BROTHER CARVER'S REPORT

Royal Treatment In Korea - Wonderful Seminar In Seoul -
Preachers in Many Churches - Many Decisions Made -
Pray for Faith Baptist Church in Seoul.

by Louie Carver

Kwang Hwa Mun
P. O. Box #1184
Seoul, Korea

July 19, 1986

Greetings from the "Land of the Morning Calm" (Korea). My Nephew, Dwight Williams, and I arrived in Seoul the evening of July 8. Missionary Wayne Howard and several of the Korean pastors along with their wives and several church members were at the airport to meet us.

The Howards had an apartment reserved for us next door to theirs. Though Mrs. Howard had surgery just two weeks back, they've been treating us royally. They're fine folks and dear friends.

The Dentist-pastor, Dr. Lee of the Faith Baptist Church was to have had an eighteen hour seminar set up for me to lecture on the tabernacle and the Priests. Would you believe! he had a special seminar room in downtown Seoul rented and an nine day-36 hour seminar set up for it. Anyway, it ended this afternoon and that was probably the best overall public (positive) response that we have had.

Aside from the seminar, I've either spoken or had some type of a meeting almost every night. We closed a two night meeting last night. There were, I believe 10 who made some type of public decision. This was a Baptist Church about two hours away by car. I've spoken at the Faith Baptist Church here in Korea and for her Youth Service, this was the second church that I started in Seoul. Dr. Seo Ku Lee (the Dentist) is her pastor. I was also with the Shin Nae Baptist Church and her pastor, Pastor Cheong. This was the first church I started in Korea. They are doing quite well. The building was almost full. We were also with the Doo Mill Baptist Church, the first country work I started, Bro. Cho is now pastor of this church. Fifteen precious souls made some type of a public decision in this church.

Last Wednesday night I was (that is as in all these but one, Dr. Lee and I) with the First Baptist of Kai Pyoung and Pastor Chang, the last

Louie Carver

church I started in Korea. We have five more services before leaving for the Philippines, one an ordination of two men. Be much in prayer for the Faith Baptist Church here in Seoul. The Devil has really been fighting them, through others who are suppose to believe the same, as well as through problems building a building. I told you some time back about the old building being torn down. Well, they have started a two and a half story building, now the neighbors have begun to fight because they are building again. We have gone to two different government offices this past week about the problem. The last man told them to go on with their plans. Pastor Lee has already put over \$8,000 (if it were American money), into the building of his own money. The church had several thousand and they have borrowed several thousand. It is a blessing to see them trying to do on their own.

I left the States before the final report came in for the June "Founder's Month" offerings. Thus, I don't know how much came in but several pastors had already assured me of their churches intentions to give. Anyway, to all who did give and for the amount, whatever that you gave, we thank God for it, and you for permitting Him to give through you.

We are to be back in the States the evening of August nine. If you would like me to come to your church for the cause of missions (B.F.M.), please let me know.

Your Fellow-Servant in Christ,

W. Louie Carver

P.S. I heard of Bro. Adam's sickness, pray for him.

Please remember that Special Thanksgiving Offering so that we will have the largest and best of all time.
God will bless you for it.

Arrive Home For Furlough - Three Saved and Baptized
at Yarinacocha -
Report on Grade School

Dear Brothers and Sisters in Christ,

Greetings once again from the Stanton Family. We hope all is well with each of you. We arrived back in the States three weeks ago for furlough and we are really enjoying visiting with all the family and friends. We are looking forward to visiting each church that supports us and presenting our work in Pucallpa. We are really excited about the work and want to share our past progress and plans for the future with each one. If you have not already contacted me and would like to do so, please feel free to call or write to the number and address given above. We look forward to hearing from each of you.

We baptized three more into the new mission located at Yarinacocha, about six miles from Pucallpa. These three trusted the Lord as Savior on the last Sunday night that we were in Pucallpa, and they requested to be baptized before I left, so we planned a special outing on Thursday and went to the lake and baptized them. The following day, Friday, the family and I left Pucallpa to begin our journey back to the good old U.S.A.

Sister Ada Mayfield came down to look after the house and school for us and we are really grateful that she did. She has taken on a large work and great responsibility and I want to ask each one of you to please remember her in your prayers. The school has doubled in size in the last few years and therefore double the responsibility. Sister Ada and her late husband Brother Del Mayfield were the founders on the work there in Pucallpa and the Lord enabled them to have many fruitful years in the ministry there. Again, please pray for Sister Ada and the work.

We had the privilege this past week to be with and preach for the Jordan Missionary Baptist Church of Sanford, Florida. Brother Elgie Hor-

Sheridan Stanton

nsby is the Pastor. This is the church I pastored before going to Peru and also the church that sent us out. On Sunday night we were with the Park Ridge Baptist Church of Gotha Florida, Brother Doug King, Pastor.

We appreciate the invitation to speak for these churches and the gracious love and hospitality that they extended to us while we were with them.

I must close for now, I look forward to hearing from you soon. Please be sure to call or write to the address given above.

In Christ,

S. E. and Anita Stanton

Health is Much Improved - Henderson's a Blessing to the Work - Plans for Training Workers

by Dana Adams

1782 Brubank
Brookside Hills Subd.
Cainta, Rizal Philippines

July 30, 1986

Dear Brethren,

I would like to begin this month's mission letter by thanking all who have been praying for me during the past few weeks regarding my health problem. Upon arriving in the States on July 13th, I have undergone a complete medical check-up and am happy to report that by taking the medicine prescribed to me by my doctor, my health has greatly improved to the extent that my wife and I will be returning to the Philippines by mid-August, Lord willing. I would like to express my appreciation to Br. John Henderson for being willing to oversee my work until I return to the field. The Henderson's arrived in the Philippines on June 22nd to begin their ministry among the Filipino people.

Dana Adams

My family and I are very happy to have them with us and thank the Lord for calling such dedicated folks to be co-laborers to work with us as we endeavor to lead the lost to Christ and to establish New Testament Baptist churches for the glory of the Lord.

The Lord willing, upon returning to the Philippines I plan on beginning night classes for the purpose of training part time and full time workers for the Lord's service. Please remember this endeavor that it may be blessed of the Lord and used for His glory. In next month's letter, I'll be sharing with you a plan explaining how each of our supporting churches may have a part in giving the amount needed for our future church building. Until then, may the Lord richly bless you is my prayer.

In His Name,
Dana Adams

P.S. Praise the Lord for a great offering of \$46,000 during the month of June, referred to as Founder's Month.

Very Busy Month Traveling and Preaching - New Church Organized - Thanks for the Help Received

Caixa Postal 500
Sao Luis, Maranhao 65 000
Brazil, SA

July 16, 1986

Dear Brethren,

This has been one of the more busy months that I have ever spent here in Brazil. I preached one night at Faith Baptist Church Conference, I also baptized three for them one Sunday night. I have been to our Congregation in Anajatuba. I have visited two Thursdays at our Congregation at Anil. June and I have been to Peretoro and Sao Mateus and visited in Bro. Ricardo's home and also Bro. Sostenes's home and spent some time with them. We are having special services this month in the homes of the members of our church. Bro. Sostenes and I were asked to come and preach a series of meetings for the group of Baptist that live in Bur-

George Bean

ti-Cupu. We spent four days visiting and preaching and trying to help them; they will organize August 1 with 40 members with the authority from another Baptist Church. Thank God another Baptist Church will be working here in the Lord's Vineyard of Maranhao.

June and I have rented and furnished a new apartment. God has been so good to us. It is the first time since we got married 36-years-ago that we have all new furniture. Thanks to those who helped us with the expenses. Yesterday, we got three Sunday Newspapers from Lexington, Kentucky. They are three and one half months old but still news for us. Thanks, Bro. Gumm and the Saints from Richmond Road Baptist Church for the year subscription. Thanks to all for the nice kind letters of encouragement that we have received. May God bless all, is our prayer.

Yours to tell the Old Story

Released from Hospital - Doctor Recommends Two Months of Rest - Hope to Begin Traveling to Churches Soon

by Harold Draper

July 24, 1986

Dear Brethren,

I just got out of the hospital today after undergoing a check-up and treatment for high blood pressure and hypertension. The doctor recommended that I curtail my activities for two months. Also, our baby had tubes put in her ears and is doing just fine. We certainly desire your prayers at this time.

I had the privilege to preach at the Beech Grove Baptist Church this month. Also, I attended some of the services at the Mission Conference at the Zoar Baptist Church. It was good to see some whom we hadn't seen for years.

Harold Draper

I hope to begin to travel and visit churches. We have some appointments for next month and the month of September.

In Him,
Harold Draper

Many Trips to the Various Works - Several Saved - Brubachers Visit Work

by Mike Creiglow

Cruzeiro do Sul, Acre

July 10, 1986

Dear Brethren,

So many good things have been happening around here that it is going to be difficult to report to you. Once again I find myself trying to select the items of news that will be most interesting to you.

Let me begin by just telling you where I have been and then I will give a few highlights. Mancio Lima (3 visits), Maita (2 visits), Lagoinha (2 visits), Pentecostes, Guajara, Rodrigues Alves (2 visits), and a visit to Faith Baptist Church here in town.

Our preachers have started a new preaching point up river. The place is called Pucalpa (not to be confused with Pucallpa, Peru). The village is just a few minutes by boat upstream from our congregation at Valquirie. I had preached there in the past, but not to begin a constant work. Now our men are going there every two weeks. There have been 6 people saved. Just last week there were two more professions of faith. Two of the people who have been saved are the manager of the rubber plantation and his wife. One more was saved at Valquirie, too.

There have been several people saved in the interior churches and missions. Three of these were at Guajara, which is very encouraging. The work there has always been very slow and difficult. Besides the weekend services which are held there we now have regular mid-week services held by 2 of the local brethren.

The Church at Pentecostes is doing well. I really enjoyed my visit with them and they

Mike Creiglow

seemed to enjoy my being there just as much. They are into their new, first and only building. They are also adding a new room so that the children can have a place for their class.

Last month Demas and Brenda Brubacher were with us for 17 days. Their visit was just fantastic. It was great to have time to let them see a little of our work and especially for them to be able to have time to get a little taste of our life style and culture. Demas, Adam and I were even able to make a quick trip up the Moa River all the way to the mountains. I had been wanting for some time to get back up there to see how many people were living there and to gather some news of a number of believers there. The weather this summer has been lovely. The scenery is so beautiful that you have to see it to believe it. The river flows through the mountains and is as natural and wild as when God made it. It was a long hard trip, 10 hours to the base of the mountains and 12 hours to our camp site in the mountains. Plenty of shallows, stumps and rapids. The boat and motor we used were on their maiden voyage. The boat was provided by Central Baptist Church, where Demas pastors and Liberty Hill Baptist Church of Phil Campbell, Alabama. The outboard motor was purchased by South Lexington Baptist Church. Good, tough equipment. Thanks, so much.

Well, it looks like I will have to save some of my news for later. I hope that what I have written will bless you and get you a little more excited about missions. God bless each one of you and thank you again for your support.

In Christ
Mike Creiglow

Financial Needs Explained - Need to Overhaul Engine for Bus - Ten Baptized

by John Hatcher

Garca, Sao Paulo

22nd de July, 1986

Dear Friends,

Do you read the Mission Sheets? Do you ever talk to anyone about the needs for the missionary work? Do you pray about the needs that are mentioned in the missionary's letters?

Your help is vital, now. Overhaul of one of the diesel engines cost \$2,400. (I wrote last letter that I thought it would cost a little over \$1,000.) This bus is used as a mobile chapel. Fifty persons have made professions of faith in one city where it is used and about 20 in another. Property has been purchased in the city of Lupericio, we need money to build a building. We need money to buy or build in the city of Marilia, a city of 150,000.

John Hatcher

It is not an easy task for one missionary to maintain work in seven cities, especially with not enough money for all the needs. Besides the regular work there is the teaching in and the maintaining of the Center of Theology Study and Evangelism.

Our church has 70 members. The average is \$50 per month. The church pays for the fuel of our four busses and pays meager salaries to four full time workers.

Sunday, July 20, we had a special day. Our people were brought in from four cities. There were 250 present. Ten persons were baptized from three of the mission points.

There are cities all around us that have no Baptist work. How shall they hear unless someone is sent? Will you care enough to give?

Sincerely,
John and Alta Hatcher

Trip to the Philippines - Great Need Seen Everywhere - Several Decisions - Typhoon a Blessing

by John Henderson

July 16, 1986

Dear Brothers and Sisters,

We left Charleston, W. VA. airport June 23, 1986 at 7:50 a.m., leaving many family members and friends behind. We had a wonderful trip, it was such an exciting flight. It was amazing. We flew for 24 hours and didn't see darkness until landing in Manila, Philippines on June 24, 1986 at 9:05 p.m.

Brother and Sister Adams were there to greet us, having the traditional flowers to go around our necks. After a few days of jet lag, we were wanting to see all we could of this beautiful country to which God had called us.

There are so few Baptist Churches here. In every direction we would go, we see the great

John Henderson

need. The job is so big, and we need your prayers to do that which He has called us to do.

We have met several national pastors of Independent Baptist Churches and have preached for them as well as for Brother Adams and the Baptist Faith Temple Church here in Marikina. The Lord has blessed and we have seen many decisions for Jesus Christ. Some coming to get close to their Lord, and some coming for believers baptism.

We had a typhoon hit our island a little to the north. But we received heavy rains and hard winds. It was a blessing to us though, the temperature dropped and we got a chance to cool off for a few days.

Soon, very soon we hope to start several points of preaching. Pray that God will develop these into local churches.

Love in Christ,
John and Pat Henderson

Moves To New Location - Falls from Scaffold - Husband Saved by Church Member - Phone Put In

by Bobby Creiglow

Cuiaba, Mt.

July 17, 1986

Dear Brethren,

On July 26 we moved the last of our things in our new house and after three weeks we are almost organized to where we can start living again. We still have one room that we keep closed when we have visitors, but we hope in the near future we will be able to find a place for that mess also. We have about all of our furniture bought that we plan to buy at this time. Most of the houses here do not have kitchen cabinets, so I spent most of one week building some that we will be able to take with us when we move again.

I got back to our building at the church this week and one day I was up on the scaffold and my helper was throwing bricks up to me when the scaffold broke. As we say, "I fell like a ton of bricks," but in my case I fell with the bricks, but the Lord blessed and I came out of it with only some scratches and bruises. We now have the room about ready for the roof.

Bobby Creiglow

Our attendance at the church has been about the same this month as last and we have not had as many visitors as in the past, but we did have a man saved this month. He is the husband of one of our unfaithful ladies and we hope he will be a strength to her and their children. He came last night to our mid-week service and although he did not have any of the family with him we thought it was a good sign on his part. Of the fifteen I baptized since taking over this work we have lost four or perhaps five. Some have moved away and some just do not have what it takes. We also received one by letter this month.

It took about ten days, but we now have our phone hooked up. We were able to rent this phone for a good price of \$15.00 per month and were glad to get it. In case you would like to call us, our number is 361-4242, or if you want to dial direct it is, 011-5565-361-4242.

After my fall at the building some of the members decided that that was not my work anyway and suggested that the church pay others to do the work and I be the boss. That sounds like a good idea to me.

Please do not forget to pray for us. We need it.

In His Name,
Bobby D. Creiglow

Returning to Peru - Three Hospital Stays - Many Thanks and Report on Recent Travels

by Homer Crain

Dear Brethren,

Tomorrow, August 1st, we start our trip back to Peru, S.A. -- We plan to go to Tennessee to see Elizabeth's father and then on to Alabama to be with our youngest son and family and then on to Miami, Florida and from there on to Peru.

We have had a good time visiting the churches and preaching and telling of the work in Peru.

Due to the three stays in the hospital, I have not had the time to visit as many churches as I wanted to visit.

I thank the Lord for the pastors who have said that they would lead their churches to give to the NEW WORK IN PERU. Just remember that you can have a part in the work where there are over 8 million people and there are new people arriving from the Andes and jungle every day.

Some churches have already given and designated their offering for CRAINS NEW WORK. Will you join those who have already started to give and join us in prayer and give, that this work may be a lasting work that will glorify the Lord in the years to come?

Since my last letter I have preached in the following churches. Emmanuel Baptist Church,

Homer Crain

Centerville, Ohio, Darrel Messer Pastor; Grace Baptist Church, Fairborn, Ohio, Paul Kirkman and Don Foose, Pastors; Storms Creek Baptist Church, Jim Orrick, Pastor, Ironton, Ohio; Kanawha Baptist Temple, Charleston, W.VA., Bob Lamb, Pastor; Zion Missionary Baptist Church, Taylor, Michigan, Jon Rule, Pastor; 12 Ryan Baptist Church, Warren, Michigan, Wayne Mulling, Pastor; Grace Baptist Church, Wyandotte, Michigan, Wayne Mulling, Pastor; Grace Baptist Church, Beattyville, Ky., Tim Arnold, Pastor; South Irvine Baptist Church, Irvine, Ky. Berlin Hisle, Pastor; Wilmington Baptist Temple, Wilmington, Ohio, Dan Farrell, Pastor; South Lexington Baptist Church, Lexington, Ky., Edward Overbey, Pastor.

July 10th-14th. I was in the hospital here in Lexington for a minor operation.

July 16th. I attended the funeral of my nephew at the Zion Missionary Baptist Church, Taylor Michigan.

July 20th. I attended the Sunday morning service at my home church, Zion Missionary Baptist Church, Taylor, Michigan.

Thank you again for having us in your church and the people who had us in their homes.

Homer, Elizabeth and Melissa Crain

Your missionaries in Peru, S.A. Also, I was with the Trinity Baptist Church, Richmond, Ky., Carl Sadler, Pastor.
