The goal of course is to enable each of our members to become better soulwinners. Please remember to pray for this endeavor.

My family and I extend to all our readers the best wishes for the coming new year.

In His Name,  
Dana Adams

## Health Is Stable . . . Many Visitors At New Hope . . . Three Excluded . . . Brother Bean's Visa Granted

by Harold Draper

December 15, 1985

Dear Brethren,

Greetings from Brazil in the Name above every name. We hope you had a great Thanksgiving Conference. We haven't received any word yet about it. We have had a busy month. All the works are holding steady. We are planting the seed and waiting for the Lord to give the increases. We have received calls from several of you this month offering words of encouragement. We really appreciate this. Our health is stable. Ursula is really overworked with Michelle being sick, but we are confident the Lord will bring us through it all.

Harold Draper

We have been having better offerings at New Hope these last few weeks. We are stressing evangelism this month. Last Sunday night we had 18 visitors in our service. This past Sunday we had 6 first-time visitors. Also, we excluded 3 members who started attending a Charismatic Baptist Organization on the next street. In just a few weeks they are already speaking in tongues (Unknown, of course). That movement is catching on like wildfire here.

Friday night I had the joy of telling Brother Bean that his Visa came through. Praise the Lord for that. I also called Brother Gumm who plans to visit Sao Luis

at the end of January and asked him to send us some Pro Sobee formula. It was sure good to talk to him.

We are enjoying the presence of Mauricio and Kathy Pereira who came back from the States last week. Their children are Brother & Sister Bean's grandchildren. My, they have grown since we had seen them. The Lord is blessing us in the fact that our two missions have good solid workers, and our church is showing some real growth among some of the members. There is a bad need for a good Bible Institute here. But we are already covered up by ourselves. We are hoping the Lord will lead Brother Bean or someone to come this way.

Please remember before the Lord. God bless you all.

In Him,  
Harold M. Draper

Dear Brethren,

Since writing last month I've been to the Thanksgiving Conference where I preached on Tuesday night. It was a great conference with timely and moving messages from the Word of God. I believe that it was the best of all that I have attended until now. We thank the Lord for Twelve-Ryan Baptist and New Hope Baptist for putting on this conference in support of Baptist Faith Missions. They went out of their way to make us feel welcome and wanted.

Richard Turner

Since the Thanksgiving conference I have been preaching here in Kentucky. Sunday morning, December 1, I preached at the West End Baptist Church where Brother T. A. Preston is the pastor. This church is here in Lexington. That Sunday night I preached at the Ashland Avenue Baptist Church here in Lexington where Brother Ross Range is the pastor. On December 2, I started a six day meeting with the South Jackson Baptist Church, Jackson, Ky. Brother Lonnie Badger is the pastor. Sunday the 8th, I was with the Lynams Creek Baptist Church, Beattyville, Ky. Where Brother Richard Adams is the pastor. That night I was with the South Irvine Baptist Church where Brother B. Hise is the pastor in South Irvine, Ky.

Wednesday nights of this month, I have preached at the Beach Grove Baptist in Garrard County, Bryan Station Baptist, Brother Al Gormley pastor, and at the Grace Baptist where Brother Bill Derossit is the pastor. I also preached at the Beach Grove Baptist Church on Sunday the 15th both services. This church is now without a pastor.

We thank all these churches and their pastors for having us and giving us opportunity to preach and present our work in Brazil and also for the good love offerings that were given.

In His Service,

Richard A. Turner

## About 70 Professions Of Faith During School Year . . . Works In Churches And Missions Doing Well . . . Need For Help At Yarina Cocha . . . Sister Mayfield Visits Pucallpa

by Sheridan Stanton

S.E. and Anita Stanton  
Apartado 15  
Pucallpa, Peru, S.A.  
December 20, 1985

Dear Brothers and Sisters in the Lord,

Greetings once again in the name of Jesus Christ our Lord and Saviour. Anita and I hope that all is well back home with everyone. We trust you had a happy Thanksgiving and we wish you all the best for the Holiday season we are in now. May God truly bless each one.

This past month has flown by for us here in Pucallpa. We have officially finished the school year here in the "Colegio Particular Bautista". Classes will resume again in April for the beginning of another school year. We had over fifty high school children trust the Lord this past year and close to twenty in grade school. I've seen very little results with the parents coming to know the Lord and hope to spend more time trying to reach them this next year. We have had a good year this year and hope to have an even better one next year. For those of you that are helping with the tuition of some of our students this year, I urge you to please continue your support. It is greatly needed and I know the Lord will bless each one.

We finished our first cycle of our Bible Institute two weeks ago and we will resume studies again the first of February. Please pray with us about the Institute that we can reach more students. Our enrollment dropped off about half way through the first Semester

Sheridan Stanton

and I hope that we can pick up more students this next time that will stick with it and be more faithful.

All of the churches and missions are doing well. Everyone seems to be holding their own. Attendance is down in some due to the rainy season that we are in, but this is normal for the works here in the jungle. The mission in Tournara Vista was having some doctrinal problems but it appears that all has been straightened out.

We have the property for our new work at this time but we need to build. I've presented the need for a work in Yarina Cocha many times in many letters but as of yet I have received no response. Is there some church that will help us get this new work going? We have willing workers and we are training more in the Institute. We have the property but need to build. We leave it in the Lord's hands.

We have had a great time visiting with Sister Ada Mayfield this past week. She came down to visit us and the work here in Pucallpa. She has been received very well by everyone and been able to renew old acquaintances. She and Brother Del Mayfield spent eighteen years here and established the churches and school by the Power of God. The Lord used them in a great way and the works continue on today. She has been a blessing and real source of encouragement to us. She leaves tomorrow and I know it will be a sad time for all of us to see her go.

Remember to pray for us and the work here in Pucallpa. May God continue to bless each one as you remain faithful to HIM. Until next month.

In Christ,  
S.E. and Anita Stanton

## Car Problems Have Worked A Hardship . . . Attendance Is Steady . . . Pray That Souls Might Be Saved

by Bobby Creiglow

Cuiaba, Mt.  
December 17, 1985

Dear Brethren,

As 1985 comes to a close we look in retrospect and wonder just how much has been done in the past twelve months and of that that has been done, just how much has been done for the right motives. Only the future will reveal this, when we stand before Christ.

Our new car with less than two thousand miles on it was knocking, so I took it back to the dealer and they said two main bearings were going out of it and it spent eight days in their shop, but when I got it back it was no better. This worked a hardship on us because we live about three miles out in the country. Also for

Bobby Creiglow

this reason we did not make some visits that needed to be made.

We think we are making some progress in the work in some areas and our attendance is up a little. We have had a high of 72 in one service and have an average of about 50 in our Sunday services. We have some lost in every Sunday service and last Sunday we were encouraged in that after the night service the people stood around and fellowshiped for almost an hour. We are still not seeing these souls being saved and not nearly as many of them attending as we would like and we ask that you continue to pray with and for us about this. We try to stay busy in His service and hope that we please Him.

We think some of the mail has been lost along the way, so if you have written to us and have not gotten an answer, please write again. We try to answer all correspondence, although we may be late in doing so.

In His Name,

## Sick With Typhoid Fever . . . Souls Being Saved In All The Works . . . Teaching To Help The Pastors . . . Need Help To Pay For Institute Building

by Douglas Gasque

Iquitos Peru  
December 3, 1985

Dear Brethren,

Once again we salute you from Peru. We are trusting and praying that all will have or have had a good holiday. The past few weeks have been rough on us, with some sickness. I, myself, have been very sick with what the doctor said was typhoid fever. I seem to be better now but I still don't have the strength I need and want to be able to keep up the work pace that I had been accustomed to. The works are doing good with souls being saved in all the churches and missions. The First Baptist Church has just called a new pastor and is showing signs of spiritual growth. Every Friday night I'm

Douglas Gasque

teaching an intensive course in the First Baptist Church on Baptist Church History.

We have also started the carpentry and welding shops to functioning. These shops will be training pastors and other brethren who have no skill but want to work so that they can provide for themselves, their families and their churches. We are seeing very good results from this and we appreciate more everyday those who gave for equipment and tools that we might do this work of faith.

The next week we will be moving into the new house (new to us) that we are buying and then start repairs on the old house and getting it ready to use for the Bible Institute when we start classes in January. We are expecting a record number of students and we need your prayers and support. Please give offerings for Gasque House and Institute. We need \$9,000.00 to finish paying for this. Help us!

Yours in His Service,  
Douglas Gasque and family

## This Season Tests Our Dedication . . . Begins Teaching On Minor Prophets In Portuguese . . . Pray For Help

by Bobby Wacaser

December 7, 1985

Dear Friends,

This time of the year is the time to test our strength and dedication. Especially if you're from a close family. These holidays bring back strong feelings of fellowship and family closeness. I'm thankful to God that He hasn't let us have any real depression or loneliness during this season. I think that the hot weather helps us because it's very difficult to even believe it could be cold anywhere else.

I'm getting a bit nervous. At the beginning of next month, I will start teaching a class on the Minor Prophets in Portuguese. I speak everyday in Portuguese, but there's a big difference in conversation with

Bobby Wacaser

your friends and standing before a classroom of students. Especially when you know they're going to laugh at your silly mistakes. For example: In my English class, where I teach English to Brazilians, I was explaining a story which involved a milkman. In Portuguese you usually say "homen do leite" which means "man of the milk" but I said "homen de leite" which means "man made of milk." Only one letter difference, but enough to change the whole meaning of the phrase. From that example you can be sure that I'll be embarrassed quite a bit.

Pray that it won't be more than I can bear. Not for pride's sake. I lost all that when I got here, but so I won't get discouraged and quit.

We hope you all have a wonderful holiday season.

In Christ's Service,  
Bobby Wacaser
