Soon To Leave For The Philippines . . . Many Thanks To The Churches . . . Report On Churches Recently Visited

by John Henderson

May 31, 1986

Dear Brothers In Christ,

It's almost time now to depart, and time to say goodbye to our loved ones as the date of our departure approaches. We plan to depart from Charleston, W. Va., on June 23, on our way to the Philippines. We have so much to be thankful to God for. The churches, and their pastors who have challenged their churches to give to make it possible for us to go. I want to say to each of you **THANK YOU** for allowing us to be your missionary to the Philippines. Also, I want to express my appreciation for all the ways so many of you manifested your love towards us. Until we have the opportunity to be with you personally again our request is found in Romans 15:30. These are the churches we were with recently and we thank you pastors for allowing us the privilege to be with your churches.

John Henderson

We thank God for each church that has allowed us the privilege to conduct Revivals, and to be part of their mission conferences. Since April we have driven over 8,000 miles. We enjoyed meeting and being with each of you pastors. Now pray for us continually as we will soon be in the Philippines. Encourage your members to **write All the Missionaries on the field**. To encourage them, to let them know you are praying for them: Some churches have various families to adopt a missionary family and to write them once a month. I hope this encourages some of you to do the same. Until we meet again may God's peace reign in the hearts of His people. I want to express especially my thanks to my pastor Brother Millard Mitchell for all his support during this time and also to all of the B.F.M. directors for their encouragement.

A TRUST

Last month I mentioned something about a TRUST. It dawned upon me that some may not know what a TRUST is. A TRUST is usually property held by a TRUSTEE for another party. The trustee handles the property according to the terms of the trust and state-law. The beneficiary is unable to dispose of the property unless the TRUST so states.

Trusts may be both RE-VOCABLE or they may be IRREVOCABLE. They may be practically anyway the donor wishes them set up. They may be as a LIVING TRUST or they may be as a REMAINDER TRUST.

WHY NOT CONSIDER GETTING YOUR LAWYER TO SET YOUR TRUST OR WILL UP TODAY?

DR. LEE'S VISIT

Dr. Lee's visit was short and pleasant. He informed me that they had already begun a two and one half story building for the Faith Baptist Church there in Seoul. Pray for them. Some of the lost neighbors near the church have already begun to try

Louie Carver

to stop the construction on the building. There contention is — it will cause noise and cause their property value to be de-valued. He also told me that both Kyouan Ban and Doo Mill Churches were progressing. They both have the same pastor, Brother Cho, a new man.

JUNE FOUNDERS' MONTH

Many have assured me of their planned B.F.M. Founders Day project. I'm excited to see what you're going to let the Lord use you to do or else do through you.

TRAVELS IN MAY

This past month has been another extremely busy one. I've been privileged to have been with the following (Brother Lee was with me on some of these trips): The first Sunday we (my family and I) attended the Thomas Road Baptist Church of Lynchburg, Virginia. Our daughter, Pamela, graduated there (Liberty University) on May the fifth. I was also privileged to have been with: The Calvary Baptist Church of Uniontown, Ky. They just called Brother C.K. Landrum as their pastor. The Battle Baptist Church of Mackville, Ky. Pastor S. Long; Laurel Bend Baptist Church of Marshall, N.C. pastor J. Shelton; Cedar Hill Baptist Church of Alexander, N.C. pastor L. Spivey; Lynmans Creek Baptist Church of Beattyville, Ky. pastor R. Adams; the Pleasant View Baptist Church of Bromley, Ky. pastor

Romuel Is Saved And Helps In The Work . . . Travel With Wacasers To Find Site For New Work . . . 50 Saved In New Missions

by John Hatcher

Garca, Sao Paulo
 19th of May

Dear Friends,

Praise the Lord! Each day of our ministry here in Garca is exciting! Each day we see the people, young and old, of our church growing to be more like Jesus as they take their own hands off their lives and turn them over in surrender to the Heavenly Father.

God is marvelously working in our mission points, also. Let me tell you about a young man, 18 years old, in our mission in Duartina. The pastor of the mission is Jander, a single pastor, from Manaus, Maria, age 46, who lived in our home for many years, also works in this mission with Jander. Both are supported by our church here in Garca. Their salaries are far from sufficient.

Romuel, the 18 year old boy, attended the services when Alta and I began the work there several years ago. Romuel never missed the services. He made himself seen at every service. He was a problem because his mental growth did not accompany his physical growth. Most of the children were smaller than he. He continually tormented them with bugs, roaches, and pinches. His home was beside the church building and many times his mother came to tell us that he had been thrown out of school or that the police were after him. His mother took him to the doctor who said he was hyper-active and put him on drugs. Romuel behaved better, but how sad to see him groping around almost lifeless. He never made a profession of faith while we worked there. One of his last works of art was to break the mercury flood light that illuminated the back yard of the church building.

Romuel was about 15 years old when Jander and Maria took our place in Duartina. They showed a special interest in Romuel. For the first time in his life he was treated by his own people as a human being. Maria taught him to read. He had been in school several years, but had not been able to learn to read. His parents put him to work in the coffee fields as soon as he was big enough. Jander was pastor only a short time when Romuel trusted Christ as Saviour and was baptized. Romuel was transformed! He became an example of Jesus in everything he did. Everyone was amazed! He began to work hard and earn more money. His mother, still unsaved, does not even let him have a penny for himself.

Romuel spends much of his free time at Maria's or Jander's houses. God must have opened his eyes to see that they never had meat on their table. Romuel got a job in the slaughter house on Saturdays where he only gets meat for his work. He does this so he can give the meat to Maria and Jander. He keeps the meat on their table. What an act of love! Friends, are you willing to show your love to the thousands, millions, of people here in Brazil who have never heard the true gospel, by sending a gift to "new works" each month?

John Hatcher

This month the Bobby Wacasers and we drove all the way to the Southern tip of Brazil in order to help them in choosing where they feel the Lord would have them work. On that trip of 3,000 miles we only saw three Baptist churches. The fields are truly white unto harvest!

Our church here in Garca started two mission points month before last. There are about 25 persons from our church who are working in these missions. Over 50 souls have been saved.

In these two places we have no place to meet except in our bus. The seats have been removed and it is used as a mobile auditorium. With chairs and benches we have had as many as 66 persons in our mobile auditorium.

The opening of two more missions is planned within the next few weeks, but we must have places to meet so the people can know that the work is permanent. Marilia, where we have started a work has 150,000 people. We need a large building. One has been found but we need the funds to buy it. Smaller buildings will do for the three smaller towns. We need your help now! May God open your eyes and fill your hearts with love for the millions dying without having heard the true gospel of salvation here in Brazil, as He opened Romuel's eyes to the need of Maria and Jander. Mark your offering "John Hatcher's new works".

Two Professions Of Faith . . . Work At Mauzinho And New Jerusalem . . . Remember Bratcher Building Fund

by Harold Bratcher

May 20, 1986
Manaus, Amazonas

Dear Brethren,

Once again we greet you from the "land of eternal summer." The rainy season may have ended and the warmer weather may have arrived to remain for several months.

Our report to you this month is that we have preached each Wednesday night at the Mauzinho Baptist Mission of the 14th of December Baptist Church here in Manaus. Each Sunday except the first Sunday of May found us at both services at Mauzinho. The average attendance for the last Sundays has been 63. Last Sunday night the Lord gave us one profession of faith.

Harold Bratcher

On Saturday May 3rd Mrs. Bratcher and I traveled seven hours by boat to the New Jerusalem Baptist Mission. There I preached to some 35 on Saturday night. A 14 year old boy asked for baptism. On Sunday morning I preached to 53 - two rededications. The new building is almost completed. The new benches have not yet been made. We returned to Manaus by boat Sunday night arriving Monday morning early.

May the Lord continue to bless us and revive his work! We covet your prayers. Please continue to give to the regular fund and to the "Bratcher Building Fund."

We are planning a baptism service on Sunday night, June 1st.

May the Lord's richest blessings be upon you is our prayer.

Finished 30 Years In Ministry . . . Celebrated 40th Wedding Anniversary . . . Mike And Fellow Workers Preach For A Week

by Bobby Creiglow

Caixa Postal 720

May 20, 1986

Dear Brethren,

Some months ago I stated in one of my letters that our work here has been like a ball. "Up and down", well, that has not changed much and this month it is on the way down, but we believe that it has hit bottom and will bounce back higher than it was before. It hits hard when it is down, but we try to roll with the punch and come back swinging. Of course this isn't the first time this has happened in our ministry and we believe we will weather this storm also.

On May 16 of this year I celebrated thirty years in the ministry and last Sunday night I tried something that I have not had the courage to do for thirty years and that is, preach from the same outline that I used when I preached my first sermon. After the service a brother asked me how many were saved the first time I preached it and I said, "The same amount that were saved tonight, none." I think I did a little better job of preaching than I did the first time.

On that same Sunday, Betty and I celebrated our fortieth wedding anniversary. May 18, and the church helped us celebrate it by giving a supper for the whole church on Saturday night. About the time they were getting things going it rained very hard and we thought it would ruin everything, but it soon cleared off and all went well. We had a great time with them.

Bobby Creiglow

Last week we rented a house nearer the church and we are now trying to get it cleaned up to move. For the past ten months we have been living in a furnished house of another missionary who will return next month. When we came to the States in 1983 we gave most of our furniture to the pastor that took over our church and at this time we are very thankful to all of you brethren who gave to help us replace these. We will not at this time take the space to mention each one, but we do want you to know that we are very thankful.

Mike and one of the pastors with whom he works were with us for a week in which time we had a very good meeting and enjoyed having them with us. The people also enjoyed them and their preaching.

We still need your prayers for us and the work here.

In His Name,
Bobby D. Creiglow

Attend Youth Camp . . . Two Professions Of Faith . . . Four To Be Baptized . . . Looking Forward To The Coming Of The Hendersons

by Dana Adams

1782 Burbank Street
Brookside Hills Subdivision
Cainta, Rizal Philippines
May 24, 1986

Dear Co-Laborers In Christ,

On May 5-9, thirteen of our young people, including my wife and I, were able to attend youth camp. The camp proved to be a real blessing to all as hearts were challenged and lives were changed as God's Word was preached. The following Sunday during our Sunday School hour, each of our young people shared their testimony, which was an encouragement to our entire church.

On May 16-18, our church had special services with a national pastor as our guest

Dana Adams

speaker. We had two who made professions of faith and one who came for baptism. This coming Lord's Day I'm scheduled to baptize four into the fellowship of our church. Two of these made professions of faith during home Bible studies and the other two during our special services. Remember to pray for these that they would be faithful unto the Lord.

My wife and I are looking forward to the Hendersons' arrival on June 23rd. We trust that we may be a blessing to them as they begin their new work here in the Philippines for the Lord.

Remember to pray daily for us that the Lord may give us the wisdom, strength, and determination to keep on keeping on.

Getting Ready To Come Home On Furlough . . . Making Last Visits To The Churches And Missions . . . Special Prayer Requests

by Harold Draper

April 23, 1986

Dear Brethren,

We are back in the mission house and busy trying to get our documents in order to come to the States.

Possibly our next letter will be from there. I am making one last round to visit all the works before leaving. I spent last week end in Anajatuba. The work there is going extremely well after several years of struggling along. The mission we started this term at Anil also is going well and we had one saved last month. I spent the Sunday services with them 2 weeks ago and had a wonderful time in the Lord. I plan to go this week end to the interior and visit the Peritoro and Sao Mateus churches.

I continue to request prayer for my family. Ursula and the baby are both bothered by allergies. We are having much rain at this time and it is very damp. The doctor has advised that Ursula should move from this climate. We are praying about where to go next. Our daughter and her husband are getting their papers ready in order to come with us to the States. Pray for

Harold Draper

them. He will need to learn English and find a job. We plan to spend the first weeks in West Kentucky while I go to the doctor with my prostrate problem. We will advise in our next letter more about this. Here it is hard to tell just when the paperwork is going to be done, but it looks like it is close.

May the Lord bless all of you. Thank you for your prayers and support.

Yours in Him,
Harold M. Draper

Dear Brethren,

Since writing my last letter I have been with the following churches. I preached at the Spring conference here in Lexington hosted by the Thompson Rd. Baptist Church. The South Lexington Baptist Church and the Bryan Station Baptist Church. This was an excellent conference. The next week I preached at the Calvary Baptist Church mission conference in Nitro, West Virginia, where Brother Millard Mitchell is the pastor. April 11 to the 13th I preached at the Rocky Spring Baptist Church near Bluff City, Tenn. where Brother Jim Miller is pastor. Brother Carver was also there and we had a very good week end meeting. The next week end I was at the Bible Baptist Church for another three day meeting. Brother Elton Wilson is the pastor. It was a good time in the Lord. April 23 I started a five day meeting at the Southside Baptist Church, Paducah, Ky. where Brother Don Cooper is the pastor. It was great to be with this church again. I was a member of Southside years ago. April 30 thru

Richard Turner

May 4 I was with the Pleasant Ridge Baptist Church here in Lexington where Brother E. W. Thomas is the pastor. This too was a good meeting. I was a member of this church from 1962 to 1964. Here I was ordained to the Gospel Ministry 22 years ago the 15th of this month. May 11, I was with the Bible Baptist Church, Harrisburg, Ill. where Brother Art Donley is the pastor. May 23 I preached at the Lynmans Creek Baptist Church in Lee County where Brother Richard Adams is the pastor. This was during their annual mission conference. Then on May 18 I was again with the Calvary Baptist Church, Nitro, W. Va. On May 22 I traveled to Craigsville, W. Va. to attend and preach at the Emmaus Road Baptist Church annual mission conference. Brother Rodger Frame is the pastor of this church. Then on the 25 of this month I was at the Beauty Mountain Baptist Church and spoke in the Sunday School hour. Brother Roy Thomas is the pastor. As you can see I have been very much on the run. We thank God for all these good churches and their desire to honor the Lord. I greatly enjoyed being with all the pastors and churches.

I request that you all remember me and my family in prayer.

Thank you for your faithful support.

Richard A. Turner

Preach To Five Involved In Witchcraft . . . Visit Work At Anajatuba . . . Several Professions Of Faith In The Various Works

by George Bean
Caixa Postal 500
Sao Luis, Ma
Brasil, S. A.
May 15, 1986

Dear Brethren,

What a great privilege it is to preach the Gospel of the Lord Jesus Christ. I had the privilege this month to preach to five people that were involved in witchcraft. I saw one woman who was demon possessed, she was jerking and slapping everyone around her. I began to talk to them about the blood of the Lord Jesus Christ and I saw the women calm down and almost back to normal. Pray for them as they said they were going to start attending Faith Baptist Church as they live near there.

June and I went to Anajatuba for three days this month and I installed the electric wiring for the house next door to church. I wish you could have seen how they were living before they moved into the house that they built. We had services on Tuesday night in the new house. The mission pastor presented five men that have made professions of faith in the last few months.

George Bean

I baptized one young girl into the fellowship of New Hope Baptist Church, several have come forward confessing their sins and asking for prayer that they might walk closer to the Lord. All the works report good services and the heavy rains have stopped and that will help our crowds some.

We received some letters from some dear people from Grace Baptist Church, Fairborn, Ohio. Thanks, folks, for the encouraging letters. Pray for us, as there is so much to do here and so few workers. May God bless each one and thanks to you who make our ministry possible here in Brazil.

Yours to tell the Old Story,
George and June Bean

Very Busy Month Of Travels To Michigan, West Virginia, Illinois And Kentucky . . . Report On Balloon Treatment For Heart

by Homer Crain
June 4, 1986
1007 Pinebloom Dr.
Lexington, Ky. 40504
Ph. 278-0963

Dear Brethren,

We started the month of May out with a wedding, May 3rd. I performed the wedding of my niece and her husband to be at the Zion Missionary Baptist Church, Taylor, Mich.. May the 4th. I attended my Church (Zion Baptist Church) and listened to our Missionary John Henderson preach, it was the last day of a week's revival.

May 5th I began a revival with the Beauty Mt. Baptist Church and the Pastor, Brother Roy Thomas. I had a great time of fellowship with the church and pastor. May 21 my family and I were with the First Baptist Church, Alexandria, Ky. Brother Carl Morton, pastor. We enjoyed being with this great church and appreciate the time of fellowship we had after the service was over.

Homer Crain

The following day, May 22, my family and I traveled to Craigsville, W. V. to be in the Bible conference with the Emmaus Rd. Baptist Church and Brother Roger Frame.

May 24th we left the conference and returned back to Lexington, Ky. changed suit cases and drove to Harrisburg, Ill. where I preached and told of the work at the Bible Baptist Church and Brother Art Donley, pastor. After the morning service we had Sunday dinner with all the members of the church. Great fellowship.

Sunday afternoon we drove to Livermore, Ky. where we were with Richland Baptist Church and Brother Lonnie Perigo. We stayed the night with the Perigos arriving back in Lexington, Ky. Monday afternoon.

Tuesday, May 27th, I entered the Humana Audubon Hospital, Louisville, Ky. for a balloon Angioplasty, which was successful. The doctor says I will be able to return to Peru the last of July and that I should not have any problems. Continue to pray as we prepare to return to begin the new work in Lima, Peru.

Report On Survey Trip . . . Need Help To Begin New Work . . . Training Chapel Teams

by Bobby Wacaser
May 28, 1986

Dear Friends,

We have recently returned from our survey trip to southern Brazil. We were truly saddened by the miserable situation that we found. Try to imagine cities as large as St. Louis, Detroit, Tampa and Charleston without one Baptist or Gospel preaching church. This is what we found in that area. In the U.S. you can find several Baptist churches on the same block, but there we saw only 3 Baptist churches in over 15 cities. In September we plan to begin a new work in that area. We will need the funds to build or buy new buildings, print gospel tracts and many other necessary functions to get a good start. If you would like to help in this work, send your offering designated to "Wacaser's new work."

We are training our chapel teams that I mentioned in my last letter. These folks are in the last stages of training and will be going out soon to begin this new ministry. We still haven't been able to buy the property needful to build these mission points and pray that God will soon supply. We have some very

Bobby Wacaser

talented young people who are excited about this opportunity to serve the Lord. Pray that God will continue to encourage them as they embark in this field of service.

We were pleased to receive correspondence from some of you back home. It is always encouraging to know that we are being prayed for and thought of by our brothers and sisters in Christ. We welcome all correspondence, so write us any time.

In Christ's love,
Brother Bobby Wacaser

Arrive Home For Furlough . . . Visit The Church Where Saved And The Church Where Pastored . . . Undergoing Medical Tests

by Harold Draper
May 23, 1986

Dear Brethren,

We have arrived here in the States. We are presently visiting our families and friends. We were made to feel the loss of someone. My dad was not here to greet us this time. But we will meet him in glory. We have had the privilege to visit two churches so far. We spoke to the folks at the Emmaus Baptist Church where I was saved 32 years ago. Brother Bill Bowles is their pastor. We really enjoyed the fellowship with these precious folk. We have visited and preached at the Calvary Baptist Church in Arlington, Ky., Howard Wilson Jr., pastor. This is the church where we pastored for 3 years. It was a great blessing to be with these brethren. We are enjoying the fellowship and the opportunity to hear the word preached in the English language.

I am taking tests at the present time to find out if I will need surgery. I am to go back for more X-rays on June 9th. I arrived with a pretty bad kidney infection and the doctor is trying to kill it out before running more tests. Ursula has a bad cold. We aren't used to this 40 degree weather. The baby is doing fine despite a bad cold. Our daughter Melody and her husband came with us. They hope to stay here and

Harold Draper

live. Pray for him that he will learn the language quickly and be able to find a job. He is already making friends and cutting grass and doing other odd jobs.

It looks like we will be tied up at least until the end of June here in West Kentucky. Our phone number here is Area Code 502-694-3842, and our address is Route #3, Bardwell, Ky. 42023. May the Lord bless everyone. We appreciate your prayers and support.

In Him,
Harold Draper
