### JUNE IS FOUNDERS MONTH

Remember our Missionaries and take a special offering to support them.

#### Founders Month

June is the month we remember the founding of BFM. The Lord has blessed greatly in the past until now. We need to remember this. We are calling June FOUNDERS MONTH. About the middle of the year our offerings usually go down some but the expenses of our missionaries go right on. During FOUNDERS MONTH we would like to remember our missionaries especially and take up special offerings to avoid this midyear slump. We would appreciate it if during June one Sunday would be selected by your church to especially remember our missionaries and take up a special offering. Now is the time to begin thinking about this. We ask that each church pray about it and then do what God leads you to do.

### Visit John Hatchers for Fellowship and Information . . . Young Brazilian Preacher Doing Well - Sees Results from Calling in Garca . . .

by Bobby Creiglow

Cuiaba, Mt.  
April 21, 1987

Dear Brethren,

Due to the fact that we plan to start a training center for Christian workers here in Cuiaba, I have been for several months planning to go to Garca, Sao Paulo to visit John Hatcher to get some instructions and ideas from one who has had many years experience in the field and since the girls had several days off from their work we decided last week would be a good time to do this. I did get some good advice and information along with some good fellowship with the Hatchers and the brethren in Garca.

Bobby Creiglow

My spirits were also lifted up when I saw two people that I had invited to services in 1981 in the services. One of them was a man that upon the request of a daughter of his I had visited, but I do not believe he came at that time. As I understood, most of his family have been saved since that time. Another was a young man that was just a boy at that time that I was picking up in the van. Since then he has been saved and called to preach. It was a real joy to be with them along with the other 270 people in their service on Sunday mor-

ning. One sows, another waters and God gives the increase. We thank John and Alta Hatcher for their hospitality. It was refreshing to us to be with them.

For almost two years now I have been looking for a Brazilian preacher that would one day be able to take over this work. Two weeks ago I received a phone call from another church offering the services of a young man that has been called to preach and already preaches well. He likes to study and visit and after being with us for a little over a week now we are somewhat encouraged. An elderly lady of the church has given him a room in which to live and the church is paying him a small salary. He took care of the services while we were in Garca, Sao Paulo and we have heard some good reports since we came back. With you all praying for us I believe we can be a blessing to each other and get some things done in the service of the Lord.

Our services at the church have been pretty well attended and we have had about ten lost people in each of our Sunday night services, but as yet the Lord has not been pleased to save them.

Betty, after being sick for over a month is feeling much better now.

We still need your prayers, so please do remember us before Him.

In His Name,  
Bobby D. Creiglow

### Brother Carver is Leaving BFM

Brother Louie Carver is resigning from BFM at the end of May, 1987. He has been seeking God's will concerning this matter for some time. He considered returning to the Philippines as a missionary with BFM but after further consideration he believes God would have him to do something else. The Directors were willing to support him in returning to the Philippines if he had felt led to do that. The Directors have also told him if he feels led to return to the mission field at a later time we hope he will come back with us. He indicated that he may do that.

Brother Carver has been a faithful servant of the Lord for these past 16 years he has worked with BFM. He went to Korea and began several churches that are still doing well. He went to the Philippines and began a church that is also still doing well. For the past 6 years he has been the Field Representative of BFM. He has worked very hard and travelled far in this position.

The Directors of BFM have appreciated his faithful service. In appreciation for his service as the first Field Representative of BFM, a plaque was presented to him at the recent Spring Conference. He was also given the car he has been using for BFM. His salary and health insurance will be paid to the end of August and he will be allowed to continue living in the mission house until then also.

We wish him and his family the best and urge all to pray with him as he seeks God's leadership for his life at this time.

### Very Hot . . . Trials of Loneliness and Sickness . . . New Work 5 Hours North of Manila Doing Well . . .

by John Henderson

April 6, 1987

Greetings from the Philippines:

The season is summer, the temperature is very HOT. The body sweats. The humidity is so high you swim instead of walk. Just kidding, but boy it sure does get WARM. How warm, come on over and experience it. This has been a very hard adjusting time for me. Pat had to return to the states in January because of problems our youngest daughter Debbie was having. Today, April 6, 1987, I talked with my wife, and both will be coming to the Philippines on April 27, 1987. We thank the Lord for answering our prayers. I didn't know what to expect when Pat left to go home to America. But I know it was the hardest thing I have had to do to say goodbye to my beloved at the airport. As I watched her flight leave, my heart nearly broke. I stood and wept as the plane disappeared into the horizon. I never knew such loneliness, and homesickness as I faced the weeks that turned into months. But now I am rejoicing, both are returning to the Philippines.

John Henderson

Thank you all for praying for your missionaries. This is one thing that kept me going when I felt like quitting. I knew many of you were praying

for me. So I tried to run the race set before me laying aside every weight that would hinder me.

The way you responded to our pleas really encouraged us while we faced this one of many trials. In February I got a viral infection which really sapped my strength. I ran a fever of 102-103 for almost a month, then the medication began to help me. But, I kept having relapses. March 30, I went to the University of Philippines Medical Center with infection in my eyes. They discovered it was caused by the viral infection. They scraped my eyes and eyelids and put me on more antibiotics. Now, finally, it seems I am getting over it.

These are the problems your missionaries face. Disease, infections are rampant in the countries they serve. So, remember to pray for each of us. We also face pickpockets, robbers, etc. Yes, even infections. But God is faithful to supply protection and strength to which I praise His name.

The works are still growing. Las Pinas, Calvary Baptist, also Zion Baptist at Paranaque. We are also working at a new area at Deyupan Pam-pacasinan. It is about 5 hours north of Manila. We have 17 baptised members. Pray for this area that God will raise up a church.

God bless you and watch over each supporting pastor. We remind you that this is your work supported by your dollars and by your missionary.

Bro. John M. Henderson

### Brother Carver's Report

#### Don't Forget Founder's Month . . . Travels for the Month . . . Resigning after 16 Years of Service

by Louie Carver

James Hudson Taylor, missionary to China in the mid 1800's once said: "First I asked God to help me, then, could I help Him, now it's work through me, Lord." Evidently God responded. Taylor arrived in Shanghai, China as a 21 year old youth in 1854. He went to his eternal resting place at age 73 in 1905. By the time God called Mr. Taylor home, his organization had: 750 missionaries, 205 stations and had raised \$4 million. I believe we've yet the same God, don't you?

Louie Carver

This will be the final pleas to open your hearts and pockets. That is regarding the extra \$12,000 for Founder's Month offerings. By opening up, you too will be agreeing with Dr. Taylor: "Now it's work through me, Lord." If each supporting church's pastor will give his people a bit of a challenge and an opportunity, the goal will easily be reached. Will you, pastor?

Dr. Lee, the dentist and pastor of the Faith Baptist Church of Seoul, Korea, called twice last week. He stated that the Faith Church which he pastors is now running 100 adults for the morning services, besides children. Two souls had recently been saved and numerous ones had made different decisions for Christ. Their mission is now running 20 adults regularly. Too, his former assistant, Bro. Park, had just started a new mission in southern Korea, near Mokpo. One sad note, Pastor Chung, of the Shin Nae Church, continues to lose his health. He is no longer able to care for the services. Please pray for this young pastor.

April has been a rather busy month. Aside from the churches I've been to and with, we had to make a fast trip to Birmingham, Alabama. My wife's last living aunt passed away. She now only has her mother and brother as close relatives.

Now for those we've been with in April. We at-

tended the services of the Folley Beach Baptist of Folley Beach, S.C., Jim Henderson is the interim pastor. Also, attended services at the Victory Baptist Church of Charleston, S.C., Herb O'Neal is their pastor. Was also with Pastor M. Mitchell and the Calvary Baptist of Nitro, W.V. in their annual mission conference; the Mt. Pisgah Baptist of Grafton, Ohio, Charles Fisher is their pastor; the Battle Baptist of Mackville, Ky., Stanley Long is their pastor. This past week the conferences were held at the Thompson Rd. Church and Ashland Avenue. The Thompson Rd. conference was on the behalf of B.F.M. and was sponsored by: Thompson Road, Bryan Station and South Lexington Churches. These churches are pastored: J. Hamilton, A. Gormley and E. Overbey, consecutively.

The conference at Ashland Avenue is annually sponsored on the behalf of the Lexington Baptist College. This is our home church and is pastored by Dr. Ross Range.

May His Richest Be Yours,  
W. Louie Carver

P.S. Will you not say with Dr. Taylor of old, "Now it's work through me, Lord."

P.P.S. Paul was a year or so into his second missionary journey when he had some conflict. The conflict was where to go next. He was, "forbidden of the Holy Ghost to preach the Word in Asia . . . they assayed (attempted) to go into Bithynia, but the Spirit suffered them not (would not permit them)" Acts 16:6-7.

I am experiencing a similar thing at the present. Somehow, my heart is not at peace (presently) to remain with B.F.M. We've had 16 basically, great years together. Most of our supporters have become, not just friends, but special friends.

Thanks for your friendship, love and support for these past 16 years. Do pray with my family and me as we seek God's definite leading.

If I may ever be of service to you, let me know.

Your Fellow Servants in Christ,  
the Louie Carver's

### Preparing to Return to Peru Soon . . . Travels for the Month in Behalf of Missions . . . Special Requests . . .

by Sheridan Stanton

Dear Friends,

Greetings in the name of Jesus once again. Another month has come and gone quickly. The Stantons are preparing to head back to Peru in June and get back into the thick of things.

This past month has been very busy for us because of all the travelling.

I've been with the pleasant Ridge Baptist Church of Frankfort, Kentucky, John Bruce, pastor; the Bible Baptist Church of Harrisburg, Ill., Art Donley, pastor, Chapel Service at the Bluegrass Baptist School; Emmaus Road Baptist Church, Pastor Roger Frame; Addyston Baptist Church, Addyston, Ohio, Pastor Rex Hensley. This week we've been in the 27th Annual Spring Missionary Conference at the Thompson Road Baptist Church. At present we're attending the services of the Annual Conference of the Lexington Baptist College.

We thank each church and pastor that has had us and kept us. The fellowship has been great and we have certainly been encouraged. Please keep on praying for us as we prepare to return to Peru. We want to again invite each one to come visit us in Peru. Remember to pray for Sister Mayfield as she continues to look after the house and school for us while we are home on furlough. We still need a lot of help for the Stanton Building Fund. We hope to build soon after we return in June. Also, please consider an increase in the Regular Fund.

Until next month take care and may God bless.

In Christ,  
S. E. and Anita Stanton

## New Pastor at Sao Mateus . . . Begin New Work at Cantahede with 45 Present . . . Several Saved at New Hope, Anil and Anajatuba . . .

by George Bean

April 15, 1987

Dear Brethren,

I went to Sao Mateus Saturday, March 28 for a special service. It was the installation of the new pastor, the house was full and after I preached I returned to Sao Luis. I got home at 4:00 a.m. It was a great service, and my prayers are for church and pastor that they will have a fruitful time together.

Saturday, March 21, five of us went to Cantahede to see about a service. We visited door to door and soon found that there were no Baptists living in the town or county. There is a Church of God and an Adventist group there. One man who is not a believer said we could have a preaching service in his home and the rain also cooperated with us. We then began to invite the neighbors to the service, the lost man went with me to invite his friends and neighbors. We had 25 adults plus children in our service and I counted 45 at the close of our service. The 25 adults are all unsaved people. We go there for another service Saturday,

New Hope Baptist Church. The young preacher and young woman who separated from her husband continued to see each other and he rented her a house. Last Wednesday the church excluded them both. We have lost three preachers of late as one went to the Mission at Anil to help there. The woman's husband had started to preach, he has also gone to Anil Mission. I believe that God will raise up others to preach his Word. In spite of all our problems we have had two saved at New Hope this month.

Anil Mission. There have been several professions of faith this month. The pastor also baptized two into the mission or into the membership of New Hope Baptist Church.

Anajatuba. I went to Anajatuba Friday, April 10. After I preached, one young man made a profession of faith. They had already had two more to make professions of faith during the week as they were meeting each night for a week of prayer. We excluded one for ungodly living at Anajatuba while I was there.

May God bless each one, is our prayer.

## The Story of Barao . . . New Building Dedicated . . . People Being Saved Every Week . . . Many Baptized . . .

by Mike Creglow

Cruzeiro do Sul, Acre  
April 13, 1987

Dear Brethren,

The highlight of this month comes from the Church at Barao. The history of the place and the church is mingled with the very history of Cruzeiro do Sul. At the turn of the century one of the founding fathers of Cruzeiro do Sul, who had originally come from the east, started a huge ranch at Barao. In a short time he had cut out a large hunk of jungle. He was able to do so, besides being wealthy and powerful, due to the fact that he "tamed" an Indian Tribe. This tribe provided the labor force.

Mike Creglow

This man died and left everything to his children. In 1959 the church was organized, but many were also the pure blooded Indians. This small, young church was disappointed to find out that the land owners would not permit them to put up a building to meet in. Through the years the church has been up and down. Sometimes down to just 2 families. Nevertheless they continued to meet in homes. Many of the original members moved away because of the hardness and even cruelty of the land owners. The village was almost wiped out for this same reason. In the last 10 years things have slowly started to turn around. The good

news is twofold. First the government finally took notice of the oppression and set aside a large part of the land as an Indian Reservation. Once this was accomplished the church had her permission to build her building. Then the second piece of good news is that five of our churches went in, with local initiative, and built the building. In the past there was always a tendency for the churches and workers to wait around until the missionary said, "jump!" For the last few years I have worked at getting this bad habit erased. This bad habit was created back in the 50's. My Dad really suffered while trying to reverse the tendency. Now we are starting to see some progress. Bad habits are quickly created. Breaking them is a long, hard process. It is great to report to you that God has given us some results along this line. This week we held the dedication service for the church building at Barao do Rio Branco. All the lumber was saved by the people using chain saws. Even the pews were made this way! One of the churches bought nails and another hardware. Our church and one other bought the roofing. It was just wonderful to be there to see the culmination of an almost 30 year wait.

Things are going well here in town and out of town, too. I baptized 7 for the church at Sacado during their anniversary service. Several have been saved in the missions. Here at home I baptized 14 more. People are being saved every week.

In Christ,  
Mike Creglow

## Land Obtained for New Work in Ventanilla . . . Wall Around the Property Needed and a Building . . .

by Homer Crain

Av. Ayacucho 1469  
Urb. Liguria Surce  
Lima 33 Peru S.A.

Dear Brethren,

Here in Lima the weather is very hot and will continue until June and then turn damp and cold. I am in Iquitos at this time preaching on the 50th Anniversary of the First Baptist Church of Iquitos. Tomorrow I will be going back to Lima to be there in time for visitation Saturday afternoon and to preach Sunday.

We now have several lots to start building. We have to first build walls around all the property to keep people from moving in and taking part of the land. After we build the walls we must build a building for church services. We plan to build a building about 40 by 80 feet and later a Bible Institute building. I feel so helpless sitting here and trying to put into words about our great need here to build. We are meeting in a small building, smaller than the average living room there in the USA. Last Sunday morning we had 45 in service and 50 Sunday night.

Homer Crain

Our lots are about 110 feet by 340 feet, but, we must put the land in use or we lose it. Brethren we need some big offerings now if we are going to take advantage of this great opportunity.

Our property is in a place called Ventanilla about an hours drive from where we live. The land is in a new development and people are building small huts everywhere.

I need to build a wall in Chavinille to protect the property and against sides. The people have no place to meet and there it is cold and rainy. I need about \$4,000.00 to build the wall and a building for the people to meet in. Why not invest now and receive the blessings while you live.

I still need those wheelchairs to work with crippled people. If you have one not in use, please notify the mission or your pastor and let them handle it for you. We can use them to great advantage.

Our Daily Vacation Bible School will begin next month and we plan to reach a great host of children and young people. Would you like to have a part in helping us REACH AND TEACH THEM. Thank you for making it possible for us to minister here in Peru to so many people without hope outside the message of Grace.

In Jesus' Name,  
Homer R. Crain

## Report on Work at Open Bible Baptist . . . Two Baptized and Several Others Saved . . . Pray for Political Situation in the Philippines . . .

April 20, 1987

Dear Co-Laborers In Christ,

Greetings in Jesus' name from the Philippines. On March 27, my wife and I were invited to attend the 1st Kindergarten Graduation Program sponsored by the Open Bible Baptist Church, Sta. Maria, Bulacan, Lemuel Tamon, pastor. Pastor Tamon's wife, Edna, was in charge of the program and did a wonderful job. I was privileged to bring the message and my wife and I had a good time and good fellowship following the services. Continue to pray for Pastor Tamon and his wife as they seek the Lord's leadership for their lives. This work was started by Bro. Louie Carver while serving as a missionary in the Philippines.

This coming Lord's day I'm scheduled to baptize two who were saved during this past month. Since then we have had others to profess Christ as their Saviour. Continue to pray for them that they

Dana Adams

also may see their need of being baptized.

Our attendance has increased some for which we are thankful, especially the Sunday night services.

This coming Saturday, April 25, will be our ladies monthly fellowship meeting and my wife has arranged to have a guest speaker.

During the 1st week of May some of our young people will be attending our annual youth camp. We trust this will be a real blessing to their spiritual life. Continue to pray for us that we will remain faithful unto the Lord in the work which He has called us to do for Him.

Last night, immediately after church services, the electricity went off. As we left Marikina, we were surprised to find out that there was a blackout in other places. Later we discovered that the entire island of Luzon was without electricity. This was rather frightening because we did not know if there was sabotage or what. Today it was reported that there was a large power line trouble. The elections are coming soon, so reports are that anything can happen. Please continue to pray for the Philippines, that communism will not be allowed to take over.

In Jesus' Name,

## Report on Lucy's Health . . . Visits to Several Churches . . . Many Thanks for Everyone's Help . . .

by Asa Bratcher

1317 Maple Dr.  
Garland, Texas 75040  
April 30, 1987

Dear Brethren,

The Lord has been so good to us, since arriving in the States the last of February. Lucy has been to the doctors, and is now under treatment. The thyroid specialist put her on a month's medication, and after another check-up next week, anticipating another three months treatment. She will have to check in every two weeks for a thyroid count and blood test. But he believes surgery will not be necessary, for which we are thankful.

Asa Bratcher

At the beginning of this month, we left Texas on our way to Kentucky to visit friends, family, churches and attend the 27th Annual Spring Missionary Conference. I have had the privilege of attending the services and reporting on the mission work in Brazil at the following churches: Park Ridge Baptist Church, Bro. Doug King, pastor; North West Baptist Church, Bro. Botner, pastor. Then, in

Cincinnati, Ohio, we were privileged to speak and share about the work at the Winton Place Baptist Church, Bro. Joe Head, pastor; and at the Eastern Hills Baptist Church, Bro. Ron Andrew, pastor and Dr. Wesley Smith, Associate Pastor. We also were privileged to attend the services at the Broadway Baptist Church in Richmond, Ky., Bro. D. W. McWhorter, pastor; and the services at the Spring Conference in Lexington, Kentucky. My family and I wish to express our appreciation to each church that received us as well, and for the love offerings and for each manifestation of love expressed.

Also, we want to thank each one of you for your prayerful and financial support during these times, especially your prayers for Lucy's health. Also, many thanks to special friends such as Sister Ava Lynn McClellan, Bro. and Sister Gilbert Casey, Donald and Blanche Simpson, and my Uncle Charlie and Aunt Reva Bratcher, for their wonderful hospitality and kindness to us.

Continue to pray and give so that the Lord's work through Baptist Faith Missions may grow and glow.

## Eleventh Work Begun in Cabralia Paulista . . . Report on Meeting Places of 11 Works . . . New Car of Hatchers Destroyed by Drug Trafficker . . .

by John Hatcher

Garca, Sao Paulo, Brazil  
April 20, 1987

Dear Friends,

Eleven years ago, Alta and I started the new work here in the State of Sao Paulo, Brazil. This State has a population of 20 million people and, because of its industry, supports about 70% of the financial burden of the nation.

Yesterday, Alta and I went to the city of Cabralia Paulista where the Duartina mission has started a new work. Odali and Kathy are responsible for this new work along with Maria da Silva, of which our church in Garca supports financially. This is the eleventh work and the eleventh city to be reached with the Gospel in eleven years.

This week a house and lot were bought in Fernao Dias in cooperation with the Galia Baptist Church. At present there are six new works with permanent properties, three cities are being reached by buses and our rolling chapel, and two works have rented properties.

We wish more could have been done and our prayer to God is that more cities will be reached at

John Hatcher

a greater rate of speed. Sometimes it seems that we are stretching ourselves to the breaking point, but, people are lost, hell is eternal, and time is short. While the Pope is running to and fro over the face of the earth sowing tares, there are many Baptists who sleep, and there are many who are digging holes and burying their talents (money) in earthly things and possessions that will perish with the using. Your help is needed and please do not wait until it is too late to give.

Now, a not-so-pleasant bit of news. In January we received a new car from BFM. In order to help maintain our bus ministry our car is used personally and as a taxi. Last week, a man, 24 years old caught our car and on the edge of town, pulled a 38 and told Miguel to stop. He put Miguel in the trunk and drove about 60 miles and then took him out, bound his hands and feet in back and left him along the side of a dirt road. It is a long story but the police were advised and pursued the car at very high speeds. The thief hit a high bank at about 80 miles an hour and literally flew. When he landed, the trip was finished, but so was the car. About 80% loss. The man was a drug trafficker and also a drug user. He was caught with the goods. Our car is now under a plastic cover in our bus garage waiting to be repaired—one day.

## Visit Several Churches . . . Family's Health is Greatly Improved . . . Thanks for Many Blessing . . . Personal Needs . . .

by Harold Draper

April 18, 1987

Dear Brethren,

Another month is history. We have so much to be thankful for. We have had the privilege to visit several churches: Riverview Baptist Church, Point Pleasant, W. Va., Glen Archer, pastor; Buffalo Baptist Church, Buffalo, W. Va., Randy Whaley, pastor; Meadowthorpe Baptist Church, Lexington, Ky., Wayne Hart, pastor; showed slides at the Bluegrass Baptist School, Lexington, Ky., Ed Drummond, principal; and the Southside Baptist Church, Paducah, Ky., Don Cooper, pastor. We want to thank each of these fine churches for having us and for the Christian love shown to us while we were with you.

I went to the doctor last week and he said that I am doing better all the time. My blood pressure was almost normal for the first time. I may be able to suspend the medication in a couple months. Also, we received the extension for our daughter's visa that we needed in order to stay in the country past May 5th. Ursula is having some allergy problems as Spring approaches, but we really are in pretty good shape. We are so thankful for this. We just got back from West Ky.,

Harold Draper

where we visited our family for a few days. My mother has been hospitalized and is not feeling well. Pray for her.

We got back to Lexington yesterday to find that the carpet had been cleaned in the mission house and there were dishes, pots and pans, and towels on the table. We must thank Mrs. Carmichael and the ladies at South Lexington Baptist Church for this. Also, Bro. Ron Cook has been able to get at no cost to us a Gestner Mimeograph Machine to use in our new work. We want to remind you to pray for this new work in a new State and if the Lord so leads, please give that we may have the means to do it effectively. We realize that finances are not the only thing necessary in the work, but without them it cannot go forward. Don't forget the General Fund too.

Some have asked about our personal needs when we go back to the field. We will have to buy a clothes dryer, a new refrigerator is needed, mattress, and new cushions for our sofa, as well as chairs for our dinner table. We don't want anyone to give to this at the expense of the mission projects, but are mentioning it because several have suggested that we do so.

May the Lord bless all of you, is our prayer. We have several openings for June and July. Our telephone number is (606) 276-2936, 1033 Juniper, Lexington, Ky. 40504.

In Him,  
Harold M. Draper

## New Work Has a Building for Services . . . Encouraged to Use Homes in the Work . . . Evangelistic Services Begin Soon . . .

by Bobby Wacaser

April 21, 1987

Dear Friends,

We are very happy to report that God has answered our prayers. We now have a building in which we can have our meetings and Bible studies. At the moment this letter is being written we have a verbal agreement to rent the building for approximately \$200 per month. We had hoped to buy a building for our purposes, but it appears that God has other plans. Rather than question His wisdom we thank Him for the open door.

The young couple who came to work with us are doing very well and already show an aptitude in

Bobby Wacaser

the ministry. They have begun a Sunday morning Bible School in their home for children and also an adult Bible Study on Sunday nights. We believe our strongest witness, though, comes through the daily sharing of Christ's love in our actions. We urge our workers to use their home as a place to invite folks for meals, for counseling, for friendship or for whatever purpose would further the cause of Christ.

Our first evangelistic outreach conference is scheduled in early May. We hope to see many people turn their lives over to Christ during that time and pray that God will prepare their hearts for the reception of His Word. Bro. David Hatcher will be our speaker at the conference. Pray with us that folks will be saved for the glory of Christ.

Yours In His Service,  
Bobby & Charlene Wacaser

First service held in unfinished building in the city of Lupercio. The service was so enjoyable that when all was over there was no one who got up to go. They seemed to have a touch of Peter's desire to stay on the "mount." Brother John Hatcher's work in South Brazil.

Dear Brethren,

On March 15, I preached at the 14th of December Baptist Church in the absence of Bro. H. Bratcher in both services. In the evening services there were several professions of faith. Since then I have preached at all the services of Moriah Baptist Church. We have had fairly good attendance with lost people present and hearing the gospel but so far there have been no moves. We are praying and witnessing.

Since being here in Manaus this time, I have had the opportunity to meet and

Richard Turner

get to know several of the pastors that cooperate with Baptist Faith Missions. Many of the churches are struggling with many problems but the Lord is blessing and they are growing. Under the leadership of Pastor Wilson Ibernorn, the Peniel Baptist Church has been able to purchase the house and lot next to their building and now are entering into a building program. The Chappada Baptist Church has just purchased a piece of land to build a camp. Zion Baptist is trying to raise money to enlarge their building. Many of the churches have missions going in the interior. For example, Peniel has three missions at this time. Brethren, don't forget to pray for these brethren here that are working to win their people to the Lord.

Keep on praying for us here. The Lord willing, we will be going on to Cuiaba the 25th of May.

Thank you for making our ministry possible here in Brazil.

In His Service,  
Richard A. Turner

## Bratchers Reach 60 . . . 14 Baptized . . . Pray for Revival

by Harold Bratcher

April 21, 1987

Dear Brethren:

On the 24th of March, I celebrated my 60th birthday. Some 29 persons, mostly young people came to the house at midnight to help us celebrate. Yes, the Lord has been so good to me during these 60 years that "I feel like traveling on" because my heavenly home is bright and fair. On Sunday night the 22nd, I preached a message concerning my 60 years using several different Scriptures. The present I asked for is revival. At least some of the members of the 14th of December Baptist Church are praying, giving and working for my present requested to become a reality. On Sunday night, the 5th of April (Marie's 60th birthday), I baptised 14 believers in the baptistry of the 14th of December Baptist Church. Five of the 14 were from the Mauzinho Mission. Pastor Sotenes Nunes de Melo brought the message before the baptizing and then Pastor Marivaldo who is preaching at Mauzinho on Sunday and Wednesday nights

Harold Bratcher

preached to the non-members while we (the members) celebrated the Lord's Supper.

Last night we concluded a three day revival at the 14th Church. The Lord blessed with some 18 decisions. Sunday morning we had 405 in Sunday School, the largest attendance in several weeks.

Pray, dear brothers and sisters in the Lord, that the Lord will continue to revive His work in the midst of the years - in wrath to continue to remember mercy. We need a revival. The church needs to be revived. All of our churches need the "showers of blessings." This nation needs a revival.

Please continue to stand by us as you have faithfully done in the past. Our expenses are many and our needs are many. Give enough to the Regular Fund so that it will not be necessary to cut down on our expense money and then as the Lord leads to "Bratcher's Buildings." May the Lord bless you as you cheerfully give, is our prayer. Brethren, pray for us.

Yours In His Service
