Institute Has About 750 Students . . . Two New Churches Organized . . . Two More Soon To Be Organized . . . Special Need Please Help

by Doug Gasque

Apartado 183
Iquitos, Peru S.A.
March 17, 1986

Dear Brothers and Sisters in Christ,

Once again we would like to say hello to all our friends in Christ and to let you know how the work is going here, in and around Iquitos.

First of all, the Institute is going well with about 70 faithful students. The students really seem to be interested in studying God's Word this year, and finding God's Will in their lives. We ask you all to pray for the students and teachers that God will get glory and honor from the lives we all live.

Second, we were to organize the church at Santo Tomas on February 27th, but were hindered from doing so due to having problems with the van. We were having problems with the steering and a lot of dirt in the gas tank. We left home at 6:15 p.m. and had so many problems that we finally left the van by the park and rented a truck to take us to Santo Tomas. We had invited all the other churches and they had all rented trucks to get there too. It was 9:15 p.m. when we got there and some of the people had already left and others were leaving. They all knew that something had happened to delay us, but didn't know what.

The organization actually took place on Sunday afternoon, March 9th at 2 p.m. with members from all the other churches present. We have 44 charter members. The name chosen for the church was "Divine Grace Baptist Church". Please pray for this

Doug Gasque

church, its every member, as we know that every member is needed to fulfill God's command.

On the last night we had one to accept Christ as her personal Saviour.

On Saturday night the 15th of March, the mission of the Second Baptist Church was organized as a church. They chose "Good News Baptist Church" as their name. They have 35 charter members. Pray also for this new church.

In approximately one month we pray that the mission at Moronilla also will be organized into a church. This is a mission of Hope Baptist Church. Also the mission at Miraflores wants to organize into a church. This mission is up river, 16 hrs. from Iquitos in log boat.

When these two are organized, there will be four new churches in Iquitos.

We have some very special needs here in Iquitos. Families need houses to live in and missionary families are no exception. We bought a house and we need \$8,000.00 to finish paying for it. We are asking for your help, because to us, this is a very needful thing. Next, with more students in the Institute this year than last year we need more materials and desks. If you would like to help with these needs designate your offerings for "Gasque House" or "Gasque Institute".

We know we are always asking for your help, but it we can't ask God's people for help doing God's Work, then who can we ask?

We again ask for your prayers that God will get honor and glory from our lives and from our children's lives.

Thank you in advance for your help.

In Christ,
Doug and Jan Gasque

The Need Grows . . . Founders' Month Is Coming Soon . . . Report On Travels . . . Coming Conferences

by Louie Carver

Recently in an article entitled: "Response to the gospel comes slowly in changing Italy." It stated that of a population of 57 million there were less than half a million Protestants. Of those classified as Protestants Baptists only numbered 10,000.

In another article I noticed that we now have about 900 million Muslims in today's world. That is almost a 50% increase in approximately two years.

What am I saying? Simply that we've a great task ahead of us. Dare we get so involved with things while souls are going unreached. Yet, Satanic religions are growing with great stride.

What can you and I do? We can get burdened for lost folks. We can witness in our areas and help finance those whom God has called to serve abroad.

Within a couple of months, you'll, the Lord willing have sixteen missionary families with Baptist Faith Missions, total support, including: transportation, work expenses, housing etc. runs over \$2,000.00 monthly. Meaning, we must have coming into the regular fund monthly, \$32,000.00. How long has it been since you upped your support? Thank God many of you have and do regularly.

Several churches are already planning their annual B.F.M.'s Founder's Day in the month of June.

Louie Carver

If I may be of help to you in having one in your church let me know. You'll be hearing more from me on this in the next few weeks.

This past month I've been with the following: Berea Baptist Church of Hiddenite, N.C. Pastor Karl Moyer; S Turkey Creek Baptist Church of Leicester, N.C. Pastor: Woodfin Hudson. Was also with Winton Place Baptist Church of Cinn., Ohio, Pastor Joe Head; Olivet Baptist Church of Ocala, Florida, Pastor Lamar Herndon. I also enjoyed being with the South Side Baptist Church of Winter Haven, Florida, Dr. George Starling is their pastor. Too, was with the Wheeler Heights Baptist Church and pastor Wayne Brickner of Eagle Lake, Florida.

For several weeks, when in town, it's been my privilege to take care of the mid-week services for the Battle Baptist Church of Mackville, Kentucky where Pastor Stanley Long is pastor. Presently, the annual missions conference on the behalf of B.F.M. is in progress. This conference is sponsored by: Thompson Rd. Baptist Church and Pastor Jimmy Hamilton, Bryan Station Baptist Church and Pastor Alfred Gormley and the South Lexington Baptist Church and Pastor Edward Overbey.

The Lynams's Creek Baptist Church and Pastor Richard Adams of Beattyville, Ky. will be having their Missions Conference May 17-18. Also, Pastor Roger Frame and the Emmus Road Baptist Church of Craigsville, W. Va. will be having theirs May 22-25.

Several pastors have expressed a desire to have a missions conference. If I may be of help to you in this

Founders Month

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past up until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

A \$20,000 Offering And Two Happy Missionaries

As you noticed last month we received a \$20,000 offering from the Zion Baptist Church of Taylor Michigan. It was designated to send Brother George Bean to Brazil and Brother John Henderson to the Philippines. This church hearing of the call of these brethren to the mission field were burdened and concerned that they might help them get to the field. They learned more about their beliefs and call and felt led to send this very generous offering. We all rejoice in this and thank the Lord for this church and the other churches and individuals who were led to send special offerings to get these Brethren to the field. God not only calls men to go but He also leads churches and individuals to give and to support those called.

Brother and Sister Bean and Brother and Sister Henderson are rejoicing in the Lord. Their prayers and others were answered. Brother Bean is already in Brazil and Brother Henderson plans to leave for the Philippines about June 1. Again we thank the Lord and appreciate those who gave so generously.

What It Means To Be A Missionary . . . Leave On June 1 . . . Report On Churches Visited

by John Henderson

March 11, 1986

Dear Brethren,

What it means to me to be a Missionary:

As a Missionary you go by faith into the unknown. Starting from scratch, not building on another's foundation.

Bringing souls to Christ who have never heard of Him before. Reaching people with the gospel who never had the opportunity before: this is the great thrill of missionary work. You go by faith into the unknown, you go relying on the promises and providence of God. Leaving the comforts of home, the false security of this country, and forward, into the real security of dependence upon God. To go where there is no church of the Lord Jesus, and see one established to see others find Christ thru the Gospel, to teach songless hearts to sing, to see hopeless hearts find the Blessed Hope thru the Gospel. To see the forces of unbelief, and darkness rolled back by the light of the Gospel. This is what challenges every fiber of my soul. I pray God will keep this fire alive within me as I am tested and tried: Rom: 15:30 is my request for each pastor, and their churches, who by their faithful, sacrificial giving is making it possible for me to leave June 1st 1986 for the Philippines.

Since the last letter these are the churches we have had the privilege to preach for. Storms Creek Baptist, Ironton, Ohio, Jim Orrick pastor; Calvary Baptist Church, Nitro, W. Appreciation For Letters From Supporters . . . New Mission Growing . . . 7 Baptized . . . Report On Schools . . . Special Prayer Requests

by Sheridan Stanton

Dear Brothers and Sisters in Christ,

Well, the Lord has surely been good to us this past month. Anita, the children, and I are in good health and continue to be blessed of the Lord. Hope all is well back home with everyone. It sure is nice to get letters and cards from Brothers and Sisters in the Lord that tell us they are praying for us. This is a real encouragement to us, for sometimes the pressures and troubles seem great, but we have a great God, full of mercy who is always there to comfort. We appreciate the young marrieds Sunday School class of the Ashland Avenue Baptist Church taking the time to write to us this past month.

Our new mission work is doing really well. We are growing more every week, with visitors in practically all services. I baptized seven three weeks ago and have two more to baptize next week. The people in the mission have a good spirit about them and a real desire to serve the Lord. We still need some help towards building a suitable meeting house. We

Sheridan Stanton

are still meeting in the house of a member and we are packed out every service. Maybe someone would like to help us with the much needed and urgent project. Pray about it and give as the Lord leads.

The Pucallpa Baptist School is still in its summer vacation. We start another school year in April. We are busy at this time getting everything ready. We've had some problems with the new government but the Lord seems to have worked everything out. Pray for us as we prepare for a new school year that the Lord will always be lifted up and glorified before the students and parents. We hope to see many more students saved this year. Please remember your support for the school.

I would like to ask all the churches to give more thought to increasing your giving to the General Fund of B.F.M. We have more families waiting to go to other fields of service and it is urgent that they go soon. Pray about this also.

Until next month, may the Lord bless and continue to bless each one.

Love in Christ,
S.E. and Anita Stanton

Eighth Anniversary Service . . . Good Attendance . . . Eleven Baptized . . . Home Bible Study And Three Professions Of Faith

by Bobby Creiglow

Cuiaba, Mt.
March 17, 1986

Dear Brethren,

The Lord has given us another good month in His service, although we have had our ups and downs. On February 28 we celebrated the eighth birthday of the church and we invited the Faith Baptist Church of Varzea Grande to be with us. They brought from 50 to 80 people from there and for one time, at least we saw the church building full including all our chairs. There were well over 200 people present to hear Brother Candido bring a good message. Several singing groups from Faith church brought some good specials in song and our new choir did a super job on their debut. This was on a Friday night and as we expected we were down in attendance on Sunday, but we still had a good day. Our Sunday School this past Sunday equaled our record high, since we have been here, of 55 and for the past two Sunday nights we have had 82 and 77. Our high for the month was 87.

We are having a lot of visitors each week and we are praying the Lord will give us several more families. Within the past several months the Lord has given us two families, but we need about six or eight more to create more stability in the church. At this

Bobby Creiglow

time we are working with about that many families that the Lord could give us if He would care to do so.

This month I baptized eleven. Some of these were saved while Brother Turner was still here and others sat under his preaching for some time and still others were new people that have been coming since we arrived. We have been having a home Bible study on Monday nights and we have had three professions of faith in this study. Only time will tell just how productive this will be for church growth, but we are encouraged thus far.

Please continue to pray for us that we might know His will day by day and then have the grace to walk therein. Pray that He will give us the strength to do that which we should.

There is a dentist and his family that have been attending here for several years, but never got involved. One day while I was praying for them I asked the Lord to let something happen that might cause them to turn their lives over to the Lord for his service. Either that same day or the next his sister-in-law, 22 years old died. It is too early to tell what the out-come will be, but at least it has opened up a door into the life of the husband of the lady that died. We also ask you to pray with us for them.

In His Name,
Bobby D. Creiglow

Laboring Full Time At Maua . . . Four Come For Baptism

by Harold Bratcher

Manaus, Amazonas
March 18, 1986

Dear Brethren,

We have good news for you! The work at the Maua or Mauzinho Baptist Mission of the 14th of December Baptist Church here in Manaus, Amazonas, "Brasil" S.A. goes well. We are laboring full time there. Last Wednesday night we (Marie and I) visited and I preached at the Gerizim Baptist Church, Edilson Rodrigues Miranica, Lay pastor. The occasion was the 11th anniversary of Church. The church that night had 18 of its 26 members present. The church hopes to build a new building soon. Pray for that church that they might be able to build a new building in a better location. Last Friday

Harold Bratcher

night I preached at Maua to make up for being absent on Wednesday night. However, Prayer Meeting was led that night by our Sunday School Superintendent. Saturday afternoon I held services in a home and then visited an unsaved man in his home. Last Sunday morning we had 65 in Sunday Bible School. At the close of the preaching service, four new converts requested baptism. Sunday night - 60 present and one received under watch-care - requesting letter.

We thank you in the name of the Lord - you - the individuals and churches that contribute to the regular fund and or to designated funds. May the Lord bless you and love you as you continue to cheerfully give.

Yours In His Service,
Harold & Marie Bratcher

God's Handiwork Seen . . . Many Souls Saved . . . The Last Member of Japanese Family Saved

by John Hatcher

Garca, Sao Paulo
February 20, 1986

Dear Friends,

Praise the Lord for all His benefits! His mercies are new each morning and His faithfulness is everlasting!

This has been a month overflowing with God's blessings. The handiwork of God has been seen in little things and gigantic works. Six years ago Alta was given an orchid plant. This year it bloomed for the first time. Twenty pale yellow and wine colored orchids hung from one stem. The marvel of this flower is not only its beauty and spicy fragrance. It attracts a black type of bumble bee with a green back that we had never seen before. The most amazing thing about this orchid is that it carries in a little belly-like pocket a dart about one-half inch long. Its nose is white, almost square, and is covered with a sticky substance. The little dart has a yellow double tail. When you touch the bloom the dart fires out and sticks where it hits. The darts shoot out with a strong force and travels 8 to 10 inches. What a handiwork of God!

Then we had the joy of traveling with Pete Rice, his mother, Dr. Cathy, and his daughter, April, to visit the famous waterfalls where Brazil, Argentina,

John Hatcher

and Uruguay meet. What a beautiful display of God's sense of beauty! There also, has been built the largest dam and electric plant in the world, supposedly. This plant is a bi-national project of Brazil and Uruguay. Possible because man was created in His image.

But, the marvel of marvels we have seen this month is the salvation of souls. In Cornelio Procopio Pete Rice preached and two persons trusted publicly Jesus Christ, the man who is owner of the radio station and his wife. In Duartina there were six persons who professed faith in Christ. On Sunday morning in Garca there were about 15 persons who made professions of faith. At the night service there were four who professed faith in Christ. One was a young married lady who had been saved as a result of the ladies meeting with Dr. Cathy Rice. Another lady was also saved in that meeting. In the ladies' meeting at Duartina there was a teen aged girl saved.

One man who was saved in Garca was the father of two young people and the husband of a lady of our church. This is a Japanese family and he is the last of the immediate family to trust Christ publicly. It was a joy to have Evangelist Pete Rice and his daughter and Dr. Cathy Rice with us.

Praise ye the Lord for all His benefits!
In Him,
John and Alta Hatcher

Review Of The Work Back To 1965 In Sao Luis Area . . . 10 Works Begun During These Years . . . Goals For The Coming Years

by George Bean

Caixa Postal 500

March 15, 1986

Dear Brethren,

Looking back to 1965 -

There was one Baptist church in our fellowship in 1965 and that was the Baptist Church of Peretoro. John Hatcher came from Manaus and started a mission and then Brother Sostenes and Brother Santiago (already in Glory) came and organized a church with around twenty members. I moved to Sao Luis which is 240 kilometers north of Peretoro, in June of 1965. We started a mission in Sao Luis and the next year we organized New Hope Baptist Church. In 1967 the Baptist Church of Anajatiba was organized and also the Baptist Church of Villa Maranhao was organized that year. Some time later the Faith Baptist Church of Olho D'auga was organized, then the Baptist Church of Sao Mateus was organized and then the Baptist Church of Turu was organized. We have a strong mission at Anajatiba and also there is a strong mission at Cruzeiro do Anil. Also a good Mission at Tum Tum down south of here about 300 Kilometers. Looking to the Future -

I have been called as pastor of New Hope Baptist Church again as Brother Draper is not well and he

George Bean

will come home on furlough some time this year. In becoming pastor of New Hope I also am pastor of the Anil Mission and the Anajatiba Mission. I am also advisor for Faith Baptist Church and all of its missions. All of these churches and Missions have national pastors but one that is New Hope. I hope to be able to report soon that New Hope will have a national pastor. New Hope Baptist Church is in good shape; Brother Draper has done a good job and the church is growing and I hope to keep it doing the same. There are two young preachers in the church and I plan on using them this summer. I plan on starting night classes for preachers soon. June wants to work with some of the young ladies and help them with their singing. I am going with Brother Sostenes March 27-28 to Burticupu to start a mission, more on this next month.

Yours to tell the Old Story,
George & June Bean

Report On Tests . . . Preaches In Kentucky And Florida . . . Needs \$1,000 For New Work

by Homer Crain

1007 Pinbloom Drive
Lexington, Kentucky
(606) 278-0963

Dear Brethren,

After completing all the tests in the hospitals, the doctor recommended medication. A week later he changed his mind and now suggests an operation. I will have two more opinions before I make my final decision.

I left the hospital March 15th and I began a revival meeting with the Faith Baptist Church at Versailles, Kentucky, March 17th. Bobby Lakes is the pastor and he is doing a good work. We had good crowds each night with two rededications. Sunday morning there

Homer Crain

was 112 in attendance. March 26th I preached for the First Baptist Church, Ojus, Florida. Brother James Washer, pastor.

March 31 - April 2nd we attended the Baptist Faith Mission Conference, Thompson Road Baptist Church, Lexington, Kentucky. Brother James Hamilton, pastor. It was a good conference with great fellowship and preaching of God's word.

We plan to return to Peru in July to begin a new work in Lima, Peru. We still need \$1,000.00 for benches and hymn books to get the new work started. Brethren, we will need the \$1,000.00 when we arrive in Lima. Will you help us? Time is running out.

In Jesus Name,

Report Health Problems . . . Young Man Surrenders To Preach . . . Daughter Marries

by Harold Draper

March 31, 1986

Dear Brethren,

We had planned to leave here for the States by now, but it seems that the Lord has something more for us to do here yet. Our adopted daughter's documents are not in order as they should be and for this reason we must delay for a few more weeks. The baby and Ursula are feeling better. We rented an apartment thinking it would be cooler and better for them, but it had carpet glued to the concrete floor. After 2 months living there the doctor said we had to move out as it was creating serious problems for the baby and Ursula's allergies. So we are back in the mission house again. It is hot, but at least doesn't make problems of this kind.

Harold Draper

Last night I preached for New Hope Church and Brother Bean. A young man surrendered to preach. His name is Antonio Carlos. Pray for him. He was saved nearly 4 years ago, right after we came back from the States. Truly we need workers here.

Since I will be delayed for a while in coming home, I plan to help out in the Anil mission and to visit the works in the interior. Brother and Sister Bean are really doing a fine job in the church and it is prospering. They have been such a blessing to us.

Our daughter Melody was married earlier this month to a young man of our church. His name is Luis Henrique Montieor. Pray for this young couple. I must close for now. Always remember us in your prayers. God Bless all of you.

In Him,
Harold M. Draper

Report On Judson . . . Blessings In Trial . . . Begin New School Year With 730 Students

by Paul Hatcher

J. Carlos Antony, 172

Brazil, South America
February 22, 1986

Dear Friends,

. . . everyday a shower, sometimes a down-pour, always reminding me of God's showers of blessings - so many I cannot count them.

Judson, our eight-year old son, has been confined to bed, traction, and then a body cast since October 10. He is doing great. Judson's joy, and even thankfulness to God for his circumstances, are wonderful to see. God uses our circumstances to draw us closer to one another and to have opportunities to learn together. As you read this

Paul Hatcher

letter, he will possibly be out of the cast and beginning therapy so he can resume using crutches. Thank you for your prayer, and pray for us right now!

The 1986 school year began in February with an enrollment of 730 students. Pray for the school as we are engaged in developing and writing a Christian school curriculum. This will be the greatest way to influence Christian education in Brazil, as there are no curriculums available. Help us by praying and supporting as you can.

Fifteen Professions of Faith . . . Hold 3 Day Camp To Escape The Carnival

February 18, 1986

Dear Brethren,

It hardly seems possible that another month has quickly gone by in the Lord's service here. Our gracious Lord has blessed us here at the 14th of December Baptist Church.

Our highest attendance in Sunday School was 430, with a low of 350 on a rainy Sunday. At night the highest attendance was 301, last Sunday. There were some 15 professions of faith, 3 coming by letter, and several requesting baptism during this time.

Asa Bratcher

Last night I spoke at the Bairro of Sao Lazaro Baptist Church on the Power of Prayer.

Last week around 80 of us from the church went to the outskirts of town for a 3-day camp to get away from town during the celebration of the carnival - "The feast of the flesh".

Do continue to remember us in prayer as we strive to serve Him faithfully here.

Peaceful Solution In The Philippines . . . Sister Adams Back Home After Surgery . . . Several Professions Of Faith

by Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal, Philippines
March 25, 1986

Dear Co-Laborers In Christ,

In last month's letter when I requested prayer for the Philippines, little did I realize that within a four day period,

February 22-25, we would experience what is now referred to as a bloodless revolution resulting in a new government and new President. I want to thank all of you who prayed for a peaceful solution whereby only a few people were killed. Continue to pray for the Philippines as our new government seeks to establish itself and a constitution and local elections are scheduled within the next few months.

I want to thank all of you who prayed for my wife, Becky, who underwent surgery in January and

Dana Adams

who arrived back in the Philippines on March 24th. Her arrival was delayed by some 14 hours due to a snow storm in Tokyo which closed down the airport overnight. Johathan and I are happy to have her back home again and request that you continue to pray for her complete recovery.

This past month we have had some to profess Christ as their Saviour, but none to present themselves as candidates for scriptural baptism. Some of these professions were made in Bible studies conducted weekly by two of our young men. Remember to pray for our young people as they will be involved in doing different types of evangelism during the next two months. Our theme for April and May will be, "Each One, Win One."

Until next month, may the Lord richly bless you in His Name.

In His Name,
Dana Adams

Emphasis On Christian Living . . . 8 Saved . . . Report On River Ministry

by Mike Creiglow

Cruzeiro do Sul, Acre
February 18, 1986

Dear Brethren,

So many great things have been happening lately that I won't be able to tell it all. Here are a few of the best things though.

In teaching and preaching I have been working very hard on the serious and responsible side of Christian living. Many of us have been praying and studying hard about the practical aspects of our new life. On one Sunday night there were 8 saved, some coming to request baptism, and many confessing sin or getting things straightened out with the Lord and the brethren. This service was longer than usual and very sober. The rejoicing started later. Since then we have had several great services with great results.

We have just finished our first camp of the year. This was the only year that we have been able to go by truck in the rainy season. Nevertheless it really rained. The rains were mostly at night though and didn't hurt the activities much. We only had forty some young people this time, but the results are still coming in and are very good.

Last Friday night we had over 200 people out for

Mike Creiglow

prayer meeting. During the service I whispered to Bev that there were too many people there! Actually I was glad that there were so many people out for prayer meeting. What happened was that Friday was February 14 and the church decided to throw a big birthday party for me after church. Everyone had a wonderful time, with lots to eat, much singing and I got a bunch of nice gifts.

The river ministry has continued, but at a slower pace. We only have one small outboard working at this time. We are still waiting for our parts and new equipment to come from Manaus. It looks like the wait may be long. The men have been patient and hard working though. Most of the trips have been made in rented canoes, which is slow, hard and expensive. Just this last week we had 4 teams out. The highlight of these trips was the one to Santo Antonio. Brother Edson Damasceno started this preaching point. He took Brother Nilo, the army officer who was saved last month and I told about in my last letter, who gave his first public testimony during the Saturday night service. I also visited this work this past month.

Time to close. Thank God with us when you pray. God bless you.

In Christ,
Mike Creiglow

March 22, 1986

Dear Brethren,

I really haven't much to report this month as I've been in the hospital again to have surgery again. I was there for five days and had surgery the fifth of March.

I believe that this time the problem has been corrected. I still am under the doctor's care until he is sure all is well.

The Sunday before I went in the hospital I and my family were with the Richland Baptist Church, Livermore, Ky. where Brother

Richard Turner

Lonnie Perigo is the pastor. I preached and showed my slides of the work. We truly enjoyed being with this church. My father was pastor of this church when I was born in 1944. Since my surgery I have been with the Immanuel Baptist Church, Oldtown, Ky. where Brother Jim Craft is the pastor. It was a real joy to have been with these churches and pastors.

We still have openings to preach. If any of you pastors are interested in having me come please contact me at the above address or telephone number.

Thank you for your faithful prayers and support.

In His Service,
Richard A. Turner

area let me know.

Sincerely in Christ,
W. Louie Carver

P.S. Remember, it takes more to support 16 families than it did 11. Have you taken this to the Lord in prayer recently?
