Farm Given For Missions

Home of Brother and Sister John Hawkins in Star City, Arkansas.

Brother and Sister John Hawkins of Star City, Arkansas gave their farm recently for missions. They will live on their farm for the rest of their lives and then the farm will be used for the missionaries of Baptist Faith Missions. Their farm consists of 77 acres and a very nice home.

Brother and Sister Hawkins have been good friends of missions for many years. Before they retired they were faithful members of Twelve Ryan Baptist Church. Warren, Michigan, We are thankful that the Hawkins had the foresight to make plans that their wishes might be carried out. We thank the Lord for their generous gift.

They took the legal steps now to be sure that they had their farm to live on the rest of their lives and to be sure it all went to missions when they went to be with the Lord. If the proper legal steps are not taken then it is very easy for property at a person's death to go to the state, for legal fees, etc. If any others have a desire to be sure they can use their property the rest of their lives and then that it will all go to support faithful missionaries, please write us. It would be a shame for a person's wishes concerning their property to be denied because the proper legal steps were not taken in time.

The following recently caught my attention:
Love is the one treasure that multiplies by
division. It is the one gift that grows
bigger the more you take from it. It is the
one business in which it pays to be an absolute spendthrift; give it away, throw it
away, splash it over, empty your pockets,
shake the basket, turn the glass upside
down and tomorrow you will have more
than ever.

B.F.M. SUPPORTERS' GIVING PROVES THEIR LOVE AND CONCERN

AND CONCERN

I believe many of our supporters have proved this to be true. You again broke all past records in your Thanksgiving Offerings. We who are connected with B.F.M. deeply appreciate your love and concern. Several churches gave in an unbelievable way. The Twelve Ryan Baptist Church of Warren, Michigan, always leads the way. They had given by the 26th. \$33,333.33 and were shooting for \$35,000. That's not including their regular monthly giving to missions, which usually runs in the thousands. Those who are not familiar with Twelve Ryan often think she is a large church; no, far from it, they run but a bit over a hundred in Sunday School. She is a church made up of working people who love God and missions.

Long Wait For Equipment From The States . . . Brethren From The States Visit The Work - Many Travels . . .

by Homer Crain Lima 33 | brea

Dear Brethren,
We have been in Iquitos 30 days waiting for the boat to arrive from the USA and have made 3 trips back and forth before the boat finally arrived.
At the end of October, Brother James Washer, Paul Washer and Jack Kerr arrived here in Lima for a ten day visit. Saturday, Nov. 1st, Paul Washer preached for to the Bible Baptist Church here in Lima. The following morning, Brother James Washer prached for the same church. Fortunately, Barreto is the Pastor there.

Nov. 2nd, Sunday afternoon we all went to the airport to go to Iquitos to preach for the First Baptist Church of Iquitos. We arrived at the airport at 2:30 P.M. putting us in Iquitos after the service at the church was over.

the church was over.

After visiting in and around Iquitos for a day and a half we caught the plane for Pucallpa, arriving late but in time to preach for the Faith Baptist Church of Pucallpa. Brother Paul Washer preached and I translated.

Wednesday, Nov. 5th. We left Pucallpa arriving back in Lima late Wednesday night.

Thursday, Nov. 5th. We rented a car, a small Nissan and drove across the Andes Mts. to Huanuco where Bro. Paul Washer preached for the church in Huanuco.

the church in Huanuco.

Friday, Nov. 7th. We drove on to Tingo Maria and again Bro. Paul Washer preached. After the service was over we drove back to Huanuco when we slept for about three hours and Nov. 8th at 6:00 A.M. we left Huanuco for Lima. After

breaking two shock absorbers we arrived back in Lima in time for the Brethren to catch their plane back to the USA. We were thankful they were able to see most of the work in Peru of Baptist Faith Missions.

Nov. 12th. Brother Gasque arrived from Iquitos to do some paperwork on his Visas.

Nov. 19th. I received word that the boat had arrived in Pucallpa so Brother Gasque and I left Wednesday afternoon by plane and arrived in Pucallpa in time to eat and get to church in time for Brother Gasque to Preach for the Faith Baptist Church of Pucallpa.

Nov. 25th. We left Tingo Maria and 12 hours later we arrived in Huanuco, a trip that usually takes no more than three hours. In Huanuco we had to stay two days to get the fuel pump rebuilt on the Ford and the drive shaft on the Dodge had to be taken off, cut in two, bumped back in shape and welded back together.

Nov. 28th. We arrived back in Lima with both Vans, but, two tired missionaries. Plus all this I have been sick for 6 weeks and just can't seem to get any better.

Vans, Jun, Andrews been sick for 6 weeks and just can executed that better.

We are still looking for a place to start our services. Places to rent here in Lima are very expensive to rent and hard to find.

We plan to start our services even if we have to start in a home no later than December 14th. We have several that will be meeting with us to start the work. Keep praying for Peru, that we may continue preaching the word of God here in this country of great need of the Gospel. Keep giving to the general fund and Crains New Work.

Holds Meeting At Roraima . . . One Saved . . . Need . . . For Trained Nationals . . . Beginning Bible School . . . Requests Special Prayer

by Bobby Creiglow

Cuiaba, Mt. November 13, 1986

Dear Brethren,

Dear Brethren,
Our meeting with the pastor from Roraima came off about as we had planned, although there were not as many souls saved as we had hoped for, in fact there was only one profession of faith. We had hoped that this pastor might be the one to be the new pastor of this church, but from the way things look now that will not happen, at least at this time. The preaching was not as good as we expected, so we are still looking.

Just before the preacher from Roraima left I got a call from the bus station from a Peruvian that had visited Mike and family in Cruzeiro do Sul and was on his way to Sao Paulo. He is still with us and we do not know for how much longer, but by next week this time our family will have grown even larger. Mike will be coming to pick up Adam and will be bringing three girls from there that are to study in the university and will be living with us. These three girls after finishing their education plan to return to Cruzeiro do Sul to work in the christian school that Mike will be starting.

It is becoming clearer every day that we must make a larger effort to train nationals to do the evangelization of their own people. Pastors are so few in this country and travel so difficult that we believe they will have to be trained where they are instead of sending them off to another city. Therefore Brother Candido from the Faith Baptist Church of Varzea Grande and myself are in the planning process of starting a Bible institute for this purpose. We need your prayers in this, first of all because we need your prayers and second because he is so young in the ministry and I have never had any experience in this type of work, but the job must be done. There are other jobs I would much rather do.

much rather do.

The work here is still going very slow with our attendance staying about the same except our mid-week service which has been better this past month with about 35 in attendance each week. month with about 35 in attendance each week. We are still not seeing enough visitors in our services to be able to have many professions of faith. Many are the times that we would like to just throw in the towel. We become so discouraged and depressed that we think we cannot go on, and on the other hand we just cannot quit either. There are bound to be brighter days ahead. Please pray for us.

The churches in the Iquitos area seem to be doing good and we are encouraged in more faithful laborers that the Lord has given. We have sent out a new worker to the church at Santa Rita on the Nanay River with hopes that God will use him to build this church back up. It had almost completely disappeared, but we realize that this must not happen. Pray for this young man and his family who have accepted the challenge of this work. His name is Miguel Vasquez.

I have been a guest of the Crain's for the past few days while doing some paperwork in Lima. They have been very kind to me and I appreciate very much the help they have given me.

I am packing now to go to the Thanksgiving Conference which will be history when this letter is published. We are looking forward to seeing many of the brethren at the conference. May God bless all of you.

Dear Co-Laborers,

and individuals who have given to make our ministry possible here in the Phillippines. From the time that we arrived in the Phillippines on July 17th, 1980, up until the present, we have seen many lost souls (some already at home with the Lord) come to know

Jesus as Lord and Saviour of their lives. For this we praise the Lord and give Him all the glory and honor for the great things He has done. "For what is our hope, or joy, or crown of rejoicing? Conditions And Needs . . . Many Saved . . . Plan To Organize In December . . . Begins School

by John Henderson November 3, 1986

by John Henderson

November 3, 1986

Dear Brothers and Sisters in Christ,

We want to say thanks to all who have been corresponding with us. We have been asked many times about the living conditions. Well, compared to the U.S.A, the cost of living here is outrageous.

Examples: each orange costs 30 Pisos or \$1.50. That's right, 1 orange. Each apple costs the same, grapes cost \$5.00 a pound, gasoline costs about \$1.45 a gallon. The U.S. dollar doesn't stretch very far with the inflation rate this country is going through. Some other prices: a can of soup, 90 cents; a can of peaches, \$1.70; small potatoes, 20 cents each. You can see that food is very expensive. I really feel sorry for the Filipino people.

Some asked if they could send clothes. Yes, they are a small people so they wear small sizes. Any infants sizes or children through high school sizes. The ladies wear 3-10 or small or medium. I know any thing would be of help.

The Lord has been blessing the mission at Paranaque, inspite of the opposition we have encountered by the Catholic priest. On November 2, our 6th Sunday, We had 54 in attendance. We baptized 16, and 12 came by transfers from other Baptist churches. They started attending our services because their church was on the other side of town and they couldn't attend services very often. Some had moved into the area and were glad we had come because they had no where to go. The Lord has been good to us. The same day seven more came making professions of faith in Christ, two came to rededicate their lives to Christ. The Lord is blessing each service. We just praise his name. We already have others waiting Baptism for the 1st Sunday in December. We are praying with a goal to organize this work December 21,

1986. God has given us those who are ready to stand for the truth. We have two Chinese families who own businesses in the area, a lawyer and his family and several other families that will not let the devil scare them off. We have one little girl named Ethel, she has been so faithful inspite of much persecution. She is a blessing to our hearts. It makes us rejoice to see the ones take up their cross and follow Christ.

I wonder how many people in the U.S.A.

I wonder how many people in the U.S.A. would stand for Christ if they were under the same conditions. I pray that we would all be as heave.

same conditions. I pray that we would all be brave.

We're praying for more finances to do more. We need more chairs, song books, Bibles, many have no Bible and no means of getting one. We have people standing during the services now. This is a good problem to have.

There are 400,000 people in this area, and we set a goal of eighty for our organization in December. By God's grace we will reach this goal. Our home Bible studies have been a great success with many saved. Not all have come to the Mission but God will bring those He wants there.

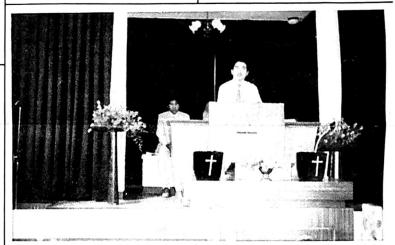

We started our Philippine Independent Baptist Seminary off with a conference on October 31.
We had 50 registration forms filled out by prospective students. We had 150 in attendance with 40 Pastors present. We had a great time of fellowship.

with 40 Pastors present. We had a great time of fellowship.

I write this letter so you may rejoice with me. These are fruits of your labors. If it were not for you, I would not be here preaching the Gospel. Thank you for your prayers and your support. We ask you if you can help in our new works, with any of the needs mentioned above. Mark your gift, Henderson's New Works In Paranaque, or the Philippine Independent Baptist Seminary. Romans 15:30

Report On Trip Back To Peru . . . Good Trips To Michigan, Kentucky, Illinois . . . Special Financial Need Of The School . . . Tour Group To Peru

by Sheridan Stanton

Dear Brothers and Sisters in Christ,
Greetings in the name of Jesus our Lord and
Saviour. Hope all is well with everyone. I am back
in Peru at this time and Anita and the children are
still in Lexington. We are all doing fine healthwise. It was necessary for me to come back to Peru
quickly to take care of some legal problems that
came up. For the moment everything is OK but
we need \$4,000.00 by the 20th of December or we we need \$4,000.00 by the 20th of December or we can have some very serious legal problems. Some lawsuits were brought against our Baptist School work here in Pucallpa. These lawsuits have been settled with money from the school. However, the school money is needed to pay salaries and finish out the 1986 school year and if we don't have it we will be fored with more lawsuit then Please pray. will be faced with more lawsuits then. Please pray and give to help us out in this matter, it is urgent that we take care of this before December 20.

and give to help us out in this matter, it is urgent that we take care of this before December 20.

Other than the financial problem the school is doing well and we are planning the budget for next year. I hope to be through with this soon and get back to my family in the States. It was necessary to cancel a few speaking engagements before because of this unexpected trip. But we will make plans to get back with these churches when we return. I'm making a new video tape of our work while I am here with the video Camcorder that was bought for us by the Lake Road Baptist Church, Clio, Michigan and the Grace Baptist church of Holly, Michigan.

While I am here, I am also finishing the legal papers (title, etc.) on our property in Yarina Cocha for our mission work. We are still meeting in the same front room of the little house of one of the members and a larger building is badly needed. Anita and I are hosting a B.F.M. tour group to Peru. We are looking for 35-40 people to come to Peru between July 8 and August the 1st and help us start construction on our mission building. You'll get an opportunity to see our work and have a part in it. We also want you to see Peru, it is a beautiful country. You'll see

trip to our supporting churches. Please get one and come and spend your next summer vacation with us!!!

I did not have a letter in the Mission Sheet last month because I procrastinated. Please forgive mel Let me make up for it now. On October the 3rd I arrived in Flint, Michigan to speak at the missions conference hosted by the Lake Road Baptist Church, Pastor Doug Armstrong, and also the Grace Baptist Church, Pastor Bob Hopkins. It was a great conference with good preaching, eating, and fellowship. Both of these churchs went together and bought us our video camera to use in our Bible Institute here. Thank you so much for sharing the vision in our work. On Sunday, October 12, we were with Pastor Stan Long and the Battle Baptist Church in Wsahington County, Ky. This church has supported B.F.M. for years and it was a real pleasure to be with them. On Sunday, October 19th, we were with Brother Harold Lemay and the Muddy Ford Baptist Church, of Georgetown, Ky. This church recently built a new building and is doing real well. We had good food and fellowship. On Saturday, November 1, I travelled to Chicago to be with East Main Baptist Church for a special meeting on Saturday night and then with them again on Sunday morning. Brother Louis Maple is the Pastor of this fine church. Sunday night I was with the First Baptist Church of Niles, IL, where Brother Roger McManus is Pastor. Monday morning found me back with Brother Maple to speak to the students of the East Main Baptist Academy. I want to thank both of these pastors and their churches for the great hospitality and expression of christian love while I was with them. On Thursday, the 6th of Nov. I left for Peru. Please pray for us and the work God has intrusted to us here in Peru. Please, please, please, help us with this financial problem before December 20th. Thank you. please, please, help us with this financial problem before December 20th. Thank you. To GOD be the Glory, S.E. and Anita Stanton
